# REPORT

FOR THE YEAR ENDED 31st DECEMBER, 1947.

It is with pleasure, but nevertheless with a feeling of regret, that the Board of Management present what is expected to be the last Annual Report of the work and progress of the hospital under the long established Voluntary Hospital System.

On July 5th, 1948, the voluntary hospitals will be merged in the National Health Service, and from that date all civil hospitals will be the responsibility of the Minister of Health.

The Annual Reports of the last few years have drawn attention to the difficulties, arising mainly from the shortage of staff, with which the Board have been confronted. Unfortunately, 1947 was no exception, and hospitals continue to suffer, no less than all other employers of labour, from the aftermath of war. As we draw further away from an international conflict and approach a new era in the health services of the country, it is hoped that under a co-ordinated hospital system ways and means will be found to improve the staff situation.

## FINANCE—ORDINARY INCOME.

It is highly gratifying to be able to report a very satisfactory increase in the income for the year of £3,000. The Contributory Scheme grant is greater by £1,700. Receipts on Account of Services to Patients are £1,500 higher, whilst the Keighley Gala Committee contributed £525 more than in 1946. Unfortunately, voluntary gifts in general show substantial decreases. The total income was £41,413 18s. 9d., compared with £38,370 16s. 0d. for the previous year.

## EXPENDITURE.

As was anticipated, the year's expenditure shows a very large increase. Practically every item is included, salaries and wages again being the chief factor, with provisions, drugs, X-Ray equipment, fuel and lighting, also disclosing substantial increases.

Approximately £3,000 has been expended during the past year in the installation of new equipment in the X-Ray Department and modernising the Department generally, whilst re-decoration of the Nurses' Home and various parts of the hospital involved £1,850. Efforts have also been made to renew certain furniture and equipment which, but for the war, would have been replaced during recent years. To help meet this extraordinary expenditure, £4,500 has been transferred from Reserve Funds.

The expenditure for the year totalled £56,432 16s. 3d., compared with £44,022 18s. 2d. for 1946, an increase of £12,409 18s. 1d., or 28 per cent.

## HONORARY MEDICAL STAFF.

It is with sincere regret that two resignations from the Active Medical Staff have to be recorded.

Mr. B. A. Slocombe, Honorary Surgeon. Mr. Slocombe joined the staff as an Assistant Surgeon in 1925 and in 1940 was elected Honorary Surgeon. At all times Mr. Slocombe gave generously of his time and skill on behalf of the patients, and in addition to his professional duties, took a lively interest in the administration of the hospital.

Mr. R. M. Hill, Assistant Surgeon, from 1934, resigned from the staff on leaving the district to take up an important appointment in Carlisle. Mr. Hill devoted himself with enthusiasm to his hospital duties and his departure is a loss, not only to the hospital, but to the district.

The Board deplore the loss of the services of these two gentlemen, but it is gratifying that their association with the hospital is not entirely severed, as the Board, as a token of esteem, and in recognition of their work, elected Mr. Slocombe and Mr. Hill members of the Honorary Consulting Staff.

A cordial welcome is extended to the following new members of the staff:—

Honorary Physician—Dr. G. R. Wightman, M.B., Ch.B. (Edin.).  
Radiologist—Dr. B. S. Mannheimer, M.D. (Prague), D.M.R. (Eng.).

Assistant Surgeon for Diseases of the Ear, Nose and Throat—Mr. O. C. Lord, M.B., Ch.M., F.R.C.S., D.L.O.

Mr. A. Barr, Assistant Surgeon, has been appointed Medical Officer in charge of Fracture Cases.

Mr. J. J. Platt, Honorary Dental Surgeon, is welcomed on his return from service with H.M. Forces. The Board would like to express their thanks to Mr. E. W. Wright, for kindly undertaking Mr. Platt's duties during his absence.

#### NURSING STAFF.

As mentioned earlier in the report, the major concern of the Board of Management has been the shortage of nurses, both trained staff and students. Twenty-four beds have remained closed throughout the year, with the unfortunate result that the hospital was deprived of its status as a Complete Training School for Nurses, which, under the rules of the General Nursing Council, requires a daily average of not less than 100 in-patients.

However, with the co-operation of the Board of Management of the Bingley Hospital, which lost its status as an Affiliated Training School, the Keighley & Bingley Hospitals Training School for Nurses was established. Together, the two hospitals form a complete Training School for Nurses, students spending a part of the three years' course of training at each of the hospitals. The Board of Management would like to place on record their appreciation of the helpful attitude of the Royal Halifax Infirmary in agreeing to accept the increased number of students into their Preliminary Training School.

Once again it is the desire of the Board of Management to publicly acknowledge the magnificent and unselfish work of the nursing staff. Members of the nursing profession possess, in a marked degree, a deep sense of their responsibilities. At all times they give of their utmost, and the "laying down of tools" as the clock strikes is unknown to them. No section of the community is more deserving of praise and gratitude.

During the year, invaluable assistance has been given by members of the St. John Ambulance Brigade and other trained and assistant nurses resident in the district in full and part-time work, many of whom give their services voluntarily. To these also, the Board of Management wish to pay tribute for their continued aid, often at great personal sacrifice. It is hoped they will continue to give as much of their time in 1948 as in 1947.

The thanks of the Board are due to the following members of the Medical Staff for kindly undertaking the duties of lecturers to the Student Nurses:—

Dr. G. R. Wightman—Medicine.

Dr. J. M. Fraser, Resident Medical Officer, Bingley Hospital—Anatomy and Physiology.

Mr. A. Barr—Surgery.

Mr. R. M. Hill—Gynaecology.

Dr. M. Kuttner, Resident Anaesthetist—Diseases of the Ear, Nose and Throat.

Mr. H. C. Black—Diseases of the Eye.

### State Examination Results.

Preliminary Examination—7 new entrants—6 passed, 1 failed.

Final Examination—5 new entrants—4 passed, 1 failed.

### THE DR. J. NICHOLSON DOBIE MEMORIAL NURSES' PRIZE FUND.

The Third Annual Distribution of Prizes took place on September 15th, 1947, when Miss L. G. Duff Grant, R.R.C., D.N., Lady Superintendent of Nurses of the Manchester Royal Infirmary, made the presentations, with His Worship the Mayor (Councillor A. W. Tack, J.P.), President of the Hospital, in the chair.

Miss Duff Grant gave a most inspiring address, and the function was well attended by members of the staff and friends.

Prize Winners:—Misses C. M. Richardson (Silver Medalist), M. Hare, M. T. McCargo, S. Bray, and M. Dargue.

### MISS MARY BELL.

Following the distribution of prizes, presentations of gifts subscribed for by the public, members of the Board of Management and staffs, were made to Miss Bell, on her leaving the hospital after 31 years' devoted service. Many tributes were paid to Miss Bell for her excellent work.

### AT 31st DECEMBER THE NURSING STAFF WAS AS FOLLOWS:

Matron (Miss Smeeton); Assistant Matron-Sister Tutor (Miss Grunwell); Deputy Assistant Matron (Miss Wood); Night Sisters (Miss Snowden and Miss Shepherd); Radiographers (Miss Houston, Miss Tordoff and Mrs. Mahoney); Physiotherapists (Miss Claridge and Miss Butterfield); 6 Sisters; 4 Staff Nurses and 28 Student Nurses, one Male Assistant Nurse; and a number of volunteer and salaried full and part-time Nurses and Assistant Nurses. (Sisters should number 8, Staff Nurses 12 and Student Nurses 40).

### DOMESTIC STAFF.

It gives a measure of satisfaction to report that the Domestic Staff situation improved during the year. This was due chiefly to the engagement of a number of European Volunteer workers. All but two or three resident posts are now filled.

With the view to improving the catering service in the hospital, efforts were made during the year to obtain a Kitchen Supervisor/Dietitian, but unfortunately without success.

Staff at 31st December:—

Male Staff—Boilerman; Theatre, Hall and Night Porters; and three Handymen.

Female Staff—Housekeeper (Miss Preston); Cook; Seamstress; 19 Resident Maids; Resident Laundress and 4 Laundry Workers; and 20 full and part-time Daily Workers.

### AMBULANCE SERVICE.

On the 31st August the hospital Ambulance was transferred to the West Riding County Council, which now operates a free service throughout the County Area.

### HOSPITAL LIBRARY.

Mrs. B. P. Matthews, the Honorary Librarian, with the kind assistance of Mrs. Briggs, Mrs. Balme, Mrs. Booth, Mrs. Gibson,

Mrs. Pryce, and Mrs. Fell, continued the benevolent work of distributing books to the patients and staff. This service entails a considerable amount of labour in cataloguing gifts and recording issues and returns. 1,400 books were circulated during the year. Patients greatly appreciate a regular supply of books during their stay in hospital, and the Board feel sure that they would wish to be associated with the Board's expression of gratitude to Mrs. Matthews and her friends.

Many welcome gifts of books have been received, but there is still a demand for "Westerns" and "thrillers."

#### LINEN GUILD, EGG COLLECTION, "POUND DAY."

Whilst each of these efforts shows a decrease compared with the previous year, nevertheless, in view of the abnormal conditions, the results cannot be considered other than highly satisfactory. The Ladies' Committee are deserving of the gratitude of the Board of Management for so kindly organising these efforts, and cordial thanks are also extended to all district organisers, collectors and contributors for their co-operation and liberal support.

The figures for 1947 and 1946 are as follows:—

1947	Linen Guild ...	Gifts	34	Cash	£137	9	0
1946		Gifts	44	Cash	£154	6	6
1947	Egg Collection	Eggs	3,741	Cash	£33	15	6
1946		Eggs	3,760	Cash	£22	7	4
1947	"Pound" Day	Gifts	315	Cash	£19	3	5
1946		Gifts	756	Cash	£14	14	0

#### FRIENDLY SOCIETIES' GALA COMMITTEE.

The Committee have surpassed the previous record of £1,600 by making the handsome grant of £1,625, for which the Board are more than grateful. The total amount handed to the hospital since 1877 is £34,373.

The organisation is a striking example of co-operation and voluntary effort in aid of a good cause and the annual procession and gala are most popular, and have attained an unique position in the life of the people of the district. As a one-day effort it has no equal over a wide field, and the Committee have earned the admiration of the public.

To all concerned, the Board desire to express their sincere appreciation of the outstanding financial assistance given to the hospital since 1877, and to congratulate them on such a fine achievement. It is hoped that with such a long history of worthy endeavour that the Gala Committee will continue to function for many years to come.

#### CONTRIBUTORY SCHEME OF THE WORKPEOPLE'S COLLECTION COMMITTEE.

In its last complete year of supporting the hospital, another record has been made by the Contributory Scheme in producing the admirable sum of £22,518 12s. 4d., representing approximately 55 per cent. of the total ordinary income for the year. This is greater than the previous year by £1,681 14s. 2d.

Due to excellent organisation, the credit for which is due to the Committee and the Secretaries, the Scheme has proved of immense

benefit to the hospital. For instance, to take only the last ten years, grants have totalled the remarkable sum of £154,000.

The thousands of contributors are deserving of the highest praise for their sustained support of the scheme, as well as those employers who so generously supplement their workpeople's contributions.

It is an unfortunate feature of the National Health Service that Contributory Schemes in their present form will no longer be necessary.

The Board of Management wish to place on record their appreciation of the co-operation and consistent and generous support which they have always received from all those connected with the scheme.

#### HOUSE-TO-HOUSE COLLECTION.

Forthcoming legislation appears to have affected this collection, although the decrease is not as great as might be expected. The collection realised £518 16s. 11d., a decrease of £88 18s. 11d., but allowance should be made for the Steeton Collection, which was undertaken by the Silsden Fete and Gala Committee, and which in 1946 produced £28 5s. 8d.

The Board are greatly indebted to the Committee, the District Organisers, and all the generous contributors, for their noteworthy assistance.

#### CHRISTMAS.

Matron's Christmas Fund Appeal again received most liberal support, and in consequence the patients and staff had a most enjoyable Festive Season. Every patient and member of staff received a present from the Fund, whilst the patients also received most acceptable gifts from the Workpeople's Collection Committee. His Worship the Mayor and the Mayoress (Councillor J. H. Wright, J.P., and Mrs. Wright) visited the hospital and made a tour of all the wards. The many thoughtful donors are assured of the gratitude of the Board, patients and staff.

#### GIFTS OF EQUIPMENT.

The following benefactors are graciously thanked for the under-noted gifts.

Three Self-propelled Patients' Wheel Chairs—The Workpeople's Collection Committee.

Six Reading Lamps for Private Maternity Unit—The Inner Wheel Club of Keighley.

#### BOARD OF MANAGEMENT.

The loss by death of two members of the Board is recorded with profound regret.

Mr. J. H. Haigh, a member since 1926, Chairman of the Buildings Committee for seven years and a Trustee from 1943. He was a most enthusiastic and indefatigable worker for the hospital, and took an exceptionally keen interest in the administration. It is, however, for his work in connection with the Contributory Scheme for which, perhaps, he will best be remembered. For many years he was a member of the Workpeople's Collection Committee and Chairman for 13 years, and it was during his term of office that the Contributory Scheme reached the important position it occupies to-day.

Mr. M. Wellock, a representative of the Workpeople's Collection Committee from 1945 to the date of his death. Although his association with the hospital was comparatively short, yet he displayed in that time a sincere desire to be of service and was of great assistance in connection with various efforts and collections.

The following members resigned their membership of the Board during the year, and the opportunity is taken to again acknowledge their valuable work.

Mrs. J. Stocks, J.P.	Elected 1940
Mr. J. W. Threapleton	Elected 1932
Major J. T. Bairstow	Elected 1932
Mr. A. O. Keenan	Elected 1938

For their inestimable services to the hospital the thanks and gratitude of the Board of Management are due to many, especially to the undermentioned.

The Honorary Medical Staff, for their selfless and unremitting labours for the patients and their invaluable co-operation in the work of the hospital.

The Resident Medical Officers, the Matron, Assistant Matron, and each and every member of the Nursing, Domestic and Male Staffs, for their careful and devoted attention to their highly important duties.

The Ministers of Religion for their zealous regard for the welfare of the patients.

The Local Press and Constabulary, for help and co-operation in many directions.

The members of the St. John Ambulance Brigade and many others who carry out nursing duties, the Hospital Car Service and countless friends who contribute their time to the hospital.

## CONCLUSION.

In six months' time the present Management will transfer their responsibilities to the new Regional Hospital Board set up under the National Health Service.

An entirely new system of control of voluntary hospitals will arise, and Boards of Management will cease to have the conduct and development of their hospitals which they have exercised for generations past.

It is in the voluntary hospitals where there has been for centuries a freedom from irksome controls, opportunities for development and research and where great progress has been made in medical and surgical practice and in the training of members of the medical and nursing professions.

Admittedly there has been some lack of co-operation between the respective hospital authorities, and some co-ordination of the hospital services of the country was overdue, but it is possible that over-centralisation will not result in the increased efficiency which everyone hopes for.

The Leeds Regional Hospital Board, which covers the greater part of Yorkshire, has been functioning for some months. The Local Hospital Management Committee, which will include, Bingley, Keighley and Skipton, and surrounding districts, will be appointed shortly. This Committee will be responsible to the Regional Board for all the hospitals in the area, but it is expected that each hospital will have its own small House Committee for dealing with everyday domestic matters.

No longer will there be that close contact with the public through the Workpeople's Collection Committee, the elected representatives of subscribers and donors, and representatives of the Gala Committee and other societies and organisations. Local control of hospitals will largely disappear, and with it that personal interest which has always been a feature of the hospital system of the country.

Nevertheless, the Board of Management extend a warm welcome to the National Health Service, and hope that it will, in due course, provide the country with a service comparable to that of any country in the world.

Until the new service is actually operating, the Board appeal to all friends and supporters to continue to give their maximum assistance to the hospital.
