## REPORT.

The Committee present the Accounts for the year ended 31st December, 1929, shewing a surplus of £142 11s. 7d. on Ordinary Income and Expenditure Account. A legacy of £200 was also received.

£24 2s. 6d. was received on Pound Day, together with 2,184 lbs. of various articles of the approximate value of £42.

The Committee are very grateful to the "Oswestra" Whist and the Carnival Committees and other friends for the amounts received during the year and for the many gifts sent to the Hospital, which have been acknowledged in the "Oswestry Advertizer", through the courtesy of the Editor.

A Linen League has been started with the object of ensuring that the Hospital is continually provided with all necessary linen and the Hospital Committee voted £50 as a nucleus for the Fund. The balance in hand is £90 3s. 1d.

The number of In-patients has been 372 with an average stay of 15 days each. 248 operations were performed and 880 Radiographs taken.

The number of District Patients visited in Oswestry by the Hospital Nurse, free of charge, has been 110, with an average of 47 visits each.

The number of Casualty Patients treated at the Hospital, free of charge, has been 442, with an average of 14 dressings each.

The Committee desire to express their thanks to the Medical Officers and to Mr. T. D. Ellis (Assistant Radiographer), who have so generously given their services gratuitously, and to the Matron and Nurses for their unfailing care and attention bestowed on the patients.
