Report of the Board of Management 1946.

TO THE GOVERNORS,

The Board of Management has pleasure in submitting to the Governors the One hundred and Fifteenth Annual Report of the Infirmary.

With the return to full duty of all Honorary Officers from Service with the Forces and the relaxing of restrictions on the number of Resident Medical Officers which could be employed, it was hoped that the past year would have presented a picture of your Hospital re-settling to a more normal state of affairs. The Board's enthusiasm to achieve a rehabilitation of service has, however, found frustration in the continuation and even extension of the many War-time restrictions. The acute shortage of Nurses, so evident all over the country, is presenting an obstacle which, despite major efforts on all sides, has proved unsurmountable. Domestic Staff has shewn little improvement, but it is hoped that the importing of Foreign labour may alleviate, to some extent, the position.

The growing waiting list has been and still is a matter for concern, but the Governors may be assured that the Board will relax no effort in its endeavour to prevent undue hardship.

The Specialist services of the Out-patient Department have been extended during the year by the establishment of a clinic for the medical diseases of children. This very necessary addition to the service is under the charge of Doctor J. W. Hirst and Doctor A. M. Affleck.

Mr. A. Latimer Walker, who had been so closely associated with the Hospital since 1919 retired in August and your Board has placed on record its grateful thanks for Mr. Walker's staunch help over so long a period. Resignations have been received from Mr. E. S. Bolton, Honorary Assistant Surgeon, who has left the district, Doctor G. S.

Broadbent, Honorary Anaesthetist and Doctor J. F. Smyth, Temporary Honorary Anaesthetist, and the Board has also placed on record its appreciation of the services these gentlemen have rendered. Doctor G. Crompton and Doctor G. H. A. Graetz, have been appointed Honorary Anaesthetists.

The temporary appointments held by Doctor A. J. E. Barlow and Mr. M. L. Kennedy in the Offices of Honorary Dermatologist and Honorary Urologist, respectively, have been made permanent posts by the Elective Committee.

The Board wishes to place on record its thanks to the Huddersfield Law Society for the help given in dealing with difficult cases under the Road Traffic Act and to the Clergy, Ministers and Choirs, who have continued to organise the Sunday services in the Wards.

The Board records with regret the loss, through death, of Mr. F. I. Butterworth, who had been associated with the work of the Infirmary for so many years.

WORK OF THE YEAR.

The number of patients treated in all Departments of the Infirmary was 38,749, an increase of 4,043 over the figure for 1945. In-patients totalled 4,677 and Out-patients 34,072. The number of beds equipped was 302, but of these an average of 292 was available owing to closing of Wards for infectious diseases, etc. The average number of beds occupied daily was 225.81 and the average number of days each patient was resident was 17.62. Deaths occurring from all causes during the year totalled 241, but of this number, 71 took place within 48 hours of admission. The percentage of deaths to the total number of In-patients was 5.15, but deducting those deaths occurring within 48 hours, the percentage was reduced to 3.63.

Work in the Physiotherapy Department shewed a marked increase. 113,209 treatments were given compared with 91,889 during the previous year. The number of patients totalled 3,868 and the attendances were 85,683. In the X-Ray Department 11,957 X-Ray examinations were made involving the use of 29,880 films and 2,152 barium and other special investigations. In the Therapy Department 708 patients made 3,293 attendances and 7,254 treatments were given. In the Pathological Department the total number of specimens examined was 20,106 and the Pathologist conducted 85 Post Mortem examinations. In addition he examined 3,494 specimens for the Dewsbury and

District General Infirmary and 1,091 for the Batley General Hospital under the arrangement with these Hospitals.

The following figures relate to cases admitted as a result of motor accidents :—

| | 1946 | 1945 |
|------------------------------------|-------|-------|
| Number of Motor Accident Cases | 199 | 145 |
| Cost of Treatment | £1697 | £1102 |
| Received towards cost of Treatment | £249 | £495 |

Of the total receipts £215 was the amount received from Insurance Companies during the year.

FINANCIAL.

Income.

The total income was £64,043 7s. 7d. as compared with £69,296 4s. 4d. for the previous year. The reduction is very largely due to the expected decrease in the amount received from the Ministry of Health under the Government Emergency Hospital Service scheme. Income from voluntary sources shews marked steadiness and your Board is gratified that such support continues during what must be the penultimate year prior to Nationalisation. The total of £25,920 received from the Management Committee of the Contributory Scheme during the year is £20 more than for the previous year, but includes £1,000 which was formerly paid direct to the Hospital. A net reduction of £980 from the Scheme is thus shewn. The Management Committee of the Scheme is to be congratulated on its work during this difficult transitional period.

Grateful thanks must be expressed for legacies and special gifts credited during the year :—

Expenditure.

The total expenditure for the year amounting to £95,458 18s. 11d. exceeded the 1945 figure of £71,557 4s. 6d. by £23,901 14s. 5d. and exceeded the total income by £31,415 11s. 4d. It was anticipated that higher expenditure would be incurred under most headings and particularly in salaries and wages where the putting into effect of National scales has resulted in £11,181 8s. 4d. greater expenditure, but against this increase must be off-set the State Grant amounting to £2,122. Extraordinary expenditure includes £1,045 7s. 8d. for the installation of Automatic Stokers and £4,255 1s. 0d. allocation to the Honorary Staff Fund. This allocation follows the Board's decision in the early part of the year to make transfers to such a Fund.

Building and Extension Fund.

The debt to the General Purposes Fund has been reduced during the year by £2,037 12s. 1d. leaving £6,385 13s. 4d. outstanding.

Private Patients' Department.

The following table shews briefly the work of the Department.

| | |
|---|-------|
| No. of available beds..... | 19 |
| Average number of patients resident daily | 15.3 |
| Number of patients at the beginning of the year | 9 |
| Number of admissions during the year | 463 |
| Number of patients remaining at the end of the year | 13 |
| Average number of days each patient was resident | 12.19 |
| Total number of operations performed | 308 |

THE LADIES' COMMITTEE.

The congratulations of your Board are again due and are unstintingly given to the ladies who continue, year by year, to work with great enthusiasm on behalf of the patients. The articles supplied totalled 480 garments for the patients. These were greatly appreciated as is the Library service which is so popular in the Wards.

THE NURSING STAFF.

In the Preliminary State Examination for 1946, 21 Nurses entered and 20 passed. 36 Nurses entered the Final State Examination and 32 passed. In the Senior Hospital examination 28 entered and all passed and in the Junior examination the same high standard existed when 20 entered with success.

Medals for general efficiency following the Final Hospital examination were as follows:—

| | |
|------------------------|---------------------|
| Gold Medallist | Nurse M. L. Gittins |
| Silver Medallist | Nurse M. Ellison |
| Bronze Medallist | Nurse B. Harrison |

Senior Student B. Shaw was awarded the Book Prize. The Special Prizes given by the Honorary Medical Staff for the best practical Nurses were awarded as follows:—

| | | | |
|--------------|------|------|-----------------------------|
| Senior Prize | | | Nurse M. F. Davidson |
| Junior Prize | | | Senior Student E. M. Norman |

During the year 32 Pupils were admitted to the Preliminary Training School of whom 19 passed forward to take up their duties in the Wards.

The Nurses have continued to pursue their spare-time activities of which handicrafts have formed a major attraction. In connection with the local branch of the College of Nursing, a Study Day was organised and a most successful event resulted. Members of the Honorary Medical Staff were kind enough to give lectures on interesting technical matters which included Doctor A. J. E. Barlow's address on Skin Conditions and a paper on Anaesthesia by Doctor E. J. Pye-Smith.

A series of picnics at Whitley Beaumont were greatly enjoyed despite uncertain weather conditions.

The Ward and Departmental Sisters' Conference held in London in connection with the Royal College of Nursing, was attended by three Sisters and two Student Nurses from the Hospital. A special feature of the conference was the celebration of the coming of age of the Student Nurses' Group.

THE BOARD.

The following members of the Board retire in accordance with the Rules and the Board records its sincere thanks for the work which has been performed by those members on behalf of the Infirmary :—

Mrs. Raffan, Messrs. H. G. Cran, W. Pape, H. Rodgers,
D. Shires and E. Sudworth.

The best thanks of the Board are accorded to the Honorary Medical Staff, the Nursing Staff and the General Staff for the way they have so ably assisted in the administration of the Hospital.

ALMONER'S REPORT, 1946.

During 1946 the Almoner's Office has once again acted as liaison between the medical staff and patients. It is now an accepted fact that the Almoner is the third member of the medical team and that the skill and care of the doctor and nurse, the other two members, are of little use if the patient cannot carry out the treatment. It is the Almoner's task to help the patient to follow the doctor's recommendations and to help to straighten out the difficulties, financial or otherwise, which stand in the way.

It is not always easy to assess the amount of help which the Almoner gives, but an unsentimental viewpoint on a problem can often put it in its correct perspective, and difficulties which seem unsurmountable can shrink considerably if one is made to look at them carefully and calmly. The mere fact that there is someone to explain the intricacies of hospital routine and the complications of medical terminology often help to bring that peace of mind so necessary for successful treatment.

The all-important problem of suitable work is now beginning to receive the consideration due to it. It is not always possible for a patient to return to the work for which he is qualified as it may be too heavy or in some other way unsuitable for his condition, and here the Almoner helps by contacting the Employment Exchange, who will do their best to find work or training for the disabled person. It is of importance that all disabled persons are on the Register from which employers are bound to take their quota.

The provision of surgical appliances is another important section of the work. 113 surgical appliances were supplied during 1946 at a cost of £409 approximately. Of this only £195 was paid by the patients and the rest came from statutory and voluntary bodies of all kinds.

82 patients were sent away for convalescence at a total cost of approximately £257, of which sum the major portion was paid by the Contributory Scheme.

The work has also included the arrangement of transport to and from hospital, help with extra nourishment and grants for various needs, transfers to other hospitals, etc.

None of this assistance could be given however, without the generous and willing support we receive from outside bodies, and to them, both statutory and voluntary, I would extend our warmest thanks for all their help.

FREDA M. E. HARRISON,

ALMONER.

SPECIAL NOTICE. The Hospital is entirely dependent on voluntary support, and the Board of Management strongly urges and invites Patients to contribute towards their maintenance and attention, such sums as they feel able to give. Such contributions, large or small, from those who can give assistance, are the means of helping others less fortunately situated to recover their health and strength. The right to refuse admission on financial grounds is reserved to the Board of Management.
