PYREX Laboratory Glassware

Regd. Trade Mark

Brand

ACTUAL University laboratory records have proved that while the annual breakage bill with ordinary glassware has been as high as 50 per cent., that of PYREX Brand Scientific Glassware has only totalled 10 per cent. with the result that PYREX Brand Glass is now almost exclusively used.

Its resistance to temperature changes is so high that it can be made sufficiently robust to withstand mechanical shocks received in every day laboratory practice.

Ask for PYREX Brand and see that you get it!

Illustrated catalogue and two copies of our Chemists' Notebook free.

JOBLINGS Art Glass

Beautiful designs, exquisitely moulded in delicate and attractive colours, give to Joblings Art Glassware that touch of character which means so much in the decoration of the Home. Ask to see Joblings Art Glass!

Communications regretting inability to attend were received from His Worship the Mayor (Ald. T. Summerbell), Mr. J. H. Mounsey (Deputy Chairman), Ald. Sir Walter Raine, J.P., Rev. R. S. Staunard, Dr. G. B. Morgan, Mr. W. Rodgeron, Mr. J. P. Hall, J.P., Mr. A. O. Patterson, J.P., Dr. R. H. Dix and Mr. E. Phaup.

The notice convening the meeting having been read, the following resolutions were adopted:—

(1) Moved by the Chairman.

“That the Minutes of the last General Court of Governors be taken as read, and signed.”

(2) Moved by the Chairman.

“That the report of the Board of Management having been sent to each Governor be taken as read.”

In formally moving the adoption of the annual report and asking Mr. S. P. Richardson to support this, Mr. Storey said he thought they had been extraordinarily fortunate in their new chairman. He had

given a great amount of time to the position, and they must all be grateful to him for the splendid work he had done for the Institution during the last twelve months.

Mr. Richardson said the fact that his family had been connected with the Infirmary for very many years added to the peculiar pleasure he felt in occupying the chairmanship.

ECONOMIES REACH LIMIT.

The ordinary income last year, continued Mr. Richardson, amounted to £37,741, a decrease of £329 on the previous year. The extraordinary income of £3,430 was £864 less than in the previous year. The main reason for the decrease in the ordinary income was the lesser receipts from the treatment of patients, and they must face up to the fact that these were likely to be lower in future years owing to the approved societies ceasing to pay hospital benefits.

Extraordinary income was a fluctuating asset, and if it had not been for the valuable contributions, amounting to £1,600, which they received in celebration of the Jubilee of the late King the deficit would have been considerably greater.

Ordinary expenditure was £40,015, a decrease of £348. The present cost of running the Institution was £5,000 less than in 1930.

"LET NOBODY RUN AWAY WITH THE IDEA THAT FURTHER CONSIDERABLE ECONOMIES ARE POSSIBLE," SAID MR. RICHARDSON. "THEY ARE IMPOSSIBLE IF THE INSTITUTION IS TO BE KEPT UP IN A STATE OF EFFICIENCY. WHAT WE HAVE GOT TO DO IS TO SEE THAT WE INCREASE OUR INCOME, AND NOT ADOPT A CHEESE-PARING POLICY IN AN EFFORT TO DECREASE EXPENDITURE FURTHER IN WAYS THAT MAY RE-ACT UNFAVOURABLY UPON THE WORK OF THE INFIRMARY AS A WHOLE.

"If it were not for the extraordinary income our deficit would go on increasing and we would not be able to make ends meet even to the extent that we do now.

WORKMEN'S CONTRIBUTIONS.

"The cost per bed had been reduced in the last five years from £129 to £109 per annum, but I am not going to promise you—in fact it would be wrong if I did—that there can be any further reduction. Efficiency must be kept up, and I am sure I am speaking for the Board of Management when I say that they will not be a party to economies which necessitate a decrease in efficiency. (Applause.)

Mr. Richardson said he was glad to note that workmen's contributions were again on the upgrade. That was an indication that times were getting better, and he hoped that the time was not far distant when workmen might see their way to increase their contributions to three-pence per week. If only that could be accomplished he would feel that the finances of the Infirmary were on a more satisfactory basis.

MR. RICHARDSON WENT ON TO REFER TO THE UNSATISFACTORY POSITION REGARDING THE COST OF TREATING ROAD ACCIDENT CASES. LAST YEAR THEY EXPENDED £337 UNDER THIS HEAD, AND THEY WERE ONLY ABLE TO GET BACK FROM THE INSURANCE COMPANIES £278.

Parliament ought to improve the position of the voluntary

hospitals in this respect. Meantime they owed a great debt of gratitude to Mr. Storey for his unceasing activities in pressing this matter upon the attention of the Government, and he hoped Mr. Storey would continue to urge that justice be done to the hospitals.

Mr. Richardson said a gymnasium had been provided for remedial exercises at a cost of £725, of which £400 had been collected by the medical officer and staff of the Orthopædic Department.

INCREASING ACCOMMODATION.

Mr. Richardson next referred to the application made by the Infirmary to the Commissioner for Special Areas for a grant towards the cost of building a new out-patients' department, a new nurses' home, and other additions. He hoped that by next year he would be able to announce that success had crowned their efforts.

He was most anxious, too, to get on with their plans for providing further accommodation for paying patients, because by so doing they would be able to increase the accommodation for the ordinary non-paying patients.

POINTING OUT THAT THERE WAS AN INCREASING PUBLIC DEMAND FOR MEDICAL SERVICES OF ALL KINDS, MR. RICHARDSON SAID THAT IN ORDER TO GET THE BEST POSSIBLE SERVICES THERE MUST BE MORE CO-ORDINATION BETWEEN THE PUBLIC AUTHORITIES AND THE VOLUNTARY BODIES CONCERNED. IF THEY WENT ON IN THEIR OWN PAROCHIAL WAYS THE ONLY RESULT WOULD BE THAT THE HEALTH SERVICES OF THE COUNTRY WOULD NEVER REACH THE HIGH STANDARD THEY WISHED TO ATTAIN.

Mr. Stanley Raw, Chairman of the Medical Board, supporting the adoption of the report, expressed the thanks of himself and his colleagues to Mr. Storey for his valuable work as a member and during his chairmanship of the Board of Management.

Mr. W. Hall (Hetton Lyons), Chairman of the Workmen's Governors, spoke briefly in supporting the motion, after which questions were invited.

GUARANTEE GIVEN.

Mr. J. Devlin (Dawdon) raised the question of additional accommodation for paying patients, and suggested that the Infirmary was established not to provide this kind of accommodation but for poor people who could not afford to pay fees.

Mr. Storey replied by reminding the Governors that when he launched the appeal for the reconstruction of the Infirmary it was pointed out that one of their objects was the provision of accommodation for paying patients, and a guarantee was given that such accommodation would be additional to the accommodation available for ordinary patients.

If the scheme they now had in mind were proceeded with, the money would be raised quite separately and the paying patients' accommodation would be provided where it would not be used for ordinary cases.

IT MIGHT BE SAID THEY OUGHT NOT TO PROVIDE PAYING PATIENTS' ACCOMMODATION IN A VOLUNTARY HOSPITAL, BUT HE THOUGHT THAT WAS A WRONG ATTITUDE. THE INFIRMARY WAS STARTED AS A HOSPITAL FOR THE SICK POOR, BUT AS MEDICAL

SCIENCE PROGRESSED VOLUNTARY HOSPITALS HAD BECOME MORE AND MORE GENERAL HOSPITALS AND CERTAIN SURGICAL TREATMENT WAS PROVIDED THERE WHICH COULD NOT BE OBTAINED ELSEWHERE.

"I don't think it is right," said Mr. Storey, "to say that the facilities provided in a hospital such as this should be limited to one class of the residents of the district. They should be available to everybody—for those who cannot afford to pay for it, free of cost; for those who can afford to pay a little, by paying their penny or twopence, or threepence, a week; for those who can afford to pay more, by paying full charges; and for those who can afford to pay a lot, by paying something more than the full charges."

"BEST POSSIBLE."

He would not be content with the hospital system of the country until everybody, rich or poor, could go into the voluntary hospitals and get the best possible treatment available.

Replying to a further criticism by Mr. Devlin, Mr. Storey said at present they had two wards for paying patients, with six single-bed rooms underneath for paying patients. To build their new out-patients' department they would have to take away those six rooms on the ground floor.

"Now the paying patients' department is one that we want to develop, for it brings not only people who can afford to pay but also people who are in the 30s. a year insurance scheme. They go into the paying patients' ward and they free the beds in the rest of the Infirmary.

"If we are going on with the new out-patients' department and we do not want to cut down the paying patients' ward, we have got to provide new accommodation, and in doing that we intend to provide enough to take the whole of the paying patients' accommodation from where it is now.

"That would give you the out-patients' department on the ground floor, and on the top floor it would free two wards for ordinary patients.

"If we get the Commissioner for Special Areas to pass the whole scheme we are putting forward it will enable us not only to have a new out-patients' department but will enable us to duplicate the Princess Mary Wing, so I think you can rest assured that the plans which have been put forward will not in any way curtail the accommodation for the ordinary patients and will not in any way take any of the services away from them.

"Further, I give you this assurance that the scheme for financing the paying patients' department is one that stands on its own feet. It will provide the money for all the building and will be no drain whatever on the funds of the Institution."

The annual report was then adopted.

STAFFING OF INSTITUTION.

Mr. Richardson mentioned that he was at present engaged in an inquiry into the whole question of the staffing of the Institution with a view to bringing it as up-to-date as possible.

Miss M. Moore and Mr. J. L. Balbach were elected Life Governors.

On the motion of the Chairman, the undermentioned recommendations were adopted:—

(a) That the following be added to Rule 21:—

“Any member of the Staff on whose behalf such discretion is exercised, shall take up his Consulting Appointment immediately the Board has decided upon the recommendation, pending confirmation or otherwise by the next Court of Governors.”

(b) That the portion of Rule 21 referring to the retiring age of members of the Honorary Staff be suspended until the next Annual Court of Governors.

The Board of Management reported that in accordance with Rule 13 the following members retire:—Rev. R. S. MacLauchlan, Coroner J. C. Morton, Mr. A. C. Patterson, J.P., Mr. D. R. Pinkney, Mr. J. Simpson, J.P., Rev. R. W. Stannard, Sir Luke Thompson, Dr. H. A. Cookson, Dr. R. H. Dix, Dr. P. Hickey, Dr. G. S. Robinson, Dr. N. F. Rowstron, Dr. W. Grant Waugh, and Messrs. J. Black, W. Byers, S. Garland, G. Greenlay, J. M. Hall and M. Walton.

On the motion of Dr. Paige Arnold, seconded by Mr. Elliott Smith, the Rev. R. S. MacLauchlan, Coroner J. C. Morton, Mr. A. C. Patterson, J.P., Mr. D. R. Pinkney, Mr. J. Simpson, J.P., Rev. R. W. Stannard, Sir Luke Thompson, Dr. H. A. Cookson, Dr. R. H. Dix, Dr. P. Hickey, Dr. G. S. Robinson, Dr. N. F. Rowstron and Dr. W. G. Waugh were re-elected Members of the Board of Management, together with Messrs. A. Bowmaker, J. Campbell, J. Devlin, J. A. Martyn, J. W. Scott, J. L. Waugh and C. H. Young to fill vacancies.

Messrs. Rawlings and Wilkinson were re-appointed auditors on the motion of Mr. J. Levy, seconded by Mr. R. Hope; and on the proposition of Sir Luke Thompson, seconded by Mr. G. H. Bartram, the thanks of the Governors were given to the members of the medical and surgical staff of the three Institutions—Royal Infirmary, Children's Hospital, and Heatherdene Home—for valued services rendered.

A vote of thanks to Mr. Storey, proposed by Dr. G. F. Walker, concluded the meeting.

S. STOREY, Chairman.

J. A. BEARDSALL, House Governor & Secretary.

The One Hundred and Forty-First

ANNUAL REPORT

OF THE

ROYAL INFIRMARY,
SUNDERLAND,

FOR THE

YEAR ENDED 31st DECEMBER, 1935.

The Board of Management have pleasure in presenting the 141st Annual Report to the Governors. The medical and surgical facilities have been extensively utilised, and an increase is recorded in the number of patients applying for treatment. Special efforts have been made to reduce the number of patients awaiting admission, and it is pleasing to record success in this direction. The financial position shows little variation over the previous year—the Ordinary Income shows a decrease of £329 12s. 8d., which has fortunately been offset by a decrease of £348 3s. 0d. in the Ordinary Expenditure, but had it not been for Extraordinary Income there would have been a deficit on the year's working of £2,274 7s. 7d.

It is emphasised that efforts to increase income must be continued, and the Board earnestly appeal to all Subscribers to consider and complete the form of agreement inserted between pages 72 and 73 of the report in order that the Institution may recover Income Tax paid on the amount of their subscriptions.

SAMUEL STOREY, ESQ., M.P.,
CHAIRMAN OF THE BOARD OF
MANAGEMENT FROM DECEMBER 12TH,
1929, TO APRIL 11TH, 1935.

Workmen's Contributions.

The amount received from this source again shows an increase over the amount received in the past year, and is a welcome sign of returning prosperity to the area.

The Board are still hopeful of organising a contributory scheme in the future whereby the payment of a uniform contribution by all workpeople will enable the Institution to be run free from the incubus of debt.

Investments.

The following changes in Investments are recorded:—

£1,000 L.C.C. 3½% Stock sold from Endowments, realising £1,023 12s. 0d. and replaced by the transfer for £1,000 3½% Conversion Loan from General Fund—the cash being held in General Account as a temporary offset against overdraft.

Expenditure.

The Ordinary Expenditure for the year was £32,216 19s. 3d. as against £32,562 5s. 2d. in 1934, showing a reduction of £345 5s. 11d.

Road Accidents.

88 In-Patients and 45 Out-Patients were treated as the result of motor accidents, the cost to the Infirmary being £389 6s. 10d.

Of this amount only £194 1s. 0d. was recovered from the Insurance Companies, and it is regrettable that the balance has to be provided from the General Funds until new legislation is introduced to remove the burden.

Ladies' Guild.

The Captains and Members of the Guild have again achieved their objective in raising sufficient money to endow "The Silver Jubilee Bed," bringing the total of their bed endowments to 28. This year's Annual Fete and Sale of Work was opened by Mrs. Gregson, of Burdon Hall, when the sum of £1,071 8s. 10d. was raised, and the grateful thanks of the Board are extended to all who participated in this effort.

Young People's Brick Scheme.

The interest of the young people of the Town and District is being maintained by Mrs. E. W. Bartram, O.B.E., and her enthusiastic helpers, who have again collected the sum of £100 towards the upkeep of the "Brick Scheme Bed." In tendering their thanks, the Board are mindful of the great amount of work entailed in this collection and duly appreciate the efforts of both organisers and contributors.

Carnival Committees.

Indebtedness is expressed to these Committees and their loyal band of workers, whose efforts on behalf of local charities continue undiminished and have provided the following financial assistance to the funds:—

The Sunderland Carnival and Roker Regatta	£100
The Hendon Carnival	£30

In this connection, Mr. J. L. Balbach and Miss M. Moore are recommended for election as Life Governors.

Medical Staff.

The following changes in the Medical Staff are reported;—
Re-appointments.

Mr. Stanley Raw, F.R.C.S., as Honorary Surgeon.

The death, after a brief illness, of Nurse M. Wilson, who was in her first year of training, is recorded with regret.

Obituary.

The Board regret to record the deaths during the year of:—

Mr. C. Cook, a member of the Board of Management since 1925.

Mr. C. D. Doxford, a President since 1930, and a generous benefactor.

Mr. J. C. Scott, a Vice-President since 1908 and a member of the Board for a period of 38 years.

Mr. J. Sinclair, a Vice-President since 1933, an active member of the Board for 16 years, and Chairman of the Orthopædic Committee since its inception in 1920.

Chairmanship.

After holding the position for 5 years. Mr. Samuel Storey, M.P., retired from the Chairmanship of the Board in March, and the Institution has been fortunate in securing as his successor Mr. S. P. Richardson, J.P., whose family has long been actively associated with the work of the Infirmary.

Mr. Storey's term of office has been marked by constant progress and the reconstruction and development of the Institution during this period are due, to a large extent, to his ability and enthusiasm, well meriting the admiration and thanks of the Board of Management.

British Hospitals' Association.

The Annual Meeting and Conference was held at Leamington Spa in June, when several subjects on Hospital Administration were surveyed, and the following important resolution adopted:—

"That a Commission be appointed to take into consideration the present position of the Voluntary Hospitals of the country; to enquire whether, in view of recent legislative and social developments, it is desirable that any steps should be taken to promote their interests, develop their policy and safeguard their future; and to frame such recommendations as may be thought expedient and acceptable."

Egg Week.

Mrs. W. Grant Waugh and her Committee are again to be congratulated on the success of their efforts, which resulted in the collection of 90,870 eggs and £32 8s. 11d. in cash.

The Board are very grateful to the organisers for the apportionment received, totalling 57,000 eggs and £19 14s. 6d. in cash.

THE UNIVERSITY OF CHICAGO

Insurance Scheme (Private Wards).

Attention is directed to page 44, on which full details of this scheme are given. The facilities offered are becoming more widely known, as evidenced by the year's enrolments, which break all previous records. Special arrangements are now in force for monthly group collections, and particulars may be obtained from the House Governor and Secretary.

Federated Superannuation Scheme.

In May last, the Board decided to become a participating Institution in this scheme, as it was found to be advantageous in recruiting suitable applicants to the staff. The cost of participation will be spread over a period of years, as new entrants are admitted.

Additions and Extensions.

At the request of the Town and County Authorities, the Board agreed to the extension and modernisation of the Venereal Diseases Department accommodation, which has been completed at an approximate cost of £1,218. This sum is to be repaid to the Infirmary funds by annual payments and interest over a period of years.

Internal reconstruction has been carried out in the Hartley Wing to provide two side wards, each accommodating 3 beds.

Authority has been given for the erection of a Gymnasium adjoining the Orthopaedic Department at an approximate cost of £725, and the work on this extension will be commenced shortly.

Consideration is still being given to the proposal to extend the accommodation for paying-patients, and it is hoped that concrete proposals will be placed before the Board early in 1936.

Building Fund.

Sums received for the Building Fund during the year amount to £423 7s. 0d., and increase the total to £82,126 7s. 7d. In addition, £35 has been received for the Equipment Fund, making the total £4,070 12s. 7d. The expenditure on Building and Equipment to December 31st, 1935, amounted to £86,818 14s. 2d., which includes outstanding accounts at December 31st amounting to £800 0s. 0d.

General.

The Revs. R. W. Stannard and R. S. MacLauchlan have been elected members of the Board to fill vacancies caused by the resignations of the Revs. S. R. Bawtree and Preb. A. B. Wynne Willson.

Messrs. A. H. Dickinson and C. R. Walker have also resigned from the Board, and this opportunity is taken to express thanks for the assistance these gentlemen rendered in their respective spheres.

In view of impending retirements, a Committee has been appointed to consider and report on the future Medical and Surgical Staffing of the Institution.

It has been found necessary to renew the electrical wiring in Ward 9, renew the cylinder of the water softening apparatus, and to install a Refrigerator in the meat store, the total sum involved being £168 2s. 0d.

Thanks.

Special thanks are due to:—

The Guild of Help, who have kindly continued their work of arranging for the after-care of discharged necessitous patients.

The Sunderland Surgical Aid Society, who so kindly extend financial help to patients unable to provide essential Surgical Appliances.

The Local Branch of the St. John Ambulance Brigade for the appreciated services rendered by their members as Blood Donors and in helping to carry discharged patients.

The Ladies of the "Inner Wheel" for their good offices in running the Canteen for Out-Patients.

The Organisers and Helpers in the third "Pound Week" effort which resulted in the collection of £10 8s. 8d. in cash and 4,535 lbs. of commodities valued at £41 11s. 6d.

The Expenditure for the year was £6,698 11s. 11d. as compared with £6,412 9s. 2d. in 1934, an increase of £286 2s. 9d.

HEATHERDENE CONVALESCENT HOME.

The Home was re-opened for the admission of Patients on April 2nd, and closed October 15th.

The total number of Patients admitted was 390, as compared with 362 in 1934. This number was made up of 130 men, 230 women and 30 children, of whom 58 were transferred from the Infirmary as against 47 during 1934.

The daily average number of Patients was 31.12 as compared with 33.97 in the previous year, and the average duration of stay of each Patient was 15.64 as against 16.42.

The average cost per Patient was £2 16s. 5d. as compared with £3 16s. 9d. in the previous year, and the cost of each Patient per day was 3s. 7d. as against 4s. 8d. in 1934.

The Flag Day Collection held in aid of the funds on June 22nd produced £159 3s. 10d., and the Board are grateful to the Workmen's Governors, who were responsible for this effort.

During the year Dr. Stanley Van S. Boyd resigned the position of Honorary Surgeon, and has been succeeded by Dr. T. Glen Reah.

It is desired to place on record an appreciation of Dr. Boyd's services, which have extended over a period of 16 years.

Through the generosity of an anonymous donor, the old wireless set at the Home has been replaced by a modern electric set and the improvement in the reception of programmes is greatly appreciated by the patients.

Thanks.

The Board again extend their grateful thanks to all who have assisted the Institution by Contributions, Service or Gifts in kind, and look forward to a continuance of this support.

In Conclusion,

The Board would reiterate that their most urgent need is new accommodation for Out-Patients and a Nurses' Home. The present provision for the former is most inadequate to meet modern demands, whilst the lack of suitable housing for the Nurses is advanced as a contributing cause of a real difficulty in obtaining Probationers for Training. An application for financial aid towards the provision of the foregoing requirements is before the Commissioner for the Special Areas, and the Board earnestly hope that success will attend their endeavours in this direction.

Whilst fully aware of the financial difficulties affecting the Area served by the Institution, they feel that failure to provide these necessary facilities may endanger the high standard of service so long associated with the Institution in the alleviation of suffering and disease.

S. P. RICHARDSON, Chairman.

J. A. BEARDSALL, House Governor & Secretary.

FORM OF BEQUEST.

Persons who may be disposed to contribute to the Royal Infirmary or the Children's Hospital by Will are requested to adopt the following form of Bequest:—

"I bequeath to the Trustees of THE ROYAL INFIRMARY,
SUNDERLAND, the sum of £ to be
applied by them for the general purposes of such Infirmary or
Children's Hospital as they in their discretion think fit; and I
direct that the foregoing bequest shall be paid free from all
Duties, and that the receipt of the Treasurer for the time being of
the said Infirmary shall be a sufficient discharge for the same."

FORM OF BEQUEST FOR ENDOWMENT.

“ I bequeath a Legacy of £to the
Royal Infirmary, Sunderland, or Children's Hospital, Sunderland,
to be applied for the endowment of a Bed or Cot at such Infirmary
or Hospital, to be called or known as the Bed
or Cot in memory of
and I direct that the foregoing bequest shall be paid free from all
Duties, and that the receipt of the Treasurer for the time being
of the said Institution shall be a sufficient discharge for the same.”

Gifts by Will of Land or Buildings are by the Mortmain and Charitable Uses Act, 1891, receivable by this Institution.

GOVERNORS and SUBSCRIBERS are earnestly asked to do all they can to secure further support for the Royal Infirmary and Children's Hospital. A word in recommendation of the Institutions would often secure a new Annual Subscription or a Donation to the Funds.

An Annual Subscription of £1 1s. to the General Funds constitutes a Governor.

A Donation of £25 and upwards to the General Funds constitutes a Life Governor.

The Endowment of a Bed or Cot affords a very valuable means of perpetuating, in a useful manner, the memory of Relatives or Friends.

The benefactions which confer these privileges are as follows:—

Bed	...	...	£1,000.
Cot	...	...	£500.

Subscriptions and Donations will be thankfully received by Messrs. Barclays Bank Ltd., Sunderland; or by the House Governor and Secretary, Mr. J A. Beardsall, Royal Infirmary, Sunderland.
