Report of the Committee, 1937.

In the review of the year to 31st December, 1937, the Committee has to report on several events of major importance. The work of the Infirmary has continued to increase and the year has been an exceedingly busy one for everyone concerned.

The Matron, Miss K. G. Lloyd, having reached the age limit, retired after 17½ years of valuable and faithful service. Miss Lloyd's work for the Infirmary was of the very highest order, and the high standard maintained in the Hospital was, in large measure, due to her. As a mark of appreciation, Miss Lloyd was granted a retiring pension of £150 per annum. Miss K. M. Clarke, late Assistant-Matron at Sheffield Royal Hospital, was appointed to succeed Miss Lloyd as Matron.

The increased work has necessitated various increases in the hospital staff and there are now five Hon. Surgeons, two Hon. Assistant-Surgeons, and an Hon. Orthopædic Surgeon, also it has been decided to appoint a whole time Superintendent-Secretary.

Past reports have, year by year, given account of the progress of the Extensions in hand, and last year the conclusion of the schemes (initiated in 1928) was reported, but the ever-increasing calls made on Voluntary Hospitals by the National and the Local Governments do not permit of any halt, and a further extension consisting of a Maternity Block and New Out-Patients' Department is contemplated.

The number of Patients treated in the Wards during the year has again exceeded all records, the figures being 2,929 against 2,775 in 1936. The patients consisted of 748 men, 1,144 women, and 1,037 children, which latter figure includes 281 babies born in the Maternity Department. The average duration of stay in the Infirmary was 16·26 days as compared with 18·87 days in the preceding year. There were 425 Private Patients, for the maintenance of whom £2,601 os. 2d. was received.

The Account of Receipts and Payments on Maintenance again, without any expenditure of an abnormal character

discloses an increase in the expenses of the Infirmary. The contribution from the Workpeople's Committee of £8,830, is a record and reflects great credit on the work of that Committee.

The Receipts for the year, including the balance brought forward from the last Account, totalled £21,451 9s. 3d., and Payments £22,570 2s. od., leaving a debit balance of £1,118 12s. 9d. to carry forward to 1938.

The following Legacies were received during the year :— From the Estate of J. Lewis, deceased, £25; from the Estate of R. Baxter, deceased, £1,000 ; from the Estate of Mrs. Lush, deceased, £1,211 5s. 8d.; from the Estate of Mrs. Kelleway, deceased, £2,000 ; and from the Estate of Miss Grime, deceased, £1,500 ; all for the Endowment Fund.

The Committee takes this opportunity of publicly thanking all those unselfish and kindly people who have volunteered to act as Blood Donors. It is gratifying to record that in the majority of cases, the transfusion has resulted in a recovery of the Patient. It is essential for the efficiency of the Infirmary that there be a substantial list of persons to whom appeal may be made in case of need. Volunteers are asked to go now to the Infirmary to have their Blood tested and graded.

Grateful thanks are tendered to the Elementary School Teachers, for £265 collected on Flower Saturday ; to the various Musical, Operatic and Dramatic Societies, Concert Parties, and Gala Committees, who have contributed to the funds of the Infirmary ; to the Workpeople's Committee, for undertaking the whole of the work connected with the Contributory Scheme, which has brought in £8,830 to the General Account ; to the various collectors of silver paper, whose efforts are duly appreciated ; to the Clergy and Ministers for the Hospital Sunday Collections ; to the Children's Infirmary Ball Committee for arranging the annual ball ; to the Ladies' Collecting Committees in various parishes and districts ; to the Lancaster Entertainment Proprietors for arranging the Annual Collections among their Patrons ; to those who have thrown open their Gardens to the public in the interest of the funds of the Infirmary ; to the local Press for the valuable publicity they have given to matters affecting the interests of the Infirmary ; to the many Ladies and Gentlemen who have given flowers, fruit, eggs, books, toys, and other gifts ; and to all other Subscribers, Donors, and Helpers.

The Linen League has again done valuable work for the Institution by providing 1,352 articles of Bedding, &c., for which the grateful thanks of the Committee are tendered to the members.

Their Majesties, the King, who is Patron of the Institution, and the Queen, honoured the Infirmary by sending a gift of grapes which were much appreciated by the patients.

The Coronation of Their Majesties was marked by suitable decorations and festivities.

In February was reported the death of the Rev. T. Gill, President of the Infirmary in 1915, who was closely connected with the work of the Infirmary, and of the Workpeople's Committee, for very many years.

The Committee records its appreciation of the services of Mr. J. H. Thurstan as President during a very strenuous year. Dr. F. W. Bury has agreed to allow himself to be nominated as President for 1938.

The Members of the Committee who retire at the Annual Meeting are : —Mr. W. Armitage, Mrs. Bardsley, Rev. Canon R. Garrad, Messrs. W. C. Halliday, P. F. Mannix, Rt. Rev. Lord Bishop of Lancaster, Messrs. V. P. Royle, R. W. Wearing, and J. Welch. They are all eligible for re-election.

The Workpeople's Committee has, according to rule, nominated Messrs. J. Howie, W. Keeffe, L. Kilgour, H. Parker, W. S. Shepherd and C. E. Whiteside for election on the Committee.

Signed on behalf of the Committee,

HARRY CROSS,
Honorary Secretary.

REPORT OF THE MEDICAL COMMITTEE.

The past year has been one of very greatly increased activity in all departments of the Infirmary work.

In the early part of the year, the General Committee reached the decision to increase the Honorary Staff by the appointment of five Surgeons instead of three, and by the appointment of an Orthopædic Surgeon.

Messrs. Alexander, Kay and Holmes received appointments to the Surgical Staff, which was completed by the appointment of Messrs. Geddes and McFadzean as Assistant Surgeons.

Mr. Kitchin was appointed Surgeon to the Orthopædic Department.

Dr. Howat received the appointment of Honorary Physician, rendered vacant by the retirement of Dr. Bury, and in his place, Dr. Cliff was appointed Honorary Assistant Physician.

The post of Honorary Pathologist, also vacated by Dr. Bury, was filled by the appointment of Lieut.-Col. Dickinson.

These appointments have greatly increased the scope of the Infirmary's work, and its usefulness to the community, so much so is this the case that certain departments are already seriously hampered in their work by lack of sufficient or suitable accommodation.

It was with great regret that the Medical Staff viewed the retirement of Miss Lloyd from the post of Matron, which she had held for so many years with efficiency and acceptance, and whose relations with the Medical Staff had ever been of the happiest and most harmoniest nature.

They cordially welcome her successor, Miss Clarke, in the sincere hope that there will be no alteration in their relations, and that for a long time to come she will co-operate with them in the work of the Institution in the same happy and harmonious fashion.

She has already been with us for some months, and to her and to all the Nursing Staff, we express our thanks for willing and able services and assistance.

To the House Surgeons who have held office during the year, we also express our gratitude for valuable services.

J. A. GIBSON.

MASSAGE AND ELECTRO-THERAPEUTIC DEPARTMENT.

A definite tendency to send cases for treatment at an earlier stage in a complaint has been observed. It is to be hoped, especially with those suffering from rheumatism, that this will continue.

In the past, the report of work done has included a detailed list of each particular disease treated. This year the diseases have been classified under headings showing the part of the body affected.

HOSPITAL SUNDAY COLLECTIONS, 1937.

At the Meeting of the Clergy, Ministers, and Church Officials, held in the Town Hall, Lancaster, in 1932, it was unanimously resolved "That, as far as possible, the SUNDAY FOLLOWING OCTOBER 18TH (ST. LUKE'S DAY), or on October 18th, if that day be a Sunday, be permanently observed as Hospital Sunday."

The number of Collections received during the year was 49. The number of Places of Worship in the neighbourhood is about 163, so that there were about 114 Places of Worship where no Collection was made.

The following is a List of the Places of Worship, showing the amounts received during the years 1937 and 1936 :—

The Workpeople's Committee.

W. E. SHEPHERD, Chairman. J. HOWIE, Treasurer.
C. E. WHITESIDE, Secretary.

THE ANNUAL REPORT.

The Committee has much pleasure in presenting the 49th Annual Report (the sixteenth dealing with the Contributory Scheme).

We are pleased to state that Dr. Bury has been nominated as President for 1938.

The Committee deeply regret the illness of Dr. W. George, and hope that he will soon be restored to health again.

During the year, the Committee have handed over to the Maintenance Account £8,830, being £1,320 more than last year.

It is gratifying to report that the Nett Income is increased to about £380 more than in 1936.

We have much pleasure in reporting the steady increase of our Members.

We again draw the attention to the eligibility of Benefit, which is Three Months for Medical and Surgical Wards ; and the Maternity Wards Twelve Months.

The Maternity Ward is for abnormal and Surgical cases, or where the home conditions are unsuitable.

Contributors' attention is particularly drawn to the fact that the **Workpeople's Contributory Scheme** is for treatment in the **Wards of the Royal Lancaster Infirmary**, therefore, Patients must first be admitted to the Royal Lancaster Infirmary and be approved by the members of the Infirmary Medical Board before being sent to other Hospitals or Infirmaries otherwise the Scheme cannot accept any liability.

Patients who are in a position to join the Contributory Scheme, and have not done so, will be called upon to make payment towards cost of maintenance whilst patients in the Infirmary.

The Committee does not assist Contributors in meeting the cost of Treatment in Private Hospitals, Maternity Homes, Nursing Homes, Sanatoriums, or Mental Institutions.

The Committee tender their grateful thanks to all those Employers and Collectors for their continued help, also to the Entertainment Proprietors for arranging the Annual Collections ; to the Local Press for their valuable publicity they have given to matters affecting the scheme ; and to all other Subscribers, Donors, and Helpers.

The Gross Income is made up as follows :—Balance brought forward, £1,468 9s. 4d.; Workpeople's Contributions and Collectors, £7,914 5s. 5½d.; Workpeople's Cards System, £1,291 2s. 4d.; Donations : Hotel and Voluntary Boxes £27 12s. 5½d., Waring and Gillow (1932) Ltd. Accident Fund £20, Exors. of Wm. Mitchell (hot water) £11 11s. 4d., Lancaster and District Co-operative Society (quarterly subscription) £78 3s. 4d., Ribble Motor Services, Ltd. £18 6s. 11d., Marks and Spencer £3 14s., Entertainment Collections £6 4s. 1½d., St. Matthews (Keasden) Harvest Festival £2 18s. 6d., North Lancashire and District Football League £12 19s. 11d., Ingleton and District Laundry (Ball Committee) £7, Mrs. F. M. Capstick 14s., Mrs. W. H. Woof 10s. 6d., G.P.O. Accounts Department 4s. 9d., Mrs. Hewson 10s., Miss B. Thornton (Carnforth) 2s., Rent of Offices £36 10s., Interest £24 0s. 4d.

The cost of Maintenance is about 8s. per day per patient. Members-Inpatients treated at the Infirmary during the year were :—Men 366, Women 525, Children 390, Maternity Ward 188 (this figure is included in the total for Women).

The total of Scheme Patients admitted during the year being 1,281, X-Ray Department 1,616, Massage and Light Treatment 354, Pathological Department 131.

The average duration of stay being 16·26 days, compared with 18·87 in 1936.

The Committee has, according to rule, nominated Messrs. J. Howie, C. E. Whiteside, W. E. Shepherd, H. Parker, W. H. Keeffe, and L. Kilgour for election on the General Committee.

Subject to the Rules relating to the Admission of Patients, the Committee has arranged to provide Maintenance and Nursing for Persons with small incomes (not eligible under the Workpeople's Scheme, and hereinafter called Contributors) and their dependents, whilst undergoing Treatment in the Institution, on payment of a quarterly subscription in advance of 3s. 3d. by a Contributor whose income does not exceed £200 a year, or of 5s. by a Contributor whose income does not exceed £300 a year.

The term "Dependent" means the husband or wife and young children of a Contributor, and his or her aged parents, if living with and dependent upon them.

The term "Young Children" means those under 16 years of age; and also any Child who has not begun to earn his or her own livelihood.

"Income" means the joint income of husband and wife when the Contributor is married.

Payments to be made at the Infirmary, either by post or personally, between 11-0 and 12 on any Monday, Wednesday, or Friday. All postal communications must have the word "Scheme" written on the left hand top corner of the envelope, and must have enclosed a stamped envelope for reply.

Every Contributor must be a member of the Scheme for three months before being able to obtain the benefit of this scheme (12 months for Maternity benefit), and no one can claim the advantage of the scheme who is in arrears.

All outside the scheme (except the poor and needy) are charged such sum per week whilst In-patients as (in the opinion of the Committee) their means justify.

The cost of Maintenance and Nursing works out at about 8s. 6d. per day, and any sum up to that amount may be charged to persons who do not acquire the *Right* to Free Maintenance and Nursing by being Contributors.
