 HE Board of Management urgently appeal to those who have not already increased their Subscriptions to do so wherever possible, and to induce those of their friends who do not contribute to the funds of the Infirmary to **BECOME SUBSCRIBERS.**

■ ■ ■

The Names and Addresses of any who are likely or willing to subscribe should be sent to

Mr. ALFRED MIDGLEY, Secretary and Collector,

Royal Halifax Infirmary, or Harrison Road, Halifax.

to the Board of Directors, I regretfully appeal to those

who have not already indicated their contributions

to the various projects, and to inform those of this

Board who do not contribute to the funds of the

Library to become subscribers.

ROYAL HALIFAX INFIRMARY.

THIS Institution was founded in the year 1807, and opened in 1808 as a Dispensary only, and as such it has since been continuously open for the treatment of Out-Patients.

In the year 1815 a few beds were first provided for the reception of severe accident cases and those requiring operations.

The Old Infirmary Building was opened for the reception of In-Patients in April, 1838. In 1863-4 the building was enlarged, and further enlarged in 1874, when the total number of beds was raised to 70. The adjoining Assembly Rooms were purchased in 1877, and provided accommodation for a Children's Ward, which was opened in 1881, with 16 beds. Some of the rooms so acquired were used for consulting and waiting rooms for Out-Patients, dispensary, and nurses' bedrooms. In 1883 the number of beds in the Infirmary was further increased by 13, and in 1891 one more bed was added, making a total number of 100 beds available for the use of In-Patients. The necessity for further accommodation, however, became extremely urgent, and as the old premises could not be enlarged, it was decided to build a New Infirmary, and for this purpose large sums of money were subscribed. The foundation stone of the present structure was laid on the 17th of June, 1893, with Masonic honours, by the Earl of Mount Edgumbe. The New Infirmary was formally opened on the 25th of July, 1896, by their Majesties the King and Queen, (then their Royal Highnesses the Duke and Duchess of York), and in declaring the same open His Royal Highness the Duke of York intimated that by command of Her Most Gracious Majesty (our late lamented Queen Victoria) the Institution would in future be called the "Royal Halifax Infirmary."

The Donations towards the erection of the Royal Halifax Infirmary Buildings have been most munificent and quite unparalleled in the district, and they have enabled the Committee to erect buildings which may be truly said to be in every way suitable for their purpose and worthy of their object, and of the important and populous district which the Infirmary has to serve.

Generous gifts of £5,000 each have been made to cover the cost of four of the six Ward Pavilions at present erected, the Donors being respectively Mrs. Williams, of Moor Park, Harrogate; Miss Rawson, of Mill House, near Halifax, and other members of the Rawson family; The Right Hon. Sir Savile Brinton Crossley, Bart., Somerleyton Hall, Lowestoft; and Messrs. John Baldwin and William Baldwin, of Halifax. These Pavilions are respectively known as "Joshua Appleyard Ward," the "Rawson Ward," the "Crossley Ward," and the "Baldwin Ward."

The Royal Halifax Infirmary was utilised for the reception of Patients in November, 1896, the whole of the Patients being removed to it from the old Infirmary on the 3rd day of that month.

In 1899 the Misses Porter, of Savile Royd, contributed £5,000 to cover the cost of the Ward Pavilion which is known as the "Porter Ward."

In 1910, Mrs. Marke Wood, of Liverpool, (daughter of the late Mr. H. C. McCrea) contributed £5,000 to cover the cost of the Ward Pavilion which is known as the "McCrea Ward."

In 1921 an Open Air Ward was added, this being endowed by the Will of the late Miss Ann Holt by £5,000.

In 1925 the Linford-Moore Kitchenman Ward built from the proceeds of a Legacy of £5,000, and accumulations from 1907 to 1924, supplemented by donations of £2,000 from Mr. Frank Lee, J.P., and £1,000 each from Sir William Bulmer and Sir Harold Mackintosh, was opened as a Maternity Ward by H.R.H. Princess Mary, Vicountess Lascelles. The building contains four wards of four beds each and four wards of one bed each.

The cost of the garden in front of the Ward (£500) was defrayed by Mr. John E. Whittaker of Halifax.

Also in 1925 a new X Ray Ward was built and equipped with the latest X Ray Apparatus through the generosity of Mr. Joseph Whitaker, J.P., who defrayed the cost of building new rooms for the Orthopœdic Department under the Ward, and new Nurses' Bedrooms over the Ward. The cost amounted to £7,500 and the gift was made by Mr. Whitaker in memory of his parents, the late Mr. and Mrs. Richard Whitaker, and his son, the late Dr. Frederick Whitaker, M.A., M.B., B.C. (Cantab.), who for some time prior to the Great War rendered valuable service to this Institution as a Member of the Honorary Medical Staff. The new X Ray Ward was opened on July 29th, 1925, by the Rt. Hon. Lord Somerleyton, G.C.V.O.

Also in 1925 a new Orthopœdic Department was equipped, and "The Ex-Mayors' of Halifax Fund" and accumulations amounting to £859 17s. 3d., were used for this purpose.

In 1926 the Samuel Watkinson Operation Theatre was built and equipped with the latest appliances, the heating and ventilation forming a special feature. A donation of £5,000 was given for the Building and Equipment of this Theatre by Mr. Samuel Watkinson, Senior, of Shelf Hall, near Halifax (in memory of his father and mother, his first wife, his eldest son James and his daughter Annie, as an expression of gratitude for the good health with which he has been blessed and the desire to help others) and the Theatre was formally opened on October 20th, 1926, by Sir Berkeley Moynihan, K.C.M.G., C.B., President of the Royal College of Surgeons of England.

In 1927 the late Mr. Ernest Shaw Redman, of Well Royd, Halifax, gave £10,000, to the Infirmary for the purpose of building a Pathological Laboratory and two Open Air Wards, and stipulated that any balance should be placed to the Endowment Fund. Unfortunately Mr. Redman died before the completion of the buildings. The cost of the buildings including equipment, was £7,000, leaving £3,000 to place to the Endowment Fund. On the day of the opening it was announced that Mr. Redman's Executors had given a further sum of £1,000 to the Endowment Fund, making in all £4,000 for that Fund. The formal opening of these extensions was carried out on October 24th, 1928. The Pathological Laboratory was opened by Professor Stewart, of Leeds; the Open Air Ward attached to Crossley Ward was opened by Mrs. Charles Robertshaw, wife of the President, and the Open Air Ward attached to MrCrea Ward by Mrs. Frank Lee, wife of the Ex-President.

In 1928 it was decided to build additional accommodation for the Nursing Staff. The President, Mr. Charles Robertshaw, J.P., made an appeal for funds and was successful in raising upwards of £22,000 for the building. A New Home with accommodation for forty nurses, a sister and domestic staff was completed in 1929. The formal opening was performed by the Lady Savile on 30th October, 1929. Included with the New Home is the "Robert Whitworth" Hall, the gift of Mrs. Robert Whitworth in memory of her husband. The Hall is of great benefit to the Nurses for lectures, meetings and recreative purposes.

Also on 30th October, 1929, the Lady Savile opened the "Frank Lee" Ward, which is used for patients requiring minor operations.

In the seven Ward Pavilions, three Open Air Wards and the "Frank Lee" Ward now in use there is accommodation for 230 In-Patients.

The Medical Staff consists of four senior Honorary Surgeons, one Physician, two Honorary Ophthalmic Surgeons, one Honorary Radiologist, two Assistant Honorary Surgeons, one Pathologist, two Honorary Dentists, and a Resident Surgical Officer, and three House Surgeons.

The income is derived from investments, annual subscriptions, workpeople's contributions, congregational collections, and donations.

Placed in the centre of a large town and parish, the Institution ministers to the wants of a district containing a population of upwards of 200,000, many of whom are exposed to special risks, and liable to accidents.

Great interest is taken in the welfare of the Institution, as is evinced by the liberal support it receives from all sections of the community.

REPORT.

The Board of Management has pleasure in presenting to the Governors of the Royal Halifax Infirmary the Annual Report for the year ending 31st December, 1929.

The total number of persons who were treated during the year was 17,025, as against 15,683 in the previous year.

The number of in-patients in the Infirmary on January 1st, 1929, was 166, and the number of admissions during the year 3,948, making a total of 4,114 in-patients during the year, as against 4,031 in 1928, being an increase of 83.

The number of Maternity cases treated in the "Linford Moore Kitchenman Ward" was 360, and the number of children born was 340, as against 371 and 344 respectively in 1928, being a decrease in the number treated of 11 and in the number of children born of 4. The number of attendances at the Ante-Natal Clinic was 2,168 as against 1,886 in 1928.

The number of beds available for patients during the year was 228, and the daily average number of in-patients or beds occupied has been 190, as against 184.5 in 1928.

The average duration of treatment of in-patients during the year has been 17.6 days, as against 17.4 last year. The rate of mortality has been 4.8%, or deducting 40 patients who died within 24 hours of admission 3.8%, as against 4.3 and 3.2% respectively.

The average cost for the year of each in-patient treated and discharged was £6 5s. 11d., as against £6 3s. 6d. in 1928. The average cost per occupied bed per annum was £130 1s. 2d., as against £129 6s. 7d. in 1928.

The number of out-patients who were treated during the year is as follows:—

Out-patients on the books 31st December, 1928...	...	1,534
Out-patients admitted with recommendations	...	2,926
Ophthalmic Out-patients admitted	...	2,486
In-patients made Out-patients	...	1,781
Casualty cases (including those made Out-patients)	...	4,184

Making a total of ... 12,911
as against 11,652 out-patients treated during the previous year. The number of Dental cases included in the above is 133, Orthopædic cases 1,106, and X-Ray and Sunlight cases 3,531. The number of Pathological examinations was 1,498.

The Board is pleased to report that the Workpeoples' Contributions during the year under review have again reached a record figure, namely :—£9,659 14s. 7d., being £167 in excess of 1928 collections which were at that time a record. While fully appreciating the success of last year's collections, especially in view of the depressed state of trade locally, the Board make a special appeal for still further support in order that the total of £10,000 may be reached and exceeded. The Board regrets to have to report a slight reduction in the amount collected by way of Annual Subscriptions. In view of the fact that there was also a reduction under this head in 1928, the Board wishes to call special attention to this fact and makes an appeal for larger support during 1930.

It will be seen that during 1929 the expenditure has exceeded the income by approximately £300, and it has not been possible to set aside any sum to Renewals Account. This is the first time for some years that the income has not equalled the expenditure, and the Board wish this fact to be impressed on the public of Halifax and District.

As is well known, numerous additions have been made to the Infirmary during the past few years, notably The Linford Moore Kitchenman (Maternity) Ward, The Whitaker X-Ray Ward, the Orthopædic Department, the Samuel Watkinson Operating Theatre, and the Redman Open Air Wards and Pathological Laboratory. In connection with the new Pathological Laboratory it was stated in the last Annual Report that Dr. H. V. Phelon was engaged as part-time Pathologist. The Board is now glad to state that on 1st January, 1930, Dr. Phelon began his appointment as a full time Pathologist. It is hoped that local medical practitioners will make more use of this department. The same arrangement for purifying the air in the new Laboratory has now been made as in the Operating Theatres and X-Ray Department, namely a continuous supply of filtered air.

The outstanding features of the year under review, from the point of view of development, have been the completion of the erection of the New Nurses' Home and the Frank Lee Ward, the latter having been erected through the generosity of Mr. Frank Lee, J.P., the Ex-President. As was pointed out in the last Annual Report, the number of resident staff has increased regularly, but the accommodation has remained practically stationary. The expense of erection of the Hall of the new Nurses' Home (called the Robert Whitworth Hall) was defrayed by Mrs. Robert Whitworth in memory of her husband, and the Hall is already proving of great benefit to the Nurses and Staff for lectures, meetings, and recreative purposes. The Home contains 44 bedrooms, each with hot and cold water laid on,

and also sitting rooms for the sisters, nurses, and domestic staff. The erection of the Frank Lee Ward has supplied a long felt want, namely a small ward for the use of patients undergoing minor operations who are only detained in the Infirmary for 48 hours or less. There are six beds in this ward and it is already proving of great use to the Institution. The official opening of the Nurses' Home and Frank Lee Ward was performed by the Lady Savile on 30th October, 1929, and the numerous guests at the opening ceremony expressed admiration at the recent additions to the Institution. The total cost of the Nurses' Home, including the Frank Lee Ward, Connecting Corridor, and all furniture and equipment, was £22,805 8s. 11d., and until shortly before the opening there was a deficiency of approximately £2,000. This deficiency was met by the President (Mr. Charles Robertshaw, J.P.) and Mr. Frank Lee, J.P., who subscribed a further sum of £1,000 each. A full list of subscribers to the Nurses' Home Fund will be found later. The Board also wishes to thank Messrs. John Crossley & Sons Limited for their gift of carpets for the entire Home, and others who have presented gifts in kind towards the furnishing of the Home.

The Board desires to mention three matters which may materially affect the Institution in future years. First, for some time a Committee of the British Hospitals' Association representing all the voluntary hospitals in the country has been examining the question of instituting schemes of pensions for nurses. A scheme of this kind is eminently desirable, and already has been adopted by some hospitals. The great difficulty in launching such a scheme would be the cost, but your Board is **keeping** in touch with this development, though nothing definite has yet been decided. Secondly, by Section 13 of the Local Government Act 1929, provision was made for the Public Assistance Committees of every County Council and County Borough to consult existing voluntary hospitals with regard to hospital needs and treatment for each particular district. During the year a preliminary meeting has been held with a Sub-Committee of the Halifax Corporation, when the matter was discussed in general terms. Thirdly, your Board has decided to be represented on a new body called the Yorkshire Voluntary Hospitals' Committee. This body has been formed on similar lines to the King Edward's Hospitals Fund in London, with the idea of increasing the funds collected and dealing with matters of general interest to voluntary hospitals in Yorkshire.

As was pointed out in the last Annual Report it has long been felt that one of the most pressing needs in Halifax is the provision of accommodation for paying patients at the Infirmary. Between those who become patients in a Private

Nursing Home and the inmates of the Infirmary there is a large class of people who on the one hand cannot afford the facilities offered at the former, and on the other hand are not strictly eligible for treatment at the Infirmary as at present constituted. This matter is still receiving the serious consideration of your Board.

The Gardens' Committee has to report another successful year. With the completion of the Nurses' Home the gardens under cultivation have been considerably extended, the whole of the grounds around the Home having been tastefully laid out, and well planted with forest trees, roses, shrubs and flowering plants. The produce from the Kitchen Gardens and fruit trees has all been used in the Infirmary, and exceeds that of previous years, amounting in value to £76, based on wholesale market prices.

The Board is pleased to announce the receipt of the following generous bequests during the year :—

Administrator (with the Will annexed) of Mrs. Elizabeth Ann Wadsworth, late of Halifax, £1,533 10s. 5d.

Executors of Mr. Ernest Shaw Redman, late of Halifax (additional), £1,052 10s. 0d.

Executors of Mrs. Ellen Taylor, late of Halifax (to endow a bed), £1,000.

Executors of Mr. James Albert Fleming, late of Halifax, £900.

Executors of Miss Sarah A. Horsfall, late of Halifax, £500.

Executor of Mrs. Lucy White, late of Halifax, £300.

Executors of Mrs. Anne Foyl, late of Southport, £200.

Executors of Mrs. Barbara Broadhead, late of Halifax, £100.

The Board desires to thank Dr. McWilliams Henry, Executor of Dr. Madden, for his gift of an Obstetrical Bed, a trolley, and two sterilizers, and Mr. Savile Sykes for the gift of a Ureological Chair.

The Board desires to thank Lady Fisher-Smith and Members of the Yorkshire Voluntary Hospitals' Egg Collection Committee for the organisation of the "Infirmary Egg Day," which resulted in upwards of 30,000 eggs being handed over to the Infirmary.

The Board finally wishes to thank the Collectors in Workshops, the Alexandra Rose Day Committee and Helpers, the Demonstration Committee, Infirmary Ball Committee, Ladies' Needlework Guild, the Promoters of Concerts, Theatrical Performances, Cricket and Football Matches, Whist Drives and Dances, Toc H. for collecting silver paper for the Infirmary, the local Press, and all others who have by their efforts rendered assistance.

In conclusion, it cannot be too strongly emphasized that while recent improvements and additions have greatly increased the efficiency of the Institution, the cost of upkeep is correspondingly greater, and therefore increased annual income must be obtained. There appears to be an impression abroad that the Infirmary is a rich Institution and that consequently efforts to raise money can be relaxed. The Board wishes most emphatically to rebut this impression and need only call attention to the fact that, as mentioned above, there is a substantial deficit on the year's working. The Board therefore, makes a strong appeal for largely increased support in the future.

We beg to report that we have Audited the Accounts of the Royal Halifax Infirmary for the year ended 31st December, 1929, of which the foregoing Statements are Summaries. We certify that we have found the same to be correctly stated and sufficiently vouched. We have also examined the Securities and found them in order. The Title Deeds for the Land and Buildings have been produced to us.

29th January, 1930.

E. R. C. KERR, A.C.A. } Honorary
FRANK G. LEAROYD, A.C.A. } Auditors.

* At the Annual Meeting held on January 31st, 1930, the retiring President, Mr. Charles Robertshaw, J.P., handed a cheque for £290 17s. 0d. to the Hon. Treasurer to clear off the above deficit on the year's working.

RESOLUTIONS

PASSED AT THE

Annual General Meeting of Governors,

Held on Thursday, 30th January, 1930,

CHARLES ROBERTSHAW, Esq., J.P., President,

IN THE CHAIR.

- 1.—“That the Annual Report and Treasurer's Statement be and they are hereby adopted.”
- 2.—“That Lewis Rhodes, Esq., J.P., be elected President of the Institution for the ensuing three years.”
- 3.—“That the thanks of the Meeting be given to Charles Robertshaw, Esq., J.P., for the valuable services rendered by him as President during the past three years.”
- 4.—“That Sir Enoch Hill, J.P., be elected a Vice-President of the Institution for the ensuing three years.”
- 5.—“That A. N. Hoole, Esq., be elected an Honorary Secretary of the Institution for the ensuing three years.”
- 6.—“That Edgar Bairstow, Esq., A.C.A., be elected an Honorary Auditor of the Institution for the ensuing three years.”
- 7.—“That Messrs. A. J. C. Hirst, E. R. C. Kerr, F. W. Mills, W. Evelyn Wright, S. G. C. Rawson, H. Denham, H. Davenport and G. M. Whitehead be elected Members of the Board of Management for the ensuing three years, and Mr. E. Midgley for the ensuing year.”

- 8.--“That the grateful thanks of this Meeting be given to the Honorary Medical Staff for their very valuable and voluntary services to the Institution.”
- 9.--“That the best thanks of the Meeting be given to the Vice-Presidents, Honorary Treasurer, Honorary Secretaries, and Honorary Auditors for their valuable services during the past year.”
- 10.--“That the best thanks of the Meeting be given to the Collectors in the various Mills, Workshops, and other places where collections are made, and to all who have rendered assistance to the Institution.”

Special Meeting of Governors, Jan. 30th, 1930.

- ‘That Rule 30 be altered by the deletion of the words ‘the Ex-President’ and the substitution therefor of the words ‘the Past Presidents.’”

MATERNITY DEPARTMENT.

Booking Day - Wednesday 2 - 4 p.m.

Ante-Natal Department.

323 patients attended with total of 2,168 visits. The Department has proved very beneficial to the patients, who receive practical advice, and treatment when necessary.

In-Patients.

17 remaining from 1928.

360 Admitted.

356 Discharged.

3 Died.

18 remained in after 31st December, 1929.

340 Births ; Deaths, 8 ; Still Births, 18.

25 patients admitted as urgent cases did not attend the Ante-Natal Clinic.

WORKPEOPLE'S CONTRIBUTIONS 1929.

With the Names of the Correspondents
through whom the sums have been paid.

The Board of Management strongly recommend the principle of the deduction of a small amount from the weekly wages in Mills, Workshops, &c.

They are pleased to observe that this principle is now in operation in a considerable number of places, with satisfactory results.

They trust that the principle will be adopted in all Mills, Workshops, &c.,

Notice to Subscribers.

Subscriptions may be paid to the Secretary, or to Lloyds Bank, Limited, Union Bank Branch, Commercial Street.

No recommendation can be received from those whose Subscriptions are in arrear.

Books of forms of recommendation may be had on application to the Infirmary, or of the Secretary.

Form of Bequest.

I bequeath to the Royal Halifax Infirmary the sum of Pounds (free of Legacy duty), for the general purposes of the said Institution. And I declare that the Receipt of the Treasurer thereof for the time being shall be a sufficient discharge for the same.

NOTE.—Either real or personal estate may now be given to Charities.

EXTRACTS

FROM THE

Rules of the Institution.

(2). The object of the Institution is the provision of Medical and Surgical aid for persons suffering from illness or injury, who, after enquiry into their circumstances, are found unable to pay for medicine and medical attendance ; and also for persons who, by reason of accident or sudden illness, are in urgent need of medical or surgical aid.

(3). Donors of £10 10s. and upwards in one Sum shall be Governors for life; and Subscribers of £1 1s. or more annually, shall be Governors during the continuance of their Subscription.

(4). Any Firm, Partnership, Society, Association, Body of Workpeople, or Body Corporate, making a Donation of Ten Guineas or upwards may, at the time of making such Donation, nominate one individual of their body to be a Governor by virtue of such Donation, at whose death such Governorship shall cease.

(5). The Clergyman or Minister (and in case there be no resident Minister, the representative) of every Church or Congregation making a Congregational Collection for the Institution of not less than One Guinea, shall be a Governor for the year ensuing.

(6). The Representative of any Society, Association, or Body Corporate, and the Representative of any Body of Workpeople of any one Employer, Firm, or Body Corporate, making an Annual Contribution to the Institution of not less than One Guinea, shall be a Governor for the year ensuing.

(7). The Executors of a Testator making a bequest of £10 10s. or upwards may, within twelve months after the death of such Testator, nominate in writing one of themselves, or the widow, or one of the children of such Testator, to be a Governor by virtue of such bequest, at whose death such Governorship shall cease.

(9). An Annual Subscription of One Guinea, or a Donation of Ten Guineas, shall confer the privilege of having on the books one Out-Patient at a time; an Annual Subscription of Two Guineas, or a Donation of Twenty Guineas, one In-Patient or two Out-Patients at a time, and so on progressively for every additional subscription or Donation. A Donor of Ten Guineas who Subscribes One Guinea annually, shall have the same right of recommending Patients, so long as he shall so subscribe, as an Annual Subscriber of Two Guineas. The above privileges shall only extend to patients eligible according to the Rules.

(10). Any Clergyman or Minister of any Church or Congregation (or in case there be no resident Minister, the representative of the Trustees of the Chapel), and the representative of any Society, Association, or Body Corporate, and the representative of any Body of Workpeople of any one Employer, Firm, or Body Corporate, making an Annual Contribution to the Institution, shall have the same privileges, in proportion to the amount of such Contribution, as are given to an individual Subscriber of the same amount by Rule 9.

(11). All Annual Subscriptions shall date from and become due on the 1st day of January.

(70). No person shall be admitted or be suffered to remain as an In-Patient who is capable of receiving equal or adequate benefit as an Out-Patient.

(71). No person chargeable to any Poor Law Authority shall be admitted as an Out-Patient, nor shall any such person be admitted as an In-Patient except in case of accident or emergency, or with the special permission of the Admission Committee.

(75). No person mentally disordered, suffering from infectious disease, in confirmed consumption, or in an incurable state shall be admitted as an In-Patient, and if admitted inadvertently, no such person shall be allowed to remain in the Infirmary except with the special permission of the Admission Committee.
