Forty-Eighth Annual Report.

THE Board of Management have the honour to submit to the Governors and Subscribers their Annual Report for the year 1898.

Finance.—Again, as in 1897, the Hospital is indebted to Legacies, which amounted to £15,523, for tiding over what would otherwise have been a very bad year; for while the ordinary expenditure amounted, in round figures, to £24,000, the ordinary income, *i.e.*, the receipts from all sources—Legacies and Endowment donations alone excepted—was only £12,000. Owing to this great discrepancy between the ordinary receipts and expenditure, and to the fact that an extraordinary expenditure of £1,600 was also incurred, the opportunity which such an exceptional income from legacies might be expected to afford, of increasing the stability of the Hospital by adding to its investments, did not present itself, and it was only possible to add the sum of £1,848 to the Hospital's perilously small reserve fund.

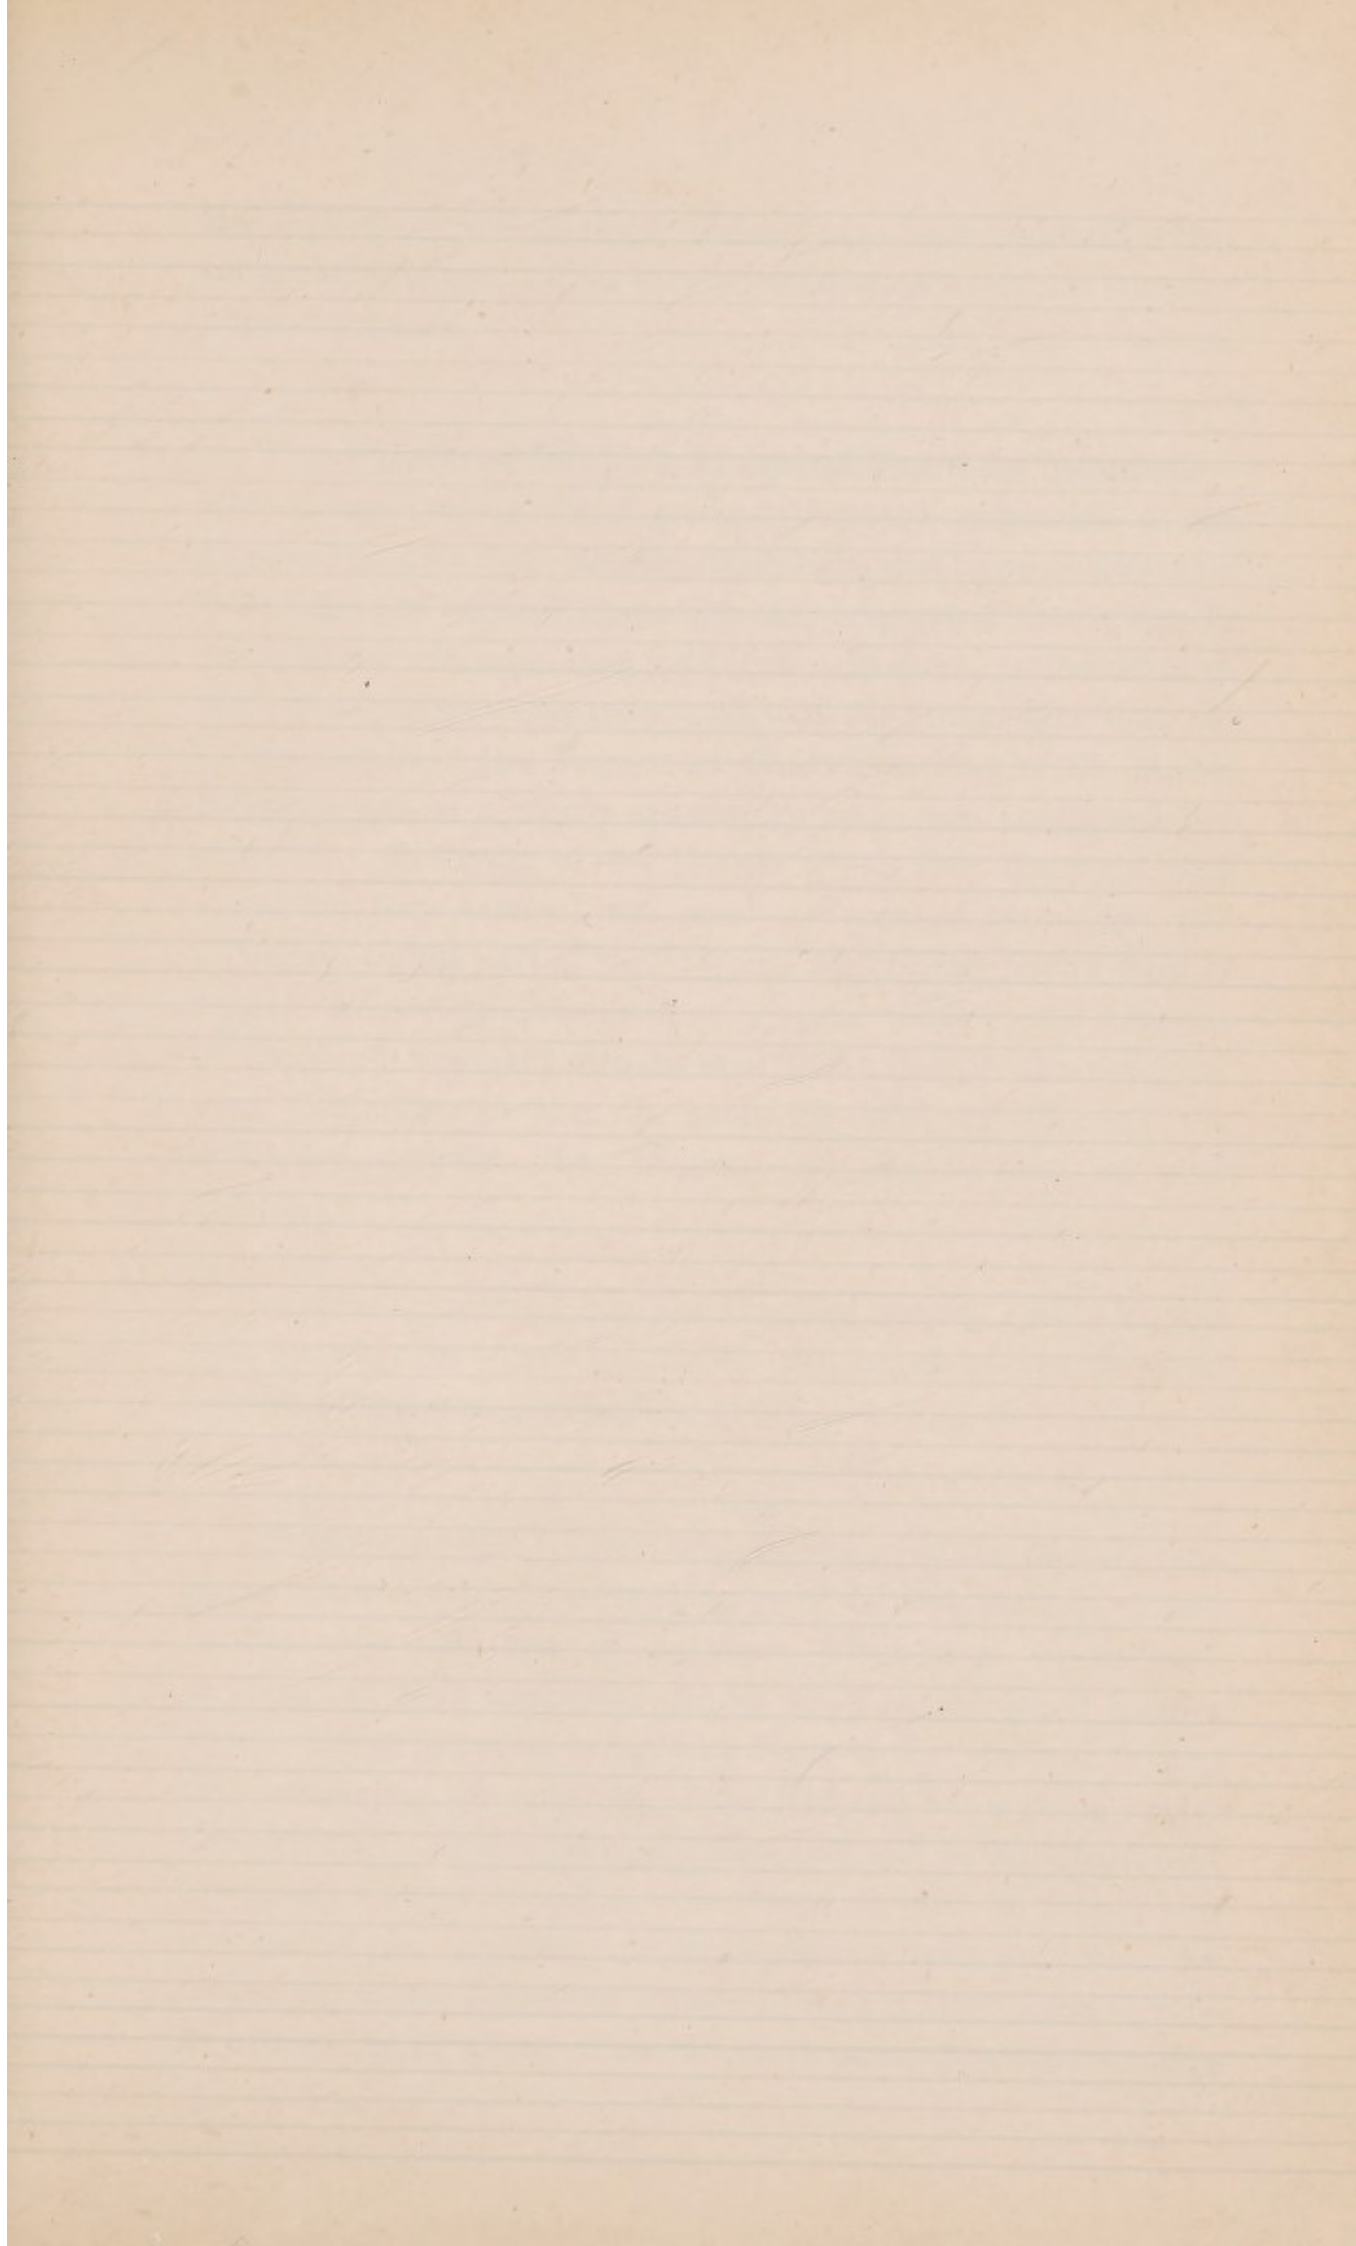

Expenditure.—To some extent the above result was due to the fact that the Expenditure was very high last year. The causes which augmented it were mainly of a temporary character, though those that are permanent are not inconsiderable. For instance, the new Out-Patients' Department being many times larger and more fully fitted and equipped than the old, requires a larger staff to work, and entails heavier expense on every side—rates, heating,

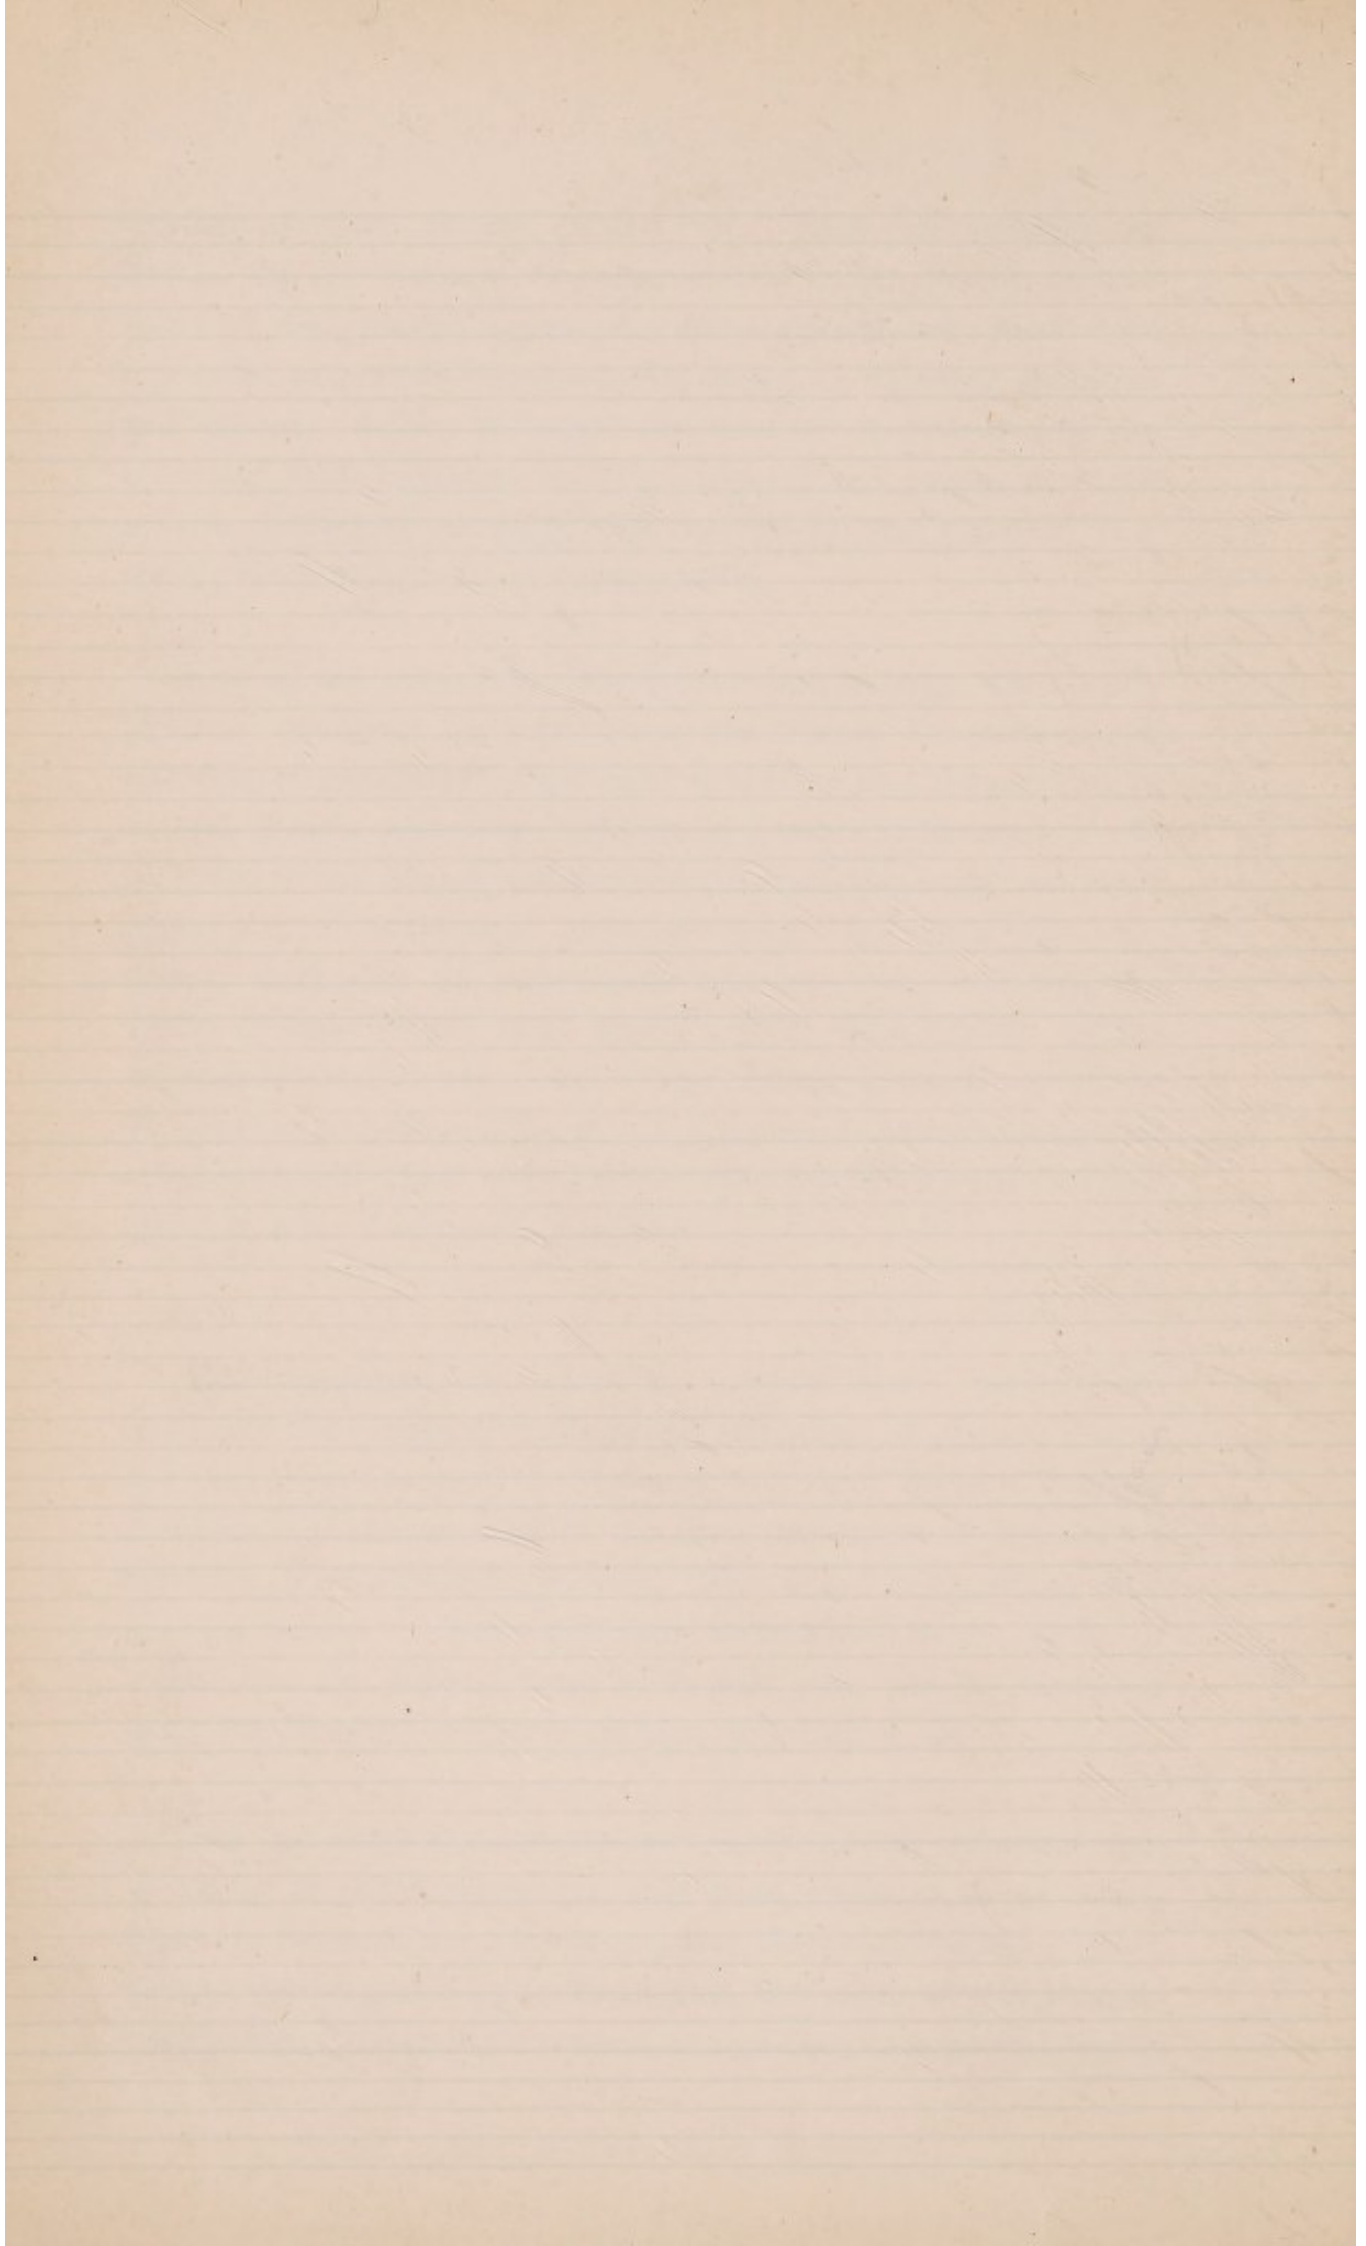

lighting, cleaning, nurses, porters, etc. Then the substitution, both in the Out-Patients' Department and in the Wards, of teak floors for deal, though a very great improvement, introduced none too soon, has much increased the outlay on cleaning materials and labour. Again, although the number of patients has not increased, their treatment nowadays makes much greater demands on the nursing department than heretofore, and the staff constantly tends to increase in consequence.

Some of the temporary causes were that a large sum, nearly £1,000, was spent on refurnishing the Nurses' Dormitories and installing a new system of gas lighting there; that the painting of several Wards and Ward Offices and other additional works included in the Annual Cleaning augmented the outlay by some £400; that the prices of provisions ruled high during the year, greatly increasing the expense in that direction; and that the strike in the Welsh coal trade added considerably to the expenditure on steam coal. The normal expenditure of the Hospital at present may be put at £22,000, and the causes above referred to and others of less importance account for the fact that last year it reached nearly £25,600.

Endowments.—It gives the Board much pleasure to announce the receipt of Endowment Donations of £1,000 during the year, from Stephen G. Holland, Esq., and Messrs. Barnato Brothers, and the payment of the final instalment of a third by the Hon. Mrs. Alexander Stewart. The Board in recording their grateful thanks to these generous benefactors desire again to repeat that the highest form of benefit that can be conferred upon the Hospital is the endowment of a bed or cot.

They are sorry that of the 281 beds in the Hospital this guarantee of permanence has only been given to 16, of which eight are for men, five for women, and three for children; but it is nevertheless gratifying to know that the value of this form of benefaction is receiving increased recognition, as is proved by the

fact that all but one of these 16 beds have been endowed within the present decade. The Board would gladly see the number largely increased.

The Prince of Wales's Hospital Fund for London.—

The Visitors of the Fund made a thorough inspection of the Hospital on 13th July, and the Board are glad to be able to state that at the end of their inspection they expressed themselves as very pleased with what they had seen. Enquiry at the office of the Fund early this year (1899) elicited the further fact that the official Report of the Visitors on their inspection of St. Mary's Hospital, was of a highly satisfactory and even complimentary character. Referring to the defects which they observed, they stated that they were not the result of want of knowledge, nor of neglect on the part of the Hospital Authorities, but of want of funds. Accordingly, the grant of £1,000 made by the Council of the Fund was made with the expressed object of "encouraging your Committee to take in hand the work of meeting the deficiency between the Income and Expenditure of your Hospital."

The amount received from the Hospital Sunday Fund was less than in 1897 by £318 15s., while the award by the Hospital Saturday Fund was £65 higher.

Improvements.—The work of improving the sanitary condition of the Hospital, and making good the dilapidations caused by the wear and tear of 50 years, which was commenced in 1897, has been continued during 1898, though on a smaller scale. It was intended to lay teak floors in the Medical Wards, thus completing the reflooring of the Hospital, but it could not be done without entirely closing the Hospital, and as Middlesex and University College Hospitals were closed, to shut St. Mary's also was out of the question. It is hoped that this work, and the renovation of the Operating Theatre, which is much needed, may be carried out in 1899. The Nurses' Dormitories were entirely

refurnished, and as the gas lighting there was very defective a new system was installed. These improvements have added greatly to the comfort of the nurses.

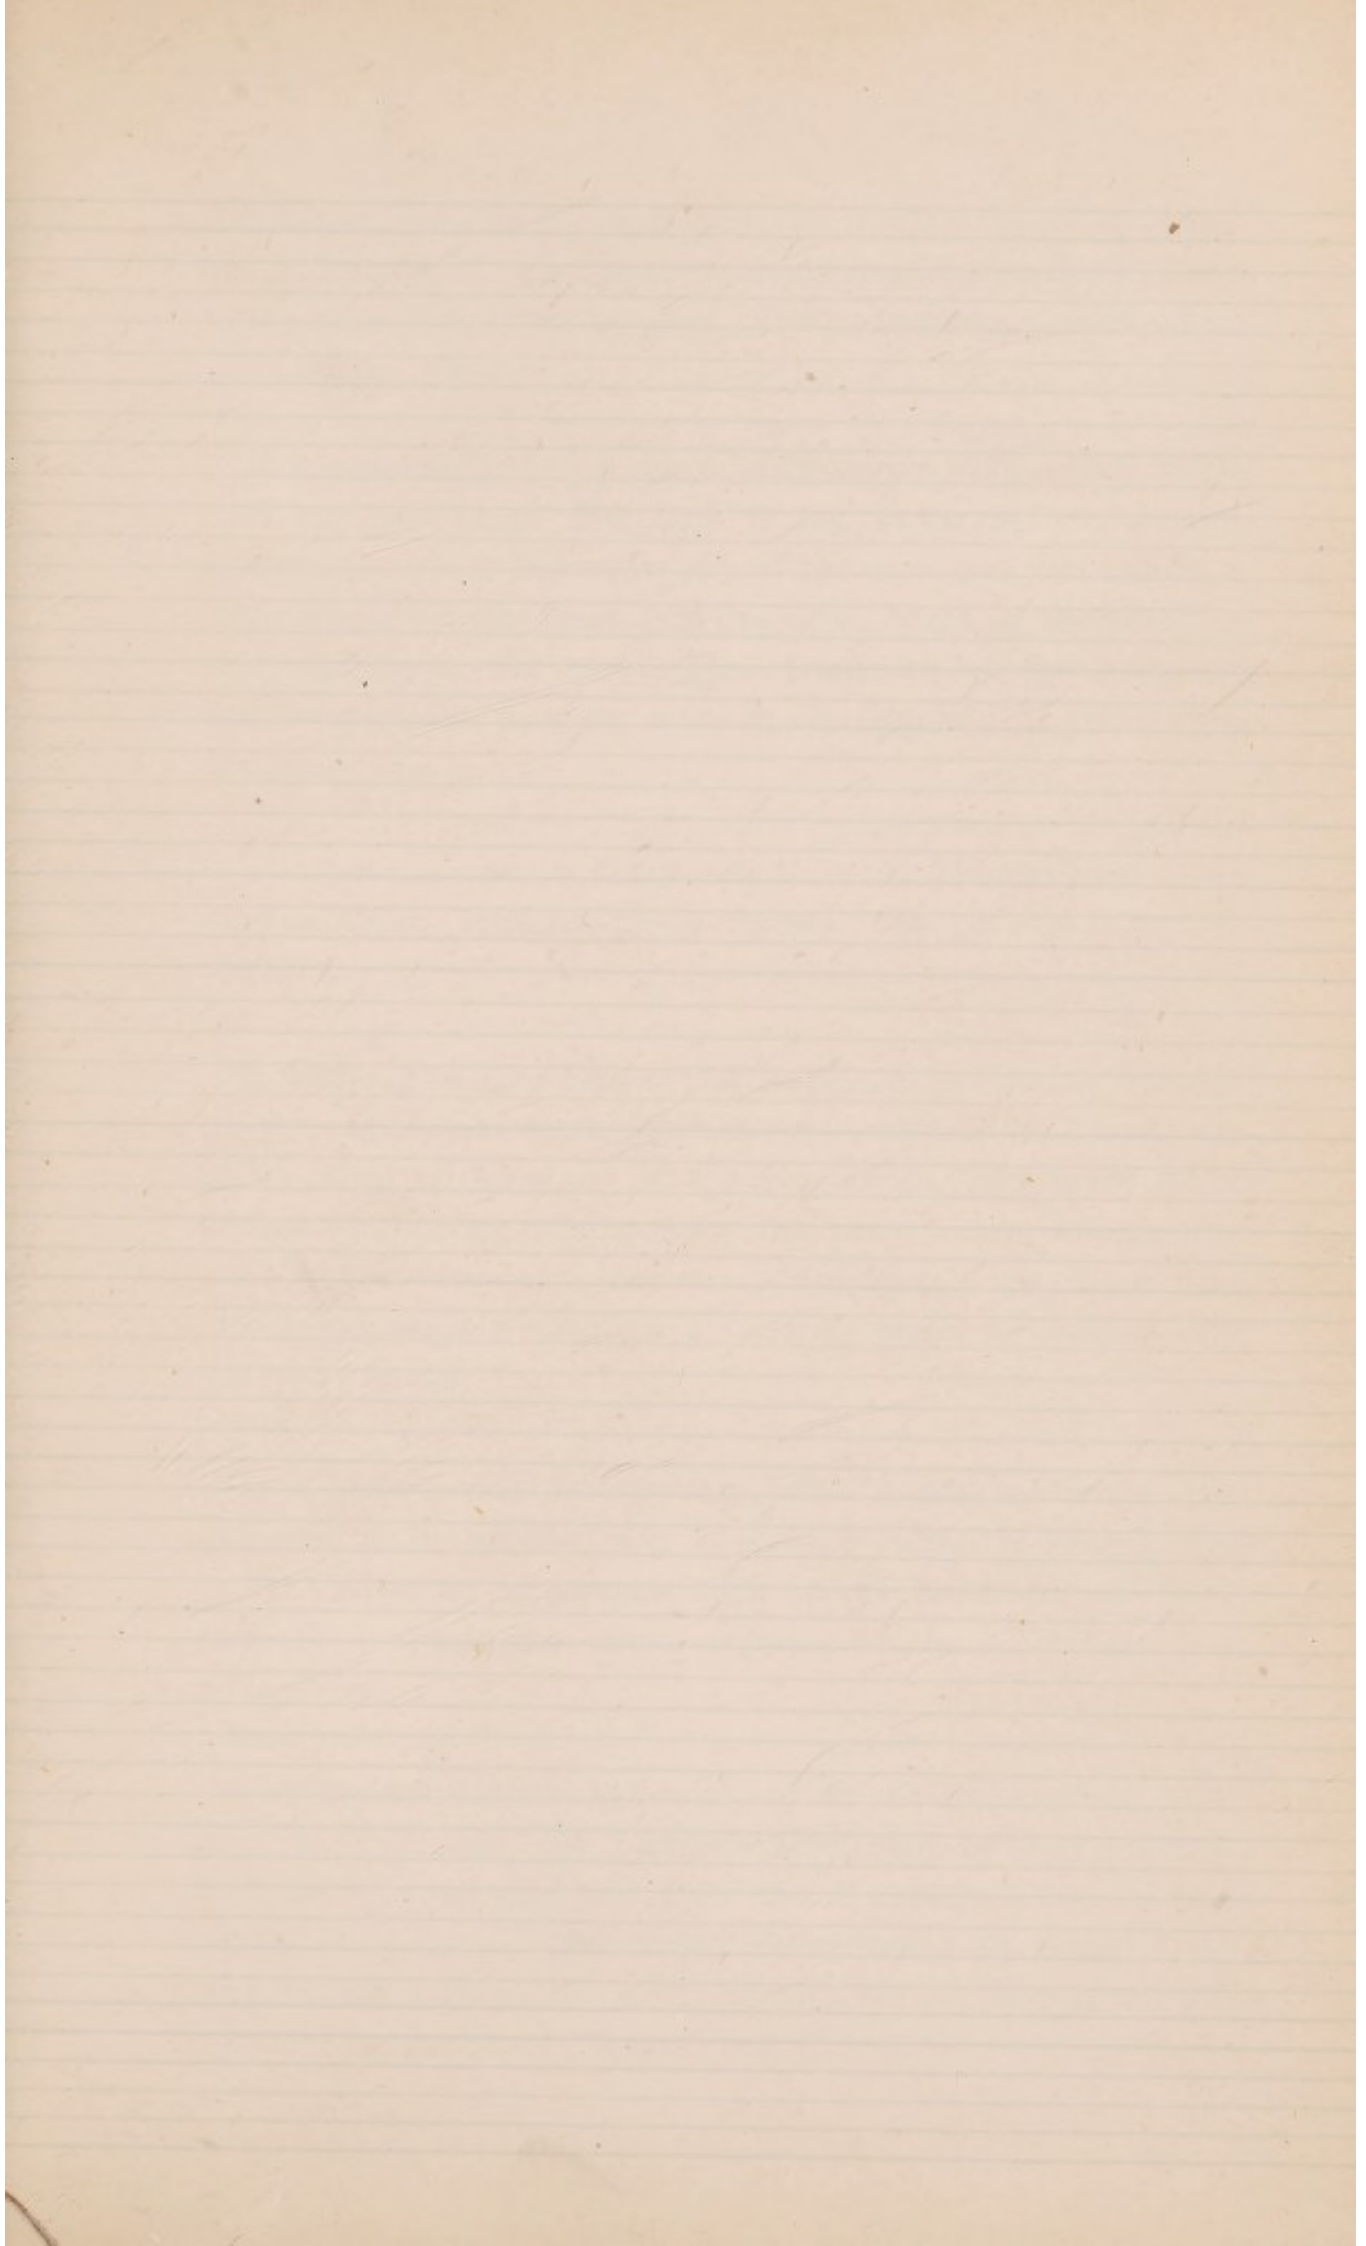

Clarence Memorial Wing.—Reference was made in the last Report to the little progress which was then being made with the fund for carrying on this work, and it was pointed out that the large sum invested in the site required that the basement, that is the New Out-Patients' Department, should be finished, so that it could be occupied and the capital not be lying idle. It was also pointed out that as the funds available for the purpose were exhausted this could only be done by obtaining a loan from the bankers.

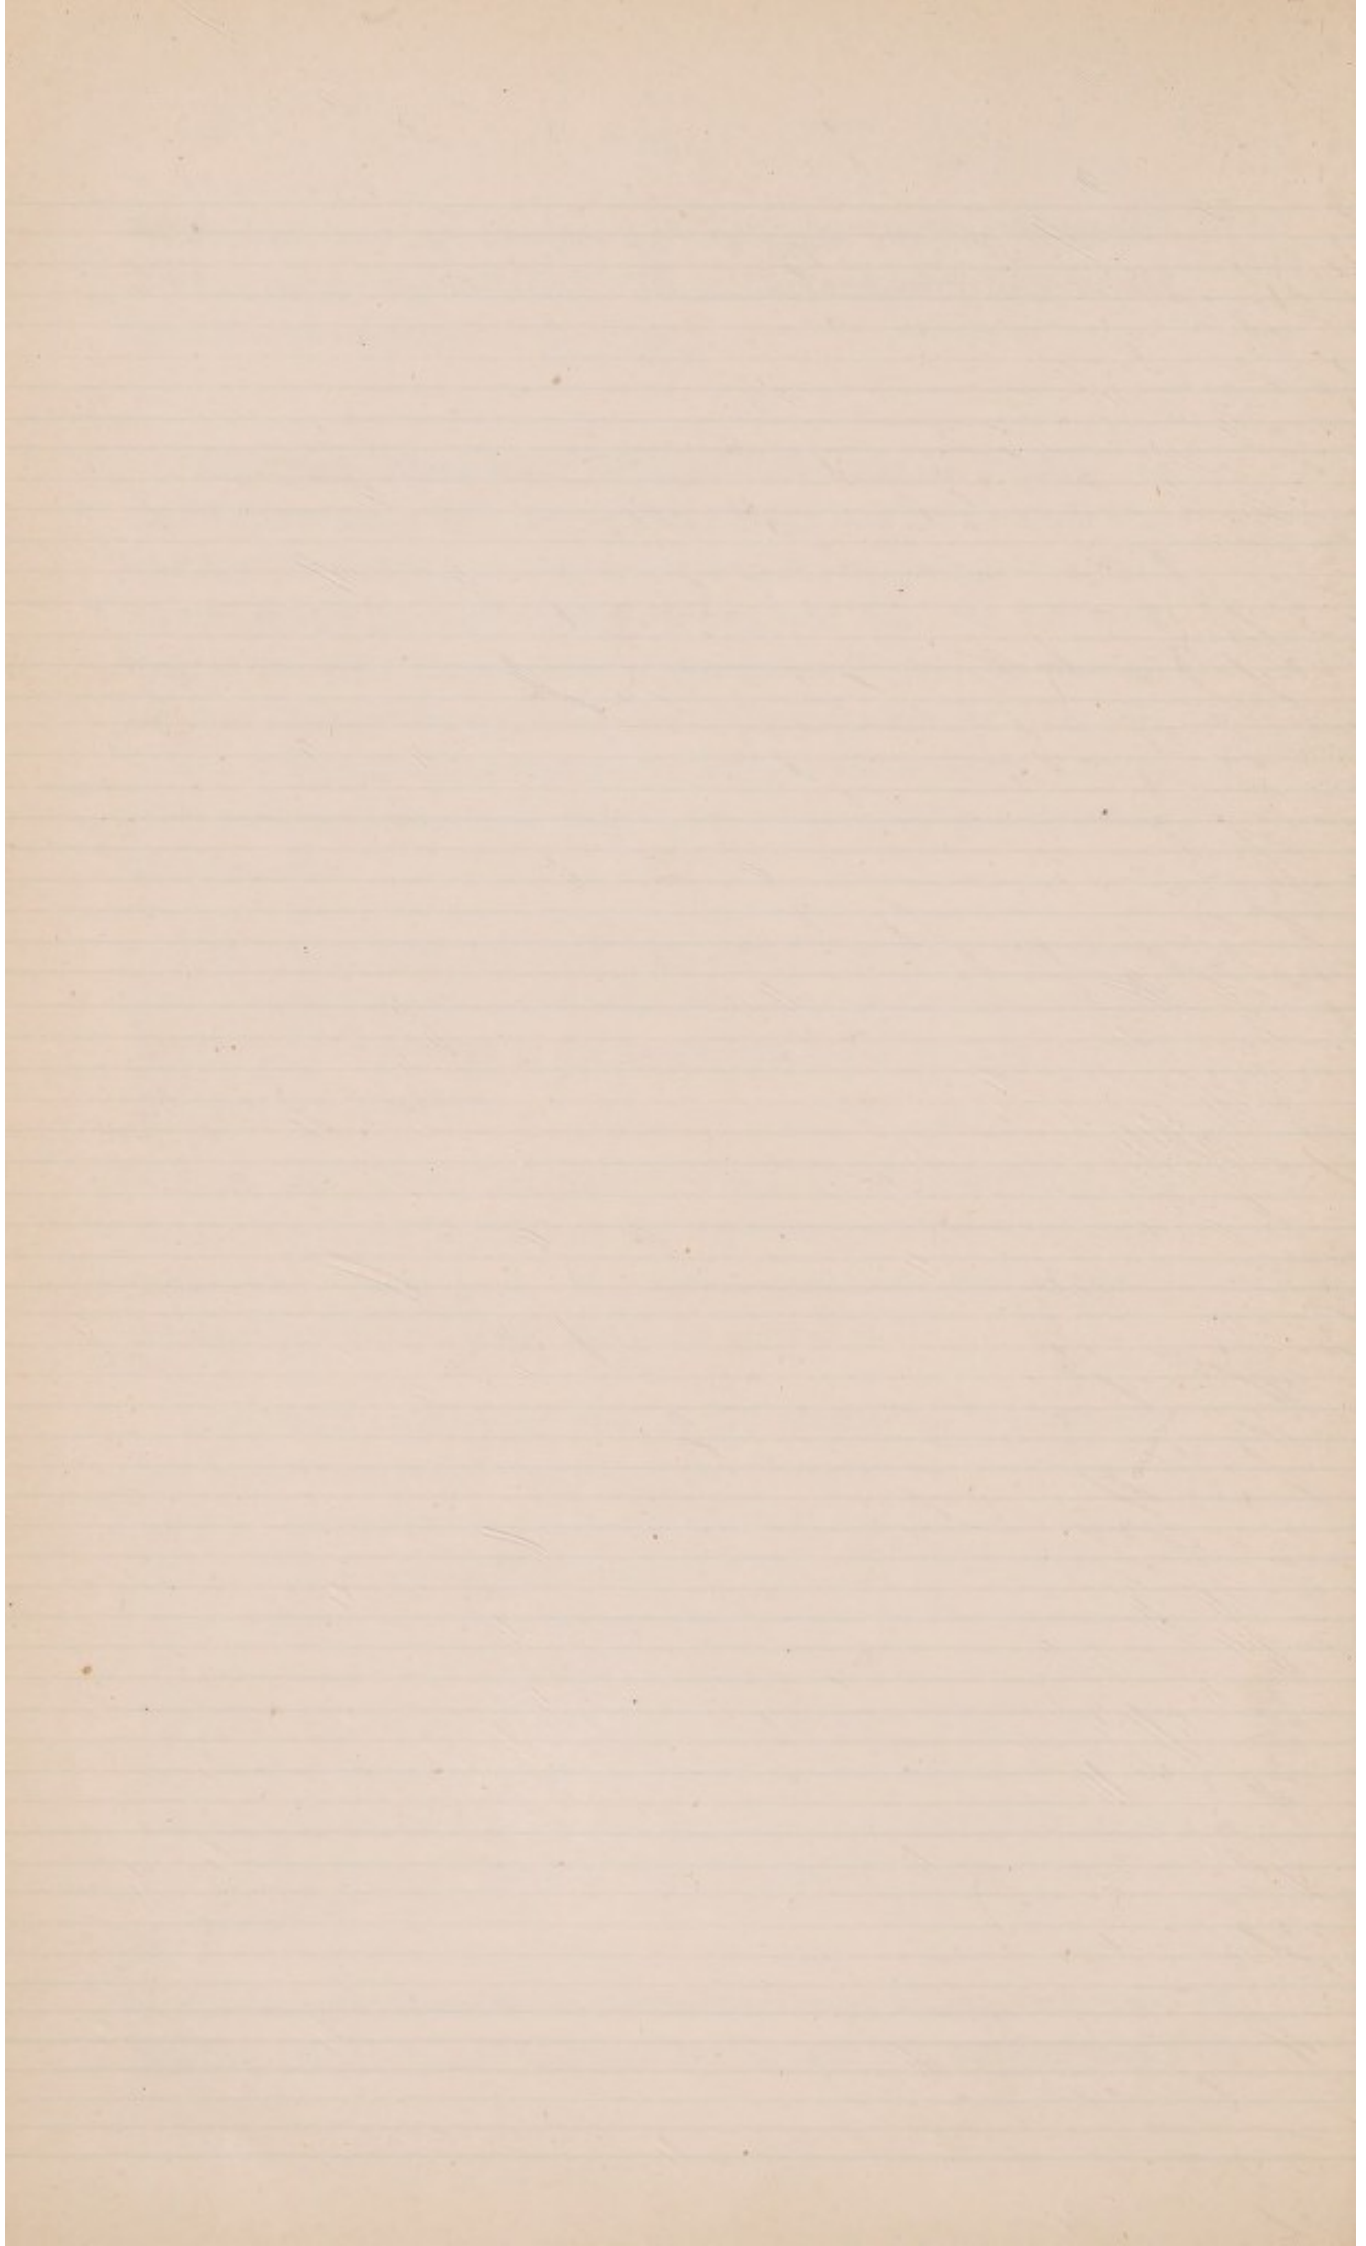

The course thus indicated has been followed by the Board, and the Out-Patients' Department has been proceeded with and finished. The amount of the loan which had to be raised for this purpose was £19,650.

Work was commenced in the new department on 9th May, and it has been found to fulfil all the expectations which were entertained with regard to it. It is very commodious, and admirably arranged for the work that has to be done in it.

Towards the end of the year, as the interest on the loan from the bankers exceeded that which the Hospital was receiving on some of its investments, the Board, after very anxious consideration, adopted the following Resolution:—"That the Hospital do sell out a sufficient sum from investments to repay to the bankers the £19,650 which was borrowed in order to complete the New Out-Patients' Department in the Clarence Memorial Wing; and that any money hereafter given or raised for the extension of the Hospital be devoted in the first instance to replacing by investment in the General Fund of the Hospital the aforesaid sum of £19,650."

Accordingly Investments amounting to £16,912 were sold, realising £19,650, and the loan was repaid. It was not found

possible to complete the transaction by the last day of the year, and a balance of £5,448 therefore appears due to the Bankers in the Extension Fund Account. It was, however, cleared off on 4th January, 1899.

It is important not to underestimate the progress already made with the new wing. Not only is the basement, for obvious reasons, the most expensive part of the structure, but before a stone was laid a very large sum had been spent in the purchase and clearing of the site. The completion of the basement therefore implies that the most costly part of this great work is done.

To finish it and to restore the General Maintenance Fund capital above referred to, a further sum of £70,000 is required.

It is of urgent importance that it should be finished without delay, as at present nearly half the nurses have to be lodged out of the Hospital for want of accommodation, and many other serious drawbacks, arising from the same cause, impede the work of the Hospital. Therefore, immediately the above loan was repaid steps were taken to devise means for raising the necessary funds.

It is hoped that by the time this Report is issued the measures to be adopted will have been definitely settled, and in the endeavour to promote their success the Board now very earnestly bespeak the active support of the Governors and Subscribers.

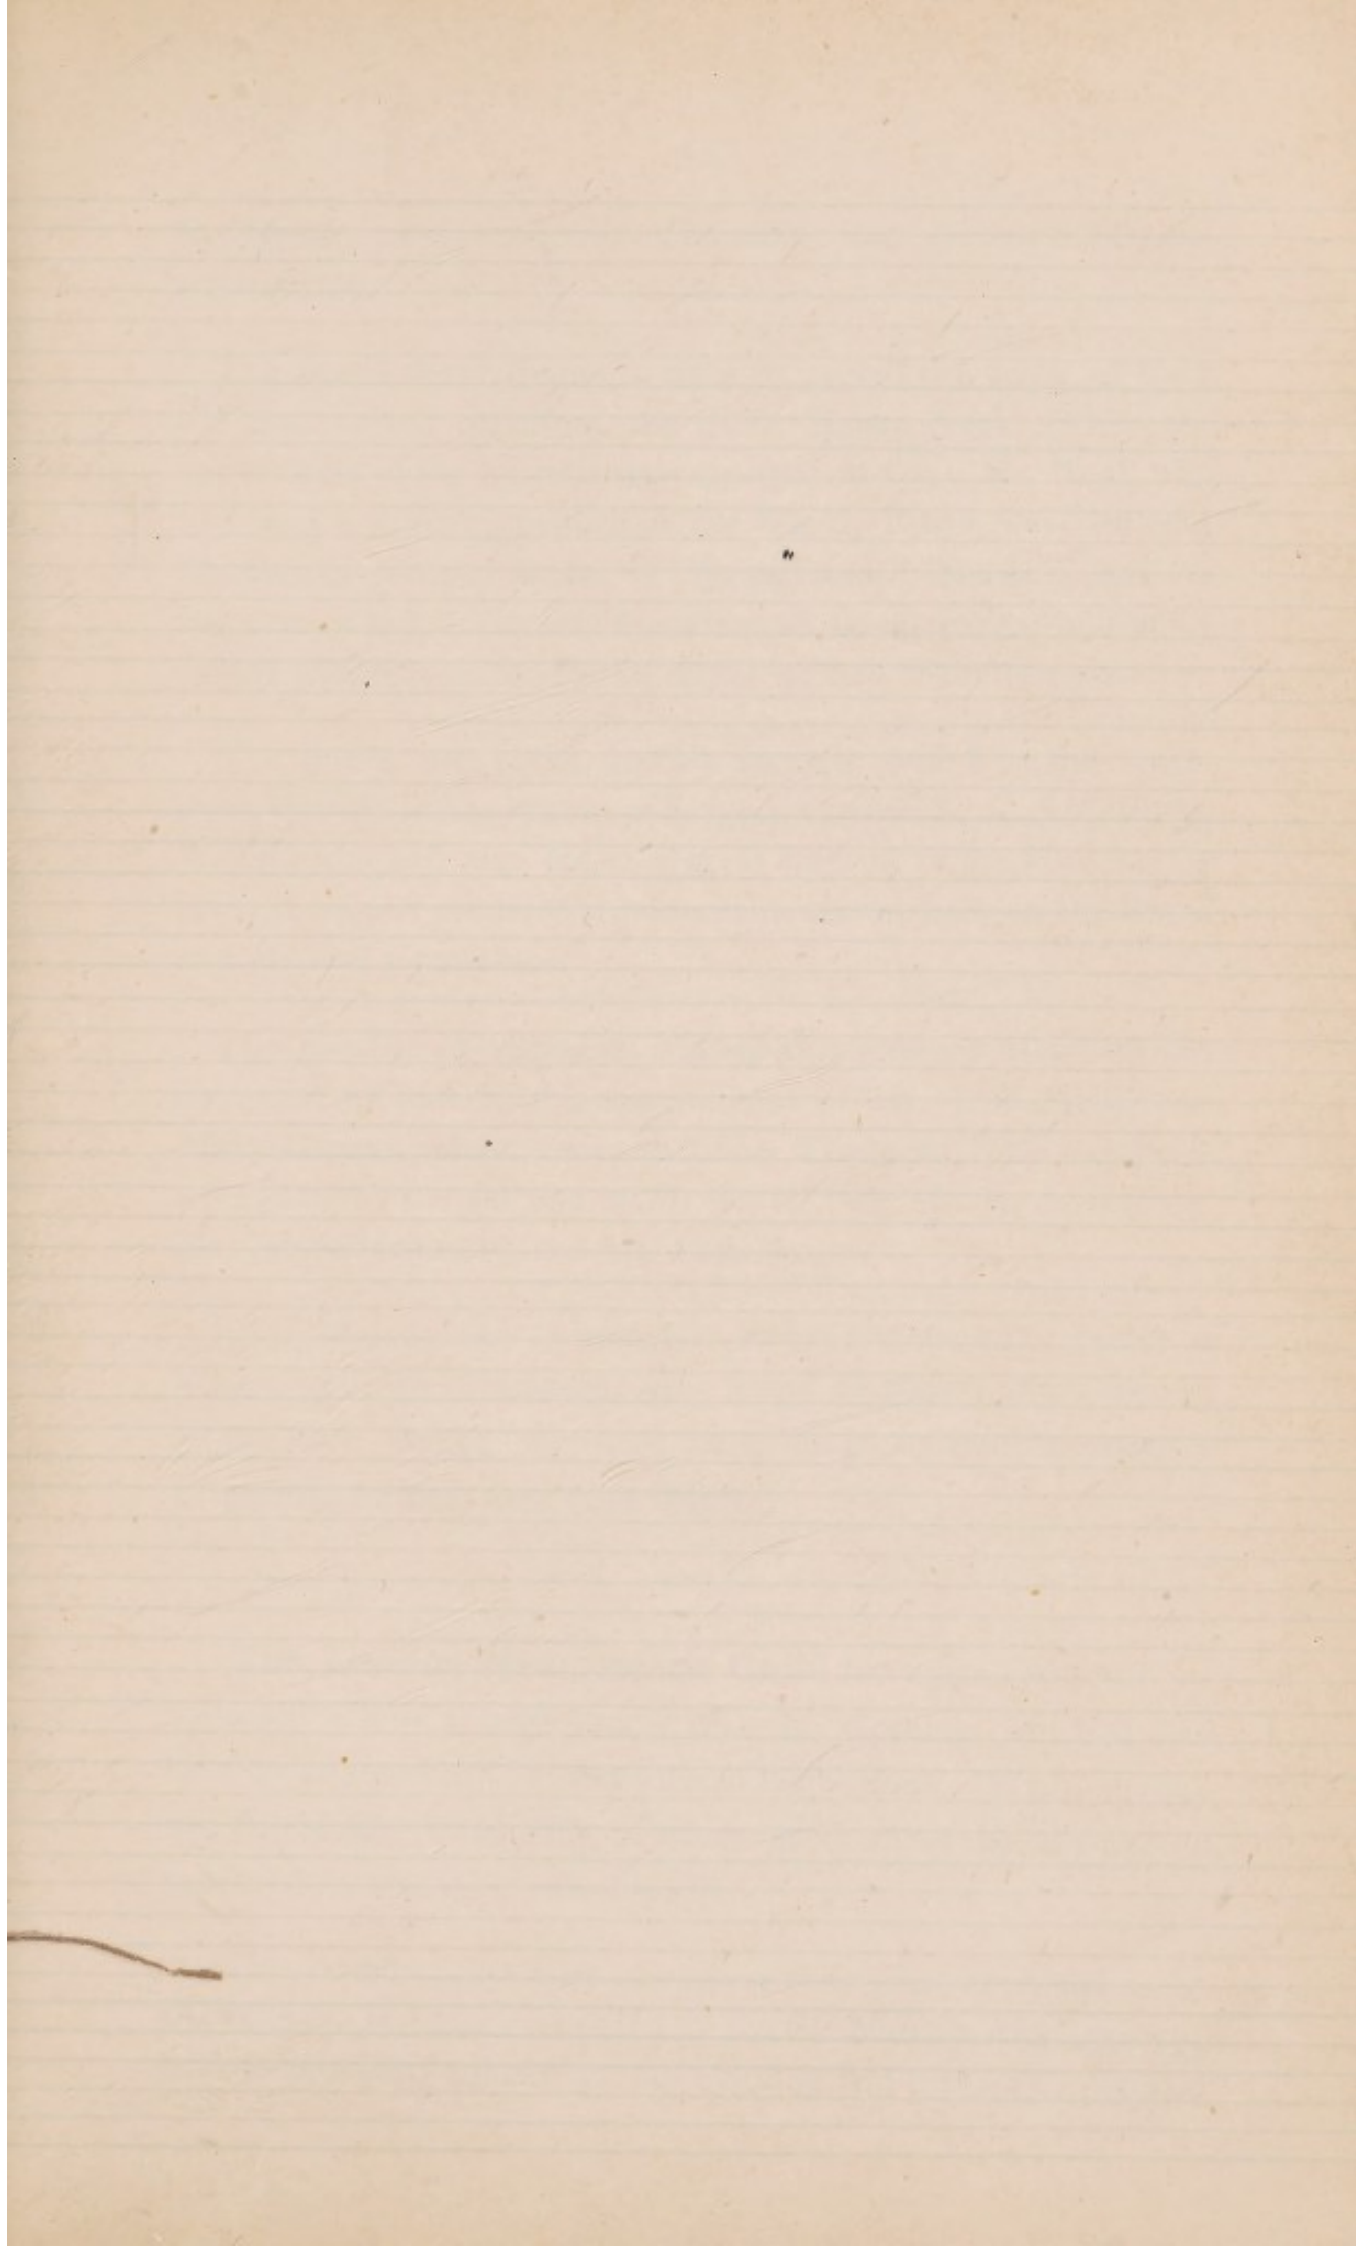

The Seventh Annual Ball in aid of the Extension Fund took place in December, the proceeds amounting to £112, which brought the total sum added to the Extension Fund by this means to £1,235. The Board desire again to thank Lady Broadbent and the ladies associated with her for their continued exertions for the benefit of this Fund.

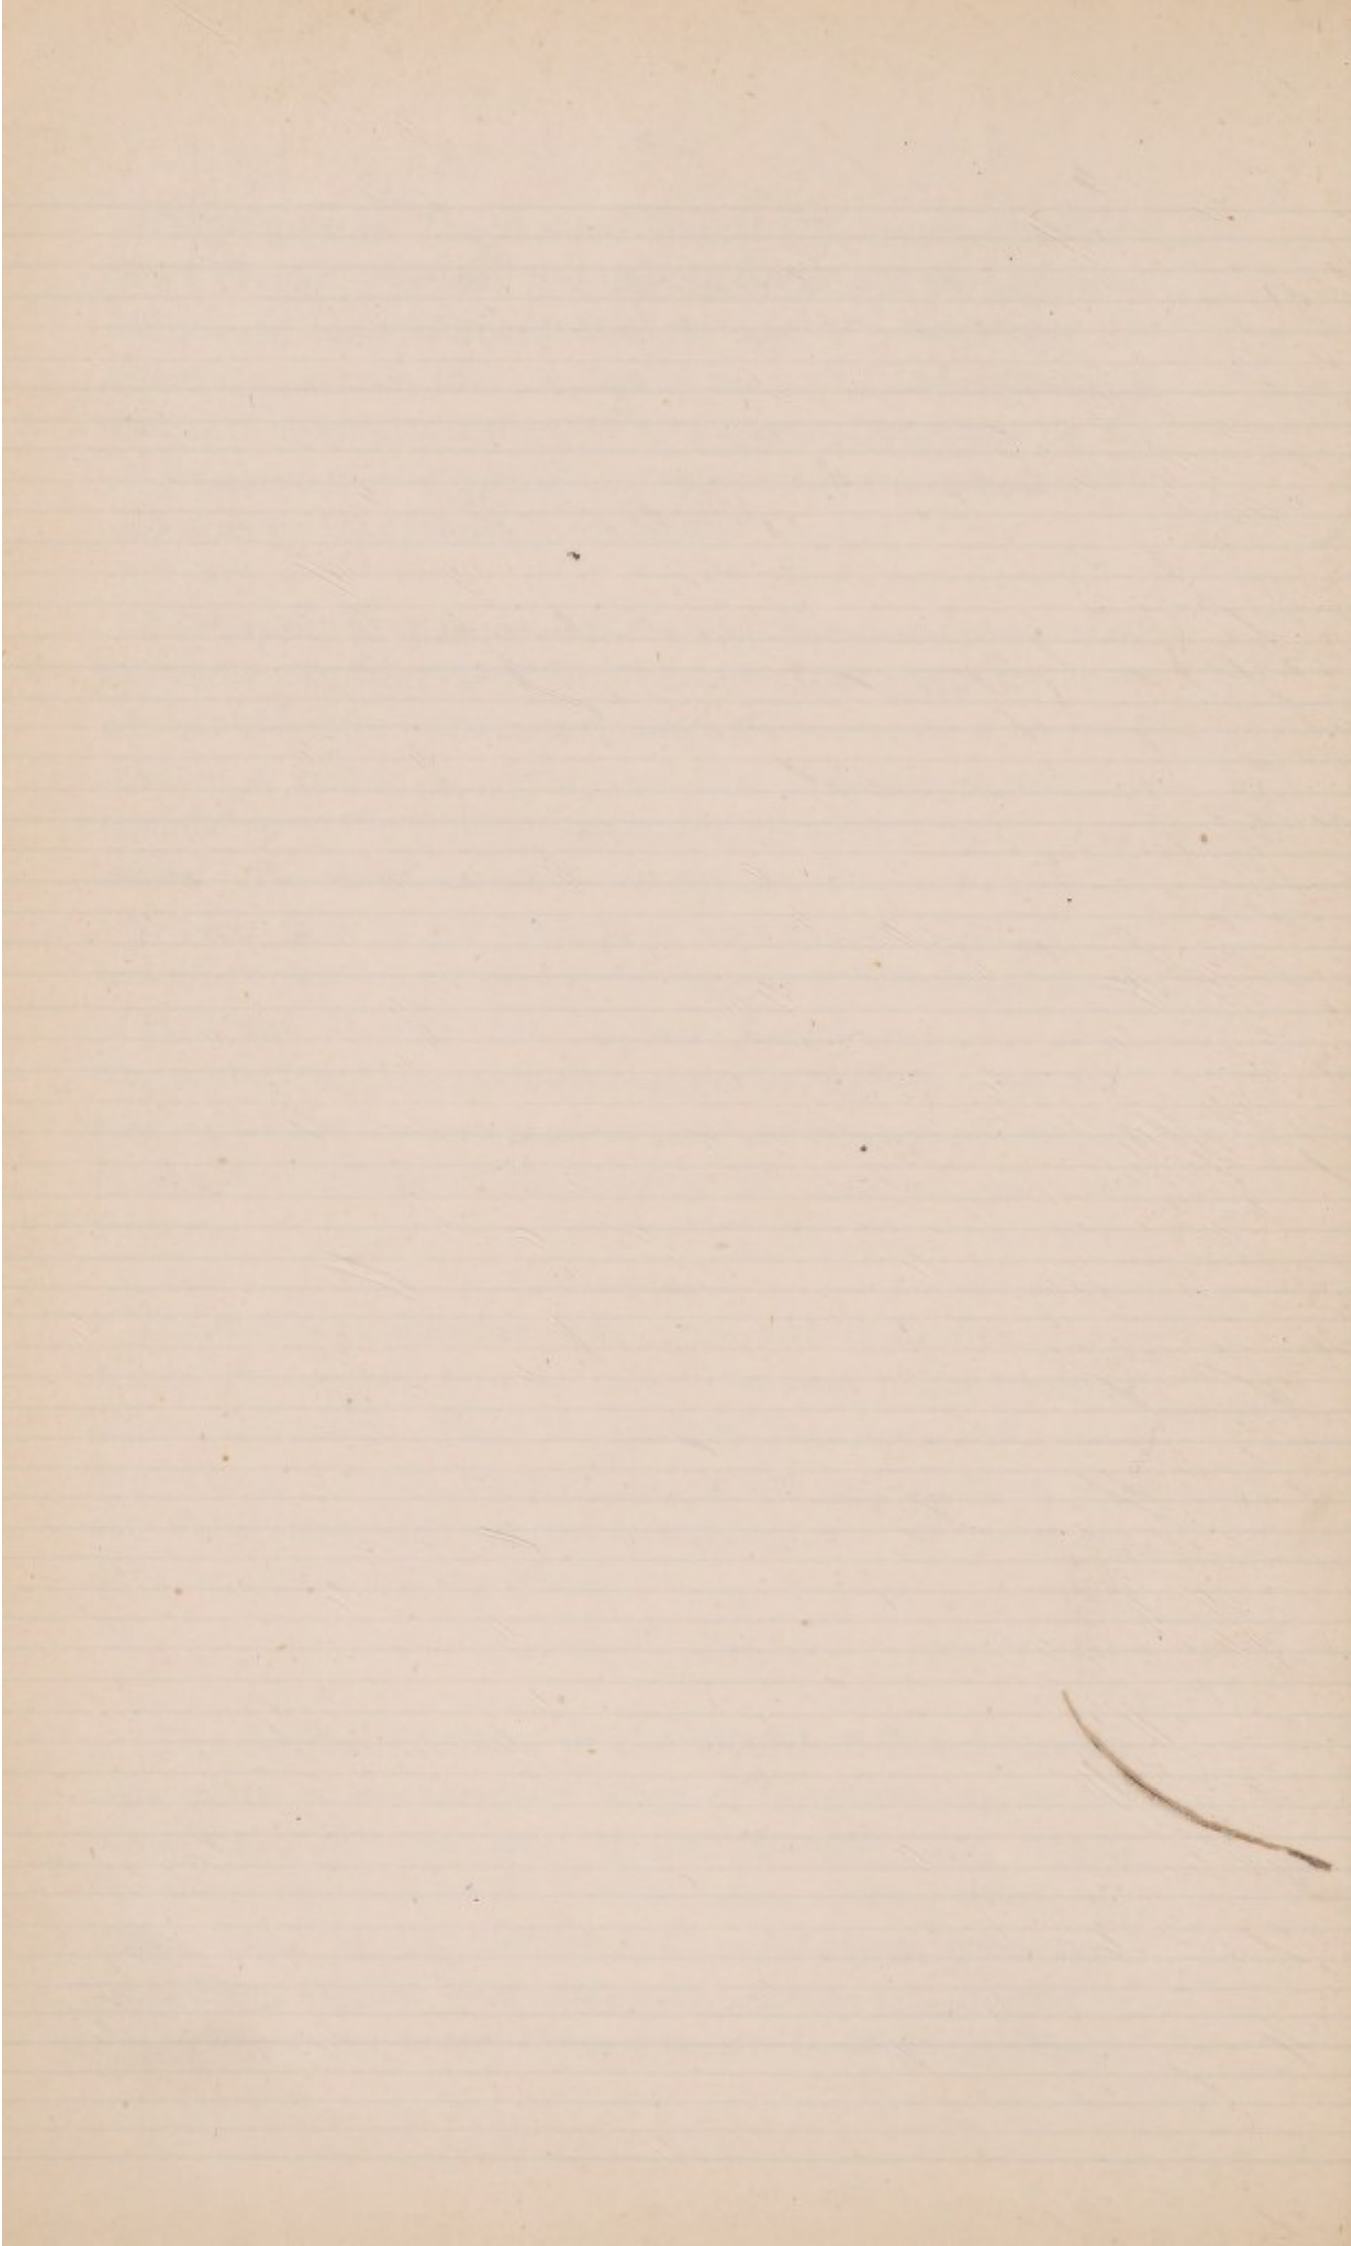

Out-Patients.—In the last Report the Board announced that a Casualty Physician had been appointed for the purpose of eliminating cases of trivial ailments, and of distributing the others more equally over the days of the week; and an Enquiry Officer to investigate and report to a special Committee on the pecuniary position of persons applying for free Out-Patient relief, with a view to the prevention of abuse.

The Board beg to report that the enquiries have been carried out under the direction of the Committee throughout the year, and out of 12,562 Medical and Surgical Cases 1,069 have been selected as calling for enquiry, and have been investigated and reported on by the Enquiry Officer, and considered by the Committee. The result has been that 335 out of a total 12,562, or rather less than $2\frac{3}{4}$ per cent., have been deemed unsuitable; a fact which clearly demonstrates that the Out-Patients' Department of St. Mary's Hospital has not been abused on a large scale. The work of the Enquiry Officer has been satisfactorily conducted; and every effort has been made to carry out the enquiries without hurting the feelings of the subjects of them, or provoking friction.

The attempt to eliminate trivial cases and to distribute those suitable more equally over the days of the week has encountered greater difficulties. Twice the Casualty Physician's Rules have been changed during the year, and in the form in which they now stand they have not had a sufficient trial to enable the Board to judge of their efficacy.

The Annual Election of the Board of Management took place at the Quarterly Board of Governors in June, in accordance with the laws of the Hospital. The retiring Members were :—Mr. W. Austen Leigh, Colonel Blair, Mr. Charles Bird, Mr. E. Macrory, Q.C., and Colonel Bannerman, who, being eligible, were re-elected. At the first meeting of the newly-elected Board, Colonel Stanley G. Bird, and Mr. J.

R. Mellor, were re-elected Chairman and Deputy-Chairman respectively.

The Board deeply regret to have to record the death of their old and valued colleague, the Hon. Henry Noel. When the constitution of the hospital was changed in 1891, Mr. Noel, who had been a regular attendant at the Weekly Board, was elected a Member of the new Board of Management. He was, until the last year or two, a frequent attendant at its meetings, and never ceased to take a warm interest in the welfare of the Hospital.

The Board also regret another vacancy caused by the retirement, through failing health, of Surgeon-General Sir C. A. Gordon, K.C.B., who had also taken a great interest in the Hospital for many years, and rendered it honourable service both on the Board and Medical Committee.

The number of vacancies among the ordinary Members was increased to four by the appointment of Mr. J. R. Mellor and Major-General Shaw Stewart to be Trustees. The vacancies were filled by the election of Mr. R. H. Foà, Mr. H. A. Harben, Mr. James Hennessy, and Mr. Paris Singer.

Her Majesty the Queen, His Royal Highness the Prince of Wales, and the President, His Royal Highness the Duke of York, have, during the year, made most acceptable presents of **game, books, and cast linen.**

The London Needlework Guild has again continued its welcome gift of a large parcel of warm clothing, which it has now contributed at Christmas for so many years. Warm thanks are due to Mrs. Basil Ellis, to whose good offices the Hospital is indebted for this most valuable gift.

The Board again desire to express their great appreciation of the valuable assistance rendered by the **St. Mary's Aid Society**, both in providing suitable gifts of clothing and toys for Christmas,

and in supplying the wards from time to time with flannel jackets, shirts, slippers, games, plants, &c. They feel that most grateful thanks are due to Mrs. Russell-Cooke, the Founder and Hon. Secretary of the Society, and to the ladies co-operating with her in this admirable work.

The Flannel Shirt Club, of which the Countess of Strafford is President, has been formed to provide and distribute systematically men's flannel shirts to patients on leaving Hospitals in London. The Board thank the Club sincerely for the supply kindly sent to this Hospital, and desire to express their appreciation of the humane work in which its Members are engaged.

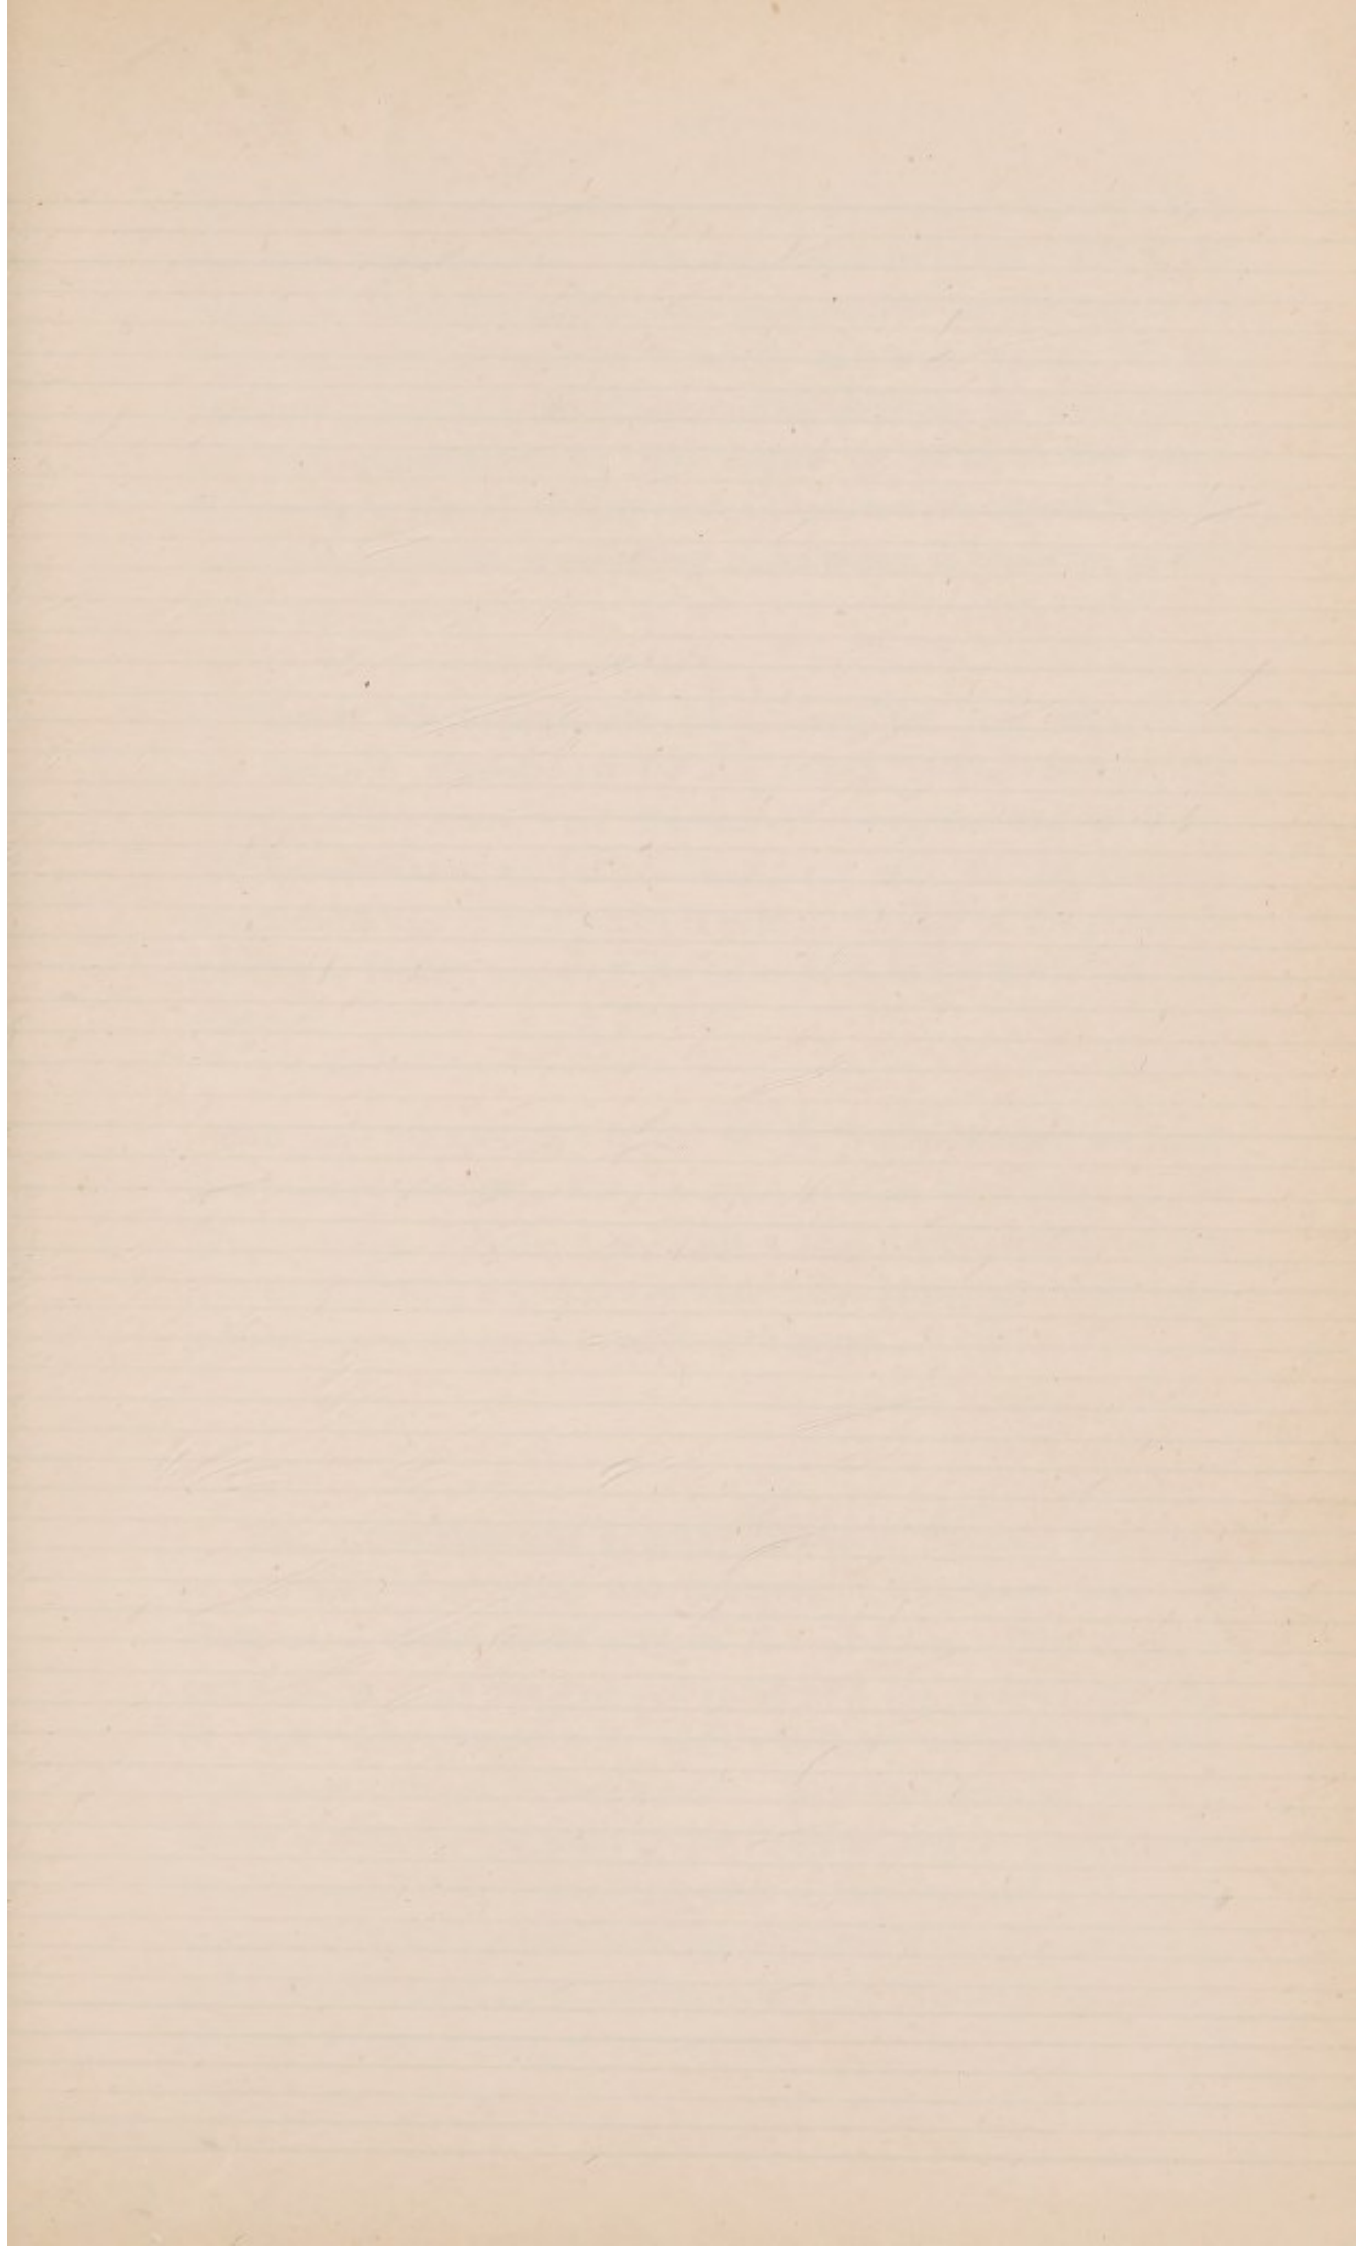

The Ladies of the Flower Mission have continued their efforts to cheer the patients in the Hospital by visiting and singing to them, and by contributing flowers to brighten the wards. This kindness the Board acknowledge with gratitude.

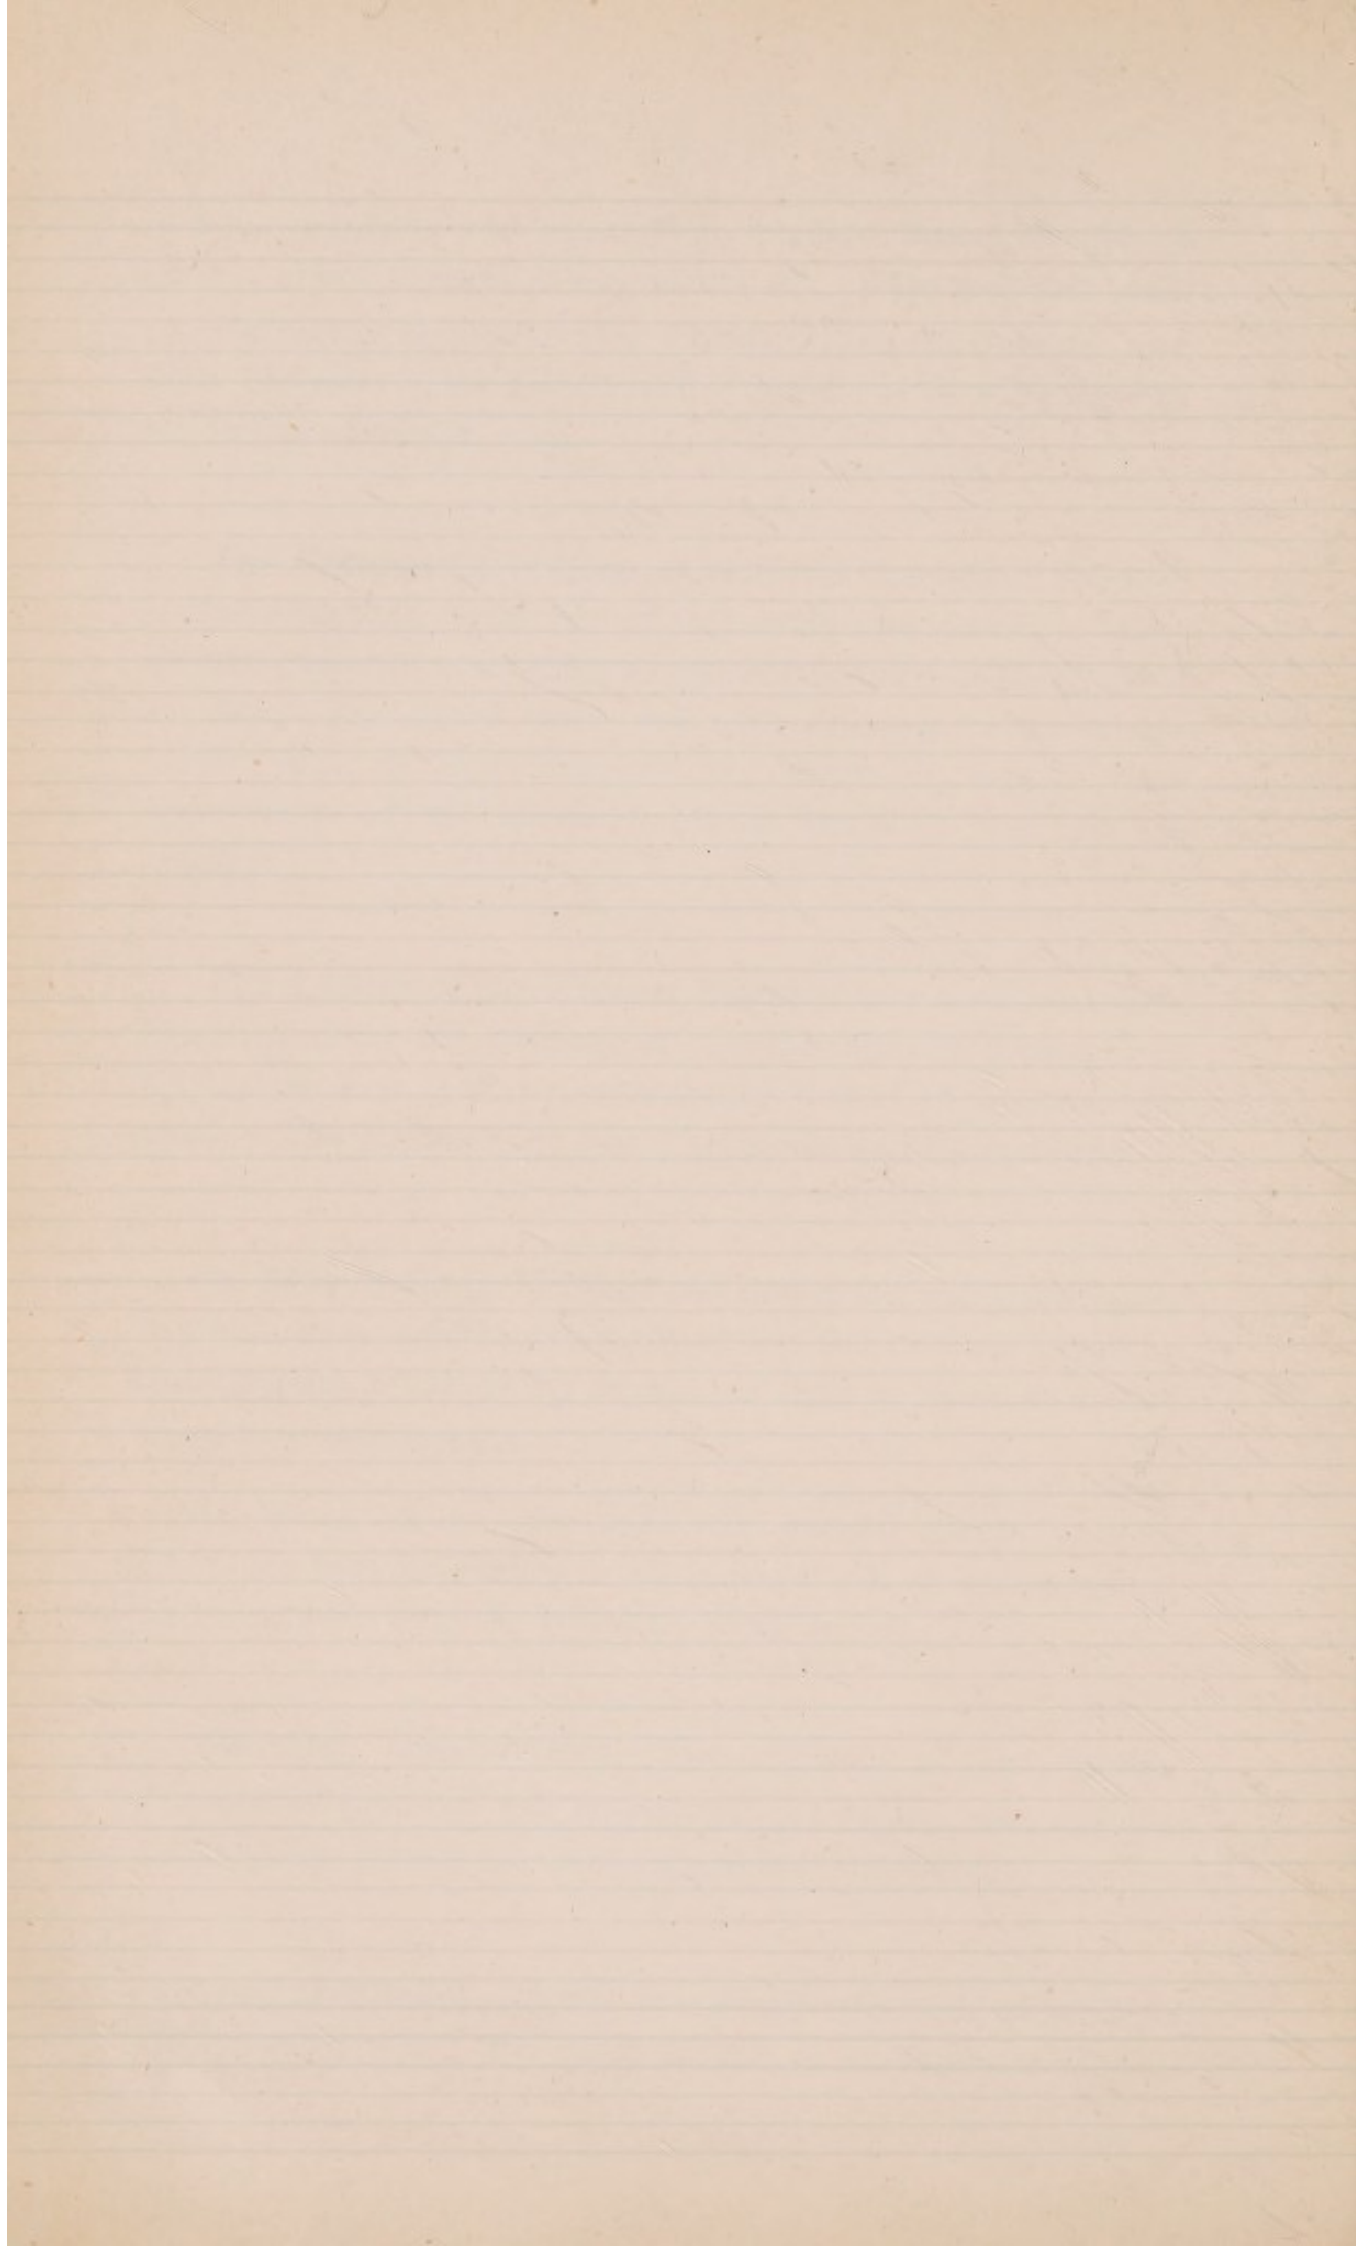

St. Mary's Soup Kitchen has during the year done much to alleviate the sufferings of many of the Out-Patients attending the Hospital, by supplying nourishing food to them at a time when they need it most.

The Board beg to offer their very grateful thanks to Miss C. M. Macleod for sending a most useful gift of underclothing for the patients from the Hospitals Work Society.

Nursing Department.—The efficiency of the Nursing Department has been well maintained during the year, and the health of the Nurses has on the whole been excellent.

Medical School.—Again the Board refer with pleasure to the progress which the Medical School continues to make.

Many high distinctions were gained by its students during 1898, the more important of which may be mentioned. The Gold Medal in Medicine at the final examination for the degree of M.D. at the University of London, was won by Mr. R. W. Dodgson ; and the Gold Medal and Scholarship in Medicine in the final examination for the degree of M.B. at the same University by Mr. H. G. Lawrence. These are the highest honours obtainable in the most searching examination in medicine in this country.

Those of our Students who have during the year engaged in the entrance competitions for the Indian Medical Service, the Navy, and the Army, have all obtained places, and one of them, Mr. Brown-Mason, gained the first place both in the entrance competition and in that which is held at the end of the period of training at Netley, and took the prize given to the holder of that position.

Nor have the successes of St. Mary's Students been confined to scholastic pursuits. For the third year in succession in the Inter-Hospital Athletic Competition they have carried off the Challenge Shield, which is awarded to the Hospital whose representatives win the greatest number of prizes.

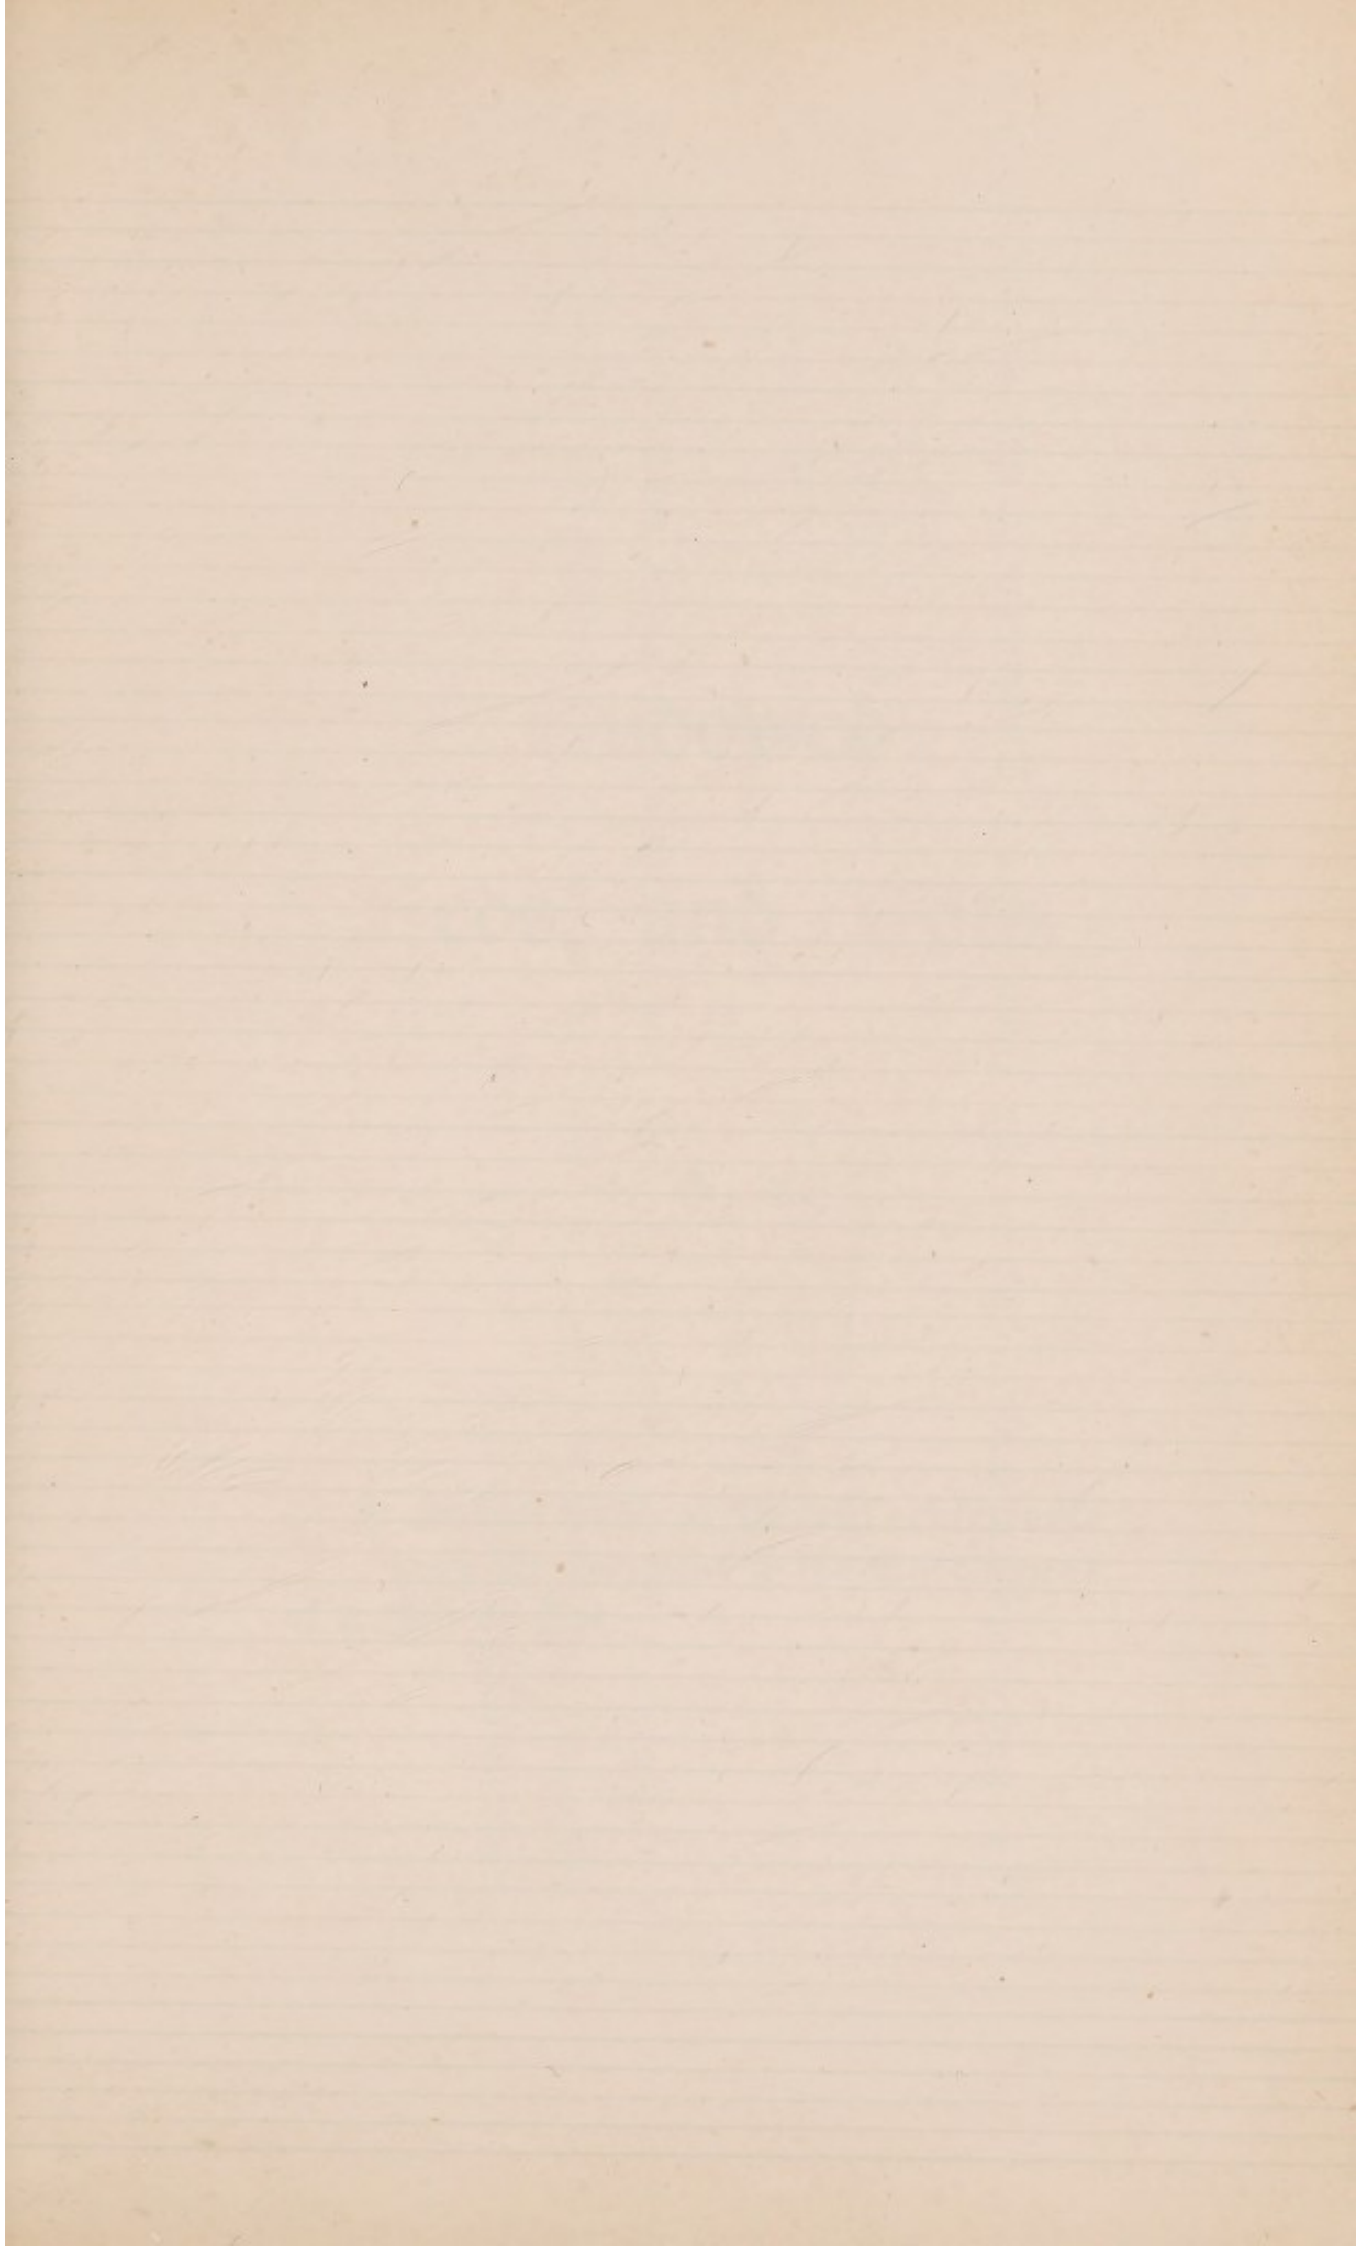

The Convalescent Home, Parkwood, Swanley, continues to provide for many of our patients, on discharge from the Hospital, a three weeks' stay in the country. The number benefited in 1898 was 239, compared with 195 in 1896, and 183 in 1895. Comparison with 1897 would be misleading, as the Hospital was closed for two months. It is thus manifest that the Home is of increasing value to the Hospital, and the Board desire to accompany their acknowledgment of that fact with a renewed expression of their gratitude to the Trustees of the Home for the great benefit they have conferred on this Hospital by placing 20 beds, free of charge, at its disposal.

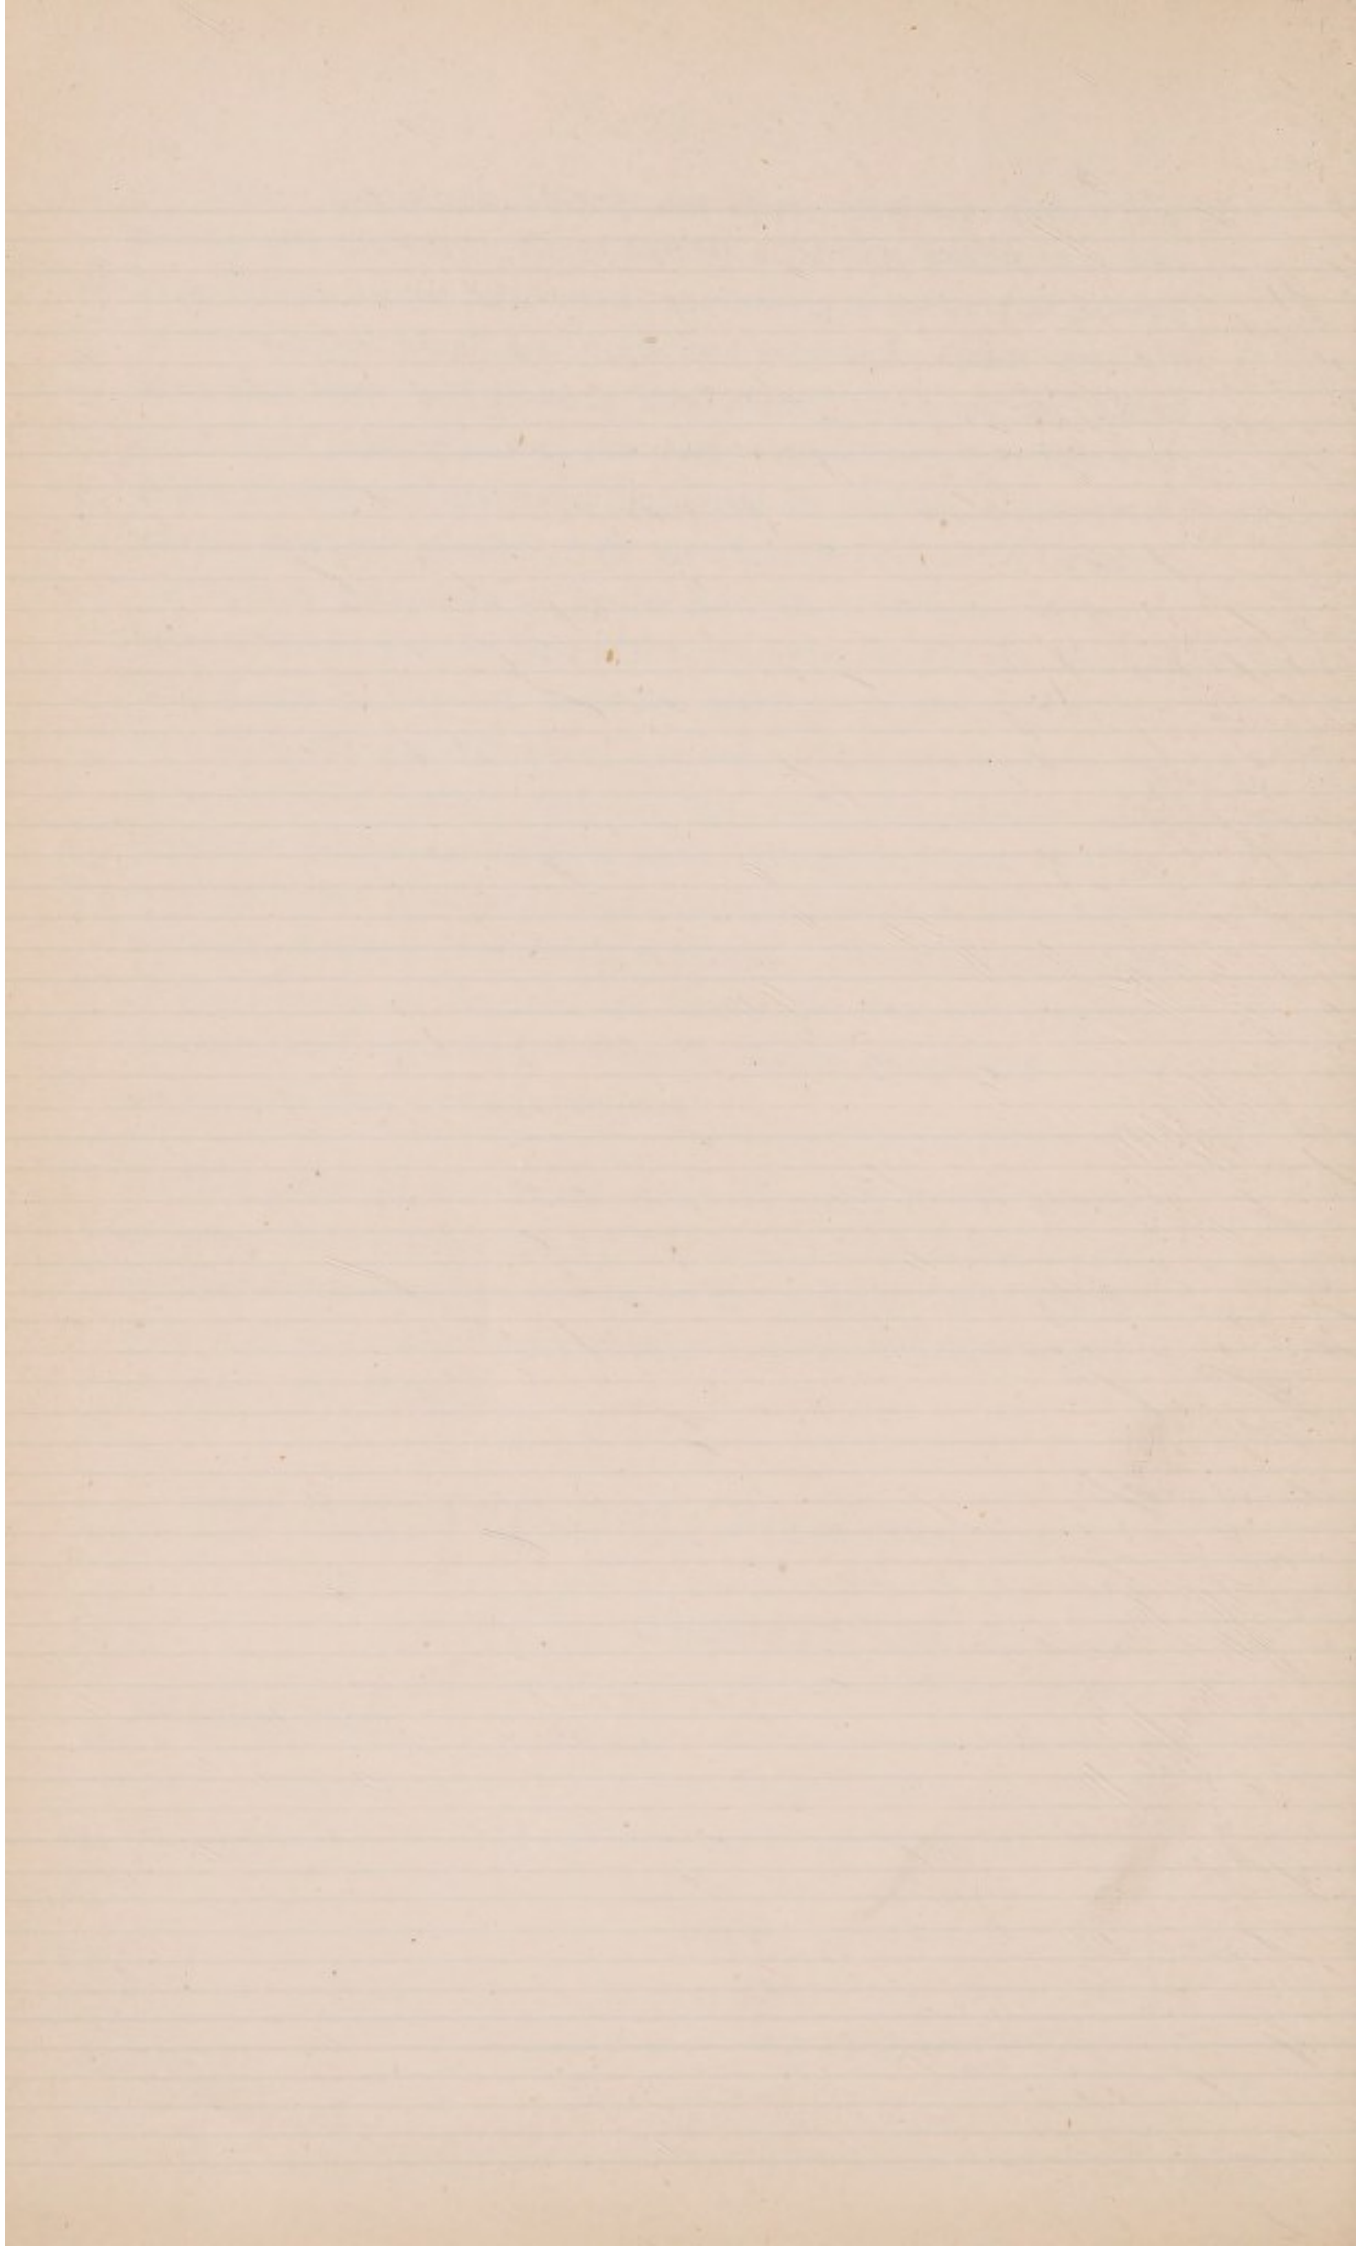

The Chaplain's Work has been regularly carried on throughout the year. Every Sunday a Service, with hymns, has been held in all the main wards, in addition to the 10 a.m. Service in the Chapel, which has been well attended. Short Services have also been held in each ward during the week, and there have been celebrations of the Holy Communion for Day and Night Nurses, at convenient times, and for patients in the wards when it has been possible. At the Harvest Festival in October, the Sermon was preached by the Rev. M. A. Neligan, M.A. A Special Service was also held at the commencement of the Medical School year in October, when the Sermon was preached by the Venerable the Archdeacon of London. The patients have also been regularly visited, and, in this work, the Chaplain has received valuable aid from the Lady Visitors, and from Mr. Fox, licensed by the Bishop of London as Lay Reader, to all of whom the Board desire to offer their best thanks. Patients not members of the Church of England are visited by their own Spiritual Advisers, who are afforded every facility for ministering to the members of their own Communion.

In conclusion, the Board desire to testify to the constant attention and kindness which the Honorary Medical and Surgical Staff have continued to bestow on the patients during the past year, and to convey hearty thanks to them for their valuable services to the Hospital.

Signed, on behalf of the Board of Management,

THOMAS RYAN, *Secretary*.

“In giving the sum of £1,000 for a Samaritan Fund for the above Hospital, Mr. Sturge gives it on the conditions that this Fund shall be kept entirely separate from the General Funds of the Hospital, and that the income shall be paid to, or applied for such In-Patients as may be necessitous, and within three months from their discharge from the Hospital, and for the purpose of their having necessary nourishment, clothing, or change of air.

“Mr. Sturge hopes that this Fund may be made known and that others may be induced to subscribe to it.”

M. MITCHELL BIRD, M.D.,

Medical Superintendent.

EXTRACTS FROM THE LAWS AND REGULATIONS.

EXTENT AND OBJECTS OF THE INSTITUTION.

1. The Hospital contains 281 beds allotted as follows :—

General Medical Cases	... 93	*Ophthalmic Cases	 8
General Surgical „	... 46	Skin Cases, 4 ; Aural Cases,	
*Accidents „	... 67	4 ; Dental Cases, 3	... 11
*Children, Medical „	... 18	*Isolation Cases	 10
*Children, Surgical „	... 16		—
*Obstetric „	... 12		281

Special Wards are provided for those cases marked with an asterisk.

2. All classes of disease are received, with the exception of confirmed consumption, infectious diseases other than typhoid fever, delirium tremens, itch, incurable diseases, chronic ulcerated legs, and cases capable of receiving equal benefit as Out-patients. It must, however, be borne in mind, that “no person capable of paying for medical attendance is admissible as a patient.”§

GOVERNMENT AND MANAGEMENT.

The mode of Government is by a Board of Management, meeting fortnightly, and consisting of the President, Vice-Presidents, Trustees, and Treasurers, together with twenty-five Governors elected annually, of whom eight are Members of the Medical and Surgical Staff or Lecturers in the Medical School; and by Standing Committees appointed by the Board of Management. The acts of the Board of Management and of the Standing Committees are subject to the control of the Quarterly and Special Boards, which are open to all Governors.

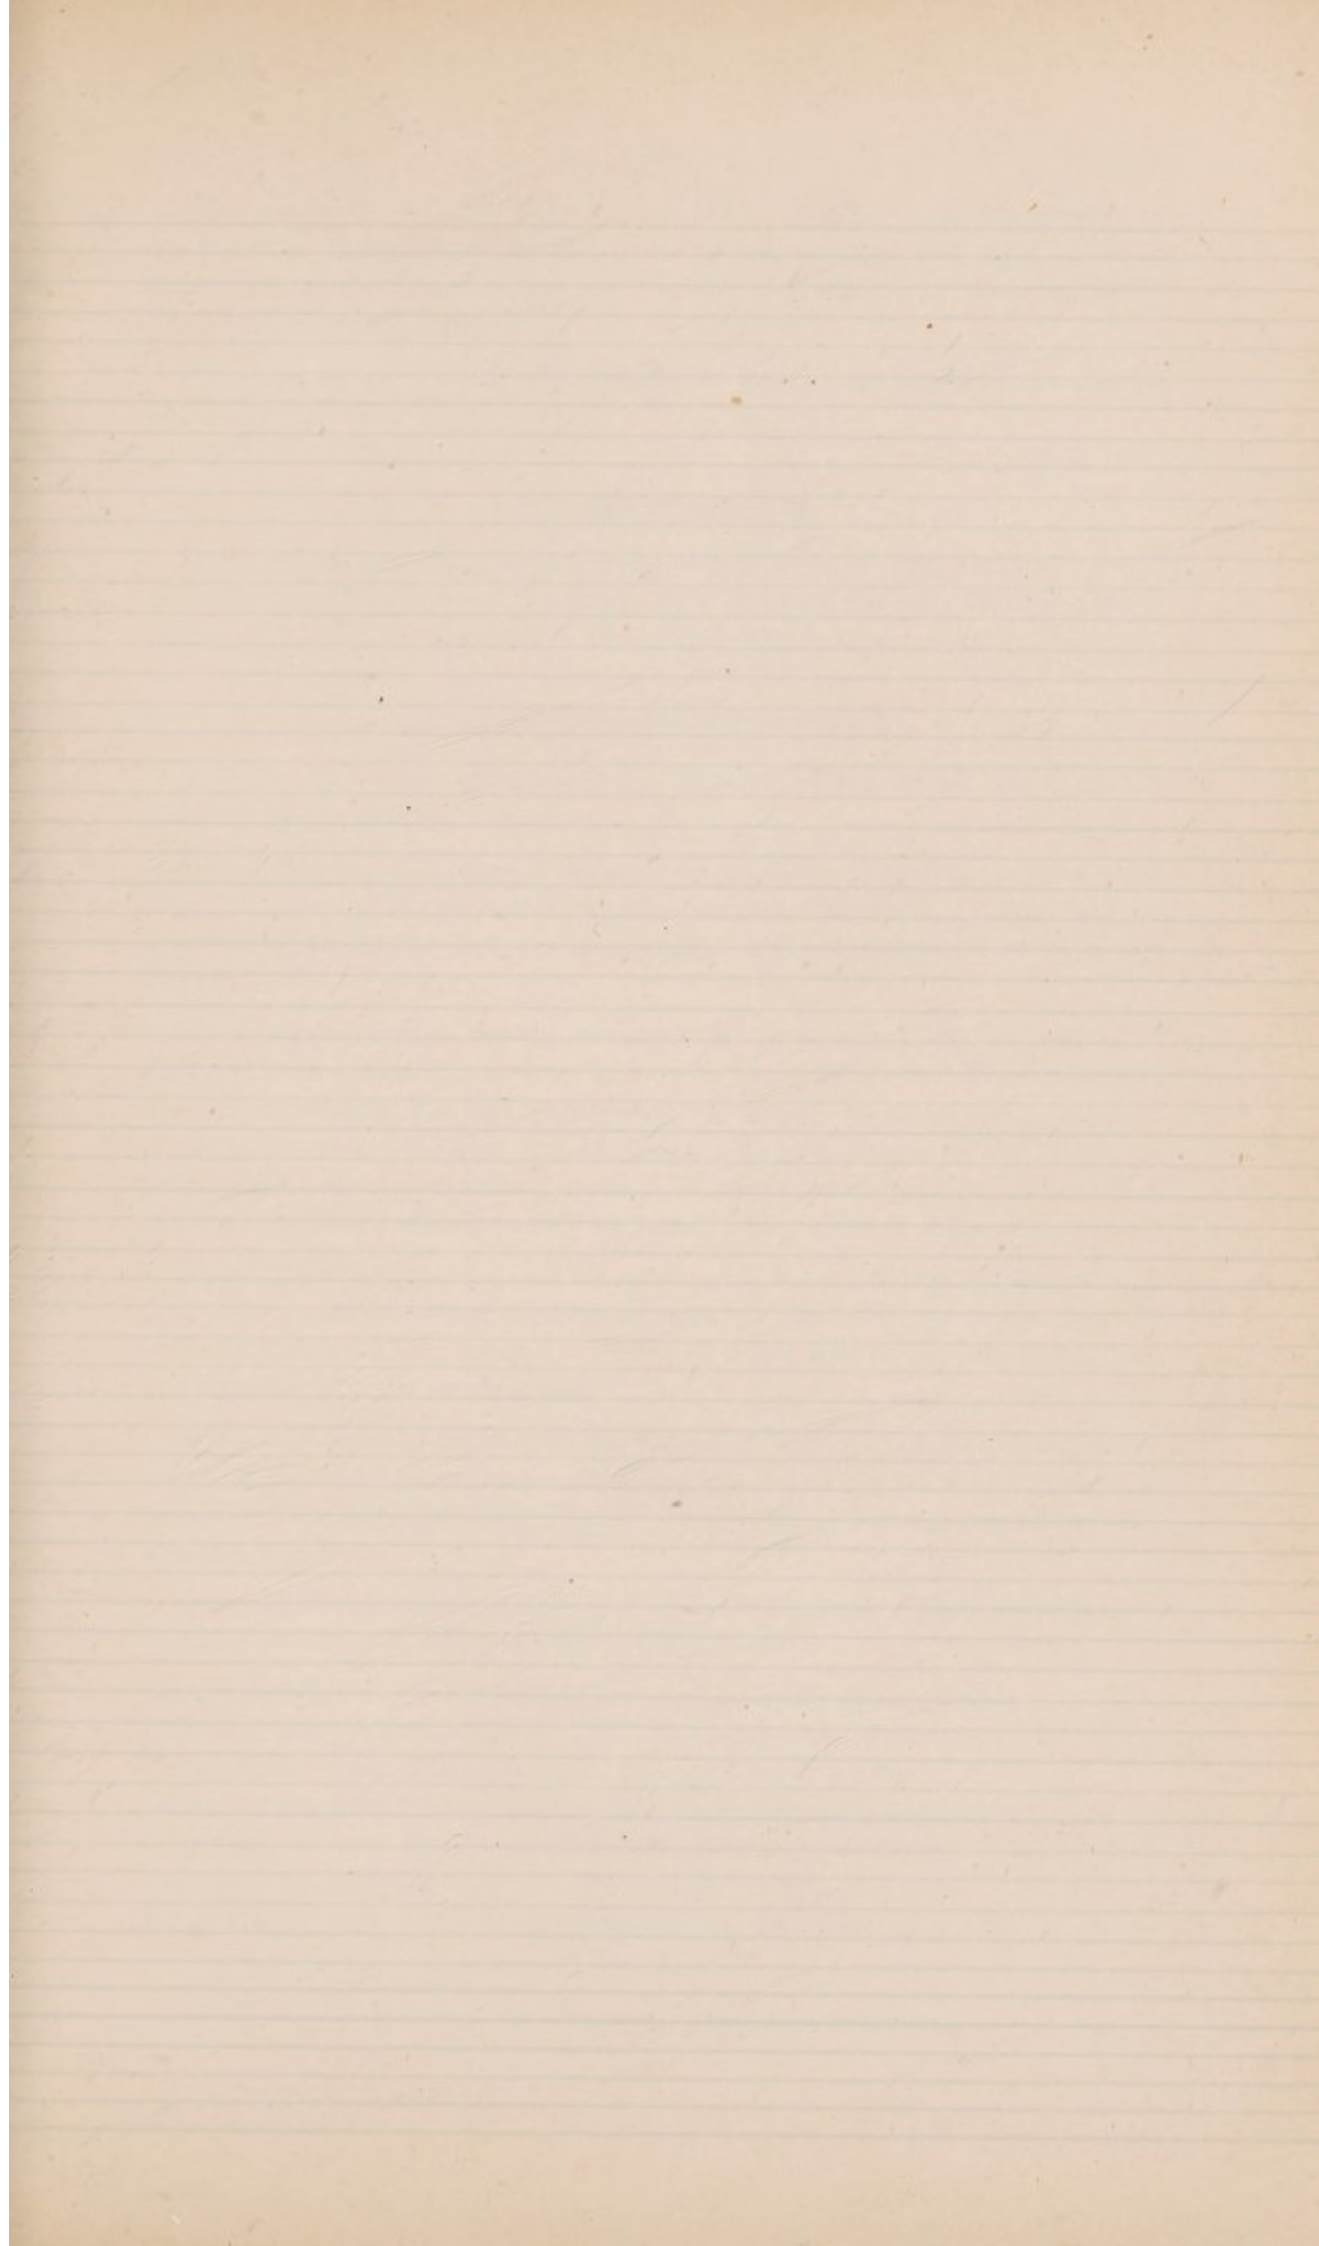

QUALIFICATIONS AND PRIVILEGES OF SUBSCRIBERS.

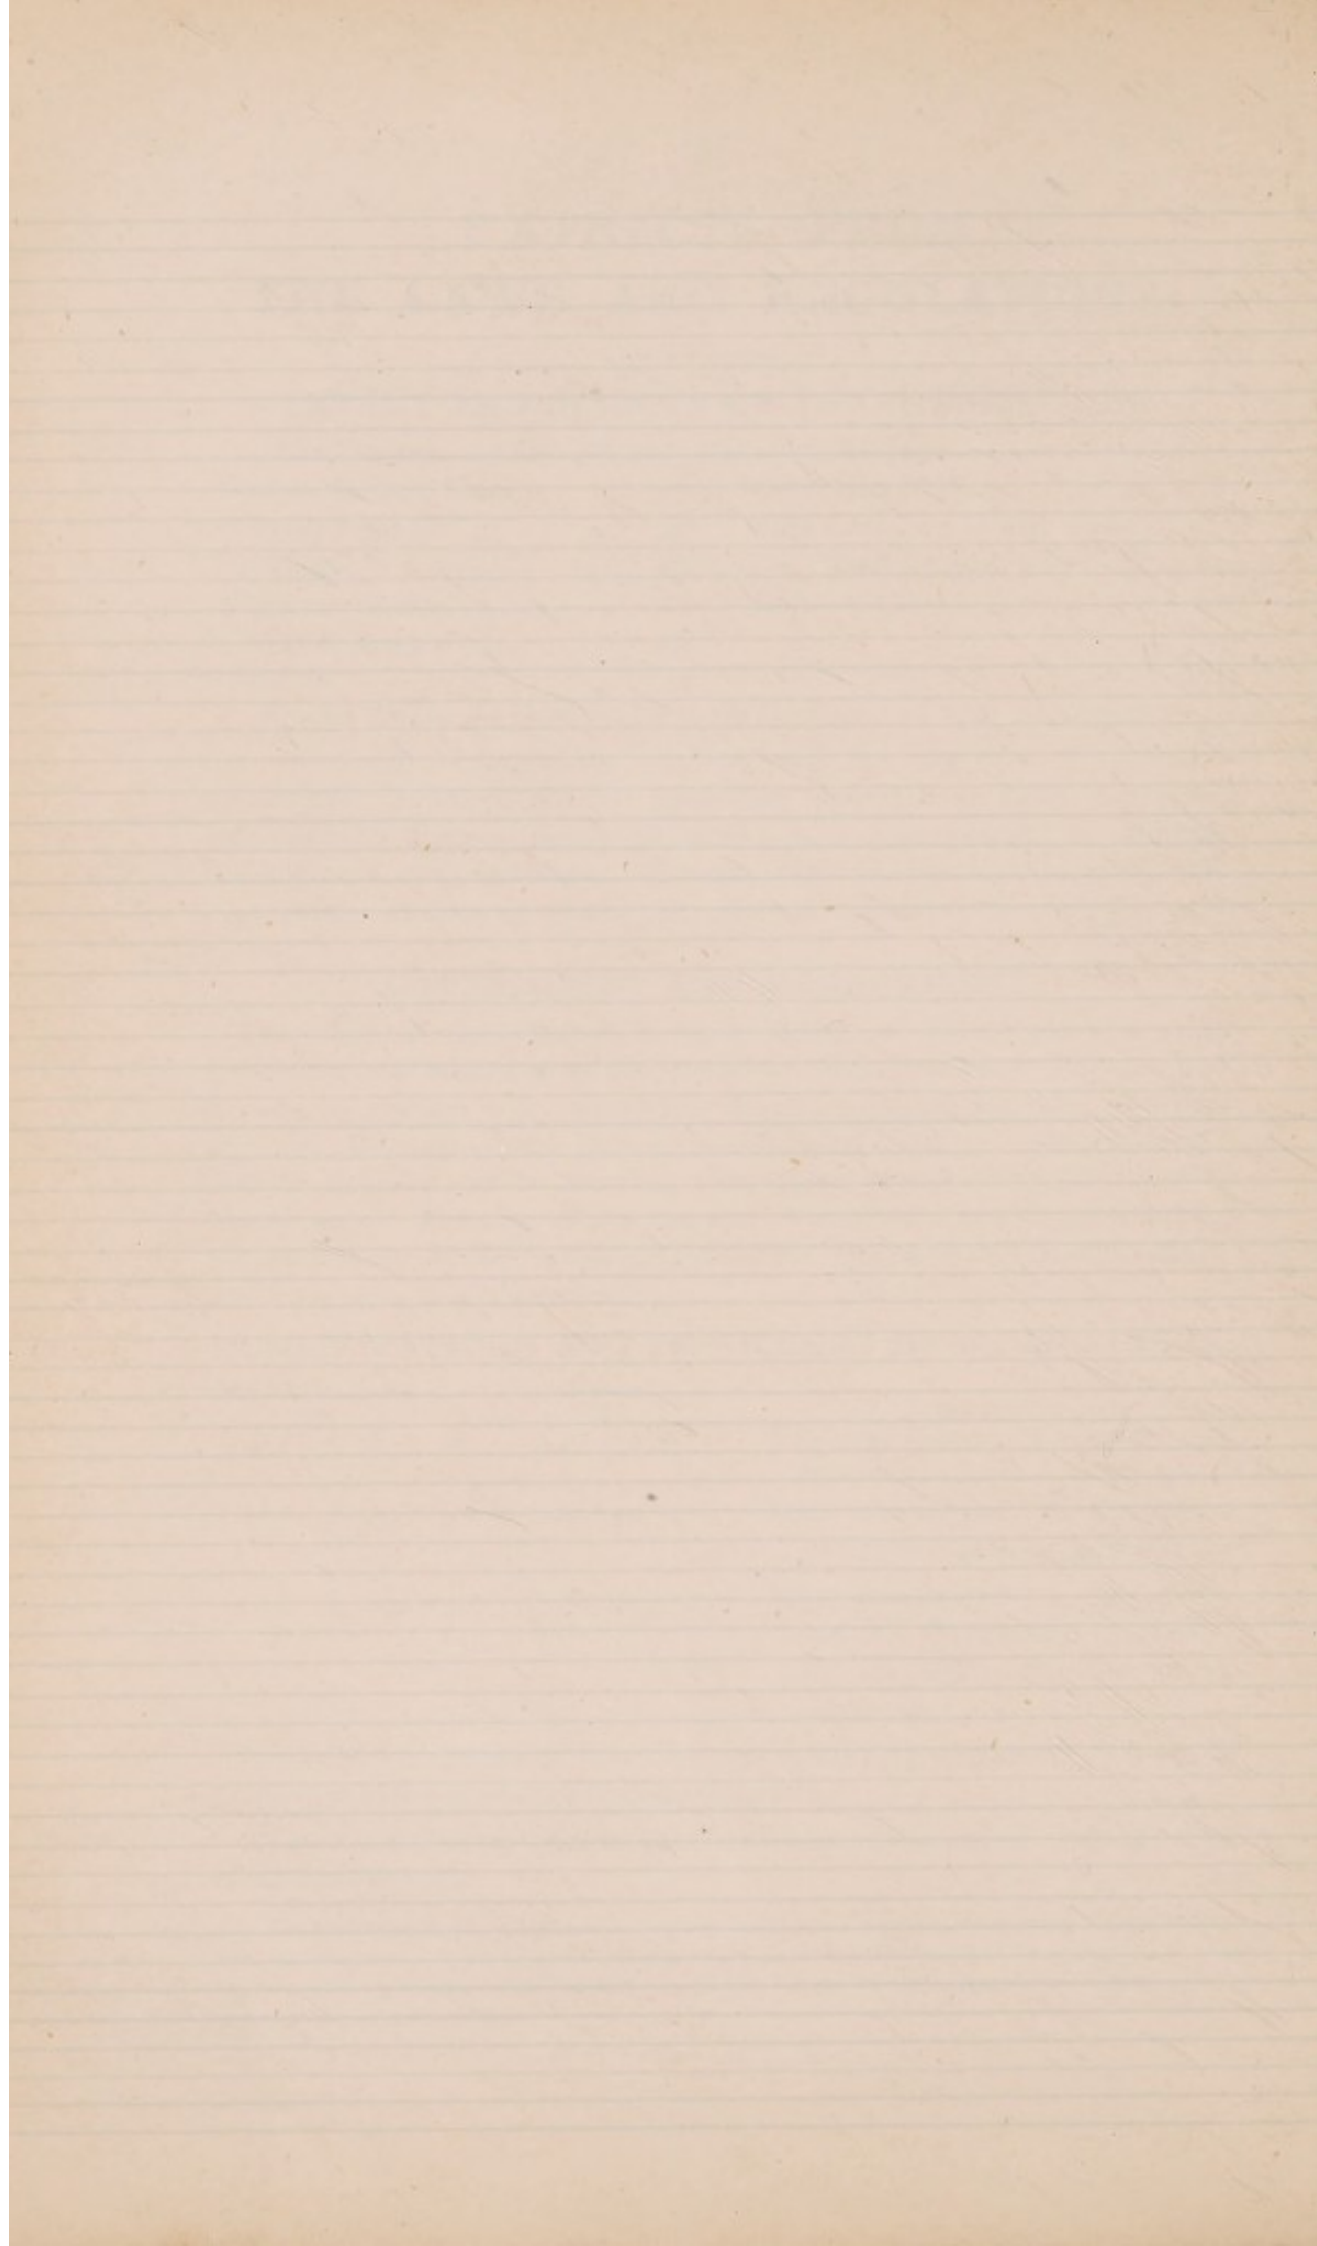

Ann. Subscribers of	Donors of	Privileges.
£1 1 0 or	£10 10 0	May recommend 6 Out-patients annually.
2 2 0 „	21 0 0	May recommend 2 In-patients and 12 Out-patients annually.
3 3 0 „	31 10 0	May recommend 3 In-patients and 18 Out-patients annually, and are eligible for Election as Governors.

Subscribers of greater or less sums are entitled to recommend Patients in proportion to the amount of their subscriptions.

Annual subscriptions must be paid in advance, commencing from the date of the first payment.

§ The attention of Subscribers is earnestly called to this point, there being reason to fear that persons obtain relief whose position and means should forbid their doing so at the expense of a charity. Due caution in giving letters of recommendation would go towards checking this abuse.

Governors have also the right to inspect the Hospital under regulations by the Board of Management, so that they do not exercise that right so as to inconvenience the Chaplain or any Minister of Religion, or the Medical or other officers, or the Patients.

Executors of any considerable benefactor by will are eligible to be elected Honorary Life Governors.

THE MATERNITY.

Annual Subscribers of One Guinea, or *Donors* of Ten Guineas to the MATERNITY FUND, may recommend three Patients annually *to that department*; and so on in proportion to the amount of the subscription.

ADMISSION OF PATIENTS.

Accidents and cases of *urgency* are admitted FREE at all times, on the approval of the Medical Officers.

Persons holding In-patients' letters and desiring admission, must present their letters at the Hospital at 1 o'clock (Sundays excepted). They will be admitted after examination by the Medical Superintendent, if suitable and there is room.

Much inconvenience having occurred in consequence of the arrival of Patients from a distance, without notice, it is requested that Governors and Subscribers sending Patients from places so remote as to preclude easy and cheap communication with the Hospital, will give notice to the Secretary three days before the Patient intends to apply for admission, and send a Medical Certificate stating as fully as possible the nature of the case.

When there is not room for all who apply for admission as In-patients, those whose cases are most pressing are accepted, and the others are deferred or prescribed for as Out-patients. Notice of this is sent to the Subscriber, who can then recommend another case.

All In-patients are expected to be furnished with a change of linen, soap, towel, knife, fork, spoon, and a comb and brush. They are also expected to provide for their own washing, but are not to bring tea or *any other provisions* into the Hospital.

Out-patients are attended DAILY (Sundays excepted). They must present their letters at the Hospital at the following times:—

GIFTS OF CLOTHING.

The clothing of many of our poor patients is of such a scanty and threadbare description, as to afford them but the very slightest protection against the cold and the rain.

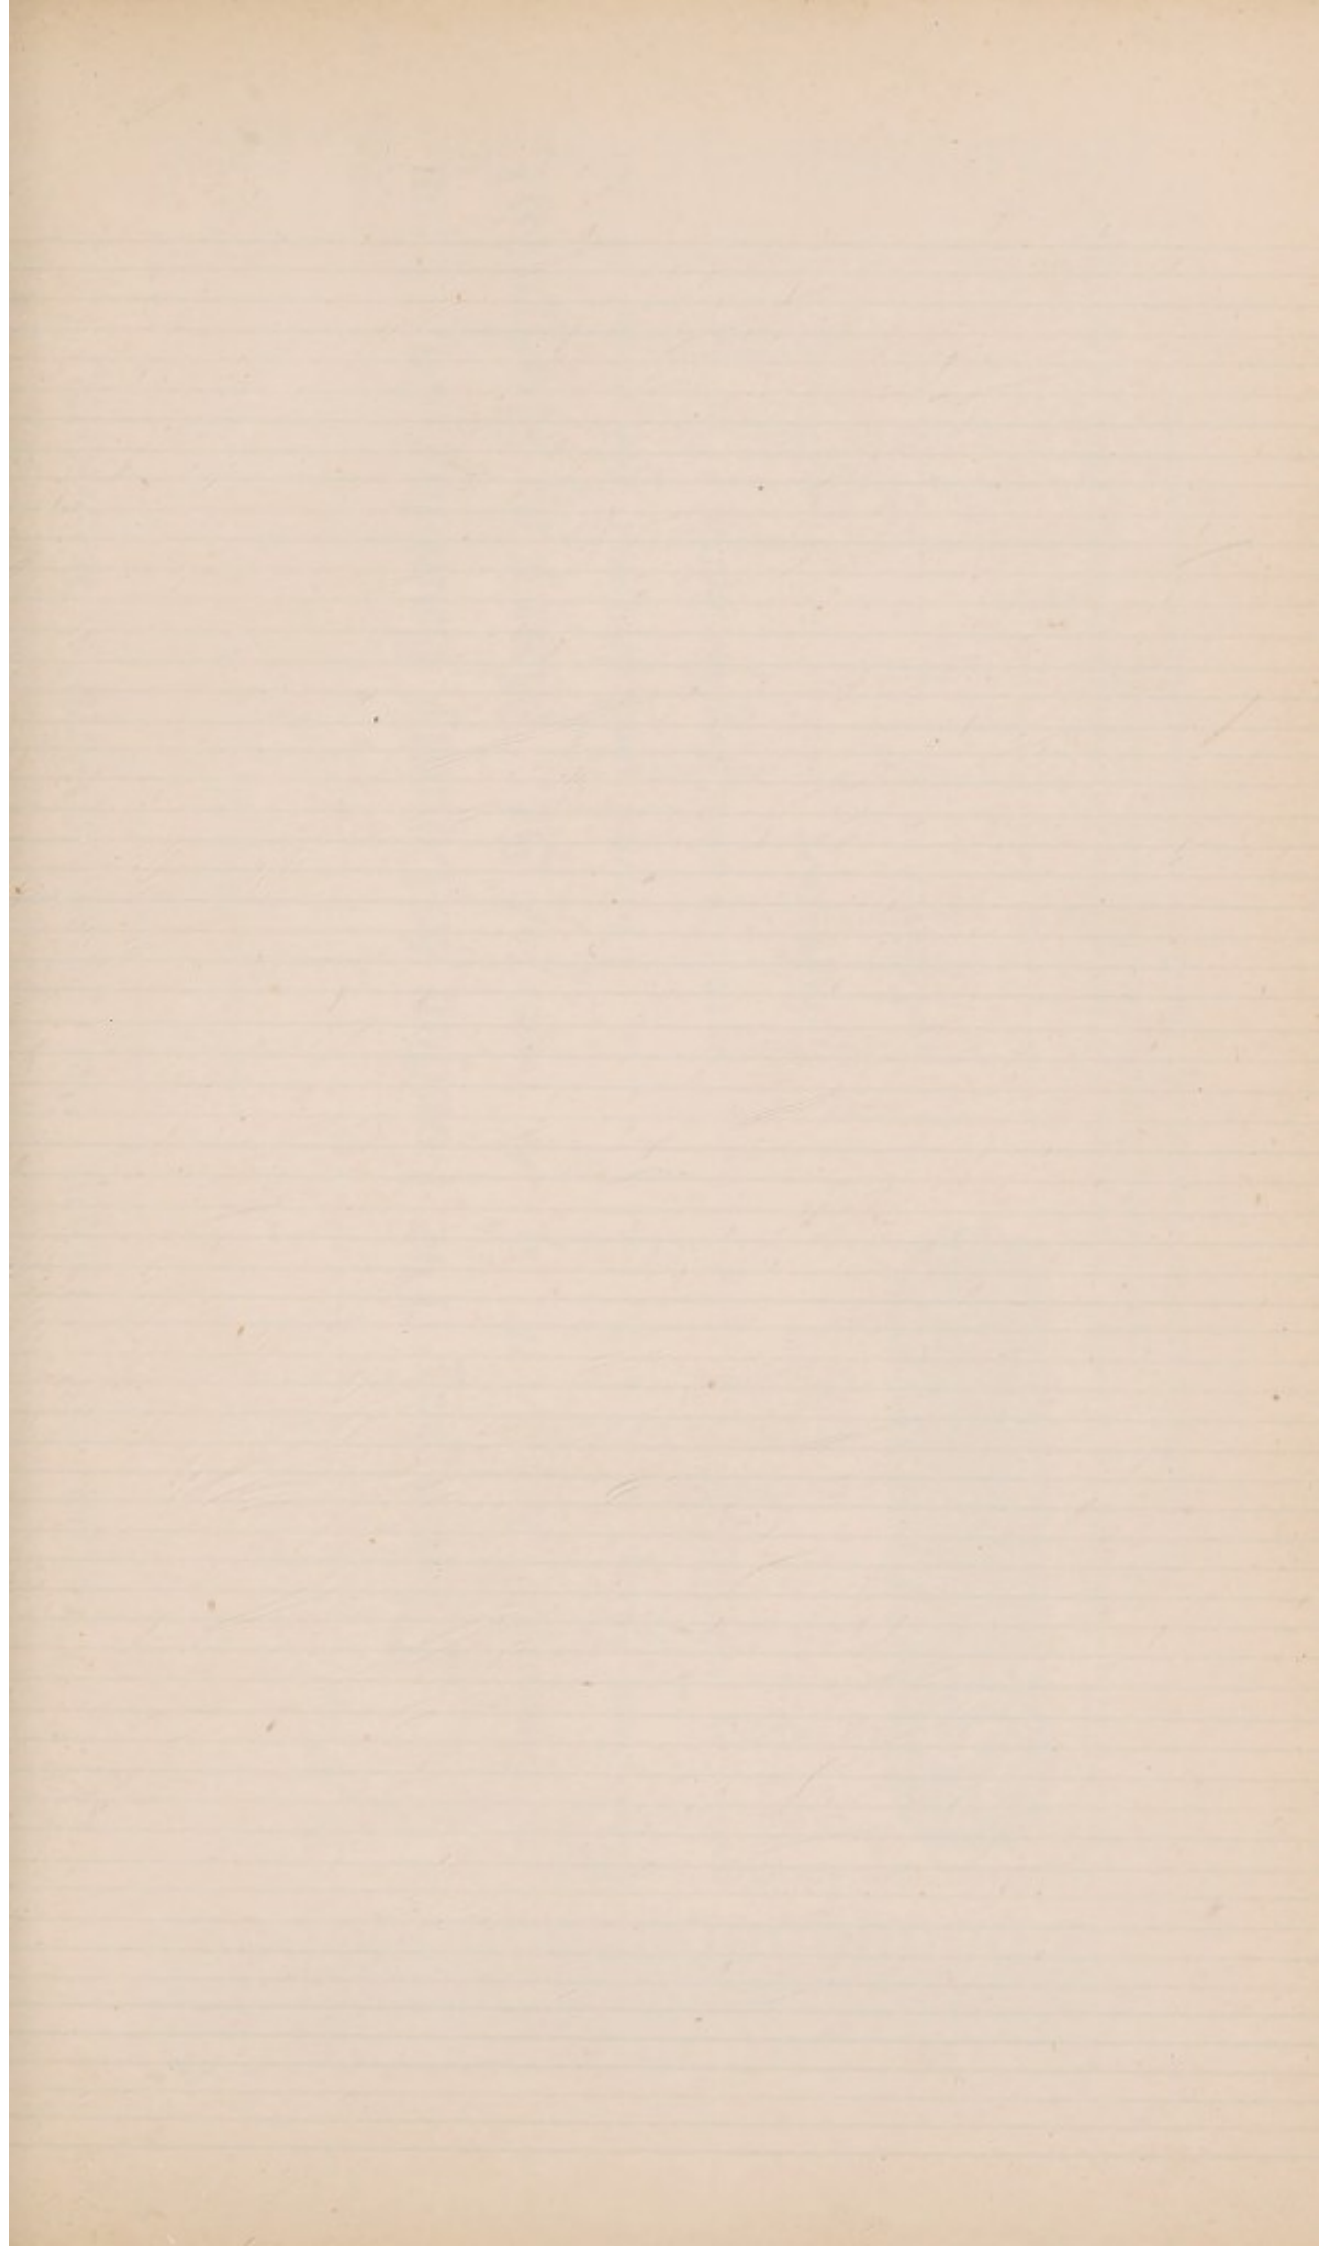

To discharge them in this wretched condition, with their physical powers of resistance against inclement weather at their lowest ebb, is a melancholy office. Yet the Secretary constantly has to perform it, because he has not the means of relief. Contributions of left-off wearing apparel, and especially boots and shoes, would enable him to do something for these poor half-clad creatures, and he therefore begs very earnestly to solicit gifts of this kind.

“I give and bequeath to the Treasurer or
Treasurers for the time being of ‘**St. Mary’s
Hospital,**’ Paddington, London, W., the sum of

REPORT OF THE CONVALESCENT & PATIENTS' AID FUND AND OF THE STURGE FUND,

For the Year ended 31st December, 1898.

TRUSTEES.

GEORGE P. FIELD, Esq.

SIR EDWARD HENRY SIEVEKING, M.D.

EDWARD PARKER YOUNG, Esq.

COMMITTEE.

COL. STANLEY G. BIRD.

H. W. PAGE, Esq.

MALCOLM MORRIS, Esq.

ALFRED SCORER, Esq.

EDWARD SMITH, Esq.

and the TWO HOUSE VISITORS for the time being.

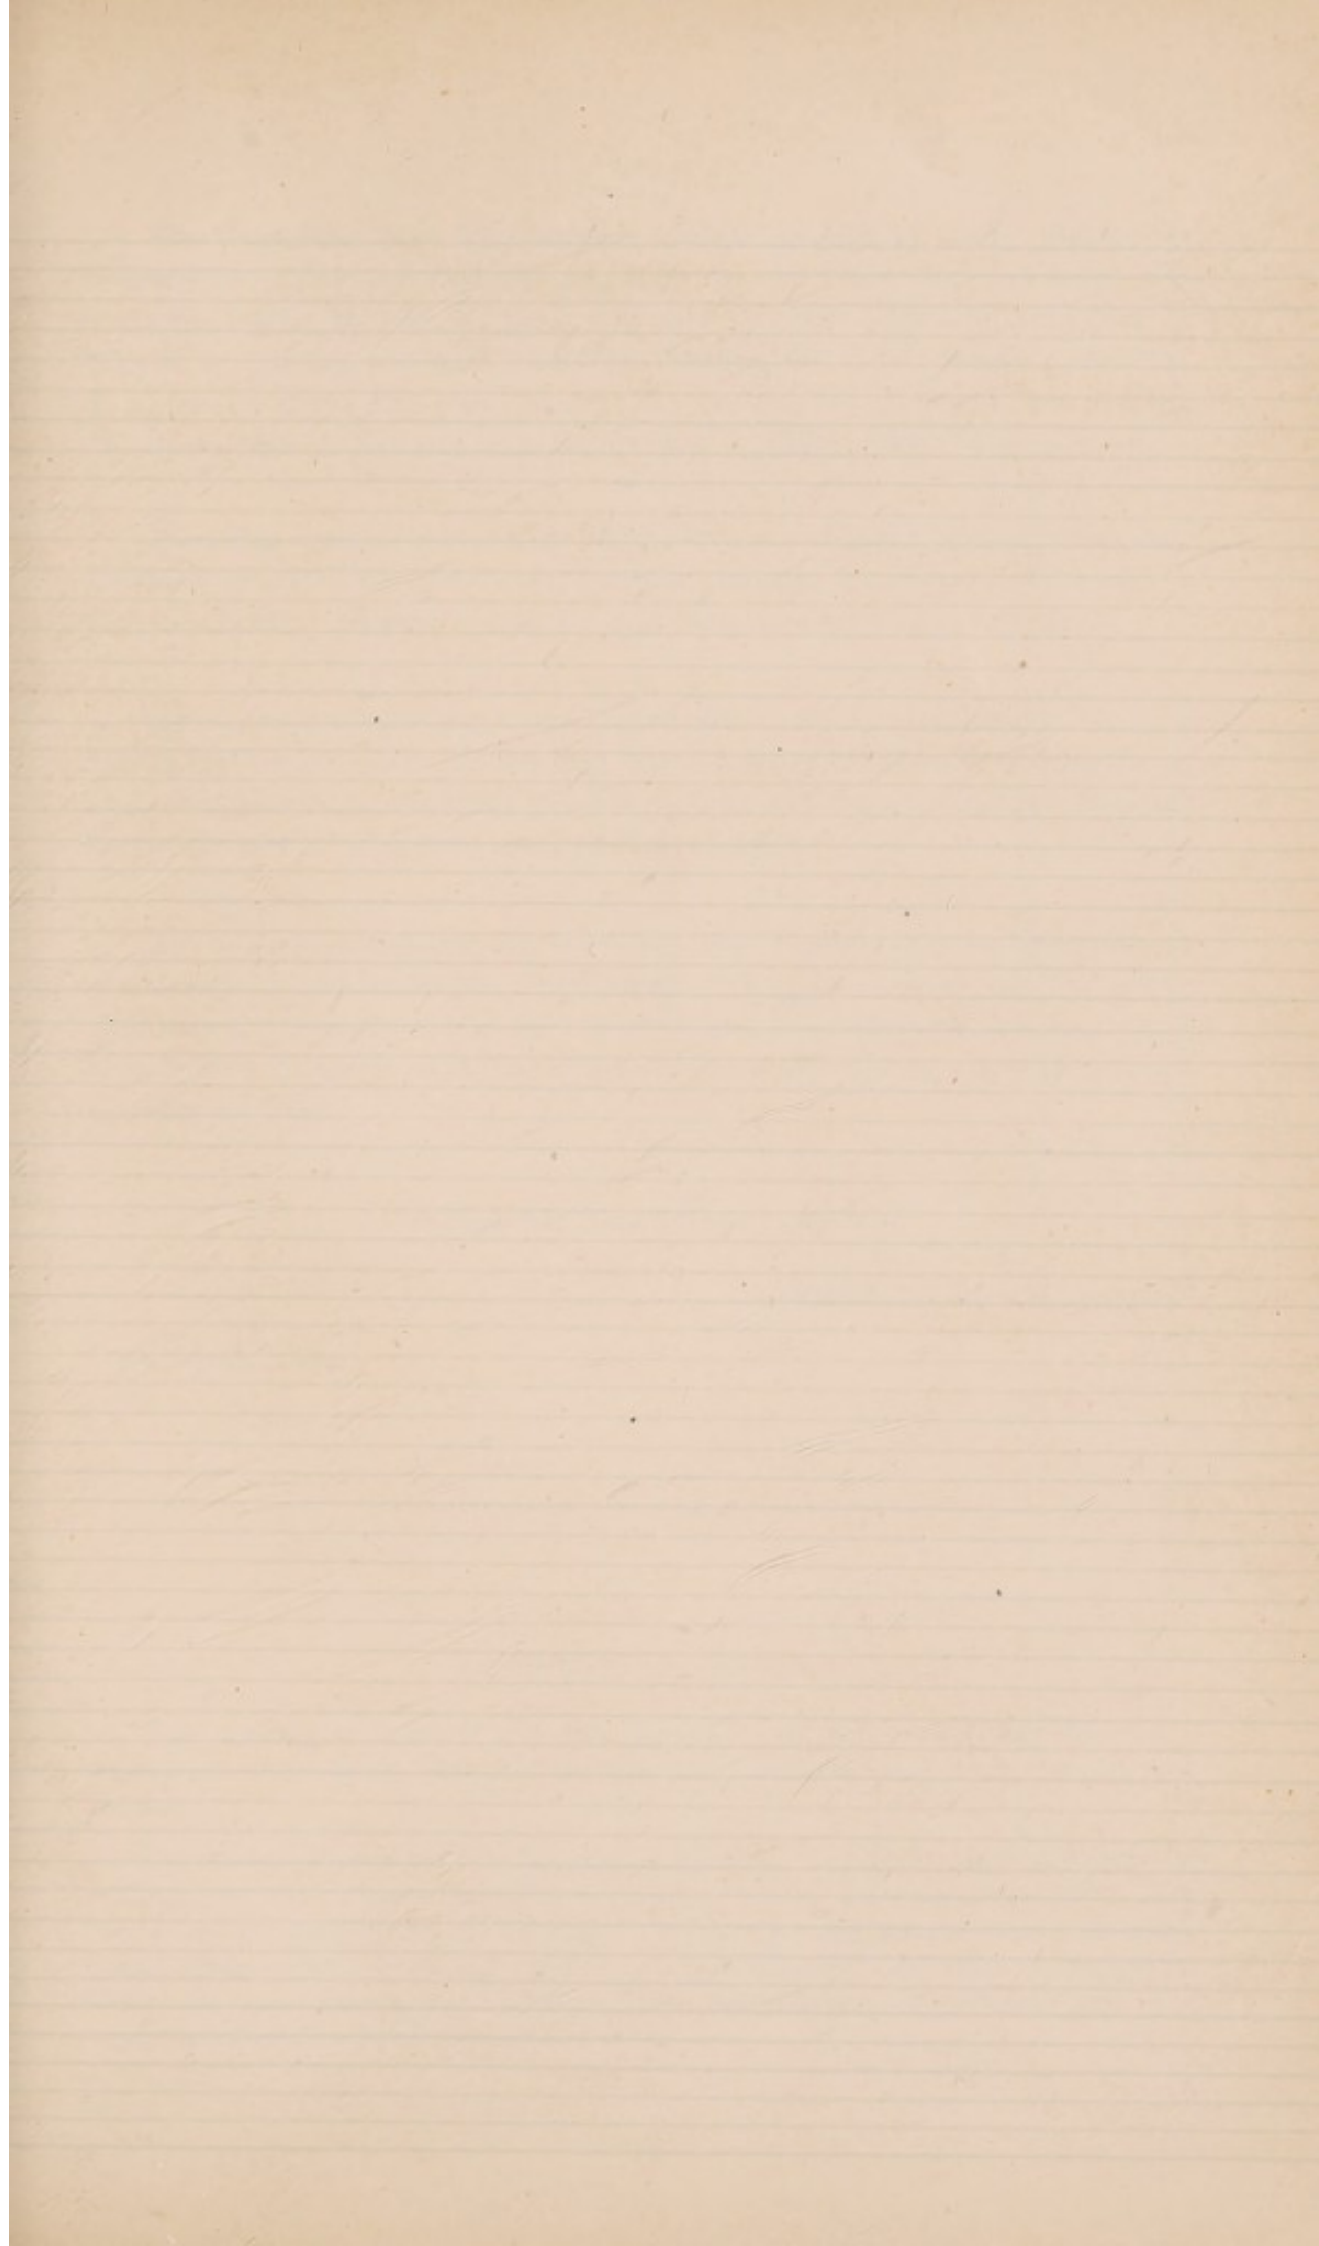

SECRETARY.

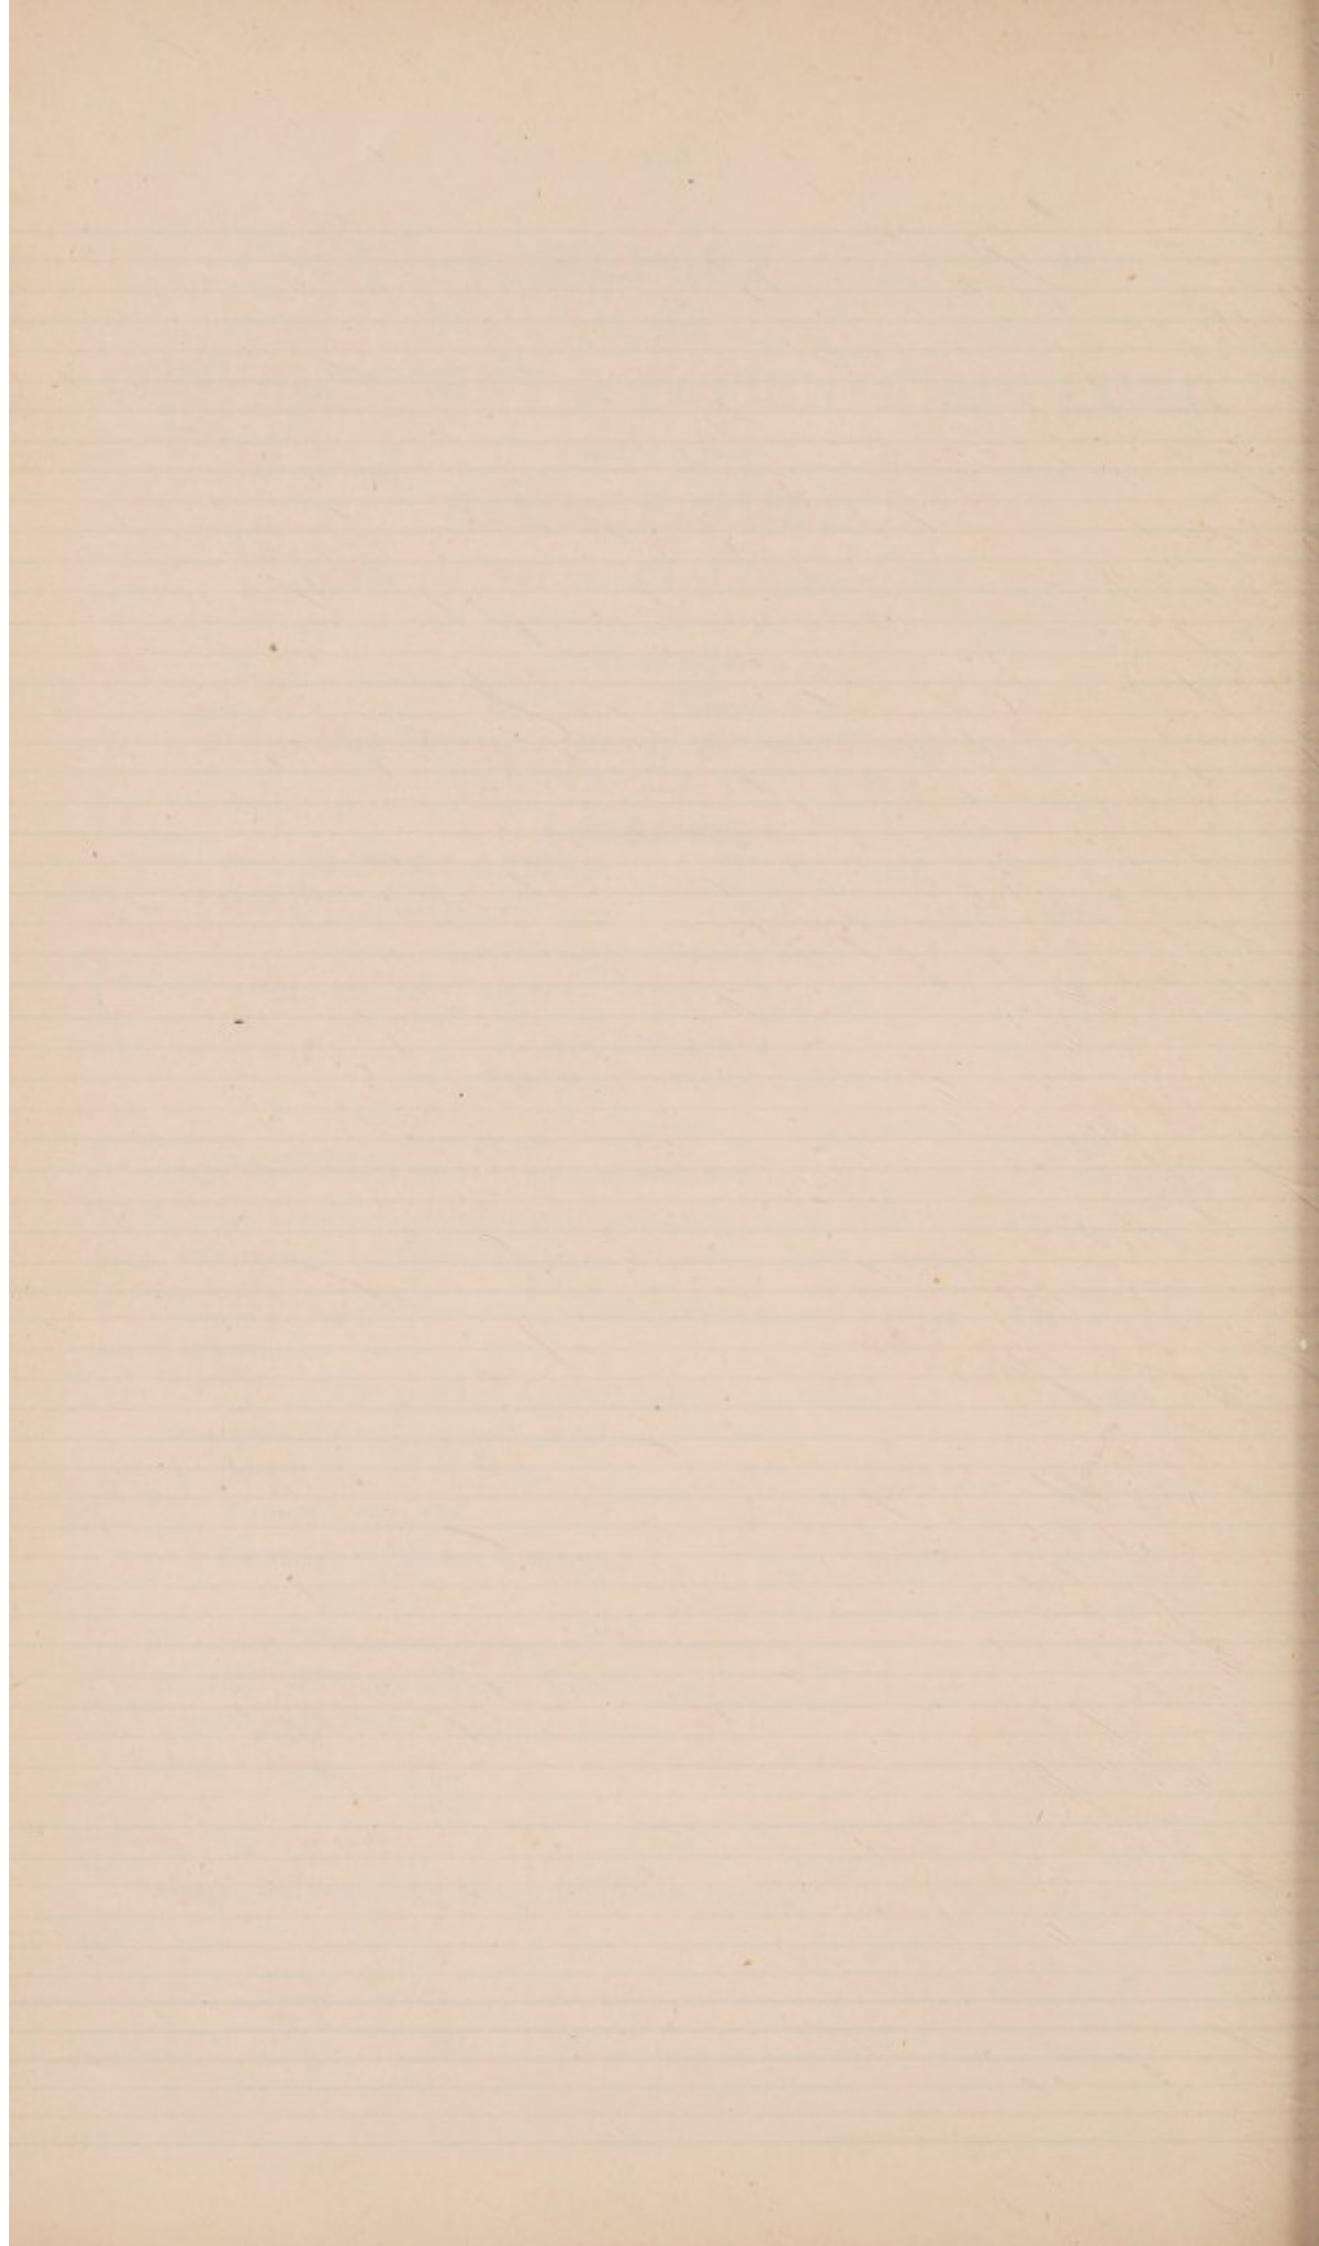

THOMAS RYAN, Esq.

The Committee of the Convalescent and Patients' Aid Fund, and of the Sturge Fund, have pleasure in presenting their report of the work done during the past year, accompanied by the usual account of Income and Expenditure.

The number of patients sent to Convalescent Homes was 345. The particulars are as follow :—

<i>Homes to which Patients were sent.</i>	<i>No. sent.</i>
Metropolitan Convalescent Institution—	
Bexhill Branch	34
Walton-on-Thames	33
Broadstairs (Children's Branch)	29
	— 96
All Saints' Convalescent Hospital, Eastbourne	5
St. Andrew's Convalescent Home, Folkestone	2
Royal Mineral Water Hospital, Bath	1
Other Homes	2
	— 106
Hospital Convalescent Home, Parkwood, Swanley	239
	— 345

The Committee have been assisted towards sending so many patients to Convalescent Homes by kind gifts of letters by the undermentioned ladies and gentlemen :—Mr. Herbert W. Page, who gave 10 ; Miss Flemming, who gave 3 ; Miss E. R. Mozley, who gave 3 ; Captain Webbe, Mr. J. W. Mirfield, and Miss E. T. Reid, 2 each ; Mr. Alex. Brooke, Mrs. Gooch, Mrs. C. Droop, Miss Waring, Mr. Parer, Miss M. Edwards, Miss Phibbs, Mr. A. Spicer, Miss Phillpotts, 1 each.

Travelling expenses were paid for 267 patients to and from Convalescent Homes. Pecuniary assistance was given to 247 patients, consisting in most cases of the fares to their own homes. Surgical and optical appliances were supplied to 61 patients.

Again the Committee offer to the Contributors to the Fund and to the Donors of Letters their sincere thanks for the help which has enabled them to provide for so many poor patients, to whose lot it could not otherwise have fallen, the inestimable benefit of a stay in the country to recruit their strength.

The Committee trust that the knowledge that so much help can be given to so considerable a number at so comparatively trifling an expense will lead many governors and subscribers, who are not at present contributors to this most useful branch of the Hospital's work, to become Annual Subscribers of a small sum to the Convalescent Fund.

Signed on behalf of the Committee,

THOMAS RYAN, *Secretary.*

3rd March, 1899.

PATIENTS' CLOTHING.

The clothing of many of our poor patients is of such a scanty and threadbare description as to afford them but the very slightest protection against the cold and the rain.

To discharge them in this wretched condition, with their physical powers of resistance against inclement weather at their lowest ebb, is a melancholy office. Yet the Secretary constantly has to perform it, because he has not the means of relief. Contributions of left-off wearing apparel, and especially boots and shoes, would enable him to do something for these poor half-clad creatures, and he therefore begs very earnestly to solicit gifts of this kind.

PATIENTS' CLOTHING.

The Clothing of many of our poor patients is of such a scanty and threadbare description as to afford them but the slightest protection against the cold and the rain.

To discharge them in this wretched condition, with their physical powers of resistance against inclement weather at their lowest ebb, is a melancholy office. Yet the Secretary constantly has to perform it, because he has not the means of relief. Contributions of left-off wearing apparel, and especially boots and shoes, would enable him to do something for these poor half-clad creatures, and he therefore begs very earnestly to solicit gifts of this kind.
