THE MIDDLESEX HOSPITAL

AND

CANCER WING.

REPORT

FOR THE YEAR 1933.

WITH A LIST OF CONTRIBUTORS
DURING THE YEAR 1933 TO THE
HOSPITAL'S RECONSTRUCTION FUND.

MORTIMER STREET,
LONDON, W. 1.

TELEPHONE:—
MUSEUM 8333.

To Subscribers.

To the many subscribers who have already entered into the 7 Years' Subscription Agreement we offer our warm thanks. The increased income shown under Subscriptions is largely due to them.

We shall be most grateful to all those subscribers who have *not* yet made use of the Agreement, which is for seven years or during life, whichever is the shorter period, if they will do so.

The Agreement enables the Hospital to recover the Income Tax paid on the Subscription : and it also enables Subscribers liable to Super Tax to deduct the gross amount of their Subscriptions from the income assessable for that tax.

Thus, without any extra expense to themselves, they can benefit the funds of the Hospital very materially, as is shown by the Table, calculating income tax at 4/6 in the £, below :—

Nett Amount of Annual Subscription payable by Subscriber.		Income Tax recoverable by the Hospital.		Gross Amount of Annual Subscription.
£ s. d.		£ s. d.		£ s. d.
1 1 0	...	6 1	...	1 7 1
2 2 0	...	12 2	...	2 14 2
3 3 0	...	18 3	...	4 1 3
4 4 0	...	1 4 5	...	5 8 5
5 5 0	...	1 10 6	...	6 15 6
10 10 0	...	3 1 0	...	13 11 0
21 0 0	...	6 1 11	...	27 1 11
31 10 0	...	9 2 11	...	40 12 11
42 0 0	...	12 3 10	...	54 3 10
52 10 0	...	15 4 10	...	67 14 10

During 1933 many Governors and friends of the Hospital were successful in enlisting new Subscribers for the Middlesex Hospital.

Will all our friends make, this year, a special effort to bring in new Subscribers, and ask them to make use of the Agreement, which adds so materially to the value of their support ?

THE MIDDLESEX HOSPITAL

(FOUNDED 1745)

AND

CANCER WING

(INSTITUTED 1792).

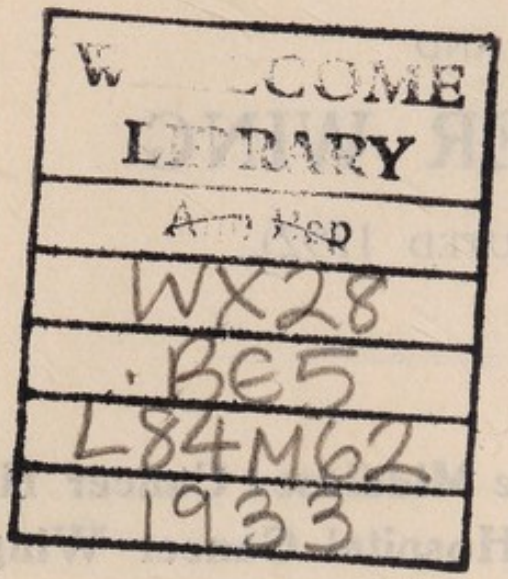

Alteration of Title of the Middlesex Cancer Hospital to the Middlesex Hospital Cancer Wing.

It having been found that the separate title of The Middlesex Cancer Hospital has led to some misconceptions and confused many of our supporters, the Court of Governors at its meeting on April 10th, 1930, resolved on the advice of the Board to revert to the old title of The Middlesex Hospital Cancer Wing.

The Report and Accounts of the two Institutions are accordingly being issued in one book.

THE MIDDLESEX HOSPITAL AND CANCER WING.

REPORT FOR 1933.

To the Court of Governors.

My Lords, Ladies and Gentlemen,

I have pleasure in putting before you the Report for the year 1933.

In-Patients.—The total bed capacity of the Hospital, which includes, for statistical purposes, the beds in the Cancer Wing, was 468.

The number of patients admitted during the year was 7,987, the average cost of each in-patient per week being £4 13s. 4d., while the average stay amounted to 20.38 days and the cost of each patient £13 11s. 9d. Comparisons with the previous year may be found in the Statistical Tables on page 203.

Out-Patients.—47,995 new patients were admitted and the attendances, at 264,911, again shew a large increase. The cost for each attendance was 1/9.00, and that of each patient 9/7.94.

Income and Expenditure.—The total Income for the year amounted to £136,530, while the Expenditure is shewn at £133,017, and the year's working closed with a surplus of £3,512. This is a matter fo much congratulation, but the fact is accounted for by the unusual sum received from Legacies.

Among the notable benefactions received during the year were, in Legacies :—

It is once again our pleasure to convey our appreciation and gratitude to the Ladies' Executive Committee, who by their continued energetic and valuable work have raised no less than £43,119 14s. 11d. on behalf of the Queen Alexandra Memorial Wing Fund. During the past year £2,279 6s. 8d. was added to this Fund.

As a result of the personal appeal made by Mr. R. C. Boyle and Lieut.-Colonel W. F. G. Wyndham—members of your Board—to Old Harrovians, we have received, with much gratification, the sum of £537 15s. 0d. towards the Fund for the endowment of the "Old Harrovian" Bed.

Special attention is drawn to the continuation of the work of decorating the interior of the Hospital Chapel. Mr. G. Vaughan Morgan most generously held himself responsible for the completion of the Central Arch, and Sir Arnold Lawson similarly undertook the erection

of eight marble columns in the Nave. These artistic additions are most pleasing and add much dignity to the fabric. We are also deeply indebted to Sir John Bland-Sutton and to Mr. A. E. Webb-Johnson for their unremitting interest in and extremely generous support of the work of decorating the Chapel.

It was our pleasure to record, in 1926, the gift to the Hospital by Dr. W. Essex Wynter—Consulting Physician to the Hospital—of Bartholomew Manor, Newbury, as a home for retired Middlesex Hospital Sisters and Nurses, and later, in 1931, of an additional gift of land adjoining the Manor. Dr. Essex Wynter has now rounded off this beautiful property by the purchase of two more cottages which he has restored and put into use. Eleven of our old Sisters and Nurses have now their homes in the Manor, and others are shortly to go there, where modern conveniences make life comfortable in XVth Century cottages whose charm has been preserved or restored by Dr. Essex Wynter's profound appreciation of that period.

We desire to place on record our cordial thanks to all those local business houses, both employers and employees, who have so generously contributed to the fund which is being raised for the purpose of endowing a Ward to be known as the "Dressmakers'" Ward. Their valuable help has, so far, been the means of raising—together with promises—close upon £10,000.

We are happy to record that, as a result of the Bond Street Appeal, the sum received, up to the end of 1933, amounted to £3,532 0s. 6d. Our hearty thanks are due to the Bond Street Association for their most valuable assistance and co-operation.

The grateful thanks of the Hospital are again due to the British Red Cross Society's Blood Transfusion Service. During the past year 68 members have voluntarily given invaluable service in cases of emergency.

It is with much pleasure that we announce the acceptance by the Rev. W. E. Cargill of a seat on the Hospital Board. His long and intimate association with the work of the Hospital will prove most valuable in matters of administration.

We have to record, with deep regret, the death of Sybil, Countess Brassey. Lady Brassey joined the Hospital Board in May, 1918, and until her resignation in June, 1931, was a most regular attendant at its meetings. She took a keen interest in the welfare and organisation of the Nursing Staff, and the devoted service which she rendered so ungrudgingly during her membership of the Board, was deeply appreciated.

We have to record the resignation of Dr. E. A. Cockayne and Dr. H. E. A. Boldero—who have been acting as Physician and Assistant-Physician to the Children's Department—in view of the increasing demands of their appointments on the Staff as Physician and Physician to Out-Patients respectively.

The Board, on the recommendation of the Medical Committee, decided to create an additional post of Physician to the Children's Department, to which post Dr. Alan Moncrieff has been appointed.

It is with the deepest gratitude that we have to record a most generous gift of £25,000 from Mr. W. H. Collins—through Mr. A. E. Webb-Johnson—for the construction and equipment of a new X-Ray Diagnosis Department, which will contain the most complete scientific apparatus in existence.

In conjunction with the establishment of this Department, the Board have created a new appointment, on the Honorary Medical Staff, of Physician in charge of the Department of X-Ray Diagnosis, and Dr. H. K. Graham Hodgson has been appointed to fill the post.

By the death of Mr. Walter Betts, who joined the Administrative Staff in June, 1925, and for some five years held the appointment of Assistant Secretary (Appeals) the Hospital has lost one of its most valuable and loyal officers.

We have to note with pleasure that, on the invitation of the Air Ministry, Miss D. M. Smith, the Matron and Lady-Superintendent of Nurses to the Hospital, has accepted a seat on the Advisory Board of Princess Mary's Royal Air Force Nursing Service.

It is also a matter of interest to note that in the Medical Electricity examination, a student, who received her training at this Hospital, gained the first place in England, Scotland and Ireland, and further, that out of the first six successful candidates, four were from the Middlesex Hospital.

Our great reconstruction scheme goes steadily forward. During the year under review the Woolavington Wing for Private Patients was completed and equipped. This magnificent gift from Lord Woolavington, as a memorial to the memory of his wife, is primarily intended to provide the best Medical and Surgical treatment in the best standard of nursing home service for those whose incomes are above the ordinary Hospital level, but not great enough to enable them to pay for such services at the normal rates.

It has 64 beds of which the majority are in curtain cubicles or separate rooms at low maintenance charges for patients to whom the Physician or Surgeon is conceding reduced fees, whilst there are a few rooms for those who can afford normal fees and charges, of which the profit will balance, it is estimated, the loss on the lowest rates.

It will, when the Medical wards of the East Wing are opened, complete our idea of what the modern Hospital should be, open to all, and offering to all the advantages in treatment which only the General Hospital with all its resources can provide.

I am, strictly speaking, anticipating next year's Report by commenting upon the visit which Their Majesties the King and Queen paid to the Wing in March, 1934. But I do not think you would wish me to postpone for so long the expression of our deep appreciation of the interest which they, our Patrons, have always taken in this Hospital.

We have in the Middlesex a great trust put into our hands. The wonderful success of our Reconstruction Appeal is astonishing evidence at once of the reputation of the Hospital and of the vitality of the Voluntary system. It is not therefore a matter for surprise that their Majesties, whose keen interest in all things modern, progressive, and philanthropic, is proverbial, should have followed our work so closely, and visited the Nurses' Home when it was opened, or again the Woolavington Wing, and the shell of our great new X-Ray Diagnosis Department. But it does afford us all the deepest satisfaction to know that their appreciation is so marked, just as it is our greatest encouragement to know that our service is so much approved, from the highest in the land to the poorest in our wards.

We are once again deeply indebted to the kindness and generosity of Miss Fanny M. Marriage and her many friends for the further contribution of £145 8s. 0d. towards the maintenance of the Cancer Wards.

We have also to thank Mr. John Ruffer for a donation of £100 towards our Cancer Research work.

THE BRANCH HOSPITAL AND HULKE ENDOWED HOME (Clacton-on-Sea).—We are glad to report that most satisfactory conditions continue at our Convalescent Home. During the past year the number of patients treated, as compared with the figures for 1932, shews, owing to the closing of wards for re-decoration, a decrease of 45, the total being 1384. This number includes 93 children and 76 mothers with young children.

It will be noticed that the expenditure for the year shews an increase, but this was entirely due to the sum spent on the quinquennial decorations ; otherwise the ordinary expenditure remains normal.

It is pleasing to see that the sum voluntarily given by patients, during the year, again shews an increase, which may reasonably be attributed to their appreciation of treatment received.

Miss E. M. F. Bowdler, who entered the Hospital in 1920 as Sister Tutor, and for three years held the post of Assistant Matron, has been appointed Matron to the Home.

ALL HELP LEAGUE.—The receipts of the All Help League shew, as a result of improved industrial conditions, a more satisfactory position over its returns for the year 1932; the total income being £1,302 0s. 6d.

By the inauguration of an "Imaginary Garden Party and Bazaar" the members generously contributed £101 16s. 11d. and the usual Christmas collection resulted in a most welcome addition to the League's funds of £89.

The junior branch, known as "The All Help League Crusaders," continues to shew much enthusiasm and their support is very much appreciated. Their collections for the past year amounted to £43 5s. 6d.

Other items of special note include a weekly collection made, during the past five years, by Mr. J. H. Maunder, amounting—at the close of 1933—to £100, and a discretionary legacy of £63 6s. 2d. was received, through the kindness of Mr. T. Okey, as Trustee of the late Miss Sellick's estate.

It is also to be recorded that much of the League's success is due to the untiring efforts of its Chairman, Mr. F. F. Taylor, to whom the Board owe a great debt of gratitude.

ALMONER'S REPORT.—The work in this Department has been carried on steadily during the year, and we would render our thanks to the many kind friends, the Clergy, various Charitable Organisations, and Relief Committees, the District Nursing Associations, the United Services Fund, and the Invalid Children's Aid Association, who have continued to give us their valuable assistance.

A large number of our women patients and children were sent to our Convalescent Home at Clacton. In addition, 373 adult patients, and 135 children went to various other Convalescent Homes, and the Schiff Home of Recovery at Cobham very kindly admitted 144 of our patients.

342 surgical appliances were supplied to In-Patients, and 938 to those attending in the Out-Patient Departments.

The total expenses of these services, and those incurred by the hire of Ambulances, railway fares, etc., amounted to £3,541 17s. 5d. Patients

contributed themselves as much as they were able towards this amount. Grants were obtained from various sources available, and assistance to make up the balance was given from our Funds in the following manner :—

	Dresden Assistance Fund. £ s. d.	Samaritan Fund. £ s. d.
Convalescence other than at Clacton	280 11 6	98 19 9
Fares and Ambulances ...	239 5 8	79 4 3
Appliances	45 16 0	196 0 4
Grants to patients ...	6 4 6	19 18 0

Small weekly Grants to patients suffering from Cancer, and assistance with their fares to and from the Hospital were given from the George Balfour Black Fund to the extent of £168 15s. 5d., and from the Dental Fund, £63 1s. 0d. was spent in helping patients with the supply of Dentures.

The total receipts for the year from and on behalf of In- and Out-Patients amounted to £26,261 15s. 6d. This sum includes contributions from the Hospital Saving Association, and Hospital Saturday Fund, also £1,034 0s. 2d. from Approved Societies.

In addition, £1,662 4s. 0d. was received in respect of our Convalescent Home at Clacton.

These figures show an increase on those of last year.

INFANT WELFARE DEPARTMENT.—Statistics of the attendances in the Welfare Department during 1933 show that there is little variation compared with the previous year.

The total attendances of children number, 7,706, and of expectant mothers 332, while the number of home visits paid has increased to 2,306.

In addition to the routine work, evening lectures and demonstrations have been given throughout the Session by the kindness of the National Milk Publicity Council. These instructional classes have been very well attended and greatly appreciated.

It is always a pleasure to record our gratitude to our numerous voluntary helpers, and to repeat that without their help the work on its present scale could not possibly be accomplished.

The list of friends who help us by providing children with much-needed holiday or convalescence, or by sending us money to enable us to have a Christmas Fund, is so large that it is impossible to mention each individually.

We are again indebted to the British Red Cross and many individual workers for their help in supplying many of our needs as regards knitted garments, etc.

It gives me great pleasure to announce an achievement of which any Medical School must be proud ; at a recent election the Royal College of Physicians appointed six Middlesex men to the Fellowship of the College. These gentlemen are Dr. H. E. A. Boldero, Professor E. C. Dodds, Dr. L. E. H. Whitby, Professor Samson Wright, Dr. T. Jenner Hoskin, and Dr. K. Shirley Smith. It has never before happened that so many Middlesex men have simultaneously achieved this distinction, and with it we receive further honour in that Professor Dodds has been selected to deliver the Goulstonian Lectures before the College during the coming year.

Further distinction comes to us from the fact that the Medical Society of London have invited Dr. C. E. Lakin to deliver the Lettsomian Lectures during the year 1933-34.

Several members of our Staff have received additional appointments at other Hospitals ; Dr. H. L. Marriot has been elected to the Staff of the Miller General Hospital, Greenwich, Dr. D. Evan Bedford to that of the Heart Hospital, and Dr. A. A. Moncrieff has been appointed Assistant Paediatrician to Queen Charlotte's Hospital.

Several of the gentlemen attached to our laboratories have left to occupy senior posts elsewhere—Dr. Frank Dickens has been appointed to the Scientific Staff of the Medical Research Council, and is pursuing Cancer Research in Newcastle-on-Tyne, Dr. T. C. Patterson has become Pathologist to the Bolingbroke Hospital, and Dr. C. C. Bryson is now Assistant Pathologist to the Cancer Hospital.

Examination successes have again been numerous; Mr. O. V. Lloyd-Davies, Mr. E. G. Muir, and Mr. B. M. Fonseka have each secured the degree of Master of Surgery of the London University, and for the second year in succession the University Gold Medal for this examination has been awarded to a Middlesex man, on this occasion Mr. E. G. Muir having achieved this distinction. The great successes of Mr. Muir have been further increased by his election as Hunterian Professor to the Royal College of Surgeons.

The University of London has awarded the Degree of M.D. to Mr. A. M. Nussbrecher, and Messrs. H. B. Jackson, E. H. Capel, and N. F. Maclagan have passed the examination for the Membership of the Royal College of Physicians, the latter having in addition secured the Degree of Master of Science of the University of London. The Royal College of Surgeons have awarded the Diploma of Fellow to Messrs. L. C. Rogers and G. W. Black.

Other Examination successes are too numerous to mention, but congratulations must be specially offered to Mr. J. C. B. Bone for securing the Sir William Dunn Exhibition in Anatomy and Physiology, awarded by the University of London to the student obtaining the highest marks in Anatomy and Physiology in the Second Examination for Medical Degrees.

We have been able to increase facilities for the teaching of Midwifery by collaboration with Queen Mary's Hospital, Stratford, where the Medical and Administrative Staff have given us valuable support.

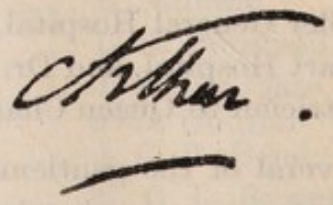

In the Medical School, the Bland-Sutton Institute of Pathology, the Courtauld Institute of Biochemistry, the Barnato-Joel Laboratories, the Departments of Physiology, Anatomy, Physics and Chemistry, with six whole-time Professors of the University of London in charge of them, give an opportunity of investigating the problems of cancer from every aspect.

The progress of the Hospital towards completion brings increasing facilities for teaching in the wards, and additional arrangements have been made during the present year by which some of our students attend Medical and Surgical classes at one of the L.C.C. Hospitals under the direction of members of our own Staff, the success of these classes being assured owing to the sympathetic collaboration of Sir Frederick Menzies and the Superintendents of the Archway Hospital, Highgate.

I have the honour to be,

My Lords, Ladies and Gentlemen,

Your obedient Servant,

Chairman.

BOARD ROOM,

THE MIDDLESEX HOSPITAL,

April, 1934.
