SEVENTEENTH ANNUAL REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR ENDED 31st DECEMBER, 1927.

The Board of Management have pleasure in submitting their Annual Report and Statement of Accounts for the year ended 31st December, 1927.

The number of patients admitted in 1927 was 398, of whom :

340 were discharged cured.

12 died.

23 were discharged for various reasons.

7 were discharged incurable.

16 remained in Hospital on the 31st December, 1927.

398

COMPARISON WITH PREVIOUS YEAR.

	1926	1927
Number of Beds available	24	24
Number of Patients admitted	466	398
Classified as follows :—		
Men	186	133
Women	116	97
Children.....	164	168
Number of Operations	423	354
Average number of Patients daily in the Hospital	18.9	15.8
Average number of Days each Patient was under treatment	14.9	15.5
Average Cost per Occupied Bed per Annum	£140/2/1	£130/15/0
Average Cost per Head per day (Patients & Staff) for Provisions	1/2½	1/3¼
Expenditure for the Year	£2648	£2173
Ordinary Income for the Year	£2355	£2256
Building Extension Fund Receipts	£465	£858

Notwithstanding the severe depression in the trade of the district and the reduced subscriptions from Colliery Companies, the Board are glad to report a surplus of £83 4s. 3d. in income over expenditure. This has been achieved mainly by the Colliery

Workers renewing their subscriptions as well as making good the shortage in their subscriptions during the previous year's stoppage of work.

The addition during the year of £858 9s. 0d. towards the Building Extension brings that Fund up to £9,868, all of which is invested in British Government Securities.

Owing to the outbreak of Smallpox, regulations laid down by the Medical Officer of Health were adopted in September last and are still in force. The rule that all cases admitted other than acute emergency cases must have been vaccinated or re-vaccinated within the previous 5 years or re-vaccinated not less than 14 days prior to admission has caused a reduction in the number of Patients admitted.

The Prudential Assurance Company Ltd. have very kindly undertaken to contribute the sum of £20 per annum towards the support of one cot. This is our first endowment and it is hoped that other friends will follow their generous example.

Upon the suggestion of the Ladies' Committee a collection of Tin Foil has been organised from which it is hoped a substantial sum will be raised.

The Board desires to express their gratitude to the Members of the Ladies' Committee and the South Wales Power Company's Employees for organising successful Dances, and to the Abercynon Operatic Society and Hopkinstown Flower Show Committee for their substantial contributions towards the funds.

The Board regret to record the great losses sustained by the death of Lord Pontypridd, one of the original subscribers to the Hospital; Mrs. J. Morgan Rees, for many years a Vice-President and Member of the Ladies' and Hospital Ball Committees, and Mr. T. Mayberry Williams, a Member of the Board of Management from the opening of the Hospital and Hon. Treasurer since 1921.

Upon the recommendation of the Governors from the Abercynon District, Mr. William Horgen, M.R.C.S., L.R.C.P., of Penrhiwceiber, has been appointed on the Hon. Medical Staff.

The Board desire to express their appreciation of the valuable services rendered by the Hon. Medical Staff, Matron and Nursing Staff.

W. R. DAVIES, Chairman.

G. B. WILLIAMS, Hon. Secretary.
