The Smedley Memorial Hydropathic Hospital.

ANNUAL REPORT, 1940.

In submitting the Statement of Accounts for the past year the Committee desire to convey their sincere thanks to all who have helped to carry on the work of the Hospital.

In the absence of Dr. Rhys Davies, who is serving as a Major in the R.A.M.C., Dr. Geoffrey Holmes, the Consulting Physician, has taken full charge, and the Committee desire to place on record their high appreciation of his services.

Since the outbreak of War, applications from Patients for admission have considerably decreased, and an arrangement was entered into with Smedley's Hydro Co., whose premises have been commandeered by the Government, for the reservation of a number of rooms for those regular Patients of the Hydro desiring treatment.

The Committee have received from the Executors of the late E. H. Bailey, Esq., a legacy of £100.

Through the generosity of an anonymous donor a sum of money has been handed to the Committee to defray the cost of installing hot and cold water hand-basins in Patients' bedrooms. In gratefully acknowledging this handsome gift the Committee are assured that the comfort and convenience of Patients will be greatly increased thereby.

The Committee desire to extend their thanks to the Matron and Staff for the efficient working of the Hospital during the past year.

The Accounts have been audited by Mr. A. N. Mills, A.C.A., and the Committee wish to thank him for his services.

A. S. MARSDEN-SMEDLEY,
Chairman.
