# THE MIDDLESEX HOSPITAL.

## REPORT

## FOR THE YEAR 1927.

WITH A LIST OF CONTRIBUTORS

DURING THE YEAR 1927 TO THE

HOSPITAL'S RECONSTRUCTION FUND.

MORTIMER STREET,
LONDON, W. 1.

TELEPHONE:—
MUSEUM 1056.

# Income Tax on Annual Subscriptions.

Charitable gifts escape Income Tax and, provided there is a covenant to pay a sum to this Hospital for a period which can exceed six years, the contributor also escapes Income Tax and Super-tax on it. The Hospital can recover from the Inland Revenue the amount of such Income Tax, and thus obtains the full benefit of the contribution although the contributor actually pays it a smaller sum. There is a small Stamp Duty, which the Hospital will bear.

Thus, suppose a person (or firm or company) covenants to pay £100 a year, he (they or it) deduct Income Tax (now 4s. in the pound) and pay the Hospital only £80, but the Hospital recovers from the Inland Revenue the £20, and so acquires the £100. The contributor would accordingly gain £20 a year through his covenant.

A person also escapes Super-tax in respect of such a contribution as any annual sums payable by an individual from which he may deduct Tax are excluded from his total income for the purposes of that tax.

Cheques should be made payable to the order of the Treasurer or Secretary of the Middlesex Hospital and should be crossed "Not negotiable."

A form of Agreement under seal is annexed.

Should any further information be desired kindly communicate with the Secretary of the Hospital.

I

of hereby agree with the President Vice-Presidents Treasurers and Governors of the Middlesex Hospital that I will pay yearly for the seven years from the date hereof to the Treasurer of the Middlesex Hospital a sum of £ (deducting Income Tax) out of my income brought into charge to tax so that I shall not derive any personal or private benefit at any time during the said period from the said contribution or any of it.

**In Witness** whereof I have hereunto set my hand and seal the day of 192 .

# THE MIDDLESEX HOSPITAL.

## REPORT FOR 1927.

*To the Court of Governors.*

My Lords, Ladies and Gentlemen,

Our Report for the year 1927 is one, I am happy to say, of steady progress. Our work shows an increase in the number of patients treated, and on its technical side various improvements. Apart from a falling off in discretionary bequests, our efforts to maintain a steady income, in spite of the difficult times through which we are passing, have met with reasonable success, whilst our expenditure, thanks to the untiring efforts of a very strong Finance Committee, have been materially reduced in many directions. Efficiency has certainly not been in any way sacrificed, but various economies have been effected.

The number of patients admitted during the year was 5476; there were in the wards on the 1st of January 347 and 311 remained in on the 31st of December, thus making the number treated to a conclusion 5512, an increase of 193 over 1926 and 409 over 1925.

The number of occupied beds averaged 329·45 compared with 322·79 in 1926, and the average number of days for which each patient was resident was 21·82, a very slight decrease on the figure for 1926 which was 22·17 days.

The average cost of each In-Patient per week was £4 16s. 8·78d. compared with £5 0s. 1·2d. for 1926, and the total cost of each In-Patient has decreased from £15 16s. 9·23d. in 1926 to £15 1s. 5·58d. in 1927. These decreases, which are very satisfactory, are due mainly to the increased bed occupancy and the greater number of patients treated owing to the Annexe having been in commission for the whole year compared with 319 days in 1926.

The work of the Out-Patient Department again shows a large increase over the previous year; the new cases numbered 49,018 against 45,457 in 1926, and the attendances were 218,360 compared with 197,835 in 1926. For the last five years the work of this Department of the Hospital

has steadily increased, the attendances to-day being 50% greater than in 1922 and the new cases over 41% greater. As the accommodation for Out-Patients was regarded as inadequate in 1922 these figures emphasize the urgent necessity of completing the Rebuilding Scheme at the earliest possible moment so that the Annexe may be freed to form a new Out-Patient Department capable of dealing effectively with the numbers of patients now coming to the Hospital.

As a result of the greater number of cases dealt with, the costs of the Department again show satisfactory decreases, the cost for Out-Patients being 5s. 0·49d. compared with 5s. 3·52d. in 1926, and the cost per attendance having fallen from 1s. 2·59d. in 1926 to 1s. 1·58d. in 1927.

The total expenditure for the year was £98,072 8s. 9d., an increase of £756 11s. 6d. over 1926, but included in this total is a sum of £2,659 1s. 7d. (against £1,038 12s. 2d. in 1926) paid by the Hospital towards the maintenance of the Convalescent Home. The actual expenditure of the Hospital therefore shows a decrease of nearly £1,000 in comparison with 1926, which is very satisfactory in view of the fact that larger numbers of both In and Out Patients were treated.

As regards the Income for the year, subscriptions show a slight decline in comparison with the previous year, being £52 17s. 0d. lower at £5,404 16s. 0d. Donations have also decreasedfrom £5,643 8s. 8d. to £2,287 2s. 11d., this being due to a number of discretionary bequests which were included in the figure for the previous year. Alms Boxes, however, have yielded the sum of £760 19s. 6d., compared with £701 8s. 9d., and it is hoped that as the number of boxes is being steadily increased the income from this source may continue to increase also.

The grants from the Central Fund total £12,505 compared with £10,925 in 1926. From King Edward's Hospital Fund for London we have received £7,325 against £7,125 in the previous year, from the Hospital Sunday Fund £4,475 against £3,000, and from the Hospital Saturday Fund £705 against £800.

Receipts on account of services to patients were £18,387 0s. 3d. compared with £17,505 3s. 2d., the increase which falls under the heading of Patients' Payments and Receipts from Approved Societies, being due to the larger number of patients treated.

A satisfactory increase of £383 6s. 7d. is shown under the heading of Fees. This is due to receipts from pupils taking an Electro-Medical Course at the School which has recently been established and which has proved very successful. Invested Property also shows a small increase over the previous year, being £17,892 9s. 8d., compared with

£17,855 14s. 2d. It will be noted that the heading Rents shows a considerable decrease on 1926; this is due to the Reconstruction Fund having taken over the Nurses' Home site in Foley Street and Ogle Mews, property which previously was held for the Permanent Endowment Fund. The investment of the proceeds of the sale of this property has caused a corresponding increase under the heading of Interest, Dividends, etc.

Legacies show a slight decline in comparison with 1926, and are £ 1,863 8s. 5d. lower at £ 10,321 13s. 0d. The more important sums under this heading were :—

It is with the deepest regret that we have to record the death of Mr. W. E. Gillett, for thirty years a member of the Board of Management. For thirteen years he was also Chairman of the Council of the Medical School and guided it with his unfailing wisdom through very difficult times. Mr. Gillett was appointed a Vice-President in 1915.

Your Board regret to record the death of yet another of your Vice-Presidents, the late Marquess of Cambridge. To the Resolutions of deep regret and sympathy Their Majesties returned gracious messages of thanks.

In March your Board were able to make a most important announcement to the Court. It is within the knowledge of all of you that one part of our Scheme of development provided for the building on a site adjoining the Hospital of a hostel which will eventually accommodate the whole of our Nursing Staff.

This part of our scheme serves to illustrate the striking expansion that has taken place in the beneficent activities of the great voluntary hospitals since the days when they were generally regarded by the public merely as places to which the poor could resort and be skilfully treated in case of accident or serious illness. That they would be nursed during that treatment was incidental to the situation, but the great organization of trained and specially educated women whose services would be of the greatest importance in successful treatment was not known, scarcely, indeed, thought of. Now, just as the great Hospitals have Medical Schools which are the sources of supply of the physicians and surgeons of the world, and are thus to be credited with a vastly more extensive mission of healing

than is evidenced within their wards, so they have become of marked significance on account of the work done by them in the training of Nurses for services inside and outside the hospitals. Indeed, we cannot now conceive of a hospital, a town, or even a hamlet without its adequate provision for skilled nursing.

In the training of Nurses the Middlesex Hospital plays an important part and it must be regarded as eminently satisfactory that the Board had the foresight to recognize that any worthy scheme of development must not only deal with the rebuilding of the wards, but must provide a complete and up-to-date hostel and training school for Nurses. At the present time the Nurses are housed in no fewer than five different buildings.

The excuse for such an arrangement is that accommodation has had to be increased from time to time with the development of the Hospital, and that the additions have had to depend on ways and means. But the arrangement could not for a moment be thought to give the Nurses that comfort and those facilities for instruction, recreation and social intercourse which their arduous profession deserves. From this point of view, therefore, their removal to a hostel where eventually the whole staff will be housed together must be of the very greatest advantage. Being away from the Hospital proper will be of benefit to them and will not militate against their easy progress to and from duty, since there will be subways available for their use.

These are some of the personal benefits that the hostel will confer, but there is a much greater gain that will be secured by the change, and it is a consideration of all the advantages to be gained that has prompted a splendid gift of no less than £160,000 from a large-hearted benefactor who desires to remain anonymous. This gift will make provision for the first section of the hostel with about 180 bedrooms and refectory and recreation accommodation for the full personnel ultimately to be lodged in it.

The donor was satisfied not only that the hostel would be a fully satisfactory solution of the difficulty of housing the Nurses properly, but that it would be an essential factor in enabling the Board of Governors to carry out their plans on concentrating all treatment work in the Main Hospital buildings, and at the same time making a substantial addition to its wards—the gift for the hostel, indeed, was a most encouraging recognition of the wise foresight that had inspired the Board with the faith necessary for the undertaking of a thorough scheme of development as well as reconstruction.

The announcement of the great gift was made at a special meeting of the Board of Governors in February, and it was explained that the responsibility for the full estimated cost of the first section of the Hostel (£160,000 as stated) would be assumed by the anonymous donor.

The following Resolution should be rescued from the comparative privacy of the Minutes :—

> "That the Board of Governors of the Middlesex Hospital desire to place on record their heartfelt gratitude to the benefactor who by his munificent generosity has provided a sum of money sufficient to cover the cost of the first section of the New Nurses' Hostel, which forms such an important part of the scheme for the development of the Hospital under its plan of reconstruction. Not only has this benefactor recognized the value to the Hospital's work of adequate and comfortable accommodation for its Nursing Staff, but also by the magnificence of his gift he has relieved the anxiety of the Board with regard to one of the most essential portions of the New Hospital. For this supreme liberality the Board of Governors express to him their most cordial thanks."

A condition of the gift is that it shall not rank as part of the general Reconstruction Fund, but shall constitute a special Nurses' Hostel Fund, and any interest accruing from investments shall be added to that Fund.

This gift is unique : it is magnificent—almost too wonderful to realize fully, and we are overcome with gratitude to the large-hearted and modest donor and with admiration of his public spirit and extraordinary generosity.

It should be put upon record that this gift was inspired by the good offices of Mr. A. E. Webb-Johnson, Surgeon to the Hospital, and Treasurer of the Medical School, and I cannot conclude without expressing once again on behalf of the Board our appreciation of the many great services that Mr. Webb-Johnson has rendered to the Hospital and its Medical School. Besides attaining the high position in the Surgical world which he now holds, besides rendering conspicuous services to his country in time of war, and in addition to establishing a record of service as Dean of the Medical School which will be long remembered, he has found time to interest others in our work, and since the war, has raised by his own personal efforts no less a sum than upwards of £300,000 for the Hospital, for the Medical School, and for Medical education and research.

The Board have very great pleasure in informing you that Mr. Courtauld has increased his magnificent gift to provide a Biochemical Institute from £30,000 to £40,000. It is hoped that the Institute will

be ready for occupation in the summer, and the Board looked forward with confidence to a further development of the remarkable work which has been done in this Department.

The Board record with appreciation the presentation by His Grace the Duke of Bedford of a tennis court, hut, and tent, and the services of a groundsman, in Southampton Row for the Nurses of the Middlesex Hospital.

The Board have to record a change in the Title of the Middlesex Hospital Cancer Charity to the Middlesex Cancer Hospital. Founded in 1792 for the relief of the most deserving class of sufferer and to afford opportunity for the investigation of a disease which was then as obscure in its origin as it was fatal in its effects, the scope of the work of the Cancer Wing has steadily grown until to-day half of the beds are devoted to operable cases, and it was felt by your Board that the time had come to mark the fact that for many years past the Cancer Wing had been and now is a complete Cancer Hospital with operable and inoperable beds and all the resources of the famous Cancer Research work and the educational facilities of the Medical School behind it. Further reference to this will be made in the Annual Report of the Middlesex Cancer Hospital.

You will no doubt have observed that the Ministry of Health has recently been giving consideration to the possibility of closer co-operation between the Voluntary Hospitals and the Public Authorities. The Minister of Health has in recent speeches given the public some indication of the lines upon which he envisages such development of the National Health Services. Your Board have long desired to see such development upon wise and progressive lines and are giving this subject their closest and most careful consideration and will, so soon as they are in a position to do so, come before the Court with their recommendations on this most important question.

The Board have to report that Miss A. H. Peppler, Home Sister at Gower Street, has been appointed Matron of the Convalescent Home, in succession to Miss G. E. Morgan, to whom after thirty years' service the thanks and good wishes of the Board were conveyed.

We are pleased to report that Sir Rowland Blades has accepted a seat on the Board of the Hospital.

Mr. J. F. F. Rowland, B.A., A.I.C., has been appointed Consulting Analytical Toxicologist to the Hospital and Mr. E. J. Miall has accepted the Honorary appointment of "Speech Instructor" to assist the Ear, Nose and Throat Surgeons in cases of stammering. Apart from these appointments the constitution of the Honorary Staff has remained unchanged and we

desire to record our sincere gratitude to them for their unselfish devotion to the care of the patients and to the training of Students in the Medical School.

During the year an Artificial-Light Clinic has been established in the Annexe which is worked in conjunction with the Medical Officer of Health of the Borough, and is proving very successful.

The Preliminary Training School, to which reference was made in last year's report, was opened in February under the charge of Miss B. Haughton assisted by Miss N. Ashwin, and has been of the utmost value in the training of Probationers prior to their entry to the Wards. Miss Ashwin has now been appointed Sister-in-charge of the School in succession to Miss Haughton whose appointment was only temporary.

We regret to announce the resignation of Mrs. B. Morrison, Home Sister, New Wing, who has left to take up an appointment in Ceylon.

The following appointments have been made in the Nursing Staff :—

| | | |
|---|---|---|
| Miss N. Ormand | ... | Home Sister, New Wing. |
| Miss A. C. Carlyle | ... | Night Sister, New Wing. |
| Miss K. W. Lupton | ... | Sister of Queen and Helena Wards. |
| Miss E. M. May | ... | ,, ,, Queen Mary and Stafford. |
| Miss J. B. S. Thomson | | ,, ,, Prince Francis and Greenhow. |
| Miss O. Wright | ... | ,, ,, Annexe III. |

The Rev. E. C. Summers, Resident Chaplain was reappointed for a further year in June.

Dr. H. Vane Sutton, the Resident Medical Officer, completed his tour of duty at the end of the year and Dr. H. L. Marriott has been appointed to the office for a period of three years.

Mr. G. Russell Chapman resigned his appointment as Campaign Director of the Rebuilding Appeal at the beginning of the year, and the Appeal Department has been strengthened by the creation of the post of Assistant Treasurer to which Mr. F. R. Oliver has been appointed.

Mr. F. J. Cable has been appointed Accountant to the Hospital, in succession to Mr. J. W. Noble, whom we congratulate on his appointment as Secretary-Superintendent of the Royal Salop Infirmary, Shrewsbury.

You will expect me to give you some information as to the present position of our great Reconstruction Scheme, and of the Appeal Fund supporting it.

As regards the buildings, most satisfactory progress is being made. You approved the Contract for the New West Wing at the last Court, and the excavation, a difficult piece of work, seeing that all existing services

had to be maintained, was quickly done. Now the foundations are complete and on the great concrete raft, the steel work, swung so easily and accurately into position by the giant crane you saw as you entered the courtyard, rises rapidly. The Nurses' Home site has been economically cleared and, thanks to the anonymous donor, this great section of our work can be dealt with at once.

The Appeal Fund also makes headway, and in such difficult times gives us encouragement to believe that the public will not fail to endorse the bold and comprehensive scheme to which we are committed. The time will come when we must appeal to the general public again; and our complete justification will be found in the breadth of view from which we did not shrink, the efficiency of the work we are engaged upon, and the economical manner in which that work and the Appeal have been and are being conducted.

Altogether, I think we may congratulate ourselves upon a satisfactory year and a good report.

F. W. Roques, Esq., M.A., M.B., M.Chir., F.R.C.S.

*Otological Registrar.*

C. P. Wilson, Esq., F.R.C.S.

Several old students of the School have obtained, during the past year, important appointments.

Dr. D. C. Muir, late Medical Registrar, has been appointed Physician to the Royal Infirmary, Hull. Mr. C. P. Wilson, Surgical Registrar, Surgeon to the Ear, Nose and Throat Department of the County Hospital, Canterbury, and Mr. D. J. Davies, Assistant Surgeon to Preston Royal Infirmary. Mr. A. L. Walker, Obstetric Registrar, to the post of Assistant

Gynæcological Surgeon to the Miller General Hospital, Greenwich, Mr. G. R. Scarff, late Otological Registrar, as Assistant Surgeon to the Ear, Nose and Throat Department of the Bristol General Hospital, and Mr. J. K. Hasler, Resident Anæsthetist, has been appointed Honorary Anæsthetist to St. Mark's Hospital, the Metropolitan Hospital, the Dreadnought Hospital and the Miller Hospital.

Dr. R. Lewthwaite and Dr. H. O. Hopkins, both until recently on the staff of the Bland-Sutton Institute, have obtained important posts in the Research Department of the Colonial Medical Service in the Malay States.

The Samuel Augustine Courtauld Institute of Bio-Chemistry, which will be a definite part of the Medical School buildings, will be opened in June of this year. This will release accommodation in the Bland-Sutton Institute of Pathology, and will provide the Medical School with modern laboratories, fully equipped with the most up-to-date scientific apparatus for the teaching of Bio-Chemistry, and for research in this very important subject. As previously reported, this addition to the Medical School has been made possible by Mr. S. A. Courtauld's generosity, and since our last report, he has increased his original gift of £30,000 to £40,000.

We have great pleasure in reporting that the Court of Assistants of the Drapers' Hall, London, has granted a Research Scholarship in Bio-Chemistry of £200 per annum, tenable in the Bio-Chemical Institute for two years.

The whole of the ground floor of this new building will be used as a Students' Dining Room, with seating accommodation for more than 100, and will thus provide the Medical School with a restaurant worthy of its size and character. In this connection, we wish to report the munificent gift of £1,000 from Mr. Vaughan Morgan to meet the whole cost of equipping the restaurant. Mr. Vaughan Morgan has always been a most generous supporter of the Hospital and its Medical School, and this gift has relieved the Council of a very great burden, and we are deeply grateful to him.

We again wish to draw special attention to the value and importance of providing for the permanent endowment of the Professorial Chairs which are attached to our Medical School in the University of London. Seven chairs have been established, three have now been endowed. We aim at attaining the best results, but these can only be assured by securing the means to enable us to attract men of the highest capacity to carry on the invaluable work of training future generations of medical students for the benefit of the community in general. Here, indeed,

is there a noble opportunity for any individual or body desirous of advancing medical science and associating his or their names with this great movement.

The Council still feels the need for better Library accommodation, and lack of funds alone prevents immediate advance in this direction.

During the past year the Middlesex Hospital Press Committee has continued to issue health leaflets containing valuable information, simply expressed, regarding the early symptoms of some of the most dreaded scourges which afflict humanity, and showing how, at the onset, such diseases may be prevented. Besides this useful activity, the Press Committee hopes later on to guarantee against loss up to a certain amount, any author publishing a book under its auspices, or alternatively, is willing to contribute towards the cost of publication of such a book. The funds so far received have been inadequate for this purpose, and financial support is needed.

BOARD ROOM,
THE MIDDLESEX HOSPITAL,
*26th April*, 1928.

# THE MIDDLESEX BRANCH HOSPITAL
AND
# HULKE ENDOWED HOME,
CLACTON-ON-SEA.

As stated in the report for 1926, the home was closed during the latter part of that year and the first half of 1927, in order that the drainage system might be replaced. This has now been effected at a total cost of £3,340, which shows a satisfactory saving on the original estimate. It was discovered that the defects in the original system were due to subsidence, and the system which has now been put in is completely satisfactory and will obviate any risk of such trouble occurring again.

Miss A. H. Peppler, who was appointed Matron on the retirement of Miss Morgan, took up her duties on the reopening of the Home in June. Miss I. Bastin has been appointed Sister at the Home.

The Home was re-opened in the middle of June, and from then until the end of the year, 331 adult patients, 56 children, and 21 infants, either In- or Out-Patients of the Hospital were admitted. Besides these numbers, 342 patients, members of the Prudential Approved Societies, also 59 adults and 20 infants from other Hospitals or organizations were admitted. From or on behalf of the patients admitted to the Home, the sum of £475 16s. 0d. exclusive of the grant from the Prudential Approved Societies was received.

The average number of patients resident daily was slightly less than in 1926, being 73·26 compared with 81·78. This was due to the fact that the number of patients resident during the last quarter of the year is usually smaller than at other times. The number of days for which each patient was resident was 19·23 against 18·77 in 1926.

The decreased number of patients treated adversely affects the costs for the year, and in addition, while the Home was closed, it was completely redecorated at a cost of £500. As a result, the cost of each patient per week has increased from £1 13s. 4·21d. in 1926, to £2 11s. 9·45d. in 1927, and the cost of each patient was £7 2s. 3·99d. compared with £4 9s. 7·54d. in the previous year.

The grant from the General Fund of the Hospital to balance the accounts of the Convalescent Home was £2,659 1s. 7d., compared with £1,038 12s. 2d. in 1926.

THE MIDDLESEX HOSPITAL,

# ALMONER'S REPORT FOR 1927.

During the year the work of the Department made progress. The increased number of attendances, and the aim of the Department to provide after-care assistance, have added considerably to its work.

Arrangements made for the admission of patients to our Convalescent Home are stated in the report for the Convalescent Home. During the time the Home was closed, arrangements for the convalescence elsewhere of Prudential Patients numbering 412 were made, and 617 adults and 152 children, patients of the Hospital, were sent to various Homes.

Sanatorium treatment was procured for 72 adults and 14 children.

446 surgical, dental or optical appliances were supplied to In-Patients and 851 to Out-Patients. Grants towards the cost of these have been obtained from various charitable sources, patients have paid a certain amount themselves, and help has also been given from the Funds of the Hospital. A total sum of £3305 19s. 4d. has been spent from the Dresden Assistance Fund, and £1967 5s. 2d. from the Samaritan Fund on appliances, on convalescent treatment, apart from our Home at Clacton, and in assisting patients with their travelling expenses, and in aiding a few necessitous ones. A sum amounting to £3,713 15s. 11d., has been collected towards these expenses, and the balance has been met in the following way :—

| | Dresden Assistance Fund. | | | Samaritan Fund. | | |
|---|---|---|---|---|---|---|
| | £ | s. | d. | £ | s. | d. |
| 1. Fares ... ... | 50 | 0 | 3 | 350 | 7 | 4 |

| 3. Appliances ... | 174 | 4 | 3 | 218 | 16 | 6 |
| 4. Grants to patients | 22 | 10 | 11 | 6 | 15 | 0 |

During the year we have spent £50 0s. 9d. from the George Balfour Black Cancer Fund in giving small weekly allowances to patients suffering from cancer or in assisting them with their fares to and from the Hospital, and the sum of £58 15s. 0d. from the Dental Fund on patients requiring Dentures, or help of a similar nature.

It is satisfactory to be able to report that the receipts for the year, received from and on behalf of In- and Out-Patients, show some increase on those of the previous year. The total amount taken was £16,433 16s. 8d., of which £2,146 1s. 0d. has been paid into the Middlesex Cancer Hospital Fund. This total includes £3,924 18s. 5d. received from the various Approved Societies.

We should like again to render our thanks to all our kind friends who have continued to help us during the past year; the Clergy, various branches of the Charity Organization Society and Relief Committees, the Nursing Associations, the United Services Fund and the Invalid Children's Aid Association, all of whom have given us their valuable assistance.

H. M. PRICE,
*Lady Almoner.*

# INFANT WELFARE DEPARTMENT.

## REPORT FOR 1927.

The year 1927 has seen two additions to the regular Clinics held by the Welfare Department, namely :— A special Clinic for Children between the ages of 2 and 5 years (commonly known as "Toddlers"); and one for Expectant Mothers.

The following figures shew the increase of attendances at the Clinics themselves, but do not adequately express the increase of work accomplished by the Department; for, in addition to the Home Visits, there is always at least one of our Health Visitors in the Office throughout the day, giving advice to mothers, doing test feeds, etc. :—

| | 1925 | 1926 | 1927 |
|---|---|---|---|
| Total number of attendances of children ... ... ... ... | 4,036 | 4,364 | 5,736 |
| Average attendance per session ... | 26 | 29 | 29 |
| Number of home visits paid ... | 911 | 1,426 | 1,391 |
| Total number of sessions held ... | 151 | 150 | 199 |
| Total number of children who attended | 446 | 472 | 636 |
| Average attendance per week ... | 77 | 84 | 110 |
| New cases ... ... ... ... | 248 | 253 | 339 |
| Deaths ... ... ... ... | 13 | 13 | 8 |

Clinics are now held at the following times :—

| MONDAY | TUESDAY | WEDNESDAY | THURSDAY | FRIDAY |
|---|---|---|---|---|
| 1.30 | 2.0 | 1.30 | 1.30 | 1.30 |
| Infants | Expectant Mothers | Infants | Toddlers | Infants |
| Dr. Boldero. | Miss Colles. | Miss Colles. | Dr. Boldero. | Dr. Boldero. |

The Toddlers Clinic, which was started on February 3rd, has proved itself of great value. It enables greater care and individual attention to be given to the bigger children, though it has not relieved the pressure, as hoped, at the Infant Clinics, because their numbers continue to increase.

That the Toddlers Clinic has been appreciated is shewn by the attendances totalling 989 in 48 Sessions.

In August Miss Colles started her Clinic for Expectant Mothers. After a talk lasting three-quarters of an hour on the general management of the baby, and on the health of the expectant and nursing Mother, demonstrations are given with a model doll. Model layettes are shewn, and advice given about clothes, material and patterns.

A large measure of the success of the work done by the Department is due to Miss Colles, our Senior Health Visitor. During the year Miss Scovell left, and Miss Mountfort Nutt was appointed Assistant Health Visitor on November 10th.

We are very fortunate in having eleven voluntary workers who assist us at the Clinics. Their services, so willingly given, are greatly appreciated; in fact the Department could not be run without their help.

It is a pleasure to record out debt of gratitute to the British Red Cross Society and other kind friends, for their gifts of clothing, etc. The mothers do indeed appreciate this assistance, which is a factor in the health of their children.

Large quantities of lint, linen rags, and cloth for rollers are required for the surgical patients, and ladies are therefore earnestly invited to send to the Secretary at the Hospital such old linen, sheets, table cloths, etc., as are no longer used in their families. Gifts of this kind, however small in quantity, are exceedingly useful and much appreciated.
