# LYTHAM HOSPITAL.

Reconstruction was commenced in 1923, and completed, largely by the munificence of the late E. W. Mellor, Esq., in 1930.

## THE RISE AND PROGRESS OF THE INSTITUTION.

---

THE Lytham Hospital stands to-day as a monument to the benefactors who brought it into being, and as a permanent tribute to their sympathetic regard for the well-being of the community and the relief of human suffering.

Sixty-three years ago, John Talbot Clifton, Squire of Lytham, gave the land, built the structure, and furnished and equipped the Lytham Cottage Hospital. This Institution served its day and generation, and was the start of the hospital movement in the Lytham district. The demands upon its resources increased as time went on, and the day arrived when a larger and more up-to-date Hospital became essential. It was a prospect that made a strong appeal to the heart of the late Mr. Edward W. Mellor, J.P., who encouraged a scheme for the reconstruction of the building in such a way that it would become a hospital possessing all the advantages which modern science, operative skill and nursing efficiency could establish.

The original Cottage Hospital was opened on the 3rd August, 1871, and the construction of the new building commenced in 1927, the foundation stone being laid on the 19th October, 1929. The construction was completed, at an approximate cost of £21,000, in time for the official opening by Lord Derby on October 4th, 1930. The greater proportion of the cost was contributed by the late Mr. Mellor.

The present structure is a fine example of Georgian architecture, standing in its own delightful grounds of about two acres, at the junction of Warton Street and East Beach. The layout is of independent blocks, providing male and female wards, joined to the main administrative offices. To the rear of the female ward is the maternity section, which, according to the Ministry of Health, is one of the finest of its kind in the country.

The Hospital is fitted and supplied on the most modern and efficient lines and recently there has been installed what may be termed the last word in X-Ray apparatus.

The Children's Ward, opened December, 1933, has a capacity of six beds. It has been erected mainly through the kindness and generosity of the Ladies' Linen League, coupled with a bequest of £250 from the late Mrs. Ellen Ann Hopkinson.

The Sunlight and Massage Department has now been moved to new and more spacious quarters enabling a great deal more and up-to-date treatment to be administered.

# SIXTY-THIRD ANNUAL REPORT.

OF THE COMMITTEE OF LYTHAM HOSPITAL.

For the Year Ended 31st December, 1934.

---

THE Annual Meeting of Governors, held on 3rd April, 1935, was presided over by the Chairman, Captain W. E. Nuttall.

The Hon. Secretary, Dr. W. E. Milligan, in the 63rd annual report, said he had drawn up some figures showing the difference in the working of the Hospital in 1934 as compared with 1924. The statistics showed an increase in the services in all departments, especially in massage. The cases admitted last year were 617 less 83 babies, giving 534, and, adding 25 cases in over the New Year, they had a total of 559, who spent 9,930 days in hospital, or 17.76 average days per case. The maternity department showed an increase of 11 cases over 1933, or 80 cases over 1924, so that there could be little doubt of the popularity of that section with the general public. There were 10 private cases and 73 in the public wards during the year. Out-patients' attendances were 2,351.

There were 685 sunlight treatments, an increase of 80, and massage 4,870 treatments, as against 1,719 in 1933, and 3,151 more than in 1924. In the X-Ray department, there were 425 examinations, 149 increase over the preceding year, and 322 over 1924.

There were 617 in-patients and with 25 in hospital from 1933, it made 645 cases treated during the 9,930 days, giving a cost per day of 9s. 8.96d. The total in-patient cost for the year was £4,839. It would be seen therefore, that although more cases had been treated, giving a higher total cost, the cost per patient per day had been reduced by 5d. In other words, the greater the amount of "patient material" the less the cost per unit of "material."

It was interesting to note that, as compared with ten years ago, admissions had increased by 411, operations by 239 and X-Ray examinations by 322. Free beds had been granted to 56 patients, who spent 691 days in hospital at a cost of £336. The Contributory Scheme had enrolled 109 new members, bringing the total to over 1,000 in spite of many members having been lost through inability to keep up their contributions owing to lack of work.

Due to a serious deficit in the building fund account of 1933, a special appeal was organised and launched largely through the instrumentality of the Chairman, Captain W. E. Nuttall. The public responded magnificently and the deficit was almost entirely wiped out. Owing to their recognition as an official training centre for nurses and their affiliation to Wakefield Hospital, five probationers had passed the State examination, and four had gone to Wakefield to continue their training.

There had been so great a demand on the private ward accommodation that much time had been given to the provision of further extensions, which, it was hoped, might come into being at an early date.

After a reference to the desire to build a new mortuary—the Matron being responsible for a special fund for that purpose—Dr. Milligan said the Committee wished to record their thanks to the Ladies' Linen League, the Rose Day workers, all connected with the Fete, the matron and nursing staff, and the gardener.

Sympathetic reference was also made to the death of Dr. Robb, and it was announced that Dr. Magee, of Blackpool, had become a member of the consulting medical staff. Mr. Hart, the late secretary, had resigned owing to ill-health, and in Mr. B. Thomson they had found a worthy successor.

The statistics submitted show an increase of service in all departments especially in the Massage Department.

Cases admitted 617 less 83 babies—534.

Add 25 cases in over New Year—559.

This gives a total of 559 cases which spent 9,930 days in Hospital, or 17.76 average days per case.

Major J. Entwistle, M.C., Hon. Treasurer, dealing with the various subsidiary accounts, said that the net proceeds from the Garden Fete amounted to £672 7s. 6d.

On the Building Account, at the end of the year, there was a balance due to the Bank of £737 10s. 7d., but they had still several professional accounts to meet from their architect. Eventually the final account showed a deficit of £1,330 7s. 0d. It was decided to make a special appeal which was undertaken in no half-hearted way by the Chairman and a Committee. As a result of this appeal £1,233 10s. 0d. was raised by the end of December.

The balance at Investment Account on January 1st, 1934, was £631 6s. 4d. A repayment was made at the end of July by the Blackburn Corporation and this, together with a donation from the Ladies' Linen League and other sums, gave a total of £970 7s. 2d., of that amount £160 was transferred to the Building Account opened in connection with the Sun Ray and Massage department leaving a balance at the end of the year of £810 7s. 2d., which had now been safely invested. A further sum of £2,025 was bequeathed to the Hospital by the late Mr. James Radcliffe, the fund to be known as the "Radcliffe Fund."

The value of the investments held at 31st December, 1934 amounted to £16,847 3s. 4d. The total of ordinary income was £4,090 7s. 10d., against an expenditure of £4,839 7s. 1d., showing a deficit on the year's working of £748 19s. 2d.

The cost per patient, per day, was 9s. 8.96d. which equalled £3 8s. 2½d. per week, a reduction on the corresponding figure of 1933 of 2/11 per week. The Committee considered this figure by no means excessive and compared favourably with many Hospitals of similar size, and, particularly, those Hospitals which undertook Maternity work.

The Report and Financial Statement were adopted.

The Chairman stated that the Financial position of the Hospital was a little better at the end of 1934 than at the end of the previous year. The Committee were by no means satisfied with the state of affairs, yet they were not without hope that, some day, they would be able to make ends meet. That was the aim of the Treasurer and Committee. At present they were too much dependent on the Fete and if they had bad weather for it he did not know what would happen. He said that the Committee were deeply grateful for all the enthusiasm which the organisers and workers displayed on that occasion and for the splendid way in which the public supported them.

The prestige and the good name of the Hospital never stood higher than it did to-day. That was an aspect of the matter to which they could always turn with the most unclouded pleasure and was largely due to the unremitting zeal and splendid services of their Matron, whose good qualities were reflected in her staff.

The other side of the picture was that the people of Lytham must not forget that it had cost £748 more to run the Hospital than the Income amounted to. He expressed his thanks for the marvellous response given to the Building Fund Appeal which had been made over his name, and finally referred sympathetically to the loss the Hospital had sustained by the death of Councillor H. Eastwood and Dr. Robb.

## ELECTION OF MEMBERS OF THE COMMITTEE.

---

The following retiring Governors were re-elected:— Mrs. Penry, Miss Spink, Rev. H. G. Rosher, Major E. H. Booth, Alderman J. H. Dawson, Messrs. J. Pearson and P. L. Birley.

The resignation of Messrs. H. Yates and T. McNeal Tomlinson were announced and the Chairman acknowledged the signal services they had rendered the Hospital.

The following were elected to the Committee:— Rev. A. R. Allen, Messrs. H. M. Maymon, J. Robson Byers, V. R. Fothergill, R. A. Hughes and Oscar Griffiths.

Mr. Latham was re-appointed Hon. Auditor with an honorarium of £15 15s. 0d. per annum, and the Chairman remarked upon the splendid work he did for the Committee.

The Meeting closed with a vote of thanks to the Chairman.

---

During the year 1934 twenty-two motor accident cases were treated at a cost to the Hospital of £410 13s. 8d., for Maintenance and other charges £146 19s. 6d., making a total of £557 13s. 2d., against which the Hospital received during 1934 £143 19s. 2d., and has since received £62 1s. 4d., a total of £206 0s. 6d.

I have prepared the above Accounts for the year ended 31st March 1935, and have obtained all the information and explanations I have required.

The Contributions shown in the Revenue Account include £13 16s. 3d. received from Members since the 1st October 1934, who were not in benefit on the 31st March, 1935. No provision has been made in the Accounts for any liability in respect of persons still in benefit who have ceased to be Members during the last six months.

Subject to the foregoing, I am of opinion that the above Accounts are properly drawn up so as to exhibit a true and correct view of the Contributory Scheme's affairs according to the best of my information and the explanations given me.

# FORM OF LEGACY

To the Lytham Hospital.

---

I Give and bequeath unto the Treasurer for the time being of The LYTHAM HOSPITAL at Lytham, in the County Palatine of Lancaster, the sum of

of lawful money of Great Britain, to be paid exclusively out of such part of my personal estate as I can lawfully charge with the payment of Legacies for charitable purpose of the said Lytham Hospital, to be paid to the said Treasurer within calendar months after my decease, and his receipt alone to be a sufficient discharge to my executors for the same.

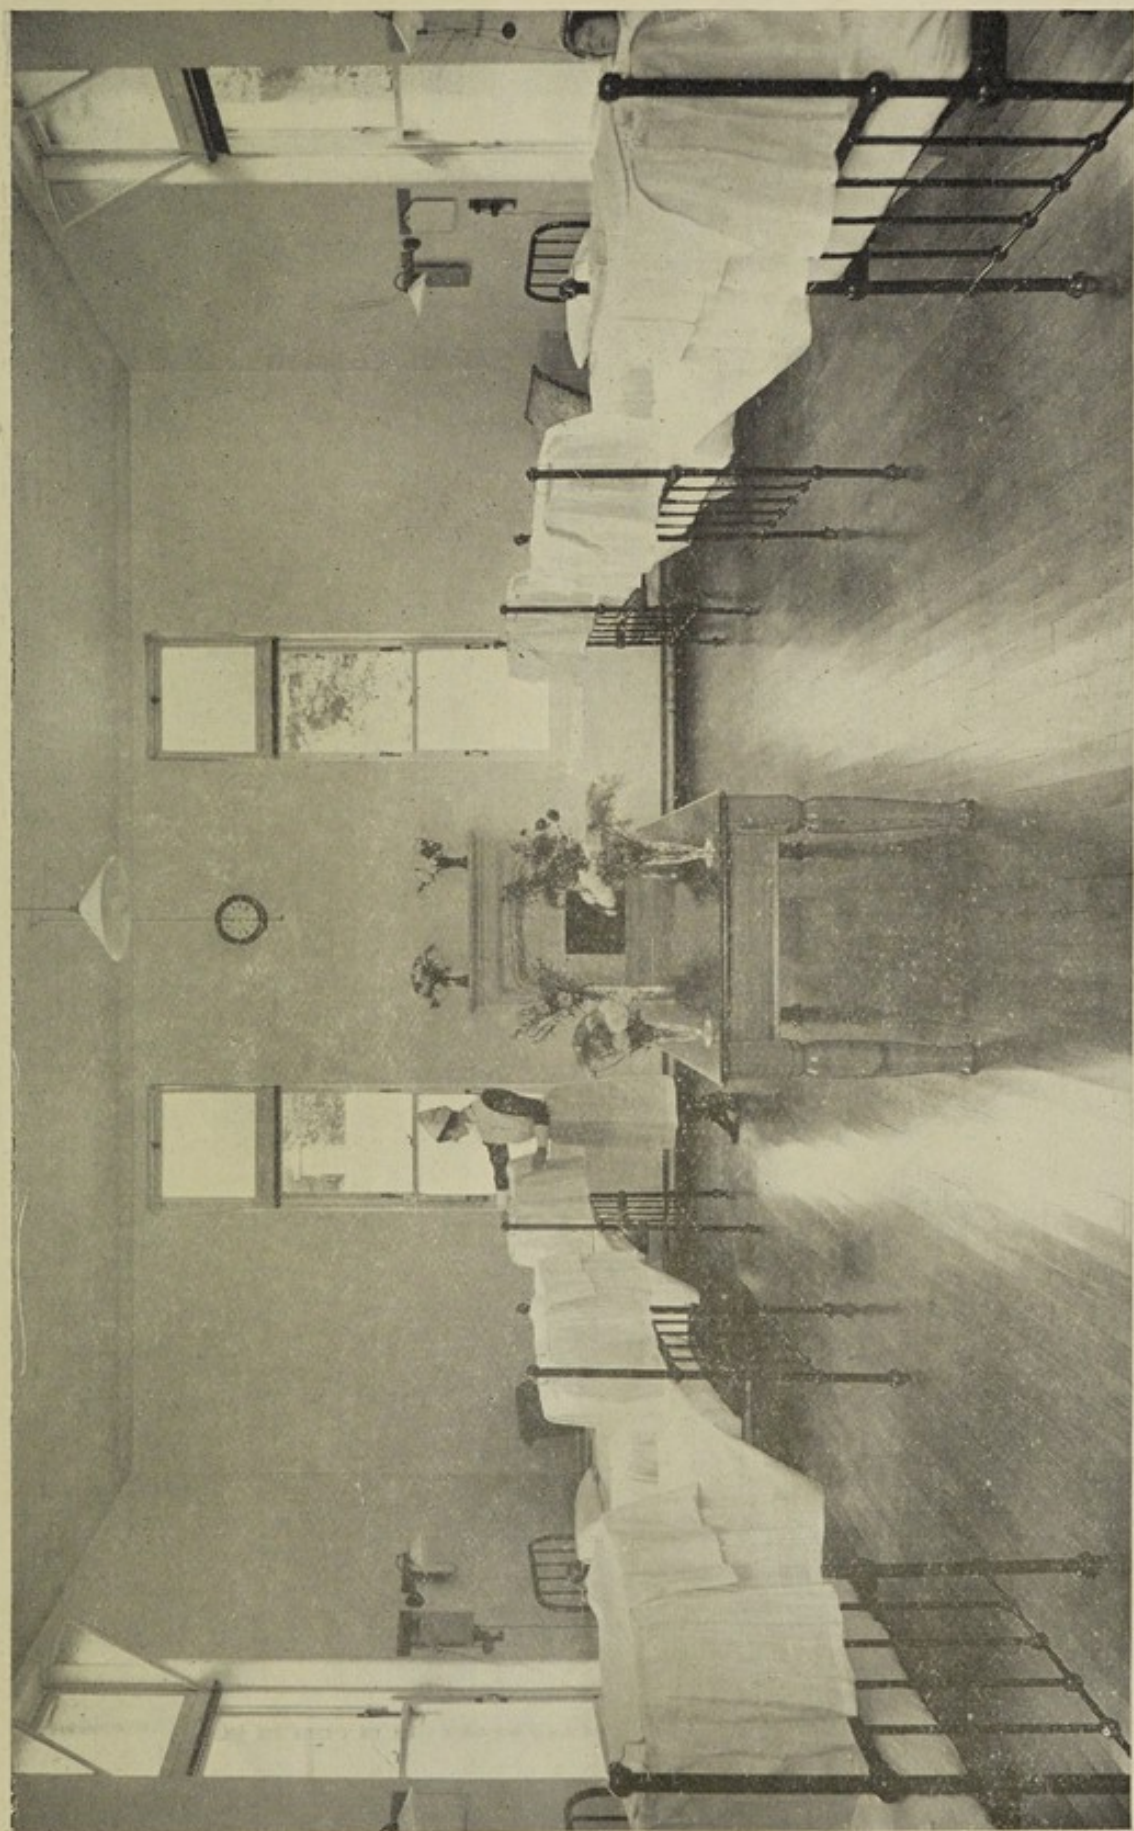

Those who are desirous to contribute to this Charity by  
bequeathing their property to the Trustees of this  
Hospital will be particularly desired to make use of this  
Form of Bequest.

# FORM OF BEQUEST

To the Lydian Hospital.

I, John Smith, of the County of London, do hereby bequeath unto the Trustees of the Lydian Hospital, the sum of £100 (one hundred pounds) to be paid to the said Trustees at the expiration of the term of years therein expressed, and I do hereby direct that the said sum of money shall be paid to the said Trustees in full of the said sum, and that the said Trustees shall be at liberty to apply the same to the purposes of the said Hospital, and that the said Trustees shall be at liberty to make such use of the same as they shall think fit, and that the said Trustees shall be at liberty to make such use of the same as they shall think fit, and that the said Trustees shall be at liberty to make such use of the same as they shall think fit.
