THE
Sixty-Ninth Annual Report
1936.

1936 marked another eventful era in the history of the Royal Hospital. The extensions and improvements that were commenced in 1935 were finished by the end of August, 1936, and on October 29th were duly opened by Her Royal Highness the Duchess of Gloucester, who was accompanied by the Marchioness of Cambridge, the Lord Lieutenant of Surrey (Lord Ashcombe, C.B., M.A., T.D.), Lady Ashcombe, the High Sheriff of Surrey (Captain C. E. Hoskins Master), Mrs. Hoskins Master, His Worship the Mayor of Richmond (Councillor P. H. Goodwin, J.P.), and the Mayoress, the President of the Hospital (Sir John Archer, K.B.E., J.P.), Lady Archer, the Lord Bishop of Kingston, the Chairman of the Hospital (Mr. Walter Sanderson, J.P.) and Mrs. Sanderson, and members of the Committee of Management, the Honorary Medical Staff, and many ladies and gentlemen from Richmond and the large area in the Thames Valley served by the Hospital.

In addition to the various alterations and extensions, the new porch, the cost of which was so generously defrayed by the President of the Hospital (Sir John Archer, K.B.E., J.P.), was also declared open by Her Royal Highness.

The new kitchens have proved a great success, and have ensured the efficient service of the meals for the patients and staff, and the many improvements and alterations in the wards have materially assisted the Nursing Staff in their work. The Nurses' New Home and the various sitting rooms which have been much appreciated, and the House Laundry recently opened, in addition to doing finished articles, has also relieved the Nursing Staff of a good deal of rough washing which they previously had to undertake.

The new Administrative Offices have enabled the Board Room to be kept for Meetings, and greatly added to the efficiency of that important side of the Hospital work.

Sir John Archer, K.B.E., J.P., once again showed his interest in the Hospital by defraying the cost of extensive alterations to the existing cloakroom for the Administrative Staff, and the enclosing of the Iron Staircase leading to the Nurses' Home, which now forms a continuous enclosed passage from the Hospital.

A considerable portion of the interior of the Hospital has been repainted, and the whole of the exterior. The Ophthalmic Theatre has been repainted, and the former scullery and domestic staffs' dining room has been converted into mending and storage rooms for the Hospital Linen.

A new sterilizer and high pressure boiler had to be installed as the old one was no longer safe.

Linen League and Ladies' Working Party.—The Committee desire to express thanks to the Linen League and Ladies' Working Party for the valuable work which they have continued for so many years, and this assistance is a source of great encouragement to the Committee. In 1936 they gave £50 towards the Linen League Bed in the Women's Ward, £30 towards the maintenance of a cot in the Children's Ward, and £129 11s. to provide house linen, &c. To Mrs. William Sandover, the Hon. Secretary, the members of the Linen League, and the members of the Working Party, the Committee take this opportunity to express their sincere appreciation of their splendid work and unflinching support.

Junior Branch of Linen League.—The Junior Branch, which was formed in September, 1935, for children of all ages, with Lady Mary Cambridge as the president, has increased in numbers, and it is hoped that during the coming year the membership will reach 100. The Committee express their thanks to the Chairman, Miss Sandover, the Hon. Secretary, Mrs. R. Sandover, Hon. Treasurer, and the members of the Committee for the work they have done for the Junior Branch.

Friends of the Hospital.—The Committee of Management very much appreciate the continued help received from the Friends of the Hospital Association, and desire to express their thanks to all those who have assisted in its work.

The Association has now completed its fourth year, and

once again the policy has been to help and increase the existing Hospital functions, such as Pound Day, Rose Day, and the Christmas Stocking Collection, and has been most successful.

In addition, the sum of £217 has been raised by a Bridge and Whist Drive, and the Garden Fête held at the Hospital in June. The Committee of the Friends of the Hospital are most grateful to the Girls' County School, the Old Vicarage School, and Broomfield House School for their kindness in holding concerts, sales of work, &c., and to Mrs. Riley for a sale of work, all of which brought in welcome donations to the funds.

The Associates now number 230, and all of them have been called on for help from time to time. The Committee consists of representatives from Richmond, Kew, Kew Gardens, North Sheen, East Sheen, St. Margaret's, East Twickenham, Twickenham, Barnes, and Petersham. The aim of the Committee is to extend its representation to all districts served by the Hospital, and the hon. secretary, Mrs. J. H. Houghton, 5, Holmesdale Road, Kew Gardens, will be glad to have the names of any ladies who would be willing to join the Association. There is no subscription, and Associates may choose when, where, and how they like to help.

Pound Day.—The Committee are very grateful to Councilor Mrs. Ellen Edwards and all those who so generously assisted her. The quality of the goods received was better than in previous years. The Hospital was honoured by an inaugural visit from the Mayors and Mayoresses of Richmond and Twickenham and the Mayor of Barnes. In the afternoon the Arthur Rees Players came to present their gifts.

Hospital Cricket Match.—The efforts of the Hospital Cricket Match Committee once again proved most successful. A very enjoyable afternoon was spent watching the excellent cricket, played by a team of local cricketers against the team brought by Mr. "Patsy" Hendren, and resulted in a sum of no less than £165 15s. 10d. being added to the Hospital funds. The Committee are very grateful to all those who once again helped us organise this successful function.

Blood Transfusion Service.—During the past year the London Blood Transfusion Service have supplied many donors to this Hospital, without fee or cost, and the Committee are very grateful to both the donors and the Service for this assistance.

Gifts in Kind.—The Committee are particularly grateful for the many valuable and useful gifts in kind, a list of which appears on pages 80-83. The fund for the entertainment of the patients at Christmas received generous support, and the arrangements made by the staff to brighten the wards were much appreciated by both patients and visitors.

Special Departments.—The Massage and Electro-Therapeutic Department and X-ray Department continue to afford facilities for the treatment and care of the patients.

Endowment of Bed.—Mrs. J. P. Houghton generously gave £1,000 to endow a bed in the men's ward, in memory of John Pounds Houghton and their son Charles William Houghton.

Legacies and Contributions of £50 and Over.—Particulars of these will be found on pages 84 and 66 of the report.

Christmas Card Appeal.—The Christmas Card Appeal was once again most successful, and met with a very generous response, the total amount received being £82 13s.

Lantern Lectures.—The Secretary-Superintendent gave many Lantern Lectures on the work of the Hospital, and would be pleased to hear of any societies who would care to have this lecture. No charge is made, and the Hospital provides its own lantern, screen, operator, &c.

Used Postage Stamps, Tinfoil, &c.—The Hospital is always grateful for gifts of used postage stamps and tinfoil, both of which are sold in aid of the funds of the Hospital.

Motor Van.—The Motor Van has proved a very useful asset, and has enabled the collector to place more collecting boxes and visit all box collectors more frequently and place new

ones. He has also collected a large number of bottles and various gifts for use of the Hospital.

General Thanks.—The grateful thanks of the Committee are extended to all who have assisted in any way in the work of the Hospital, and while it is possible to mention but a few by name, they would like to include all subscribers and donors, the Hon. Medical and Surgical Staff, the Hon. Masseuse, the Hon. Chaplain, Clergy and Ministers of all denominations, the St. John Ambulance Nursing Association, the Hon. Solicitor (Lieut.-Colonel William Merrick, T.D.), especially for services in connection with motor car accident cases, the Press for their valuable help in matters of publicity, &c., to members of the Richmond Rotary Club, who have very kindly put their cars at the disposal of the Hospital for taking patients home and fetching relatives in emergency, the Chief Officer of the Richmond Fire Brigade and his staff for carrying out fire drill and examination of fire appliances, the Officials and Staff, both nursing and administrative, of the Hospital, and all who have collecting boxes and exhibited posters.

In conclusion, the Committee of Management ask for the support of all new residents in Richmond and the surrounding districts, who are not already contributors, to help them in their task of raising money to maintain and improve the high standard of service they desire to render to those who need their help.

On behalf of the Committee of Management,

WALTER SANDERSON, Chairman.

G. M. EDEN, Secretary-Superintendent.

THE REPORT OF THE ALMONER'S DEPARTMENT.

In spite of the rebuilding which went on for nine months in 1936, the Hospital continued to carry out work in all its departments, and very few less patients were treated than in our busiest year, 1935. As a result 8,874 new patients passed through the Almoner's Department, compared with 9,046 in 1935, a figure, however, which shows a large increase on that of preceding years. Of these 1,673 were In-patients and 7,201 Out-patients, 3,217 being members of the H.S.A. and 646 of the H.S.F. The amount contributed towards the treatment of patients was £6,003 10s. 2d., showing a slight decrease on the total, but an increased contribution in respect of each individual patient.

During 1936 62 motor accident cases were admitted, and the total cost of their treatment, with that of the seven patients still in at the beginning of the year, amounted to £556 9s. 2d., £177 19s. 10d. less than that of 1935. Of this total only £77 18s. has so far been recovered from Insurance Companies, the remaining £173 4s. 11d. being received in respect of ten 1935 patients. As in previous years, the Hospital's Honorary Solicitors have dealt with all outstanding cases, and their very valuable assistance is greatly appreciated.

The After-care work of this Department has again shown a considerable increase. Assistance and advice is frequently necessary in order to carry out the Doctor's recommendations, and to enable treatment begun in Hospital to be continued at home; help and advice is also needed when a patient is suffering from a chronic disability and is no longer able to carry on his work. An analysis of some of the ways in which patients have been helped is given below, and may be of interest:—

Convalescence arranged for	135 Patients
Instruments supplied to	194 Patients
Dentures supplied to	160 Patients
General assistance, insulin, extra nourishment, obtained for	14 Patients
Sanatorium or institutional treatment arranged for	5 Patients

It is quite impossible to carry out much of this work without the valuable assistance and co-operation of many outside societies and public bodies, and the following figures show the numbers of different agencies called upon for assistance of various kinds:—

Public Authorities:

Public Assistance Committees	48
Public Health Departments	3
Education Committees	2

Voluntary Agencies:

Approved Societies	59
Invalid Children's Aid Association	22
Blind Societies	20
United Services Fund	19
Kingston Central Aid Fund	15
Royal Surgical Aid Society	12
Clergy	10
Philanthropic Societies	7

The general improvement in the economic conditions of the country is very apparent in the surrounding district, and patients are better able to help themselves to obtain the instruments and appliances recommended by the Medical Staff, and to contribute more to their convalescence. The following table giving the various sources from which money has been raised for this shows that patients' contributions amount to nearly half the total:—

In addition to the help and co-operation of outside agencies, the Almoner's Department owes much to those who have shown their sympathy and interest by gifts of Convalescent Letters, Royal Surgical Aid Letters, and money for the Samaritan Fund. Such gifts are much appreciated by those patients who have no resources to fall back upon, and the Samaritan Fund is invaluable for small or emergency payments. Our thanks are also

due to the Richmond Rotary Club, some of whose members have kindly offered their cars for the use of Hospital patients to take them to and from Hospital or to London Stations en route for convalescent homes.

HON. CHAPLAIN'S REPORT.

The patients are visited every Friday afternoon, and services are held in the wards every Sunday from 5—6 p.m. The clergy are available for special calls at all hours. Holy Communion is celebrated in the wards at the greater festivals, and the Blessed Sacrament is brought to individuals at any time as need and opportunity arise. A number of children have been baptised and when possible a service is held in the Children's Ward.

The clergy are always glad to be notified of people going into Hospital, and especially of those desiring to receive the Holy Communion there, so that there may be no fear of their being missed, as may happen through their being asleep or receiving medical attention at the ordinary visiting time.

The Rev. W. S. Bastow has done the greater part of the work throughout the year, with some assistance from the other clergy of the Parish Church and St. Matthias' ; the Rev. V. A. Demant, Vicar of St. John's, still gives valued help.

G. HAROLD M. GRAY, M.A.

Vicar of Richmond.

ABSTRACT FROM ARTICLES OF ASSOCIATION.

ADMISSION OF PATIENTS.

52. The Governors shall have the privilege of recommending poor persons as patients, and although the Hospital shall be open to all suitable cases, preference in admission shall be given to such recommendation should the number of patients in the wards or circumstances generally, make a selection necessary.

53. Patients shall not be admitted to the Hospital, even on a recommendation, without the sanction of one of the Honorary Medical Staff or Resident Medical Officers unless in case of accident, or of special emergency.

54. No patients shall be admitted whose circumstances are such as to enable them to pay for their treatment, except upon payment of such sum weekly as may be fixed by the Committee, and all patients shall be expected to contribute as they may be able to the funds of the Hospital.

55. Patients receiving compensation for accidents or any patients receiving money benefit under the National Insurance Act, 1911, or any subsequent or amending Act or for special treatment to other than Hospital patients shall make such payments as the Committee may require.

56. Accommodation may be set apart for private patients on terms to be fixed by the Committee not being less than £5 5s. per week, but in no case should this be done to the exclusion of the poor.

57. Assistance shall be afforded at the Hospital to persons suffering from minor casualties, in the department specially provided for out-patients. A charge to cover the cost of surgical dressings shall be made in all cases where such out-patients are able to pay therefor.

FORM OF LEGACY AND DEVISE.

To those benevolent persons who may be charitably disposed to become Benefactors by Will, the following forms are recommended as perfectly simple, yet answering every purpose.

For a Bequest of Money.

I bequeath to Royal Hospital, Richmond, Surrey, the sum of £ (free of duty) for the general purposes of that Institution ; and I declare that the receipt of one of the Treasurers for the time being of such Institution shall be a sufficient discharge for the same.

For a Devise of Land or Houses.

I devise and bequeath all that

unto the Trustees for the time being of Royal Hospital, Richmond, Surrey, upon trust, to sell the same within one year from the date of my decease and to apply the proceeds for the general purposes of that Institution.

Dated day of 19

Signed by the Testator (or Testatrix)
as and for his (or her) last will and
Testament, in the presence of us both
present at the same time, who in his
(or her) presence at his (or her) request
and in the presence of each other have
hereunto subscribed our names as
witnesses.

N.B.—Land and Houses, etc., can now be given by will for charitable purposes (as well as money, stock, and other personal property), but any Land or Houses, etc., so given must be sold (notwithstanding anything in the Will contained to the contrary) within one year from the death of the testator (or testatrix) and the proceeds applied for the purpose of the charity.

THE FRIENDS OF THE ROYAL HOSPITAL.

This Association was formed in 1932, primarily as a means of raising funds for the Royal Hospital. So many kindly efforts have been made in the past by individual helpers that it was thought that if these friends could be co-operated into a permanent Association, the value of their work would be increased a hundred fold.

The Friends of the Hospital consists of a central committee of Ladies representing as many Districts which are served by the Royal Hospital as possible, helped by Associates, who can be called on for help in organising Garden Parties, Whist Drives, Concerts, Sales of Work, Jumble Sales, and the Christmas Stocking Appeals, &c.

There is no subscription, and Associates can choose when, where, and how often they help.

There are many people who cannot give money to the Hospital, but who would like to help, and this is their opportunity. Please send your name and address to the Hon. Secretary, MRS. J. H. HOUGHTON, 5, HOLMESDALE ROAD, KEW GARDENS, who will enrol you as an Associate, and keep you informed of the various activities of the Friends of the Hospital.
