# MANCHESTER EAR HOSPITAL.

## REPORT

for 15 months ended December 31st, 1938.

Your Committee, in accordance with their new rules making the financial year terminate on December 31st instead of September 30th have to include the work of a 15 months' period in the present report.

The period has been a difficult one for Hospital management, partly as the result of the crisis, which brought the Hospitals under some regulations as prospective casualty stations in case of national emergency, and also in connection with Air Raid Precautions. Moreover, the advancing standards of efficiency in personnel and equipment relating to the medical, surgical and nursing staff, have involved the Hospital in much additional expense during a period of special industrial depression.

A timely legacy of £600, and a few contributions from generous donors, have saved the Hospital from a more serious financial crisis. Its general financial position is referred to later in this report.

In spite of the prevailing conditions, your Committee are glad to be able to record a year of almost normal usefulness on behalf of patients.

During the 12 months ended September 30th, 1938, there was a small increase in the number of out-patients, and over 400 more attendances than the previous 12 months. The number of in-patients was about the same—the number of operations less. The following shows the number for the period of 15 months against the previous 12 months.

### OUT-PATIENT DEPARTMENT.

The number of new out-patients has been 6,779 for the 15 months' period ending December 31st, 1938, against 5,721 for the 12 months' period ending September 30th, 1937. The total attendances of these and former patients has been 23,213 for the 15 months' period, against 18,982 for the 12 months' period.

### IN-PATIENT DEPARTMENT.

The number of in-patients for the 15 months' period ending December 31st, 1938, has been 1,099 against 871 for the 12 months' period ending September 30th, 1937. The number of operations has been 1,327 for the past 15 months, against 1,401 for the 12 months ending September 30th. (See Medical Report, page 7).

Fairfield	Morecambe	<b>Worsley.</b>
Farnworth	Mossley.	

Your Committee, in spite of depleted funds, has consistently met the requirements of the Medical and Surgical Staff in regard to additional equipment, etc., and they have the greatest pleasure in expressing grateful thanks for their untiring work on behalf of the patients.

Thanks are also cordially tendered to the House Surgeons, Anæsthetists, and Pathologist for their expert co-operation with the Hon. Surgical Staff.

Your Committee wish to pay hearty tribute to the value of the services rendered by the Matron, whose initiative and lively interest in all the details of internal administration, are a valuable asset to the management. They also desire to thank the Nursing Staff for their devoted care and attention to the needs of the patients under their charge. Your Committee have ample evidence of the appreciation of patients for the efficient and kindly services given on their behalf by both the Medical and Nursing Staffs.

Grateful thanks are due to the lady members of the Committee

who give service by weekly periods as visitors throughout the year with a view to keeping in touch with the Matron on domestic and other matters of administration.

At the present time there are many interests concerned in the various aspects of Hospital service, and your Committee has been represented at several conferences and meetings dealing with the common interests of local Hospitals, etc., during the period covered by this Report.

The grateful thanks of your Committee are given to the Hon. Auditors, Messrs. Bowman & Henshaw, Chartered Accountants, for their generous services in auditing the Accounts.

Your Committee much appreciate the kindness of the late Alderman J. C. Grime and the Manchester Billposting Co., for maintaining an appeal poster on the Hospital Building.

### FINANCE.

Reference was made at the commencement of this Report to the advancing standards of efficiency required of the Hospitals, and the action of your Committee in meeting the consequent demands made on the Hospital funds in the face of a rising Bank overdraft.

They are glad to note that some contributors to the general public appeal made two years ago, have been good enough to continue their support. Special thanks are due to them and also to those who have generously increased their previous contribution.

A further appeal, limited to business firms, etc., was issued in March last. The result has not been encouraging, though additional contributions (mainly donations) amounting to £280 3s. 7d. were received. Grateful thanks are tendered to each new contributor.

The General Public Appeal was made for funds towards cost of extension and alterations, and *reduction* of the Bank overdraft, and for increased *annual* income. The Balance Sheet now issued shows a deficit of £1,499 11s. 11d. for the period, but the legacies and new grants have reduced this actual loss, and have enabled your Committee to carry on for the time being.

Most urgent appeal is made to those able to help, especially those having charitable funds at their disposal, to enable the service of this Special Hospital, with its long record of beneficent work, to be continued without curtailment.

Grateful acknowledgement is made for the legacies and to special contributors as follows for their most welcome financial help:—

## MANCHESTER EAR HOSPITAL.

---

Medical Board Report for the fifteen months ended 31st  
December, 1938.

---

The Medical Board has again to report that the services of the hospital have been well maintained during the past year.

The number of patients attending the out-patient department corresponds closely with those of recent years. The number of patients admitted shows a slight increase on the number for last year, which means that the large increase of last year over previous years has continued.

There have been fewer operations performed during the past year, the total number being one thousand and twenty, a fall of nearly four hundred on the previous year. This fall of numbers is entirely among the minor operations, of which some two hundred less operations for tonsils and adenoids have been carried out. The major operations actually show an increase in numbers.

The Board regrets the death of Mr. Herbert Lund, honorary consulting anæsthetist. Although Mr. Lund had not been on the active staff of recent years, he had been associated with the hospital for some forty-five years and had rendered invaluable services in the past.

The Medical Board wishes to record its appreciation of the help given by the Committee of Management for the past year.

# Rules

OF

## The Manchester Ear Hospital

1. That this Charity be called the "MANCHESTER EAR HOSPITAL FOR DISEASES OF THE EAR, NOSE AND THROAT," and the government thereof be vested in the hands of a President, Vice-President, a Treasurer, Honorary Secretary, and General Committee.

2. That the objects of the Hospital be:—

First: To provide accommodation and medical treatment for necessitous persons suffering from diseases of the ear and associated diseases of the nose and other organs as in-patients and out-patients.

Second: To afford practitioners and students of medicine ample opportunities for studying such diseases scientifically under one roof, and to promote by all available means a more general knowledge of the same.

3. Each contributor of the sum of five guineas at any one time and each person subscribing a guinea annually who shall have paid his subscription for the previous year, shall be at liberty to vote at the annual meeting; but no new subscribers shall be entitled to vote whose subscription shall not have been paid at least three months previously.

4. The Annual Meeting shall be holden on some day after December, to be determined by the General Committee; but the General Committee shall have the power of calling a Special General Meeting upon giving at least six days' notice by advertisement in two or more Manchester papers; and the Secretary shall at any time, on the written requisition of not less than five subscribers, summon a Special General Meeting for the purpose to be stated in such requisition, by giving the like notice, and at these meetings eight shall be a quorum.

5. At the Annual General Meeting a President, Vice-President, a Treasurer, and an Honorary Secretary shall be elected, and a General Committee appointed, consisting of the above-named officers, the medical officers, and ten or more subscribers.

6. The power of making and repealing rules shall be vested only in the Annual Meeting.

7. The General Committee shall consist of not less than ten members, elected from the body of the subscribers, and the honorary medical officers shall be *ex-officio* members of the General Committee.

8. The General Committee shall control, manage, and superintend the affairs of the Hospital and have power to appoint and on occasion to dismiss or suspend all or any persons required to conduct the business of the Charity, except the honorary medical officers, who can only be displaced at the Annual Meeting.

9. The General Committee shall appoint a House Committee.

10. The General Committee shall meet at least once every month (three to form a quorum) for the transaction of business, to receive the monthly general and numerical reports of the House Committee and Medical Staff, to regulate the accounts, and to take cognizance of the general state and working of the Charity.

At such meetings the Committee shall be entitled to make and alter bye-laws for the government of the Charity, provided that such bye-laws be not contrary to the rules of the Hospital.

At such meetings no resolution shall be taken on any subject outside routine business, unless notice of such subject shall have been given in convening the meeting.

11. The Medical Staff shall consist of one or more Consulting Physicians and Surgeons, and two or more Honorary Surgeons, and one or more Honorary Assistant Surgeons, together with a qualified practitioner as Anæsthetist; and when a member of the staff has fulfilled the duties of Surgeon during the period of fifteen years he shall, on retirement only, be entitled to become, at his own option, Consulting Surgeon, or he may previously be so appointed by the General Committee on the recommendation of the Medical Committee.

12. The Medical Committee shall consist of the Honorary Medical Officers for the time being and shall meet at least once every month, at some convenient time previous to the meeting of the General Committee, to draw up its monthly general and numerical reports, and to concert measures for its united action; the minutes of its proceedings shall be regularly kept and presented to the monthly meeting of the General Committee; and for the annual general meeting it shall furnish reports and yearly statistical returns, both from the Hospital and Dispensary. The Medical Board shall at its first meeting in each year elect a chairman, who at its meetings shall, if the votes be equal, have a second or casting vote.

The Chairman of the Medical Board shall draft the Annual Medical Report and submit the same for adoption to the Medical Board before presenting the same to the General Committee.

13. The Consulting Physicians shall be Fellows or Members of one of the Royal Colleges of Physicians of Great Britain, or Medical graduates of a British University.

14. The Consulting Surgeons, Surgeons, and Assistant Surgeons shall be on the Medical Register, and possess a diploma of one of the Royal Colleges of Surgeons of England, Edinburgh, or Dublin, or be a graduate of a British University.

15. One member of the Medical Staff shall be, as may be from time to time arranged by the Medical Committee, the Acting Surgeon of the day, for one or more days per week.

16. The Assistant Surgeons, in the absence of the Surgeons, shall take the duties of the day, as arranged by the Medical Committee.

17. A House Surgeon shall be appointed from time to time to assist the Surgeons and Assistant Surgeons, and perform such duties as may be assigned to him by the Medical Committee.

18. All candidates for election as members of the Medical Staff shall be required to forward their testimonials to the Honorary Secretary at least fourteen days before the day of election, to be examined and reported on by the Medical Committee.

19. When any vacancy shall happen in the office of Surgeon or Assistant Surgeon, Anæsthetist or House Surgeon, no election shall take place to fill such vacancy until notice shall have been given by the General Committee by advertisement in two medical papers and one local paper, twenty-one days at least previous to such election.

20. The appointment of Matron and Dispenser shall be made by the General Committee after a report from a joint Sub-Committee of the Medical Board and the General Committee, and be subject to regulations drawn up by the Medical Board and approved by the General Committee.

21. The accounts of the Hospital up to the 31st December in each year shall be examined by Auditors, to be appointed by the General Committee; and such accounts, signed by the Auditors, together with a report of the number of patients admitted and discharged within the year, shall be produced at the Annual General Meeting.

22.—All subscriptions for the current year shall be deemed to become due on every first day of January, and all new subscriptions shall be considered as taking place on that day and ending on the ensuing 31st of December.

23. No recommendation shall be required.

### THE PATIENTS.

24. Every in-patient able to pay towards his or her maintenance is expected to contribute at such weekly rate as may be fixed from time to time by the General Committee, and no less sum can be received, unless on satisfactory evidence that the patient's means justify reduction or remission.

25. Patients applying to the Hospital, but who are found not to be suitable objects of charity, shall, if treated at the Hospital for reasons of urgency, be considered to be private patients of the Surgeon of the day.

26. The circumstances and means of patients about whom there may be doubt as to whether they are suitable persons for the objects of this Charity, shall be investigated by the Secretary and no member of the Medical Staff shall refuse to attend any patient until the case has been investigated and dealt with by the Committee.

27. Each patient on admission as an in-patient shall be required to sign an agreement to conform to such rules as apply to them during their stay in the Hospital.

28. The Hospital shall be open every Monday, Tuesday, Wednesday and Friday from 9 a.m. to 10 a.m., or at such other times as may be appointed for the reception of patients.

29.—The following regulations shall be observed by the staff of this Hospital, and such regulations shall be subject to alteration from time to time by the General Committee.

N.B.—A copy of these regulations can be obtained by any subscriber on application to the Secretary.

## Annual Meeting.

---

The Annual Meeting was held at the Hospital at 3 o'clock on Thursday, February 23rd, 1939.

The President, Sir Christopher Needham, D.L., occupied the chair, and was supported by Mr. E. O. Schneider (Chairman of the Board), Mr. R. S. Milford (Hon. Secretary), Mr. W. A. C. Leaf (Hon. Treasurer). There were also present, Mr. Acaster, Mr. G. E. Archer, M.B., D.L.O., F.R.C.S.E., Mrs. Beer, Mrs. Charles Melland, Mr. Nathan Laski, J.P., Mr. G. St. Clair Robertson, Mr. P. Chadwick (Manchester and Salford Hospital Saturday and Convalescent Homes Fund), Councillor Sam Fitton (Manchester and Salford Medical Charities Fund), Professor Edward Fiddes, M.A., Mr. A. M. Henshaw, A.C.A., (of Messrs. Bowman and Henshaw, Hon Auditors), and other friends.

Intimation of absence had been received from the following:—  
The Rt. Hon. the Lord Mayor of Manchester (Alderman E. J. Hart).  
Mrs. Beer, Miss Beatrice Birley, Rev. J. Deakin, Mr. F. Holt Diggle, F.R.C.S., Mr. L. D. Mercer, F.R.C.S.E., Miss E. Needham, J.P., Mrs. R. L. Pearson, Mr. P. S. Smith, Mrs. A. Statham.

Copies of the Report and Statement of Accounts for the fifteen months' period ending December 31st, 1938, were distributed. The Medical Report (see page 6) was read by Mr. Archer.

In moving the adoption of the Reports and Accounts, the President called attention to the unsatisfactory financial position of the Hospital. A general public appeal was made two years ago for funds to remove the deficiency of £3,000, yet in spite of a legacy of £600, that deficiency was £600 more than last year.

The Committee had pledged themselves to see that the surgical apparatus was what was required, and trusted to finding the money. The Surgical and Medical Staff had a reputation which had brought the prestige of the Hospital to its present pitch, and he suggested nothing in the way of criticism of the policy which gave primary consideration to the efficiency of its work, but it was rather unsatisfactory to go from year to year with a heavy overdraft.

The Hospital has an area of service, so wide, that it ought to be impossible that it should have to appeal for funds in the way it does to-day. From this widespread area, embracing nearly one hundred and twenty towns and districts, including London in one direction and Leith in another, the Hospital does not derive any contributions of a material kind.

They were members of the Joint Hospitals Advisory Board, and of the Voluntary Hospitals Board, taking part in the co-ordination and development of Hospital Service in the district, and it was important that the Hospital should be financially strong.

He was perhaps a little bit pessimistic, but the question of funds was most urgent.

Mr. E. O. Schneider, in seconding the motion, said the financial position of the Hospital had been fully explained by the President, and we could only hope for a better financial report next year, but with regard to the work done, he regularly visited the wards and found the patients expressed the greatest appreciation of their treatment at the Hospital, by both surgical and nursing staffs. He also paid personal tribute to the work of the late Capt. Spencer, who had regularly attended this Annual Meeting for many years.

Mr. G. E. Archer explained that the fall in the number of operations was almost entirely in connection with tonsil and adenoid cases. The cots provided for these had to be used for more serious cases. No case was ever refused and actually more *major* operations had been performed than last year. He mentioned this as the increase in the more important work more than counterbalanced the fall in the number of minor cases.

Referring to the request made two years ago for new sterilising equipment and theatre suite, these had been provided at considerable expense, and had proved an enormous boon to the Hospital. He was fully aware of the financial position, but in view of more modern methods, the Medical Board recommended the provision of new anæsthetic equipment, which would cost from £75 to £100. This endo-tracheal apparatus was safer, and enabled the work to be done under more perfect conditions. Possibly some friend of the Hospital might like to make a gift to cover the cost of this new apparatus.

The motion was carried.

Councillor Sam Fitton (Chief Organiser and Secretary of the Medical Charities Fund) moved thanks to the Hon. Officers and Members of the Committee, and the appointment for the current year of those named on front inside cover. He expressed pleasure at being present at the meeting and in regard to the general financial position of the Manchester and Salford Hospitals, revealed that Manchester and Salford have contributed the whole cost of the Voluntary Hospital Services rendered to the people of both cities, plus a surplus of £3,145 towards the deficit on services for the outer districts, which would—but for this aid—have reached the huge figure of £84,723 and is £81,578.

The motion was seconded by Professor Edward Fiddes, and carried.

The thanks of the meeting to the Hon. Medical and Surgical Staff were moved by Mr. R. S. Milford, who said it was difficult to find new reasons year after year for their gratitude and appreciation of the work of the Hon. Medical and Surgical Staff, but it was obvious that the Hospital was entirely dependent on their devoted indispensable services.

Mr. W. A. C. Leaf seconded the motion, which was carried.

Mr. Nathan Laski, J.P., in moving thanks to Sir Christopher Needham, said he had a warm interest in the welfare of this Hospital as the timely help of a specialist had saved his life. He was acquainted with some of the vast public work which was accomplished by Sir Christopher Needham, and knew how much this Hospital gained by having so eminent a President.

Mr. G. St. Clair Robertson seconded the motion, which was carried by acclamation.
