Report of the Board of Governors

FOR THE

Year ending 31st December, 1946.

The Board of Governors have pleasure in submitting their 131st Annual Report and Audited Accounts of the Hospital for the year ending 31st December, 1946.

131st Annual
Report

In submitting this Report it is felt that a fuller account is due to friends and supporters of the Hospital than has been given during the war years. From 1939 to 1946 the work of the Hospital was necessarily restricted. With the return of members of the Honorary Medical Staff it has been found necessary to reorganize the work of almost every department of the Hospital, and this has entailed considerable expense which will be found reflected in the expenditure both ordinary and extraordinary.

Review

One of the Hospital's principal difficulties following the adoption of the recommendations made by the Rushcliffe Report, which entailed an increase in the number of nurses, was the provision of additional accommodation. This shortage was further increased by the need for more and better accommodation for the domestic staff. The need was largely, but not entirely, met by the acquisition of the premises situated at 4 to 16, York Road, on short lease from the London County Council. While part of the cost was borne by the War Damage Commission in restoring the buildings, the cost of its adaptation had to be met by the Board of Governors. Its equipment was also similarly borne but very valuable help was afforded by the Ministry of Health in placing at the Board's disposal the contents of derequisitioned Convalescent Homes on very reason-

able terms. This Temporary Home is now in occupation and is much appreciated by its occupants, the nursing staff. As stated, the lease is a short one and alternative accommodation will certainly have to be provided on the termination of this lease. The Board of Governors have this in mind but it is yet too early to make any report on the measures proposed.

The accounts will show the expenditure incurred on these building operations. Other departments of the Hospital have also received attention. The X-Ray Department has been enlarged. The work of this Department has been embarrassed in the past and is now considerably improved by the alterations which have been carried out. It will be appreciated also that in making certain replacements and additions of equipment found to be necessary to enable the Hospital efficiently to carry out the work of its many departments, costs have had to be borne in excess of what would normally have had to be faced in any one year. In this connection mention might be made of the very great improvement effected in the accommodation for the reception and treatment of private patients. Under this scheme private patients now have private rooms instead of cubicles.

Board of
Governors

It is with the greatest regret that the Board has to report the death of one of its oldest members, Mr. E. H. Elles, O.B.E., who had been associated with the administration of the Hospital as a member of the Board of Governors for thirty-five years.

One new member was elected during the year, Mr. John Weyman.

Hon. Medical
Staff

Dr. T. H. Whittington, M.D. (Lond.), M.R.C.P., D.O.M.S., having resigned from the position of Hon. Ophthalmic Surgeon, was succeeded by Mr. W. M. de Courcy Boxill, M.R.C.S., L.R.C.P., D.O.M.S. The Board are pleased to state that Dr. Whittington accepted the appointment of Hon. Consulting Ophthalmic Surgeon to the Hospital.

Mr. D. Trevor, M.S., F.R.C.S., resigned from the appointment of Hon. Orthopædic Surgeon and was also

appointed to the Hon. Consulting Staff. He was succeeded by Mr. J. R. Armstrong, F.R.C.S.

Dr. Rowland Hill, M.D. (Lond.), M.R.C.P., resigned from the appointment of Hon. Neurologist, which appointment has not since been filled.

Dr. F. Dudley Hart, M.D., M.R.C.P., was appointed Hon. Physician, also Dr. G. C. Millis, M.C., M.A., M.R.C.P., who had served the Hospital in a temporary capacity during the war.

Mr. H. S. Sharp, B.A., M.B., B.Ch., F.R.C.S., and Mr. J. W. Cope, M.A., M.B., B.Ch., F.R.C.S., were appointed Ear, Nose and Throat Surgeons.

Miss N. I. Lankenau, M.D., was appointed Physician and Director of Physio-Therapy and Rehabilitation.

Mr. G. G. Exner, L.D.S., R.C.S., D.M.D., was appointed Hon. Dental Surgeon.

The Board have to record the appointment of the following Anæsthetists : Dr. B. Anson, M.R.C.S., D.A., Dr. F. Harrington Blackburn, M.B., B.S., M.R.C.S., L.R.C.P., D.A., and Dr. I. G. Braddon, M.B., B.Ch., M.R.C.S., L.R.C.P., D.A.

The expenditure for 1946 has reached a figure higher than ever recorded and amounted to £48,633 18s. 8d., while the income totalled only £33,619 18s. 3d. The overdraft at the Bank, which amounted to £25,000, included the amount borrowed for adapting and equipping the Nurses' Temporary Home.

Maintenance

It has only been possible to maintain the work of the Hospital without the curtailment of the work of any of its Departments through the assistance received from the King Edward's Hospital Fund and the Ministry of Health. The King Edward's Hospital Fund made a grant of £5,000 and the Ministry one of £2,500. These grants enabled the Board of Governors to meet the more immediate needs of the Hospital.

The Endowment Funds have been increased during the year by the receipt of £2,321 4s. 0d., £2,000 of which was given for the endowment in perpetuity of a bed in memory of the late Mena Taylor, and £312 11s. 6d. to complete the endowment of the Luther Munday Bed.

Ladies'
Association

The contributions received during the year through the Ladies' Association amounted to £830 14s. 6d., while the Girls' and Boys' Guild totalled £104 4s. 3d. This help was mainly due to the generous response received from an appeal made to members of the Ladies' Association for the equipment of the Nurses' Temporary Home which yielded a sum of £715 15s., and to their energy in organising the week of entertainment at Derry Gardens. The Board are greatly indebted to the Management of Messrs. Derry and Toms for the welcome help they afforded the Hospital.

Esher Parish
Church

Once again we have to thank the Hospital's friends at Esher for the generous support afforded to the Esher Cot through the offertories at the Parish and West End Churches on Christmas Day. The sum of £62 18s. 4d. constitutes a record from this source and the Board of Governors desire to express to all those who participated their most grateful thanks.

Nursing Report

During the year there were 166 applications to fill vacancies as Student Nurses. 30 entered the Preliminary Training School. 19 failed to continue with training. There were 12 entries for the Final State Examination, 6 of the entries passed. Out of the 16 entries for the Preliminary State Examination, Part I, there were 9 passes and 7 failures, and out of the 9 entries for Part 2 of the examination there were 6 passes and 3 failures. There were no complete failures. 14 Nurses left before the close of the year on completion of training.

IN-PATIENTS' SURGICAL REPORT

FOR THE TWELVE MONTHS ENDING 31ST DECEMBER, 1946.

The following is an analysis of the Surgical Cases which were admitted to the Wards of the Hospital during the twelve months ending 31st December, 1946 :—

	Children.	Women.	Men.
Total number of cases	479	312	18
Total number of cases cured or improved ...	478	303	18
Total number of cases not improved	—	5	—
Deaths in Hospital	1	4	—
Operations performed	450	272	18

There were also 47 Gynæcological and 19 Surgical cases admitted into the Private Ward.

A detailed summary of the admissions is given below. It will be noted that the total numbers of male admissions has fallen since the closure of the Male Ward in the latter part of the year. The totals of Female admissions would have been higher had it not been for the partial closure of the Surgical Wards for renovation, in the last two months of the year.

I should like to express my grateful thanks to the Clerical Staff for their assistance in the preparation of this Report.

**GYNÆCOLOGICAL REPORT FOR THE YEAR
ENDING DECEMBER, 1946.**

During the year 1946, 2,326 patients attended the Out-Patients' Department. This was an increase of 570 as compared to the previous year.

Two hundred and eighty-nine of these patients were admitted to the Wards and received operative treatment. This shows an increase on the figures for the previous year.

GRAND TOTAL FOR YEAR, 1946 ... 4,954

It will be noticed that, compared with the last pre-war period when the Hospital was fully open, there has now been a very marked rise in the volume of pathological work performed, i.e. from approximately 3,500 examinations in 1938 to 5,000 in 1946, an increase of over 40%. Thus the employment of the technical assistant in a full-time instead of a half-time capacity has been fully justified and some increase in cost of the Department explained. To me this expansion of work is most welcome, and in connection with its successful achievement the very excellent and careful service given by Miss M. Hesketh, the Technical Assistant, should be specially mentioned.

F. A. KNOTT, M.D., F.R.C.P., D.P.H.,
Pathologist.

LADIES' ASSOCIATION

REPORT, 1946

THE activities of the Ladies' Association for 1946 were rather curtailed by the difficulties of present conditions, such as bread-rationing, which made it impossible to hold Gift Day in November, to our great disappointment.

However, we managed to help the Hospital in other ways. We collected a sum of £715 15s. for the equipping of the new Nurses' Home, which was opened by H.R.H. Princess Alice in October.

Many friends of the Hospital also contributed gifts in kind for the Home, which benefited greatly by these additional sources of comfort to its furnishing.

The Derry Gardens were generously thrown open to us by Messrs. John Barker for the benefit of the Hospital from September 16th-21st, and in spite of bad weather a sum of £225 was raised.

Amongst those who kindly opened the Gardens each day were the Dowager Lady Swaythling, Lady Juliet Duff, Miss Patricia Burke, Miss Hazel Court, and Mr. Clifford Bax.

At the request of H.R.H. Princess Alice, Mrs. Du Pre took over the Chairmanship of the Ladies' Association as from January 1st, 1947, and Mrs. Lyle Cameron most nobly undertook to be Hon. Treasurer and Secretary.

We should like to thank all those who have helped us during the past year in visiting the Wards, sending books and papers for nurses and patients, and many other kind gifts, and especially to thank Miss Oliver for her unfailing devotion and energy in organizing the Library. We are most deeply grateful to them all.

BERYL DU PRE,
Chairman.

REPORT

FOR THE YEAR ENDING DECEMBER 31ST, 1946.

FOR the first time since the outbreak of war in 1939, regular committee meetings of the Girls' and Boys' Guild have been held and the Committee increased to twelve members. We have been fortunate in that the following ladies have kindly joined the Committee :

Lady Forbes,
Mrs. Henderson,
Mrs. Hunter,
Mrs. Carbutt,
Mrs. Bishop,

and through their interest and hard work and the continuing generous support and help of the Committee, the Guild has been able to increase its membership and once more contribute the full amount of £63 for the upkeep of two cots in the Children's Ward.

It is with great regret that we report that Lady Rosse has had to resign from the Committee owing to the pressure of work and interests both in London and the country and in Ireland. She worked so hard with so much interest for the Girls' and Boys' Guild for many years and we shall miss her sadly. Mrs. Carbutt, who has joined the Committee, has very kindly taken over Lady Rosse's group of members.

A very successful Bridge Tournament, suggested and largely organised by Mrs. Renshaw, was held during the Spring, which resulted in the sum of £39 12s. 3d. Prizes given by various members of the Committee, were awarded to those scoring highest and lowest scores, and there were two prizes given for hidden numbers.

Owing to the financial success of this Bridge Tournament, the Hon. Treasurer was able to send a total sum of £91 10s. to the Hospital during 1946, and there is a balance at the Bank of £26 4s.

Owing to the difficulties of catering, etc., at the present time, it is felt that it is impossible to attempt to resume the Guild's pre-war activities, such as Sales of Work or Children's Fair, but in an endeavour to widen the circle of membership, it was decided to give a Children's Party, once an annual affair, during the Autumn. The members of the Committee generously shared the expenses of the party, which was held on December 7th at 6, Stanhope Gate, and Mrs. Hunter very kindly provided a wonderful talkie entertainment after tea, which was a great success to the 40 children present. A large number of the members of the Guild are of school-age, and are not in London except at the beginning and end of the school holidays, so the invitations to the party were only sent to children of 8 years and under. A great many of those who attended the party were new members, and a few joined the Guild at the party. They brought a lovely collection of toys for the children at the Hospital, for which Matron was very grateful.

Under present conditions, the Committee feel that it is not a practical proposition to give an Annual Children's party, but they hope to gain still more new members and to be able to contribute as much as possible to the Hospital every year.

By Order of the Committee,

MARGARET EASTWOOD,

Chairman.

ROSEMARY LOEHNIS,

Honorary Secretary and Treasurer.
