REPORT OF THE COMMITTEE.

THE Committee have much pleasure in submitting the 191st Annual Report of the Royal Hampshire County Hospital, for the year ended 31st December, 1928.

During the year the number of Patients treated to a conclusion was as follows :—

Male	...	...	...	...	730
Female	...	...	...	...	1064
Children	...	...	...	...	425
					2219

Patients Treated in the Out-Patient Department.

New Out-Patients (Medical and Surgical)	...	...	966
„ „ (Casualties)	...	...	1546
„ Cases in Eye Department	...	...	745
„ Cases in Dental Department	...	...	275
„ Cases in Ear, Nose and Throat Department	...	...	531
„ Cases in Electrical Department	...	...	315
„ Cases in Massage Department	...	...	331
„ X-Ray Examinations	...	...	1102
„ Therapeutic X-Ray Cases	...	...	102
„ Ultra Violet Ray Cases (Sunlight)...	...	...	159
			6072

The total number of visits in the Out-Patient Department during the year was 20,300.

During the past year 141 Patients were admitted to the Maternity Ward, and the number of births registered was 118.

The average daily number of beds occupied was 136, as against 133 the previous year.

The highest number of Patients in the Hospital at any one time was 164 on the 18th July.

The average cost of each In-Patient per day was 8/5, compared with 8/7 in 1927; while the average total cost of each In-Patient was £9 7s. 5d., compared with £10 5s. 7d. in the previous year.

The accounts, together with the Treasurer's notes, accompany this Report, and give full details of Income and Expenditure.

The Earl of Northbrook again accepted the office of Chairman of the Court of Governors, and his valuable assistance and advice have been of the greatest service to the Hospital on many occasions.

During the year the resignation of Dr. Tullis was received, and in recognition of the valued services which he had rendered to the Institution since 1907, he was appointed an Honorary Consulting Physician to the Hospital.

Dr. C. B. S. Fuller has been appointed to the Honorary Staff, to fill the vacancy created by Dr. Tullis' resignation.

The opening of the new Out-Patient Department by His Worship The Mayor of Winchester (Councillor F. Webb Manley) on 9th June marks another step forward in the progress of the Hospital. The Department comprises an Operating Theatre, Consulting Rooms for the Honorary Medical and Surgical Staff, Dispensary, etc. The usefulness of the Department, together with the ease and comfort with which the work is now carried on, emphasizes the need for the same, and the Committee sincerely trust that funds will be forthcoming, in order that the debt on the building may be paid off. The gift of a Refreshment Counter by the Countess of Northbrook, enabling the Hospital authorities to supply refreshments to the patients at cost price, meets a much felt want, and is greatly appreciated.

Opportunity must here be taken to acknowledge the help rendered by the Ex-Mayor of Winchester (Councillor F. Webb Manley), who during his term of office as Mayor raised the sum of approximately £6,000 towards the cost of the building.

The provision of other much needed improvements must not be forgotten, viz. :—

Heating of the Hospital, which is inadequate and entirely out of date.

The Provision of an Isolation Block.

Enlargement of the Nurses' Home, in order that the nurses now accommodated in houses in the Romsey Road and St. James' Lane, may be lodged under one roof.

This will effect considerable economy in management, and be of real advantage to the Hospital.

The Committee regret to report the resignation of the Rev. E. A. Milne, and express to him their thanks for the able manner in which he ministered to the spiritual welfare of the patients and staff during his four years of office.

The vacancy has been filled by the appointment of the Rev. J. Mervyn Glass, M.A., whom we heartily welcome to the Hospital.

The following donations of £10 and upwards were received during the year, and are gratefully acknowledged:—

The Committee record, with sincere thanks, the receipt of the bequest of £3,245 7s. 10d. under the will of the late Mrs. Gertrude Blanche Fraser, to assist to maintain a bed, either medical or surgical, for the use of ladies in poor

circumstances. This money has been invested in 4% Consolidated Stock in the names of the Official Trustees of Charitable Funds. Nomination of patients for the bed is in the hands of the Committee.

The Committee also report the receipt of a Legacy of £6,000 from the late Miss Blanche Pyle, for the endowment of 6 cots in the Children's Ward, as follows :—

Henry Pyle Cot
 Maria Pyle Cot
 Henry Ernest Durman Pyle Cot
 Gertrude Lonnen Cot
 Nicholas Pyle Lonnen Cot
 Frederick William Lonnen Cot

Mr. R. J. Harris, executor of the Will of Mrs. Fraser, and Mr. Frank Warren, one of the executors of the Will of Miss Pyle, have, in accordance with Statute 4, been appointed Honorary Governors of the Hospital.

Other Honorary Life Governors appointed during the year were Captain H. B. Blackett, executor of the Will of the late Rev. J. C. Blackett, from which the Hospital benefited by the sum of £450, and Mr. Herbert William Butler, executor of the Will of the late Mrs. M. A. E. F. Coombs, from whose estate the Hospital has, to date, received the sum of £3,957 11s. 6d.

Other Legacies received during the year were as follows :—

The Rt. Hon. Lord Eversley ...	£50
Mr. James Goggs	£500

The Whist Drive Championship was held for the 6th season in succession, and the Committee were enabled to hand over the sum of £260 as a further contribution to the Hospital. This amount makes a grand total of £2,120 raised by this means since the inauguration of the scheme, and we take this opportunity of expressing to the Whist Drive Committee and to Mr. Maslen our very sincere thanks for their help.

The Committee again desire to express their gratitude to the members of the Ball Committee, and to all supporters for the success of the Hospital Ball held in January, 1928. The balance remaining after meeting the expenditure amounted to £482 16s. 6d., which was handed over to the Hospital.

Dealing with the Contributory Scheme, during 1928 eight new Branches were formed, viz. :—

Church Farm, Bullington
Blounce Farm, S. Warnborough
Tangley
Old Alresford
Lord Wandsworth Agricultural College
Empire Meat Co.
Hants Constabulary, Whitehill Section
Messrs. Simpkins and Titler

Three branches were cancelled, and in each case the members were merged into other branches.

The total number of branches is now 288.

The approximate number of persons covered for Free Maintenance is now 30,000.

The total amount received from January 1st, 1928, to December 31st, 1928, is £9,958, an increase of £494 over the amount received from 1st January to 31st December, 1927.

A successful meeting of the Contributory Scheme Collectors was held in June last, and was very largely attended.

We must express our heartfelt gratitude to the hundreds of our helpers scattered throughout the county, and we can assure them that the help and assistance they give us are much appreciated.

The appeal by the Matron for eggs for pickling purposes was answered by the receipt of nearly 23,000 eggs, and the donors are hereby thanked most sincerely for their help, which has been the means of providing puddings, etc., made with eggs instead of egg substitute during the winter months. The Committee hope that the appeal to be made in the near future will be generously met.

Our thanks are due to the following who have rendered invaluable help during the year, namely :—

Miss M. Stallard and her helpers, who have charge of the Surgical Dressings; Miss M. F. Urmson and her helpers, who manage the Patients' Library; Mrs. Thoyts and her helpers, for the care of the Children's Ward Linen; Mrs. Courtney and Mrs. Clowes, for allowing the Nurses the use of their tennis courts during the summer; Miss Urmson and her helpers for marking all the blankets; and to all who in many other ways have assisted the Hospital still further to increase its sphere of usefulness.

Miss Freshfield again provided summer outings for the Nurses, and the Committee wish to record their deep appreciation of her kindness.

Thanks are due to Captain Sawyer and the members of the Winchester Fire Brigade for continued services in connection with Fire Drill for the staff of the Hospital, and for periodical inspection of the Fire Extinguishing Apparatus.

We acknowledge the great assistance rendered by the members of the Winchester County Hospital Linen Guild. They have again contributed their welcome gifts of linen and other articles for the use of the patients, and we express our thanks to all the members of the Guild and in particular to the President, Lady Northbrook; the Honorary Treasurer, Miss Gillson and the Honorary Secretary, Miss M. Urmson.

We also tender our thanks to the Proprietors of the Daily Telegraph for supplying copies of their paper for the use of the patients; and to the Proprietors of the Hampshire Chronicle and Hampshire Observer for publishing week by week the lists of gifts, notices, etc., without charge.

The appeal for Tinfoil has been a great success, resulting in an addition to our funds of the sum of £62 6s. 4d. Now that the usefulness of "waste foil" has become known it is sincerely hoped that further gifts will be received. They should be addressed to the Secretary at the Hospital.

The Anniversary of the Foundation of the Hospital was commemorated on the 18th October by a service in the Chapel, when the preacher was the Right Rev. the Lord Bishop of Southampton.

After the service the Chairman presented prizes to the members of the Nursing Staff, as follows :—

Nursing—Nurse Barker;
 Anatomy and Physiology—Nurse Walsham;
 Medicine—Nurse Sybil Hooper;
 Surgery—Nurse Fowgies;
 Nursing (1927)—Nurse L. E. Jones.

It may be of interest to the Governors to know that this Hospital is the Headquarters of the Local Branch of the College of Nursing. The Hospital continues to be affiliated to the National Hospital, Queen Square, Bloomsbury, for the interchange of nurses for training with the Bromley (Kent) Cottage Hospital, and also with the City of London Hospital for Diseases of the Heart and Lungs, for a similar purpose.

Thanks are due to those who contributed so liberally both in money and gifts of all kinds on Pound Day.

During the year a Scialytic Light, the ideal light for the purpose, together with a new operating table, have been provided for the main Operating Theatre, thus bringing the equipment of that department fully up to date.

The Committee again have to thank the Honorary Medical and Surgical Staff, the Resident Staff, the Chaplain, the Secretary, Matron and Nurses, and General Staff for the great care and attention shown by them in all departments towards the welfare of the patients.

Dr. Bassano continues to act as Honorary Medical Officer at the Bonchurch Convalescent Home, and to him we wish to offer our sincere thanks for his invaluable services.

We also record our thanks to Miss Pedler, the Matron of the Home, for her efficient management and her great kindness to the patients.

In conclusion, your Committee would earnestly appeal for increased numbers of subscribers. There must be many who do not realise our pressing needs. The extensions which are in hand will mean a very material increase in the annual expenditure of the Institution and to meet such expenditure additional subscribers are very much needed.

All who are interested in the work of the Hospital and would like to pay a visit of inspection should communicate with the Secretary, who is always ready to take them round.

The above report testifies to the continued good work and constantly increased needs of the Hospital, and the Committee venture to plead very earnestly for increased support, so that the Institution may be able to carry on its work in such a way as to meet the needs with which it is faced daily.

REGINALD J. HARRIS,
Chairman.

TREASURER'S REPORT.

The new uniform system of accounts adopted last year makes things still rather confusing for any one studying the balance sheet as certified when any attempt is made to compare with former years. I will not attempt to make things more confusing by attempting to explain the reasons for this but will endeavour to give you a general view of the actual state of affairs.

The overdraft is about £300 more than last year, while our endowments have gone up by £10,245. No Treasurer would be more grateful than I am for this excellent state of affairs. The certified accounts show we spent £666 less than our income, but the actual position is that we spent £334 more than our income, just the increase on our overdraft.

We spent approximately the same as the previous year, and the essential work of the Hospital showed a normal increase: a very happy position you will agree. The number of in-patients treated increased by 10 per cent; the out-patients in the same proportion; 23 per cent more Maternity cases. The X-Ray, Electrical and Massage Department shows an increase of 24 per cent in the number of treatments given to patients. Last year we had to thank the staff for their economy and from these facts we have still more reason to do so this year.

Economy is certainly shown in the housekeeping. This cost 2/6 less per week per patient and we have often been assured by our lady visitors that the staff and patients have never been better catered for. The real reason for this is that, though the number of patients treated have increased slightly, the number of staff fed to do this work decreased by 8 per cent, a point your Examining Committee have been hammering away at for some years.

The total cost per patient per day is shown by the accounts to have gone down 2d, it now stands at 8/5, but if the old system of accounts had been retained, I am quite sure the cost per day would have been reduced by at least 6d. Consider these two items (1) £500 for Gifts in Kind not included last year; (2) Nurses now train for four years instead of three; an extra cost of £372.

The accounts show a greatly increased revenue from the Contributory Scheme, but the actual increase is £549, and the treatment of the members cost £1,045 more than last year, so that this Scheme pays 89 per cent of the cost to the Hospital; a decline of 3 per cent on last year. It is to be hoped that Sir Skinner Turner's hard work in Eastleigh and other districts will show big returns next year. I leave to the Chairman the task of thanking the army of honorary collectors who achieve this wonderful work which produces such a large part of our income.

In comparing details of the accounts with former years it should be noted that some of the large increases are mainly due to the new method of accounting adopted last year, when arrears were not entered after the end of the year as in former times; this will right itself in time.

The accountants have appreciated our investments by £2,000 this year. This does not increase our income but would show that our investments seem to be well placed.

Our Private Nurses staff only made a profit of £53 this last year. They were as low in number as four, this has been put right but it is only in times of epidemics like the present that one finds the difficulty of getting trained nurses. A main part of the work of this Hospital is to train Nurses. I shall be glad if people who do not subscribe to the Hospital because it is of no use to them, will consider this point.

Gifts in kind is a new item started this year, they have been valued at £501. This is a large sum and it will be appreciated how much we owe to our friends who produce this result, especially the Linen Guild.

It is not generally known that Bonchurch Convalescent Home in the Isle of Wight belongs to this Hospital and is managed by a separate Committee who collect the funds to run the home. In-patients from our Hospital get a holiday for the nominal sum of 15/- per week. It is an excellent work for which the patients express much gratitude. The friendly feeling with the local Societies is shown by the donation of £15 15s. from the Ventnor United Friendly Societies. Miss Freshfield will be glad to hear from anyone who will help this branch of the work.

Our Provisions cost us £821 less last year, £410 represents the proportionate reduction in consequence of smaller numbers being fed, falling prices a little more, but mainly to the economy of the staff. For the same reasons we paid £37 less for water and £70 less for Gas. Reduced prices made a saving of £181 in coal and £52 in electricity.

Our cover for Insurance in buildings, stock, and furniture has gone up by £64,000 during the last two years, but our Insurance premium in future will show a reduction of £45, and we have to thank the Royal Insurance Company for this wonderful bargain.

Comparison with other Hospitals.

At the risk of making my report too long, but a point which is to me one of great satisfaction, is in comparison with other Hospitals of the same size we find that we are in agreement. The average cost per bed for Provisions, Surgery, Domestic and Salaries and Wages is £131.05 while our figure is £132.45.

THE CHAPLAIN'S REPORT.

This report is of necessity brief, owing to the short time since I took up the work. My first word is one of thanks to my predecessors whose devotion to duty has paved the way for those who follow. As your Chaplain, my experience has not been long, still, long enough to tell of the love of service and of a deep sense of privilege in being charged by your Committee to direct the spiritual work and to minister to the sick and suffering.

Your beautiful Chapel is a real treasure, and many have gone away with its happy and holy recollections. It is daily cared for by the hands of those who love it.

Our Services have been times of blessing, and the Communion in Chapel and Wards have brought spiritual vision and fellowship. Some who have "passed through" write to say that these times shall never be forgotten.

For all this we thank God and take courage. My work has been brightened by the kindly thought and unfailing courtesy of many. To the Secretary, Matron, Sisters, indeed, all the Staff, I owe a debt of thanks for their generous sympathy and support. If I may venture to add another name to the unwritten list, my thanks are offered to Sister Treble for her special help in the Chapel, and Miss Hicks at the Ward Services. Praying that the Divine blessing may rest on all our work.

J. MERVYN GLASS,
Chaplain.

ADMISSION AND DISCHARGE OF PATIENTS.

All communications regarding the Admission of Patients must be addressed to the Secretary.

The Admission of Patients shall be under the following regulations :—

IN-PATIENTS.

In-Patients will be received on any day of the week between the hours of 10 and 2, and preferably on Wednesdays, but in cases of accident or emergency one of the Resident Medical Officers, or in their absence, the Matron, shall admit Patients without recommendation, and without delay, at any hour of the day or night.

Except in cases of Emergency, every Patient will be required to obtain a Subscriber's Letter of Admission with the accompanying Medical Certificate signed by a Medical Practitioner. Members of the Contributory Scheme will obtain a Certificate from the Collector, which must be signed by their own Doctor. A note from the Patient's usual Medical Attendant will be considered sufficient.

All Letters of Admission with the Medical Certificate or letter must be forwarded beforehand to the Secretary, who will advise as to the date of the Patient's admission.

Every In-Patient Letter of Admission is available for six weeks only from the date of admission of the Patient. If it is necessary for the Patient to remain in the Hospital beyond this period a fresh letter will be required.

No Person shall be received as a Patient, except in cases of accident or emergency, unless he or she be recommended by a Subscriber or Benefactor, qualified as aforesaid, whose subscription or benefaction is paid, and whose right of recommendation has not been exhausted; nor unless he or she shall comply with all the regulations and shall be free from all the disqualifications to be set forth from time to time in the Rules of the Establishment, and shall also be reported by the Physician or Surgeon as probably curable or capable of great benefit, and shall satisfy the Committee that he or she is a proper person for admission and unable to pay for medical or surgical attendance, medicines, and dressings except as provided by the Rules; nor shall any person be admitted into the house as an In-Patient unless the Physician or Surgeon shall also report that the case is one which cannot be equally relieved, so far as regards advice, medicines, and dressings, if the person recommended be made an Out-Patient.

Domestic Servants, while in place, may be admitted as In- or Out-Patients, and their employers shall be invited to give a donation to the funds of the Hospital.

No Patient discharged for wilful non-attendance, irregularity, or disorderly behaviour shall be re-admitted into the house, or received as an Out-Patient, upon any recommendation whatever, unless by the special resolution of the Committee, entered upon their minutes with the reason assigned.

Whenever there shall be want of accommodation in the Hospital for the admission of such In-Patients as are qualified according to the Statutes and Rules of the Charity, the preference shall be given in accordance with the apparent urgency of the case.

OUT-PATIENTS.

The following persons only may be admitted as Out-Patients :—

- a. Those who require treatment for diseases of the eye.
 For serious dental treatment.
 For diseases of the ear, nose, and throat.
 For treatment by electricity, X-Rays, or Finsen Light.
 And similar persons whose cases need consultation, but not treatment.
- b. Any persons who have been In-Patients of the Hospital, or who have been treated as Casualties, and whom the Honorary Medical Staff wish to treat during convalescence.

Letters of Recommendation for the admission of Out-Patients shall not be available (except for treatment in the Dental Department) unless signed by a Medical Practitioner, except in the case of Members of the Contributory Scheme, who will obtain a Certificate from the Collector, which must be signed by their own Doctor.

Out-Patient Letters are available for six weeks only from the date of admission of the Patient.

All Out-Patients shall provide all bottles and gallipots for the reception of medicines and applications prescribed for them, or shall deposit with the Dispenser such sums as may, from time to time, be ordered in respect of any articles of this kind which may have been lent to them from the Dispensary; from which deposit the Dispenser shall, at their discharge, deduct the value of any such bottles or gallipots as shall have been lost or damaged. It shall nevertheless be permitted to the Dispenser to lend such bottles and gallipots as may be required by an Out-Patient on his or her first admittance.

All Out-Patients shall attend at the times appointed by the Physicians or Surgeons, and, if they absent themselves twice together, without leave from their Physician or Surgeon, they shall be discharged.

Out-Patients who are suffering from rupture may be supplied with a properly fitting truss on presentation of a Subscriber's letter of recommendation; in the case of young children the truss may be exchanged once or twice for one of a larger size, provided that the whole cost does not exceed seven shillings in respect of any one letter. If in such cases attendance and medicine are also required an additional letter of recommendation must be presented.

In the case of Children, School Inspection Certificates will not be accepted as sufficient; they will be required to produce a Note signed by their usual Medical Attendant.

New cases will be seen in the Out-Patient Department on Wednesdays only at 11 a.m.

GIFTS OF VEGETABLES AND
POTATOES.

Last Autumn we received most useful gifts of Vegetables and Potatoes from Fruit and Vegetable Shows, Harvest Festival Services, private donors, etc. This resulted in a reduction of expenditure.

Real help can be rendered by gifts of Fruit, Vegetables, and Garden Produce.

If intending donors would kindly send the attached form to the Secretary in advance, it would be extremely helpful.

Why **YOU** should join the

CONTRIBUTORY SCHEME :

Because it should be a privilege to help support your Hospitals, which are always at the service of the sick and suffering.

Because to-morrow you, or some member of your family, may be ordered into Hospital. In that event, are you prepared to meet the financial outlay that will be incurred?

If you are a member of the Contributory Scheme you will be relieved of all the worry and anxiety during a long or short illness, and receive the following benefits :

1. As an In-patient or as an Out-patient, you will receive the best of treatment and medicine without being required to contribute towards the expenses of the Hospital.
2. Contributions to the Hospital Contributory Scheme cover Free Maintenance in any Convalescent Home where such treatment is ordered for an In-patient by the Hospital Authorities. Patients are asked to pay their own travelling expenses.
3. If you are suddenly taken ill or meet with an accident when away from home, you will receive free maintenance in any General or Cottage Hospital in Great Britain.

All Patients except—

1. **The Necessitous Poor,**
2. **Members of this Scheme,**

are required to contribute, according to their means, towards their maintenance when in Hospital.

Grants received by the Hospital from Approved Societies (National Health Insurance) do not exempt patients from contributions towards the cost of maintenance. Unless a patient is a member of the Contributory Scheme or is considered necessitous, he cannot receive free maintenance.

The Scheme is intended to help the Hospital, and **TO BENEFIT ONLY THOSE WHOSE INCOME IS WITHIN THE LIMITS OF THE NATIONAL HEALTH INSURANCE ACTS.**

To receive all these benefits, you will merely have to contribute the following

Royal Hampshire County Hospital.

EGG WEEK, 1929.

For the past three years Parishes in the County of Hampshire have collected and sent to the Hospital most valuable gifts of eggs. Last year a considerable number of Eggs were sent. These were preserved, and formed most useful supplies for the whole year.

The Committee hope that these efforts will be continued during the year 1929, and they invite assistance from every Parish.

Who would like to send in his or her name as Organiser for a District?

Name

Address

It would be a great convenience if Collectors could arrange to send their Eggs direct to the Hospital; they will be most gratefully acknowledged by the Matron.

RATES OF CONTRIBUTION

A Class—For Wage Earners.

Man or Woman over 16 years of age ...	2d. per week
Husband, wife and children under 16 years of age ...	4d. „
Widow or Widower and children under 16 years of age ...	2d. „
Children only, under 16 ...	1d. per week, per child

B Class—For people in receipt of small salaries, small traders or those of very moderate means.

Man or Woman ...	10/6 per annum
One Child under 16 years ...	5/0 „
Two or more Children under 16 years ...	10/0 „

Applications under B Class must be made to the Administrator, who will submit them to the Contributory Scheme Sub-Committee.

Members must remember that the Maternity Ward is not included in the Contributory Scheme; also that every case must be accepted by the Physician or Surgeon of the Hospital as suitable for Hospital treatment, and only genuine Hospital cases may be treated.

Treatment provided by the various Public Health authorities is not included in the benefits.

The benefits of the Scheme apply only to cases which ARE, and only for as long as they REMAIN, suitable for Hospital treatment. Cases admitted and found to be, or after investigation in the wards or Out-Patient Department to have become, unsuitable cannot continue to receive Hospital treatment.

IF YOU ARE ORDERED TO THE HOSPITAL.

1. Take or send your Contribution Card to your Collector, and obtain an In or Out-Patient Certificate as necessary.
2. If you are recommended to Hospital as an IN-PATIENT forward the In-Patient Certificate to the Administrator, Contributory Scheme Department, who will inform you when there is a vacant bed. If as an OUT-PATIENT, bring the Out-patient Certificate to the Out-Patient Department with you.
3. These certificates **must** be signed by your Doctor and must be renewed every six weeks of treatment.

NOTE.—As all Collectors give their services voluntarily, the Contributors are requested to assist them by making their work as easy as possible.

IF YOU ARE ALREADY A CONTRIBUTOR.

Please help the Hospital by telling everyone you can of this Scheme.

No application to join can be entertained when the applicant is needing Hospital Treatment.

Persons are eligible as contributors as long as they are resident in the district which feeds the Hospital.

TWENTY-SECOND ANNUAL REPORT

of the

**Winchester County Hospital Linen
Guild**

1928-9.

President :

THE COUNTESS OF NORTHBROOK.

General Committee :

The Vice-Presidents.
The Matron.

The Hon. Treasurer.
The Hon. Secretary.

Executive Committee :

Elected Members ...	...	Lady Floyd, Mrs. Seymour, Lady Wells
Ex-officio Members ...	...	The Matron, Treasurer, and Secretary

Hon. Secretary :

Miss M. F. URMSON, Monk's Hatch, Winchester.

AT the Annual General Meeting of the Guild, which was held at the County Hospital on Friday, April 12th, 1929, it was decided that the Annual Report and the audited Accounts should, in future, be published at the end of the financial year (i.e., after December 31st), instead of, as hitherto, in May.

The Report for 1929 will, therefore, be sent out in January, 1930, and will contain a list of all the subscriptions and contributions received in 1929.

The Financial Report for 1928 is given below, but as the list of contributions of Linen, Garments, Etc., for that year was incorporated in the Hospital Report for 1927, these are not now reprinted. In future, the report and balance sheet will synchronise with the Hospital reports.

M. F. URMSON,

Hon. Secretary.

By the Committee

Attest: Secretary

Witness my hand and seal this 31st day of December, 1922

All persons who are disposed to contribute to the support of the Hospital by WILL are recommended to do so in the following manner—

“ I bequeath to the Treasurer, for the time being, of the Royal Hampshire County Hospital, at Winchester, for the purpose of that Institution, the sum of £
to be paid, free of legacy duty, out of such part of my personal estate as I can lawfully charge with the payment of legacies to charitable uses, and I direct that the receipt of such Treasurer shall be a good discharge for the same.”
