AN APPEAL.

There are many who contribute little and some not at all. However small the amount* it will be appreciated.

The Income failed to meet the Expenditure by £418/11/2 in 1928. The Bank overdraft at December 31st, 1928, amounts to £4777/12/8½. Help us to make up this deficiency and to provide even greater benefits to the many requiring treatment.

ANNUAL SUBSCRIPTIONS.

We appeal to you to become a subscriber! and provide an assured and regular income.

DONATIONS.

The sum of £25 or more in one payment qualifies the donor to be a Life Governor.

ENDOWMENTS.

The sum of £1000 will endow a Bed in perpetuity, and £500 a Cot.

LEGACIES.

Attention is drawn to the Form of Bequest on inside of cover.

Court of Govenors

OF THE

Monkwearmouth & Southwick Hospital, SUNDERLAND.

THE Annual Court of Governors was held in the Board Room of the Hospital on Tuesday evening, February 26th, 1929, at 8 o'clock.

Sir John Priestman, Kt., J.P., presided.

There were present:—The Mayor (Dr. I. G. Modlin, J.P.), Alderman E. H. Brown, J.P. (Chairman, Admission and House Committee), Mr. J. Snowball (Chairman, Finance Committee), Mr. S. Ritson (Hon. Surgeon, and Vice-Chairman of Medical Board), Councillor W. Y. Logan, Mrs. Waddell, Miss Walton, Messrs. W. Welford, A. Smith, W. Crew, G. Jackson, R. Jobling, F. Thompson, R. Smailes, J. Mills, W. Hutchinson, W. A. Davison, T. Cowans, M. Cavanagh, H. Albion, A. McAlpine, T. Davidson, J. C. Scott, W. C. Robinson, F. Hadden, W. G. Newberry, A. Cummings, R. Barnes, J. Campbell, Thomas W. Kirkley, T. Bell, F. Graham, T. W. Pounder, W. Telfer, A. O'Brien, C. R. Cunningham, T. Brown, J. A. Joyce, J. W. McKenzie, R. Wood, J. Anderson, C. Murphy, B. Johnson, Miss C. R. Wallace (Matron), and W. E. Mann (Secretary).

Apologies for absence were received from Mr. Luke Thompson, Dr. Stewart McNaughton, Messrs. J. G. Jordan, T. L. Anderson, W. R. Stephenson, J. W. Theodorson, R. Sedgwick, Mrs. Stanley Ritson, and Mr. James Douglas.

1. The Minutes of the last Annual Court, held February 28th, 1928,, and Special Court, held September 19th, 1928, were taken as read and adopted.

2. Executive Committee's Annual Report.

Sir John Priestman, in moving the adoption of the Annual Report, said that three years ago he would never have imagined that they would be meeting in that room that evening. He had been one of those who had strongly advocated getting on with the erection of the new Hospital, but it had been convincingly proved to him that the delay had been much to their advantage and gain. The money they had was rapidly increasing and they were getting about £3,000 a year interest.

They wanted every penny they could get. If they had started and it had been ready now they would have had a struggle and anxiety to make ends meet. Now he could assure them that they could go ahead and weather the storms that might arise in the future. It was very satisfactory to think that the whole of the people of Sunderland were behind their big venture, and that everyone wished them success. That was convincingly proved by the bazaar they held; Monkwearmouth itself could never have raised such a vast sum of money.

NEED FOR TWO HOSPITALS.

Of course, continued Sir John, he knew that there were still some people who said that there was no need for two hospitals in Sunderland, but he believed that there was such a need or he would never have supported it. Further, they were bound by the deeds of the founders to carry on, and the money had been raised for a Monkwearmouth Hospital.

The present building was hardly worthy of the name of an hospital, but when they got their new building, and it would be started very shortly now, they would have one of the most up-to-date buildings in the land. The Building Sub-Committee had worked very hard indeed under the chairmanship of Mr. Jordan, who had put a tremendous amount of thought and

energy into it—so much so that he had almost broken down and wanted to retire from the job.

Continuing, Sir John said the Report they had before them was a most gratifying one. The in-patients had increased by 97, and how they found room for them was a mystery. An average of 124 out-patients per day was a remarkably large figure for such an institution. The X-ray and Massage Departments had shown most gratifying results, and were a credit to the Hospital. On the financial side it was pleasing to record that they had received increased help, and he could not allow the occasion to pass without congratulating the workpeople on the fact that they had increased the total of their subscriptions by no less a sum than £526.

INSTITUTION LIKED.

That was astonishing when they looked round the shipyards and found so many empty berths, but it spoke volumes for the prospect of support for the new Hospital. One thing he felt convinced of was that the workpeople liked to come to the Institution, and that they felt when they were unfortunate enough to have to come that there was a homely air about the whole place. That spirit he hoped would long continue for it made the in-patients look upon the Institution not only as a place where they were properly cared for, but also as a sort of home from home. He hoped that when they got the new building some provision would be made for private patients.

Sport, said Sir John, had done a great deal for the Institution. He could not let the occasion pass without saying how greatly they appreciated the fact that by its whole-hearted efforts the Roker Regatta and Carnival Committee had been able to raise its donation from £200 to £260, while the Charity Cup competition had been able to hand over £105. Then again, Mr. Vincent Jones, through the Concert he

promoted, had been able to hand over £45 11s., and he thought such an effort was well worthy of Mr. Vincent Jones being considered for election as a Life Governor.

They had received £2,250 in legacies, and these went to build up the reserve or endowment fund, and were very welcome. Thanks were also due to the Ladies' Committee, which did so nobly with its Linen Guild, and to the large body of people who so loyally supported the Hospital.

The Report was unanimously adopted without a single question being raised.

3. Medical Board's Annual Report.

Mr. Stanley Ritson, Hon. Surgeon to the Institution, moving the adoption of the Medical Board's Report, said in all his years of association with the Hospital, and they numbered a good many now, the Hospital had worked at high pressure, but he scarcely remembered a time when the pressure of work was as high as last year. There was hardly a day when there was a bed available and very often they had had to put extra beds in the middle of the wards. The operations numbered 1,040, which was an average of three per working day of the year, and the fact that they had had nearly 8,000 out-patients with attendances totalling 38,119 was an indication not only of illness but of the unfortunate poverty of the people in the district. To the members of the medical and nursing staff the greatest honour that had come to them was the elevation of Dr. Modlin to the Mayoralty. (Applause.) Those who had had the opportunity of working with Dr. Modlin were well aware that he would carry into his civic duties that careful thoughtfulness that had always characterized his work in the medical profession.

Proceeding, Dr. Ritson said the splendid work of the Hospital was made possible by that excellent body

of ladies, the nursing staff. No words of his could adequately thank them for the work they did under the most difficult conditions, or for the splendid help and guidance given them by the Secretary, Mr. Mann. It was also a great help to know that they had the kind thoughts and help of the Governors.

WAITING LIST INCREASING.

The Hospital was still working under great pressure. Not a day lapsed without the waiting list increasing, and it was a remarkable fact that the harder they worked the more work they seemed to get.

He had been one of the foremost in pressing for a new Hospital and he still pressed for one as an urgent need. The work could be done easier and more expeditiously if they were working under more up-to-date and ideal conditions. Yet he wanted to say publicly that he now appreciated some of the reasons for the delay in starting building operations. No one could fully appreciate how much work the Sub-Committee had done in going into the plans.

Thanks chiefly to Mr. Jordan and to Mr. Sewell, there would be few hospitals on the Continent, or anywhere for that matter, that would be able to compare with the one they were going to build for lay-out and efficiency in up-to-date appliances. (Hear, hear.)

MOVING SLOWLY BUT SURELY.

Mr. Crewe said he felt that after hearing Mr. Ritson the workpeople's representatives would more and more appreciate what a great work the Hospital was doing. Although some of them would have liked to have seen things hastened, the men's representatives must now see that while they were moving slowly they were moving surely towards a grand new Hospital. What troubled him most was the long waiting list. Their aim was to get a new Hospital so as to relieve

the suffering of the people more quickly. It was the workpeople that most urgently needed the Institution, and he hoped they would move cautiously regarding paying patients.

Coun. W. T. Logan seconded.

The Report was adopted.

4. The Matron's Annual Report.

Alderman E. H. Brown, J.P., moved, and Mr. A. Smith seconded, the adoption of this Report.

Carried.

5. Financial Statements for the Year.

Mr. J. Snowball, in moving the adoption of the Financial Statements, said it was really an excellent Financial Statement and reflected a great deal of credit upon the Committees, particularly the Ladies' Committee, which, together with the House Committee, looked after the internal management of the Hospital. The Report would bear favourable comparison with any in the country, and was a proof of the fact that the Hospital was managed with economy, and yet there was no sacrifice in efficiency. The cost of £130 10s. 1½d. per bed did not really convey a good deal to them, because it was actually a much lower figure than that, but was brought up through the abnormally large amount of out-patient work for an institution of its size.

Mr. W. Telfer seconded and the Report was adopted.

6. Moved by the Chairman.

15. Moved by the Chairman.

"That Mr. C. H. Vincent-Jones be elected a Life Governor of the Hospital for services given to special efforts to help the Hospital and the receipt of the sum of £45 11s. 1d., being the proceeds of a Concert organised by Mr. Jones and his Pupils."

Carried.

The Mayor (Councillor Modlin) proposed a vote of thanks to the Chairman and thanked the Committee for the very kindly welcome they had given him. It was always a pleasure to come back and see that his successors, the young ones, were doing such good work. The Medical Board were not so boastful of their work as they were in his day, but when Mr. Ritson described the the work as moderately good he could only come to the conclusion that it was due to the very natural instinct of Mr. Ritson not to over-state the work.

The death-rate of the Institution was remarkably low, and when they got their new Hospital they might reduce it even still lower. He (the Mayor) congratulated the Chairman on having a quieter Council to rule than he (the speaker) sometimes had to face. Sir John had taken a great interest in the Hospital for many years, and it was only a forerunner of what he was going to do in the future when they got their new Hospital.

In reply, Sir John said when Dr. Modlin was tired of being Mayor he might take over the Hospital, for when people were getting old they liked a quiet, peaceful life. (Laughter.)

The Meeting then concluded.

Executive Committee's Report.

The Executive Committee has much pleasure in presenting to the Governors the 56th Annual Report for the year ending December, 1928.

Statistics of Work for the Year.

IN-PATIENTS:—

	1928.		1927.
Accidents (No. of Cases)..	184	...	164
Medical	128	...	130
Surgical	581	...	502
	893		796
OUT-PATIENTS	7,960	...	7,735

Cost per head, In-patients.....	£6 9 8½	...	£7 4 8
Cost per occupied bed.....	£130 10 1½	...	£133 18 6

In-patients.

It will be seen that there has been 97 more In-patients treated, and, with this increased number, the average stay has been reduced by 1½ days per patient. The pressure upon the Hospital accommodation is taxed to the utmost capacity.

Out-patients.

The 7,960 Out-patient cases is greater by 225, and the number of attendances has gone up from 36,142 to 38,119.

The daily average number attending has reached the alarming total of 124.5 cases.

Massage and X-Ray Departments.

No less than 479 patients received massage treatment, and the number of treatments given was 4,526. This was 174 more cases for this particular treatment than in 1927.

With very limited accommodation for X-Ray, the number of screen examinations made and films taken was 3,255, nearly double the number of the previous year.

Ultra Violet Ray Apparatus.

This first year's working of the installation has given most beneficial results to the 51 patients who have had this special treatment.

Finance—Income.

In conjunction with such a large volume of work, it is most gratifying to the Committee to have to record a corresponding increase in the Income, the total Ordinary Income being £6,343 7s. 6d., and Extraordinary Income from three Legacies amounting to £2,250.

The combined Income received is a record for any one year since the Hospital was founded.

Expenditure.

Without sparing any reasonable expense, and always giving of the best to the patients and staff, the Committee are pleased to record that the annual expenditure is practically unchanged, viz. :—£6,761 18s. 8d. as compared with £6,710 8s. 8d. for the previous year.

Before passing to the various sources of Income, the Committee express their indebtedness to all who have so liberally supported the Hospital and responded so loyally to the Committee's appeal in their last report.

Annual Subscriptions.

The amount of £574 10s. 0d. again subscribed is just in excess of last year, and to the Subscribers warmest thanks are accorded. No doubt there are many who would willingly honour the Hospital by their support to the list of Annual Subscribers, and to them the Committee make an urgent appeal in their endeavours to secure a regular source of Income.

Workpeople's Contributions.

The sum of £2,868 9s. 6d. contributed by the Workpeople is most praiseworthy and is a record sum contributed by them.

The Committee express their indebtedness for this handsome support, also to those Workmen employed by the three or four large places of industry who, by becoming weekly contributors for the first time to the Hospital, are largely responsible for this past year's increased amount.

Viewing the forthcoming year with more and regular employment, the Committee feel the Hospital will receive even greater support than in the past.

Officials and Foremen.

The sum of £25 15s. 8d. has been contributed; this, however, cannot be taken as the full amount from this source, as in some cases the amount is included under the heading of Workpeople. The Committee thank the contributors.

Donations.

The amount of £165 2s. 2d. received under this heading practically all comes from grateful patients.

The Committee record their appreciation of the kindly thought of those who have shown their recognition by giving monetary assistance, also for the letters of gratitude accompanying the contribution.

Hospital Saturday and Rose Day.

Organising these two Special Appeals on separate days, with some time intervening, has been amply justified by this last year's result.

Without any decrease in the number of Flag Day Appeals, the sum of £422 4s. 9d. is an increased amount.

The Committee record their thanks to all the workers and to the public for their liberal response.

Hospital Sunday and Sunday School Collections.

The special Collections taken in the Places of Worship amount to £91 2s. 3½d., and the Committee do hope that the date will not be far distant when the sum recorded will be sufficient to maintain a bed or cot.

In thanking all who have contributed to the above, the Committee also thank the following for the special Collections taken:—

His Worship the Mayor (Dr. I. G. Modlin) for the sum of £13 8s. 3d., being one-half of the amount of the Collection taken at the Mayor's Sunday Morning Service.

£9 7s. od. Collection handed over by Alderman David Cairns, from a Special Sunday Service held at Southwick on April 1st, 1928.

From a Memorial Service to the late Mr. W. Jenkins and Mr. G. Chambers, held in the Thompson Memorial Hall, £7 was received.

The Annual Good Friday Service, organised by the Workmen's Clubs and held in the Thompson Memorial Hall, the allocation to the Hospital of half of the Collection amounted to £2 15s. 4d.

And a Street Collection taken on Good Friday by the Southwick Sunday Schools produced £5 7s. 2d.

Sport and Entertainment.

It is a great pleasure to have to record the continued help received from the various branches of Sport and Entertainment.

The Committee extend to the following their warmest thanks:—

The Roker Regatta & Carnival Committee, for their handsome allocation of £260 from this year's Regatta and Carnival.

The Committee of the Monkwearmouth Charity Cup Football Competition, who handed over the sum of £106 18s. 1d. from the 1927-1928 competition.

The Directors of the Sunderland Association Football Club, Ltd., for their allocation of £50 from the increased Practise Match receipts.

A Special Concert, organised by Mr. C. H. Vincent Jones, and his pupils, benefitted the Hospital to the extent of £45 11s. 1d.

The Sunderland & District Horse & Motor Transport Procession Society allocated the sum of £30 from their Whit-Monday Procession and Sports.

The Pigeon Race from Newhaven, organised by the North-Eastern Counties' Federation of Homing Pigeon Societies, for the "Robson Challenge Cup," produced £11 os. od., and the race from Peterborough, for the "Laird Challenge Cup," presented by J. E. Laird, Esq., Corn Merchant, Sunderland, for annual competition and competed for the first time this year, raised £3 17s. od.

The Sunderland Charities' Aid Committee, from their Annual Competition, allocated £12.

From a "His Master's Voice" Gramophone Recital, held in the Victoria Hall, Sunderland, and organised by the Gramophone Company, Ltd., the sum of £10 was received.

The sum of £4 7s. 3d. was received from the Combined Regatta organised by the South Hylton and Southwick Rowing Clubs.

The London & North-Eastern Railway Sports Club allocated the sum of £5.

A Football Match, played on Messrs. Tyzack's Football Ground, and between teams representing Golden Fleece Hotel v. Cambridge Hotel, raised £5 5s. od.

And the Castle Eden Division of Durham County Constabulary gave a donation of £3 from their annual winter efforts in aid of Charity.

The Bowling Clubs of the town have not overlooked the Hospital, and the following contributions are gratefully recorded:—

The sum of £7 from the Sunderland & District Bowling Association, resulting from their annual rink competition; also from Roker Park Bowling Club, the competition for the Forster Bowling Cup, the sum of £5 was received.

A competition for a pair of Bowls, the property of the late Alderman J. R. Cutter, and organised by the Roker Park Bowling Club, produced £5 3s. od.

Miscellaneous Income.

The Committee, in expressing their thanks to the contributors of the many and varied amounts under this heading, specially mention the following:—

The Iron Traders Employers' Insurance Association, Ltd., who gave £20.

Mr. J. J. Womphrey, of Ryhope, for his gift of Homing Pigeons, producing at a sale the sum of £14 11s. 3d.

The Sunderland & District Butchers' Association, Ltd., from the result of a Block Test, at the Christmas Show and Sale at Messrs. Crows' Mart, handed over £7 3s. 6d.

Legacies.

The Committee are pleased to record the receipt of the following Legacies:—

By the wills of:—The late Mr. William Blumer, £1,000; the late Mr. William Irving Armstrong, £1,000; and the late Mr. John Wallace Taylor, £250.

Obituary.

The Committee regret to report that during the year the Hospital suffered the loss by death of the following:—

The Right Hon. The Earl of Durham, K.G., P.C., G.C.V.O., V.D., a Life Governor.

Mr. W. J. Branfoot, a Life Governor and Annual Subscriber.

The Rev. Canon C. G. Hopkinson, who served the Hospital faithfully and well as Chairman for the period of 13 years, 1883-1896.

Mr. G. O. Wight, J.P., a Life Governor, Vice-President, and a member of the Special Subscriptions Committee of the Proposed New Hospital; in connection therewith he did yeoman service.

Mr. W. H. Dugdale, M.Inst.C.E., M.N.E.C.Inst. E. & S., a Life Governor and Vice-President, also a member of the Special Subscriptions Committee of the Proposed New Hospital, in which he was actively interested.

Mr. Sept. H. Hedley, a member of the Executive Committee and an Annual Subscriber.

Mr. A. R. Dayson, a member of the Executive Committee and an Annual Subscriber.

Mrs. C. Hutchinson, an Annual Subscriber for many years.

Mr. B. W. Boyes, a Life Governor and Annual Subscriber.

Mr. W. Potts, a member of the Executive Committee, representing the employees of The Sunderland Equitable Industrial Society, Ltd.

Mr. J. H. Brown, a member of the Executive Committee, representing the Hylton Colliery Mechanics, and who died in the Hospital from injuries received whilst following his employment.

Dr. Alexander D. Miller, House Surgeon at the Hospital, which position he had to relinquish owing to ill-health.

To the relatives of the deceased lady and gentlemen, deepest sympathy is tendered.

Hon. Medical and Surgical Staff.

The Committee regretted to lose the services of Mr. W. A. Hewitson, M.D., B.S., & M.S. (Durham) so soon after his appointment as Honorary Surgeon.

Dr. W. Grant Waugh, M.D., M.B., B.S. (Edinburgh), F.R.C.S. (Edinburgh), was appointed to fill the vacancy and he is welcomed to the Staff.

The Committee desire to record their congratulations to Dr. I. G. Modlin, O.B.E., M.D., B.S., L.S.A., Honorary Consulting Surgeon, upon the high civic honour bestowed upon him on his election as Mayor of the Borough of Sunderland.

Linen Guild.

The Committee record their appreciation to the Ladies of the Linen Guild. The supplying of the whole of the Hospital requirements in Linen has been a most welcome help.

General.

The Committee express their grateful thanks to:—

The Ladies' Dance Committee, who have seen to some of the many special comforts of the patients and staff.

The Sunderland Forge & Engineering Co., Ltd., for supplying and fitting free the Electric Lighting Installation for the Christmas Festivities, and also attending to and maintaining the electric light fittings throughout the year.

His Worship the Mayor (Dr. I. G. Modlin) and the Mayoress (Mrs. I. G. Modlin), the donors of the Christmas Day Dinner to the patients and staff.

And Mr. Stanley Dickinson, the donor of the New Year's Day Dinner.

Mr. W. B. Harrison, for the free supply of Ice; Mr. E. Lautebach, for the free supply of Mineral Waters throughout the year.

Mr. R. L. Rennison, for attending to and repairing the Clocks.

The Committee are grateful to the various Ministers and religious denominations who have visited the Hospital and conducted the services.

The donors of the many welcome and acceptable gifts in kind.

The Press, for their unfailing courtesy in publishing reports and keeping the Hospital's work and needs before the public.

And especially grateful to all those who have so loyally supported the Hospital throughout the year by their continued and increased subscriptions.

New Hospital.

Much labour and thought has been spent with the many details necessary to build a complete modern Hospital. These are now finished and a definite plan approved. In a few months building operations will have commenced.

A most important feature was the opportunity given to purchase three acres of additional land, which was readily sanctioned by the Court of Governors, and the land purchased. This is specially set aside for future extensions and will provide adequate accommodation for many years to come.

The Committee are deeply grateful for the continued support given to the Building Fund by the Workpeople throughout the Town and District, and also those who continue to help by the several special efforts and appeals.

Conclusion.

In concluding their report the Committee do express their gratitude for the praiseworthy help received during the past twelve months. The fact that even greater sacrifice will have to be made, cannot be too strongly emphasised.

The Committee realise their responsibilities but their anxieties can be greatly alleviated by the assurance of a regular income, which is within the power of all to give.

JOHN PRIESTMAN, Chairman.

W. E. MANN, Secretary.

Report of Medical Board,

The Medical Board has pleasure in presenting its Annual Report for the year 1928.

In-patients.

During that period the number of In-patients treated was 893, an increase of 97.

The cases were as follows:—

Accidents	184
Medical	128
Surgical	581
	893

The number of accidents has increased by 20 and the surgical cases by 79. Medical cases showed no change in numbers.

The pressure upon the available accommodation was very heavy, the daily average number of beds occupied being 44.37.

The average length of stay per patient was 18.03 days.

The Operations performed under general anæsthetic numbered 1,040.

Out-patient Department.

The Board drew attention in their last Report to the number of Out-patient cases, and the year just concluded again shows an increasing number.

The 7,960 cases treated is 225 more, and the attendances are 38,119 as compared with 36,142.

There has been a daily average attendance of 124.5 cases.

Electro Therapædic Department.

Full use has been made of this department, the number of cases benefitting numbered 57, and the treatments given was 1,060.

X-Ray Department.

Working under very restricted accommodation, this department continues in its endeavours to cope with the volume of work accruing from the greater number of Hospital cases.

During the year there were 1,581 cases.

Massage.

The 479 cases treated is 174 more than last year, and the treatments given was 4,526.

This department continues to give valuable results.

Staff.

The Board records with great satisfaction the honour bestowed upon Dr. I. G. Modlin, O.B.E., M.D., B.S., L.S.A., Consulting Surgeon, on his appointment to the mayoralty of the Borough of Sunderland.

The Board were very sorry to lose the services of Mr. W. A. Hewitson so soon after his appointment as an Honorary Surgeon.

Dr. W. Grant Waugh was unanimously appointed to fill the vacancy.

The Board regret to record the death of Dr. A. D. Miller, House Surgeon for some ten months, which position he had to relinquish owing to ill-health.

Dr. W. A. Tweddle was appointed to the vacancy.

The Board records its appreciation of the services of the Matron, the Nursing Staff, and the Administration Staff for their assistance throughout the year.

STEWART McNAUGHTON,

Chairman.

The Matron's Report.

I have much pleasure in submitting to the Governors my Report for the year 1928.

During the year five probationers have signed for three years' training. There is still great difficulty in getting the right type of probationer.

One probationer has passed her final examination and is now a staff nurse. One junior nurse sat and passed the Preliminary Examination.

The Senior Sister (Sister Atkinson), after serving the Hospital for a period of seven years, resigned to be married.

Sister E. F. R. Byron, from the Alnwick Infirmary, was appointed to the vacancy.

Staff Nurse E. Harrison, who trained at the Hospital and left to take up other appointments, returned as a Staff Nurse and was recently appointed Sister of the Women's Ward and Out-patient Department.

We are indebted to Dr. J. F. Halliday for his lectures on Anatomy and Physiology to the nurses in training.

The Ladies' Dance Committee continue to give the Nurses' Home many comforts and gifts. We tender our sincere thanks to the ladies.

I cannot speak too highly of the splendid contribution of Linen given to the Hospital from the Ladies' Linen Guild during the year 1928.

I wish to take this opportunity of thanking the various Committees, also the Hon. Medical and Surgical Staff, and all who have helped us in the various ways throughout the year.

C. K. WALLACE, R.R.C.
