THE MIDDLESEX HOSPITAL
AND
CANCER WING.

THE MIDDLESEX HOSPITAL MEDICAL SCHOOL.

REPORTS FOR THE YEAR 1939.

To Subscribers.

To the many Subscribers who have already entered into the 7 Years' Subscription Agreement we offer our warm thanks.

We shall be most grateful to all those Subscribers who have *not* yet made use of the Agreement, which is for seven years or during life, whichever is the shorter period, if they will do so.

The Agreement enables the Hospital to recover the Income Tax paid on the Subscription : and it also enables Subscribers liable to Super Tax to deduct the gross amount of their Subscriptions from the income assessable for that tax.

Thus, without any extra expense to themselves, they can benefit the funds of the Hospital very materially, as is shown by the Table, calculating income tax at 7/6 in the £, below :—

Nett Amount of Annual Subscription payable by Subscriber.		Income Tax recoverable by the Hospital.		Gross Amount of Annual Subscription.
£ s. d.		£ s. d.		£ s. d.
1 1 0	...	12 7	...	1 13 7
2 2 0	...	1 5 2	...	3 7 2
3 3 0	...	1 17 9	...	5 0 9
4 4 0	...	2 10 5	...	6 14 5
5 5 0	...	3 3 0	...	8 8 0
10 10 0	...	6 6 0	...	16 16 0
21 0 0	...	12 12 0	...	33 12 0
31 10 0	...	18 18 0	...	50 8 0
42 0 0	...	25 4 0	...	67 4 0
52 10 0	...	31 10 0	...	84 0 0

During 1939 many Governors and friends of the Hospital were successful in enlisting new Subscribers for the Middlesex Hospital.

Will all our friends make, this year, a special effort to bring in new Subscribers, and ask them to make use of the Agreement, which adds so materially to the value of their support ?

REPORT

OF THE

BOARD OF THE GOVERNORS

OF THE

MIDDLESEX HOSPITAL for 1939.

A full account of all the measures planned and adopted to meet the continually changing outlook at the Middlesex in 1939 would be beyond the scope of this report but, briefly, as throughout the country, the sequence of events was that of preparation and crisis followed by adjustment and modifications rendered necessary by the unexpected course of the war.

During the early months of the year the regular work of the Hospital went on as usual. At the same time we were actively engaged in making preparations so that the Middlesex would be able to play its part effectively in the Ministry of Health Emergency Hospital Service, which was chiefly designed to deal with the effects of heavy aerial attacks on London.

This most comprehensive scheme divided London and its surrounding areas into sectors forming a circle with London as its central point. A London Teaching Hospital was placed at the apex of each Sector, and Sector 5 which extends in the direction of, and as far as Aylesbury, was allotted to the Middlesex.

Dr. H. E. A. Boldero was appointed Group or Sector Officer, Mr. S. R. C. Plimsoll, Lay Sector Officer, and Miss Dorothy Smith, Sector Matron. Dr. H. L. Marriott was appointed Medical Commandant of the Hospital.

Prior to the outbreak of war, preparations had been made for the blacking out of the buildings and precautions taken against fire and splinters. A borehole, one of the four in London, was other hospitals. The sub-basement was prepared as a shelter with sunk for the safeguarding of our radium and that belonging to an emergency telephone switchboard and a gas decontamination room was established.

Under the original scheme the Hospital was to be used as a Casualty Receiving Hospital only, and on September 1st our patients were dispersed, some home, some to a hospital in Reading while only a few remained, being concentrated on one floor of the main block. The Woolavington Wing and Meyerstein Institute were closed and the Out-Patient Department was converted into a First Aid Post. 200 beds with their complete staff were kept available day and night for the reception of casualties.

Those members of the staff not allocated for duty at the Hospital were posted to hospitals in the Sector. In addition a number of members of the Staff had received appointments in the Services : Mr. Gordon Taylor and Mr. Pearce Gould as Surgeon Rear-Admirals, Royal Navy, Dr. Bedford as Major R.A.M.C., and Mr. Roques as Squadron Leader R.A.F.; Dr. Marriott resigned his appointment of Medical Commandant in November on being commissioned in the R.A.M.C., and Dr. Alan Moncrieff was appointed to take his place as Commandant.

Within a short time it became apparent that the Hospital must resume such services as were possible, subject to the requirements of the Emergency Hospital Service, and the number of general beds was increased to 120, the maximum then permitted by the Ministry of Health. Early in 1940 permission was obtained from the Ministry to increase the number of general beds to 207 and at the same time the Ministry reduced the number of casualty beds which the Hospital is required to reserve, from 200 to 160.

Accommodation for private patients has also been re-opened as the need has arisen and there are now 58 beds available.

As regards Out-patients, a skeleton service was established in mid-September in the Cancer Wing and a month later all Departments were represented while the Meyerstein Institute had been reopened for both Radium and X-Ray treatment. On January 1st the Out-Patient Department was re-established in the Annexe.

The policy of returning as far as possible to normal times has been amply justified, for day by day as greater facilities were offered they were eagerly taken advantage of by the general public and by private patients. Throughout no urgent case has been refused admission and the waiting list has been reduced from its pre-war figures of approximately 1,000 to slightly over 200, non-urgent cases being admitted for operation or treatment by members of our own Staff at hospitals in the Sector.

We would like to express our deep appreciation of the work which all our staff in the Sector have performed. All have suffered the unavoidable inconvenience and discomfort entailed by such an upheaval, cheerfully and willingly, and our special thanks are due to Dr. Boldero whose energy, unflagging care and great tact are very largely responsible for the smooth working of the scheme. We would also express our thanks to Dr. Marriott and Dr. Moncrieff for their invaluable work in re-organising the Hospital on a war time basis to meet the constantly changing conditions.

We should like to take this opportunity of explaining the financial position of the voluntary hospitals in war time for we understand that the belief is widespread that they have been taken over or are at least heavily subsidised by the Government. This is not the case. The help of the Government is strictly limited to those beds which, by order, have been set aside for air raid casualties. In all other respects the position is exactly as it was, the Hospitals being still dependent on the support of the public.

Many special functions which in normal years are held in aid of the Hospital have inevitably had to be cancelled and its revenue has necessarily suffered. In addition the Middlesex Hospital is one of the most poorly endowed of the London Teaching Hospitals.

And yet in war time the public health is of the highest importance. The Hospital is administered with the utmost regard to economy, but the services to the public must not be curtailed. We therefore appeal to you to continue to the limit of possibility your support of the Middlesex, and to urge your friends to help us in this vastly important struggle on the Home Front.

The Hospital was honoured by visits from Her Majesty The Queen shortly after the outbreak of war and a little later from Her Majesty Queen Mary. Their Majesties both made extensive tours of the Hospital and were graciously pleased to express their admiration of the way in which war time difficulties had been met and surmounted.

Expenditure this year was £174,388 and our income from all sources was £177,390.

For the first eight months of the year the average stay of patients was 23.56 days, and the cost per week per bed was £5 6s. 2d.

With the reduction of the number of patients during the last four months of the year the amount of provisions consumed has been reduced. This potential saving however is set off by the increase in prices since the war. Sugar, meat, surgical dressings having greatly increased in price. With only one or two exceptions the price of all drugs has risen considerably, and in some cases more than doubled.

Convalescent Home.

The Middlesex Branch Hospital and Hulke Endowed Home at Clacton-on-Sea has been taken over by the Government as a

unit in the Emergency Medical Service Sectors 1 and 2. For the first eight months of the year 921 patients were received, 667 direct from this Hospital.

The Lady Almoner's Department.

Other Convalescent Homes have received through this department, 484 adult patients and 106 children. 76 adults and 8 children were admitted to Sanatoria.

The District Nurses' Association gave help to 276 adults and 55 children.

2,126 surgical appliances and instruments were supplied to in- and out-patients.

We wish gratefully to acknowledge the usual assistance and financial grants given us by the St. Patrick's Benevolent Society and the various Hospital Contributory Funds.

We should like to thank the Invalid Kitchens of London for their help to a number of our convalescent patients, also the Friends of the Poor and the Charity Organisation Society for the number of home visits to and reports on our patients they have made.

Our thanks are also due to subscribers to the Royal Surgical Aid Society for their generous help in sending letters for the use of special cases.

Grants from the George Balfour Black Fund for cancer patients suffering in their own homes amounted to £72, and grants to patients towards the cost of dentures from the Dental Fund, £51.

Patients' contributions amounted to £34,910, made up as follows :—

	£
Direct Contributions	21,083
Hospital Savings Association ...	12,141
Hospital Saturday Fund	1,160
Approved Societies	526

The services of the Ladies' Association National Emergency Committee are described later in this report, but we should like

to record here our gratitude for the very special help that they have given to the Lady Almoner's department.

Infant Welfare Department.

With the outbreak of the war the Infant Welfare Centre was closed, but as the number of babies brought back to the neighbourhood increased, the Clinic was opened again in November. At first only one session a week, with Medical Officer, was held, but gradually this had to be extended and early in 1940 the full services of the Clinic were restored. The numbers for 1939 (given below) are necessarily reduced on account of the temporary cessation :—

	1938	1939
No. of Children	668	583
Total Attendances	6,634	4,789
New Cases	236	143
Deaths	10	8
Expectant Mothers' Class ...	234	119
Home Visits	2,279	1,641
Visitors to Office	2,318	1,561

Voluntary Helpers have continued to make the work of the Clinic possible although the war has depleted their visits, and help from the First Aid Post personnel has been most valuable in the re-opened Clinic. Subscribers again helped with holidays and Christmas dinners and ten of our families had "Polytechnic dinners" at Christmas.

Children's Convalescent Home.

We regret that the war has made it necessary to close this home, which, we were able to announce last year, had been opened, thanks to the generosity of Mrs. Snagge.

Maternity Services.

We are glad to announce that thanks to the generosity of the specialists concerned a special maternity service for the wives of all ranks below that of major in the Army and its equivalents in the other services, has been established in the Hospital. The total

charge for each patient, including ante- and post-natal treatment, will be 20 guineas, the specialists having agreed to forego all fees. This charge covers any period in hospital, however long, and is to some extent an insurance against complications. The baby will be supervised by the children's specialist and after-care of mother and baby is to be available.

Red Cross.

A Red Cross Salvage Depot has been established in one of the evacuated wards, for the re-knitting, re-making and repairing of gifts to the Red Cross which have proved unsuitable for use in the form in which they were given. Lady Webb-Johnson is in charge of the depot, aided by Miss Ree and a large number of other voluntary helpers.

The Ladies' Association.

The closing down of some of the wards at the outbreak of war and the evacuation of patients necessarily meant a curtailment of the work of some branches of the Association. But the Association never ceased to function and in many directions its activities have increased.

£315 was given by the Association towards the endowment of its second bed in the Maternity Department.

The Work Society under the presidency of Mrs. Ririd Myddelton made 2,089 garments of different kinds. The war did not interrupt the Society's labours which have been steadily pursued throughout the year.

We wish to thank the many new friends who have helped this year in the work of the Society.

We much regret that Mrs. Ward has been obliged to resign the joint Honorary Secretaryship of the Society.

The Ward Visiting Branch under Mrs. Leveson Gower, has again brought much happiness to our patients, especially since the re-opening of some of the wards, as patients have been returning faster than visitors.

Mrs. Felix Davis and her helpers have continued their care of the Chapel Garden, though they have found their work sadly hampered by the protective measures undertaken there.

We wish to thank Mrs. Davis for her most generous gift of four teak chairs.

The Library and indeed the whole Hospital has suffered a great and irreplaceable loss in the death of Mrs. Beddington.

Mrs. Beddington organised the present Library from its inception and was its Head Librarian for nearly twenty years. It is due to her enthusiastic energy that the Library takes a leading place among hospital libraries, not only in this country but in Europe and beyond. Many librarians, English and foreign, have been trained by her, and have afterwards started libraries in their own hospitals. Patients all over the world have reason to bless the memory of Mrs. Beddington.

Mr. Beddington has presented £1,000 to form the Sybil Elizabeth Beddington (Lady of the Book-Trolley) Fund, to be used for the benefit and maintenance of the Library.

But it is not only as Head Librarian that the memory of Mrs. Beddington will be cherished. She was a woman of great charm and kindliness, ever ready to give her help and counsel when they were sought, as they so often were. She was a true friend to all who knew her and her loss is most deeply and widely mourned.

The work of the Library was carried on as usual during the year, and a large number of ladies received training here at the request of the International Guild of Hospital Librarians.

The Library re-opened on October 4th, the first in London to do so. In addition Mrs. Monkhouse and Miss Apperly have started libraries in our Sector at Tindal House, Aylesbury, and St. Andrew's Hospital, Dollis Hill, respectively.

Mrs. P. Askwith and Miss B. Sichel have become Joint Head Librarians.

Mrs. Hambro was unfortunately obliged to give up her work in the Court Yard and Nurses' Home Gardens at the outbreak of the war, but Mrs. Leveson Gower and some friends have most kindly volunteered to take over.

The Ambulance Branch, under Miss K. S. Proctor continued its valuable work until the war, and started again as the Hospital began to re-open. Many ladies are being trained in ambulance work by the Branch.

The Second-Hand Department, in spite of war time difficulties raised the splendid total of £497 0s. 6d. Mrs. Pearce Gould has unfortunately had to leave London, but Mrs. Idris has taken over the Department, and any new or second-hand articles will be most gratefully received by her at the Hospital.

The Ladies' Association National Emergency Committee, under its Honorary Organiser Miss Sichel, came into action on September 1st, and did invaluable work.

On that day patients evacuated to their homes in and round London were carried by the sixty-three car drivers who had so kindly volunteered for the purpose. Subsequently this volunteer transport was in constant demand to drive patients, Hospital personnel and equipment to various parts of the Sector.

So successful has this service proved that it is hoped to continue it after the war.

The L.A.N.E. also undertook domestic duties in the Residents' College and provided many volunteers for the Work Society.

Under the chairmanship of the Marchioness of Cambridge, the Middlesex Mice (the Children's Branch of the Association) had a very good year until the war; even now they are still active and are kept in touch with each other by a quarterly issue of the Mice News. Many new members were obtained and a rally was held at the Hospital. A successful innovation has been the formation of a Junior Mice Committee under the chairmanship of Miss Mary McAlpine.

The Mice have given £200 towards the £1,000 endowment of the Middlesex Mice Nursery begun in 1938.

We greatly regret to have to record the resignation of Mrs. H. E. A. Boldero, who has given her time and interest unsparingly to the Ladies' Association for the past ten years, first as Honorary Secretary and subsequently as Honorary Treasurer.

Mrs. Max Freeman has kindly consented to accept the appointment of Honorary Treasurer.

To Lady Wraxall, Chairman of the Ladies' Association, Mrs. D. H. Patey its Honorary Secretary, and to all the ladies who give so enthusiastically and ungrudgingly of their time to the service of the Hospital we offer our warmest thanks. We are indeed fortunate in having the support of such friends.

British Empire Cancer Campaign.

We would again like to thank the British Empire Cancer Campaign for their grant of £8,000 towards Cancer Research. This grant is of the utmost value to our Scientific Departments in their important work and is most gratefully acknowledged.

The All Help League.

During the first eight months of 1939 the League showed every prospect of having an exceptionally remunerative year. This hope met with a sharp setback when the war prevented its usual activities — Autumn Bazaar, Crusaders' Party, etc. Nevertheless it was most encouraging that Members continued to send their subscriptions although many were compelled to reduce their contributions. In spite of this at the close of the year the subscriptions and box collections realised the astonishing result of an increased income of £1,337 3s. 6d.

In 1938 the League formed a subsidiary fund to provide the wards and other departments with any needed equipment. For this purpose in 1939 the League raised an additional £308 18s. 1d., which was the means of providing the Stafford Bourne Theatre with stainless steel equipment and several wards with new bed-

steads, comfortable chairs, serving trays, dressing trolleys and chairs for visitors. Many members of the Board have been impressed by the success which the League have attained in this direction, especially members of the Finance Committee, as the expenditure on each individual gift comes directly and inevitably to their notice.

The League reflects the wonderful appreciation of the Hospital's patients. Such practical expressions of gratitude are of greater consequence even than the value of the gifts.

Our warmest thanks are due to the Chairman, Mr. F. F. Taylor, the Committee and every active member of the League.

SERVICE, APPEALS AND FUNCTIONS.

The decoration of the Hospital Chapel made possible by numerous generous gifts, was completed by the end of 1938 and the Chapel was re-dedicated by the Archbishop of Canterbury at the beginning of the year. Sir Alfred Webb-Johnson has generously promised to defray the cost of piercing two additional windows in the Chapel and it has been decided that stained glass shall be provided for one of these windows as a memorial to our late Chairman, H.R.H. Prince Arthur of Connaught.

Under the auspices of the Times Amateur Boxing Association and the Dressmakers' Association a most successful boxing tournament was held at the Stadium Club in aid of the Dressmakers' Ward. Thanks to the untiring efforts of Mr. W. Lints Smith, Mr. F. Wagstaff and Mr. G. Cripps and to the support of a most generous Committee the sum of £560 11s. 11d. was raised.

In connection with this Tournament, beds were dedicated in the Dressmakers' Ward in the names of F. Wagstaff, Harry G. Massey, D. H. Evans & Co., and Messrs. Dickins & Jones.

Our good friends of the Middlesex County Rugby Football Union again devoted 80% of the proceeds of the Seven-a-Side

Tournament to the Hospital Cancer Fund, which received £1,539 2s. 4d. We wish to thank them most sincerely for their continued and most generous support.

The Bond Street Association held a two-day Sale at the Building Centre in Bond Street in aid of their Ward. The sum of £905 8s. 1d. was raised and our sincere thanks are due to Mr. G Dines, the President, and to all the members of the Association, not only for this splendid contribution but also for the personal interest they take throughout the year in the patients in their Ward.

In the summer, Mr. Leslie Woodgate, the B.B.C. Choral Society, the Men's Chorus and a Students' orchestra from the Royal Academy of Music (by kind permission of the Principal) gave another delightful concert in the Hospital Garden to a large and appreciative audience. A collection was taken amounting to £86 16s. 6d.

Mrs. de Paula's able organisation of the Combined Hospitals' Flag Day produced a gross total of £876 4s. 7d., of which the Hospital received £774 16s. This was a record amount and we congratulate Mrs. de Paula on her success.

Alexandra Rose Day, too, was directed by Mrs. de Paula with the same ability. The total received by the Hospital was £650.

Red Cross Flag Day was held in place of the Special Hospitals' Day and the Hospital took part in it only after very short notice and under somewhat difficult circumstances. Again, thanks to Mrs. de Paula, who rejoices in difficulties, the most satisfactory sum of £163 8s. 6d. was collected, of which the Hospital received 25%.

Also through Mrs. de Paula the sum of £57 19s. 9d. was received anonymously. Mrs. de Paula was therefore instrumental in collecting £1,523 12s. 10d. for the Hospital, and our warmest thanks are due to her for this great achievement.

It was most unfortunate that the Autumn Ball, arrangements for which were well advanced under Mrs. de Paula's chairmanship, had to be abandoned owing to the War, as did the All Help League Bazaar and the Students' Annual Variety Concert.

1939 inevitably shows a reduction in the amount collected by the Alms Box Department. For the last four months of the year, boxes inside the Hospital yielded but a fraction of their normal takings, while outside boxes also dropped considerably. The sale of Help Yourself Annuals was undertaken in difficult circumstances. Many institutions, indeed, found themselves unable to take part in the scheme at all, with the result that the Society could only return to the Hospital a much smaller proportion of the selling price than usual. In spite of all these difficulties the amount collected by this department from all sources was £1,297 9s. 7d.

Our thanks are again due to those friends of Miss Fanny Marriage, who continue to contribute to the bed which bears her name. This year the sum received was £36 7s. 10d.

HONOURS, APPOINTMENTS, ETC.

The Board has been strengthened by the election as a member of Mr. W. Lints Smith, an old friend of the Hospital, which will greatly benefit from his wise counsels.

The University of London has conferred the degree of Doctor of Literature (*Honoris Causa*) on Major the Hon. J. J. Astor, M.P.

Mr. R. Beddington's eminent career of public service was rewarded by the honour of C.B.E. in the birthday honours. We congratulate him most sincerely on this well merited recognition of his work.

Dr. L. E. H. Whitby (now Col. Whitby of the Army Blood Transfusion Unit, R.A.M.C.) has been awarded the John Hunter Medal and Triennial Prize of the Royal College of Surgeons of England for his important work on the new chemical remedy for

pneumonia and other diseases, known as "M. & B. 693." The Hospital is very proud of this honour for a member of the staff and it is a source of great gratification that the research work concerned in the production of this most important advance in treatment should have been carried out within its walls.

It is with the most profound regret that we record the deaths of Mr. W. Hern, Consulting Dental Surgeon, Mr. H. Charles, Consulting Anæsthetist, Dr. H. Campbell Thomson, Consulting Physician, and Mr. A. T. Pitts, Dental Surgeon. We wish to offer our most profound sympathy to the families of these distinguished figures in the medical profession, who were also the devoted friends of this Hospital.

We welcome to the Honorary Staff Mr. J. W. Schofield and Mr. D. Greer Walker, who have been appointed Assistant Dental Surgeons, and Dr. F. W. Roberts who has been appointed Anæsthetist.

The Rev. L. Yorke resigned the appointment of Chaplain to the Hospital early in the year and was succeeded by the Rev. Austin Lee, who, however, also resigned shortly after the outbreak of war. The Board have gratefully accepted the offer of the Rev. W. E. Cargill, Honorary Assistant Chaplain, to make himself responsible for the duties of the Chaplain during the war.

J. J. ASTOR,

Chairman.

Teaching in War Time.

For the whole year under review the work of the School was conducted under the shadow of a National Emergency. Our aim has been to carry on with our work as if no crisis existed, but at the same time to make in advance such detailed and organised arrangements as may be possible for the continuation of the teaching of this Medical School in time of War.

The Government's plan for the treatment of casualties divides London and an area of some 40 miles round it into Sectors and places considerable responsibilities on the Undergraduate Teaching Hospitals in each group. This arrangement has advantage as regards teaching of the clinical period of the curriculum, for Middlesex Physicians and Surgeons are attached to the various Hospitals in Sector No. 5 between here and Aylesbury. Although most of our students are at Middlesex some can go, in many instances with their own Teachers, to the Hospitals in our Sector.

The pre-clinical students with their own Teachers went to Bristol in September, and have now returned to London.

Death of H.R.H. Prince Arthur of Connaught.

All of us connected with the Hospital and School have felt deeply the death of our late Chairman, Prince Arthur of Connaught. That which he accomplished for the Hospital has been recorded elsewhere. To many, no written nor spoken record is needed ; for his personality is alive in our affections and all that he did for us is engraved in our memories.

Death of Mr. S. G. Asher.

It is with regret that I record the death of Mr. S. G. Asher. From the time he joined the Board in 1910 he was actively associated with the interests of the School ; for he was one of the Barnato-Joel Trustees, to whom, among other benefits, we are indebted for the present Laboratories which bear their names. In 1921 Mr. Asher became Chairman of the School Council and presided at its meetings for eight successful years. By his death the School has lost a good adviser and a great friend. In his Will he endowed a Scholarship which enables the Council to appoint annually an " Asher Scholar in Anatomy."

Death of Mr. William Hern.

As long ago as 1878 there entered the School, among other students, John Bland-Sutton, Essex Wynter and William Hern. All three subsequently served together on the Staff. William Hern

died on June 9th this year and thus completed 61 years of association with his own school. Among much that he accomplished for Dental Surgery, perhaps his work during the War on jaw injuries stands out most clearly. He did this work with Mr. Somerville Hastings at the 3rd London General Hospital. Everyone who knew him both respected his work and admired his attractive personality.

Death of Hockley, School Porter.

The School has lost a faithful servant, for "Old Hockley," as he was affectionally called, died suddenly while carrying out his usual duties of School Porter, which he has done so well for the last 25 years.

Major The Hon. J. J. Astor, elected Chairman.

At a meeting of the Court of Governors the School shared with the Hospital the pleasure we all felt when Major The Hon. J. J. Astor was elected Chairman. Major Astor already had considerable knowledge of the School, and as far back as 1921 he endowed our Chair of Physiology. He has given unstintingly of his time to familiarizing himself with the many facets of our School life as well as making personal touch with individuals. We have absolute confidence in his Leadership and count ourselves fortunate that he is our Chairman. The University of London has honoured Major Astor by conferring upon him the Degree of Doctor of Literature (honoris causa).

Retirement of Dr. Charles Porter.

Dr. Charles Porter has retired under the age ruling from the post of Medical Officer of Health, St. Marylebone. We desire to thank him for all that he has done for both the Hospital and School, and hope that he will have good health so that he may enjoy his retirement. He has been succeeded by an old Middlesex student, Dr. H. A. Bulman. We value the co-operation and friendly relations which exist with the St. Marylebone Borough Council and we welcome this new appointment for it will perpetuate and, we trust, enhance this desirable association.

Distinctions and Honours.

It has become almost traditional that this report should contain at least a mention of the distinctions and honours won by Middlesex men. But the difficulty of accomplishing this in a limited space is very great; for example, during only the last twelve months, nine of our younger men have been appointed to the staffs of other Hospitals. One example stands out:—there were two vacancies on the Honorary Staff advertised at the Hospital for Consumption, Brompton, and Dr. Lee Lander was appointed to one and Dr. J. G. Scadding to the other.

The Syme Memorial Oration was delivered in Melbourne this year by Sir Alfred Webb-Johnson, who combined this journey with a comprehensive inspection and report to the Royal Colleges on the Medical Schools and Hospitals in Egypt and the Sudan. We wish to congratulate him on being made an Honorary Fellow of the Royal Australasian College of Surgeons.

For 1939, the Harveian Orator at the Royal College of Physicians and the Hunterian Orator at the Royal College of Surgeons are both Middlesex men; namely Dr. R. A. Young and Mr. Sampson Handley. I cannot refrain from mentioning—for it might not happen again for a generation or so—that two out of the four Censors at the Royal College of Physicians are Dr. C. E. Lakin and Dr. G. E. Beaumont.

This year more than an average share of Academic successes have come to this School—for among our men, five have obtained their Doctorate of Medecine, five their Fellowship of the Royal College of Surgeons and seven their Membership of the Royal College of Physicians. The undergraduate success that gives us great pleasure and some pride is that Mr. R. S. Lawrie was awarded the Gold Medal in the Examination for the M.B., B.S., in the University of London this summer, thereby proving himself to be the best candidate from all the Teaching Schools in London. We wish to congratulate Mr. Lawrie and wish him further successes in his future career.

An honour which has given widespread satisfaction is the Honorary Degree of Doctor of Civil and Canon Law conferred on Professor James McIntosh. We congratulate him and the University of Aberdeen, and feel that no comment can be more forceful in praise of this award than the fact that it was his own University that determined to do him this honour.

It must be very unusual for a Dean to be in a position to report three Honorary Degrees. The third is the Mastership of Dental Surgery conferred by the University of Durham on Mr. A. T. Pitts. His Majesty the King has created Surgeon Vice-Admiral Percival Nicholls a Knight Commander of the Bath; and Mr. Reginald Beddington a Commander of the Order of the British Empire and Mr. C. P. Wilson a Commander of the Royal Victorian Order.

Research.

I believe that it would be widely accepted if I said that the Middlesex is a School that has done, and is doing, all that it can to foster Research work. We could not however afford as many facilities to this side of our work if it were not for the generous support that we receive from several sources; such as the Medical Research Council, the British Empire Cancer Campaign, the Royal Society, the Sir Halley Stewart Trust, the Leverhulme Trustees and other Bodies.

This is not the place to report on results of scientific work but it is permissible to say that this has been a remarkable year because of the publication of striking Research work both from the Bland-Sutton Institute of Pathology, under the leadership of Professor McIntosh on the subject of M. & B. 693; and from the Courtauld Institute of Biochemistry under the direction of Professor Dodds of Stilboestrol.

Gifts.

Such results are undoubtedly an encouragement to these Bodies to give us further support. We acknowledge with gratitude a donation of £500 with which to support Research work in

Physiotherapy. The donor wishes to remain anonymous and we therefore must be content to thank him through Dr. Frank Howitt. The Duke of Bedford has given the School £4,000 to form an Endowment for a post-graduate Scholarship in Medical Radiology. This gift was made through Professor Russ and will help to support another research worker in his Department.

New Buildings.

In the closing sentences of my report last year I spoke of the new Block of School Buildings, which had then just been commenced. To-day the building is completed and occupied. This added accommodation is of great advantage to the School, the more so when it is remembered that no increase in the number of students will occur; for the School Council is determined not to allow overcrowding.

I have just spoken of the support we receive for Research work; I could wish that equal financial support was forthcoming for these new buildings; it is true that the University of London have made us a grant of £5,500 and a generous gift has been received from the Tulk family, and we are also very grateful for the Harding Bequest. But the remainder, we shall have to borrow. The result is that this School will have a rebuilding debt for the first time in its History.

H. E. A. BOLDERO,

Dean of the Medical School,

Middlesex Hospital, W.1.

We have examined the above Balance Sheet dated 31st December, 1939. with the books and vouchers of the Hospital and have found them to be in agreement therewith. We report that to the best of our knowledge and belief the regulations of the Revised Uniform System of Hospital Accounts have been followed. During the year we inspected the documents of title in respect of the freehold and leasehold land and buildings, and have had produced to us certificates from bankers and others verifying the investments and the balances with bankers at the date of the Balance Sheet.
