Brand

Laboratory Glassware

ACTUAL University laboratory records have proved that while the annual breakage bill with ordinary glassware has been as high as 50 per cent., that of PYREX Brand Scientific Glassware has only totalled 10 per cent. with the result that PYREX Brand Glass is now almost exclusively used.

Its resistance to temperature changes is so high that it can be made sufficiently robust to withstand mechanical shocks received in every day laboratory practice.

Ask for PYREX Brand and see that you get it!

Illustrated catalogue and two copies of our Chemists' Notebook free.

Pattison (Assistant Secretary).

Communications regretting inability to attend were received from His Worship The Mayor (Ald. G. Ford) and Dr. A. A. M. Nicol.

The notice convening the meeting having been read, the following resolutions were adopted:—

(1) Moved by the Chairman.

“That the Minutes of the last General Court of Governors be taken as read and signed.”

(2) Moved by the Chairman.

“That the report of the Board of Management having been sent to each Governor be taken as read.”

(3) Moved by the Chairman.

“That the Report, with the Financial Statements, be received, the recommendations therein adopted, and that it

be printed and circulated amongst the Governors and Subscribers under the direction of the Board."

Mr. Storey, in moving the adoption of the Report and Accounts, pointed out that the number of in-patients treated in 1937 was a record, but at the same time the waiting list continued to grow, and the need for the new extensions was urgent.

As regards finance, in spite of better trade in the district, the ordinary income had failed to expand sufficiently to meet the increase in ordinary expenditure, due to higher prices and other causes. There must, however, be no question of economy at the expense of efficiency, and he appealed to them all to do everything possible to provide the necessary funds. In particular, the income of the Children's Hospital should be increased to prevent the necessity of meeting deficits from the Infirmary income.

Mr. Storey congratulated the Workmen's Governors on their excellent support, but again appealed for increased contributions, as there was still a big gap between what the workmen contributed and the cost of treating their cases.

He continued by thanking the Ladies' Guild, the organizers of the Brick Fund, the Carnival Committee, the Children's Hospital League and Dance Committee, and all others who had helped the Institution's funds during the year.

Referring to the proposed new extensions which had been made possible by the generous grant of 75 per cent. from the Commissioner for the Special Areas, Mr. Storey said that no small effort would be required to raise the balance of £25,000 or £30,000, and asked them to remember that the need was urgent, and that the extensions would be of great benefit to the people of the town and district. This would complete the big scheme of reconstruction to which they had set their hands in 1924.

Mr. S. P. Richardson, Chairman of the Board of Management, in supporting the resolution, referred to the Board's decision to appoint an appeals organizer to raise additional funds, and said it was essential if the expanding services of the Infirmary were to continue and to be kept efficient that better support should be forthcoming.

He referred to the work of the Provisional Central Council appointed by the British Hospitals' Association, and said that their aim was to co-ordinate hospital services so that in a given area every essential treatment would be available at one or other of the hospitals in that area.

The resolution was also supported by Mr. Stanley Raw, Chairman of the Medical Board, Lt.-Col. T. C. Squance, Chairman of the Finance Committee, Mr. Stephen Corder, Chairman of the Infirmary House Committee, and Mr. J. Levy, Chairman of the Workmen's Governors.

A suggestion by Workmen's Governors that the workpeople who subscribed to the funds of the Institutions were not adequately represented on the Board of Management, was answered by Mr. Storey, who said he considered that the basis of representation—one-third to the workmen's subscribers, one-third to the general subscribers, and one-third to the surgical and medical staff—was quite fair, and he stressed the point that all the members of the Board of Management were there to do their best for the Infirmary and not simply to represent a sectional interest. If, however, the workmen felt they were entitled to a bigger representation they should send a recommendation to the Board.

The Report and Accounts were then adopted, and Mrs. M. T. Storey and Mr. F. Wilcock were elected Life Governors.

(4) The Board of Management reported that in accordance with Rule 13 the following members retire:—Mr. S. Corder, Mr. J. P. Hall, J.P., Mrs. J. P. Hall, Mr. A. F. Maling, Mr. T. C. Squance, Mr. S. P. Richardson, J.P., Dr. H. Bruce Low, Mr. Stanley Raw, Mr. Stanley Ritson, J.P., Dr. Z. M. H. Ross, Dr. A. Ayre Smith, Dr. J. B. Waters, Mr. R. Baitey, J.P., Mr. R. Hope, Mr. G. Lowden, Mr. E. D. Magog, Mr. R. Scott and Mr. S. Spears.

(5) Moved by Dr. G. F. Walker,

Seconded by Mr. P. W. Davidson,

“ That the following be re-elected Members of the Board of Management:—

Mr. S. Corder, Mr. J. P. Hall, J.P., Mrs. J. P. Hall, Mr. A. F. Maling, Mr. T. C. Squance, Mr. S. P. Richardson, J.P., Dr. H. Bruce Low, Mr. Stanley Raw, Mr. Stanley Ritson, J.P., Dr. Z. M. H. Ross and Dr. J. B. Waters,

and that:—

Dr. K. V. Milburn, Mr. W. Allen, Mr. F. Armstrong, Mr. W. Dawson, Mr. A. Morrison, Mr. G. Newton and Mr. J. T. Richardson,

be elected to fill vacancies.

(6) Moved by Mr. W. Hall,

Seconded by Rev. R. W. Stannard,

“ That Messrs. Rawlings and Wilkinson be re-appointed Auditors.”

(7) Moved by Mr. J. T. Forster,

Seconded by Mr. J. L. Waugh,

“ That the thanks of this Court be given to the Members of the Medical and Surgical Staff for valued services rendered to the Infirmary, Children's Hospital and Heatherdene Home.”

A vote of thanks to Mr. S. Storey, M.P. (President), proposed by Mr. S. P. Richardson, J.P., concluded the proceedings.

S STOREY, Chairman.

M. J. HUNTLEY, House Governor & Secretary.

The One Hundred and Forty-Third

ANNUAL REPORT

OF THE

ROYAL INFIRMARY, SUNDERLAND,

FOR THE

YEAR ENDED 31st DECEMBER, 1937.

The Board of Management have pleasure in presenting the 143rd Annual Report to the Governors. The total number of in-patients treated (10,284) constitutes a new record for the Institution, and indicates the public service which is being carried on from day to day. In spite of this, the waiting list continues to grow, and there is no doubt that the proposed ward extensions will meet a most pressing need.

The improvement shown in the financial position last year has unfortunately not been maintained, for an expansion of about £1,600 in Ordinary Income has been more than counterbalanced by an increase of nearly £2,400 in Ordinary Expenditure, leaving a deficit of £393 as compared with a surplus of £356 in the previous year.

This points to the urgent necessity of increasing the Income from all sources, in order to meet the rising costs of maintenance and make it possible to uphold a high standard of efficiency.

General Work of the Institution.

The number of patients dealt with during the year was as follows:—

INFIRMARY.

In-Patient Statistics.

The number of patients treated during the year was 7,774, the daily average number of beds occupied being 231.28 and the average stay of each patient 10.85 days. The cost per patient was £3 17s. 6d., and the cost per occupied bed £130 7s. 2d., as against £3 12s. 6d. and £115 13s. 10d. in 1936.

Out-Patient Statistics.

The number of patients treated during the year was 20,901, the attendances totalling 98,723. The cost per out-patient was 49.74 pence and 10.53 pence per attendance.

Finance.

The Ordinary Income amounted to £36,063 19s. 4d., being an increase of £1,610 0s. 6d. on the previous year.

Workmen's Contributions.

The income derived from this source has continued to grow, the increase over 1936 amounting to £635. The Board are most appreciative of this fine result and hope that still greater efforts will be made in the future. It must not be forgotten that there is still a considerable difference between the total contributions from the various groups of workpeople and the cost of treatment of the members.

67 In-Patients and 62 Out-Patients received treatment as the result of road accidents, the cost to the Infirmary being £289 18s. 2d., of which amount £254 4s. 6d. was recovered from Insurance Companies.

Ladies' Guild.

The Captains and Members of the Ladies' Guild are to be congratulated on raising the splendid sum of £1,112 15s. 9d. from their Annual Fete and Sale of Work and on the achievement of endowing their 30th bed, the "Coronation Bed," by a donation of £1,000 to the Endowment Fund.

The Board of Management wish to record their most grateful thanks to the Guild's untiring Secretary, Miss S. B. Briggs, and to all the officials and members who were jointly responsible for this successful undertaking.

Young People's Brick Scheme.

It is particularly gratifying to hear that the children of the town and district have again succeeded in raising the sum of £100 towards the endowment of "The Brick Scheme Bed." This raises the accumulated total to £876, and the warmest thanks are due to Mrs. E. W. Bartram, O.B.E., Mrs. G. Morgan, Mrs. J. S. Nicholson and their Lady Helpers for organising the collection and to all the children who subscribed.

This handing-on of the tradition of charitable service to the rising generation may well be regarded as one of the surest safeguards of the Voluntary Hospital system in this country.

Carnival Committees.

The following donations are acknowledged with sincere thanks to the Committees concerned:—

Roker Regatta and Carnival	£80.
Sunderland Charities Carnival	£60.

It is learned with regret that the Sunderland Charities Carnival Committee has been disbanded owing to lack of support, and that this valuable help to local charities is in danger of being lost. The Board express their earnest hope that means will be found to revive the Carnival, and that its former successes will be surpassed.

Egg Week.

Once again a large proportion of the eggs used during the year by the Royal Infirmary and Children's Hospital has been provided by means of the collection so ably organised by Mrs. W. Grant Waugh and her Committee. The number received on this occasion was 39,000, in addition to a further gift of 466 new-laid eggs, which were much enjoyed by the patients as an extra for tea.

The Board offer their cordial thanks to the Organisers, Helpers and Contributors for their valuable help.

Medical Staff.

Dr. A. Ayre Smith has retired from the active staff on attaining the age limit, and in grateful recognition of his valuable services extending over many years, has been appointed a Consulting Surgeon.

The following re-appointments have been made to the Honorary Staff:—

Dr. G. F. Walker, Physician, for 7 years.

Mr. W. Grant Waugh, Assistant Surgeon, for 3 years.

A scheme for the re-organisation of the Medical Staff, formulated by the Chairman after very full and extensive enquiries, has been adopted and put into operation. It is confidently anticipated that the new arrangements will help the Institution to provide the best possible service to the Town and district.

Briefly the scheme involves the formation of three Surgical Teams and two Medical Teams with fixed receiving days and Team waiting lists, the appointment of a Consultant Orthopædic Surgeon attached to Surgical Team A. as an Assistant and the appointment of Associate Consulting Surgeons in Thoracic and Neurological Surgery.

In future, those who are appointed to the Honorary Senior Surgical Staff will be debarred from General Practice. At the same time, the retiring age of Consultants is extended to 65.

Arising out of the adoption of this scheme, the following appointments have been made:—

Mr. D. G. W. Brown.—Orthopædic Surgeon and Assistant in Surgical Team A.

Mr. G. Mason.—Associate Consulting Surgeon in Thoracic Surgery.

Mr. A. R. D. Pattison.—Associate Consulting Surgeon in Neurological Surgery.

Mr. J. A. Weir.—Resident Surgical Officer.

Dr. F. Young.—Anæsthetist.

Nursing Department.

The Nursing Staff consists of Matron, Assistant Matron, House-keeping Sister, Sister Tutor, 1 Night Superintendent, 1 Night Sister, 2 Home Sisters, Sister Out-Patient Department, Theatre Sister, Sister Skin Department, Sister Orthopædic Department, Sister X-Ray Department, 8 Ward Sisters, 6 Staff Nurses, 19 Fourth-Year Nurses, 26 Third-Year Nurses, 19 Second-Year Nurses, 18 First-Year Nurses. Total, 109.

Six of the above Nurses work at the Children's Hospital.

Three Nurses completed training and gained the Training School Certificate.

Lectures on Practical and Theoretical Nursing, Hygiene, Anatomy and Physiology, Medical and Surgical Nursing, Dermatology, Ophthalmology and Dietetics were given during the year.

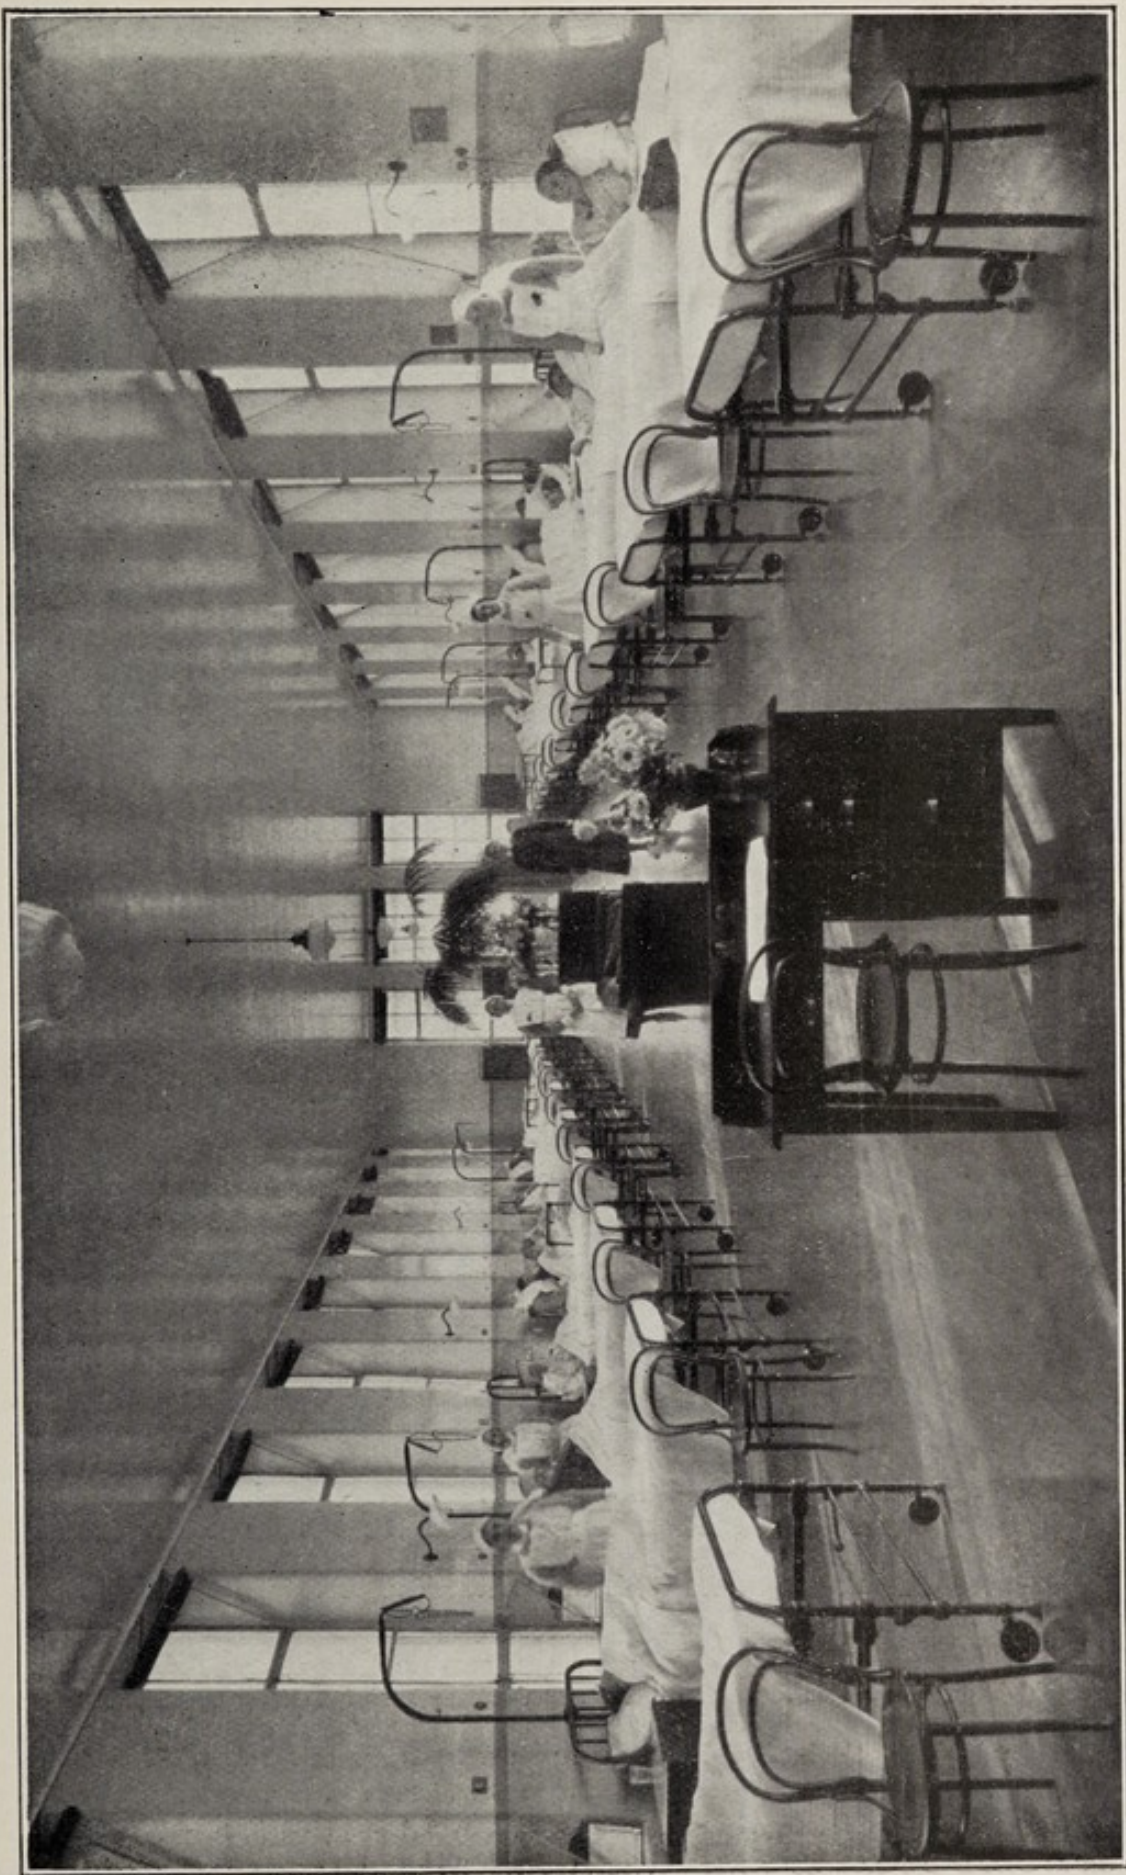

Of the 26 Nurses who presented themselves for the Preliminary State Examination, 14 passed, while in the Final State Examination 22 out of 23 passed.

Obituary.

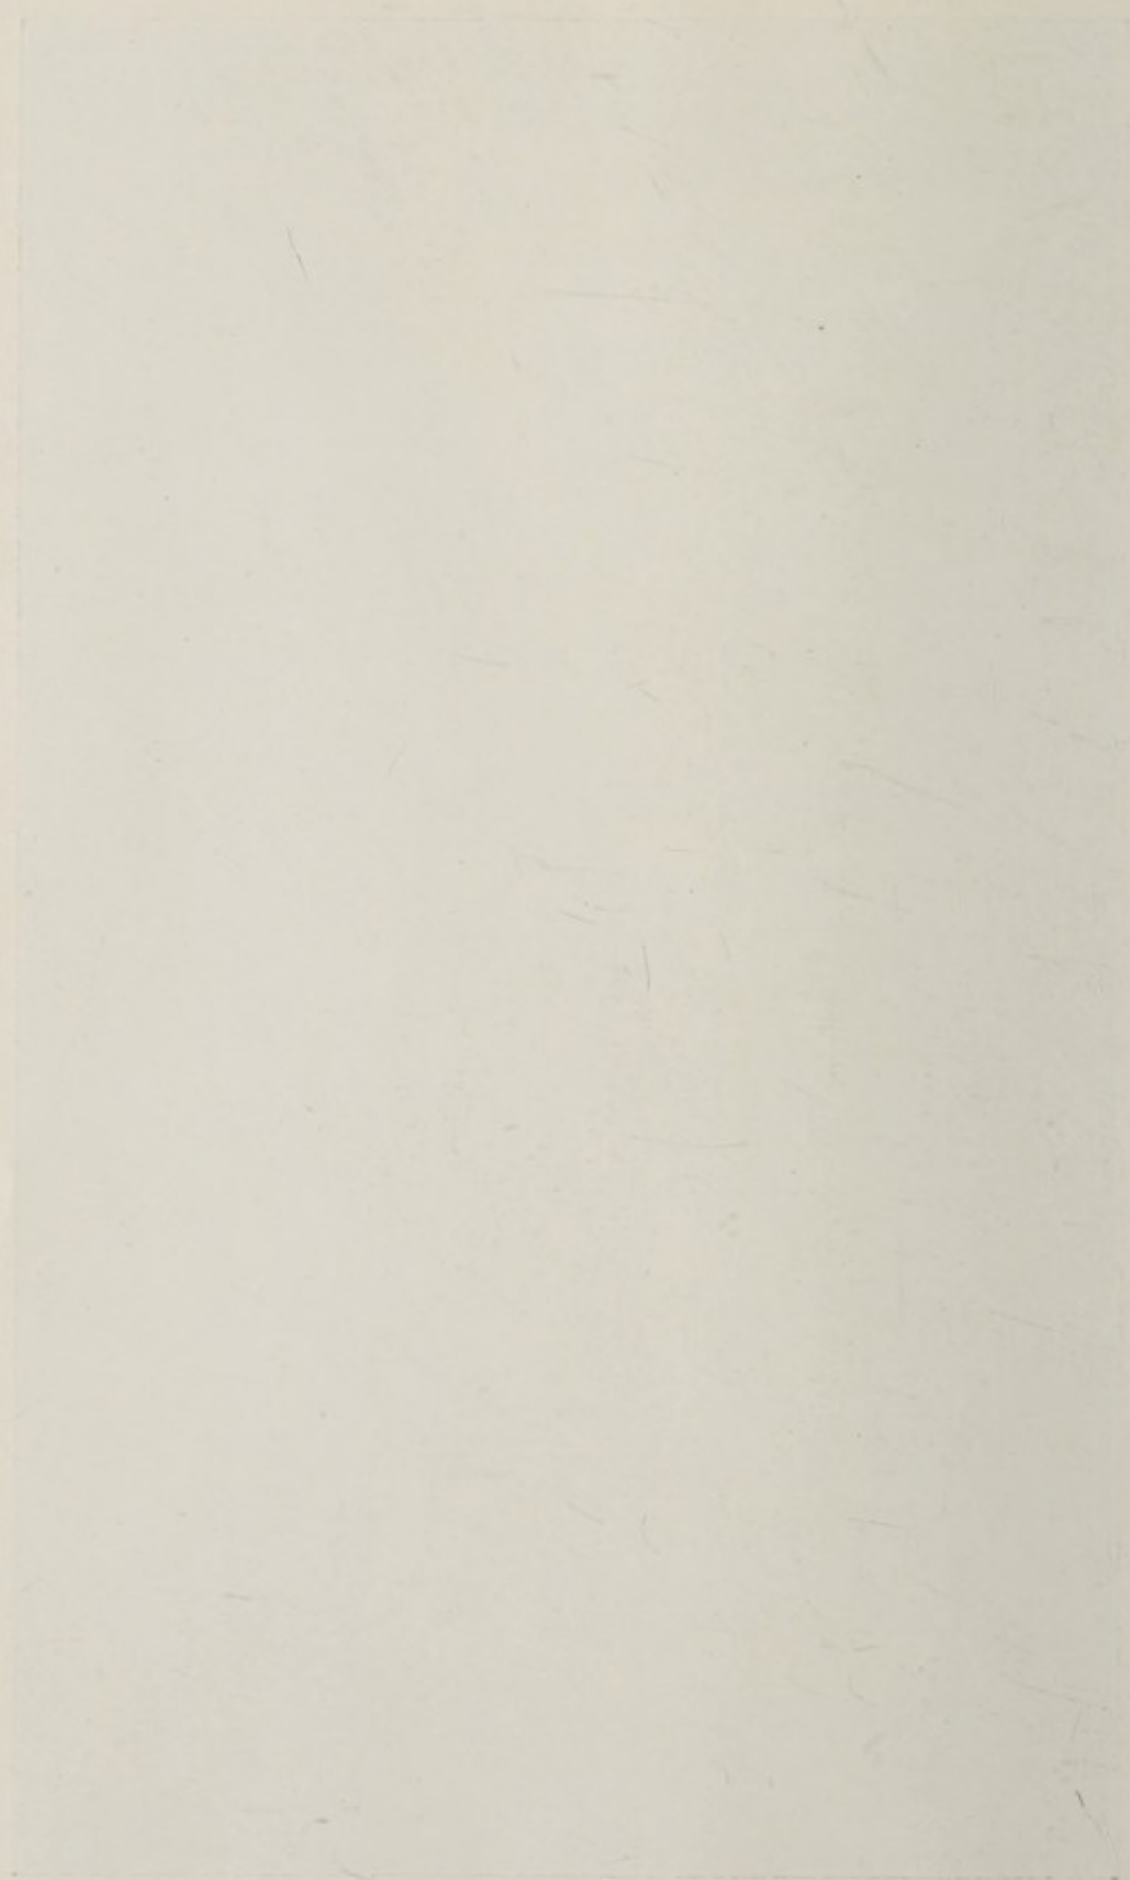

The Board regret to record the death of Mr. T. R. Blumer, a President since 1917, who had for many years been connected with the Institution.

Additions and Alterations.

The erection of two additional floors on top of the present Administrative Block to provide new accommodation for Private Patients

WARD 12, PRINCESS MARY WING.

has made good progress in spite of initial delays owing to the difficulty of obtaining deliveries of the necessary steelwork. As was stated in last year's report, this extension is being financed by means of private loans in order to avoid using the general funds of the Institution for this purpose.

The negotiations with the Ministry of Health in regard to the plans and specifications for the new Ward Block, Nurses' Home and Out-Patients' Department have reached an advanced stage, and it is hoped to commence building operations before long.

Although a grant of 75 per cent. of the building cost has been promised from the Special Areas Fund, it will require a tremendous effort on the part of all friends and supporters of the Infirmary to raise the very large balance and donations for the Building Fund are earnestly requested.

Building Fund.

Sums received for the Building Fund during the year amount to £648 3s. 9d. (including £102 16s. 3d. transferred from the Reconstruction Account), and increase the total to £83,132 6s. 5d. The expenditure on Building and Equipment to December 31st, 1937, amounted to £89,210 8s. 7d.

Provisional Central Council.

The Voluntary Hospitals Commission set up by the British Hospitals Association has submitted its report, in which three principal recommendations are made:—

- (1) The division of the country into hospital regions,
- (2) The formation in each region of a voluntary hospitals regional council to correlate hospital work and needs in the region,
- (3) The formation of a voluntary hospitals central council to co-ordinate the work of the regional councils.

As a first step towards carrying out these recommendations a Provisional Central Council has been appointed, and there is no doubt that its work will have a far-reaching influence on the future of the Voluntary Hospitals.

The Royal Infirmary may indeed feel proud that its Chairman, Mr. S. P. Richardson, has been chosen for the very important post of Chairman of the Council.

Almoner's Department. (See page 165.)

The report of the Lady Almoner indicates the wide field of activity covered and the considerable development of the social service undertaken for the benefit of the patients with the kind co-operation of numerous charitable organisations.

The Board wish to record their thanks to Miss E. E. McPherson, who built up the department from its initial stages, and whose resignation in March was much regretted. After a period of some months, during which these duties were carried out temporarily by Miss Burstal, the vacancy has been filled by the appointment of Miss M. L. Ward.

House Governor and Secretary.

It was with very great regret that the Board received the resignation of Mr. J. A. Beardsall from the post of House Governor and Secretary on his appointment as Secretary-Superintendent of the Addenbrooke's Hospital, Cambridge. They are most grateful to him for his valuable and efficient service during the past 4½ years, and wish him every success in his new sphere.

Mr. M. J. Huntley, who was previously Assistant Secretary at the University College Hospital, London, has been appointed to the vacant post.

General.

The Coronation of King George VI. and Queen Elizabeth took place in May amid general rejoicing. Thanks to the wireless broadcast, many of the patients were able to listen-in to the ceremony, and the front portion of the Infirmary buildings was floodlit during the celebrations, with the kind co-operation of the Sunderland Gas Co.

On the 19th December, the Marchioness of Londonderry made an eloquent broadcast appeal on behalf of the Royal Infirmary, as a result of which donations totalling £200 14s. 2d. were received. The Board are most grateful to Lady Londonderry for undertaking the appeal and to the B.B.C. for granting the necessary facilities.

Thanks.

Special thanks are due to:—

The Guild of Help, for the kindly continuance of their assistance in arranging for the after-care of necessitous patients.

The Sunderland Surgical Aid Society, for the financial help given to patients unable to provide essential surgical appliances.

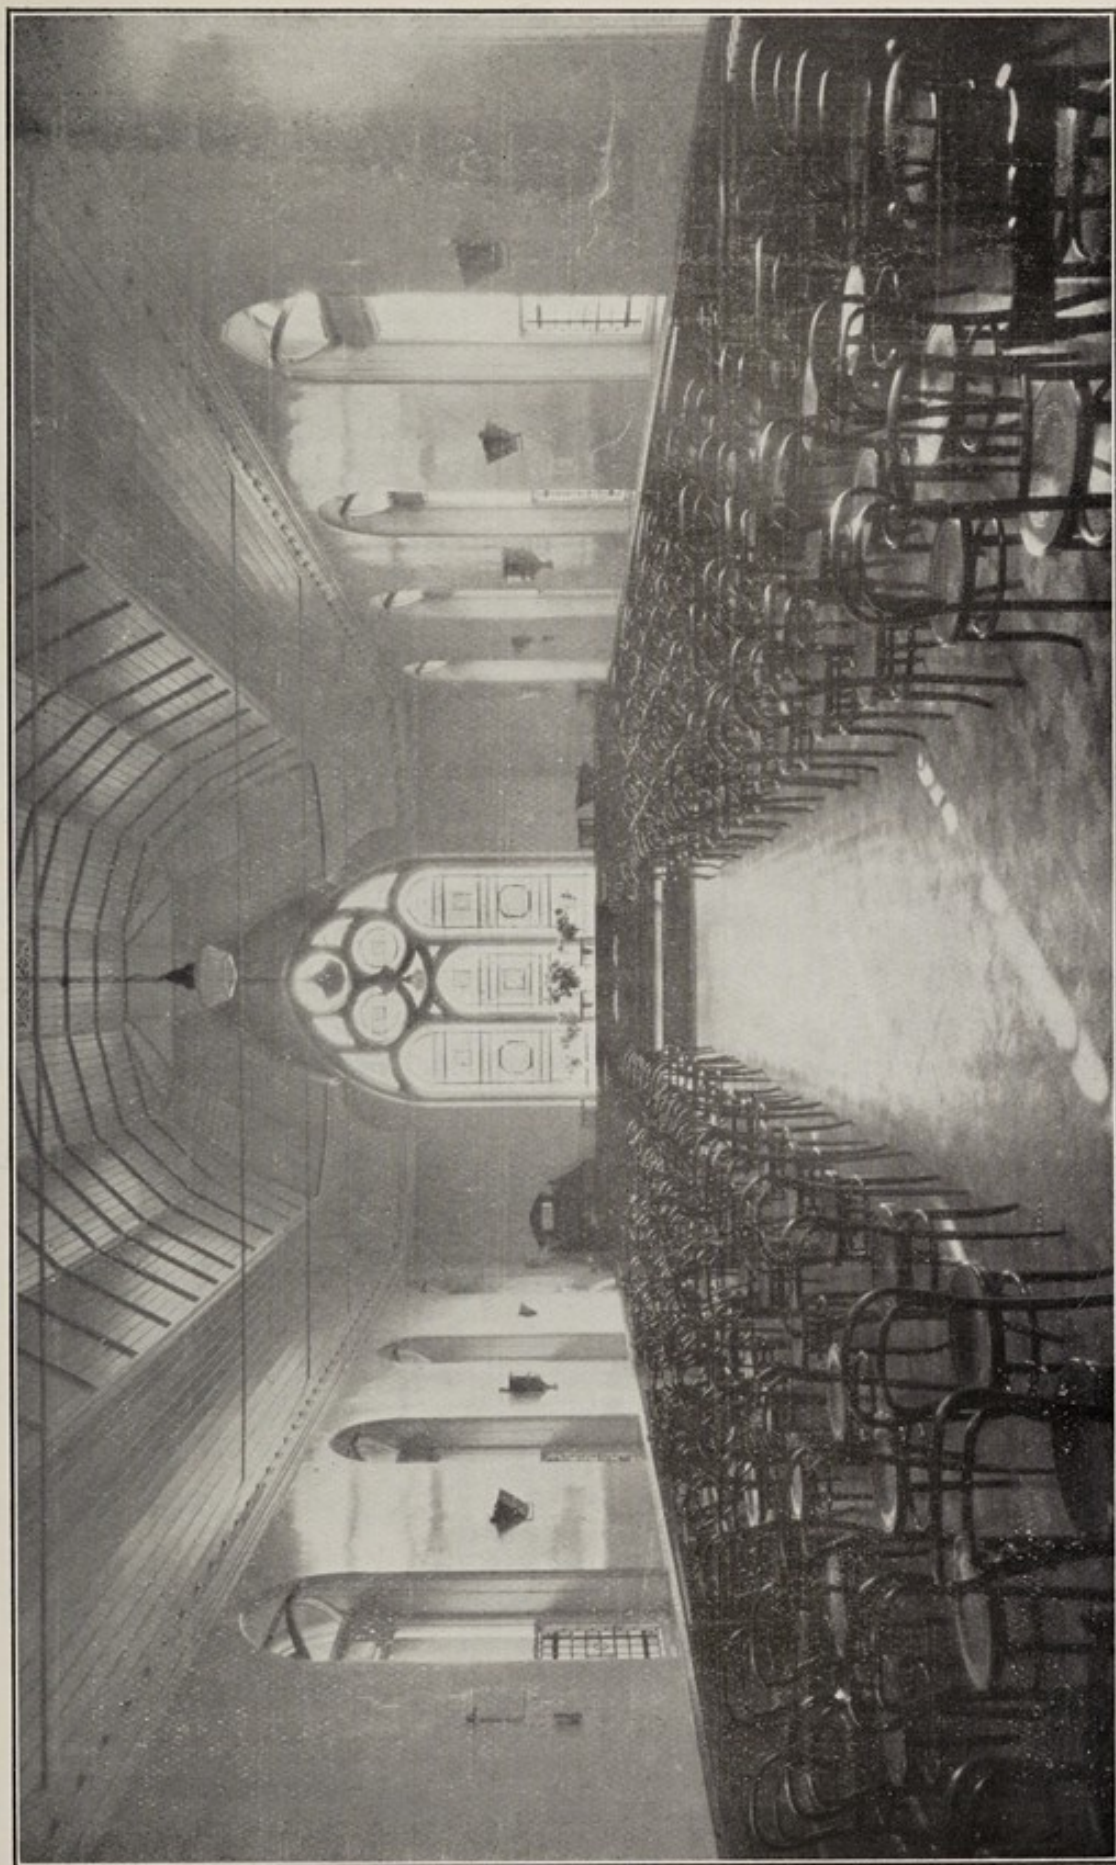

The local branch of the St. John Ambulance Brigade for the appreciated services rendered by their members in helping to carry patients at discharge.

The Ladies of the "Inner Wheel" for their good offices in running the Canteen for Out-Patients.

The clergy and congregations through whose kindness the sum of £564 6s. 5d. was contributed on Hospital Sunday.

The Organisers and Helpers in the "Pound Week" effort, which resulted in the collection of £9 1s. 6d. in cash and 2,590 lbs. of commodities valued at £31 19s. 1d.

Interesting statistics relating to the work of the Institution will be found in the Medical Report (page 40).

CHILDREN'S HOSPITAL.

In-Patient Statistics.

The number of Patients treated during the year was 2,126, the daily average number of beds occupied being 61.44, and the average stay of each patient 10.54 days. The cost per patient was £3 3s. 8d., and the cost per occupied bed £110 3s. 3d., as compared with £3 8s. 0d. and £113 7s. 3d. in 1936.

Out-Patient Statistics.

The number of Patients treated during the year was 1,892, the attendances totalling 5,207. The cost per Out-Patient was 31.08 pence and 11.1 pence per attendance.

Finance.

The Ordinary Income amounted to £5,260 6s. 3d., being an increase of £37 1s. 0d. on the previous year. The contributions received from workmen totalled £2,971 13s. 6d., an increase of £118 7s. 6d. on the total for 1936. An earnest appeal is made for increased support for the Hospital, as the Ordinary Income to this most important branch of the Institution's work has dwindled by £3,473 0s. 0d. in the past 10 years.

The Expenditure for the year was £7,013 9s. 5d. as compared with £6,659 8s. 8d. in 1936, an increase of £354 0s. 9d.

Particulars of the sums raised are:—

	£	s.	d.
Collections	137	7	7
"Heather Week"	560	6	7
Annual Dance	100	0	0
	£797	14	2

The Board gratefully acknowledge the services so constantly given by the Lady Presidents, Officers and Members to provide a substantial portion of the income for the treatment of sick children, and take this opportunity of thanking them and their numerous supporters. Particular mention is made of the valuable work performed by the Honorary Secretaries of the League, Mrs. L. Laing and Miss H. Iliff. They are also indebted to Mr. and Mrs. S. W. Milburn for again so ably organising the Hospital Ball, the proceeds of which materially assist the total sum raised by the League.

Road Accidents.

4½ In-Patients and 2 Out-Patients were treated as the result of motor accidents, the cost amounting to £142 14s. 6d., of which amount £45 18s. 7d. was recovered from Insurance Companies.

Medical Staff.

Dr. R. H. Dix has retired from the post of Senior Surgeon, under the age limit, after many years' valuable service to the Hospital. The Board are most grateful to him for his services, and have appointed him Consulting Surgeon.

It has been decided that the surgical work at the Children's Hospital shall now be undertaken by the Honorary Surgeons from the Royal Infirmary.

Nursing Department.

The Nursing Staff consists of the Matron, 4 Sisters, 2 Staff Nurses, 4 Third-Year Nurses, 3 Second-Year Nurses, 5 First-Year Nurses, and 2 Nurses from the Royal Infirmary, a total of 21.

General.

It has been decided to enclose the open verandah of Gordon Ward by a sliding glass partition, and this work is now being carried out. It will enable greater use to be made of the verandah in inclement weather, and will improve the comfort of the ward itself by the additional protection from cold winds.

A pleasing feature has been the presentation of six small cots for younger children by the following generous donors, to whom the Board wish to express their grateful thanks:—

Mr. and Mrs. E. D. Magog.
Mr. A. C. Patterson, J.P. (2 cots).
Mr. I. Jacobs (2 cots).
Miss Beryl Fairclough.

HEATHERDENE CONVALESCENT HOME.

The Home was re-opened for the admission of Patients on April 6th and closed on October 19th.

The total number of Patients admitted was 384, as compared with 428 in 1936. This number was made up of 121 men, 241 women and 22 children, of whom 57 were transferred from the Infirmary, as against 68 during 1936.

The daily average number of Patients was 29·67 as compared with 32·2 in the previous year, and the average duration of stay of each Patient was 15·14 days as against 15·27.

The average cost per Patient was £3 5s. 0d. as compared with £2 9s. 5d. in the previous year, and the cost of each Patient per day was 4s. 3d. as against 3s. 2d. in 1936.

The Ordinary Income of the Home for the year was £1,025 1s. 8d. as compared with £1,023 9s. 10d. for 1936, and the Expenditure £1,248 8s. 5d. as against £1,057 0s. 11d.

The amount received from Workmen who make Special Contributions to the Home was £708 11s. 5d. as compared with £632 9s. 11d. in 1936.

The Flag Day Collection held in aid of the funds on June 19th produced £112 14s. 7d., and the Board are grateful to the Workmen's Governors, who were responsible for this effort.

Dr. D. Durward Brown has resigned his post as Honorary Physician to the Home, and the Board wish to express their thanks to him for his past services.

Dr. H. Mathers has been appointed to take his place.

In conclusion, the Board again wish to thank all those who have helped during the year by financial contributions or personal service and ask for still greater efforts during the coming year. The accumulated debt of £6,801 is a serious burden and future commitments are heavy, as a large part of the cost of the new programme of extensions has to be raised.

There is real pleasure and satisfaction to be obtained from supporting a good cause such as the work of the Royal Infirmary and this appeal is made with every confidence, bearing in mind the past generosity and sympathy of the people of Sunderland and district.

S. P. RICHARDSON, Chairman.

M. J. HUNTLEY, House Governor & Secretary.

FORM OF BEQUEST.

Persons who may be disposed to contribute to the Royal Infirmary or the Children's Hospital by Will are requested to adopt the following form of Bequest:—

“ I bequeath to the Trustees of THE ROYAL INFIRMARY, SUNDERLAND, the sum of £ to be
 applied by them for the general purposes of such Infirmary or Children's Hospital as they in their discretion think fit; and I direct that the foregoing bequest shall be paid free from all Duties, and that the receipt of the Treasurer for the time being of the said Infirmary shall be a sufficient discharge for the same.”

FORM OF BEQUEST FOR ENDOWMENT.

“ I bequeath a Legacy of £ to the
 Royal Infirmary, Sunderland, or Children's Hospital, Sunderland, to be applied for the endowment of a Bed or Cot at such Infirmary or Hospital, to be called or known as the Bed
 or Cot in memory of
 and I direct that the foregoing bequest shall be paid free from all Duties, and that the receipt of the Treasurer for the time being of the said Institution shall be a sufficient discharge for the same.”

Gifts by Will of Land or Buildings are by the Mortmain and Charitable Uses Act, 1891, receivable by this Institution.

GOVERNORS and SUBSCRIBERS are earnestly asked to do all they can to secure further support for the Royal Infirmary and Children's Hospital. A word in recommendation of the Institutions would often secure a new Annual Subscription or a Donation to the Funds.

An Annual Subscription of £1 ls. to the General Funds constitutes a Governor.

A Donation of £25 and upwards to the General Funds constitutes a Life Governor.

The Endowment of a Bed or Cot affords a very valuable means of perpetuating, in a useful manner, the memory of Relatives or Friends.

The benefactions which confer these privileges are as follows:—

Bed	...	...	£1,000.
Cot	...	...	£500.

Subscriptions and Donations will be thankfully received by Messrs. Barclays Bank Ltd., Sunderland; or by the House Governor and Secretary, Mr. M. J. Huntley, Royal Infirmary, Sunderland.

REPORT OF LADY ALMONER'S DEPARTMENT.

The Social Work of the Department has increased by one-third during the past year, and 374 families were referred to the Almoner for assistance and advice.

In addition to patients sent to Heatherdene 19 were sent to other Convalescent Homes.

Surgical Instruments have been supplied to 140 patients and help with the cost obtained from Miners' Unions, Medical Officers of Health, Public Assistance Committees and other Voluntary Agencies.

20 patients have been assisted with the cost of transport to Hospital for treatment, and it has been arranged for 39 patients on their discharge from Hospital, through State and Voluntary Agencies, to have grants for extra nourishment.

Other assistance has included the arrangement of Domestic Help for patients on leaving Hospital, and supervision by Health Visitors and District Nurses. Work and training has been arranged for physically handicapped patients, and legal help has been obtained through the Law Society for patients unable to afford the services of a Solicitor in making claims for compensation for Road Accidents.

1,860 patients have been interviewed with a view to collecting payment for treatment, and £1,046 has been paid for their maintenance.

In conclusion, we would like to thank all those State and Voluntary bodies and individuals who have so continuously and willingly co-operated with the Department.

M. L. WARD,

Lady Almoner.
