OUT-PATIENT DEPARTMENT.—In conformity with the now accepted principle governing the use of Out-Patient Departments only those patients bringing a letter from a panel or private Doctor are admitted for treatment except, of course, cases of accident or emergency. The more rigid application of this rule is responsible for the considerable reduction indicated in the above total of attendances. With reference to the Orthopædic Department, it should be noted that much of the continuation treatment is carried out in the Electro-therapeutic and Massage Department which consequently lessens the number of attendances registered in this Department.

Although it has not been found possible to arrange an appointment system for seeing patients, the work of the various Clinics is carried out as expeditiously as possible and for the better comfort of the patients they are now able to obtain refreshments during the waiting periods under an arrangement made with the British Women's Temperance Association.

OPERATIONS.—Until the finances of the Hospital are such as to enable the Committee to enlarge the Operating Theatre accommodation, the operative work of the Hospital must continue to be very exacting upon the Surgical and Nursing Staffs, entailing almost incessant work and long hours of duty. The strenuous activities of the Department may be envisaged from the following record of Operations performed during the year, viz.,

X-RAY DEPARTMENT.—A perusal of the year's statistics of work in this Department cannot fail to convey an idea of its immense benefits both as a curative agent and for purposes of accurate diagnosis.

The comparative statistics for the past five years are as under, viz.,

	1932	1931	1930	1929	1928

**ELECTRO-THERAPEUTIC AND MASSAGE DEPARTMENT.**—Large numbers of patients suffering from medical and surgical ailments have received the curative treatment this very active Department affords. Its value to Insurance Offices and Employers in fitting patients for their work in shorter periods than would otherwise be possible is now well recognised, and it is hoped that an increasing number of those benefiting by this financial relief will accept responsibility for the small treatment charges involved.

The comparative statistics for the past five years are as follows :—

SCHOOL OF MASSAGE, MEDICAL GYM-  
NASTICS AND MEDICAL ELECTRICITY. This  
School continues to be a very valuable adjunct to the Hos-  
pital service both from point of view of the treatment of  
the patient and the training afforded to a large number of  
Students who annually pass out with the qualifications of  
the Chartered Society of Massage and Medical Gymnastics.

Having regard to the increasingly high standard of the  
Society's examinations the percentage of passes continues to  
be satisfactory. The examination results since the opening  
of the School in 1924 are as under, viz :—

One Student has been successful in obtaining the  
Teacher's Certificate during 1932.

**CHILDREN'S DEPARTMENT.**—Much work of a special nature continues to be carried on in the interest of Child Welfare in special Out-patient Clinics and in close cordial co-operation with the Child Welfare Association. During the year, the 23 beds in the Horsfall (Children's) Ward were almost constantly full. The admissions to the Ward during the year were as under:—

THE ROYAL SOUTHERN HOSPITAL AT THE PRESENT TIME.

WILLIAM ADAMSON OUT-PATIENT DEPARTMENT (Opened 21st November, 1910).

## FINANCE, 1932.

At the end of February, 1932, owing to an increase in the Bank overdraft to £36,732 14s. 10d., the Hospital's Bankers found it necessary to ask the Committee to defer the issue of further cheques until it had funds to cover them. As a result of this unfortunate position, the remaining balance of Free Securities had to be sold at disastrously low prices which resulted in a net amount of £4,624 15s. 2d. being realised as against a book value of £6,976 19s. 10d. In order to save and maintain the Hospital, the Committee launched an Appeal which was officially inaugurated by the Lord Mayor at a ceremony on the Liverpool Exchange Flags on the 28th September, 1932.

The Hospital has now not any free securities, and is completely dependent upon its very inadequate income, having no reserve upon which it can draw.

A report of the Appeal Committee appears on page 28.

## GENERAL FINANCE.

The response to the Appeal to "Save our Southern" is responsible for the improved financial position of the Hospital. The problem of maintaining the Hospital in its full activities is one which is engaging the constant attention of the Committee. The Hospital is by no means out of peril, and no efforts may be spared until the Hospital is able to balance its Maintenance Account and place itself in a reasonably satisfactory position with its Bankers.

In spite of the many drastic economies which have been effected and which have resulted in a reduction of £4,658 in ordinary expenditure, and in spite of the fact that legacies amounting to £3,703 have been utilised for General Maintenance, the year's working (including Capital Expenditure) shows a total deficit of £4,792 18s. 2d.

## ORDINARY INCOME.

The variations are summarised as under :—

SUBSCRIPTIONS, DONATIONS & GIFTS. This source of income continues to diminish. New subscribers are urgently required to compensate for the income lost by the deaths of old supporters.

MERSEYSIDE HOSPITALS COUNCIL. The income from this source appears as £10,133 0s. 0d. for 1932, and £6,992 0s. 0d., for 1931, *i.e.*, an increase of £3,141 0s. 0d., but owing to the final grant for 1931 of £2,000 0s. 0d., not being received until after the closing of the accounts for 1931, the actual increase is £1,141 0s. 0d. The amount of £2,000 0s. 0d., the delayed grant for 1931, appears in the Balance Sheet for 1932 under Capital Account (D) General Fund.

The Committee earnestly hopes that with the efforts which are being made by the Council to increase the income of the Associated Hospitals will meet with an ever increasing measure of success.

RECEIPTS ON ACCOUNT OF SERVICES RENDERED. The decrease of slightly over 2 per cent. from this source is due partly to normal fluctuations and partly to the temporary closing of the Private Nursing Institution. The fees received in respect of the services of private nurses have decreased from £258 11s. 6d., to £57 15s. 0d.

A new item under this heading is "Pay Beds In-Patients," from which £183 3s. 0d. was received during the year. As an alternative to the closing of Wards, the Committee instituted a system of "Pay Beds" for patients able to pay the cost of their maintenance whilst receiving free medical or surgical services from the Honorary Medical Staff. "Pay Beds" have the advantage of an additional Visiting Day and certain privileges.

**INCOME FROM INVESTMENTS.** The decrease of £148 12s. 6d. is due mainly to a loss of income resulting from the realisation of securities to reduce the bank overdraft, and a further decrease is inevitable during the current year owing to reduced interest on investments due to the conversion of £21,263 19s. 1d. 5% War Stock into the new 3½% Loan.

#### ORDINARY EXPENDITURE.

	1932			1931			Decrease

	36,384	1	9	41,042	5	4	4,658	3	7

The reduction under Finance is due to decreased Interest on the diminished Bank overdraft.

Owing to the financial difficulties of the Hospital, the Committee was reluctantly compelled to introduce certain temporary reductions in salaries and wages. The loyalty of the Staff in accepting these sacrifices is greatly appreciated by the Committee.

## EXTRAORDINARY INCOME.

The undermentioned free legacies available for general purposes were received during the year, and have of necessity all been used for General Maintenance.

Total legacies received during the year, including £250 for the Henry Bingham Parr Memorial Fund, amounted to £3,950 7s. 0d., as against £13,151 2s. 10d. in 1931.

## EXTRAORDINARY EXPENDITURE.

The amount appearing for Plans and Survey Fee for proposed New Operating Theatre and X-Ray Departments, viz., £99 12s. 0d. represents part only of the cost of this service, as the professional fees were reduced by £230 8s. 0d. For this generous reduction, the Committee tenders best thanks to Mr. Herbert J. Rowse, the Architect. Owing to the serious financial position of the Hospital, the Committee was unable to proceed with the scheme for the entire rebuilding of the Operating Theatre and X-Ray Departments, and these projects have had to be delayed indefinitely.

Capital Expenditure for the completion of the Pathological Laboratory and X-Ray Department, etc., as detailed in the Balance Sheet amounted to £3,796 17s. 9d.

The final outcome of the year's financial operations, as reflected in the General Bank Account, is as stated hereunder :—

## SPECIAL FUNDS.

These Funds augment the services of the Hospital in accordance with the particular needs for which they are intended to provide. The Capital and Income of these funds are not available for purposes other than those for which the funds are established. The Committee's grateful thanks are given to those who have supported these funds during the year.

**CHRISTMAS FUND.** Owing to a continued period of severe trade depression and high taxation, and also to the many other appeals which have been made to their generosity, several old supporters of this Fund were reluctantly obliged to discontinue or to reduce their subscriptions, the sum collected amounting to only £94 13s. 0d., as compared with £122 13s. 6d. the previous year. It is hoped, however, that this Fund will be maintained so as to provide Christmas cheer for the patients and staff on the same scale as hitherto.

**JOHN RANKIN FUND FOR NURSES.** The extent to which this Fund provides educational and social benefits will be appreciated by a perusal of the detailed items in the account on page 55. For these special advantages for the welfare of the Nurses the Fund during the year disbursed the sum of £513 16s. 10d., an increase on the previous year of £140 17s. 4d.

**CONVALESCENT FUND.** As a much larger proportion of the patients are entitled to free convalescent treatment under the 1d. in the £ Scheme, the use of this Fund is limited to those who are not in that category. The record of cases benefited during the year is as under:—

Liverpool Convalescent Institution, Woolton.....	4
Southport Convalescent Hospital.....	7
	—
	11
Referred to Merseyside Hospitals' Council.....	70
	—
	81
	—

**"AFTER-CARE" FUND.** With the Merseyside Hospitals' Council and the Personal Service Society as auxiliary services for "After-Care," this Fund is now used only for cases not assisted by those bodies. During the year the Fund disbursed £8 2s. 6d. and received back in contributions from patients and their societies, £6 12s. 0d. More relief could be afforded if financial help were forthcoming to increase the small remaining balance of £37 15s. 3d.

TEACHING AND RESEARCH FUND. In furtherance of the important work of teaching and research during the year, this Fund provided Instruments at a cost of £124 7s. 6d., and paid hiring charges for Radium Emanation Apparatus amounting to £29 5s. 6d. Other equipment purchased amounted to £10 9s. 10d.

### SPECIAL THANKS.

The Committee desires to express its gratitude to all who, during the year, have assisted the Hospital by their services or gifts of money, or in kind, and gives special thanks to those hereunder mentioned:—

To all those associated with the Appeal who have worked so earnestly with the single desire to keep open the doors of the Hospital.

To the Medical and Surgical Staffs for their generous donation of £250 to the Appeal Fund.

To the Committee and members of the Ladies' Linen League for continued support, and for the provision of bedding and linen to the value of £199 18s. 2d. given during the year.

To the Liverpool Corn Trade for its donation of £40 to provide a Christmas Entertainment for children attending the Out-Patient Department, and to all those who gave their services and gifts in kind in connection with this function.

To the Mersey Docks and Harbour Board for free supplies of firewood throughout the year.

To Messrs. Grayson, Rollo & Clover Docks, Limited, and their employees for continued free transport of firewood.

To Messrs. Frank Hay, Limited for many free transport services.

To all those who have assisted by their thoughtful gifts in kind, is detailed on page 102.

**GUILD OF UNDERGRADUATES.** The Committee gives grateful thanks to the Students for their donation of £500 to the Appeals Fund, and their gift of £125 for the provision of a Diathermy Outfit and a Universal Machine.

**"SOUTHERN MURMURS" REVUE.** The Committee desires to record its deep indebtedness to all those who by their splendid benevolence assisted in the production of "Southern Murmurs, 1932," presented at the Royal Court Theatre for ten days from October 26th to November 5th, 1932, which resulted in the munificent gift of £1,128 15s. 0d. to the Appeals Fund.

## **MERSEYSIDE HOSPITALS' COUNCIL.**

The Committee makes grateful acknowledgment to the Merseyside Hospitals' Council for its grant in respect of the year 1932 amounting to £10,133. This figure represents an increase of £1,141 in comparison with 1931 as detailed on page 18.

## WORKS AND EQUIPMENT.

### NEW DISPENSARY AND X-RAY VAULTS, X-RAY DEPARTMENT, AND PATHOLOGICAL DEPARTMENT.

The following amounts appearing in the Balance Sheet represent the final expenditure in respect of these items, to which reference has been made in previous reports:—

New Dispensary and X-Ray Vaults	£99	3	7
X-Ray Department .....	573	19	7
Pathological Department .....	3008	8	8

**DIATHERMY OUTFIT AND UNIVERSAL MACHINE.** In addition to making a donation of £500 to the Appeals Fund, the Liverpool University Guild of Undergraduates made a special gift of £125 for the provision of a Diathermy Outfit, which was obtained at a cost of £65 18s. 0d., and a Universal Machine which was purchased for £50 7s. 11d. These appliances are for use in the Electro-therapeutic and Massage Department.

Other works executed during the year are:—

Sun Blinds for Horsfall Ward Balcony	£9	0	0
Rewiring Minor Operating Theatre .....	20	0	0
Gas Radiators and Anthracite Stove at Rigby Hostel .....	5	17	0

The Committee considers that the valuation of the land, buildings and equipment of the Hospital as shown in the Balance Sheet is very much too high, and it is proposed to write down these assets to their approximate estimated value before the publication of the next Annual Report.

## ADMINISTRATION.

**GENERAL COMMITTEE.** Mr. T. Keeling was appointed to represent Organised Labour contributors to the Penny in the Pound Fund in succession to Mr. H. O. Pugh, resigned.

The following resignations were accepted with regret :—

Mr. George Downie, for health reasons.

Mr. R. J. Marsh, on account of his advancing age and inability to attend meetings.

BOARD OF MANAGEMENT. Mr. Alfred Stott succeeded Lt.-Col. F. G. Ager, D.S.O., as Chairman of the Board of Management, and E. Capt. Gordon Robertson, R.N., C.C., was appointed Vice-Chairman. Meetings of the Board of Management are now attended by a representative of the Medical Board.

The Appeal Committee, appointed under a Minute of the General Committee of the 6th May, 1932, may be said to have justified its existence during the brief period of seven months which have elapsed from the date of its formation to the date of this Report. As will be seen from the Hospital Accounts, £20,000 have been paid to the General Account, which, together with £1,497 1s. 8d. in hand, make a total amount of £21,497 1s. 8d., raised to the end of 1932, as shown in the Income and Expenditure Account given at the end of this report. Although the Committee was formed in May and announced its intentions in a letter to the Liverpool Post and Mercury at the beginning of June, much preliminary work had to be done, and the Appeal could not be publicly launched until the 28th September, when the Lord Mayor, Alderman J. C. Cross, J.P., presiding at a ceremony on the Exchange Flags, officially declared the Appeal open, and urged the citizens of Liverpool to "Save Our Southern" Hospital. The Lord Mayor was ably supported by Alderman Sir James Sexton, J.P., and the President of the Hospital, Mr. A. A. Paton, C.B. Great interest and effect were added to the ceremony by the pageantry organised by Mr. Percy F. Corkhill, C.B.E.

The actual work of the Appeal was decentralised by the appointment of a number of Sectional Committees, each of which was represented on the Appeal Committee by its Chairman. Owing to the large number of donations received, a complete list is not given in this report, but the attention of Donors of £20 and upwards is drawn to the fact that their names, except by special request, are included in the list of Trustees for Life given on page . Mention may also be made that the sums received in direct response to the Lord Mayor's Appeal and the Broadcast Appeal by the late Sir Robert Jones, Bart., K.B.E., C.B., F.R.C.S., amounted to £2,223 12s. 8d. and £398 5s. 7d., respectively.

The Committee wish to express their special indebtedness during the period covered by this report to The Rt. Hon. Viscount Leverhulme, D.L., J.P.; "Southern Murmurs," 1932; The Charente Steamship Co., Ltd.; Mr. John Jones, "Mayfield"; Anonymous, "In Loving Memory of a Liverpool Business Man"; The Guild of Undergraduates, Liverpool University; The Directors and Staff of the Cunard Steamship Co., Ltd.; The Executors of the late Miss H. E. Wylie; The Trustees, West Derby Waste Lands; The Honorary Medical and Surgical Staffs of the Royal Southern Hospital; The Matron and all the Members of the Staffs of the various Departments of the Royal Southern Hospital; David Allen & Sons, Ltd.

The Southern Savers' Club has shown itself a most valuable organisation, for, by way of subscriptions and other means it has raised £10,313 7s. 8d. On the 31st December, 1932, there were 2,980 Members on the register, of whom 294 were 'Fellows.'

The Appeal Committee and the various Sectional Committees wish to express their sincere thanks to all who have, either by a donation in money or in kind, or by services rendered, contributed to the success which has been achieved so far. The Committees fully realise that their efforts would have been in vain had not the public given their wholehearted support to all the functions organised to raise money for this Fund, and they are deeply grateful for the sympathetic response to the schemes and proposals put forward to "Save the Southern" Hospital.

The danger to the Hospital, however, has not yet been removed; it is necessary not only to save the Hospital but to maintain it in full activity and those who read this report are therefore earnestly requested to continue the work which has been begun so well and to spare no effort to put the finances of the Hospital on a sounder basis for the future.

## REPORT OF THE TEACHING AND RESEARCH FUND SUB-COMMITTEE.

*For the year ended 31st December, 1932.*

The Teaching and Research Fund was established in the year 1931 by a donation of £250 from the Medical Board, supplemented by a grant of £750 from the general funds of the Hospital. The Fund is controlled by a small committee composed of medical and lay members, and the year 1932 was the first full year of the committee's operations.

It is now a universally accepted principle that the welfare of the patients of a hospital is linked inseparably with the teaching and research activities of the medical staff, and, although such work has long been a prominent feature of the Hospital's service, the establishment of the Fund represents a definite step forward by providing better facilities for teaching and research.

The rebuilding of the Pathological Laboratory has proved of great value to the Hospital. The Biochemical Laboratory, which has been housed temporarily in a room adjacent to the Sefton Ward, was transferred to the main laboratory, and the whole of the pathological and clinical work may now be performed under one roof. The room formerly used as the Biochemical Laboratory was converted into a Students' Room.

The new accommodation provided in the Laboratory enables a weekly demonstration to be given to students in Pathology. For lecture purposes, an epidiascope and lantern projector as well as other equipment including a microphotographic camera were obtained. The total amount expended on instruments and appliances in 1932 was £124 7s. 6d.

During the year, progress was made by Dr. Chamberlain in the taking of electro-cardiograms of normal hearts, and by Mr. Morrison and Dr. Datnow in cancer research. The sum spent on hire of radium emanation apparatus for the year was £29 5s. 6d.

In April, 1932, a Canteen was established in the Out-Patient Department by the Liverpool British Women's Temperance Association for the benefit of students and patients. This Canteen, which is a voluntary service, has been very greatly appreciated by the students, to whom it is a great convenience.

## REPORT OF THE NURSING COMMITTEE.

*For the Year ended 31st December, 1932.*

---

The number of applications for training received during the year was 379 as against 361 in 1931. The Staff now numbers 106, made up as follows:—1 Matron; 1 Assistant Matron; 1 Home Sister; 1 Sister in Charge of the "Rigby Hostel," 1 Housekeeping Sister; 1 Sister Tutor; 1 Night Sister; 1 Theatre Sister; 1 X-Ray Sister; 1 Out-Patient Sister; 10 Ward Sisters; 12 Certificated Nurses; 20 Third Year Nurses and 54 Probationers.

Thirty-four Probationers entered for training, one of whom left for health reasons, two as being unsuitable for the work and three not wishing to continue their training.

Thirty Nurses left on the completion of their training; three were appointed sisters elsewhere, fifteen left to take their maternity training, one to do district work, two to take up private nursing, eight for training in another branch of nursing, and one to be married. Miss E. A. Evans, Sister of Horsfall Ward, was unable to continue her work in the Children's Ward owing to health reasons. She had been in the service of the Hospital since 1913 and had proved a most loyal and conscientious worker.

During the year the following resignations were received:—

Miss E. F. Thexton, Sister of the Orthopædic Wards who left to be married.

Miss D. N. Walton, Night Sister who left to take a course in housekeeping.

The following appointments were made:—

Miss A. Forbes appointed Sister of the Orthopædic Wards; Miss N. E. Jones (Sister of Sefton Ward) appointed Night Sister; Miss J. B. Makin appointed Sister of Sefton Ward; Miss E. Viggor appointed Sister of Horsfall Ward.

Forty-nine Nurses were successful in the State examinations. Hospital examinations were also held during the Spring and Autumn.

The Senior Silver Medals were awarded to Miss N. Chesterson and Miss A. Drysdale and the Junior Silver Medal was won by Miss H. Bradbury. The Book Prizes for the first year examinations were awarded to Nurses Hague, Harrod and Samuel. Book Prizes for the highest marks attained in Medicine, Surgery, Anatomy and Physiology were won by:—

Medicine	...	Miss M. Chesterson.
Surgery	...	Miss M. Chesterson and Miss H. K. Coventry.
Anatomy	...	Miss H. Bradbury.
Physiology	...	Miss H. Bradbury.

These Prizes were kindly presented to the successful Candidates by Mrs. Lyon H. Maxwell. Nine Nurses were successful in obtaining their Maternity training having received grants from the "John Rankin" Fund. This fund is an invaluable help to the Nursing Staff in many ways.

REPORT OF THE LADIES' LINEN LEAGUE, for 1932.

The Committee of the Ladies' Linen League has pleasure in presenting herewith their Twentieth Annual Report, together with a list of subscribers and a statement of accounts.

The activities of the League during 1932 included two Sales, both held at the Hospital. The first of these was a Rummage Sale on May 4th, for which Matron, the Sisters and Nursing Staff worked indefatigably, both in collecting articles beforehand, and in sorting, arranging and selling on the day. This made £32 3s. 7d.

A rather bigger effort was the British Market held, in conjunction with the Show of Linen, on May 11th, in the Massage Department. On this occasion, the Hospital had a very welcome opportunity of greeting an old friend, Dr. Charles Macalister, who travelled from Gloucestershire in order to perform the opening ceremony. The Market plied a busy trade all day and a sum of £236 19s. 3d. was handed over to the Linen League Funds.

The most grateful thanks of the Committee are due to Matron and her Staff for their unstinted and enthusiastic help in connection with the two Sales, and to Dr. Macalister for so kindly presiding at the second one.

The resignations from the Committee of Mrs. H. M. Miller and Miss D. Eills were received with much regret. The Committee welcomes as a new member Mrs. John McGibbon.

The League has been able to help the Hospital by providing Linen to the value of £200 during 1932, and the Committee feels that every subscriber would wish to say with what special pleasure this service has been rendered during the most critical year in the Hospital's history.

The Committee wishes to make an urgent appeal to Linen League supporters not only to continue their most welcome help but to invite others to interest themselves in this important work.

# REPORT

OF

# ANNUAL MEETING

HELD AT THE

TOWN HALL

ON WEDNESDAY, 7TH JUNE, 1933.

THE Annual Meeting of Trustees and Subscribers of the Royal Southern Hospital, Liverpool, was held in the Town Hall on Wednesday, the 7th June, 1933, for the purpose of receiving the Report and Statement of Accounts for the past year, and to elect the Committee and Officers for the ensuing year.

The LORD MAYOR (Councillor Alfred Gates, J.P.), presided. There were also present: Mr. A. Allan Paton, C.B., President; Mr. H. Sutton Timmis, J.P., Vice-President; Mr. J. A. Tinne, J.P., Vice-President; Mr. Ian R. Parker, Honorary Treasurer; Mr. J. A. Davies; Mr. H. P. Mounsey; E. Capt. Gordon Robertson, R.N., C.C.; Mr. Alfred Stott; Mr. R. Watson (L. M. & S. Railway Hospital Fund); Ven. Archdeacon Howson, M.A., Honorary Hospitaller; Rev. G. T. Weston, B.A., Hospitaller; Dr. Norman B. Capon; Dr. W. Johnson; Mr. T. R. W. Armour, F.R.C.S.E.; Mr. J. T. Morrison, F.R.C.S.; Mr. W. R. Williams, F.R.C.S.; Mr. Ernest Griffiths; Mr. C. Edgar Grisewood; Mr. P. Charles Kelly; Alderman John G. Paris, J.P.; Mrs. T. R. W. Armour, Mrs. Norman B. Capon and Mrs. William Johnson.

THE ASSISTANT SECRETARY having read the notice calling the meeting,

THE LORD MAYOR called upon the President of Hospital Committee to move the adoption of the report and accounts, copies of which were circulated at the meeting and taken as read.

THE PRESIDENT (Mr. A. Allan Paton, C.B.), then proposed:

"That the Report and Statement of Accounts be adopted, printed and circulated amongst the Trustees and Subscribers."

He said: Before calling your attention to the report now before you I must refer briefly to the changes which have taken place. Since the end of the year covered by the report not only the Royal Southern Hospital but the medical profession in general have sustained a severe loss in the death of Sir Robert Jones. It is impossible to describe in a few words the inestimable value of his work to the world at large, and the great advancement of orthopaedic surgery made by him. For us, his long association of forty-three years with the Royal Southern Hospital was an enormous boon, highly prized by all connected with the Hospital, and his service so unsparingly given on its behalf will ever be remembered.

This loss to the Hospital followed another severe one in the death of Dr. Lloyd Roberts, Honorary Physician for twenty years and Honorary Consulting Physician for the past nine years. During that time his devotion to the interests of the Hospital was unstinted, and not only the Medical Staff who enjoyed his loyal co-operation, but the numberless patients who have benefited by his knowledge and skill will long hold his name in grateful remembrance.

It is, too, with great regret that I have to report the death of Mr. Allen Naldrett, Superintendent and Secretary of the Hospital for twenty-seven years. Mr. Naldrett was an administrator known not only in the Hospital which he served so

faithfully for such a long period, but also in Hospitals throughout the country.

Turning to the year's work I am glad to say that the activities of the Hospital have continued unabated in spite of a most difficult year, and it did not become necessary to adopt the proposed measure of a temporary closing of two large wards, to which I referred last year.

Although there has been an increase in the number of In-patients treated during the year, 3,903 as against 3,680 in the year 1931, there was a decline in the total number of patients treated by the Hospital, caused by a fall in the number of Out-patients. The number in 1931 was 26,394 but in 1932 fell to 24,375, and the total attendances 118,541 in 1932 against 120,562 in 1931. This decline in the number of Out-patients and attendances is as it should be, as the Out-patient Department is now being used more and more for its legitimate purpose as a consultative centre and for the treatment of the more urgent and acute cases, and not as an alternative to the National Health Insurance panel.

The fall in the number of patients has, of course, had its repercussion on the work of the various departments of the Hospital. The record of operations, though slightly less, shows that strenuous work was performed by the Surgeons. The total number of operations during the year was 3,343. Slight falls are also indicated in the number of patients treated in the X-ray, Massage and Sunlight Departments.

The work of the Pathological Laboratory has been greatly facilitated by the rebuilding and extension of this department, the number of examinations made during the year being 6,813. This department is a valuable adjunct in the teaching and research activities of the Hospital.

Having given you some figures indicating the vast amount of work performed, I now turn to the financial aspect which shows a distinct improvement over that of last year. The Ordinary Income and Expenditure Account shows that Income has increased from £29,272 to £31,784 and that the Expenditure has been reduced from £41,042 to £36,384. In other words, the loss on maintenance account has been reduced from £11,770 in 1931 to £4,600 in 1932. This happy improvement has been effected only by the most rigid economies and by the loyal and wholehearted co-operation of the staff. The Hospital is fortunate in having a staff which serves it so devotedly in the face of almost insuperable difficulties. Whilst we may congratulate ourselves upon this improved result, we must not forget that a working loss of £4,600 is a serious problem.

The increase in the grant from the Merseyside Hospitals Council from £8,992 in 1931 to £10,133 in 1932 is very gratifying, and I sincerely hope that the efforts that are being made by the Council to increase the income of the Associated Hospitals will be successful.

In the Extraordinary Income and Expenditure Account, Legacies during the year amounted to £3,703 as against £13,151 in 1931. The income from this source is, however, of necessity a fluctuating quantity.

Like the Ordinary Income and Expenditure Account, the Balance Sheet presents a better appearance than it has done for many years. The expenditure of £3,797 on land, buildings and equipment consists almost wholly of commitments entered into before the financial crisis of the Hospital. The Bank debt was reduced from £31,962 at the end of 1931 to £11,810, this result being achieved largely through the magnificent response

to the Appeal. During the year £20,000 was contributed by the Appeal towards the reduction of the Bank overdraft. I cannot speak too highly of the efforts that have been made to "Save our Southern," and I know I express the feelings of the Committee as a whole when I pay tribute to those who have so generously responded to the Appeal by their services and gifts. The result shows that the Hospital has a firm place in the hearts of the people. Although the result has been so magnificent, the Hospital is by no means out of danger, for it must be remembered that, as I told you last year, the Hospital is now without any free securities. This is a serious handicap, as although since the beginning of the present year the Bank overdraft has been very largely reduced, it is impossible to view the lack of free securities without misgiving.

The Appeal was launched with the single desire to keep open the doors of the hospital and for no other purpose. It has now been decided to modify the Appeal to the public, but the efforts to maintain the Hospital at its full activities will not be relaxed in any way.

During the year, the formation of the Co-ordination Committee of the four General Hospitals was achieved. This is a step which I have long advocated, and I am convinced that its worth to the Hospitals will be of ever increasing importance as its function becomes more appreciated and understood. The position of the Voluntary Hospitals of this city can be safeguarded only by this co-ordinated effort, and I am sure that the new Committee can count on the loyal support not only of our Hospital, but also of those responsible for the administration of the other General Hospitals.

Mr. J. A. TINNE, J.P., Vice-President, seconded the motion, saying: My Lord Mayor, ladies and gentlemen, the success of the voluntary system in overcoming our difficulties this year has been perfectly amazing. I hope the public of Liverpool will continue to give us generous support because it will be an absolute disaster to this Hospital to lose its prestige by going on the rates or anything of that sort and coming under the control of our local politicians and local government officials. It is absolutely necessary if the Hospital is to maintain its old prestige that it should remain under its old voluntary system and be supported by everyone. The bulk of our Committee do not want any form of rationalisation, which would involve sinking our individuality or losing our speciality reputation. ("Hear, hear.")

The LORD MAYOR: Before putting this resolution to the meeting I would like to say a word in support. I have read through the Report and it seems to me it is brimful of information either from the point of view of the members, the patients or the committee. Of course the Southern is one of the big four hospitals in Liverpool and one that in the past has been, and I am sure will continue to be, regarded in the future as one of the outstanding hospitals with a reputation which is to be envied by other hospitals. In fact, it has an unsurpassed record and to-day it is associated with a distinguished and gifted list of medical men. I can speak with a certain amount of personal knowledge because I have been two or three times to the Hospital and during my term of office, and I think I have been in every nook and corner. I am going to make certain observations. I could not see any evidence of any extravagance in any direction. In fact, when I came to make comparison with some hospitals, I was amazed to see how modestly and yet how magnificently all the

work of the Hospital was being carried on. I think the public can be assured there is nothing being spent but what is absolutely necessary in carrying on the work of that great Hospital. Apparently, as the President has said, as the result of the S.O.S. your finances have improved to the extent of relieving some of your capital liabilities, but you still have the future to face, and I should imagine that to those who are charged with the responsibility of carrying on, the future no doubt has a certain amount of anxiety for them, because you cannot run a hospital of that kind without maintenance and current costs which, however much you strive to help them within bounds, must amount to a considerable sum. The raising of that sum in each year in order to prevent an adverse balance presents a difficulty, but I think one result of the S.O.S. appeal has been this, it has called the attention of the general public to the work of the Hospital and to its past records, and I think you can look forward to the future with a degree of certainty that you are going to get a measure of support which perhaps you have not had in recent years. Probably that support may take the form of very substantial legacies. I notice in the newspaper this morning that somebody had remembered the Royal Southern Hospital in a will and I hope others will follow suit because they could not leave their money to a more worthy object than the Southern Hospital. I have much pleasure in supporting the resolution which I now put to the meeting. (Applause).

The motion was carried unanimously.

Mr. IAN R. PARKER, Hon. Treasurer: My Lord Mayor, ladies and gentlemen, our President has outlined the salient features of the financial aspect of the Hospital, and I do not think there is very much more I can add. Our position and relation with the Bank is now much more satisfactory than it has been for many years. It must be remembered that in order to obtain this position our resources have been very seriously depleted. Whether we shall be able to carry on in the future is a matter of some conjecture. We all feel that our supporters and well-wishers have extricated us from a very crucial position, and we have every assurance they will see that the Hospital is maintained in its full activities. I have much pleasure in moving:

"That the best thanks of this meeting be given to Subscribers and Donors of money and gifts in kind."

Mr. T. R. W. ARMOUR: I have much pleasure in seconding this resolution, and I would like to say that at no time has this vote of thanks more sincere application than on this particular occasion. The Hospital, as has been said, has been extracted from a very crucial position. At this time a year ago nobody knew how long the Hospital would go on, and to-day it is stated to be a matter of conjecture whether it can continue. However, I think we can take the answer to that conjecture is an affirmative for the reason that through the great generosity and kindness of the people of Liverpool, in spite of many difficulties and in spite of objections I need not refer to, the people of Liverpool have responded to our appeal in a way which has filled us with very great gratitude and encouraged us greatly. ("Hear, hear"). I think, my Lord Mayor, one of the special features of the response which has been made to our appeal is the response which came from the old patients of the Hospital. ("Hear,

hear"). The Southern Hospital can never close, my Lord Mayor, while it has as many friends as it possesses and while those friends are as good as they have been. (Applause).

The motion was carried.

Mr. H. P. MOUNSEY moved:

"That as recommended by a resolution of the General Committee of 5th May, 1933, the alteration of General Law 15 be authorised."

#### EXISTING LAW:—

"The Treasurer shall place the money which he may receive in such bank or banks as the Committee may recommend, in the name of 'The President, a Vice-President, and the Treasurer' of the 'Royal Southern Hospital.' He shall pay all accounts after they have been passed by the Board of Management and shall take care that an account of the receipts and disbursements of the Institution be submitted monthly to the Committee, and that an annual statement signed by the Treasurer and Auditors be laid before the General Meeting of Trustees. All cheques or orders on the bank shall be signed by the Treasurer and one other member of the Board of Management, and countersigned by the Superintendent."

#### PROPOSED NEW LAW:—

"The Treasurer shall place the money which he may receive in such bank or banks as the Committee may recommend, in the name of the Royal Southern Hospital. He shall pay all accounts after they have been passed by the Board of Management and shall take care that an account of the receipts and disbursements of the Institution be submitted monthly to the Committee, and that an annual statement signed by the Treasurer and Auditors be laid before the general meeting of trustees. All cheques or orders on the Bank shall be signed by either the Treasurer and one other member of the Board of Management, or any two members of the Board of Management, and countersigned by the Superintendent."

Mr. R. WATSON (representative L. M. & S. Railway Hospital Fund) seconded and the motion was adopted.

Alderman J. G. PARIS: My Lord Mayor, ladies and gentlemen, I have great pleasure in proposing:

"That the members nominated to serve on the General Committee for the ensuing year be and are hereby elected."

As a member of the Liverpool City Council, and as a member of the great public of Liverpool, one feels truly grateful to these gentlemen whose names are here presented for their valuable service on behalf of the sick and suffering people of Liverpool. Surely indeed we feel very grateful to these gentlemen for undertaking this great work and giving up their time and leisure and great ability for the benefit of the sick, and for the benefit of the city generally.

Mr. C. EDGAR GRISEWOOD seconded and the nominations were adopted.

Mr. ALFRED STOTT proposed:

"That the Honorary Medical Officers nominated be and are hereby confirmed in their respective appointments for the year ensuing."

In proposing this resolution, my Lord Mayor, I would just like to say that one of the chief reasons I believe for the success of the Hospital this year has been not only the great ability of our staff but also the great co-operation which has existed between the lay services of the Hospital and the Medical staff. As a member of the Board,

I feel very deeply that in an institution of this kind success cannot be obtained to the best advantage unless you have the co-operation of the technical staff as enumerated in my motion and in putting this forward I wish to thank the medical officers for the way in which they have co-operated with the Board of Management.

E. Captain GORDON ROBERTSON, R.N., C.C.: My Lord Mayor, ladies and gentlemen, I have the greatest pleasure in seconding this proposition, and I associate myself in every way with what he has said. It has really been a most difficult year in the Hospital and we have all felt it. How much more then is our gratitude due to the doctors and surgeons who have their great and serious work cut out for them, and yet have been able to give time most generously to the appeals which have been very special this year and have resulted in the Hospital being placed on its present better basis. (Applause).

The resolution was carried.

Mr. P. C. KELLY moved and Mr. Ernest Griffiths seconded:

"That the best thanks of this meeting be given to the President, Honorary Treasurer, Committee, and Honorary Medical Officers for their valuable services during the past year."

The resolution was adopted.

Dr. NORMAN B. CAPON (Hon. Physician):

I beg to propose:

"That the best thanks of this meeting be given to the Resident Medical and Nursing Staff for their careful and zealous attention to the patients during the past year."

As Acting-Chairman of the Nursing Committee I should like to say how very grateful we are to the nursing staff for the loyal way in which they have accepted the sacrifices which we felt it necessary to ask of them. I think their work and the work of the resident medical officers has been better this year than it has ever been before.

Mr. W. R. WILLIAMS seconded and the resolution was carried.

THE PRESIDENT in moving a vote of thanks to the Lord Mayor expressed his appreciation for the words the Lord Mayor had spoken on behalf of the Hospital. Through the gratifying response of the public, the Hospital was still functioning and he had little doubt would continue to function with the continued help and support of the people of Liverpool who always came to their assistance when they were in need. He conveyed the thanks of the meeting to the Lord Mayor for his presidency over the annual meeting and his valued support of the Hospital.

This motion was carried with applause.

THE LORD MAYOR, in acknowledgment, said: It has been a real pleasure to me to be here. I have seen enough of the work of the Hospital to become more than casually interested in its success, and it has been very pleasing to me to compare conditions today with what they were twelve months ago when you all met in rather a spirit of gloom. I think I am more fortunate than my predecessors in being able to preside over a very happy meeting full of optimism for the future. ("Hear, hear"). I was present when my predecessor launched your S.O.S. scheme on the Exchange Flags and I am glad to think that scheme has proved very successful and given so much satisfaction and relief to you, Mr. President, and those associated with you in the Hospital. (Applause).

The proceedings terminated.

## CONSTITUTION AND GENERAL LAWS.

---

1. This Institution shall be called the "ROYAL SOUTHERN HOSPITAL," and shall be confined as much as possible to severe accidents and acute cases.

2. GOVERNMENT VESTED IN TRUSTEES.—The Government of this Institution shall be vested in Trustees, qualified as hereinafter mentioned, who shall meet on the second Monday in February every year, or as near thereto as possible. The meeting to be convened by public advertisement in two or more of the Liverpool newspapers.

3. QUALIFICATION OF TRUSTEES.—The Trustees shall be as follows—  
 (a) Every individual donor of £20 or upwards in one payment shall be a Trustee for life. Any Company, Firm, Club, Society, or Executors or Trustees of a deceased person who (or whose Testator) may give £20 or upwards in one sum, may nominate one of its members, or number, as Trustee for his or her life. (b) Every annual subscriber of Two Guineas or upwards shall be a Trustee so long as he or she continues the subscription. (c) Any Companies, Firms, Executors, or Trustees on the list of Trustees for Life, on the 1st day of January, 1899, provided that such Trustee shall vote in accordance with the Regulations of paragraph 4 hereof. (d) The members of the Appeal Committee as on the 9th day of June, 1933. (e) The Honorary Physicians and Surgeons. (f) The Honorary Consulting Officers of the Institution. The Trustees mentioned in sub-paragraphs (e) and (f) shall be ex-officio Trustees so long as they hold the qualifying office.

4. PRIVILEGES OF TRUSTEES.—Every Trustee shall have the privilege of recommending patients, and voting at elections, other than elections of Medical Officers and at all General Meetings. Mercantile and other Firms may vote by any member of the Firm, and one additional member of such Firm shall be entitled to a vote for every sum of Two Guineas annually subscribed by such Firm over and above the first Two Guineas. Corporate Bodies, Clubs, and Societies shall have one vote in respect of any annual subscription of Two Guineas or upwards, or donation of Twenty pounds or upwards in one payment, and any Officer of such Corporate Body, Club or Society nominated in writing may exercise the right of voting for one year. Executors and Trustees of deceased persons entitled to vote may vote by one of their number. Subscribers of one guinea and upwards have the privilege of recommending Patients. Any person annually collecting a sum of £5 or upwards, or any clergyman raising a like sum by a collection on behalf of the Hospital, shall have the privilege of Annual Subscribers.

5. SUBSCRIPTIONS WHEN DUE.—All Subscriptions are due in advance, on the 1st January, and are considered to be continued each current year, unless notice be given in writing to the contrary; and no person whose subscription is unpaid shall have any of the privileges of the Institution.

6. ANNUAL MEETING OF TRUSTEES.—At the Annual Meeting, the Committee shall submit their report of the state of the Hospital for the past year, and the Annual Statement of Accounts, showing the receipts and disbursements of the Hospital, signed by the Treasurer and

Auditors, which report and statement shall have the approval of the meeting prior to being printed and distributed among the Trustees and Subscribers. A Committee shall be elected for the ensuing year, consisting of a President, three Vice-Presidents, a Treasurer, two of the Honorary Medical Officers (to be nominated by the Medical Board), and not less than twenty other Trustees, at which meeting also the Honorary Medical Officers shall be subject to re-appointment. The President of Committee shall, ex-officio, be a Member of every Sub-Committee (except the Medical Board), whether Ordinary or Special, appointed by the General Committee, in addition to the number of Members appointed to serve on the various Committees.

7. SPECIAL MEETINGS OF TRUSTEES.—The Committee may, at such times and on such occasions as they may consider expedient, call Special Meetings of the Trustees, and on a requisition for such meetings, signed by Twenty Trustees and addressed to the President, the Committee shall call a meeting of Trustees within one calendar month of the presentation of the requisition to the President; and in all cases of calling Special Meetings, shall give fourteen days' notice by advertisement in two of the Liverpool newspapers, stating the objects for which the meeting is called. No other business shall be taken into consideration at those meetings but that mentioned in the advertisement.

8. ALTERATION IN LAWS BY TRUSTEES.—When any new Laws are to be proposed, or any of the old Laws altered or abrogated, either at the Annual Meeting of the Trustees, or at any Special Meeting of Trustees called for the purpose, the substance of the proposed new Law, or of the existing Law as proposed to be altered or abrogated, shall be laid before the Committee at the Monthly Meeting next preceding; and at any meeting of the Committee for carrying any such proposition into effect, not less than nine members shall be present, and not less than two-thirds of the Meeting shall constitute a majority, unless such majority shall amount to more than one-half of the whole Committee.

9. DIRECTION VESTED IN A COMMITTEE.—The Members of the Committee elected by the Trustees at their Annual Meeting, and the two Honorary Medical Officers, who shall be nominated by the Medical Board out of their own body, in such order as they may judge expedient, shall form the Committee, in whom shall be vested the Direction and General Management of the Hospital.

10. COMMITTEE MEETINGS.—The Committee shall meet at the Hospital on the first Friday in every month (not less than five to form a quorum), and shall contract, by public advertisement or otherwise, for the necessary supplies at suitable periods, and shall control the whole affairs of the Institution, with power to make Bye-Laws, and to amend or suspend the operation of any of the General Laws until a Meeting of the Trustees.

11. MINUTES OF COMMITTEE PROCEEDINGS.—Minutes of the proceedings of all meetings of Trustees and of the Committee shall be recorded in a book kept for that purpose, and shall be signed by the Chairman of the Meeting.

12. BOARD OF MANAGEMENT.—The Committee shall appoint at their first General Meeting nine of their body to act as a Board of Management for the ensuing year, of which Board the Treasurer shall be one (the former Board continuing their services until their successors shall be appointed). This Board of Management shall meet at least once a

week, and three shall constitute a quorum. The Committee shall also elect every month two of their number to act as Visitors.

13. DUTIES OF THE BOARD OF MANAGEMENT AND VISITORS.—The Board shall enquire into everything relative to the economy and management of the house and patients; they shall see that the rules and regulations, in every department of the Hospital, are attended to, recording their proceedings in a book provided for that purpose. The two Visitors shall in like manner keep a book, recording in it their visits, with the dates, and any observations they may think proper to make. These books shall always remain in the Board-room, under the charge of the Superintendent, and open to the inspection of every Trustee. The proceedings of the Board of Management shall be subject to revision or confirmation by the General Committee.

14. SPECIAL MEETINGS OF THE COMMITTEE.—The Board of Management shall, as often as occasion may require, call Special Meetings of the Committee, stating the object for which such meeting is called. No other business to be taken into consideration at such meeting.

15. TREASURER'S DUTIES.—The Treasurer shall place the money which he may receive in such bank or banks as the Committee may recommend, in the name of the Royal Southern Hospital. He shall pay all accounts after they have been passed by the Board of Management and shall take care that an account of the receipts and disbursements of the Institution be submitted monthly to the Committee, and that an annual statement signed by the Treasurer and Auditors, be laid before the General Meeting of Trustees. All cheques or orders on the bank shall be signed by either the Treasurer and one other member of the Board of Management, or any two members of the Board of Management, and countersigned by the Superintendent.

16. PROFESSIONAL AUDITOR.—That the Committee shall appoint annually a Professional Auditor, who shall examine and certify the Accounts prior to the Annual Meeting.

17.—MEDICAL OFFICERS.—The Honorary Medical Officers of the Hospital shall be appointed from time to time by a Medical Officers' Election Committee. The number of Medical Officers may be increased or diminished from time to time at the discretion of the Hospital Committee. The Medical Officers' Election Committee (herein called the Election Committee) shall consist of the following:—The Committee of the Hospital; the Honorary Physicians of the Hospital; the Honorary Surgeons of the Hospital; Twenty Representatives of the Trustees, to be chosen as hereinafter provided. The twenty representative members shall be chosen by the Hospital Committee. Any Trustee who desires to serve on the Election Committee may hand in his name to the Secretary, either at the Annual Meeting, to be held in the year 1934, or within fourteen days thereafter, stating that he is willing to serve. Should the number of those desiring to serve exceed twenty that number shall be selected by the Hospital Committee by the drawing of lots. Should the number of those desiring to serve fall short of twenty, the Hospital Committee may fill the vacancies by nominating such Trustees as they think desirable. Such Election Committee shall serve for five years from the date of the Annual meeting in 1929 to the Annual Meeting in 1934. In the event of any vacancies occurring between 1929 and 1934, either through death or resignation among the Trustees' Representatives upon the Election Committee, the Hospital Committee shall fill such vacancies by nominating other Trustees for the purpose, but such Trustees shall only hold

office for the time which the Trustees originally appointed would have held office had such Trustees not died or resigned. At the Annual Meeting in 1934 a fresh Election of Trustees' representatives shall take place in the same manner as that hereinbefore provided, and so on every five years. The Election Committee shall have no other powers or functions than the appointment of Honorary Medical Officers. The Election Committee shall be conducted as follows:—In case of any vacancy in the Medical Staff an advertisement shall be issued inviting applications for the vacant appointment, and applications in writing addressed to the Chairman for the time being of the Hospital Committee shall be delivered at or posted to the Hospital within such time as the Committee may determine. On the expiration of such period the Chairman shall summon a meeting of the Election Committee giving not less than fourteen days' notice to the meeting. All applications and the accompanying documents shall be open for the inspection of any member of the Election Committee for ten days preceding the day of the meeting of the Committee. Any candidate shall be disqualified who advertises in the public papers or personally canvasses the members of the Election Committee, but candidates are to be at liberty to send to the members copies of their applications and accompanying documents as delivered to the Chairman of the Committee. The Election Committee shall proceed to the election of the Officer or Officers, which in the event of a contest shall be by ballot, to be taken in such manner as the Chairman of the meeting directs. The quorum for the meeting at which such election takes place shall be ten members personally present. If there is not a quorum present those who are present within fifteen minutes shall have power to adjourn the meeting, and so from time to time until a quorum is secured. No member shall be allowed to vote by proxy. The election shall be conducted in the manner following:—All the candidates shall first be submitted to the vote—the candidate receiving the lowest number of votes shall be withdrawn, and the remainder be again voted for and so on in like manner until the candidates are reduced to two in number; the candidate then securing the greatest number of votes shall be elected. Each member shall have one vote for one candidate only at each voting. The Chairman shall have a casting vote. Any member of the Trustees' representatives on the Election Committee who shall cease to hold a qualification as a Trustee shall *ipso facto* cease to be a member of the Election Committee. The Secretary of the Hospital Committee shall summon a meeting of the Election Committee:—(1) Whenever he is requested to do so by the Chairman of the Committee of the Hospital. (2) Whenever not less than ten members of the Election Committee request him to do so.

The Chairman of the Hospital Committee for the time being shall be the Chairman of the Election Committee, and in case of his absence at any meeting the members of the Election Committee who shall be present shall elect one of their number to be Chairman of the meeting. The Chairman of the meeting shall have absolute power to regulate its procedure and the conduct of the ballot.

18. The Chairman of the Hospital Committee shall submit the names of the Honorary Medical Officers to each Annual Meeting of the Trustees for confirmation in each year, but the name of any Physician or Surgeon who shall have completed his sixtieth year of age on or before the day of such Annual Meeting shall not be submitted for confirmation, unless under exceptional circumstances an extended term of

office be recommended by the Committee of the Hospital, but in no case shall any Physician or Surgeon continue to hold Office after attaining his 65th birthday.

18a. VACANCIES.—On the occurrence of a vacancy in the office of President, or any other Officer or Member of the Committee, such vacancy may be filled up, if deemed necessary, by the Committee.

19. CONSULTING MEDICAL OFFICERS.—A Physician or Surgeon having completed his full term of Office, shall become an Honorary Consulting Officer of the Institution.

20. PHYSICIANS' QUALIFICATIONS.—Candidates for the post of Honorary Physician must possess a Medical Degree of a British or Irish University and the Membership of the Royal College of Physicians of London.

21. SURGEONS' QUALIFICATIONS.—Candidates for the post of Honorary Surgeon at all Elections held after December 31st, 1912, must possess the Fellowship of the Royal College of Surgeons of England, Edinburgh or Ireland, and the Candidate appointed, if not possessing the Fellowship of the Royal College of Surgeons of England, shall undertake to obtain that qualification within four years of his appointment, failing which his appointment shall, *ipso facto*, become terminated.

21a. HONORARY ASSISTANT PHYSICIANS' AND HONORARY ASSISTANT SURGEONS' QUALIFICATIONS.—Candidates for the post of Honorary Assistant Physician or Honorary Assistant Surgeon must possess the qualifications necessary for the post of Honorary Physician or Honorary Surgeon respectively. In the case of the Honorary Assistant Surgeon the candidate appointed, if not already possessing the Fellowship of the Royal College of Surgeons of England shall undertake to obtain that qualification within four years of his appointment, and, in the case of the Honorary Assistant Physician the candidate appointed, if not already possessing the Membership of the Royal College of Physicians of London, shall undertake to obtain that qualification within four years of his appointment failing which his appointment shall, *ipso facto*, become terminated.

22. PHYSICIANS AND SURGEONS NOT TO HOLD OTHER OFFICES.—No Honorary Medical Officer of this Hospital shall at the same time be an Honorary Physician or Surgeon to any other General Hospital, or be a District Parochial Medical Officer for the Poor, or Physician, or Surgeon, to any Society for affording mutual relief in sickness, infirmity or old age, and if any applicant for the position of Medical Officer of this Hospital holds any such post, he must resign it not later than seven days after his appointment as Physician or Surgeon to this Hospital. If a Physician or Surgeon to this Hospital shall accept an appointment to any of the offices herein named, he shall vacate his office in this Hospital.

23. MEDICAL BOARD.—The Honorary Physicians and Honorary Surgeons, Honorary Assistant Physicians, Honorary Assistant Surgeons, and Senior Honorary Medical Officers in charge of Special Departments shall constitute a Board for the consideration of all professional subjects connected with the Hospital, and for such other matters as may be referred to them by the Committee to report thereon. Bye-laws made for the regulation of the Medical and Surgical economy of the Hospital, as well as the other proceedings of the Board shall be

subject to revision and confirmation by the Committee at their Monthly Meeting. All proceedings of this Board shall be recorded in a book kept for that purpose, and shall be signed by their Chairman.

24. IMPORTANT OPERATIONS.—All regular Medical and Surgical practitioners in the town and neighbourhood shall have the privilege of attending important operations at this Hospital, with the consent of the Operating Surgeon.

25. APPOINTMENT OF STIPENDIARY OFFICERS.—The General Committee shall elect the Residents, Matron, and all the Servants of the Hospital, whom they shall also have the power to discharge summarily. The Stipendiary Medical Officers shall not absent themselves at any time, without the special permission of the Medical Board.

26. RESIDENTS' QUALIFICATIONS.—Every Candidate for the office of House Physician or House Surgeon shall possess a Registered Medical and Surgical qualification. He shall not engage in Private Practice either in or out of the Hospital, nor shall he attend to any other business than that of this Hospital.

27. PUPILS.—Such Apprentices or Pupils as are necessary for the Hospital shall be admitted by the General Committee, who shall also have power to discharge them.

28. DUTIES AND PRIVILEGES OF CHAIRMAN.—Whether at the Annual Meeting or at Special Meetings of the Trustees, the President of the Committee shall act as Chairman, and in his absence one of the Vice-Presidents, or in their absence, a qualified Trustee of the Hospital. In case there shall be an equality of votes at any meeting, the Chairman for the time being shall have a casting vote in addition to his own individual vote.

29. DEEDS AND WRITINGS.—All deeds, evidences, and writings relating to the Institution shall be kept in an iron chest and secured by two locks, the keys whereof shall be kept by the President, a Vice-President, or the Treasurer; or deposited with the Bankers, subject to the orders of the President, a Vice-President, or the Treasurer; and all property in the furniture shall be vested in the President for the time being.
