ST. DAVID'S WING FOR PRIVATE PATIENTS, MANOR GARDENS,
ERECTED THROUGH THE GENEROSITY OF SIR HOWELL J. WILLIAMS, D.L., J.P.

Royal Northern (Group of) Hospitals

The Annual Report

OF

THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31st DECEMBER, 1935

The Board of Management has pleasure in presenting the 80th Annual Report of the work of the Institutions which comprise the Royal Northern Group of Hospitals. Much has been accomplished during the past year and the reports of the various departments show a steady increase in the volume of work which proves the need for an efficient Medical, Surgical and Maternity service such as the Hospital and its Branches can provide.

It is regrettable that it is again necessary to refer to the serious financial difficulties which hamper the Hospital in the work which it undertakes for the necessitous sick of North London. A vast service has, however, been rendered towards the alleviation of suffering.

ROYAL INTEREST

It is with a very deep sense of national loss that the Board records the death of the Patron of the Hospital, His Majesty King George V. During his reign His Majesty constantly showed by personal visits, on three occasions, and in other ways his interest in the affairs of the Hospital and in the well-being of its patients, and only a short time before his death the late King graciously sent a gift of £10 towards their Christmas Festivities. On the death of His Majesty the Board presented the following humble address to His Majesty King Edward VIII.

January 23rd, 1936.

TO THE KING'S MOST EXCELLENT MAJESTY.

The loyal and dutiful address of the Corporation of the Royal Northern Hospital.

We, the Board of Management of the Royal Northern Hospital, hereby ask leave to express to Your Majesty our profound grief on the death of our late Sovereign and Patron King George the Fifth, Your Majesty's illustrious Father, and our heartfelt sympathy with Your Majesty in this sad bereavement.

We have in dutiful remembrance the personal interest shown by the late King in the work of this Hospital and the many benefits received, and we venture to record our deep gratitude to Your Majesty for your gracious continuance in past years of the same interest and benefits.

We beg leave to offer to Your Majesty our sincere and loyal congratulations upon your accession to the Throne, the assurance of our devotion to Your Majesty's person and our prayers that Your Majesty's reign may be long and happy.

(Signed) NORTHAMPTON,
Chairman.

The following reply has been received.

17th March, 1936.

MY LORD MARQUESS,

I have had the honour to lay before The King the Loyal and Dutiful Address of the Board of Management of the Royal Northern Hospital, on the occasion of the lamented death of His late Majesty King George the Fifth and have received The King's Commands to convey to Your Lordship His Majesty's grateful thanks for the assurances of sympathy and devotion to which it gives expression.

I have the honour to be,

My Lord Marquess,

Your Lordship's obedient servant,

(Signed) JOHN SIMON.

A dutiful address of sympathy and condolence was also presented to Queen Mary, Patron of the Ladies' Association.

Her Majesty Queen Mary has again shown her interest in the patients and has sent gifts of flowers and toys. Their Royal Highnesses, the Duke and Duchess of Kent, honoured the Derby Ball with their presence on June 3rd, 1935.

It was with much pleasure that the members of the League of Roses had the honour of welcoming H.H. Princess Helena Victoria at their Jubilee Year badge distribution, on March 1st, 1935, and Her Highness afterwards visited the Hospital.

PATIENTS TREATED

The number of patients treated in the Hospital and its various Branches during the year still kept at a very high level, the comparison being :—

	1934	1935
In-Patients	6,320	6,295
New Out-Patients	64,706	63,702
Out-Patient Attendances ...	360,703	360,637

SPECIAL CLINICS

The work carried out in the Special Departments of the Hospital has been of the greatest value to the Public and in this connection the need for increased accommodation is acutely felt. The attendances were :—

	<i>New Cases.</i>	<i>Attendances.</i>
X-ray Department	13,321	18,614
Light Department	357	9,146
Massage Department	664	13,259
Electro-Therapeutic Department	1,599	24,948
Tuberculosis Dispensary	875	4,638
Venereal Diseases Department	1,948	54,666
Skin Department	1,698	6,947
Aural and Laryngeal Department	1,684	5,891
Ophthalmic Department	1,243	3,486
Dental Department	1,852	4,017
Orthopaedic Department	676	2,404

The number of examinations 17,256, made in the Pathological Department shows the value of this form of investigation in the treatment of disease.

CASUALTY DEPARTMENT

Road Traffic accidents with other street and factory accidents are in a large measure responsible for the number of cases treated in the Department which during the year amounted to 18,956, while 53,676 attendances were made.

X-RAY DEPARTMENT

The resignation of Miss Clark, after eight years' service as Senior Radiographer, is recorded with deep regret tempered by pleasure in the knowledge that she has been appointed to a very responsible position concerned with the development of X-Ray Apparatus.

For financial reasons it has been impossible to proceed with the installation of the Deep Therapy Apparatus as a result of which the work of the Medical Staff has been hindered. The Board is fully aware of the need for the Apparatus and hope that generous benefactors will make it possible for this part of the Hospital's work to be brought up to date.

Cordial thanks are due to Mr. Eric Lloyd for securing through the generosity of a friend a portable X-Ray Apparatus.

ST. DAVID'S WING

Sir Howell Williams' further munificent gift of £10,000 referred to in the last report, has enabled the extensions to the Wing to be completed, as a result of which the accommodation has been increased by thirteen beds which have since November proved their usefulness by the demands made upon them.

St. David's Wing holds a high reputation, not only in the district but throughout London and the Country, and already since Sir Howell first enabled the Hospital to build the Block 4,315 patients have passed through it of whom 1,106 were treated last year.

PRESENTATION TO SIR HOWELL WILLIAMS, D.L., J.P.

Before the business of the Annual Council the Marquess of Northampton, on behalf of the members of the Board of Management and the whole staff of the Hospital asked Sir Howell Williams to accept the gift of his portrait in oils as a mark of esteem and affection and as a small token of gratitude for his many munificent gifts to the Hospital.

Sir Howell accepted the gift, which was painted by Mr. R. Brearley, R.O.I., R.B.A., and kindly returned it to the Hospital and at the invitation of the Board has allowed it to be hung in the Hall of St. David's Wing. Following this Sir Lancelot Barrington Ward asked Sir Howell to accept an engraved silver salver as a personal gift from the members of the Honorary Medical Staff in recognition of the assistance which his gifts to the Hospital has been to them in their work for the patients.

FUNCTIONS

Outstanding among the functions of the year was the Derby Ball held at Grosvenor House on June 3rd, the net proceeds of which amounted to £2,258 8s. 3d. Once more the Board desires to express to Lady Milbanke and to her Committee their cordial thanks for the untiring effort which in no small measure is instrumental in making this annual event so successful.

Much pleasure was given to lovers of beautiful furniture and *objets d'art* through the kindness of Mrs. Meyer Sassoon who generously opened her house to the public in aid of the Hospital.

The Board desires to express to Mrs. Sassoon its cordial thanks for this action which resulted in a substantial sum being handed to the Hospital.

FINANCE

The cordial thanks of the Board are again extended to all supporters whose gifts are recorded in lists of donors, including the following bodies :—

	£	s.	d.
King Edward's Hospital Fund ...	10,136	0	0
Hospital Sunday Fund ...	1,500	0	0
The William Shepherd Trust ...	500	0	0

The Hon. Mrs. Rees-Mogg	3,000	0	0
Mrs. Meyer Sassoon	1,000	0	0

The help of the following contributory organisations in the form of part payment for the treatment of patients who are members of their organisations is gratefully acknowledged :—

		£	s.	d.
Hospital Saving Association	10,238	13	9
Hospital Saturday Fund	1,042	0	6

Early in 1935 the Board recognised that the year would be a very difficult one financially because it was foreseen that certain items of income received in the previous year would not be recurring and also because it appeared certain that some items of expenditure would have to be increased. This, unfortunately, has been the case and owing to circumstances over which the Board had no control it was not possible to proceed during 1935 with the large appeal which was contemplated and which will be launched during the coming year.

The total income for maintenance was £108,878 compared with £111,757. This decrease was mainly due to Legacies which dropped from £6,653 in 1934 to £4,625, and to the fact that the Exhibition, which produced £1,770 in the previous year, was not held. Donations and gifts amounted to £26,328 as compared with £26,920.

Contributions on behalf of patients increased again this year by a further sum of £916 to a total of £59,141. The Board is encouraged to find that patients continue to take steps, either through their Contributory Scheme or direct, to help themselves.

Maintenance Expenditure was £122,495, an increase of £6,212 over the previous year. The constant rise in expenditure is a matter of serious concern to the Board because continuously through the year steps are taken to ensure that nothing but necessary expenditure is sanctioned. The Board finds, however, that, in common with other Hospitals, it is faced by an ever-growing demand for modern and expensive methods of diagnosis and treatment, and higher salaries with shorter hours of duty brought about by the higher and competitive scales instituted by the County Hospitals as well as by the shortage of applicants for Nursing and Domestic appointments. The addition of 13 beds to the Private Wing added also to general expenditure. Whilst there was reduction of expenditure in some items the chief increases were: Provisions, £1,165; Surgery and Dispensary, £700; Domestic items, including Lighting and Heating (which was greater owing to bad weather conditions), £1,317; Salaries and Wages, £1,577.

The cost of each In-Patient per week, excluding the Reckitt

Convalescent Home, was £4 5s. 1d. against £3 19s. 11d. in the previous year. If the Wing for Private Patients is excluded in both instances the comparative cost is £3 18s. 1d. against £3 11s. 5d. in 1934. The increase is, of course, due to the additional expenditure already referred to.

Although there appears to be a tendency every year for the average cost of the treatment of patients to increase it is satisfactory to note (although this does not reduce the anxiety of the Board) that the statistical returns of the London Hospitals, published last year, show again, as they have done for several years, that this Hospital has been administered economically when compared with other General Hospitals of similar size offering similar services.

The Endowment Fund Capital Account was increased by £929 during the year, making a total of £101,620. The Building and Equipment Fund has increased by £3,435 and the amount spent on improvements and new equipment in the main Hospital and its Branches was £12,739, of which £9,935 was in respect of the Extension of St. David's Wing for Private Patients, covered by Sir Howell Williams' generous gift in the previous year of £10,000.

The Contributor's Certificates Fund received £2,781 and met claims amounting to £1,684, the balance of £1,097 being carried to the General Maintenance Account, to comply with the wishes of King Edward's Hospital Fund.

The total gross debt now amounts to £139,460. This represents £63,020 in respect of accumulated maintenance debts and £76,440 on account of Land, Building and Equipment, and the whole Group of Hospitals, if valued, would, of course, represent a sum many times greater than this debt.

VICE-PRESIDENTS

It is with deep regret that the death of the following Vice-Presidents is recorded:

Admiral of the Fleet Earl Jellicoe, who showed his interest in the Hospital by coming in 1928 to unveil a cot named as the result of a tinfoil collection made by the 1st St. Pancras Troop of Scouts and Pack of Wolf Cubs.

Lord Woolavington, who during the closing months of his life very generously undertook to provide for the construction of a new Operating Theatre at the Royal Chest Hospital, and gave a further sum to be spent on general improvements. These gifts are greatly appreciated and have enabled the Board to make better provision for the needs of modern surgical treatment of chest complaints.

Sir George Touche, Bt., a former member of the Board and Member of Parliament for Islington, who for many years took a deep interest in the work of the Hospital.

Since the close of the year that distinguished Admiral, Earl Beatty, has passed to his rest. It is recalled with gratitude that in 1923 he took the chair at what proved to be one of the most successful Festival Dinners ever held, it being necessary in addition to the Dinner held at the Mansion House to provide an overflow Dinner at the Savoy Hotel.

BOARD OF MANAGEMENT

With feelings of very deep regret the Board records the deaths of the Rt. Hon. H. J. Tennant, P.C., and Sir William Rice, J.P. Mr. Tennant had been connected with the Hospital for 34 years as a member of the Board, Deputy Chairman and a Vice-President. The many services which he rendered, his deep personal interest and the very liberal support he gave will be sadly missed but remembered with gratitude. Mr. Tennant also bequeathed £1,000 to the Hospital and a bed has been named in his memory.

Sir William Rice became a member of the Board of Management in 1921 in connection with the transfer of Grovelands War Hospital, its equipment and land at Southgate from the Southgate Voluntary Aid Organisation to the then Great Northern Central Hospital for use as a Hospital of Recovery. He was always keenly interested in the welfare of the Hospital.

The Board extends a warm welcome to Mr. Arthur Penn, D.S.O., and Captain Guy Westmacott, D.S.O., who succeed the late Sir William Rice and the late Mr. H. J. Tennant.

HONORARY MEDICAL STAFF

An expression of deepest gratitude is offered to all members of the Honorary Medical and Surgical Staff for all the care and skill which they have bestowed so freely upon the patients.

SIR LANCELOT BARRINGTON WARD

It was with the greatest pleasure that the Board learned that His late Majesty had conferred upon Sir Lancelot Barrington Ward the honour of Knight Commander of the Victorian Order and the Board places on record its warmest congratulations on a well-deserved honour to one who has given of his best in service to the sick at the Royal Northern Hospital over a period of twenty-one years as well as at other Hospitals.

RESIDENT NURSING AND ADMINISTRATIVE STAFF

The Board wishes to commend to the highest approval of the Governors the loyal services of the Chaplain, the Resident Professional Staffs, the Matron and Nursing Staffs, the Administrative and the

General Staffs of the Hospital and its Branches. Their services are rendered to the Hospital and its patients in the finest spirit of devotion and co-operation.

GENERAL THANKS

The grateful thanks of the Board are heartily accorded :

To the Ladies' Association whose work has again been of the utmost value to the Hospital in assisting necessitous patients through its Samaritan Fund by providing them with clothes, special surgical instruments and convalescent treatment, and also for gifts to the General Fund.

To the Ladies' League for maintaining the Rosemary Ednam Ward for Maternity patients and for maintaining interest in the Royal Northern Hospital in the West End.

To the League of Roses for their continued support and for the collection of £1,100 5s. 11d. towards the Maintenance of the League of Roses Ward. Special thanks are due to Mrs. Frank Barratt, a member of the League, for her generosity in bearing the whole cost of re-flooring the Ward.

To the Hospital Supply Depot for their self-sacrificing work in providing dressing and bandages in large quantities, and without whose aid the Hospital would be put to considerable additional expense.

To the London Blood Transfusion Society for their co-operation in the treatment of patients by sending voluntary donors of blood to the Hospital when required by the Medical Staff.

To the various congregations who, through their Clergy and Ministers, have helped the Hospital by sending Harvest Festival gifts.

To the many individuals who by their gifts of money, goods in kind and the organisation of entertainments have helped to brighten the lives of the patients.

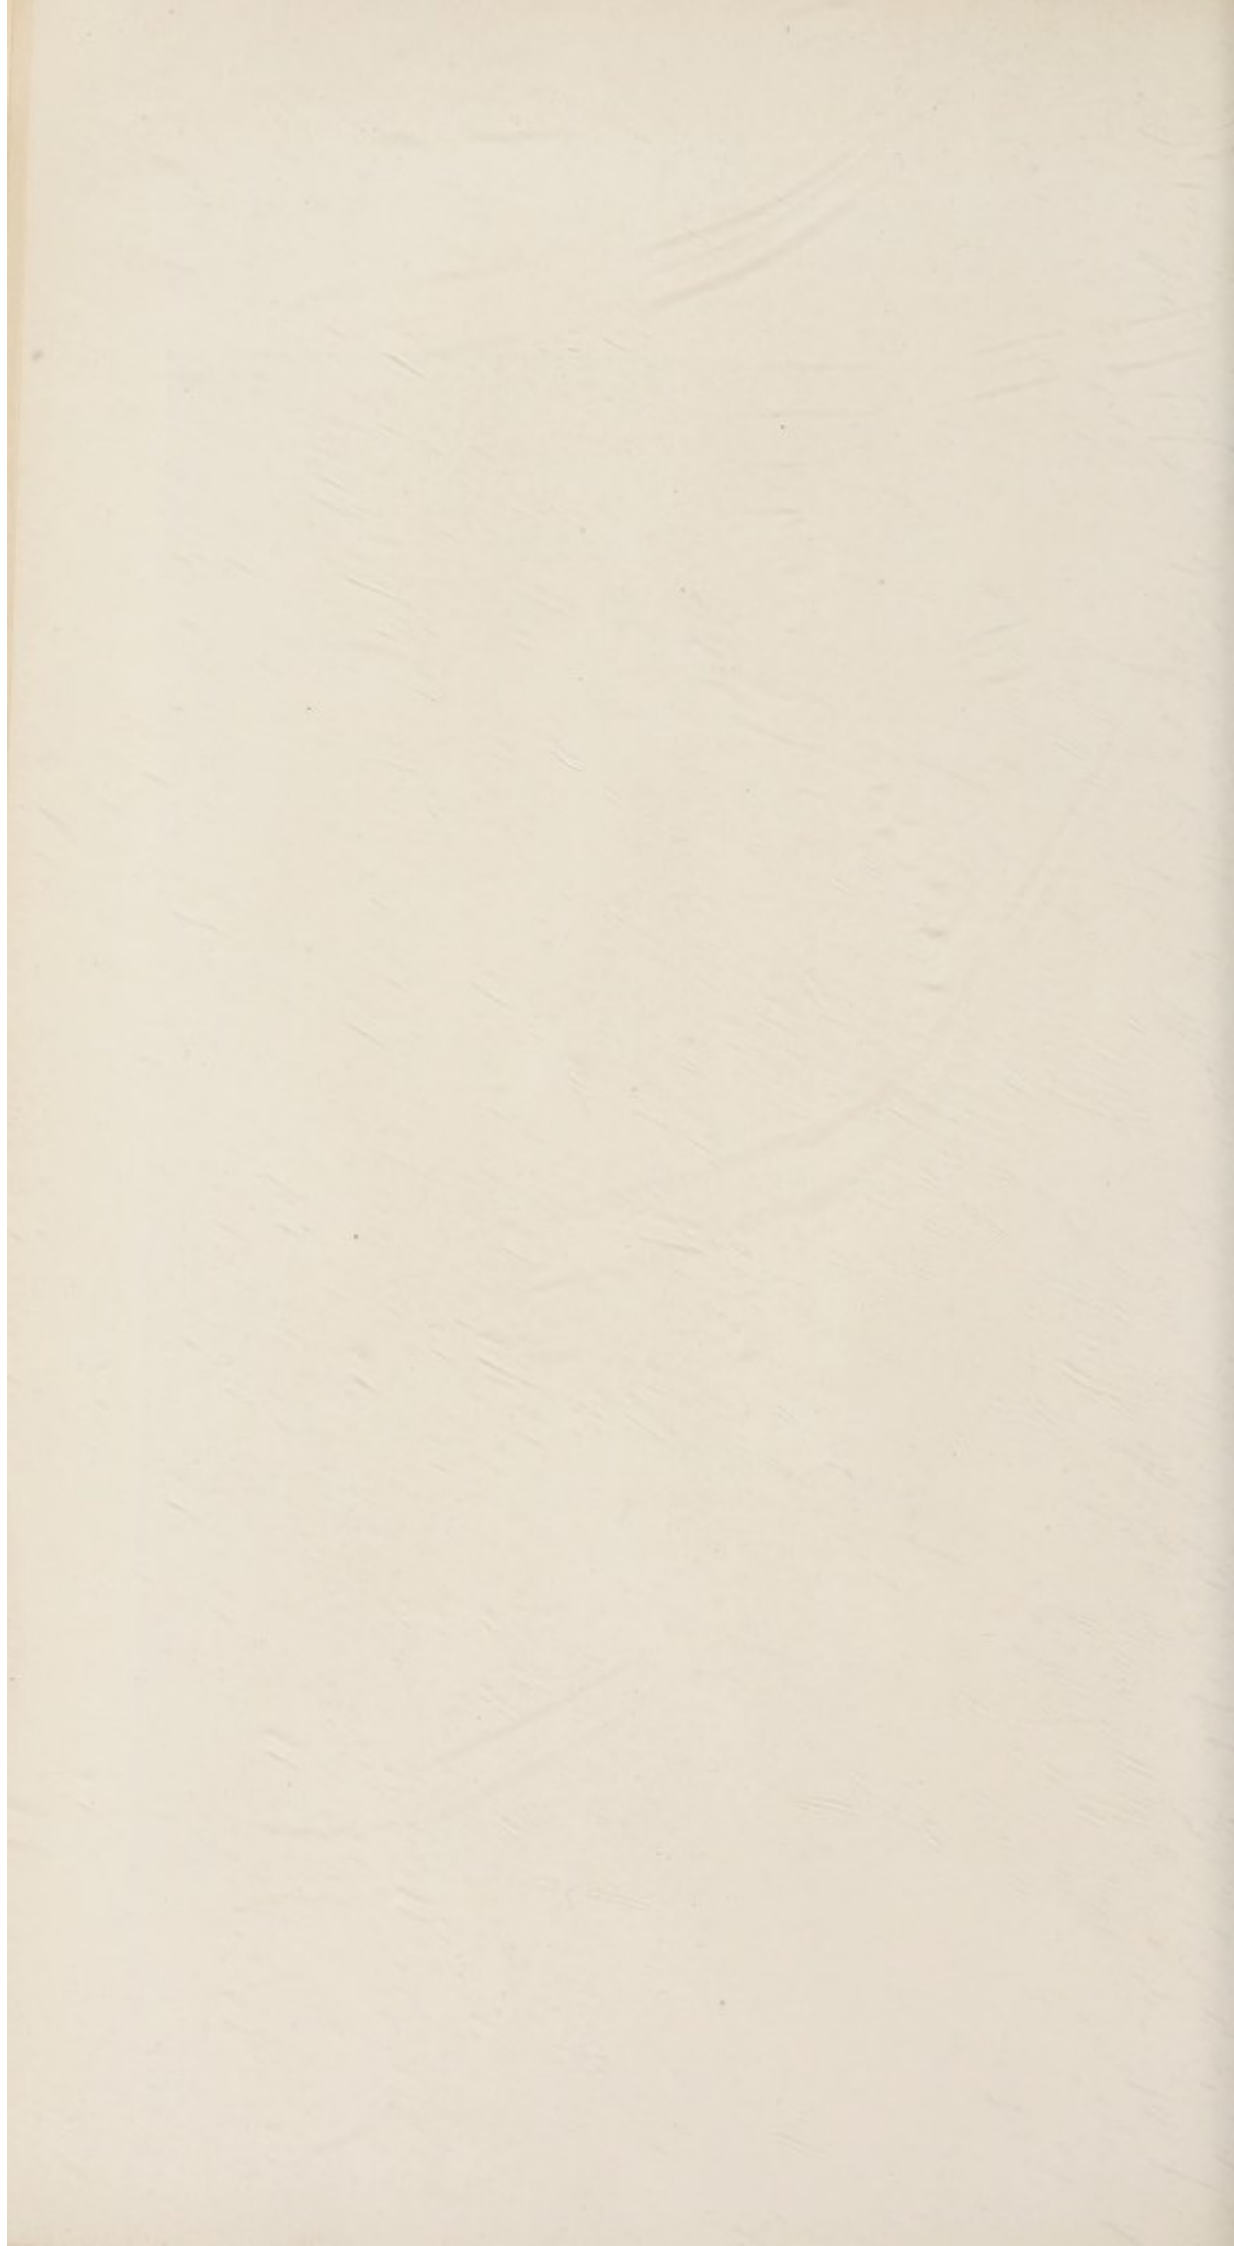

To all who by their Subscriptions and Donations or services have enabled the work of the Hospital to go forward.

ROYAL CHEST HOSPITAL

During the year 649 In-Patients were admitted and the Out-Patient attendances including those in the Tuberculosis Dispensary Department numbered 19,012.

The Board again tenders its cordial thanks to the members of the Medical Staff for their unremitting attention to the patients, to the the Ladies' Samaritan Society and to numerous friends for their contributions for the patients through the Christmas Entertainments Fund.

The Tuberculosis Dispensary Department continues its excellent work for the prevention of consumption. The Tuberculosis Officer's report and statistics appear separately.

The value of the new Operating Theatre so generously given by the late Lord Woolavington has proved of great value in cases where operative procedure has been necessary, while the balance of his gift has been expended in renovating and repairing various parts of the building. The old theatre has been re-modelled and provides an up-to-date department for Light treatment.

The direct income was £8,373 and the expenditure was £14,806, the difference, £6,433, being made up from funds generally available for the Group.

GROVELANDS HOSPITAL (RECOVERY)

The Board is pleased to report that the Hospital of Recovery at Southgate has again proved a very valuable adjunct to the main Hospital. That it is situated in open surroundings in the midst of Grovelands Park, combined with the fact that the gardens yield ample produce, gives exceptional opportunity for a speedy and complete recovery to patients who in their home surroundings are so often deprived of these benefits. During the year 1,240 patients were admitted. The expenditure amounted to £7,243, towards which the parent Hospital made a grant of £3,498.

The Fete, which has come to be regarded as an annual event of importance, yielded a sum of £438, £280 less than last year owing to the bad weather, and the cordial thanks of the Board are extended to those who render loyal service in the attainment of its success.

RECKITT CONVALESCENT HOME AT CLACTON

The Home continues to be a most useful branch of the Hospital and the great benefit which patients derive from the bracing air of the East Coast is borne out by the many applications received for beds. 543 patients were admitted as compared with 559 in the previous year. The direct income was £1,882, while the expenditure amounted to £2,643.

MATERNITY NURSING ASSOCIATION

The following statistics give evidence of the continued usefulness of the Association :

577 patients were admitted to the Maternity Wards of the Hospital.

1,155 women were attended during confinement in their homes, involving 25,286 attendances by midwives of the Association.

9,829 attendances were made at Ante-natal and Post-natal clinics.

25 pupils were trained for the examination of the Central Midwives Board.

143 pupil midwives were received for district training and lectures.

The work of the Association has been increased by a new branch at South Tottenham and it is hoped that the services thus brought within reach of a larger part of the population of North London may prove to be of benefit to many mothers.

The income of the Maternity Nursing Association amounted to £5,119 and the expenditure was £6,151.

APPEAL

The Board of Management is faced with the stupendous task of keeping pace with the demands made upon the services of the Royal Northern Group of Hospitals—a task made more difficult by the past years of trade depression and the uncertain position of international affairs which have tightened the purse strings of rich and poor alike.

The heavy Maintenance Debt incurred during these bad years has proved a heavy burden which even the strictest economy has failed to remove or even lighten, but which has been seriously increased again this year.

So far the Group has managed to meet most of the demands made upon its services but the Board reluctantly feels that unless additional support is forthcoming it will be impossible to maintain that standard of efficient usefulness which has, for so long, been associated with the largest General Hospital Service in North London—"the Royal Northern."

The Board has, in the circumstances, come to the conclusion that the time has arrived when an appeal for a substantial sum for maintenance and for some new buildings (in place of those which have become too small to deal with the number of patients coming to the Hospital) should be placed before the Public, and proposals have consequently been submitted to King Edward's Hospital Fund for consideration before making the appeal.

The Board Acknowledges with very real gratitude the munificent help which has been afforded to the Hospital during the past years and appeals, with confidence, for a continuance of generous sympathy, firm in the belief that the public will willingly associate themselves with the Board in a work which is essentially humanitarian in its object—the care of the necessitous sick.

(Signed) NORTHAMPTON,
Chairman.

At the Royal Northern Hospital patients are transferred to the Grovelands Hospital at Southgate. The statistical figures of the Royal Northern Hospital alone do not, consequently, show a complete comparison with other Hospitals, and this schedule is published for the information of supporters of the Hospital, to show the result of the combination of the figures of the Grovelands Hospital with those of the two other Hospitals of the Group to which it belongs. These figures are comparable with those of other General Hospitals.

GROVELANDS HOSPITAL (RECOVERY), SOUTHGATE, N.14

ROYAL NORTHERN HOSPITAL

ALMONER'S REPORT for 1935

The year 1935 has shown a steady flow of work to the Almoner's Department. The number of new patients interviewed was 3,919 as compared with 4,089 in 1934. Of these 918 were In-Patients and 3,001 were Out-Patients.

CONVALESCENT HOMES

Arrangements for convalescence at seaside and inland Homes have been made for 615 patients. Of these 543 have been sent to the Beckitt Convalescent Home, Clacton-on-Sea, and 72 have been sent to other Homes. The Ladies' Association has made grants to the extent of £73 3s. towards the cost of convalescence at Homes other than Clacton and its help has been particularly valuable in the case of children who are ordered long periods of rest and convalescence out of London.

One little girl, Jean, aged 10 years, was admitted to the Children's Ward in 1933 suffering from arthritis. After 12 weeks' treatment in Hospital her Physician ordered a prolonged stay at the Children's Heart Home, West Wickham, and she was sent to this Home on March 6th, 1934. Her condition gradually but steadily improved and during a stay of 1 year 11 months the Ladies' Association made a weekly grant towards the cost thus making possible the completion of the treatment. Jean returned home on February 2nd, 1936, and her Physician is entirely satisfied with her progress. She has now gone back to School and is to report here at intervals for supervision.

SURGICAL INSTRUMENTS AND APPLIANCES

Instruments, Appliances and Dentures have been supplied to 1,031 patients involving an expenditure of £1,886 16s. 3d., which has been raised in the following way:—

MATERNITY DEPARTMENT

Applications for admission to the Maternity Ward continue to be heavy and of 913 patients who applied 396 have been referred to other Hospitals, Homes or the Maternity Nursing Association for Nursing at home. In this Department each patient is seen by the Almoner who is thus able to arrange for extra milk or nourishment where necessary. When desired the Health Visitor is asked to call and in the patient's home she is able to advise her on hygiene and preparations for the baby.

Our thanks are due to the Medical Officers of Health for their helpful co-operation in this Department. During the year 9 unmarried girls have been helped by their local Rescue Workers.

VENEREAL DISEASES DEPARTMENT

The work of the Venereal Diseases Department though of a specialised nature, covers a wide scope. There is much that the Almoner can do to keep in touch with girls whose homes are out of London, to advise and help, to smooth out family difficulties, to ensure that the Doctors' recommendations are carried out and that In-Patient treatment is provided where necessary for men, women and children.

As an instance of this latter part of the work a mother and her three little girls were all found to be in an infectious condition and, in the case of the children, were in urgent need of In-Patient treatment. Arrangements were made for their admission to a Special Hospital and subsequently for that of their mother to another Hospital for her confinement.

It is not possible to name the many organisations with whom the Hospital has co-operated in the treatment of its Patients. The disease may be treated within the walls of the Hospital but the individual patient is a member of a group and the disorganisation of family life caused by illness may need help other than that supplied within the

hospital. The Almoner's Department should be the link with the outside agencies existing to give such help and that it is so to some extent, may be gathered by the following figures :—

Reports sent	340
<i>Patients referred to—</i>						
Medical Officers of Health	553

Home Visits Paid	444
<i>Patients sent to—</i>

Grateful thanks are again due to our voluntary workers and to the donors of clothes, Subscriber's Letters, for books and other gifts sent to Convalescent Homes and other Institutions.

(Signed) E. M. HOWES, A.I.H.A.,
Lady Almoner.

Friends of the Hospital who want to help it, yet find it necessary that their contributions should in case of necessity stand to the credit of themselves or dependents, if receiving Hospital Treatment, will find full particulars of schemes providing for this on page 152 and on page iii of cover.

ROYAL CHEST HOSPITAL

ALMONER'S REPORT FOR 1935

The number of patients helped or advised by the Almoner during 1935 totals 391, of these 236 were In-Patients and 155 Out-Patients

These figures show quite a marked increase in the number of in-patients dealt with, and a decrease in the number of out-patients. This may possibly be accounted for to some extent by the fact that the number of patients sent to sanatoria and convalescent homes has greatly increased this year, and the majority of recommendations for such treatment come to the Almoner from the Wards.

The following statistics show something of the nature of the Almoner's work :

Dentures and Appliances supplied	20
Patients sent to Clacton	33
Patients sent to other Homes	80
Patients sent to Sanatoria	97
Patients sent to Special Hospitals	17
Patients sent to local Hospitals	19
Patients visited by District Nurses	2
Home Visits paid	6
Extra nourishment granted	7
Temporary assistance given	2
Transport arranged	12
Subscribers' Letters (for Homes or Sanatoria) obtained	6
Reports sent	112

The following figures show that the Almoner has indeed reason to be grateful for the co-operation of outside agencies when assisting patients in the way most suited to their individual needs.

Patients referred to :—

Charity Organisation Society	23
Invalid Children's Aid Association	23
Medical Officer of Health	130
Educational Authorities	33
Other branches of the London County Council	12
Employers	3
United Services Fund	8

Assistance has also been given by 19 grants from Approved Societies, 52 grants from the Hospital Saving Association, and 8 grants from the Hospital Saturday Fund.

For the 20 patients who were supplied with Dentures and appliances the sum of £64 6s. 0d. was required, this was raised in the following ways :—

	£	s.	d.
Approved Society Grants	15	17	0
Patients' Payments	20	17	3
Grants from the Samaritan Fund	2	10	0
Grants from Churches	1	7	6
Grants from the Hospital Saving Association	1	19	3
Grants from other sources	21	15	0

The recently re-organised Ivory Cross Society has been of great assistance to the Almoner, when raising the cost of dentures for necessitous patients.

Of the 113 patients for whom convalescence was arranged, 46 were referred to outside agencies, the Samaritan Fund co-operating in 12 cases to the extent of £17 13s. 5d. The remaining 67 patients were sent away by the Almoner. The money expended amounted to £248 9s. 6d., and was raised as follows :—

	£	s.	d.
Patients' Payments	72	18	3
Grants from Hospital Saving Association	56	3	1
Grants from Hospital Saturday Fund ...	12	8	2
Grants from Approved Societies ...	35	13	0
Grants from United Services' Fund ...	2	0	0
Grants from other sources	31	0	0
Grants from Samaritan Fund	38	6	1

The Almoner has been very fortunate in that she has been able to call on the services of a friend who most kindly transports patients to convalescent homes or elsewhere when they are not strong enough to bear the journey by train. The additional expense of an ambulance can often be avoided in this way.

The Almoner would also like to thank others who have assisted her in many ways, such as by providing Letters of Recommendation for Convalescent Homes and Sanatoria, and by gifts of clothing. Particularly she would like to mention one Out-Patient who saves his halfpennies and gives them to her to disburse to very poor patients for their fares to Hospital.

(Signed) E. C. SHARP, A.I.H.A.

Assistant Almoner.

ROYAL NORTHERN HOSPITAL

REPORT OF THE LIGHT DEPARTMENT FOR 1935

New cases in 1935 numbered 240, in 1934 they were 207.

Of this number 87 came from the Skin Department and 161 from other departments and sources. (These figures in 1934 were 26 and 171.)

Attendances in 1935 = 8,762 (in 1934 = 7,815). Again the attendances include those made for tuberculin but for the first 9 months of the year only, as tuberculin treatment was no longer given in the Department after September.

New patients attending for radium treatment numbered 10.

Patients came for Ultra Violet Ray from nearly every department in the Hospital and a very few from outside sources. The majority came from the following departments—skin, surgical, medical tuberculosis, casualty and Morning Out-Patient Departments. Some patients came from the St. David's Wing.

ROYAL NORTHERN HOSPITAL

REPORT OF THE PHYSIO-THERAPEUTIC DEPARTMENT
FOR 1935

In making my report of the Physio-therapeutic Department for 1935, it is to be regretted that the present space allotted to it is insufficient for its various needs.

Owing to the increase in numbers in the last few years the present staff is insufficient to cope with the work.

A new diathermy or else a short wave apparatus is urgently needed as treatments ordered for this cannot be carried out, as the present diathermy machine can only be used for a few hours without overheating.

I have pleasure to report that the cheiropodist clinic continues to do excellent work owing to the kindness of the Chelsea Polytechnic School of Cheiropody.

The numbers treated in 1934 and 1935 are given below :—

	NEW		OLD	
	<i>Massage</i>	<i>Electrical</i>	<i>Massage</i>	<i>Electrical</i>
1934 ...	491	1,991	11,249	24,142
1935 ...	664	1,599	12,595	23,349

The cheiropodist clinic treated 219 cases in 1934, and 276 cases in 1935.

ROYAL NORTHERN HOSPITAL

REPORT OF THE X-RAY DEPARTMENT FOR 1935

The hope expressed last year that a new Shock-proof Portable Trolley Set would be provided has been fulfilled and has proved a great asset, especially in enabling the new Smith-Peterson technique for fractures of the head of the femur to be carried out in the Operating Theatre.

A graph has been prepared showing the steady increase of the work of the Department from the 1st January, 1927 to 31st December, 1935, nine years in all. From this one or two interesting points can be mentioned.

- (a) The number of casualty cases increased from just over 4,000 to just under 6,500 cases per year. This could be largely explained, in all probability, by the increase in vehicular traffic during this period.
- (b) Barium Meals from 600 to 2,000.
- (c) Chest cases from 500 to 1,650.
- (d) Kidney cases from 240 to 850—the rise appearing suddenly from 1933 after being practically steady. This can be ascribed to the popularity of the dye method for outlining the kidneys, subjecting the patients to the minimum amount of discomfort in order to obtain necessary information.

As new methods, such as this, when proved reliable, result in a great increase in the number of cases, it is obvious that in the future the general field of X-Ray work is certain to require additional facilities not only in apparatus but also in accommodation, which are long overdue already.

THE TUBERCULOSIS DISPENSARY FOR THE NORTHERN PORTION OF THE BOROUGH OF ISLINGTON

REPORT FOR 1935

The figures representing the work of the Dispensary for 1935 show a close agreement with those of 1934, though the actual number of attendances of patients, 3,808, is the highest recorded.

Arrangements have been made with the Proffit Scholar of the Royal College of Physicians to assist in a large scale investigation into the nature of "contact" infection.

I have again to thank Sister Cope for the unfailing efficiency of her work, and Nurse McGoldrick for her assistance in visiting patients in their homes.

TUBERCULOSIS DISPENSARY FOR SOUTH ISLINGTON

REPORT FOR THE YEAR 1935

In submitting my report of the work carried out in the Dispensary for the past year it should be stated that the figures are taken largely from the reports prepared for the Minister of Health.

The table set out in full calls for no explanation.

The following figures have been taken from a very detailed report which is an analysis of all patients suffering from pulmonary tuberculosis attending the Dispensary—"Before 1936"—and in each succeeding year.

The handicraft class continues to be popular.

I wish to thank the Chairman and Members of the Committee of Management.

Sister McCleary has done excellent work, and I have to acknowledge the great help she has given in the carrying out of the work of the Dispensary.

RULES AND REGULATIONS

1. Application for admission should be made on the special form, and forwarded to the Secretary, St. David's Wing, Manor Gardens, London, N.7.
 2. This Wing is intended for patients who are unable to afford the full professional fees and the expenses of medical or surgical treatment.
 3. No person can be received suffering from infectious disease, certifiable mental disorder, or incurable diseases which are unlikely to be benefited by treatment.
 4. It is intended for cases requiring active treatment, and the stay is usually limited to six weeks, but may be extended by the House Committee on the recommendation of the Medical Attendant.
 5. The charges for a patient range from 16/6 per day for a double room and 18/- to 30/- a day for a single room according to size, equipment, etc., but a minimum total charge of two guineas is payable. Payment entitles the patient to accommodation, board, nursing, medicine and necessary stimulants, surgical dressings, and the use of the Operating Theatre. Special nurses, massage, pathological and radiographic examination on a fixed scale or any expensive remedies ordered are additional charges.
 6. Patients must at their own expense place themselves under the care of any Physician or Surgeon in consulting practice on the Staff of a recognised London Hospital, whether attached to the Royal Northern Hospital or not. Also by arrangement with the Consultant concerned and at their own expense, patients are at liberty to have the attendance of their own Doctor to share in their treatment, and in surgical cases to assist at the operation or give anæsthetics.
 7. The Consultant selected, if not on the Staff of the Royal Northern, shall be entirely responsible for the treatment of his patient during the stay in Hospital, and may call in the assistance of the Resident Medical Officer, but shall remunerate him for his services.
 8. Patients admitted under members of the Staff of the Royal Northern shall, in the absence of the Physician or Surgeon, be under the care of the House Physician or House Surgeon concerned, subject to the usual supervision of the Resident Medical Officer, and the member of the Staff shall himself make such financial arrangements as he thinks fit with such House Physician or House Surgeon.
 9. Professional fees for treatment or operation will be arranged with the Consultant and paid direct to him unless it is arranged for payment to be made through the Secretary's Office.
 10. In surgical cases the fees for the anæsthetist are paid through the surgeon.
- All payments should be made by the guarantor or patient weekly, in advance, the first payment on the day of admission.
- Patients are requested to come provided with a proper change of linen, brush, comb, etc., but no more luggage should be brought than is absolutely necessary.
- Patients may be visited by any Clergyman or Minister of Religion they desire.

REPORT

OF THE

LADIES' ASSOCIATION

FOR THE YEAR ENDING 31ST DECEMBER, 1935

The Ladies' Association has much pleasure in submitting its Annual Report for the year ending 1935.

We regret to have to announce the death of Lady Barrington-Ward, Mrs. Ford and Dame Madge Kendal.

Lady Barrington-Ward had been an active member of the Association for several years; she always took a keen interest in all functions and her help will be greatly missed.

Dame Madge Kendal and Mrs. Ford had also been members of the Association for many years. Dame Madge was always willing to open Pound Day and preside at meetings and she was keenly interested in the work of the Samaritan Fund.

Although Mrs. Ford was not so well known to members of the Association, she subscribed generously and was most active in helping the Hospital during the War.

Since the close of the year the Association has also lost by the death of Mrs. Carrington and Mrs. Harold Brown, who were two of the oldest members of the Association.

The receipts for the year from Voluntary Sources amounted to :

GENERAL FUND—	£	s.	d.	£	s.	d.
Subscriptions and Donations	106	5	6			
Grovelands Tea Stall	101	14	4			
Out-patient Refreshment Stall	52	5	4			
	—————			260	5	2
 SAMARITAN FUND						
Subscriptions and Donations	12	8	0			
Pound Day	86	19	5			
Evening Concert	59	14	8			
Bridge Tournament	278	18	10			
	—————			438	1	7

The sum of £88 15s. 10d. was voted and transferred to the Maintenance Fund of the Hospital.

PATIENTS' PAYMENTS.

The total expenditure of the Samaritan Fund in assisting patients was £2,358 6s. 6d. and the patients or societies and organisations interested in them contributed £2,085 2s. 1d. towards this.

POUND DAY.

The 30th Annual Pound Day was held at the Hospital on the 14th May. The Countess of Oxford, for the second time in succession, very kindly opened the sale and received the gifts.

Owing to the special appeal made by H.R.H. The Prince of Wales on behalf of the Jubilee Trust Fund in connection with the Silver Jubilee, the gifts received were considerably less than in previous years.

Tea was again served in the Board Room and the Stalls were arranged in the Hall. £86 19s. 5d. was raised and paid over to the Samaritan Fund.

A special vote of thanks was accorded to the Countess of Oxford for coming to the Hospital and to all stall holders and helpers.

EVENING CONCERT.

Very special thanks are extended to Lady Luke for arranging an Evening Concert at her house, 29 Portman Square, on Election Night, November 14th.

A most enjoyable programme of music was arranged by Mr Dettmar Dressel, and Mr. Mark Fitzroy contributed to the success of the evening by singing several delightful ballads. £59 14s. 8d. was raised for the Samaritan Fund.

BRIDGE TOURNAMENT.

Lady Luke and Miss Lawson Johnston again arranged a very enjoyable and successful Party at Claridges on the 12th December. Miss Laurie was chairman of the Junior Committee which were responsible for the cabaret and dancing.

£278 18s. 10d. was made, and sincere thanks are due to the Committee and especially to Miss Lawson Johnston, Mrs. Zamora and Miss Radcliffe Platt for their help, to Lady Laurie for lending her house for committee meetings and the committee are most grateful to Mrs. Warren Pearl for giving a cocktail party for the press.

ANNUAL SHOW OF CLOTHING.

The Annual Show of Clothing was held in the Board Room of the Hospital on the 8th October. The number of gifts—285—was larger than that of the previous year, and compared with the 141 received in 1932 shows an encouraging increase, due largely to the untiring efforts of The Misses Lawson Johnston, to whom a special vote of thanks was accorded.

The Committee is most grateful to Mrs. Ernest Ward and her friends who send woollies every Christmas for the Maternity Ward.

CHRISTMAS ARRANGEMENTS.

The members of the Association again provided a Christmas tree for the Children's Ward, and a special tea and presents for every patient in the wards of the Royal Northern Hospital and Grovelands Hospital on Boxing Day.

The League of Roses provided gifts for the patients in their special ward.

Mr. Plum of the Cherry Tree again supplied the tree for Grovelands which was very much appreciated.

OUT-PATIENT REFRESHMENT STALL.

Mrs. Courtauld and her helpers are sincerely thanked for all their work in connection with the Out-Patient Refreshment Stall. During the year £200 was spent from the Fund in supplying some of the most urgent needs of the Out-Patient Department. £52 5s. 4d. was raised during the year.

GROVELANDS TEA STALL.

Mrs. Panter's Tea Stall still continues to be very popular and £101 14s. 4d. was raised during the year.

LEAGUE OF LITTLE DEEDS OF KINDNESS.

Dear Friends, Workers, Well-wishers and Lovers of Children :

Once again we send to you the Annual Report of the League of Little Deeds of Kindness." It is the Twenty-sixth, and tells the same tale as was told by its twenty-five predecessors—the tale of a great Need and a Generous Supply.

The need is an ever-increasing one. The Hospital is a Living organization—very much alive!—and its growth is almost beyond belief. Since the last Report the Children's Ward has grown, a larger ward, more beds, and more little ones to fill them. It is Springtime and growth thrusts itself on our notice, and some of us may recall the sweet cry of our childhood's day, "All is a-growing and a-blowing."

Our little League has helped and is still helping in the growth of any a little sickly weedy human plant; and a visit to the Ward will bring joy to our hearts for there we shall see with our own eyes the result of the Hospital's fostering care in which we have had our little ones, bringing some sunshine into the stunted feeble lives of these little ones. Each small Deed of Kindness is indeed a Drop of Water and a Ray of Sunshine, a lift on to health and happiness.

The usual Show of Work was held in October. The long table in the Boardroom was hardly long enough for the burdens it held. Such piles of good things! Every article "just so." A remark

made by a rather acid tongue many years ago, and heard by one of the League Members, was recalled as her eyes fell on the beautiful piles of knitted and other garments, and the thought passed through her mind—No, that doesn't apply to "The Little Deeds" doings. The garments under her inspection were certainly—well "So-so"—and her comment, "Ladies seem to think that God Almighty made poor people's children after a different pattern to their own!" No, Our League keeps in mind not merely "Strength but Beauty too," and its Deeds are truly "Deeds of Love."

The Report tells what was done by its members in 1935, and the coming year's wants will be much the same. It should be always kept in mind that a small child in bed can be quite comfortable in a garment too big for it, but just the contrary is the case of a big child in a small garment.

With much regret Mrs. Wallis, Head of the Finchley Knitters, felt that she must resign from the Leadership; her regret bore no comparison with that which, we are sure, all the members must feel, for the League has had a no more staunch, capable and liberal friend than Mrs. Wallis. It is a satisfaction to be assured that it is only the Leadership she has resigned, and she still will work and help in every way, her interest in the League Work for the sick children will be as keen as ever. Mrs. Wallis has resigned, but Mrs. Buist of 3, Cyprus Avenue is very kindly filling the vacancy, and has already enrolled two more members. Sixty-six garments is the contribution of Finchley under Mrs. Buist's leadership.

Mrs. Brightman, of Mill Hill, is still very keen on the League Work, and is putting all her heart into it. Twenty garments is the Mill Hill contribution. The Ward and its friends tender their warmest thanks to both these ladies and their group of workers for these truly noble gifts.

We record with much regret the loss through death of a very faithful worker, Miss Rhoda Lovegrove—an out of London member. She never failed to send her two garments beautifully made, though she could ill afford them—truly a Deed of Kindness, little perhaps in the eyes of the less understanding, but great in the eyes that *See*, the "Eyes that are over the Righteous." Her friend, who enlisted Miss Lovegrove's interest, has already enrolled two workers to fill the gap in our ranks. These are indeed welcome for The League has *very* few needlewomen, though many knitters. Knitting is more popular. So far good and satisfactory. It will be noted that the number of articles has grown—"Growing and Blowing" seems our War Cry this year, but alas, the one matter which does not do either is the matter of £ s. d. The deficit indeed grows in leaps and bounds, but that is because Pounds, Shillings and Pence tend to shrink and dwindle till the shortage becomes alarming.

One thing may be assured as certain, The League is determined at its special charge—the Children's Ward—shall lack nothing, unless more collecting boxes can be taken, and more donations sent, the future looks rather dark. One little special effort, tall at the Hospital POUND Day, brought £7, and a box collection made by a group of young people—the Keenites—£1 8s.—but the cost of stocking the Ward with all that it needs—blankets, sheets, pillow-cases, bedspreads, napkins, and utility clothes of various sorts, very great, and cannot be lessened, for very *great* pains are taken to do so economically. Taking into consideration that the knitted garments are free gifts and no cost to the League, it will be found that the average cost of all the other articles supplied by the League is something over 2s.

Your President would very earnestly urge you to make every effort to stem the Growth of an objectionable Weed, which threatens to swamp the Flowers of Strength and Beauty in our Beautiful Garden of true Heart's Easter Peace—Love, in which may all our Mutual Friends, Works, and Well-wishers have a rich share.

PATIENTS' LIBRARY.

Mrs. Beatty and Miss Rich still continue to be responsible for the Library and their work is much appreciated by the patients.

A sincere vote of thanks is extended to them both.

SAMARITAN FUND.

During 1935 the Samaritan Fund assisted the following numbers of cases :—

	1934	1935
Sent to Convalescent Homes	83	87
Surgical Appliances supplied	114	140
Number of fares paid	8	9
Other assistance	7	16
	212	252

Members are asked to send Surgical Aid Letters which are always much appreciated by the Lady Almoner.

SPECIAL APPEAL.

The Committee is appealing again for new members. Although the work done this year has been most encouraging, new members are urgently needed to bring fresh ideas and energy into the life of the Association.

If each member would persuade one friend to join, it would enable the Committee to do even more for the patients who rely on their assistance for their convalescence and after-care.

LAURA LUKE,
Chairman.

THE LADIES' LEAGUE REPORT

The Ladies' League has pleasure in submitting its annual report for the year ending 1935.

The members of the League are pleased to announce that £3,812 17s. 4d. has been raised during the year.

We regret to record the death of Lady Barrington-Ward and the Dowager Lady Glentanar, who both did so much to help with the functions arranged by the League.

We also regret to report the resignation of Lady Helen O'Brien owing to absence from London.

Mrs. Gubbay did not hold her annual exhibition this year, but Mrs. Meyer Sassoon very kindly opened her house to the public for three days in March and the sum of £300 was realised for the Ward. The League are sincerely grateful to Mrs. Meyer Sassoon for this kindness and also for her most generous donation of £1,000 towards the Maintenance Fund of the Ward.

Lady Milbanke again arranged her annual Derby Ball at Grosvenor House on June 3rd. T.R.H. The Duke and Duchess of Kent honoured Lady Milbanke with their presence.

£2,258 8s. 3d. was realised, this being the largest amount raised at a Derby Ball, and a special vote of thanks is extended to everyone who helped to make the ball so successful.

Mr. Moss Harris kindly sent a donation of £93 7s. 1d. towards the Rosemary Ednam Ward Fund, being part of the proceeds of seats sold for the Jubilee Procession.

A Christmas Appeal was circulated among members and friends of the League and £68 2s. was received to buy presents for the patients in the Rosemary Ednam Ward during Christmas.

The Board of Management extend their grateful thanks to the members of the League for their support during 1935, and particularly to Lady Milbanke and Mrs. Meyer Sassoon for their individual efforts on behalf of the League.

ROYAL CHEST HOSPITAL

LADIES SAMARITAN SOCIETY

A Pound Day and "Wellworth" Sale was held at the Hospital during the year, under the auspices of the Society. This was outside our usual work, as it was for the benefit of the General funds of the Hospital, for which an appeal was being made to the Public. Our President, Viscountess Finlay, kindly attended and the Sale was opened by the Mayor of Shoreditch.

Mrs. K. E. Harris has been elected a member of the Committee.

Sixty patients received financial help from us out of the 391 referred to the Lady Almoner. This was a larger number than the previous year, and several were helped on a higher scale.

Sunshades were purchased as usual, for use on the balconies; and our subscription to the Red Cross Library was continued.

We have received a consignment of garments from Queen Mary's Needlework Guild and it is gratifying to record that such a gift has now been received for three successive years.

The Farthing Fund showed a considerable drop this year, owing to the fact that a subscription box was stolen from the Hospital.

The Annual Rummage Sale was postponed owing to the above mentioned special Appeal and was on a much smaller scale than usual.

Miss Avril Symes-Thompson, assisted by Miss Elizabeth Webb and Miss Jean Swan, held a Sale of Work of articles they had made. Part of the proceeds was spent on convalescent treatment for the children in the Wards and part on purchasing Christmas gifts.

Our thanks are due to all our subscribers and the following may be specially mentioned:—

	£	s.	d.
Bridge Tournament arranged by Mrs. Moreland	—	—	20 16 0
Bridge Tournament arranged by Mrs. Symes-Thompson	—	9	0 0
Tinfoil Collection by Mrs. Arnold Stott			
Rummage Sale arranged by Miss Matthews	—	—	5 6 0
Sale of Work arranged by Miss Avril Symes-Thompson	—	4	0 0
Farthing Fund Supervised by Sister Robinson and Miss Sharpe	—	—	1 16 1

Gifts, including books, toys, silver paper, clothing, cakes, groceries, fancy goods, household goods, flowers and vegetables, have been received from the following:—

Viscountess Finlay, Mrs. Moreland, Mrs. Hay, Mrs. Parish, Mrs. J. H. Hughes, Miss Connop, Mrs. Symes-Thompson, Mrs. C. Symes-Thompson, Mrs. Stott, Mrs. E. Lewis, Miss Kirby, Mrs. Phear, Mrs. Love Montgomerie, Mrs. Leigh of Tanga (B.E.A.), Mrs. Kerley, Mrs. Kersey, Mrs. Balter, Mrs. Saxby Willis, Mrs. E. L. Horne, Mrs. Barty King, Miss Jean Kidson, The Wenlock Infants' School, Selfridge & Co., and the United Yeast Company.

It is desirable that the Society should become better known, and it is hoped that our friends will do all they can to persuade others to join.

MATERNITY NURSING ASSOCIATION, CAMDEN ROAD

A CORNER OF THE MATERNITY WARD

MATERNITY NURSING ASSOCIATION

The Maternity Council was deeply gratified to hear that her Royal Highness the Duchess of Kent was being nursed by a former pupil of the Association and in that most happy year of Their Majesties' wonderful reign—that a grandson of our beloved King George and Queen Mary could be regarded as one of the N.A. Jubilee babies.

During the year, 1,155 mothers were attended in their own homes—a decrease of 120 cases compared with the previous year and attributable to the increased provision of maternity beds in hospital, the falling birthrate, and the tendency of the population of the formerly congested areas served by the Association to move further afield into the accommodation provided by various housing schemes.

Considerations of these facts led to the appointment in October of a Subcommittee to investigate the possibility of extending the district midwifery service in North London and it was finally decided to acquire a practice at Howard Road, North Tottenham. Miss Griffiths, a member of the staff at Myddelton Square since 1932, was transferred there on November 11th and a pupil-midwife has since joined her. The history of the furnishing of the new centre through the enterprise and generosity of the friends of the M.N.A. belongs of right to 1936, but we cannot refrain from expressing our satisfaction that this extension has been made possible.

The realization of a National Maternity Scheme, with domiciliary midwifery recommended as the basis of the service and the nursing of every maternity case by a qualified midwife as an indispensable condition, was brought nearer in 1935 by the pledge of an early passage of a Midwives' Bill.

The uncertainty caused by a forward movement of this kind with its hopes of the substantial raising of the status and remuneration of midwives and of a compulsory lengthened and improved training, has had some effect upon the work of the past year. A larger proportion of pupils from other institutions for district midwifery training has been received and fewer pupil-midwives have entered for training for the Examination of the Central Midwives Board.

Following the visit of inspection by Dr. Taylor (Ministry of Health) to Myddelton Square and Camden Road Homes and to the Maternity Wards, the post-graduate courses for practising midwives proposed by the Association were approved for grant purposes by the Minister of Health in June.

A report of the Training School will be found on page 8. Two members of the Staff, Miss Braine-Hartnell at Myddelton Square and Miss Down at Camden Road, were successful in gaining the Teachers' Certificate of the Central Midwives Board during the past year.

Finsbury Midwifery Scheme.

Patients, numbering 177, were attended in their own homes under the scheme during the year and it was arranged that, in selecting cases for maternity wards of the Royal Northern Hospital, preference should be given to Finsbury first-baby mothers wishing to be admitted to hospital.

Councillor Mrs. E. K. Allen and Councillor Mrs. L. E. Jeffs were welcomed as representatives of the Borough Council on the Maternity Committee (Finsbury).

We gladly take this opportunity of expressing our appreciation of the valuable co-operation of the Borough Council in the provision of milk, dinners and financial help towards the cost of convalescence and holidays for mothers and children resident in Finsbury.

One change on the Medical Staff occurred during the year: Mr. Arthur M.B., B.S. (Lond.), F.R.C.S., M.C.O.G., was appointed Medical Officer of Post-natal Clinic in place of Mr. Hamilton MacLeod who resigned in November.

A Re-union of M.N.A. nurses was held at Myddelton Square on July 1 followed by Pound Days on the 11th at Myddelton Square and on the 12th at Camden Road, when 232 pounds in kind were presented to Mrs. Dove and Mrs. Mortimer Woolf respectively and £6 7s. 11d. contributed to the Furn Fund.

Once again we hasten to express our gratitude to the Mayor and Mayoress of Finsbury, to the Borough Council for placing the Town Hall at our disposal and to all those who assisted in connection with the Annual Sale on November 26th. The Viscountess Swinton kindly opened the Sale, by which the sum of £138 11s. 2d. was added to the funds. We are indeed grateful to those who co-operated to raise this amount and to make the Sale so enjoyable for the mothers.

We wish to record our great appreciation of the kindness of Mr. H. A. Y. in nominating the Association to receive contributions from the Sunday Church Fund of the Forum Theatre, Kentish Town, for the Branch Home.

Maternity Department of the Royal Northern Hospital. It was found desirable to open a weekly ante-natal clinic during the year. The total number of attendances made at the three clinics was 4,281; 556 births were registered in the maternity ward, an increase of 56 compared with the previous year—and the Council is thankful to record that the maternal mortality was nil.

There were 577 patients admitted to the wards, twelve of whom were transferred by the Maternity Nursing Association for abnormal conditions rendering home confinement unsuitable; all did well. One other M.N.A. patient was admitted for observation, discharged at the end of a fortnight and a living baby was born at home. Two infants were admitted from Myddelton Square discharged one for the establishment of breast feeding and the other for prematurity.

At the end of December, the number of patients already booked for admission to the maternity wards was 231.

Finance. The primary aim of the Association is still to provide for the poor patients, or those of very moderate means, a first rate district maternity service, with the necessary clinics under medical supervision for mothers, and children up to five years of age. To maintain this, it is necessary to raise by subscriptions, or other voluntary efforts, a sum of £1,500 yearly to bridge the difference between the expenditure entailed and the income from Government grants, patients—who, poor as they are, contributed the sum of £858 17s. 6d. last year—and pupils.

We greatly appreciate the devoted and unselfish work of the nursing staff and the regard for economy shown by the Matron and Sister-in-Charge. The weekly average for 1935 was 8/11 per head.

The Council appeals very earnestly for new subscribers and help in supporting Association, which exists not only to care for the mothers and children in its area, but which aims also at giving the best possible training to wives for the service of women in every sphere of life.

Changes on Council. We greatly regret to record the resignation—through ill health—of Lady Bilbe-Robinson, whose generous support and interest in the work of the Association will be sorely missed and also that of Mrs. Arthur Pickup, a valued friend of former years, who found it impossible to attend the meetings.

We were very pleased to welcome Mrs. Broadmead and Mrs. Blundell's daughter, Mrs. J. A. Pollen, as new members.

As this report is being sent to the press, we deeply regret to record the death of Miss Venables, who was appointed Almoner in April, 1932. Her understanding experience of maternity work were invaluable and her sympathy and ready help will be greatly missed.

RUBY FLEISCHMANN,
Chairman of the Maternity Council.

REPORT OF ANTE-NATAL CLINIC, 1935

Throughout 1935 the work of the Association continued on much the same lines as those which obtained in 1934. It will be seen that both the number of patients booked and attended showed some falling off but this is the experience of domiciliary midwifery through the country—due no doubt to the markedly increased accommodation for obstetric patients in hospital, and in part also to the activities of the public health authorities in advising hospitalization.

During the year 755 patients booked with the Association for their confinements and 753 patients in all were attended during that time. Of this latter number were doctors' cases. The care of these patients has involved 5,069 attendances at the Ante-Natal Clinic. Of these, 2,171 constituted visits to the Medical Officer, 2,898 were extra visits for the purpose of urinalysis. There was one maternal death during the year—due to a ruptured uterus and, although the patient was transferred to a hospital, she succumbed.

The tabulated report appears on the following page.

A total of 15,356 visits to patients was made by the nursing staff during the year.

Once again I have pleasure in placing on record my appreciation of the loyal and co-operation of the Matron and Nursing Staff and also my thanks to Mrs. Williams for her unfailing courtesy and efficiency in the smooth running of the Ante-Natal Clinic.

CHARLES D. READ, M.B., F.R.C.S., F.R.A.C.S., M.C.O.G.

BRANCH HOME OF THE MATERNITY NURSING ASSOCIATION

235 CAMDEN ROAD, N.7

As shown by the following statistical analysis of cases, 342 patients were attended from the Branch Home by midwives and 54 were nursed for doctors. The maternal mortality was nil.

Of the 426 cases registered for attendance, 22 were booked by the Sister-in-Charge of the Branch at the Royal Northern Hospital for confinement at home.

Anti-natal Clinic.

There were 246 individual attendances and a total attendance of 379 at the fortnightly clinics held during the year; 479 visits were paid to patients.

Special thanks are due to Mrs. Marriott for her valuable help in keeping the large garden space at this house in excellent order and to those who have supplied the necessary plants, etc.

TRAINING SCHOOL OF MIDWIFERY

Lecturer's Report. During the year twenty-five pupils were trained. Eight of these had no training in general nursing, a severe handicap, especially in the acquisition of the theoretical knowledge required for the examination. Twenty-four pupils entered for the Central Midwives' Board Examination. Seventeen passed at the first attempt, and five of the remaining seven have subsequently obtained their certificates. Two are waiting for the February examination.

The lectures have been transferred from Myddelton Square to the Preliminary Training School at the Royal Northern Hospital. This is just as easy of access for those pupils who come from a distance, and the alteration makes arrangements in the Hospital Maternity Wards much easier, when nurses working there have to attend lectures.

NORMAN WHITE, M.D., F.R.C.S., M.C.O.G.

INFANT WELFARE CENTRE

Medical Officer's Report. During the year, 525 new babies were brought to the Centre and the total number of attendances made by them, and by the 344 children who also attended in 1935, was 7,709. The number of visits paid to children by the nurses was 2,024. The visits to children are of much value, the reports on home conditions being of the greatest help in solving many problems.

Taking into consideration the fall in the birthrate, unemployment, etc., these figures show that the attendances are being well maintained. It is noticeable that a number of mothers return to work as soon as possible after confinement, but we find that the babies are brought to the clinic by relatives or neighbours, indicating that the mothers depend on the clinic for help and advice.

A gratifying feature of the work is the unbroken sequence in the same families in which it seems that, as the babies are born, they must, as a matter of routine, be brought to the clinic as early as possible—it is quite usual to see these babies when they are 14—16 days old.

The uncertainty of the weekly income and worry of housekeeping under these conditions explain the difficulty which is experienced in some cases with regard to the maintenance of breast feeding. The dinners given to nursing mothers are good and show excellent results. More mothers would be able to avail themselves of the facilities offered if the dinners could be served at an hour, say 2 p.m., which the mothers would be free to attend.

The care of the toddler after the age of three years, when the child is apt to become unruly and unmanageable under cramped conditions, is still a grave problem. The solution lies, I think, in the provision of more Nursery Schools or suitable accommodation in the infant department of the ordinary school.

J. R. F. SHRUBSALL, M.D.

Almoner's Report. Owing to the serious illness of the Almoner, it is not possible to include a detailed report of all her work which, carried out this year under the strain of continued illness, has been the more appreciated both by the mothers and the Committee. As this Report is being sent to the press, we greatly regret to hear that Miss Venables passed away.

A total of 47 mothers and 75 children were sent away for convalescence : holidays. We should like to acknowledge the generous help of the Women's Holiday Fund which contributed towards making holidays possible at Bognor, Deal, Littlehampton and St. Leonards for 18 mothers and 22 children ; 10 mothers and 18 children were sent to Burnett Cottage Home at Herne Bay and 5 mothers and babies to the London Mothers' Home at Sunningdale ; 5 mothers and children were enabled to visit relatives and others were sent away through the Church Army and Salvation Army.

The renewal of health and courage in these mothers on their return must be seen to be appreciated—their appreciation of the value of these intervals of freedom and happiness is shown by the earlier application for holidays and by the fact that the mothers' contributions this year showed an increase of £9 5s. 5d. The Committee is most grateful to those who so kindly made up the balance of the cost shown on page 24. The approximate cost of a fortnight's holiday at the sea for a mother and baby is £3 5s. Donations towards the holidays in 1936 will be most thankfully received by the Secretary.

It is satisfactory to note that the number of individual attendances at the Denture Clinics increased from 36 in 1934 to 48 in 1935. We are greatly indebted to the Finsbury and Islington branches of the Charity Organization Society for their valuable help in supplementing the contributions of the mothers towards the cost of dentures, etc.

Gifts. We are glad to have this opportunity of offering our warmest thanks to the many kind friends who have remembered the needs of our mothers and babies during the year and sent cast-off clothing, woollies, linen, nightgowns, blankets, Convalescent Home and Surgical Aid Society Letters, etc. The contributions from Queen Mary's Needlework Guild (through the Hon. Mrs. Yorke) and from the Hutton Women's Needlework Guild are most acceptable also the monetary help received from King's Cross Philanthropic Society (Mrs. Fincham) and gifts from :—

Those who have got rid of unwanted goods, such as men's, women's and children's cast-off clothes, furnishings, hard and soft, toys, etc., by selling them to the weekly Jumble Sale held on Monday afternoons at the Royal Northern Hospital.

Those who have benefited by good bargains and so can recommend the Sale to others.

Those who have been helped by the proceeds of the Sale, M.N.A. mothers during convalescence, dinners, milk foods, etc.

We much regret to record the death in August of Mrs. Luck who had conducted the Sale up till that time. We are indeed grateful to Mrs. Cox who is carrying on the work and who will be very pleased to receive Jumble Sale goods addressed to the Jumble Sale Room, Royal Northern Hospital, Holloway, N.7.

Voluntary Workers' Guild. We much regret to record three losses during the year—Mrs. Bishop died in May and her daughter now knits for the babies for her sake, Miss Clough, one of the original members of the Guild, died in August, and Mrs. Shearing's health compelled her to resign. Otherwise, the year 1935 has shown an increase in every way: eleven new members have been enrolled, 985 knitted and needlework garments have been supplied and the reviving interest shown by the mothers in the clothing stall at the Monday, Tuesday and Thursday clinic is evinced by the fact that the weekly sales totalled £53 11s. 5d. compared with £38 4s. 1d. in the previous year.

This happy result is due to the splendid band of voluntary workers and to Mrs. Kindersley's unfailing interest and energy in keeping them supplied with wool and patterns and in attending the Centre every week with Mrs. Broadmead, to keep in touch with the needs of the mothers at each clinic.

ROYAL NORTHERN HOSPITAL

League of the Roses

ANNUAL REPORT FOR 1935

FOREWORD

Looking back on the year 1935, one word will best describe it: 1935 stands out distinct and above its forerunners as *The Jubilee Year*.

In past days when events are being recalled, a common method of speech has been, "Before the War," or "Just after the War." For days to come perhaps it will be "Jubilee Year" to which our memories will look back. What a year, and with what grateful hearts must every man, woman and child now living, in years and years to come recall the Great Jubilee—"The Royal Jubilee!"

Then following in its train come a host of lesser jubilees; it seemed a year of jubilees! And not the least among them for members of the League of Roses was its own Jubilee. Twenty-five years of steady, persevering work for our suffering sisters who find in the Women's Surgical Ward of the Royal Northern Hospital relief, cure and health restored. Our hearts surely thrill with grateful pride that we have been enabled to do this work.

Since the inauguration of the League in 1910 much has happened. Death has taken many of its most enthusiastic supporters; fresh schemes for raising funds have been started; many new and attractive societies have entered into competition with those that existed when the League was formed—and the interest of the young naturally is captivated by novelty. But though the large sums collected in former years seems now beyond reach, still this year's record is one that the League need not be ashamed of.

The total amount handed to the Hospital at the end of Jubilee Year was £1,123 1s. 4d. Included in this sum (let it not be forgotten)

are two Benefactions which must be regarded as exceptional: the munificent gift of a New Floor to the League Ward at a cost of £257 10s., by Mrs. Frank Barratt; and that of an Operation Table, at a cost of £45, by Mr. and Miss Preston, of the Finchley Division.

These two Benefactions should not let us relax our more humble efforts, but should inspire us with fresh zeal in the good cause, and provoke us each in our measure to go and do likewise.

Added in this total, also, are the Cornflower Day collections made by members of the League and the efforts at Grovelands Fête.

Our Jubilee Year will now have a permanent Record for all time; on the wall of the League of Roses Ward will hang a Plate inscribed with a beloved name: that of our President, H.H. Princess Helena Victoria, who has graciously permitted a bed to be named in her honour.

It is with deep regret that we record the loss by death of one of the League's oldest and staunchest friends. From the time when he was M.P. for North Islington and also was a member of the Board of Management he took an interest in our work, and ever since had yearly sent a donation. The League should keep in grateful memory Sir George Touche, Bart. May he rest in Peace.

M. F. ROBY,
Chairman.

Once again we express our sincere appreciation and thanks to members and friends for Box Collections and Special Efforts. To the Borough of Islington Charities Association for their support; to Mrs. Burnett and Mrs. Higginson for "fortune-telling"; to Mrs. Beales and Ladies' Sewing Party who have made 2053 articles; to all friends for help and gifts of cakes, sweets, etc., for Grovelands Fête, and Badge Distribution. Once again we thank Dr. Pond, of Tollington Park Central Girls' School, and Miss Roberts, of Montem Street Girls' School; Mr. Firth, of Tollington Park Central Boys' School, and

Miss M. B. Goode, of Parkhurst Road, for placing boxes with their pupils and friends, and so helping the great need of the Hospital.

We are also grateful to Miss Pinnock for placing boxes with members of Upper Holloway Baptist Chapel Sisterhood, also to Miss Brown and Sisterhood of Archway Road Church.

Many thanks to our little champion collector, Edna Frusher, for another splendid collection of £11 15s. 2½d., from a concert given at Folly Farm, New Barnet. We are pleased to announce she has been made a Life Governor of our Hospital—an appreciation of her splendid efforts. Thanks to friends for help on Cornflower Day, and to Mr. Smith and Mr. Cable for numerous box collections.

Our sincere thanks to Miss Briggs and Pupils of the Spearing School of Dancing for the splendid display. We are grieved to report the loss of a sincere friend and worker in the death of Mrs. Brett. Our deepest sympathy is with her husband and relatives.

The Chairman thanks the Committee and friends for their untiring and loyal support.

SOUTH DIVISION

During the past year efforts were made to re-establish the South Division.

To this end a Drawing Room Meeting was held at St. Mary's Vicarage, Upper Street, when Mrs. Hewitt very kindly acted as our hostess. Later, in July, by invitation of Mrs. Haysom, an afternoon meeting was held at her house, when Mrs. de Boer, a box-holder of the Division, offered to act as Chairman, and Mrs. Cunningham, a past Hon. Treasurer, consented again to take that office, whilst Mrs. Cogden volunteered as Hon. Secretary.

Mrs. de Boer, with much enthusiasm, started a series of small afternoon Whist Drives at her house, but as neither the Hon. Treasurer nor the Hon. Secretary was able to attend and there being no members of Committee, the efforts received but little help from the Division.

Our sincere thanks are due to Mrs. de Boer for the loyalty and generosity she has shown to the League.

Those boxes collected at the end of the year brought in £3 1s. 9d.

The results of the year's working is shown below. Again the Boxes have yielded well. Special Efforts have been few, but those undertaken have been successful and realized larger sums than those of last year. If more volunteers for Cornflower Day would come forward our Collections would swell considerably. We were very short of helpers this year. Grovelands brought in less, but we suffered together with other divisions and the Fête as a whole.

The East Division cannot conclude its annual Report without a word of thanks to the very many whose interest and support enable it to help the Hospital by raising the sums enumerated below. Especially the Committee thanks those Box Holders who week by week faithfully drop into the little Red Box the Penny, the Halfpenny, the Farthing—coins which the highest authority has pronounced to be of supreme value.

Then next our thanks are given to our sister Divisions for the goodwill shown by their kind support of our Special Efforts in addition to those of their own. Finally, though we believe they would willingly

let their "good deeds blush unseen," we pay a debt of gratitude to those ladies and gentlemen who acted as openers of the two-days' Bazaar and Market—Lady Crosfield, Mrs. F. Barratt, W. Dunkels, Esq., and, last but not least, Colonel Willis. So let our Report for 1935 close with a heartfelt *Deo gratias*.

It is still difficult to find means of raising funds, and in this Division it is the case of "many a mickle making a muckle."

Mrs. de Boer is most kind in holding whist drives at her house, usually once a month, and we are delighted to know that the total proceeds exceed that of last year. Mrs. de Boer is also endeavouring to wake up the South Division with some of her enthusiasm.

The Badge Distribution being held this year at the Camden Athenaeum was convenient for the West, there being more of our Box-holders present than usual, and they expressed their appreciation of the Camden Athenaeum being used for the first time for this purpose. We are also very proud that H.H. Princess Helena Victoria honoured West Islington with her presence, as the Athenaeum is situated in the West Division.

The Clerk of the Weather was most kind on the occasion of Mrs. Berry's Garden Party on July 27th in aid of the Highgate and West

Divisions. We are most grateful to Mrs. Berry for lending her house, and charming garden which was looking at its best.

We held a very successful Whist Drive at St. Paul's Church Room, Camden Square; the Committee were most generous in providing both refreshments and prizes. Our old friends Mrs. McDiarmid and Miss Shrubbs also remembered us and sent prizes.

Our small Committee continues its efforts and works harmoniously as ever, but we earnestly appeal for more members to help us in the good work of keeping the Pink Rose blooming.

HIGHGATE DIVISION

COMMITTEE

Chairman—MRS. BERRY, "Woodthorpe," Shepherd's Hill, N.6.

MRS. ALBU.

MRS. BOLTER.

MRS. HAWKINS.

MRS. PARKINSON.

MRS. JANSON.

Another year has passed, and we are still in the same position—or worse. The few efforts have brought in just over £40, which is not much for a year's work, so far as finances are considered. But we have made numerous garments, etc., at the Working Party for Maternity Ward, etc., and for that we are continuing. We thank all

the helpers who have attended during the year and hope they will continue to attend. This work is, of course, very useful, but it does not show much on our books.

We have made, 259 articles during the year, and we are assured that the effort is very much worth doing.

Our sincere thanks are gratefully given for small mercies, but our Chairman does not feel very content, and would be glad if someone would come forward to take the chair, and see what can be done. Fresh blood should count; for Mrs. Berry has served several years and must be used up—also her friends; and new friends are not easy to find, and they have other interests.

The small sum collected was obtained as follows:—

FINCHLEY DIVISION

COMMITTEE

Chairman—MRS. NIXON, "Easthill," Oakleigh Park North, N.20.

Hon. Treasurer—MISS PRESTON, 41, Woodside Avenue, Muswell Hill, N.10.

Hon. Secretary—MRS. G. H. SPARROW, 15, Church Crescent, Whetstone, N.20.

MRS. ADAMS.

MRS. BRADSHAW.

MRS. BENNETT.

MRS. CUNNINGTON.

MRS. MACLAREN.

MRS. WRAY.

We again tender our most grateful thanks to our Chairman for the monthly Whist afternoons held at her house and which are still such a help to the funds; this year they amounted to £31 18s. 6d.

Owing to Mrs. Nixon's contemplated six months' absence abroad, we shall miss her support in 1936.

The Committee also wish to emphasize their appreciation of Mr. and Miss Preston's gift of an operating table to the Casualty Ward in memory of their parents, also to thank Miss Preston for her continued generosity at all times and for her loyalty as Treasurer of the Division for so long.

During the year we have welcomed two new members in Mrs. MacLaren and Mrs. Wray, whose activities we shall much appreciate.

Unfortunately, Mrs. Cunnington has found she was unable to continue as a member of the Committee.

Cornflower Day this year brought in rather more than last year, and our thanks are due to the many energetic helpers who continue to assist us.

Our boxes contained 18s. less than in 1934. We hope for better results next year, and thank all these friends of the hospital for their continued support. Also Mrs. Berry for her donation of £1 which she has so kindly given each year.

Our total is made up as follows :—

PALMERS GREEN DIVISION

COMMITTEE

Chairman—MRS. E. SCHEIDEGGER, 34, The Chine, Grange Park, N.21.

Hon. Secretary and Treasurer—MRS. TRUSCOTT, 10, Old Park Road, Palmers Green, N.13.

Hon. Assistant Secretary—MISS SCHEIDEGGER, 34, The Chine, N.21.

MRS. ELLIOTT.

MRS. LOACH.

MRS. MANTHORP.

It has been hard work in the early part of last year 1935 to keep up our monthly efforts, as we were only a very small Committee of workers: Mrs. Loach, Mrs. Manthorp, Mrs. Scheidegger, and Mrs. Truscott. Mrs. Johnsen, our Treasurer, was ill for many months, but we are glad to know she is well again and able to help us with our efforts.

We thank Mr. Gray and his sister for the three nice Whist Drives which they gave in January, February and March of last year. We are sorry to hear Mr. Gray's sister is removing to Kent; therefore he is unable to help us at present, but is still collecting for us with his box.

Our Committee is now increased by four new members, so we hope to do better in 1936.

We thank Mrs. Haslehurst for the £2 2s. handed to us from her Opera Company last January. Our efforts from bridge and whist drives are as follow:—

PROTECT YOUR HEALTH

At the Institutions forming the Royal Northern Group of Hospitals (as at other Hospitals) patients are now asked to pay part of the cost of their treatment according to their means. The introduction of this system has naturally led to requests for exemption from past and present supporters of the Hospital. To meet this just demand for

VALUE FOR MONEY

the Contributors' Certificate Scheme was started, by which contributors may receive Certificates in exchange for money given to or collected for the Hospital. They are of seven values, *21/-, *10/6, *5/-, 2/6, 1/-, 6d. and 3d., and are accepted at their face value towards the cost of any treatment which the Bearer may need.

SIX REASONS WHY **YOU** SHOULD CO-OPERATE

- ONE:** You will help the Hospital, and at the same time **HELP YOURSELF.**
- TWO:** The Certificates will be accepted as payment at any of the Hospitals of the Royal Northern Group, at the Mildmay Memorial Hospital or the Hornsey Central Hospital.
- THREE:** They will help to provide you with medical and surgical appliances, dentures, etc., if needed in connection with your treatment.
- FOUR:** They are valid for Ten Years (those marked with a * are valid for 20 years), and will therefore help you to make provision against a rainy day.
- FIVE:** They can be passed on for use by your friends, so that you will be in a position to lend a helping hand in time of sickness.
- SIX:** They afford you a simple method of giving a small but regular amount to the Hospital, and provide you with tangible advantages in exchange.

Further particulars of this interesting and beneficial scheme can be obtained from The Secretary, Royal Northern Hospital, Holloway Road, N.7.
