Annual Report for 1902.

THE Board of Management have the honour to submit to the Governors and Subscribers their Annual Report for the year 1902.

The Work of the Year.—The number of persons relieved in the several departments of the Hospital was the highest on record, being 49,098, against 47,493 in 1901, which was higher than in any preceding year. The number of In-patients, 3,927, was exceeded in 1893 by 129, and in 1895 by 41, but had it not been for the Small-pox epidemic in the early part of the year, which necessitated the closure for a time of some of the wards, the number of In-patients would probably have been greater last year than it had ever been before. The number of Casualty patients exceeded by 2,242 the number treated in 1901, which was the highest number hitherto reached.

The result of the extent of the work in these two departments, combined with the loss of space in the Receiving and Casualty Rooms which the building of the New Wing has temporarily caused, has been that the work has been performed under great difficulties, and the Board look forward anxiously to the completion of the New Wing which will enable to be carried out the most urgent improvement of which the Hospital stands in need, namely, the enlargement and improvement of the Casualty and Receiving Room Department.

The number of Out-patients was 665 less than in 1901, but higher than in any other year.

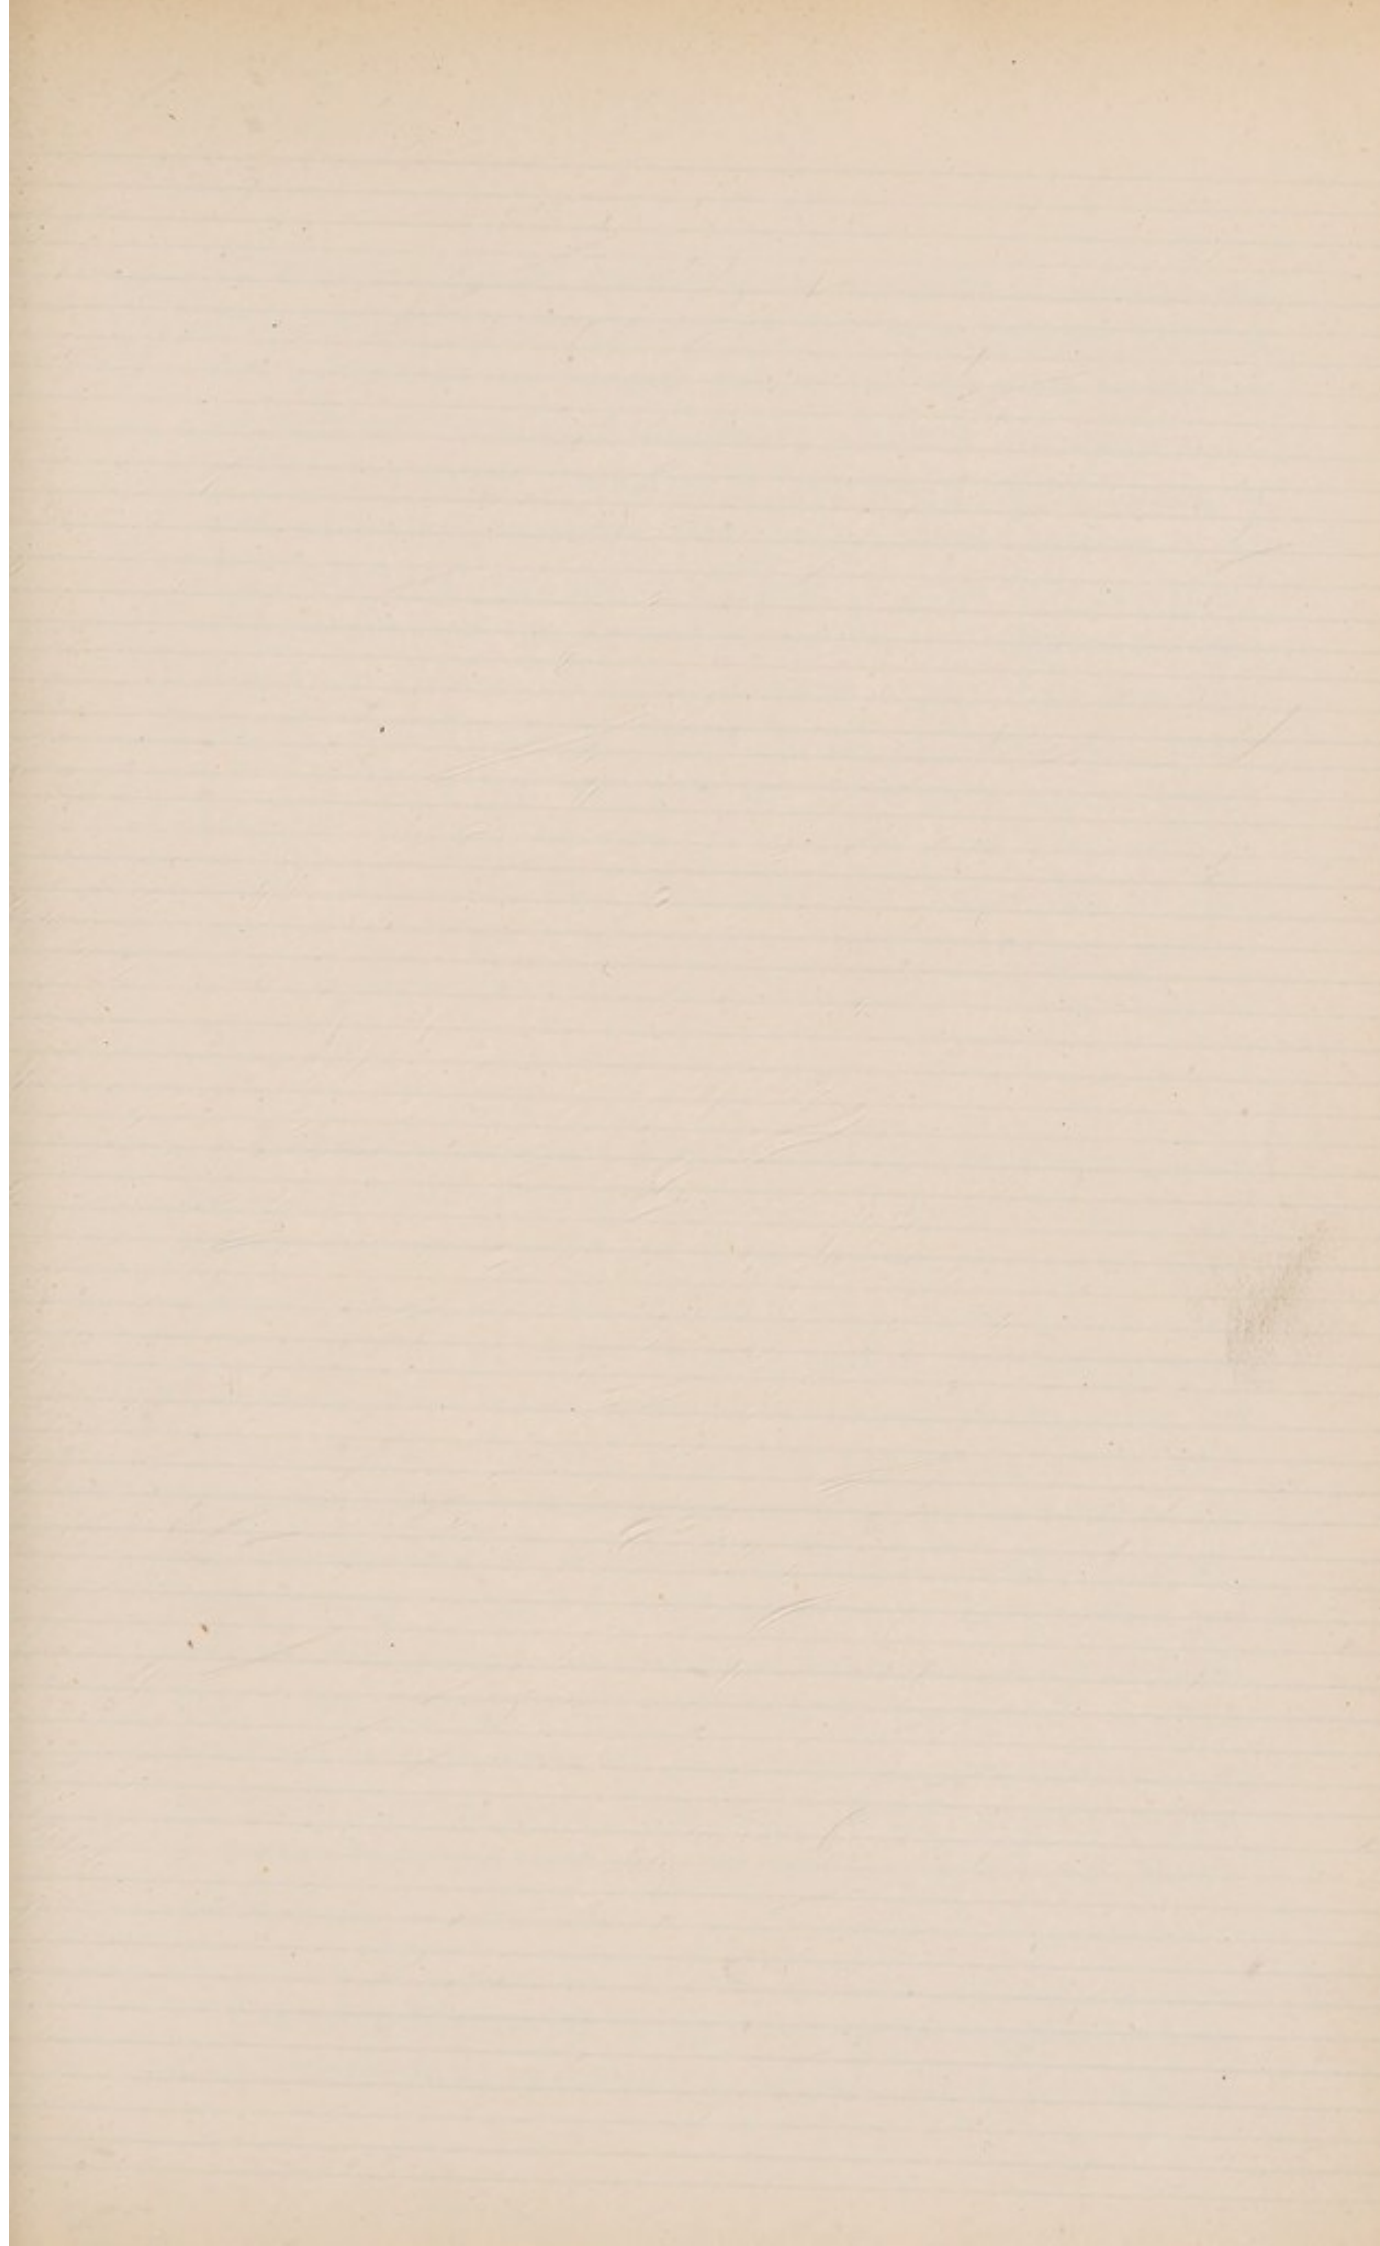

The Maternity Patients attended at their own homes numbered 1,736, being 87 less than in 1901. This was due to

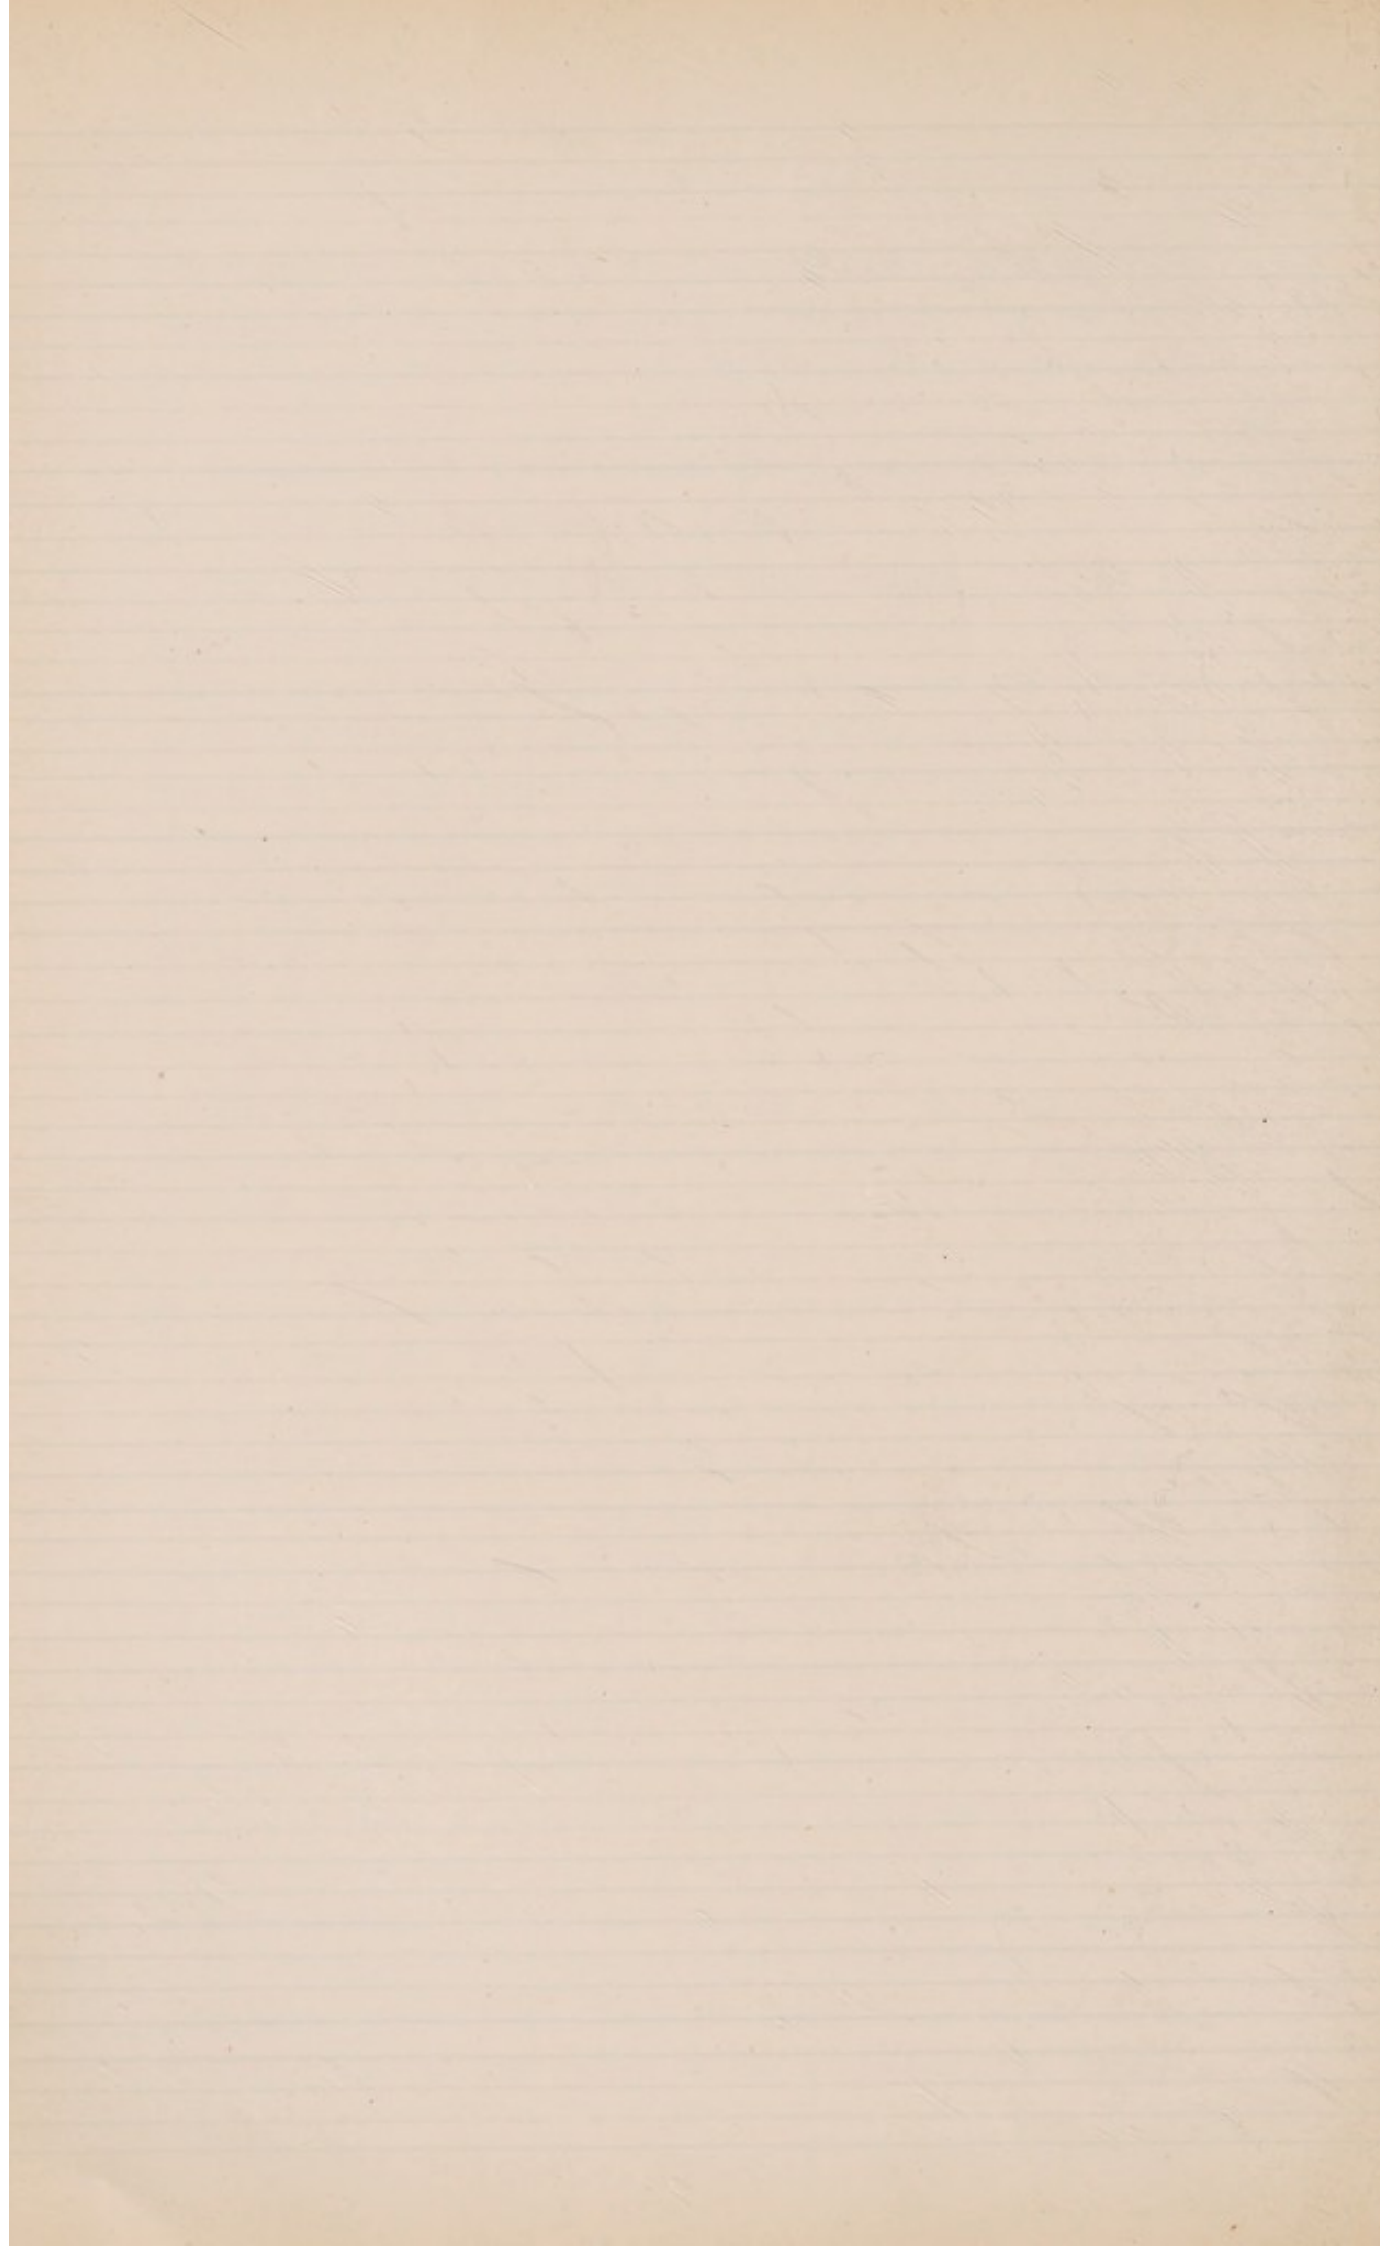

a limitation which had to be put upon the number of cases undertaken by the Charity, in consequence of the fact that the number of applicants exceeded that for which efficient provision could be made.

Income.—The Total Income was £42,035, compared with £28,105 in 1901, an increase of £13,930.

The Ordinary Income calls for little comment. There has been a falling off of £143 in Annual Subscriptions owing to the death of several large Subscribers. Donations are also lower by £612, due largely no doubt to the exceptional sums contributed through the Special Appeal in 1901. On the other hand, the awards of King Edward's Hospital Fund, the Hospital Sunday Fund, and the Hospital Saturday Fund were respectively £1,300, £489, and £113 higher than in 1901. The total of the Ordinary Income stands at £14,849, compared with £13,379 in 1901, an increase of £1,470.

The Extraordinary Income presents a combination of satisfactory and unsatisfactory features. In the total it amounts to £27,186, compared with £14,726 in the preceding year, an increase of £12,460. That part of it which was available to meet the current expenditure of the year amounted to £12,268 against £9,776 in 1901, bringing up the total Income available for current expenditure to £27,118, compared with £23,155 in 1901, an increase of £3,963. This is so far satisfactory, but the available Income was still £2,392 short of the necessary Expenditure, which, in view of the large sum, £12,268, provided by Legacies, shows that the Hospital is unduly dependent for the means to pay its way upon that uncertain source of Income. The remainder of the Extraordinary Income consists of Legacies and Donations given for investment, and amounts to £11,367 against £4,950 in 1901, a great and welcome improvement. The last item of Extraordinary Income is one to which the Board desire to make special reference. They allude to a Donation of £3,300, given expressly for the benefit of the Medical School. At a time when persevering efforts are being made to create misunderstanding in the public mind respecting the financial

relations between the great General Hospitals of London and their Medical Schools, whereby the fact is ignored or belittled, that the Schools are integral parts of the Hospitals performing for them services of great importance which if withdrawn would result in the serious diminution of their powers of usefulness, at such a time it is opportune that a non-medical Governor of St. Mary's Hospital, and one who is perhaps more fully acquainted with the affairs of the Medical School and the relations between it and the Hospital of which it forms a part than any other person, should make so liberal a gift expressly to benefit it. The Board feel sure that the Subscribers to St. Mary's Hospital will not be slow to conclude from this, what is indeed the truth, that the fuller the knowledge of the facts the more clear is the conviction that an efficient Medical School is essential and indispensable to a General Hospital of the first class.

Expenditure.—In connection with the expenditure there are no points calling for special remark. It is a large expenditure, and the cost per occupied bed, £96 14s. 10d., or 13s. 11d. higher than last year, is much higher than it was a few years back. The conditions under which the Hospital work is, and has for some time been, carried on are, however, as was pointed out in the last Annual Report, abnormal, and while they remain so—in other words, until the new buildings are furnished and in full use—the occupied bed basis of measuring the Hospital's expenditure will be misleading. When it is stated that in our 281 beds between 300 and 400 more patients are treated annually than in the Hospital next in size, although it has 40 more beds, the pressure at which St. Mary's Hospital works will be understood, a pressure which is necessarily reflected in the expenditure. If the cost per In-patient in the two Hospitals were made the basis of comparison St. Mary's would be less by some 30s.

Clarence Memorial Wing.—Substantial progress has been made with the building during the past year, the third floor being

in course of construction as this report goes to press. The handsome façade fronting Praed Street, with the legend at either corner,

£10,000 REQUIRED TO COMPLETE AND FURNISH,

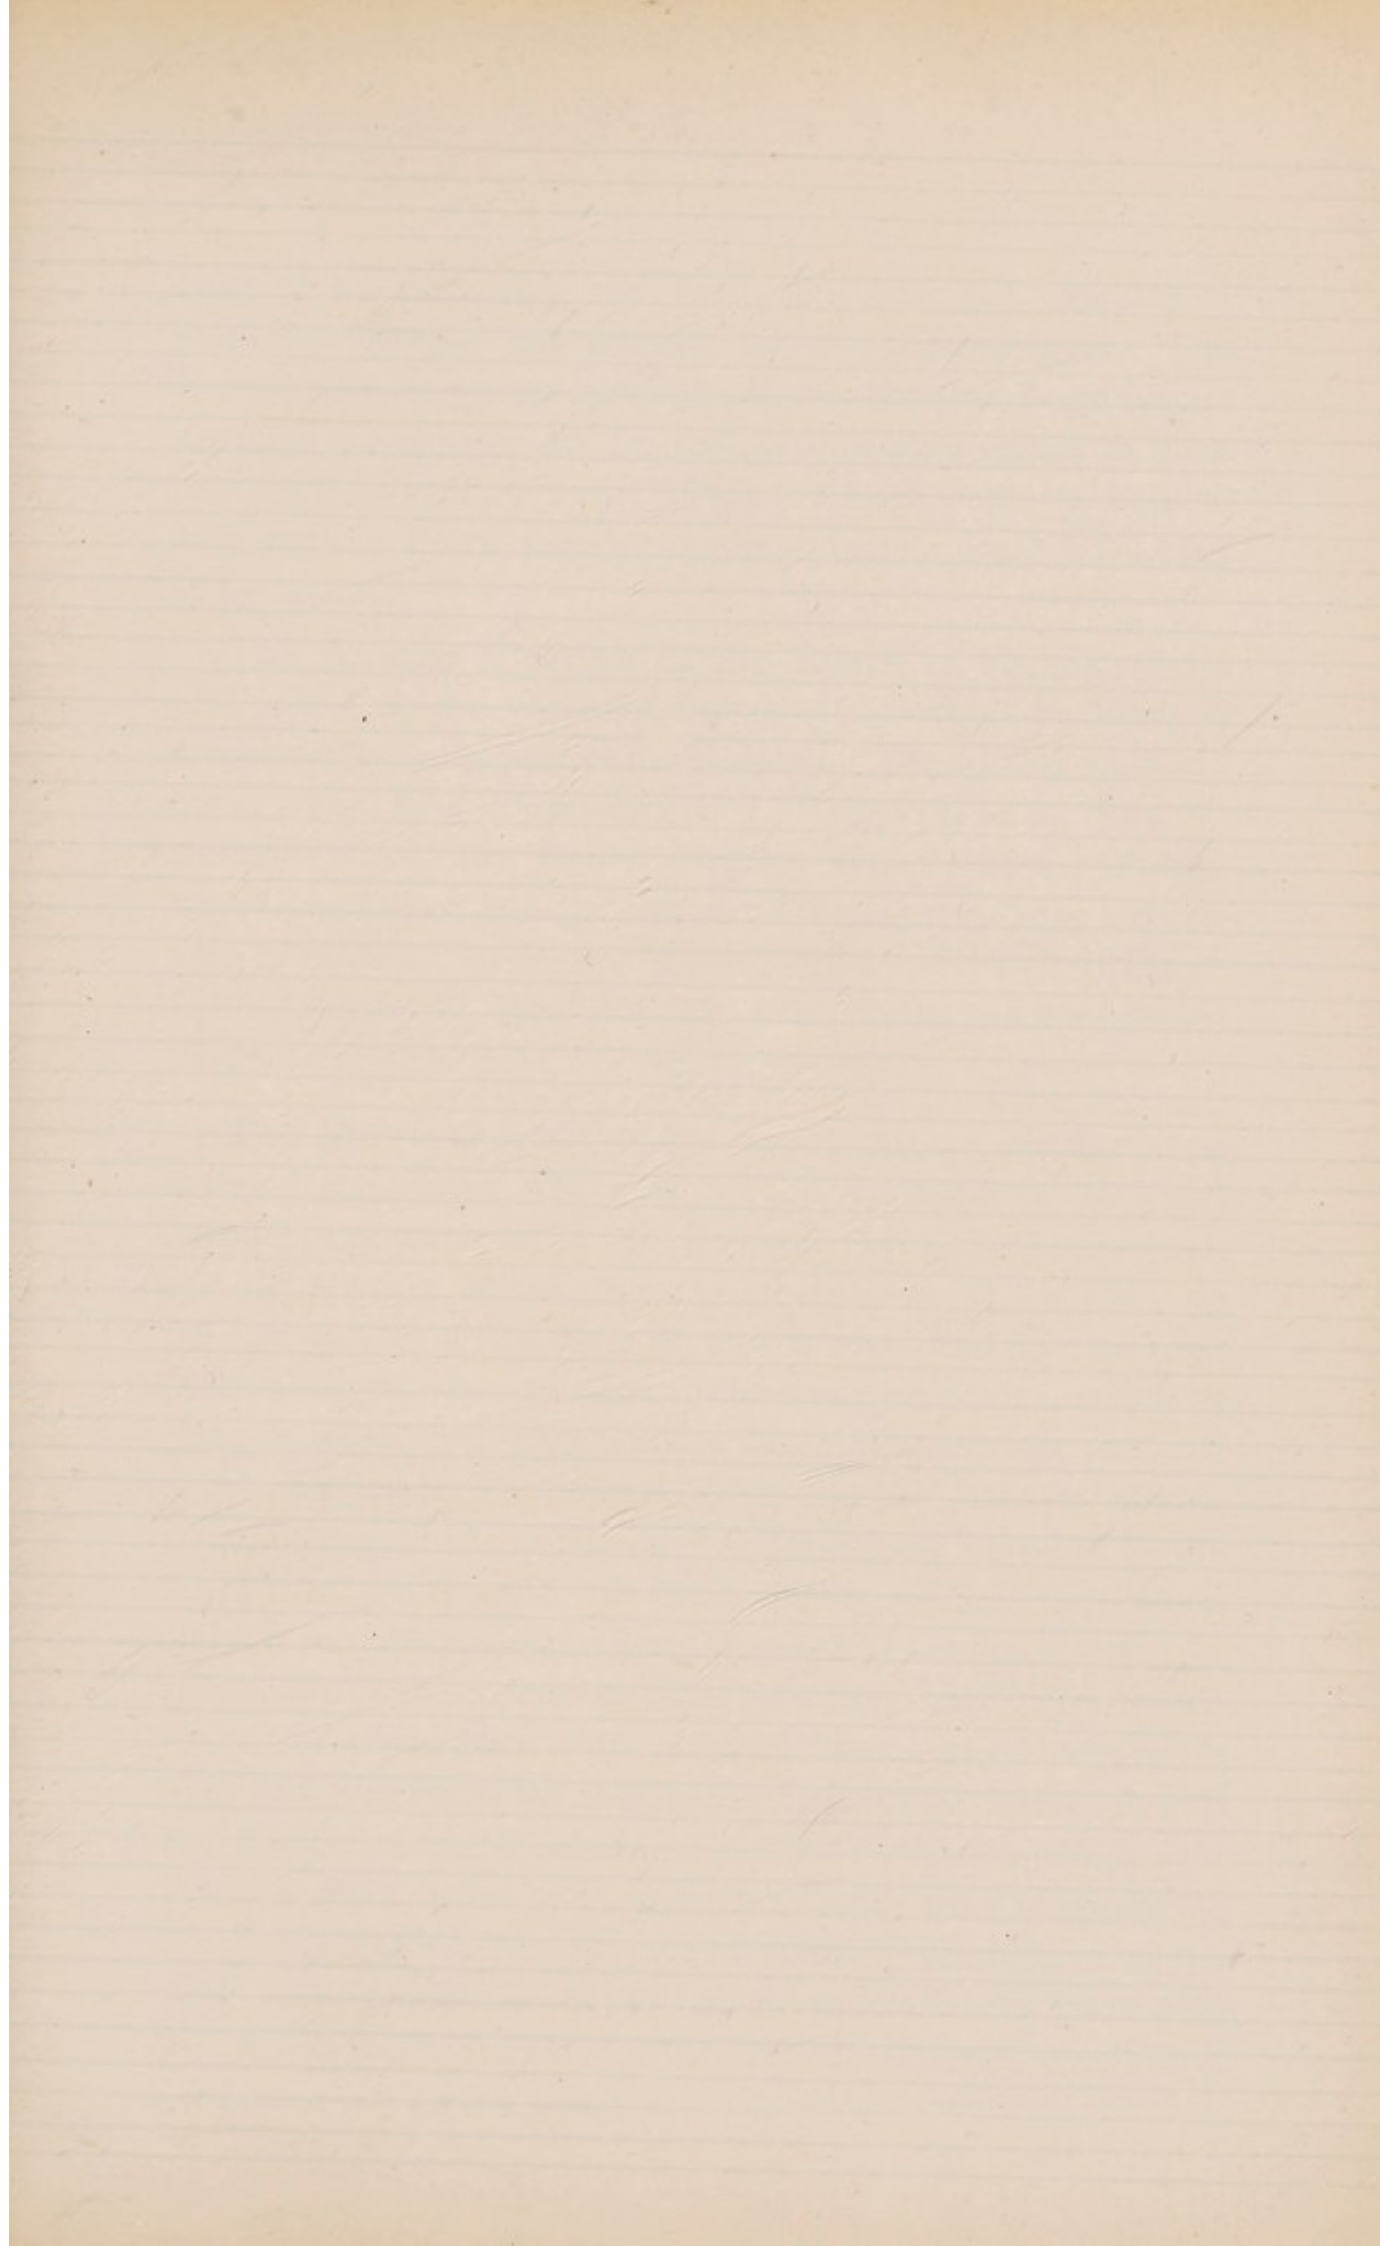

compels the attention of every passer by, and thus encourages the hope that the prophecy will be fulfilled which was so confidently made when this Praed Street frontage was first projected 16 years ago, that it would be the means, by bringing the Hospital more prominently to public notice, of obtaining for it a much larger measure of public support than it had hitherto enjoyed.

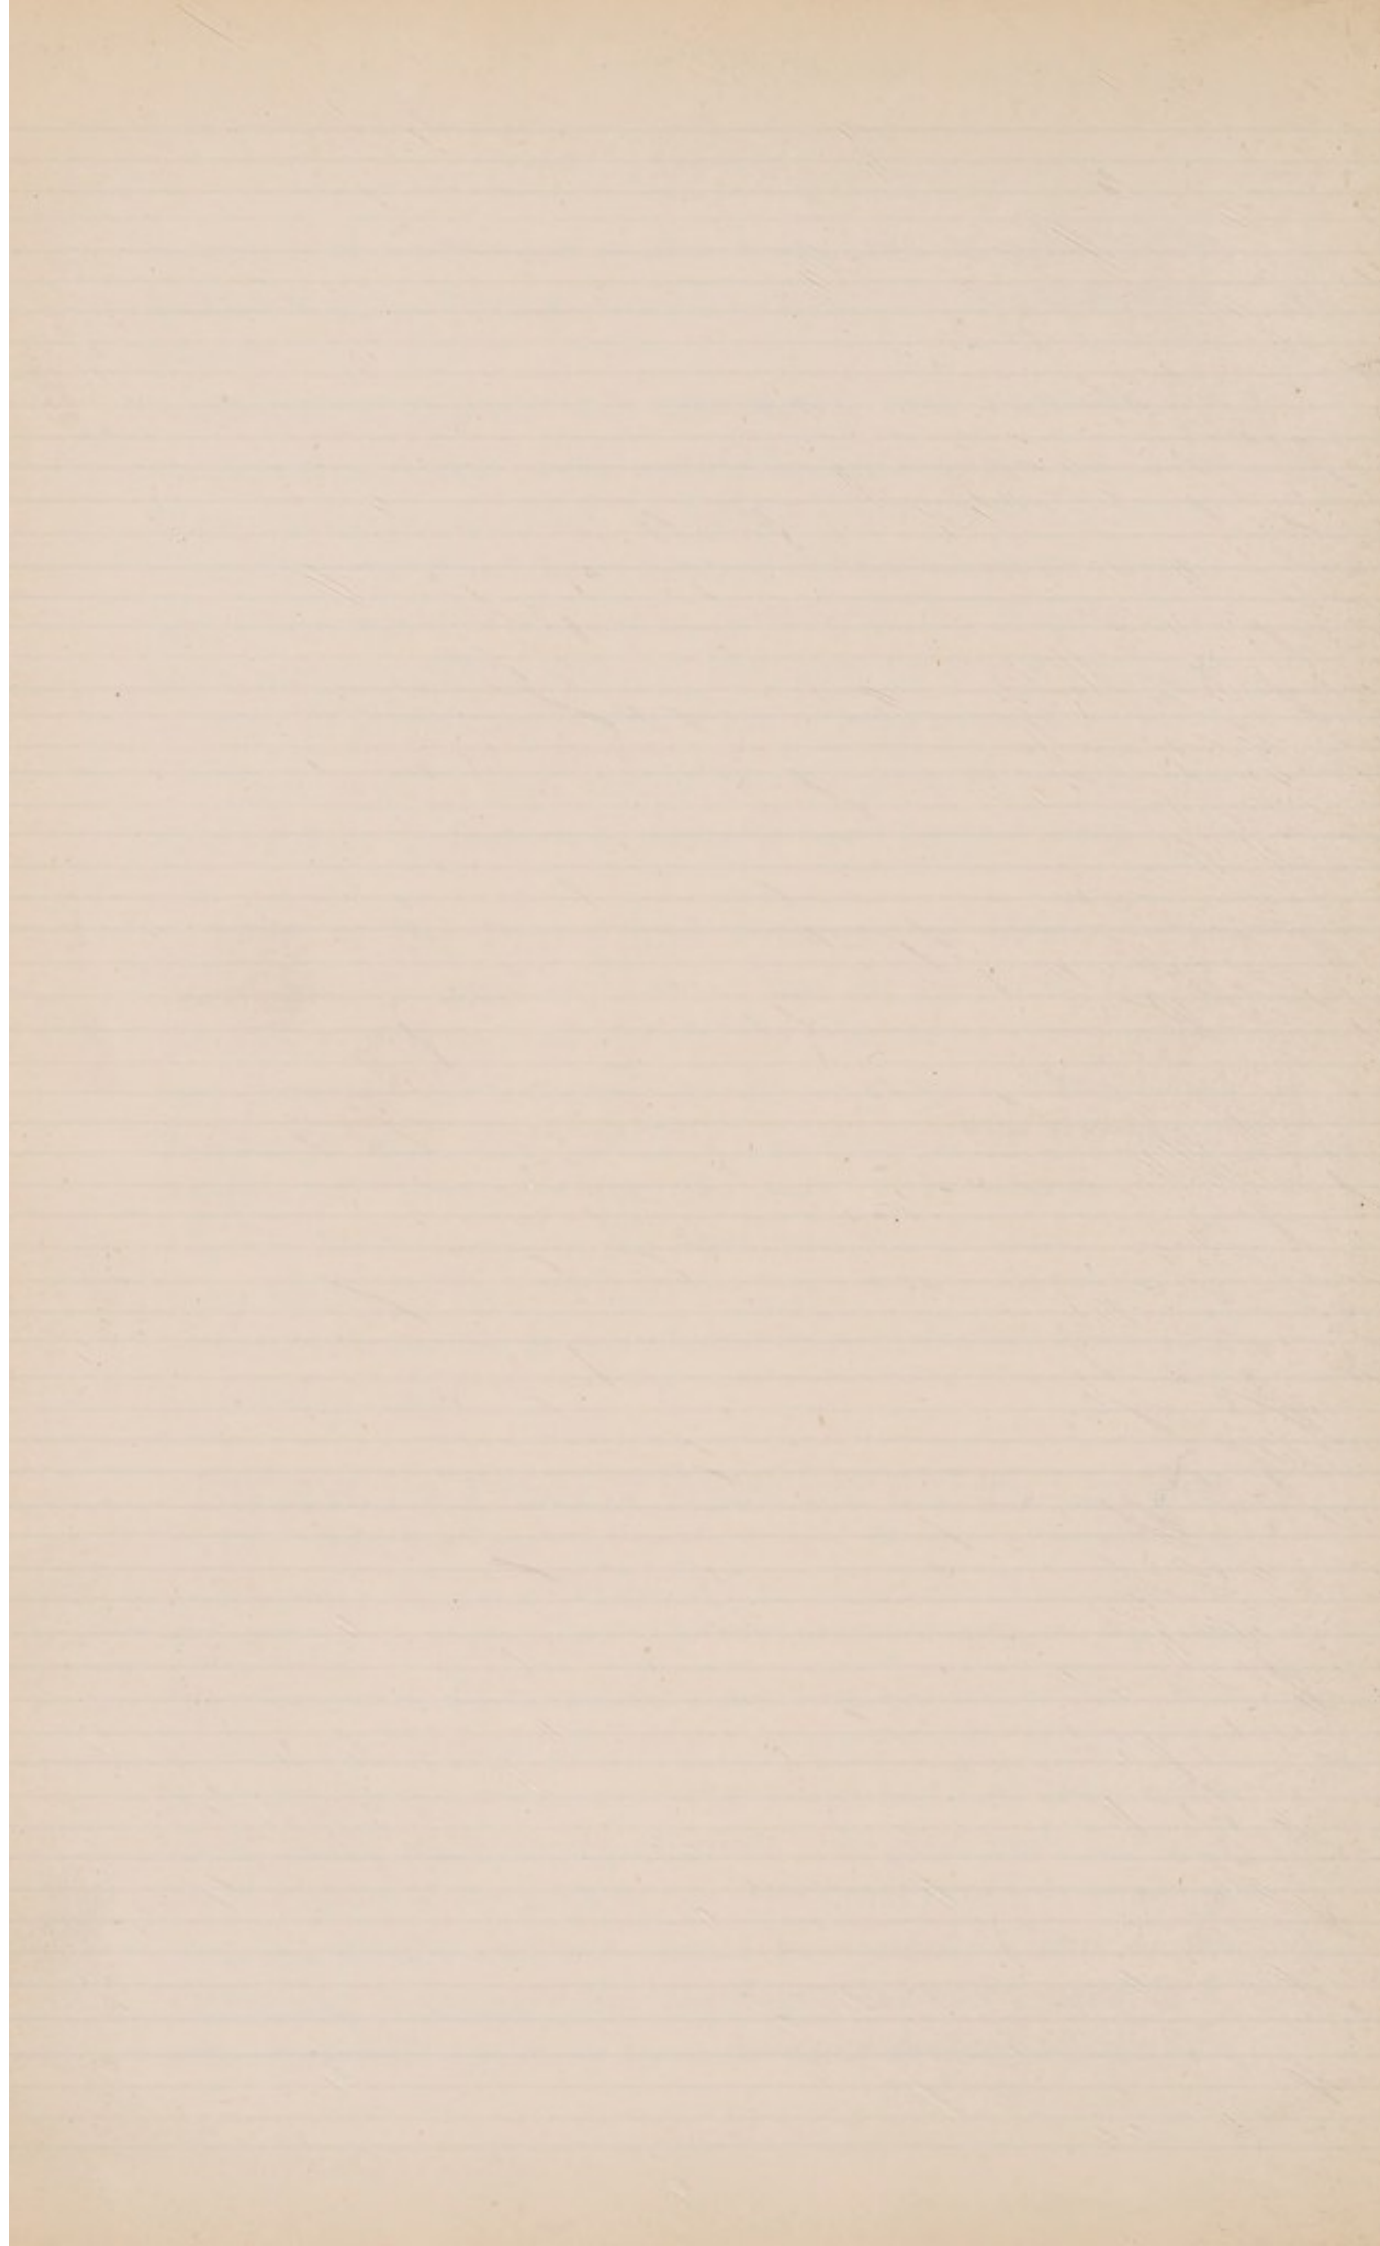

There is still a great deal of building work to be done, the date fixed for the builders to complete being January, 1905.

Visit of the Prince and Princess of Wales.—The Board have the pleasure to report that the President, H.R.H. the Prince of Wales, and H.R.H. the Princess of Wales visited and inspected the Hospital on 12th February. Their Royal Highnesses were conducted over the Hospital by the Senior Surgeon, Mr. Edmund Owen, Dr. Lees, in the absence of Dr. Cheadle, Senior Physician, the Matron and the Secretary. Nearly every ward in the Hospital was visited, and their Royal Highnesses expressed themselves as very pleased with their visit, which they promised to repeat.

H.R.H. the Prince of Wales and Electric Lighting.

—The defective gas lighting of the Wards attracted the notice of the Prince of Wales, and he urged the importance of introducing the electric light. He was informed that the improvement would have been made long ago but for the great expense, the Hospital being very poor and the cost of an electric light installation very heavy. The Board had long been aware of the defect, and attempts, with little or no good result, had been made to improve the gas lighting. His Royal Highness requested that the Board's attention should be specially drawn to the matter, and accordingly they have again carefully considered it, with the result that they have definitely decided to light the

Hospital by electricity, and have appointed a Committee to prepare a Scheme and estimate for their consideration. The Committee have not yet reported, and therefore the Board cannot say what the expense will be, though they have reason to think that it will be about £2,500. This is a large outlay to have to face, but the Board feel that the improvement ought not longer to be delayed.

The Annual Election of the Board of Management took place at the quarterly Board of Governors in June, in accordance with the laws of the Hospital. The retiring members were:—The Rev. Prebendary C. J. Ridgeway, M.A., Rev. W. Abbott, M.A., Mr. Henry Gardner, Mr. E. Parker Young, Mr. Noble Taylor, and Dr. Danford Thomas, who, being eligible, were re-elected. At the first meeting of the newly-elected Board, Colonel Stanley G. Bird and Mr. J. R. Mellor were re-elected Chairman and Deputy-Chairman respectively.

The Surgical Staff of the Hospital has sustained two severe losses during the year by the retirement in May and September respectively of Mr. Edmund Owen, Senior Surgeon, and Mr. Malcolm Morris, Surgeon for Diseases of the Skin, on the completion of the limit of service prescribed by the Laws of the Hospital, viz. : 20 years. The Board take this occasion to place on record their high sense of the eminent services rendered to the Hospital by Mr. Edmund Owen and Mr. Malcolm Morris, whose distinguished abilities and self-sacrificing devotion to the interests of the Hospital have done much to win for it the position which it occupies among the great Hospitals of London to-day. In recognition of these services both gentlemen have been elected to the Consulting Staff. Mr. Malcolm Morris, in addition to his work as a member of the Staff, has throughout his connection with the Hospital taken a prominent part in its administration as a Member of the Board of Management, and in order to ensure the continuance of that assistance and counsel, which have in the past been productive of so much good to the Institution Mr. Morris has been elected a Vice-President, which gives him a permanent seat on the Board.

The vacancy in the office of Surgeon was filled by the promotion of Mr. A. Q. Silcock, Senior Surgeon in charge of Out-Patients, whose place on the Out-Patient Staff was filled by the election of Mr. V. Warren Low.

Mr. Malcolm Morris's place in charge of the Skin Department was filled by the election of Dr. E. Graham Little.

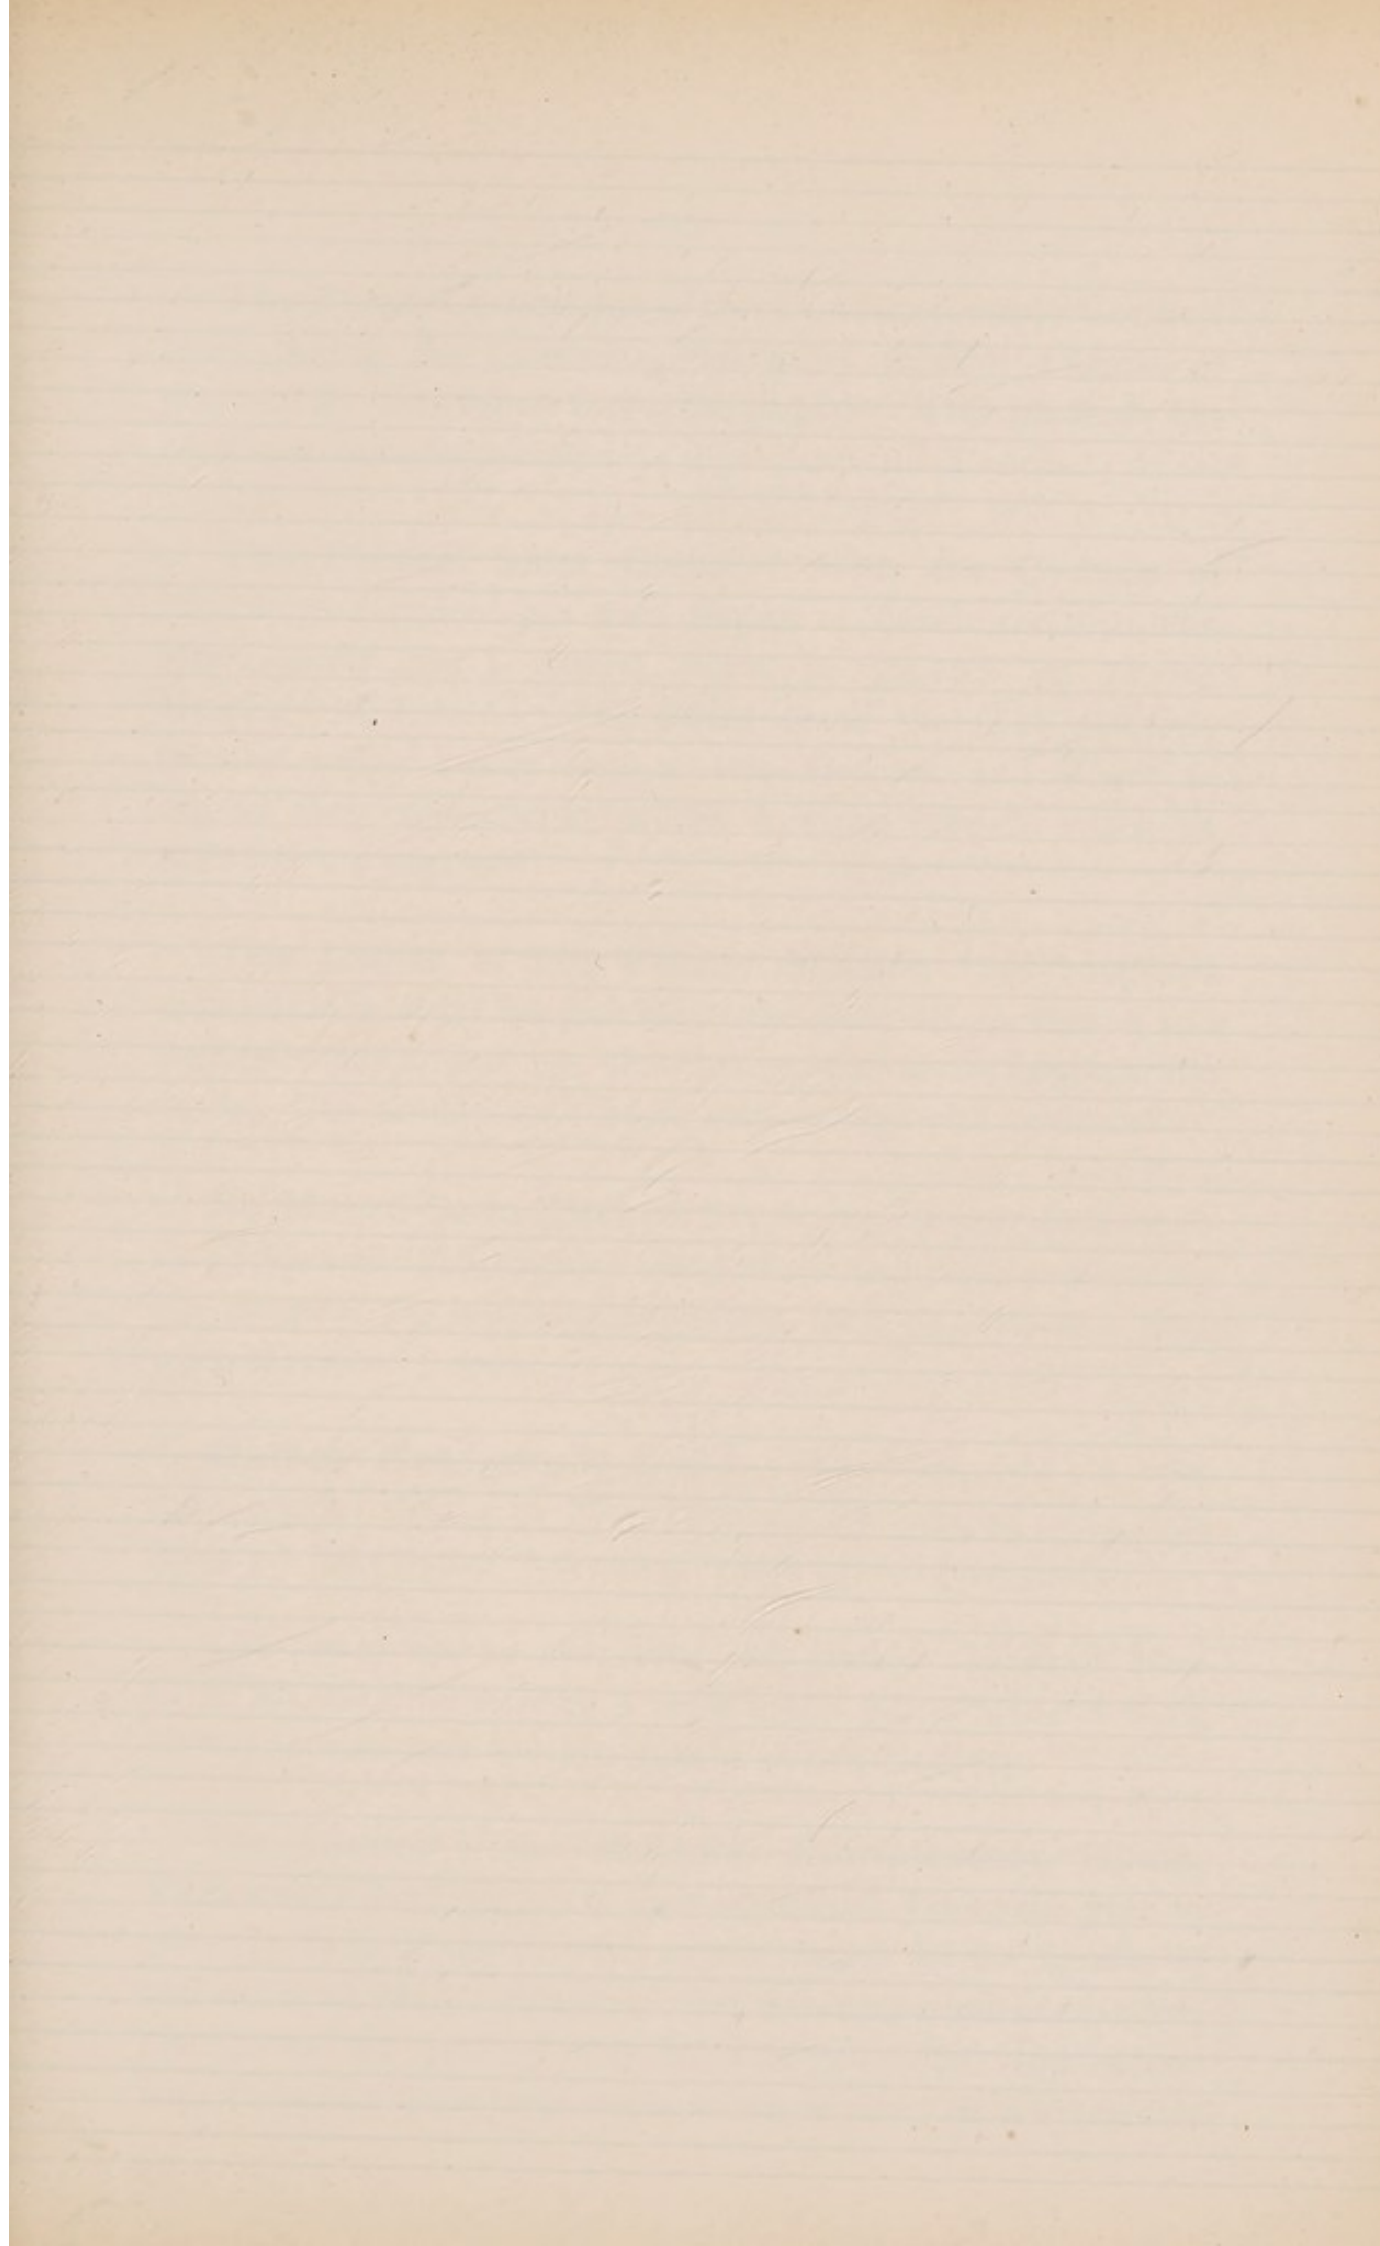

Owing to the great growth in the Ophthalmic Department, it was decided at the Quarterly Board of Governors in June to increase the Staff by constituting the office of Assistant Ophthalmic Surgeon, and in due course Mr. Leslie Paton was elected to fill the newly created post.

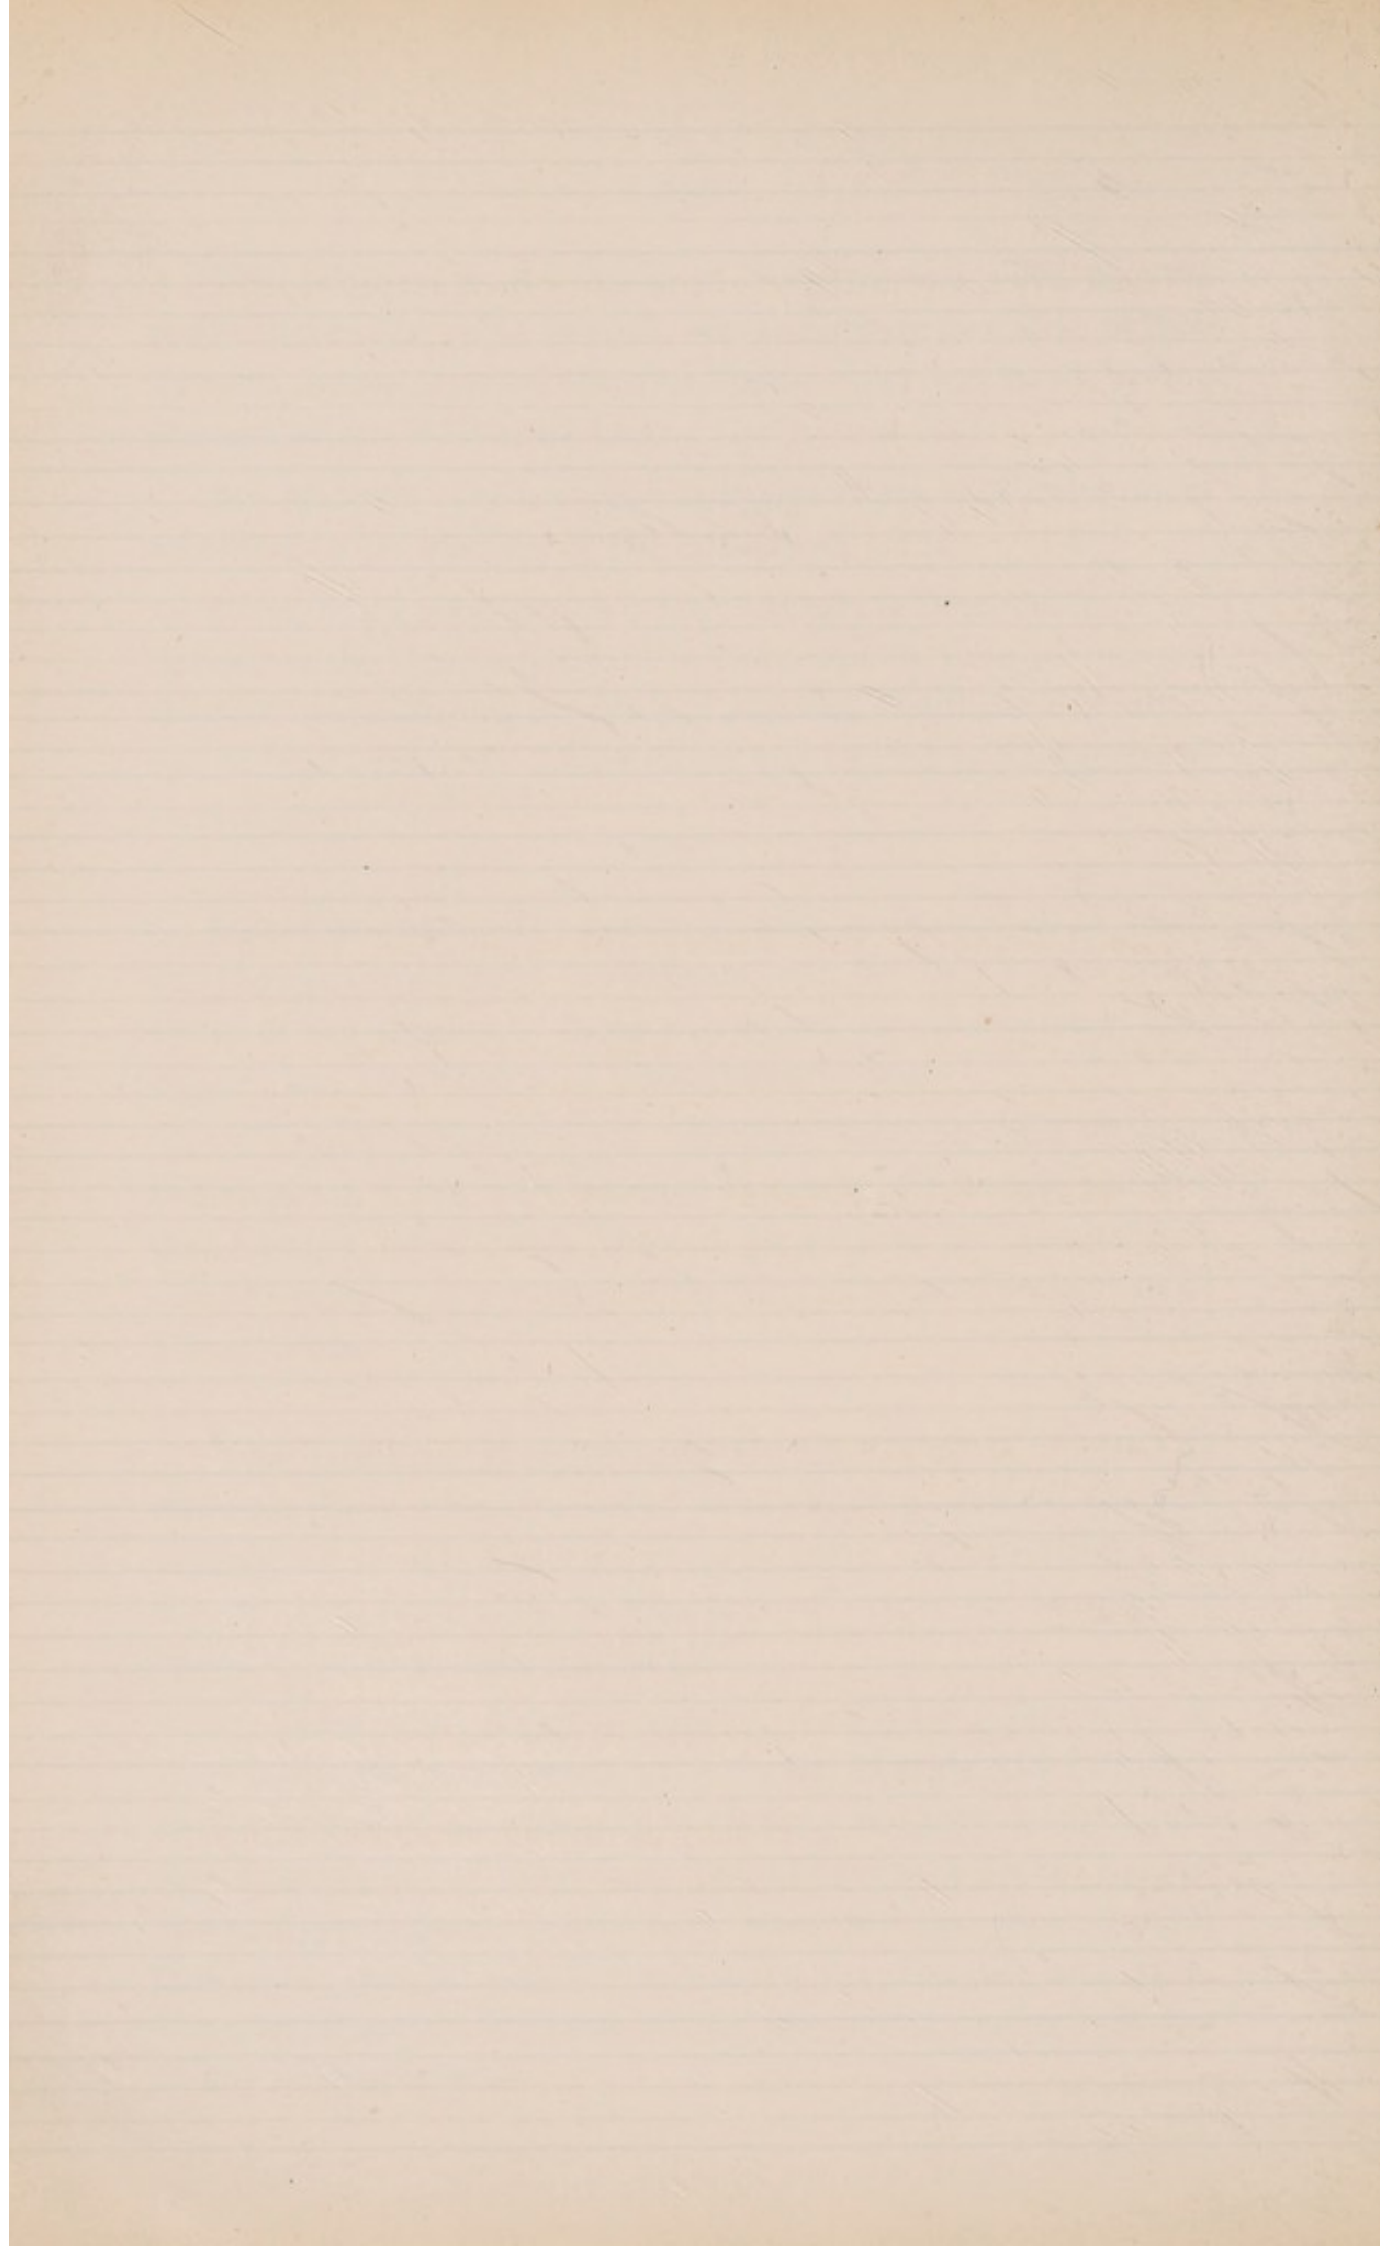

Out-Patients.—The system of inquiry, established in 1893, into the circumstances of the patients, with the view of preventing abuse of the Charity by those able to pay for the treatment they require, has been continued throughout the year.

Of 22,364 patients in the Medical, Surgical, and Special Departments, 1,569 were selected as calling for enquiry, and of that number investigation showed 90 only to be unsuitable, a number equal to '4 per cent. of the total number of patients in all Departments.

The London Needlework Guild has again repeated its welcome gift of a large parcel of warm clothing, which it has now contributed at Christmas for so many years. Warm thanks are due to Mrs. Basil Ellis, to whose good offices the Hospital is indebted for this most valuable gift.

The Board again desire to express their great appreciation of the valuable assistance rendered by the **St. Mary's Aid Society**, both in providing suitable gifts of clothing and toys at Christmas, and in supplying the wards from time to time with flannel jackets, shirts, slippers, games, plants, &c. They feel that most grateful thanks are due to Mrs. Russell-Cooke, the Founder and Hon. Secretary of the Society, and to the ladies co-operating with her in this admirable work.

The Parks' Committee of the London County Council have, during the past year, sent many valuable supplies of fine fruit for distribution among the patients. This kindness has been very much appreciated.

The Flannel Shirt Club, of which the Countess of Strafford is President, has been formed to provide and distribute systematically men's flannel shirts to patients on leaving Hospitals in London. The Board thank the Club sincerely for the supply kindly sent to this Hospital, and desire to express their appreciation of the humane work in which its Members are engaged.

The Ladies of the Flower Mission have continued their efforts to cheer the patients in the Hospital by visiting and singing to them, and by contributing flowers to brighten the wards. This kindness the Board acknowledge with gratitude.

St. Mary's Soup Kitchen has during the year done much to alleviate the sufferings of many of the Out-Patients attending the Hospital, by supplying nourishing food to them at a time when they need it most.

Nurses' Needlework Guild.—The Board beg to offer their grateful thanks to Miss Theobald for sending from this Society a large parcel of clothing, which proved most useful.

The Board beg to offer their very grateful thanks to Miss C. M. MacLeod for sending a most useful gift of underclothing for the patients from the **Hospitals Work Society**.

The Trustees of the **Hospital Convalescent Home, Parkwood**, Swanley, Kent, have continued during the year to place 15 beds at the disposal of the Board for the benefit of patients of St. Mary's Hospital. Full advantage has been taken throughout the year of this valuable provision, 199 of our patients having spent three weeks at the Home. It is impossible

to over estimate the value to the Hospital of these 15 beds for convalescent patients, and the Board repeat the thanks they have expressed in previous Reports for it. Without these beds the great majority of these 199 patients would have had to return, on their discharge from the Hospital, direct to their own homes, to re-engage in the struggle for existence in an enfeebled state.

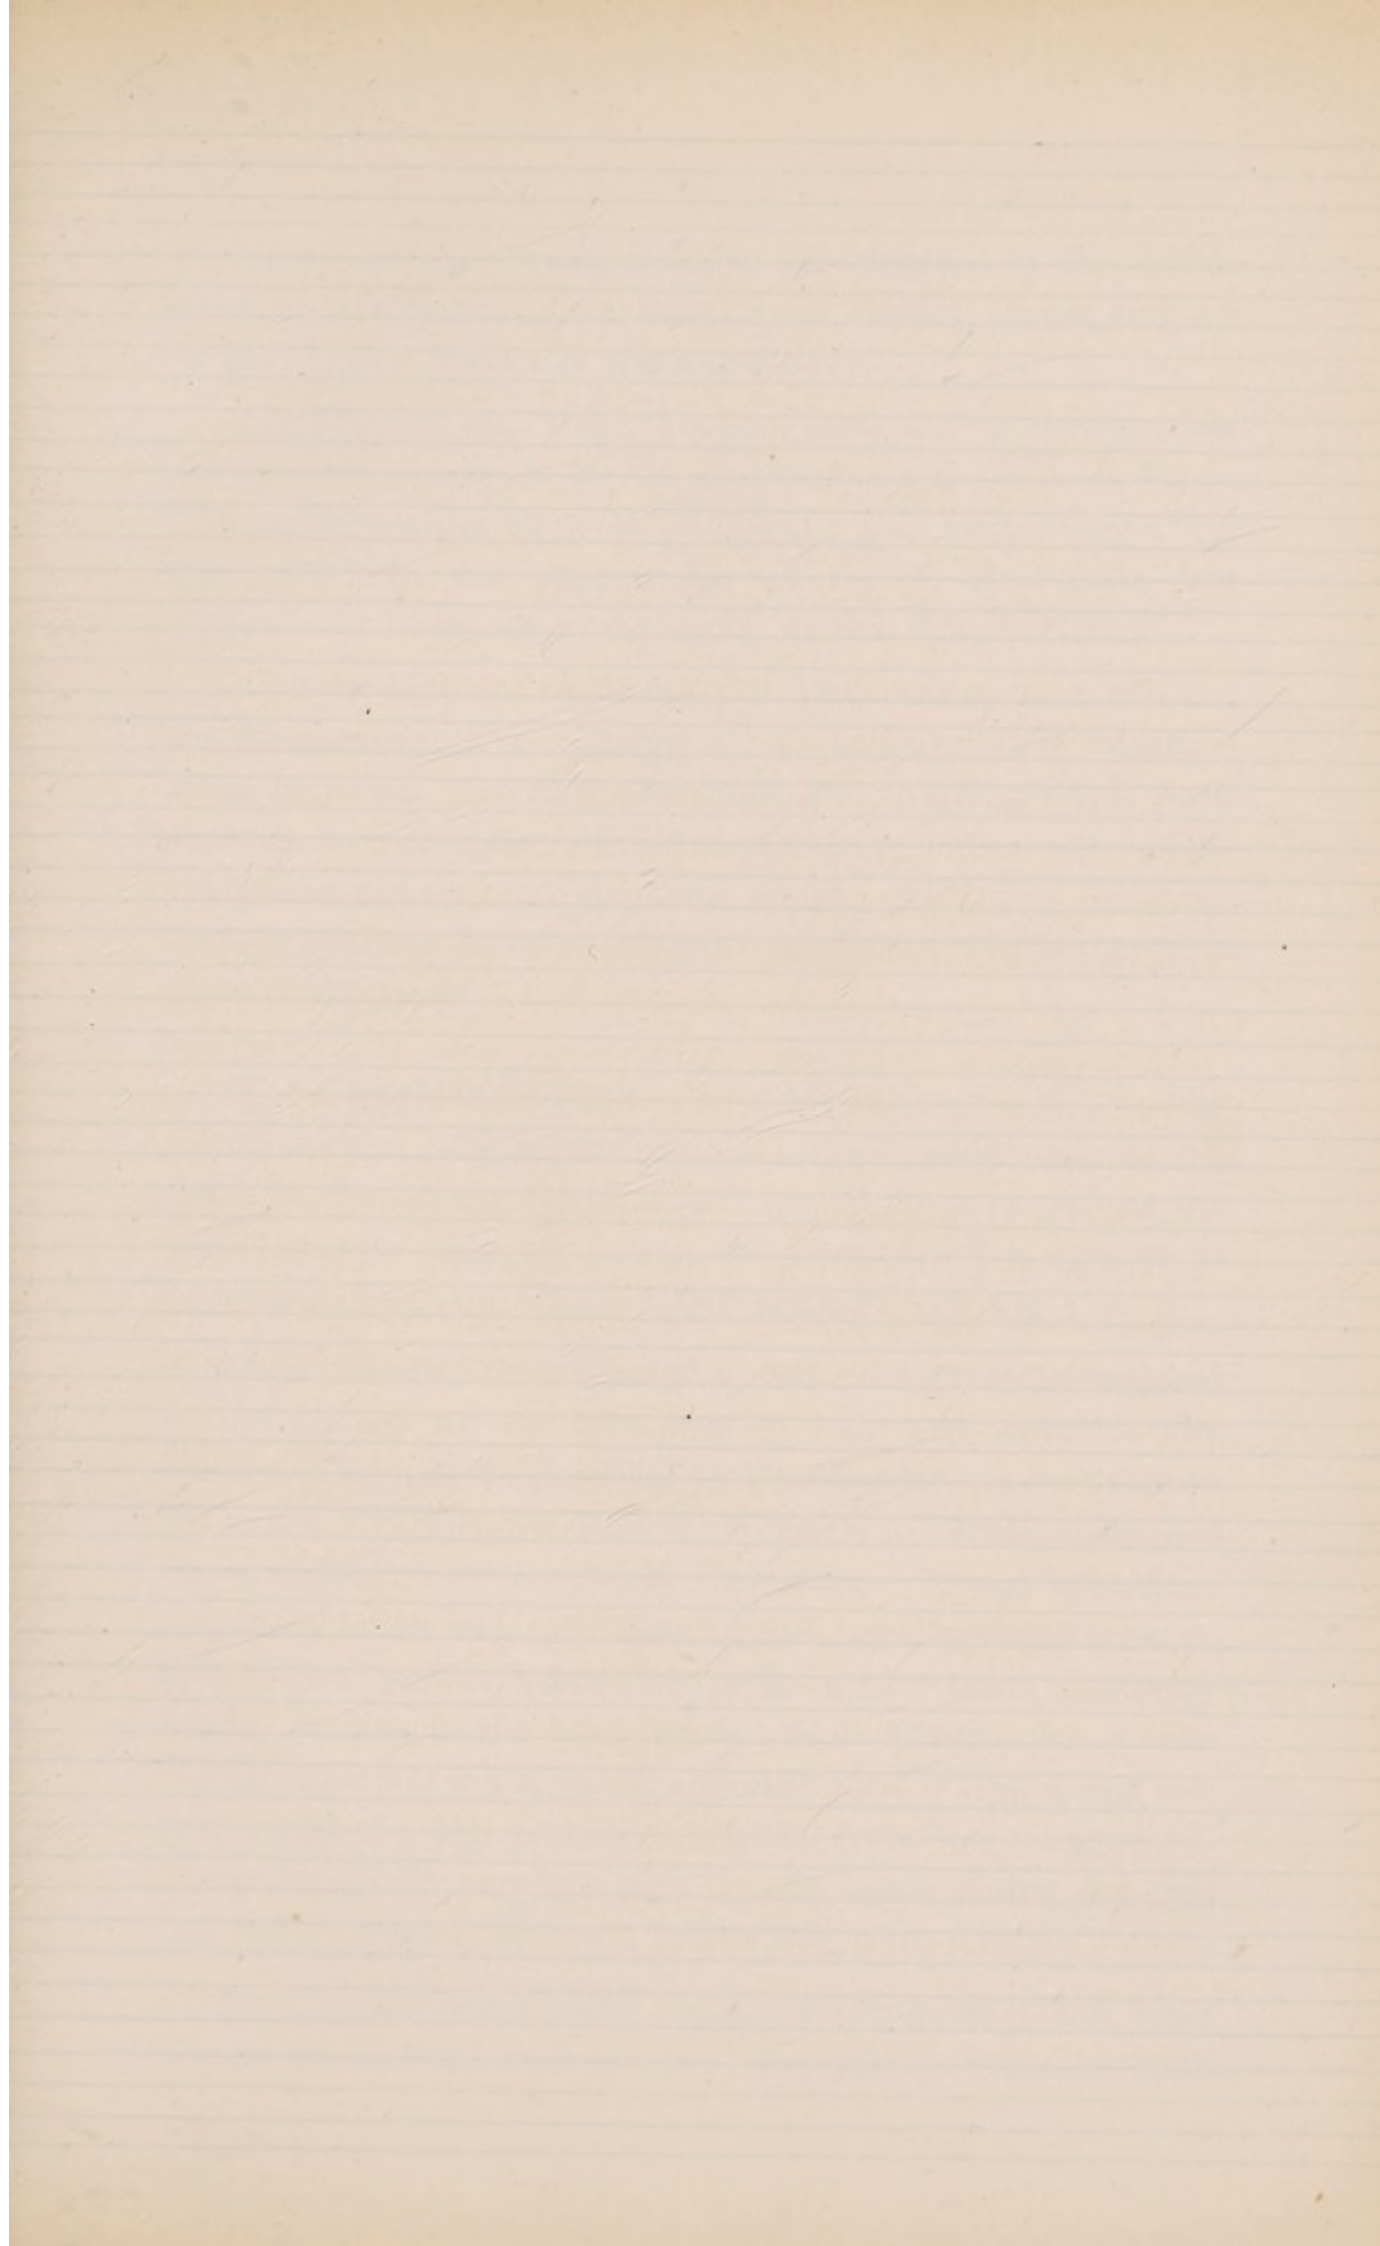

The efficiency of the **Nursing Department** has been well maintained during the year.

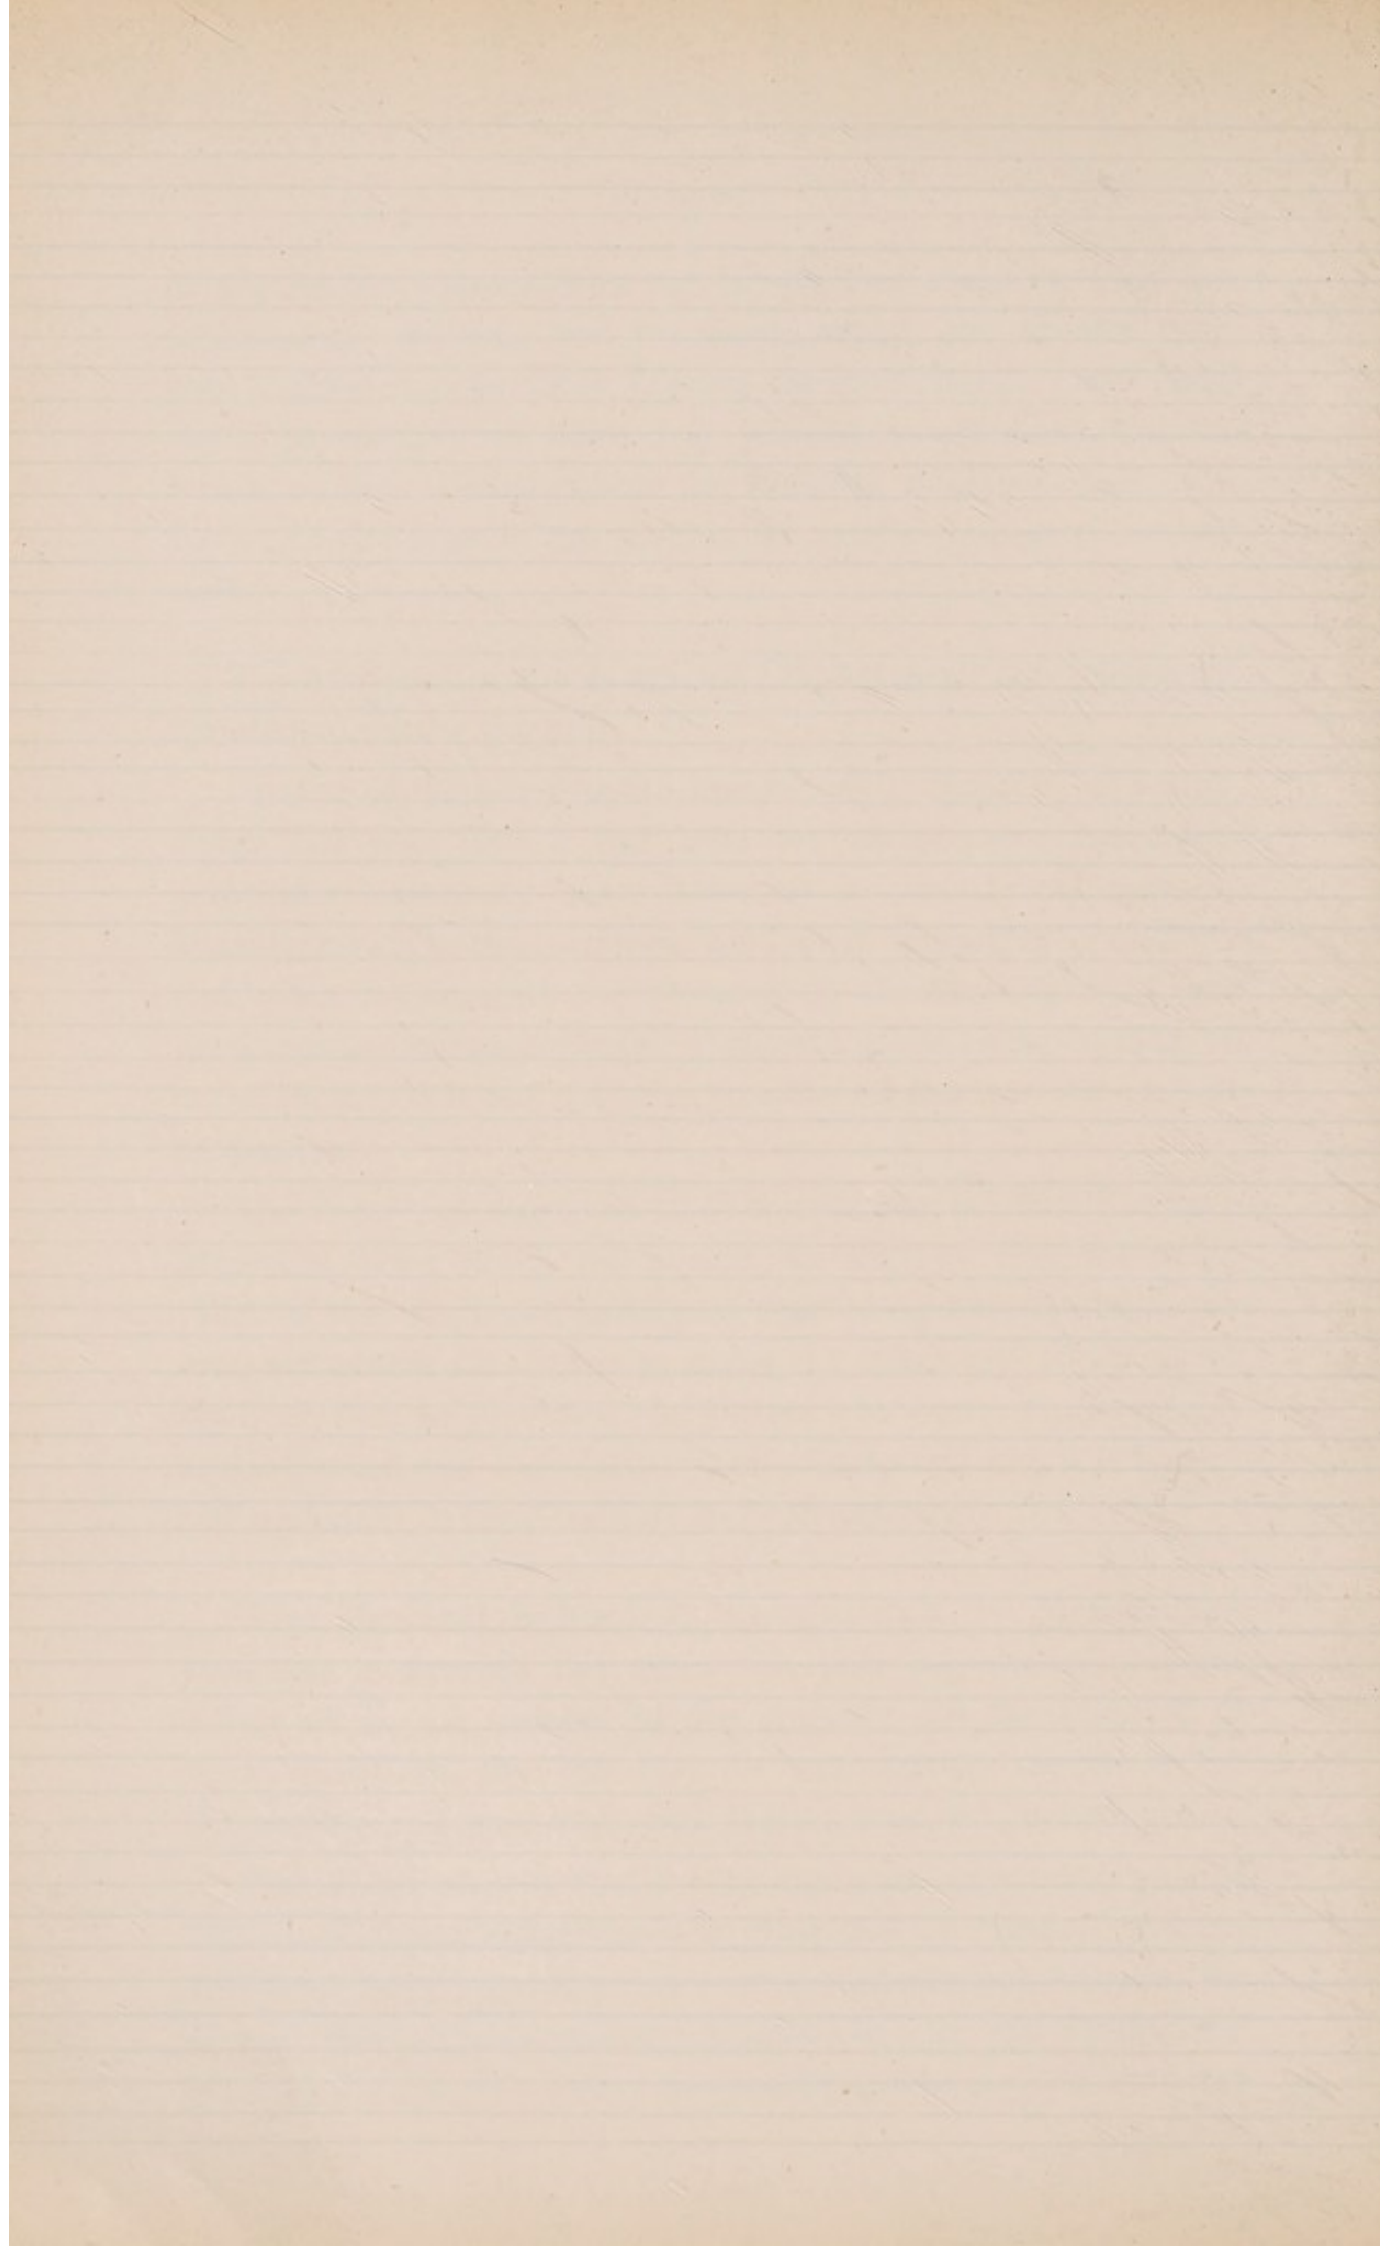

In spite of the fact that the number of In-Patients, although higher last year than it has been for many years, has been practically stationary since 1890, it is nevertheless unquestionable, owing to the increasing number of important operations and other causes, that the pressure on the Nursing Staff has continuously increased during that time, while owing to lack of accommodation it has not been possible to increase the staff in proportion.

The near approach of the completion of the Clarence Memorial Wing which will permit, for the first time for many years, of the whole of the Nursing Staff being housed under one roof, will enable the Board to make the necessary additions to the Staff, and, by providing the Nurses with better sitting-rooms, and improved accommodation in other respects, will, it is hoped, add materially to their comfort and convenience.

The Medical School, in common with the Metropolitan Hospitals in general, has again this year experienced a slight falling off in the number of new students, but the standard of work throughout the year and the examination results at the Universities and Examining Boards have been well maintained.

The Dean reports that during the year an unusually large number of House Surgeoncies at Hospitals in London and the Provinces have been filled by former students, and that the list of successes at the competitive examinations for the Government Medical Services has been exceptionally good—no less than ten

St. Mary's students having obtained commissions in the Indian Medical Service, two in the Royal Army Medical Corps, and one in the Medical Service of the Royal Navy.

The Hospital and Medical School have, during the year, lost the valuable services of Mr. H. G. Plimmer and Dr. A. E. Paine. The vacancy in the office of Pathologist and Bacteriologist has been filled by the appointment of Dr. A. E. Wright, late Professor of Pathology in the Army Medical School, Netley.

With the object of rendering this Department more efficient for the carrying out of pathological and bacteriological investigations, important structural alterations and re-arrangements have recently been completed, and recognising the increasingly important bearing of such investigations on the practice of Medicine and Surgery, the Board record with satisfaction this further step in its development.

The Chaplain's Work.—A weekly celebration of the Holy Communion is held regularly in the Chapel; additional celebrations on the greater festivals and special days, as well as the usual 10 a.m. Morning Prayer and Sermon. The number of communicants at the Chapel Celebrations in 1902 was 502.

Organ Recitals have been given in Lent for the patients, and special services for the Staff held in Lent and Advent. The Bishop of Kensington preached on Whit-Sunday, Canon Syers on St. Luke's Eve, and the Rev. F. Webster, All Souls', Langham Place, at the Annual Service in November. Prayers have been read daily in the wards by the Chaplain, and half-hour services, consisting of prayers, hymns, and address, have been held every Sunday evening in the adult wards. Holy Communion is celebrated frequently in the wards, and each ward is visited as a rule every week by the Chaplain, special cases more frequently. There were 187 communicants in the wards during the past year and 15 private baptisms, besides two in the Chapel.

The Chaplain once more wishes to acknowledge the great help he has received from Mr. Fox, Lay Reader, from the Lady

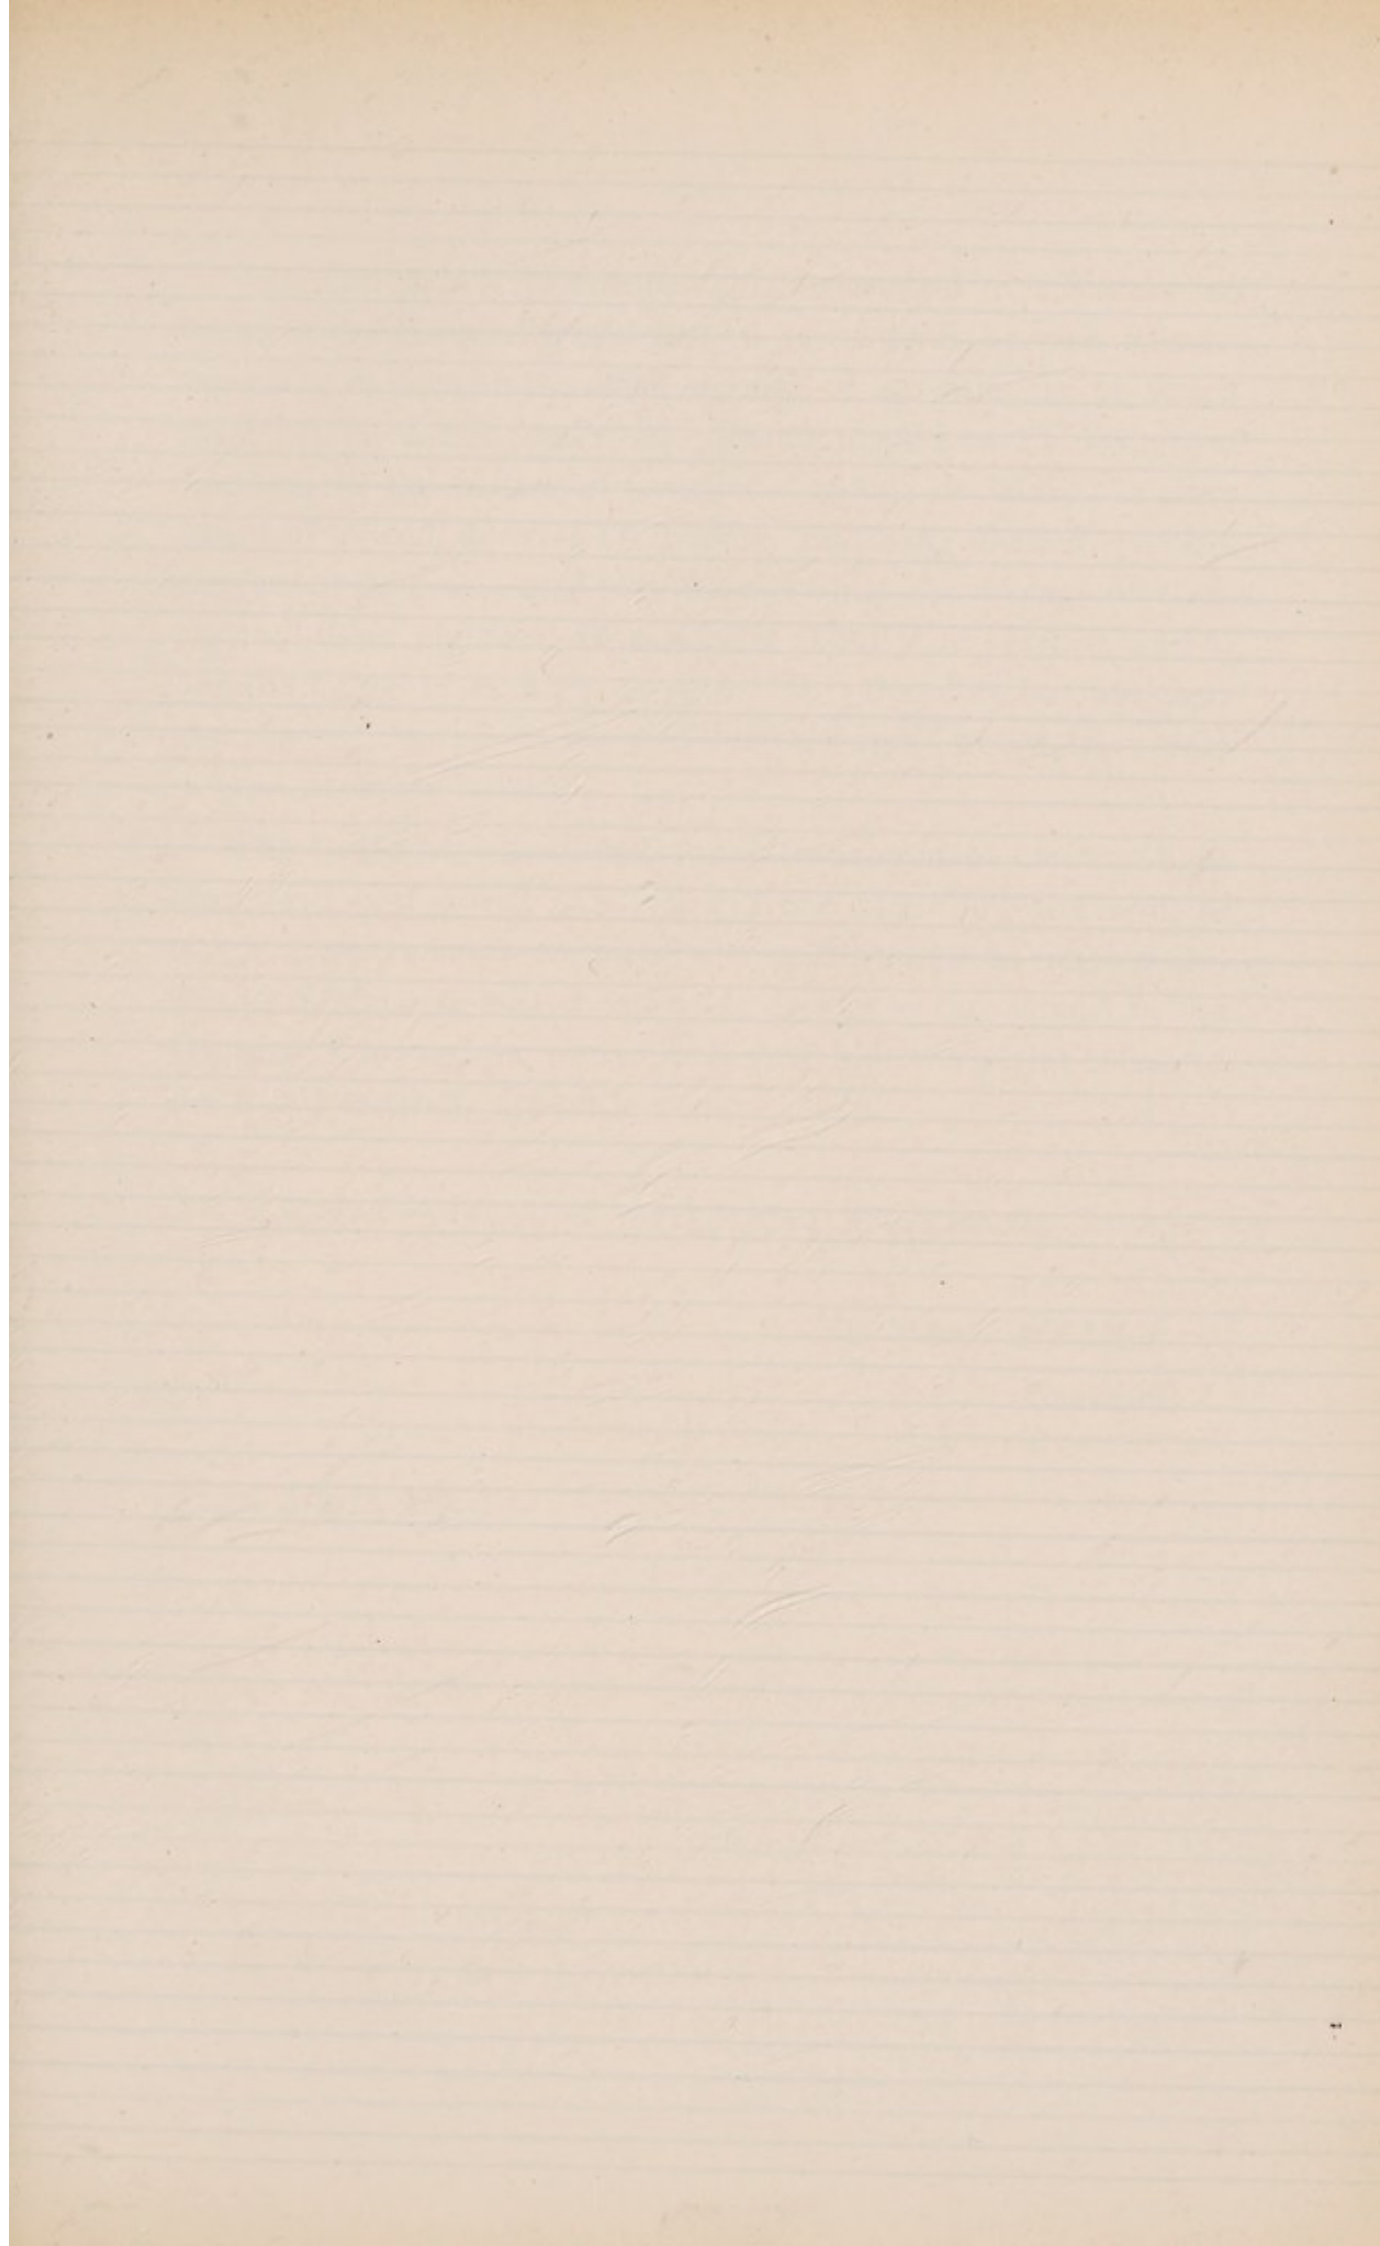

Visitors, of whom there are 48 on the books, and to thank Miss Bullen, Miss Sadler, Mr. Goff, and Mr. Bartlett for playing the harmonium at the ward services.

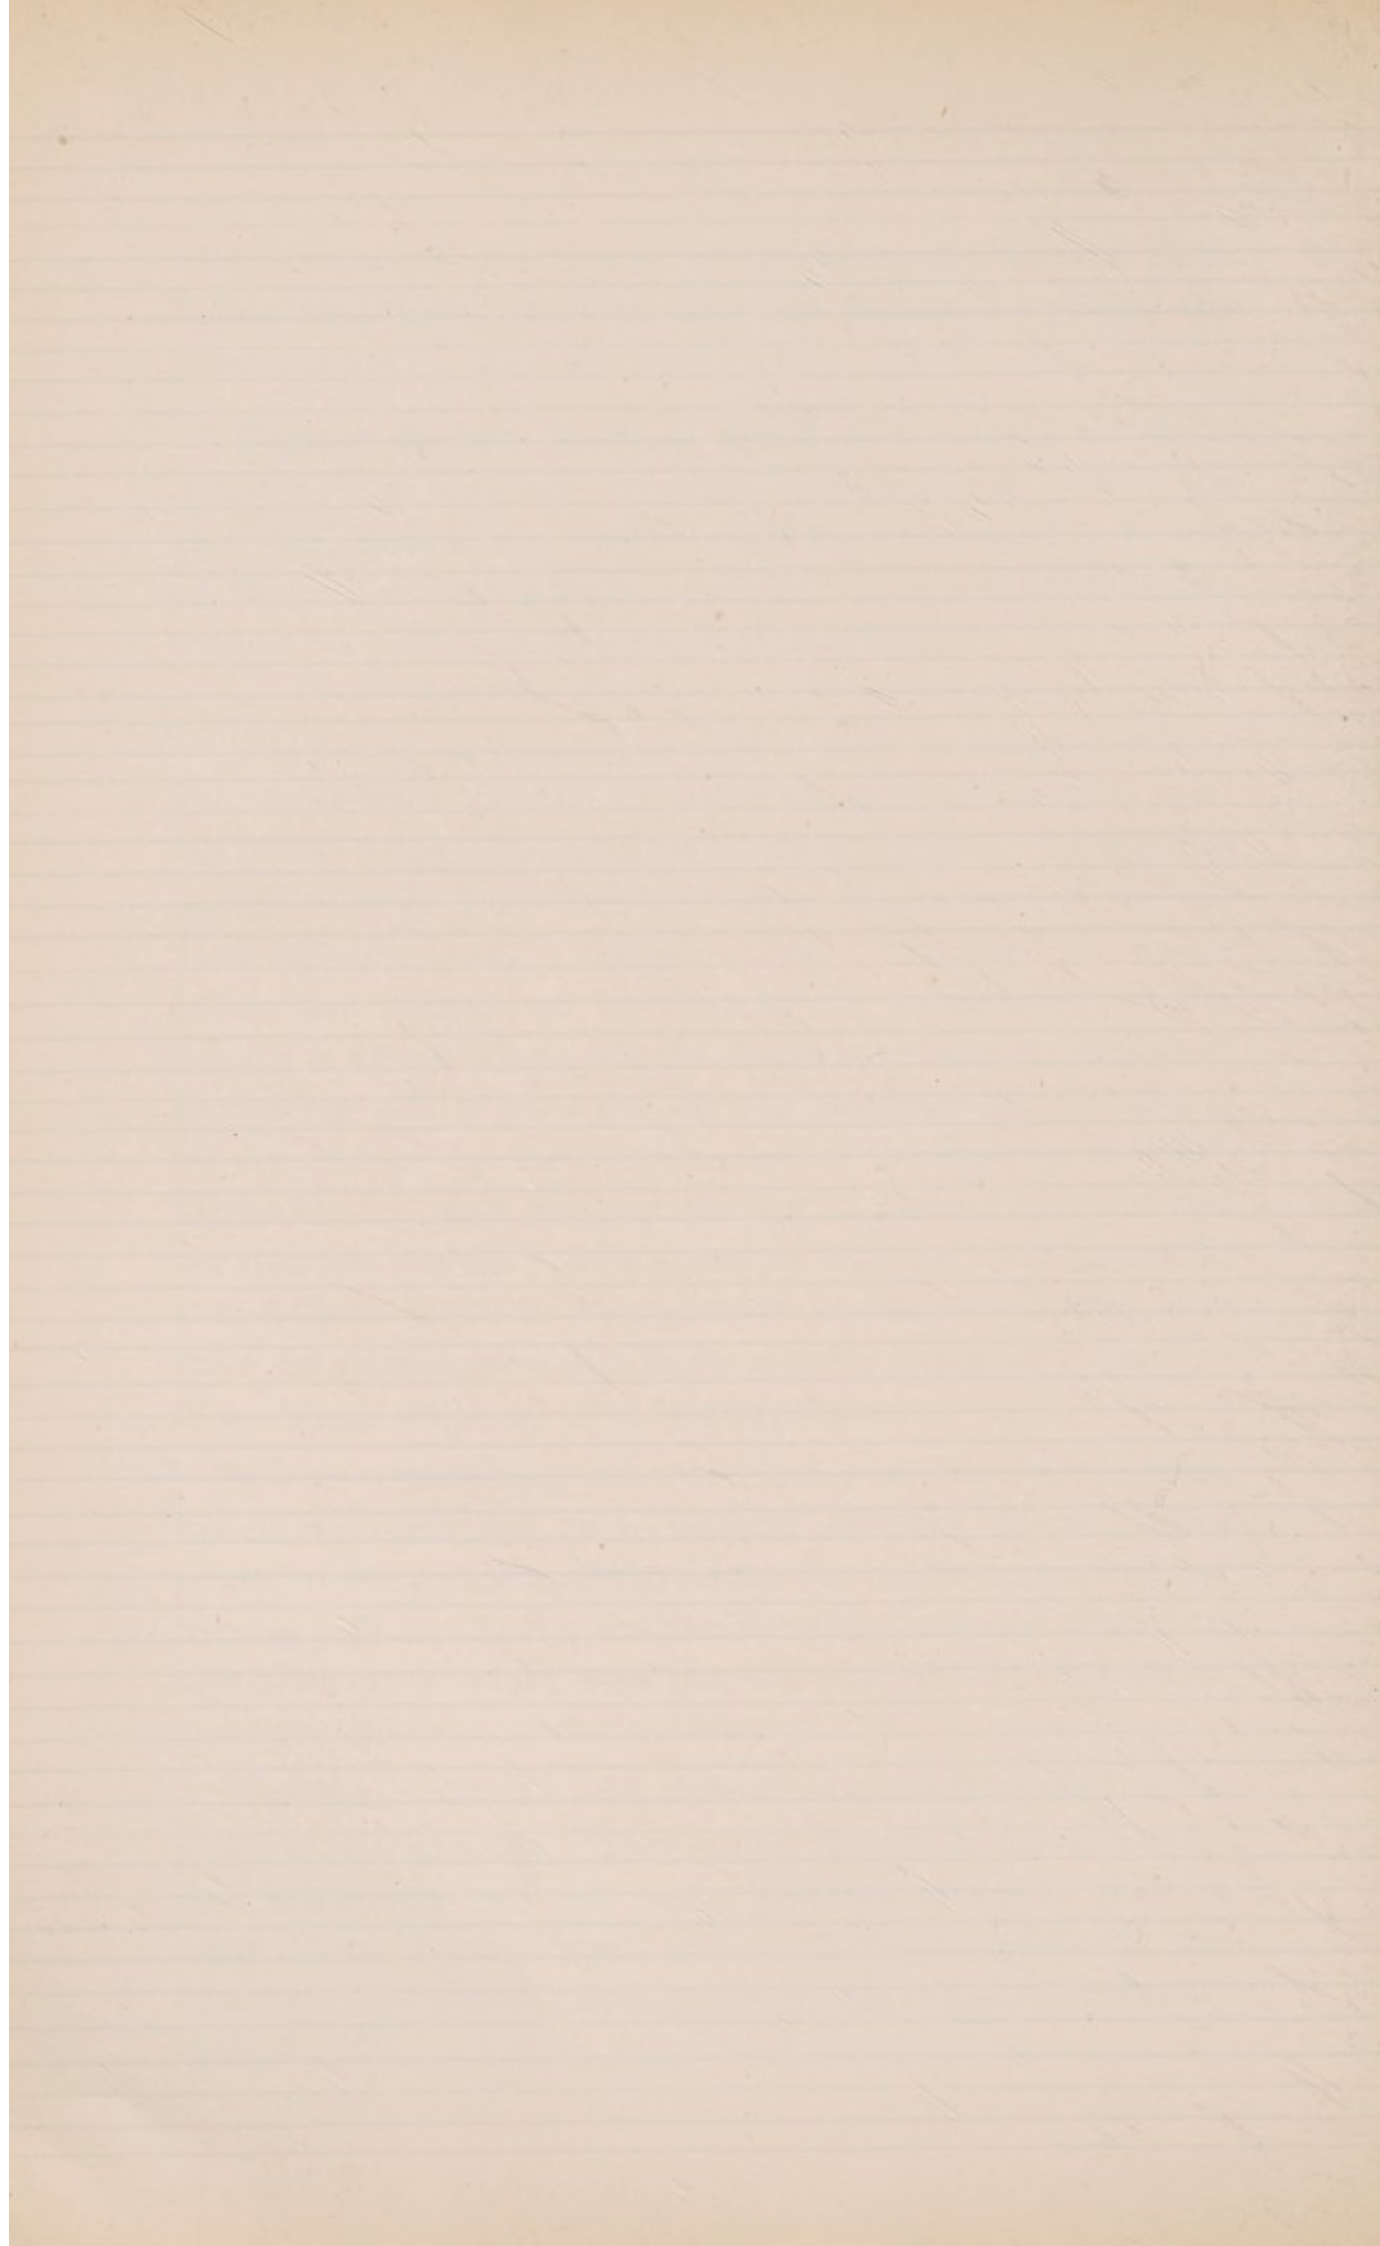

Thanks to the Medical Staff.—The Board desire to testify to the constant attention and kindness which the Honorary Medical and Surgical Staff have continued to bestow on the patients during the past year, and to convey hearty thanks to them for their valuable services to the Hospital.

The BOARD in conclusion wish to refer to a matter of very great importance, namely, the urgent necessity for resuming without further delay the renovation of the equipment, fittings, and appointments of the Wards and other departments of the old Hospital—in a word, to modernize them. This important undertaking was commenced in 1897 by the laying down of teak flooring in all the Wards, but the Board have been deterred from proceeding with it while the work of enlarging the Hospital is on their hands, by the consideration of the expense involved. Meanwhile the need for improvement, of course, increases, and the situation therefore daily grows in urgency. Reference has already been made to the question of electric lighting, and there are other matters such as the sanitary fittings and furniture of the Wards which are of no less importance.

Such an undertaking must necessarily involve great expense, but as the result will be to increase efficiency, to add to the comfort of the patients, and to render the onerous duties of the Nursing Staff less heavy, the Board believe that the Governors and Subscribers would wish that the work should be resumed and completed without further delay.

The Board conclude with a few earnest words on the financial aspect of this question. They wish to appeal to the Governors and Subscribers and the public generally to enable them to make these improvements without having recourse to the hazardous expedient of realizing investments to raise the necessary funds.

Essential as it is to ensure a high standard of efficiency, no friend of the Hospital would wish it to be done by such means, especially in view of the small amount of investments of which the Hospital stands possessed. Among the General Hospitals of London, in the matter of invested Capital, St. Mary's is very badly off indeed, deriving an income therefrom, divided over the number of its beds, equal to £8 only, while the average (excluding the three endowed Hospitals) is about £20 per bed, and in one the figure is as high as £50. It is therefore but too clear that for St. Mary's to have to realise capital would be a very serious necessity indeed.

The Board have said that the introduction of electric light alone will cost about £2,500, and the other improvements to which reference has been made will cost at least as much more. To the residents of such a well-to-do district as that served by the Hospital, however, the provision of such a sum is a light task, and the Board earnestly appeal to them for help.

Signed on behalf of the Board of Management.

THOMAS RYAN,

Secretary.

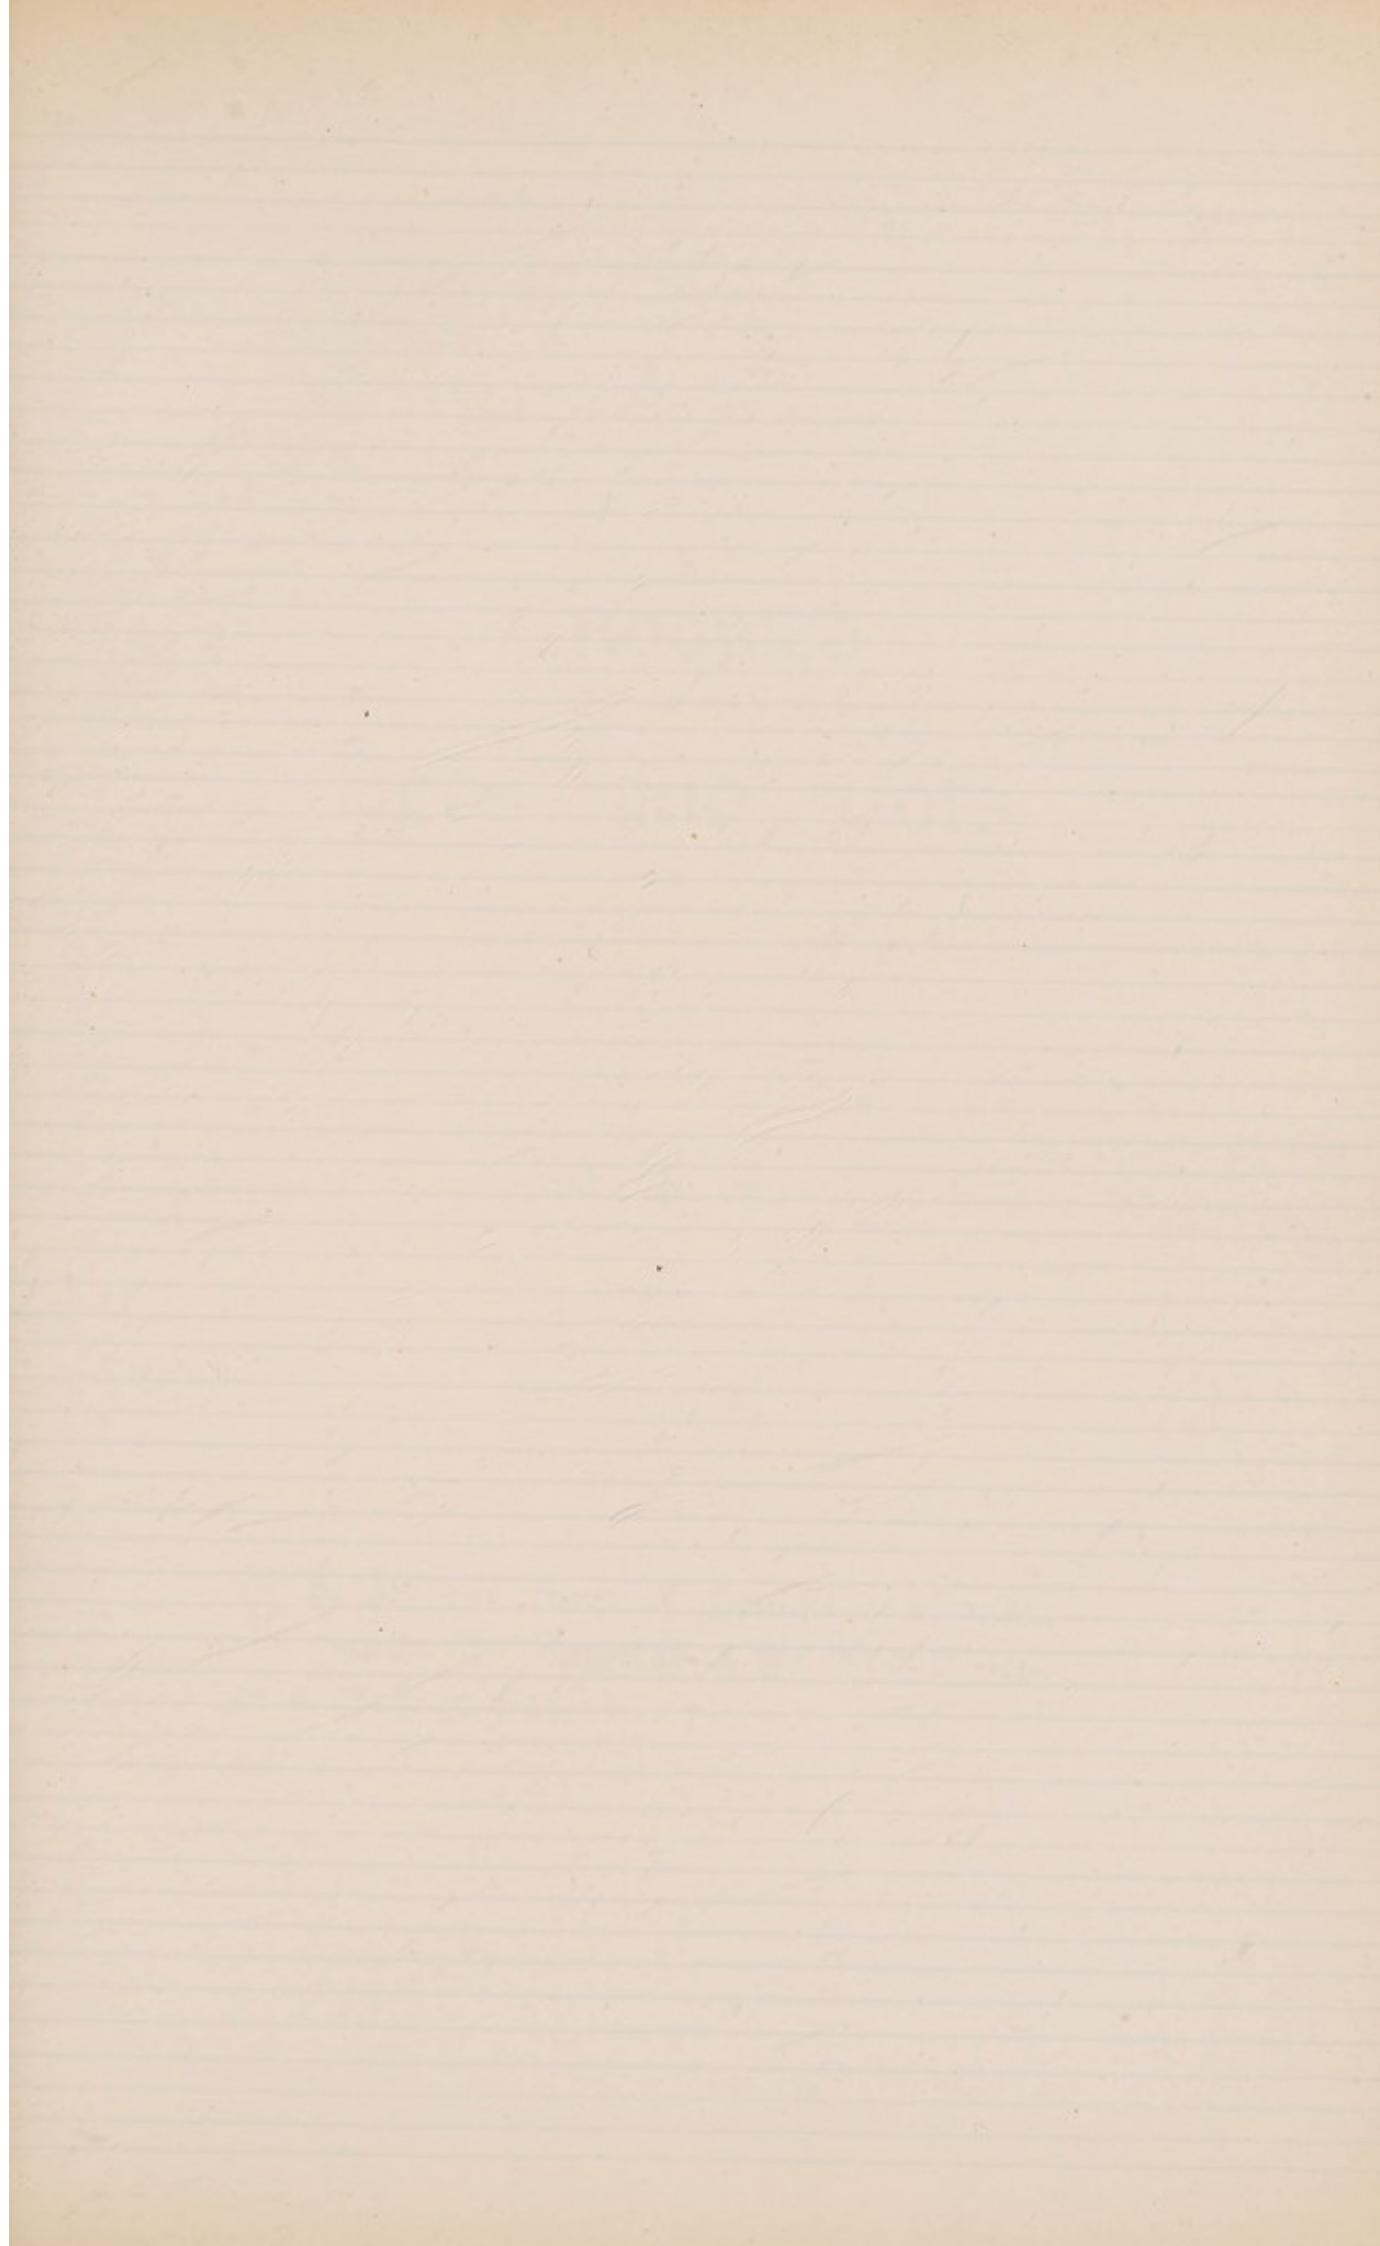

12th March, 1903.

The George Sturge Trust Fund.

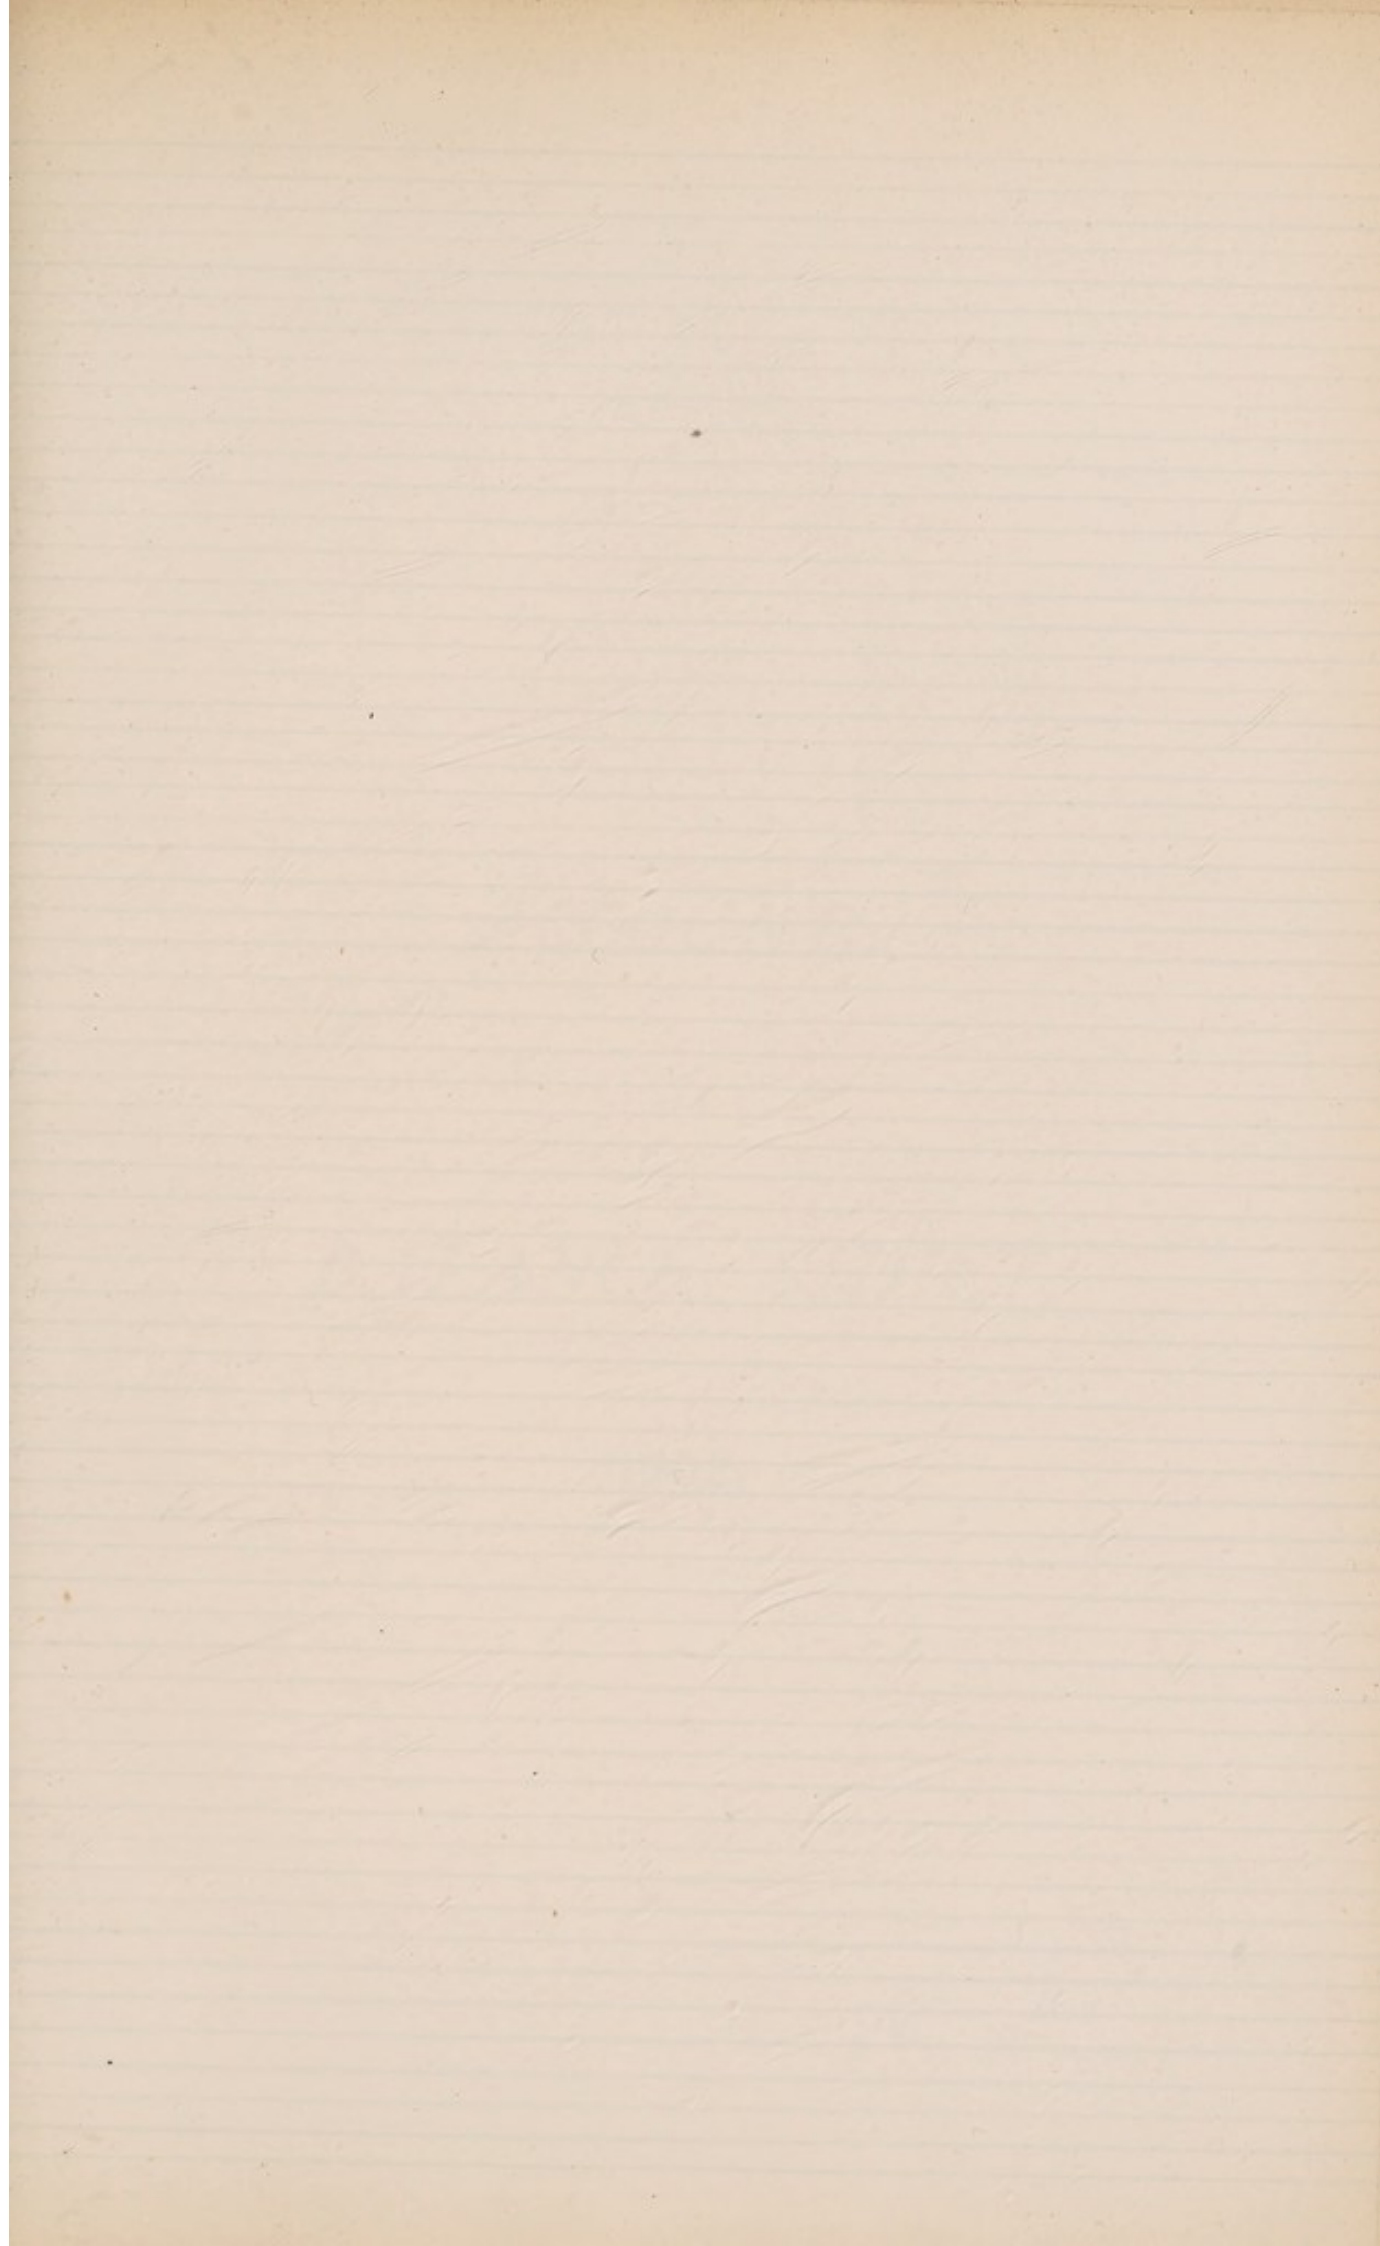

In the year 1884 Mr. George Sturge, of Woodthorpe, Sydenham Hill Road, executed a Deed of Trust conveying to St. Mary's Hospital £926 *Great Eastern Railway 5 per Cent. Preference Stock, representing one thousand pounds (£1,000), under the following conditions:—

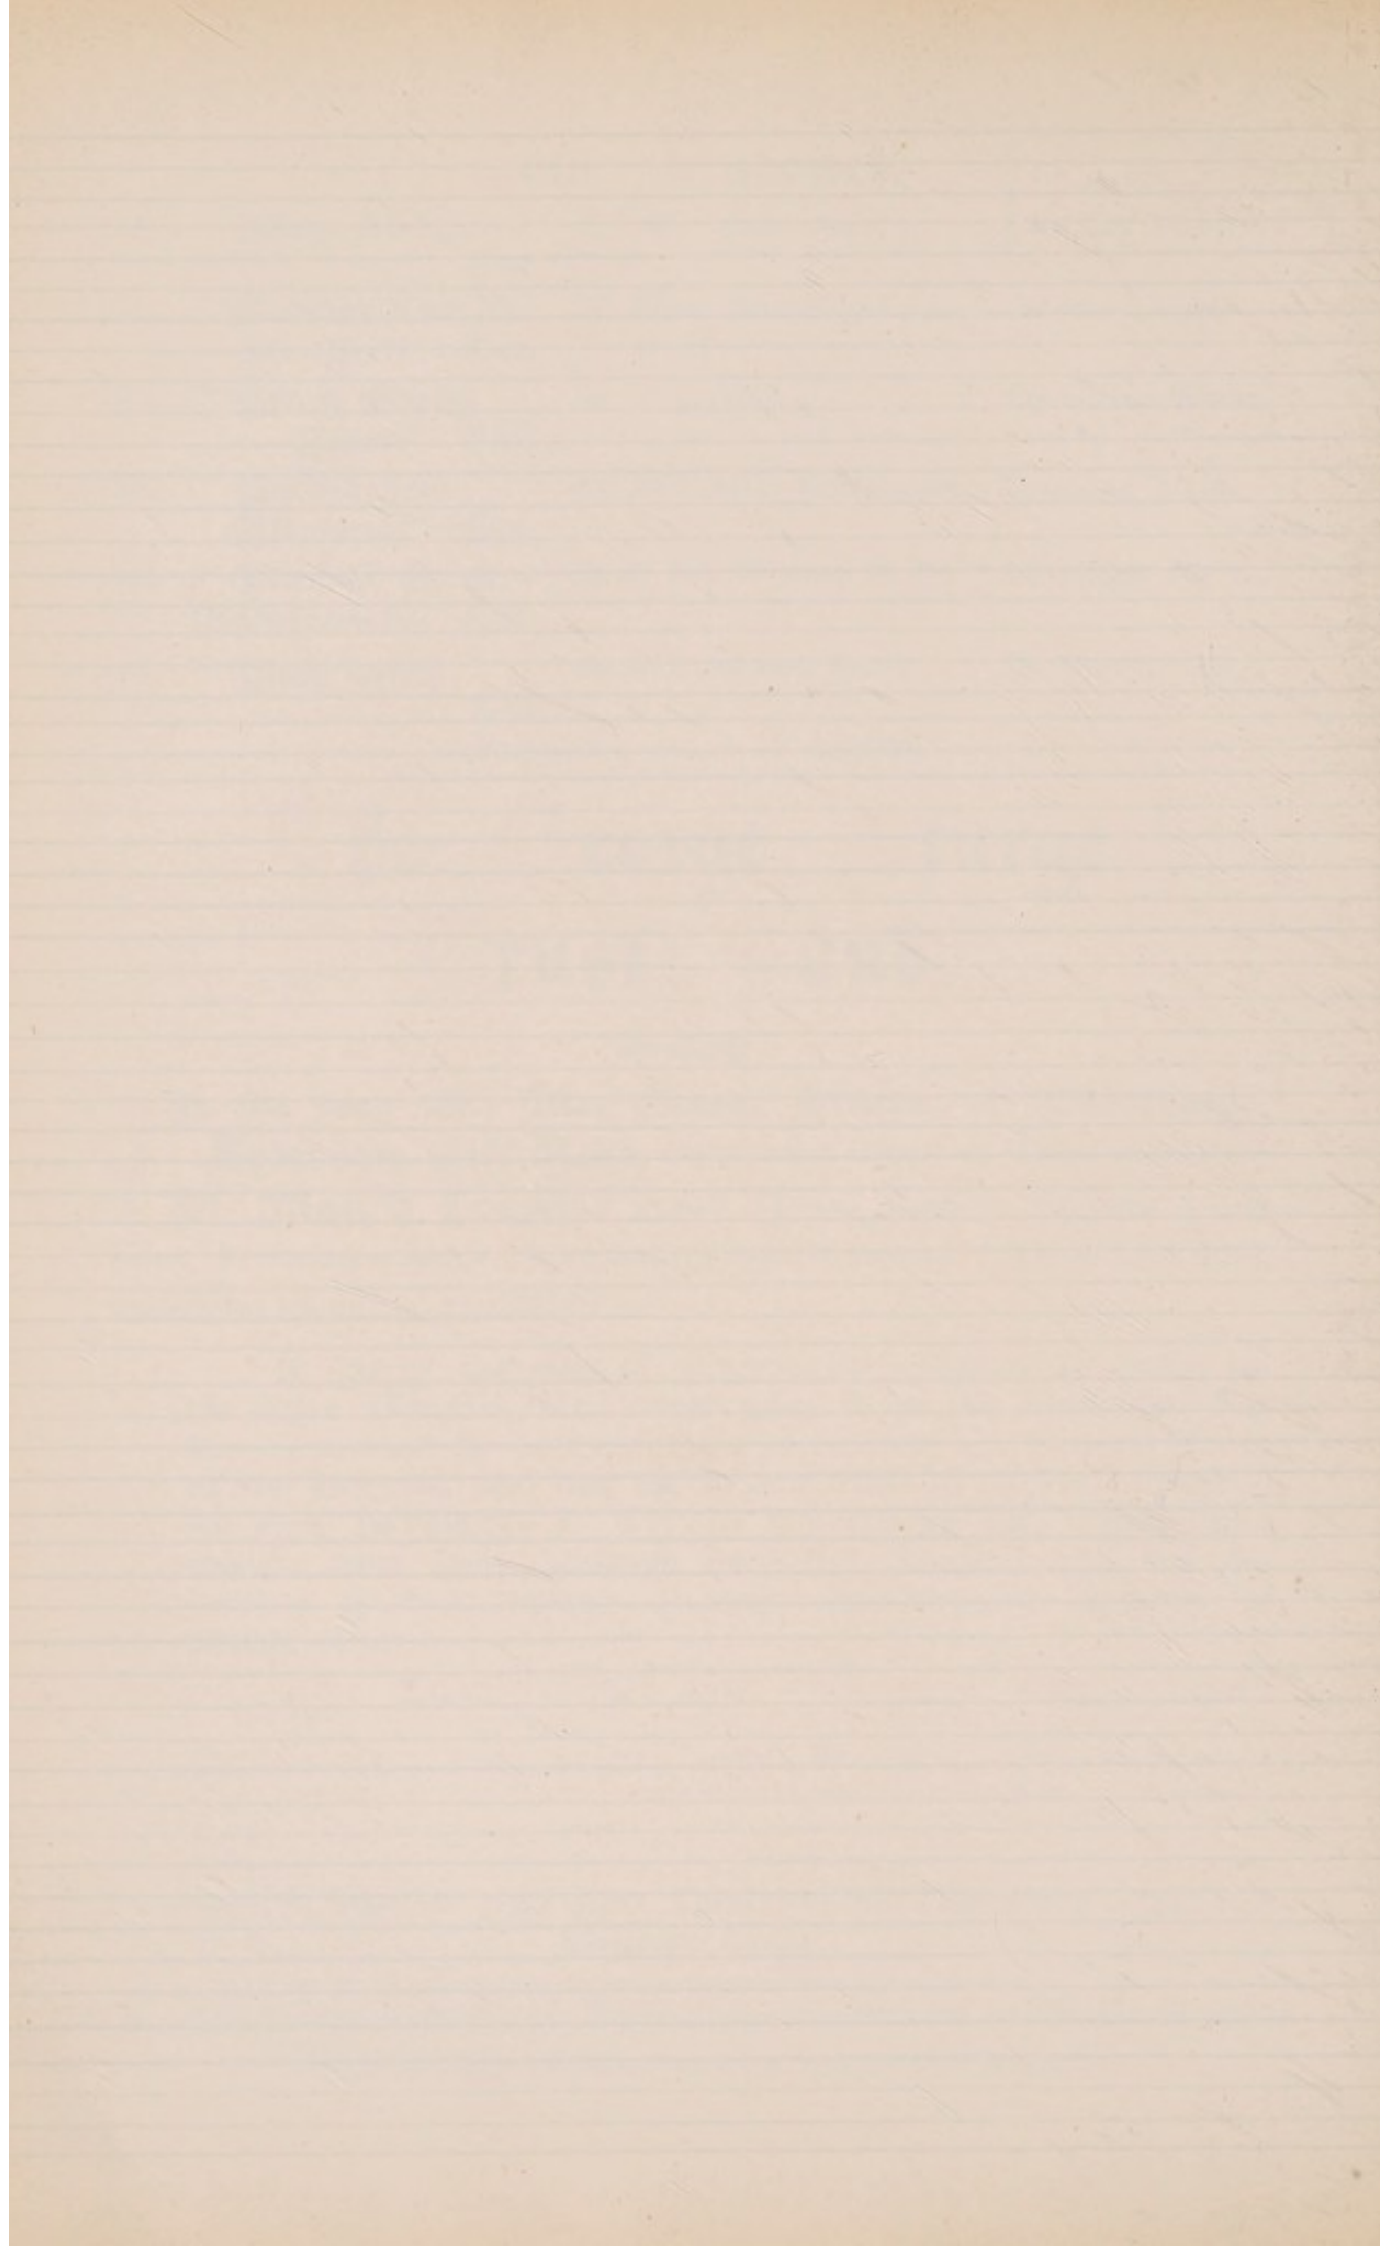

“In giving the sum of £1,000 for a Samaritan Fund for the above Hospital, Mr. Sturge gives it on the conditions that this Fund shall be kept entirely separate from the General Funds of the Hospital, and that the income shall be paid to, or applied for, such In-Patients as may be necessitous, and within three months from their discharge from the Hospital, and for the purpose of their having necessary nourishment, clothing, or change of air.”

** Mr. Sturge hopes that this Fund may be made known and that others may be induced to subscribe to it. **

* Converted, in 1902, to £972 Great Eastern Railway Consolidated 4 per cent. Preference Stock.

The Disbursements under this Trust Deed are included in the Convalescent Fund Account on pages 34 and 104 of this Report.

EXTRACTS FROM THE LAWS AND REGULATIONS.

EXTENT AND OBJECTS OF THE INSTITUTION.

1. The Hospital contains 281 beds allotted as follows:—

General Medical Cases	...	91		*Ophthalmic Cases	...	8
General Surgical	„	46		Skin Cases, 4; Aural Cases,		
*Accidents	„	65		4; Throat Cases, 4; Dental		
*Children, Medical	„	18		Cases, 3	...	15
*Children, Surgical	„	16		*Isolation Cases	...	10
*Obstetric	„	12				281

Special Wards are provided for those cases marked with an asterisk.

2. All classes of disease are received, with the exception of confirmed consumption, infectious diseases other than typhoid fever, delirium tremens, itch, incurable diseases, chronic ulcerated legs, and cases capable of receiving equal benefit as Out-patients. It must, however, be borne in mind, that “no person capable of paying for medical attendance is admissible as a patient.”§

GOVERNMENT AND MANAGEMENT.

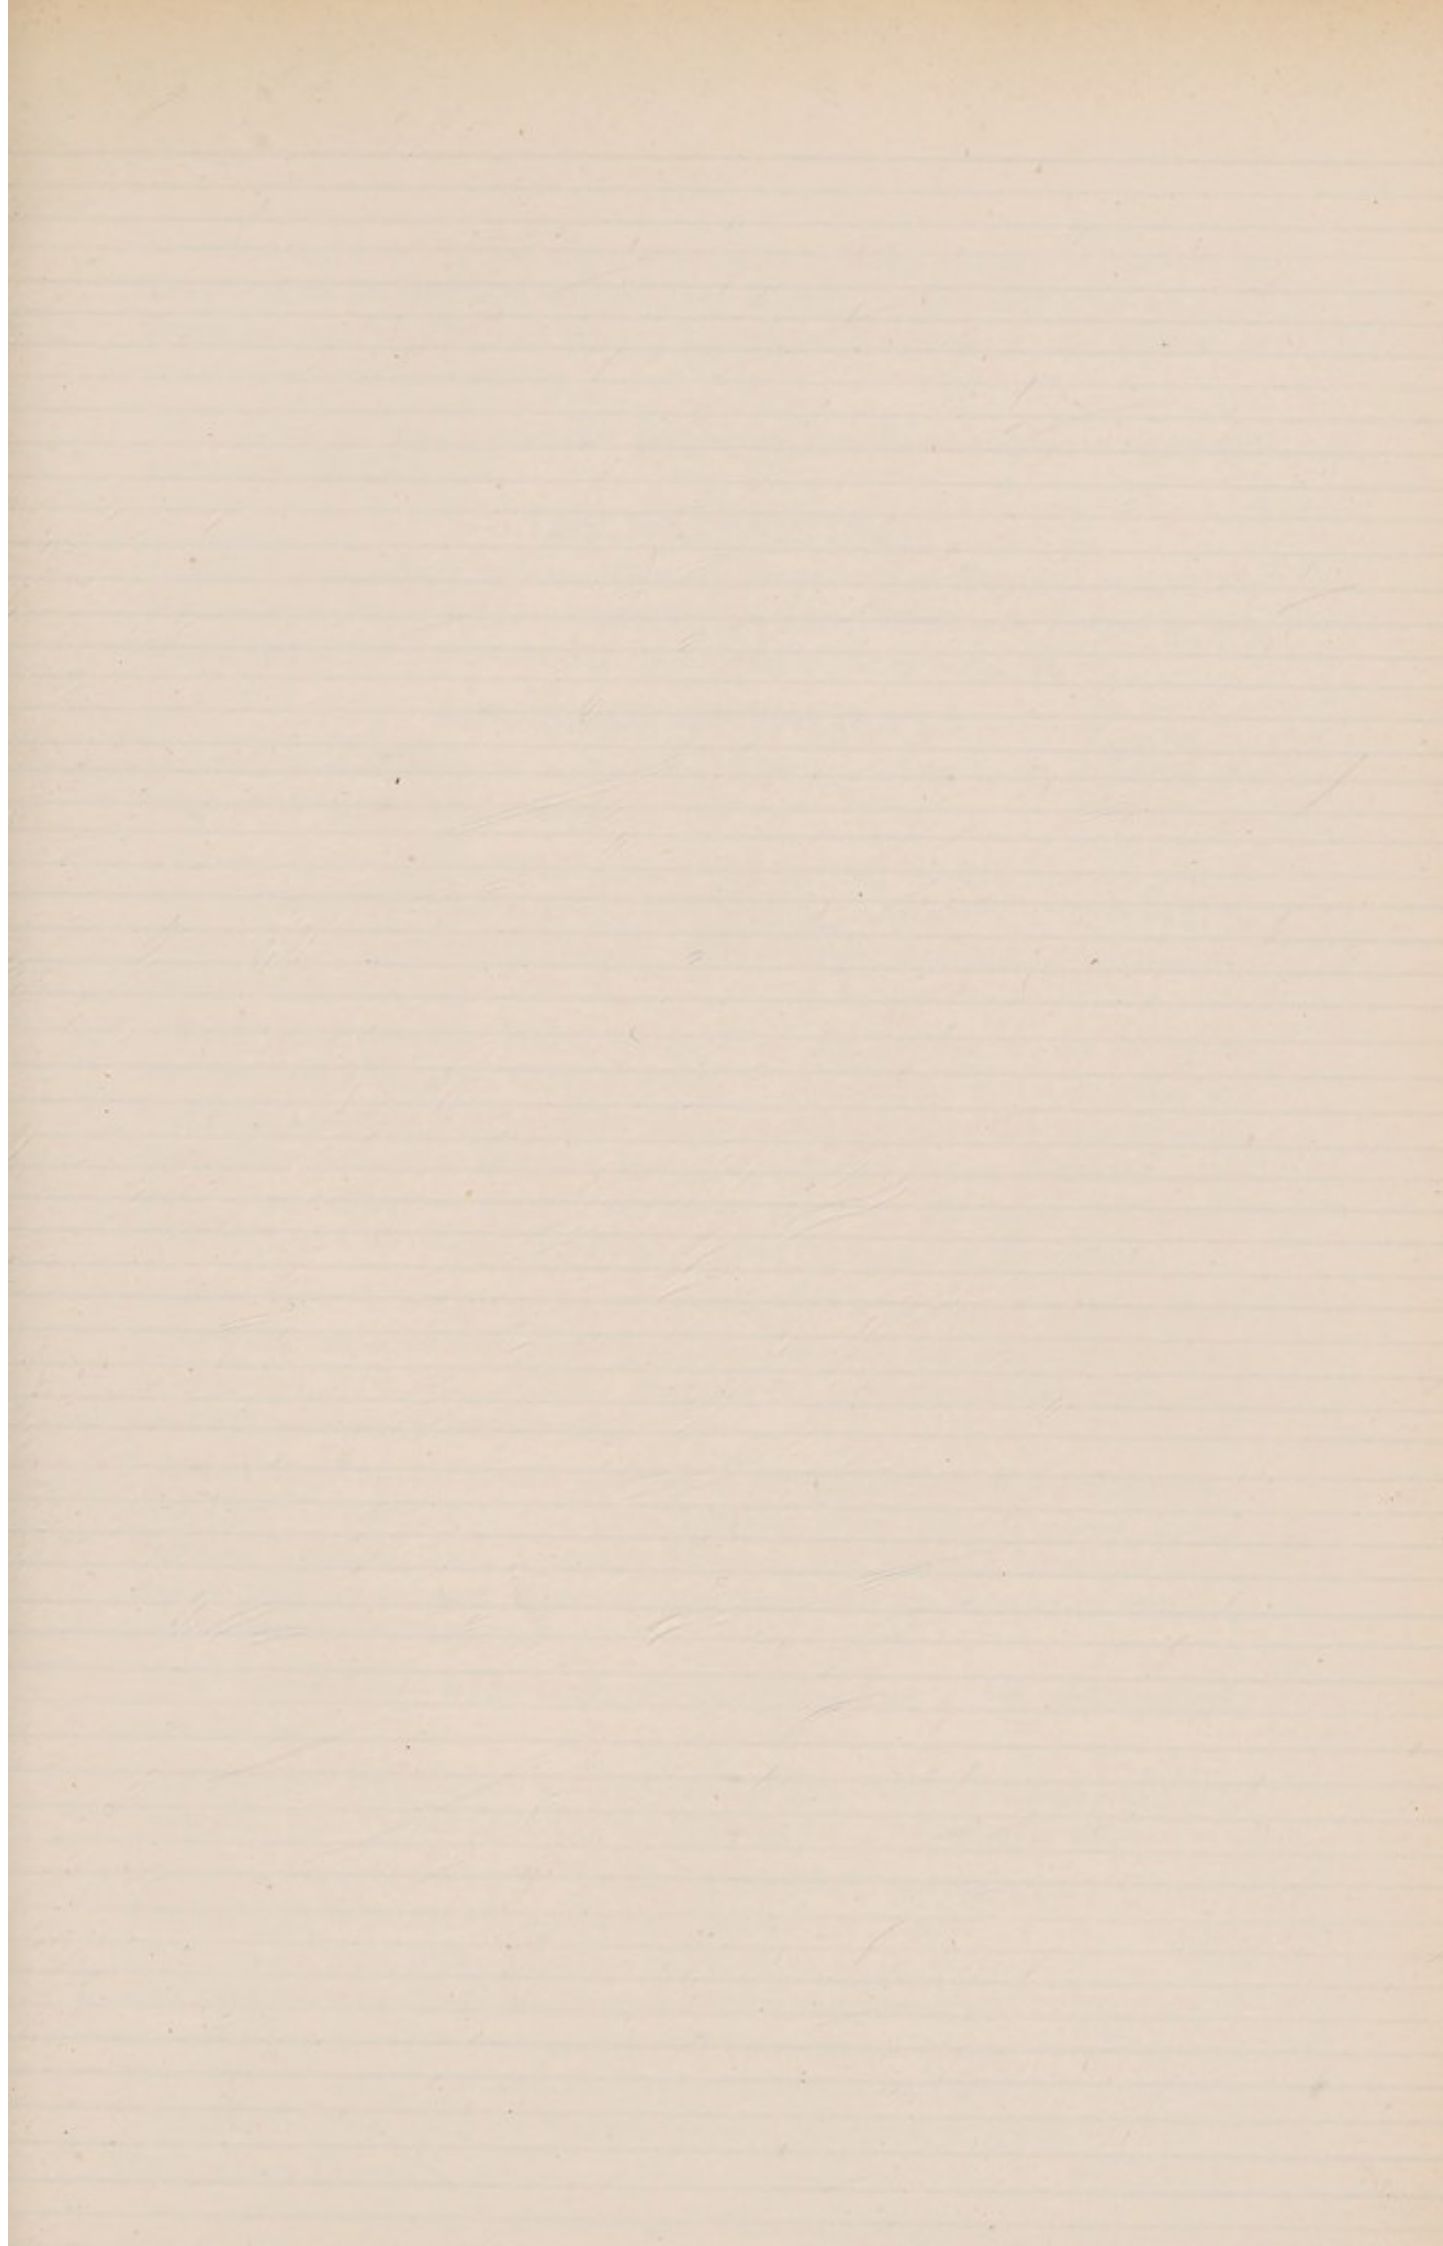

The mode of Government is by a Board of Management, meeting fortnightly, and consisting of the President, Vice-Presidents, Trustees, and Treasurers, together with twenty-five Governors elected annually, of whom eight are Members of the Medical and Surgical Staff or Lecturers in the Medical School; and by Standing Committees appointed by the Board of Management. The acts of the Board of Management and of the Standing Committees are subject to the control of the Quarterly and Special Boards, which are open to all Governors.

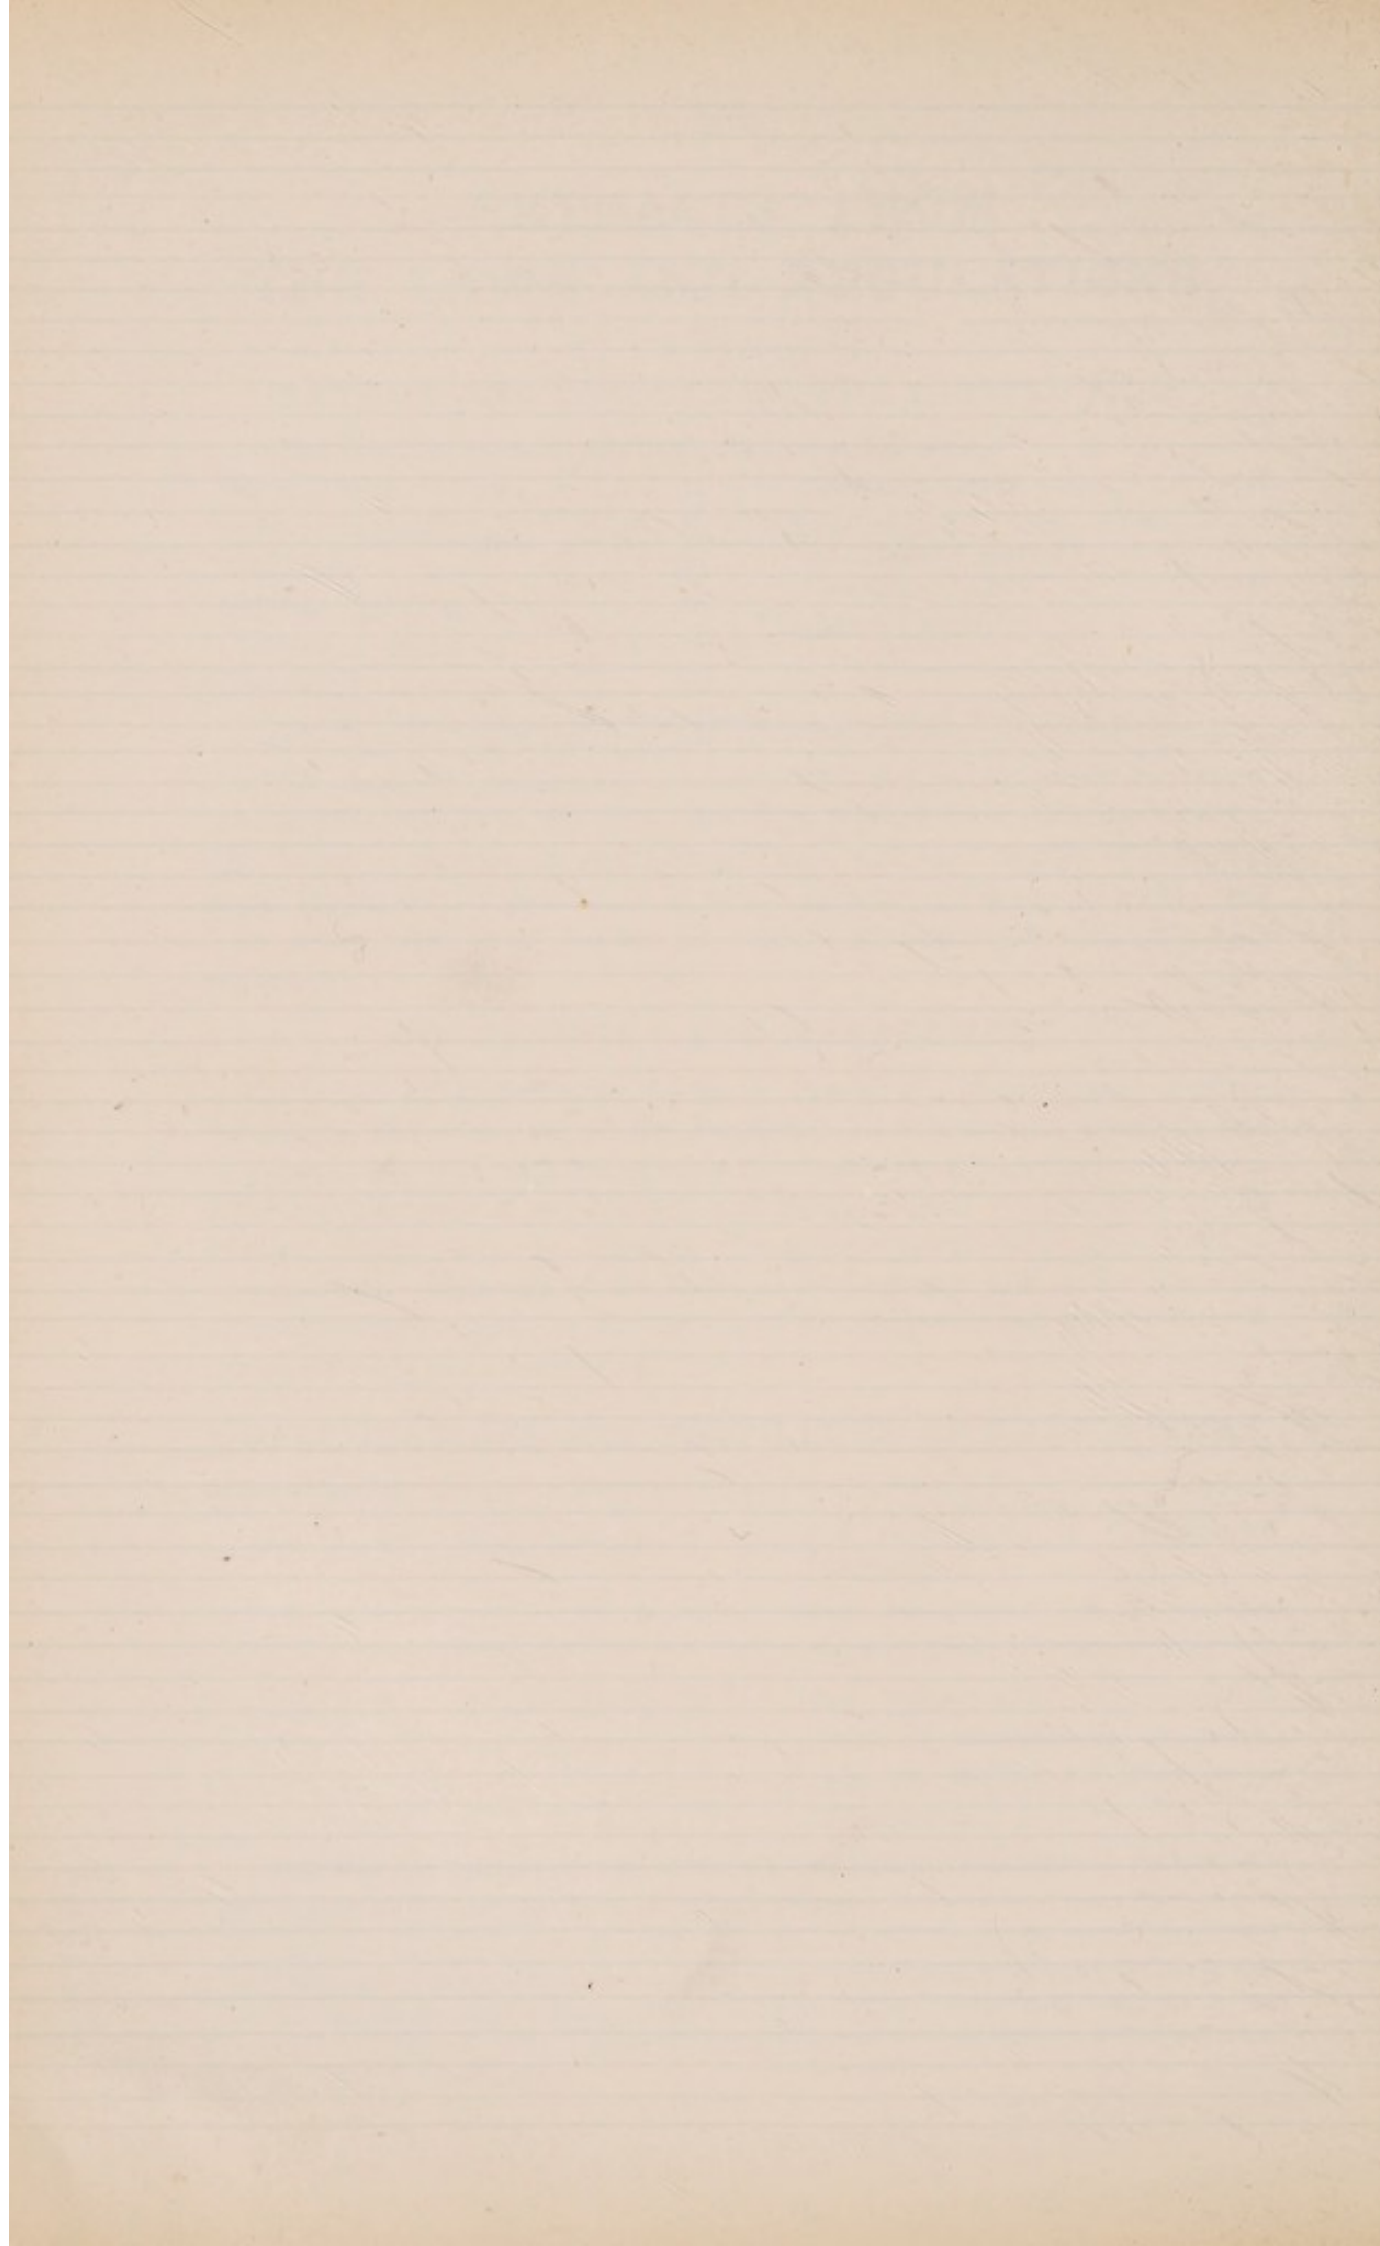

QUALIFICATIONS AND PRIVILEGES OF SUBSCRIBERS.

Ann. Subscribers of	or	Donors of	Privileges.
£1 1 0	or	£10 10 0	May recommend 6 Out-patients annually.
2 2 0	„	21 0 0	May recommend 2 In-patients and 12 Out-patients annually.
3 3 0	„	31 10 0	May recommend 3 In-patients and 18 Out-patients annually, and are eligible for Election as Governors.

Subscribers of greater or less sums are entitled to recommend Patients in proportion to the amount of their subscriptions.

§ The attention of Subscribers is earnestly called to this point, there being reason to fear that persons obtain relief whose position and means should forbid their doing so at the expense of a charity. Due caution in giving letters of recommendation would do much towards checking this abuse.

Governors have also the right to inspect the Hospital under regulations by the Board of Management, so that they do not exercise that right so as to inconvenience the Chaplain or any Minister of Religion, or the Medical or other officers, or the Patients.

Executors of any considerable benefactor by will are eligible to be elected Honorary Life Governors.

THE MATERNITY.

Annual Subscribers of One Guinea, or *Donors* of Ten Guineas to the MATERNITY FUND, may recommend three Patients annually *to that department*; and so on in proportion to the amount of the subscription.

ADMISSION OF PATIENTS.

Accidents and cases of *urgency* are admitted FREE at all times, on the approval of the Medical Officers.

Persons holding In-patients' letters and desiring admission, must present their letters at the Hospital at 1 o'clock (Sundays excepted). They will be admitted after examination by the Medical Superintendent, if suitable and there is room.

Much inconvenience having occurred in consequence of the arrival of Patients from a distance, without notice, it is requested that Governors and Subscribers sending Patients from places so remote as to preclude easy and cheap communication with the Hospital, will give notice to the Secretary three days before the Patient intends to apply for admission, and send a Medical Certificate stating as fully as possible the nature of the case.

When there is not room for all who apply for admission as In-patients, those whose cases are most pressing are accepted, and the others are deferred or prescribed for as Out-patients. Notice of this is sent to the Subscriber, who can then recommend another case.

The following cases are unsuitable for admission as In-Patients—Confirmed Consumption, Infectious Diseases other than Typhoid Fever, Delirium Tremens, Itch, Incurable Diseases, and Chronic Ulcerated Legs, more suitable for a Parish Infirmary, and those who are capable of receiving equal benefit as Out-patients.

VISITING DAYS.—Wednesdays and Saturdays, from 4 to 5, and Sundays, from 3 to 4.

Out-patients are attended DAILY (Sundays and Public Holidays excepted). They must present their letters at the Hospital at the following times:—

GENERAL MEDICAL AND SURGICAL CASES—Daily at 12.45 p.m.

DISEASES OF WOMEN—Mondays and Thursdays, at 1 p.m.

REPORT
OF THE
CONVALESCENT & PATIENTS' AID FUND
AND OF THE
STURGE FUND,

For the Year ended 31st December, 1902.

TRUSTEES.

GEORGE P. FIELD, Esq.

SIR EDWARD HENRY SIEVEKING, M.D.

EDWARD PARKER YOUNG, Esq.

COMMITTEE.

COL. STANLEY G. BIRD, C.B. ALFRED SCORER, Esq.

MALCOLM MORRIS, Esq. EDWARD SMITH, Esq.

HERBERT W. PAGE, Esq. E. PARKER YOUNG, Esq.

and the TWO HOUSE VISITORS for the time being.

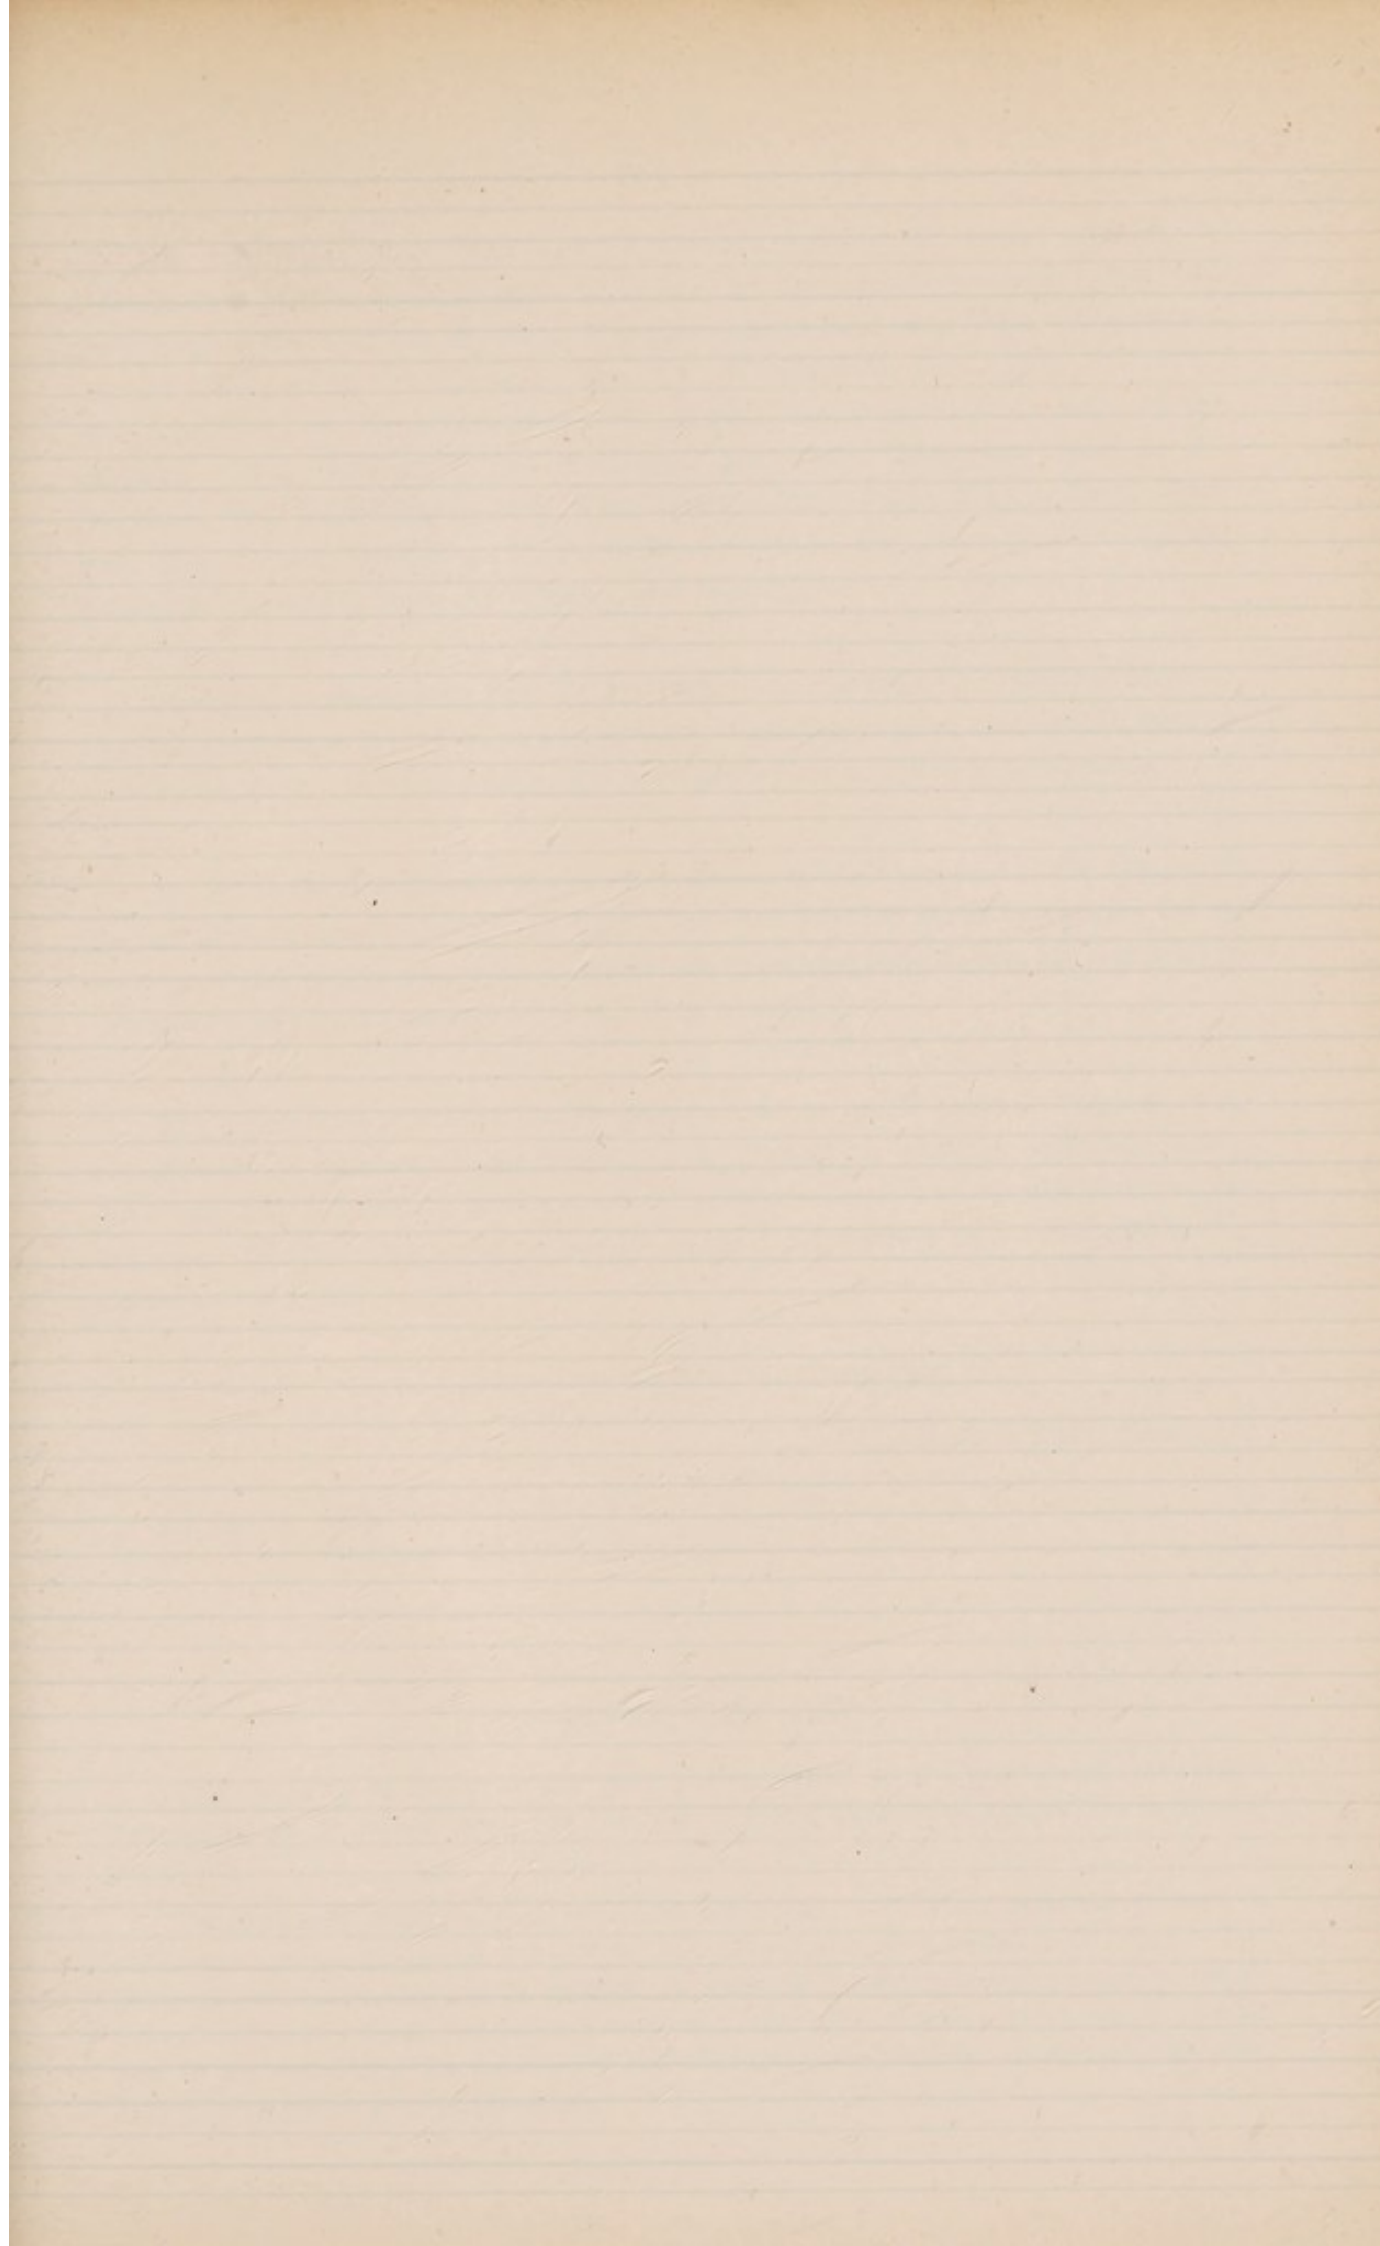

SECRETARY.

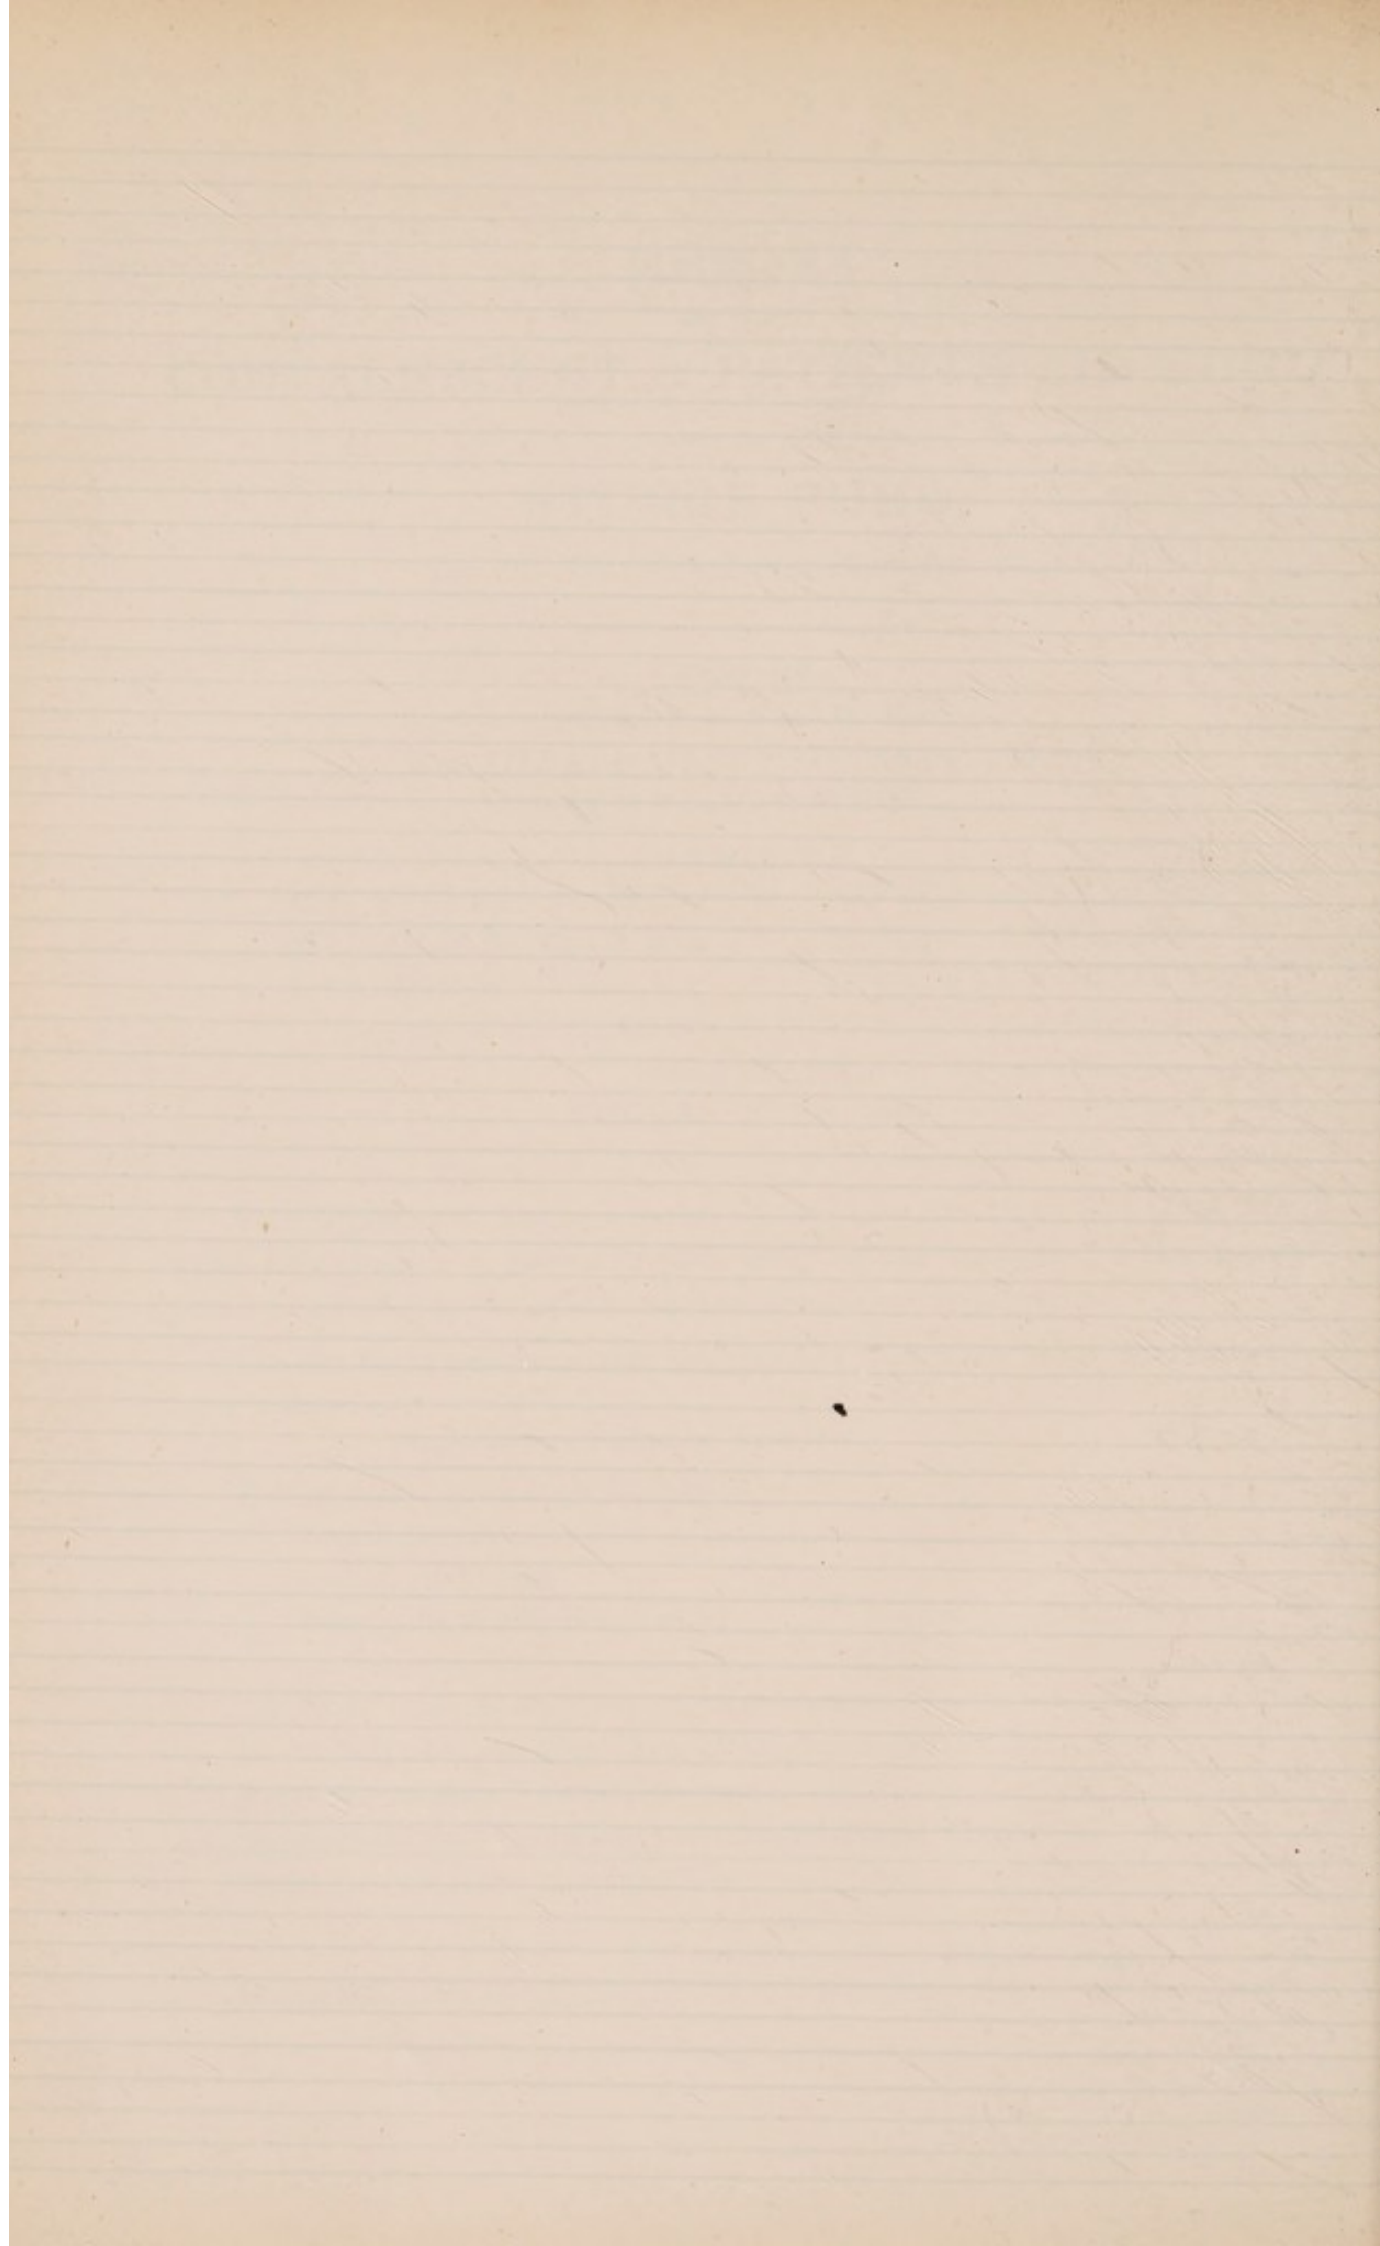

THOMAS RYAN, Esq.

The Committee of the Convalescent and Patients' Aid Fund, and of the Sturge Fund, have pleasure in presenting their report of the work done during the past year, accompanied by the usual account of Income and Expenditure.

The number of patients sent to Convalescent Homes was 288. The particulars are as follow :—

<i>Homes to which Patients were sent.</i>			<i>No. sent.</i>

The Committee have been assisted towards sending so many patients to Convalescent Homes by kind gifts of letters by the undermentioned ladies and gentlemen :—Mr. Herbert W. Page, who gave 10 ; 2 from each of the following :—Captain Webbe, M. P. Christie, Esq., J. W. Mirfield, Esq., Mrs. H. Scott, Miss Mozley, C. A. Thurburn, Esq., W. Angell, Esq. ; and 1 from each of the following : Mrs. Brooke, E. Parker Young, Esq., Mrs. Lawrence, Miss A. R. Davidson, Mrs. John Walker, Mrs. Wm. Mozley, Miss Green, Miss Gibson, Peter Reid, Esq., Abram Lyle, Esq., H. A. Brown Constable, Esq., Rev. F. W. G. Gilby, Messrs. Kinnimont & Sons, Anonymous, and Miss Phibbs.

Travelling expenses were paid for 271 patients to and from Convalescent Homes. Pecuniary assistance was given to 172 patients, consisting in most cases of the fares to their own homes. Surgical and optical appliances were supplied to 90 patients.

Again the Committee offer to the Contributors to the Fund and to the Donors of Letters their sincere thanks for the help which has enabled them to provide for so many poor patients, to whose lot it could not otherwise have fallen, the inestimable benefit of a stay in the country to recruit their strength.

The Committee trust that the knowledge that so much help can be given to so considerable a number at so comparatively trifling an expense will lead many governors and subscribers, who are not at present contributors to this most useful branch of the Hospital's work, to become Annual Subscribers of a small sum to the Convalescent Fund.

Signed on behalf of the Committee,

THOMAS RYAN, *Secretary.*

1st March, 1903.

PATIENTS' CLOTHING.

The clothing of many of our poor patients is of such a scanty and threadbare description as to afford them but the very slightest protection against the cold and the rain.

To discharge them in this wretched condition, with their physical powers of resistance against inclement weather at their lowest ebb, is a melancholy office. Yet the Secretary constantly has to perform it, because he has not the means of relief. Contributions of left-off wearing apparel, *and especially boots and shoes*, would enable him to do something for these poor half-clad creatures, and he therefore begs very earnestly to solicit gifts of this kind.
