Report of the Board of Governors

FOR THE

Year ending 31st December, 1934.

119th Annual
Report.

The Board of Governors have pleasure in presenting their 119th Annual Report, with the audited accounts for the year ending 31st December, 1934.

Patrons.

Since the end of the year, Their Royal Highnesses the Duke and Duchess of Kent have graciously consented to become Patrons of the Hospital, which has given much pleasure to all who are connected with it. It is of interest to note that the last Duke of Kent, His Royal Highness's great-great-grandfather, was one of the two Royal Founders of the Hospital in 1816.

Review.

The first point calling for notice is the adverse balance of £1,236 13s 11d with which the year ended, the accumulated deficit being thereby increased to £4,844 15s 11d ; in the previous year we had a surplus of £1,083 4s 6d, and it is partly as a result of the economies which helped to secure it, that the position now reported is so much less satisfactory ; for although there was a slight decrease of £386 in General Fund receipts, the greater part of the deficit is due to increased expenditure, some of which in more prosperous times would have fallen in the year before. Re-painting of the outside of the Hospital for instance had been put off as long as it was prudent to do so, but in the year under report the point had been reached at which it could no longer be deferred, and this alone accounts for a considerable part of the increased expenditure.

Other large items unforeseen when the Budget for the year was prepared were re-surfacing of part of the stairs, and the deepening of the Lift well, which we were advised was necessary in order to make it safe.

There was also a considerable increase under the head of appeals, which includes advertising, etc., and this was incurred in order to make the Hospital better known, in view particularly of the fact that we may have to make an appeal for a large sum for extension within a year or two.

The receipts from Legacies were again considerable, amounting to £3,338, which almost counterbalanced the smaller income under other heads; details are given below:—

Extension.

As stated in the Report for 1933, we were then in negotiation with the Ecclesiastical Commissioners for a site opposite the Hospital in Waterloo Road, and it really seemed that after several unavoidable checks the matter would at last be settled; at that moment the London County Council announced their scheme for acquiring and developing the whole of the area which includes the proposed site, and this put a stop to the negotiations. We have been in communication with the London County Council, and believe that if their scheme goes through the needs of the Hospital will receive full consideration, and that the eventual result may be the acquisition of a site in some ways better than that previously considered, but in the meantime the matter is out of our hands, and we can only undertake that it will be taken up again at the earliest possible moment.

Number of Patients.

The number of In-Patients and Out-Patients for the last three years is compared below :—

	1934.	1933.	1932.
In-Patients	2,146	2,137	2,309
Out-Patients (new cases) ...	15,490	15,231	14,740
Out-Patients, attendances	80,747	83,608	76,436

Patients attending the Out-Patient Department were registered at the special departments as follows :—

Ear, Nose and Throat	1,930
Skin	2,386
Eye	833
X-ray	2,147
Dental	3,226
Electrical and Massage	11,875
Casualties	2,120
Gynæcological	3,125
Surgical	3,733
Medical	43,411
Orthopædic	2,367
Urological	932
L.C.C. Children's Rheumatic Clinic ...	2,662

It will be seen that the number of In-Patients was practically the same as in 1933, while Out-Patients' attendances were considerably less, but it must be remembered that last year's figure was easily a record, and that we have for years past been complaining of congestion in that department owing to the unprecedented growth of attendances; moreover both the King Edward's Fund and the British Medical Association consider the number of Out-Patient attendances excessive in the London Hospitals generally, and this fact may have had some influence; but it is too early to say whether the reduction will continue.

In the 1933 Report we recorded the lamented death of Mr. John Topham Richardson, for many years Honorary Treasurer of the Hospital; the Board thought that his long and valuable service in that capacity should be recorded permanently, and placed in the Hall a tablet, which reads as follows:—

Board of
Governors

To the Memory of
JOHN TOPHAM RICHARDSON
And in Grateful Recognition
Of Thirty Years' Service as
Honorary Treasurer
Of this Hospital.
1898-1928.

We have to record with sincere regret the death of our colleague Mr. A. I. Hopkins, one of the Hayle's Trustees, who had served on the Board for 13 years. His work for the Hospital was only one of his many public-spirited activities, and his death was a loss felt by many in the Borough of Lambeth.

We are pleased to welcome Mr. P. M. Tyrrell who has filled the vacancy caused by his death.

We are sorry to have to report the resignation of Mr. H. Thomas who has been a member of the Board and representative of the Hayles Trustees for many years. Mr. John Christopher Mitchell, J.P., F.C.I.S., has been appointed in his place.

Hon. Medical Staff.

A vacancy on the Honorary Medical Staff for an Honorary Physician in charge of In-Patients having arisen it was decided to appoint Mr. J. N. O'Reilly, M.A., B.M., B.Ch., M.R.C.P. Mr. M. Reddington, M.B., F.R.C.S. was also appointed as Honorary Gynæcological Registrar. Mr. Simpson Harvey, M.B., B.S., was appointed as Medical Officer in charge of the Clinic for the treatment of Varicose Veins by Injection. This Clinic is largely attended and much appreciated by the many patients who have benefited from it.

Hayle's Estate.

The usual payment of £450 was received from the Trustees of the Hayle's Estate under the scheme sanctioned in 1853, for which our thanks are due.

Alexandra Day

The Hospital Staff again took part in the collections on Alexandra Day. The grant from the Fund for 1934 was £170, an increase of £10 on the previous year, for which we offer the Committee our cordial acknowledgements.

Royal Gifts.

The Board acknowledge with most sincere thanks the receipt from their Majesties the King and Queen of Grapes and Flowers, as well as toys from Her Majesty, which were much appreciated by the children.

Ladies' Association and Girls' and Boys' Guild.

The Board again express their grateful appreciation of the assistance received from the Ladies' Association, whose President, H.R.H. Princess Alice, shews at her visits to the Hospital her constant interest in its welfare, also that of the Junior Ladies' Association and the Girls' and Boys' Guild. The sums paid by them during the year were as follows :—

Ladies' Association (Including Junior Ladies' Association).

General Purposes Fund—	£	s.	d.
Donations and Subscriptions	... 493	5	1
Dividends	... 438	11	0

Girls' and Boys' Guild.

General Purposes Fund—	£	s.	d.
Donations and Subscriptions	... 131	7	3
Dividends	... 2	12	6

In both cases there has been an increase in the receipts, on which we congratulate those whose efforts have secured it.

We have to thank Mrs. Kitchin for continuing her work on the Patients League, which was founded by her five years ago ; it costs her much time and trouble, and secures the continued interest of a number of patients. The contribution of the League for the year amounted to £17 6s 4d.

Patients
League.

The payment of £100 was again received being interest at 4 per cent. on a capital sum of £2,500 retained by the Trustees of the Bawden Fund, the interest of which has been allocated towards the maintenance of this Hospital.

Bawden Fund.

The Board record with grateful thanks the receipt of the following sums from the Metropolitan Hospital Funds for the General Purposes of the Hospital :—

Metropolitan
Fund Grants.

King Edward's Hospital Fund for	£	s.	d.

Hospital Sunday Fund	490	0	0

The Esher Cot has again been maintained by our generous friends at Esher, the collection at all the Services on Christmas Day having been devoted to this purpose, as they have been for some thirty years. The amount received was £42 17s, which will be acknowledged in the accounts for 1935, as it was received after the end of the year. It is much to be wished that other Parishes would follow the good example of Esher.

Esher Parish
Church.

We have to thank the Rector, the Rev. E. A. Hone, for other acts of kindness, notably the proceeds of a Toy Service held soon after Christmas, which were much appreciated in the Children's Wards. It is of interest to note that the allocation of the Christmas Collections began when Mr. Hone's father was Rector of Esher.

Other Gifts.

The Board gratefully acknowledge a generous gift of seventy Bed-Jackets for the patients through Mrs. Ernest Ward of 58, Elsworthy Road, N. 3.

We have also gratefully to acknowledge the receipt of £33 10s from Miss Rhys Davids, being the proceeds of the Carol Party by the Chipstead Carol Singers.

British Red
Cross Blood
Transfusion
Service.

Amongst our acknowledgements we should not like to omit the British Red Cross Blood Transfusion Service, which again rendered invaluable aid, and many patients have reason to be thankful for the self sacrifice of the "blood donors."

Nursing Report.

There have been 198 applications for training of which 30 have entered and 24 have signed on for training. Nine Nurses passed the Final Hospital Examination and gained the certificate.

Annual Court.

The 119th Annual Court of Governors was held at the Mansion House on Monday, March 18th, at 3.30 p.m., when the Report and Accounts were adopted in the presence of a large company of friends and supporters of the Hospital.

The Rt. Hon. The Lord Mayor (Sir Stephen Henry Molyneux Killik) presided and was supported by The Lady Mayoress, Mr. Alderman and Sheriff Twyford and Mr. Sheriff J. S. Pearse.

The following members of the Board and friends of the Hospital also took part in the proceedings: W. S. Talbot, Esq., C.I.E. (Hon. DEPARTMENT OF PHYSICAL MEDICINE.

REPORT FOR THE YEAR 1934.

The following brief table affords a comparison of the work done in this Department during the past three years:—

	1934.	1933.	1932.
Total number of Patients treated	721	795	839
Total number of Treatments given	12,911	13,641	12,578
Average number of treatments per patient	16.65	17.17	14.99
Number of Patients receiving Ultra Violet Light treatment	74	151	174

These figures shew a decrease in the total number of patients referred to the Department for treatment and a further marked decrease in the number of patients sent for Ultra Violet Light treatment, the number being less than half that for 1933.

In conjunction with Dr. Kenneth Playfair Hepatic Diathermy has been given to several patients showing signs of Hepatic Insufficiency or Migraine and Transcranial Diathermy in cases of persistent Headache, with some very gratifying results.

The Sweating Diathermy treatment started during 1933 for Myxœdematous and arthritic cases has been continued and has been very successful.

In the Pelvic Diathermy Clinic, very satisfactory results have been obtained by Dr. C. W. McKenny in cases of Cervical Infections, Menopausal Arthritis and other cases of Ovarian Insufficiency. 58 Patients have had in all 470 treatments.

A Tonsillar Diathermy Clinic has been started, but it is too early as yet to claim results.

ANNUAL REPORT for 1934.

IN presenting the Report for this year, I can record the 100th Meeting of the Ladies' Association which was held at the Hospital on October 11th. I feel proud also of being able to announce that our account for the year 1934 show that £1,048 14s 4d has been raised through the Ladies' and Junior Ladies' Association (*see page 150*).

We have reached record sums in one or two of our events in aid of the Hospital, notably the Gift Day on November 15th, which brought in £184 17s 7d, and though £41 18s 3d of that was made by the Girls' and Boys' Guild stall, we still took more than our total assets in 1933 which were £135 14s.

On April 29th Mrs. Lazarus organised a wonderful Concert at the American Womens' Club and handed over £81 as the financial result, to the Association. On these occasions, the success is not only financial. The Concert was a delightful evening party with great artists to entertain us. The Singers: Madame Dierolf and the Celloist Miss Thelma Reiss. There was a crowded room, and we are indeed grateful to Mrs. Lazarus.

On Gift Day which was November 15th, the Stalls provided requisites for kitchen, store room and bath room. The Junior Ladies had a lovely Stall of Christmas cards and presents, and the Girls' and Boys' Guild its usual wonderful crackers and sweets and Christmas decorations. Mrs. Lazarus had a novel miniature Christmas Tree Table, Miss Watts held her Cake Stall, and there was a most successful White Elephant Stall run by Mrs. Teasdale.

Her Royal Highness arrived at the Hospital at 4 o'clock and presided over the Auction Sale. We had failed to procure a celebrated actor or actress, as announced in our notices. Sir Frank Carter officiated as the Auctioneer and made a great success of it. The Hall was crowded—bidding was not high, but it provided an amusing diversion, and £10 in 20 minutes. The Princess afterwards visited all the Stalls, and made a great many purchases.

Mrs. Dennis Bradley gave a Garden Party, in her charming home at Kingston Hill, on June 16th, and, as a result, sent £37 to the Hospital, besides giving us all a most enjoyable afternoon.

At the April Meeting, I suggested a collection of the young Queen Victoria pennies—which was received with enthusiasm by Members, and at our Annual Meeting on July 5th, Princess Alice was presented with a Bag containing 2,824 pennies, which represented £11 15s 4d.

As a result of a quarter's Collection by Members, it was decided to go on with this Collection till the end of the year.

H.R.H. Princess Alice presided at the Annual Meeting which was held in the Hospital in the afternoon of July 5th, followed by a Tea Party, when the Princess was a centre of joy among the Members of the Senior and Junior Association.

Mrs. Lazarus suggested at this Meeting that Funds might be raised by having a "Happy Birthday Cot" in the Hospital, to be maintained by the Mothers of babies born this year. Her Royal Highness offered to send out an appeal letter which I had prepared, to every mother of babies, whose birth was announced in the *Times* newspaper in the first week of October. This was to be followed up by Ladies of the Association, each taking a week of appeals. The letter itself to be typed at the Hospital. All this was done, but the small result of £6 13s 6d which appears in our Accounts' Sheet, did not seem to make it worth while to continue after November.

The Subscriptions are again disappointing, we have only given £136 14s, and Mrs. Dudley Ryder tells me of many Members who are giving less, or who have ceased to give altogether. I should like to take this opportunity of acknowledging the kind generosity of Mrs. Ryder, who pays every postal and stationery expense herself; and who works unceasingly to increase the Funds of the Hospital.

We are indeed grateful to all who have so nobly made special efforts this year—to Miss Oliver in particular—for her untiring energy over the Gift Day, and our congratulations to her on its wonderful success.

The Junior Ladies' Association, the Girls' and Boys' Guild and the branches, all have their own Reports, which

speak for themselves of a great deal of work and love—besides money making—given by Members for the Hospital.

We have to report with grief, the death, during the year, of two of our oldest Members, Mrs. Jessiman and Mrs. Seymour Eastwood. Mrs. Greenhow, Mrs. Cairns-Forsyth and Miss Roddick have resigned. We have two new Members, Mrs. Eric Channon and Mrs. John Eastwood, but we are sadly in need of more. It was suggested by Mrs. Algernon Borthwick that each Member should bring in a new one. We hope very much that this idea will materialise in 1935.

The Annual Hospital Meeting was held by the Lord Mayor at the Mansion House, on March 19th. At that Meeting Sir Stanley Woodwark made an extremely kind speech about the work of the Association at the Hospital. As chief of the Hon. Medical Staff, we greatly appreciate his words. In reply we can say how much we enjoy the atmosphere created in the Hospital by all those who work inside it. How we thank them for making us feel we also belong to the "going concern." it is, in a peculiar and welcoming way. We hope the Board of Governors and the Hospital Staff are aware of our eagerness to help them. We wish once more to thank the Matron for her delightful response on all occasions, and to thank the Secretary, the Treasurer and Mr. Hedgeland for the courtesy they always shew to us.

REPORT OF NEEDLEWORK SOCIETY

FOR THE YEAR 1934.

I am glad this year we have been able to supply all the garments that Matron asked for.

My Balance at the Bank is now only about £25 8s 2d, and unless I can get more of the Members to join, the expenditure in future will have to be less. The League of Remembrance is very good in helping me in the cutting out, and I would much like to thank the Ladies who have again given me so much help in making up the garments, especially Mrs. Adams.

REPORT OF THE SAMARITAN VISITING COMMITTEE

FOR THE YEAR ENDING DECEMBER 31ST, 1934.

The visiting of the Women's Wards has been kept up as regularly as possible during the year, an interval during August and part of September being unavoidable; but of less importance than on account of Ward III being closed for cleaning. More visitors, as usual, would be welcomed, in order that two may be available each month, an aim not always easy to accomplish.

The patients seem to have had a specially cheerfully Christmas this year, and spoke gratefully of all that had been done for their pleasure.

The Lady Almoner wishes to thank the Ladies' Association for very substantial help during 1934; and to make her Annual Appeal for Convalescent Home and Surgical Aid Letters, as early in the Spring as they can be sent in.

E. F. MACFIE.

REPORT OF THE EGG AND CHICKEN SCHEME, 1934.

As will be seen by the Balance Sheet subscriptions to the Egg and Chicken Fund are three pounds less than last year. This gradual dwindling of subscriptions is disappointing and difficult to redress. There have been several generous gifts of eggs which are acknowledged in detail by Matron in her list of gifts to the Hospital.

REPORT OF THE JUNIOR LADIES' ASSOCIATION, 1934.

I have the honour to submit the Annual Report of the Junior Ladies' Association :

The Junior Association did not organise any big entertainment during 1934 but has been active in various small ways.

Early in the year several country members volunteered to sew instead of visiting the children of the Hospital. Twelve nightgowns have been made.

The weekly visits to the children's wards have been sadly curtailed owing to infectious troubles among the young patients. For the same reason a carefully planned Nursery Rhyme entertainment was cancelled in March. It is hoped that the visiting may be renewed shortly.

At Mrs. Lazarus' concert five members sold programmes.

During the Spring and Summer, instead of a big joint enterprise, the Junior Association decided to raise money by individual efforts, each member to collect £1 if possible. This was done by various original methods :

There were evening parties of bridge and dancing, afternoon gatherings for tennis, children's paper-chasing and squash tournaments. One member sold daffodils from her garden, another sold pencils left over from the Gift Day Stall. A country member made £2 by asking all her summer visitors for a penny as they entered the house. A London member sent £1 collected by the noble method of refraining from tube or bus for three months and walking instead !

Several members were abroad, four were ill and five have resigned but during the year this individual effort scheme brought the Hospital £32 6s 8d.

On Gift Day the Junior Ladies' Association had a Christmas card stall. A brisk trade went on all day and afterwards the Chairman's drawing-room received the surplus stock. For several weeks further small sales took place resulting in a total of £15 0s 2d.

The Victorian penny scheme has been most popular and the smooth-faced pennies continue to travel to the treasurer in study bundles. There is no record of the amount brought to H.R.H. Princess Alice at the July meeting but since that time £2 9s 7d has been received or a total of 595 pennies. One member's fourteen-year-old son collected 120 of this number.

At Christmas time sweets were sent to the Nursing Staff and toys and balloons to the children's wards. At the next meeting members have been asked to bring unwanted Christmas cards and we are sending them to the children. Matron has told us that they are an unfailing source of interest and delight.

The January meeting takes place next week. A sale of flowers has been suggested as our big spring activity. It is hoped that it may take place in a garden. Country members have promised a generous supply of Spring flowers and London members are contributing garden needs such as scissors, gloves, raffia and pottery vases.

The Junior Ladies Association numbers thirty-three members at present. Six new names have been added this month. They are : Mrs. de Courcy Ireland, Miss Sally Ryan, Mrs. A. J. McGaw, Mrs. Brian Preston, Miss J. Trevelyan and Miss Zalia Snagge.

This ends my report for 1934 but I would like to add that my committee continues its modest efforts for the Hospital with increasing fervour and delight.

REPORT

FOR THE YEAR ENDING DECEMBER 31ST, 1934.

Her Royal Highness The Princess Alice, Countess of Athlone, and the Members of the Representative Committee of the Girls' and Boys' Guild have much pleasure in presenting this their Twenty-ninth Annual Report.

The Girls' and Boys' Guild of the Royal Waterloo Hospital for Children and Women was inaugurated in 1905, under the Presidency of Her Royal Highness The Princess Alice, Countess of Athlone, with a view to enlisting the sympathy and practical help of those young people whose lives had fallen in pleasant places for the little sufferers in the Hospital.

The following are some of the things which Members of the Guild are expected to do :—

- (i) They pay a Subscription of 2s 6d each year to help to support at least two Cots to be known as the Girls' and Boys' Guild Cots.
A badge of membership can be supplied for 6d extra.
- (ii) They give their old toys and books for the use of the Children in the Hospital.
- (iii) They make new clothes and send them to the Hospital and they also send their old clothes, so that enough garments may be given by Members of the Guild to provide every child whose clothes are thin and ragged with a suit on leaving the Hospital.
- (iv) They ask grown-up people to be Honorary Members of the Guild, and to pay a Subscription of at least 5s every year.
- (v) They tell their Friends about the Guild and try to persuade them to become Members of it.

The work of the Guild has gone quietly on throughout the year just concluded.

The Annual Party took place on April 25th and once again proved a great success. Very hearty thanks are due to Mrs. Collins for again acting as hostess at her house in Lennox Gardens. There was a large gathering of members who all brought gifts of toys for the Hospital or stamps they had collected during the year. Lady Carter addressed the children and told them about the Hospital, and emphasised the ways in which they could all help a little to benefit the patients. The names of members who had returned their collecting-ribbons full of sixpences, were read out, and a good number of fresh ribbons were taken, which were to be returned in time for next year's party. A conjuring entertainment, kindly provided by Sir Stanley Woodwark to whom hearty thanks are due, was much enjoyed by the children. As a result of the Party, about 12 new members were enrolled.

The Guild had its usual Stall at the Hospital Gift Day on November 15th, and owing to the really splendid efforts of the Committee a wonderful display of goods was provided. The Stall realised £41 18s 3d, a very welcome addition to the Guild funds.

It is a great satisfaction to report that there are two new members on the Committee, Mrs. Beevor and Mrs. Townley, to both of whom a very hearty welcome is extended.

About 26 new members have been enrolled, which more than balances the few who have dropped out during the year. It is hoped that the newcomers will all help in the various schemes for adding to the funds.

The annual subscriptions have amounted to £84 17s 6d, rather more than last year's total. With the aid of the money raised on Gift Day, it has been possible to pay over to the Hospital the usual amounts, viz, £63 for the maintenance of the two Guild Cots, and £63 towards the Lady Durning-Lawrence Memorial Ward.

The stamp-collecting scheme has about equalled that of last year, but it would be helpful if more members would take it up.

More collecting ribbons have come in during this year, and it is greatly hoped that this scheme will receive more and more support, as it is the best way in which members can help the funds.

It will be seen that the satisfactory work of the Guild has continued throughout the year, and thanks are due to everyone who has contributed to this success.

By Order of the Committee,

MARGARET EASTWOOD,
Vice-President.

GLADYS POLITZER,
Hon. Secretary.
