Annual Report for 1904.

THE Board of Management have the honour to submit their Report for the year 1904.

The Work of the Year.—The number of persons relieved was, with the exception of In-Patients, who numbered 34 less than in 1903, greater in every department than in the preceding year, and the total was the highest on record, viz, 49,502. The full figures are shewn in the Return on page 34.

Income.—The Total Income from all sources was £3,815 less than in 1903, but if we omit £7,000, which was given expressly to benefit the Medical School, and which is only included as a matter of book-keeping, the total Income for Hospital purposes was less by £10,815. Of this large falling off, £3,250 is in Endowment Donations, which amounted to that figure in 1903, while no Endowment Donations were received in 1904. The remainder of the decrease is due to Legacies, which in 1903 amounted to £14,309, and last year to £7,095 only. The effect of this diminution of Income was a deficiency at the close of the year of no less than £9,918.

This result of a falling off in the amount of Legacies emphasizes the great extent to which St. Mary's Hospital is dependent on that class of Income for the means of subsistence, a subject which has frequently been remarked upon by the Board in previous Annual Reports. The regular Ordinary Expenditure has now, for several years, amounted in round figures to £30,000, and the

Ordinary Income from all sources, legacies excluded, is between £14,000 and £15,000 only. But inasmuch as of that sum £2,800 arises from Dividends on Endowments and Investments, it will be seen that the present generation is not taking its fair share in the maintenance of the Hospital.

Expenditure.—The total Ordinary Expenditure is £384 less than in the preceding year. There were reductions of

£287 in Provisions,
 £211 in Surgery and Dispensary,
 £300 in Domestic Expenses,
 £300 in Establishment Charges,

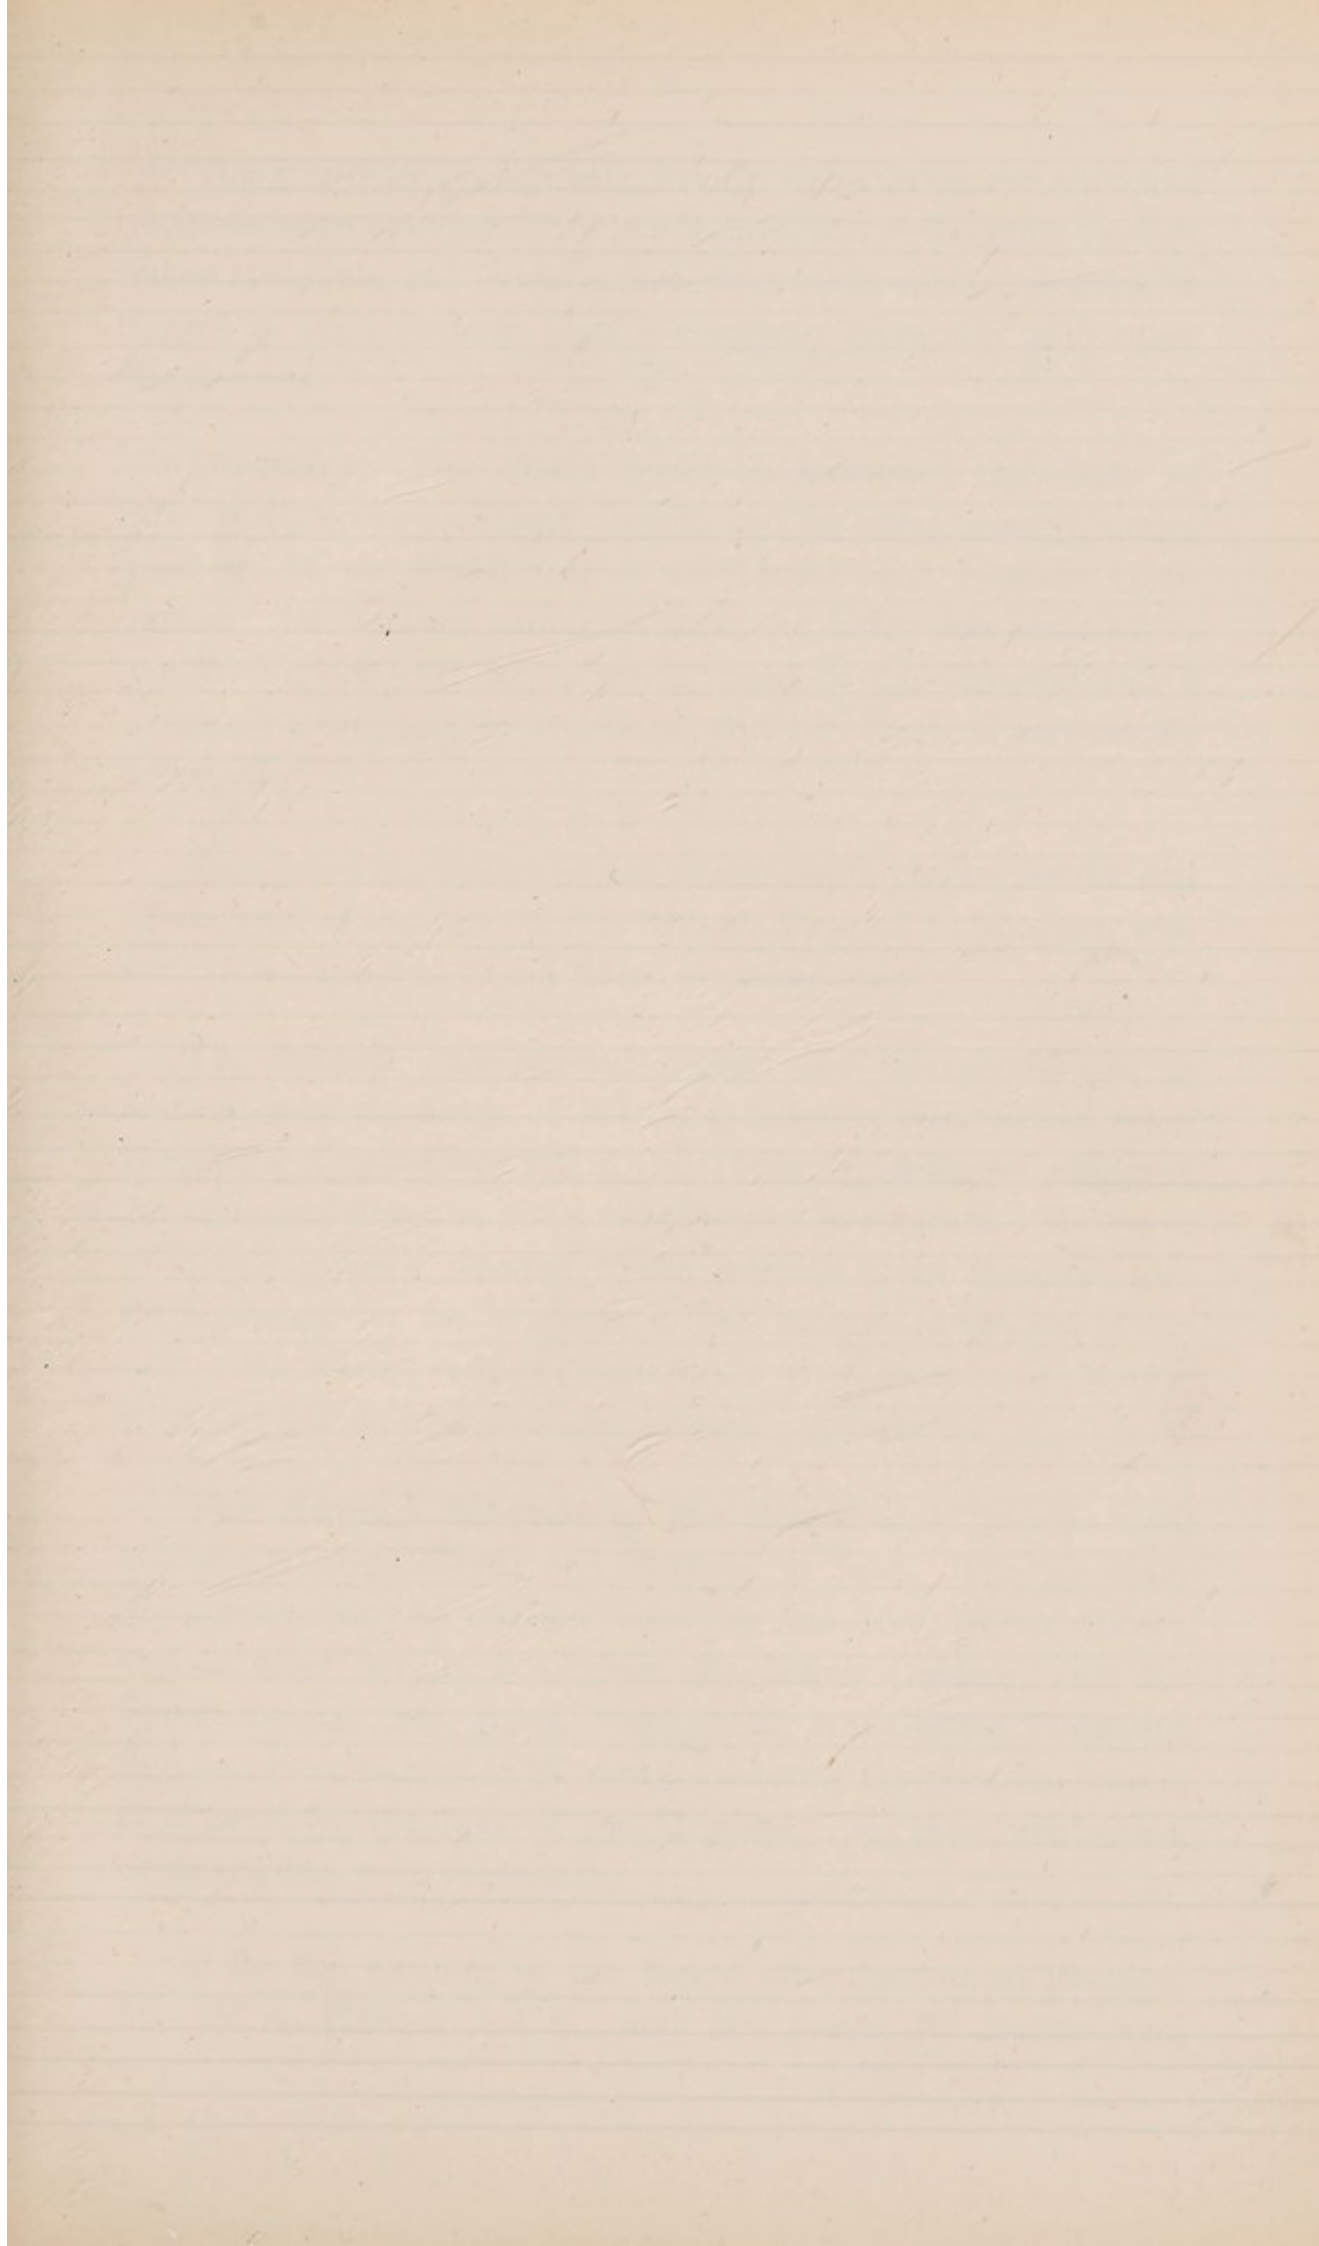

and increases in

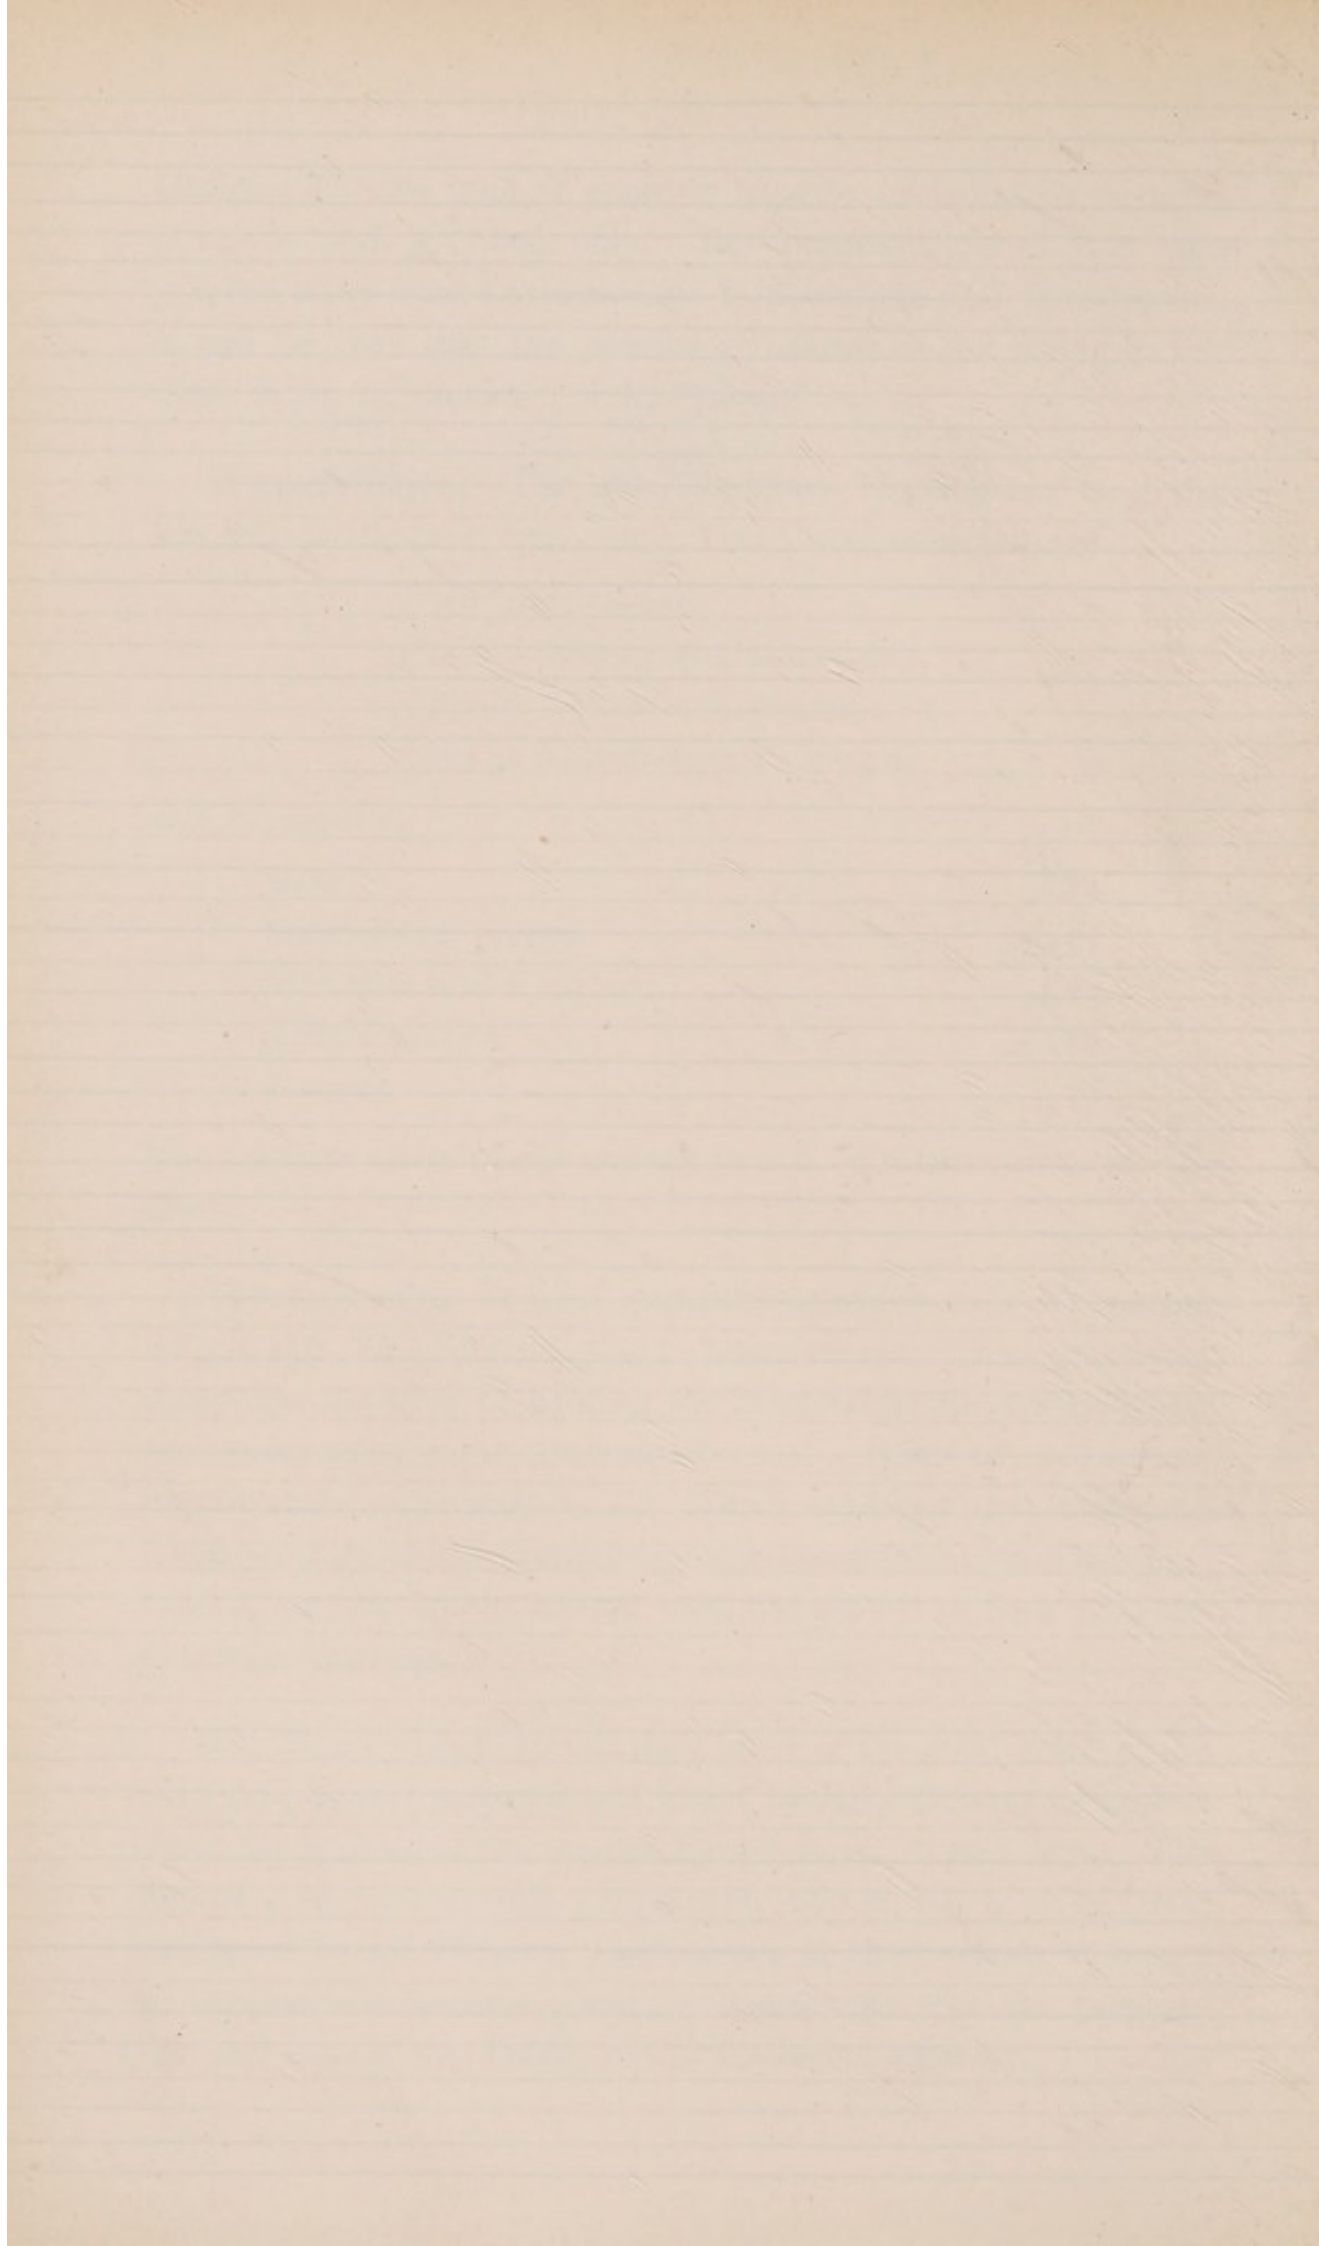

| | | | | | | |

| Miscellaneous Expenses... | ... | ... | ... | ... | ... | £63 |
| Administration | ... | ... | ... | ... | ... | £100 |
| Finance | ... | ... | ... | ... | ... | £16 |

The amounts are not large enough to call for observations on the details

The only other item of expenditure which calls for remark is £1,139 for Electric Light Installation. This practically completes the work of lighting the Hospital by Electricity, which was commenced in the Autumn of 1903. It has effected a great improvement, especially in the Wards, and not the least satisfactory feature of it is that it has not increased the cost of lighting; indeed, on the whole, electric light has proved so far a trifle less expensive than gas.

The Board wish to record their sense of the great value of the Statistical Report prepared and issued by King Edward's Hospital Fund for London to the various Hospitals in August last. The figures contained in this compilation cannot fail to be of great assistance to all Hospital Committees in their efforts to secure economical administration, and the Board hope that the preparation and issue of the Tables will be continued annually.

The Board are giving their serious attention to the reduction of those items of expenditure in which St. Mary's Hospital exceeds other Hospitals, and to the maintenance of its relative position in regard to those items in which it compares favourably with other Institutions.

Obituary.—The Board regret to announce the death of Mr. Alfred Scorer, a Vice-President, and for many years an active member of the Board and of the House and Finance Committee. Mr. Scorer's retirement from the latter was recorded in the last Report. He was a warm friend of the Hospital and a generous contributor to its funds, and his death is very deeply regretted.

The Board regret also to report the death, just before the end of the year, of the Rev. Walter Abbott, Vicar of Paddington, who had been a member of the Board for many years.

The Surgical Staff suffered a great and unexpected loss in December by the death of Mr. A. Q. Silcock, who, having been Surgeon to Out-Patients for 16 years, became, on the retirement of Mr. Edmund Owen in 1902, Surgeon to In-Patients. He was a most able Surgeon, devoted to the interests of the Hospital, and distinguished for his kindness to the patients committed to his care. His almost sudden death was a great blow to St. Mary's, where he will be long and affectionately remembered.

The Annual Election of the Board took place as usual at the Quarterly Board of Governors in June. The Ordinary Members retiring by rotation were the late Rev. Walter Abbott, Colonel Blair, Mr. M. P. Christie, Mr. Henry Gardner, and Mr. Parker Young. Mr. A. G. Steel, K.C., and Colonel Phillpotts, who had been elected to fill vacancies during the year, also retired, as required by the laws of the Hospital. All these gentlemen, being eligible, were re-elected.

At the first meeting of the Board after the Annual Election, Mr. H. A. Harben, L.C.C., and Mr. James R. Mellor were

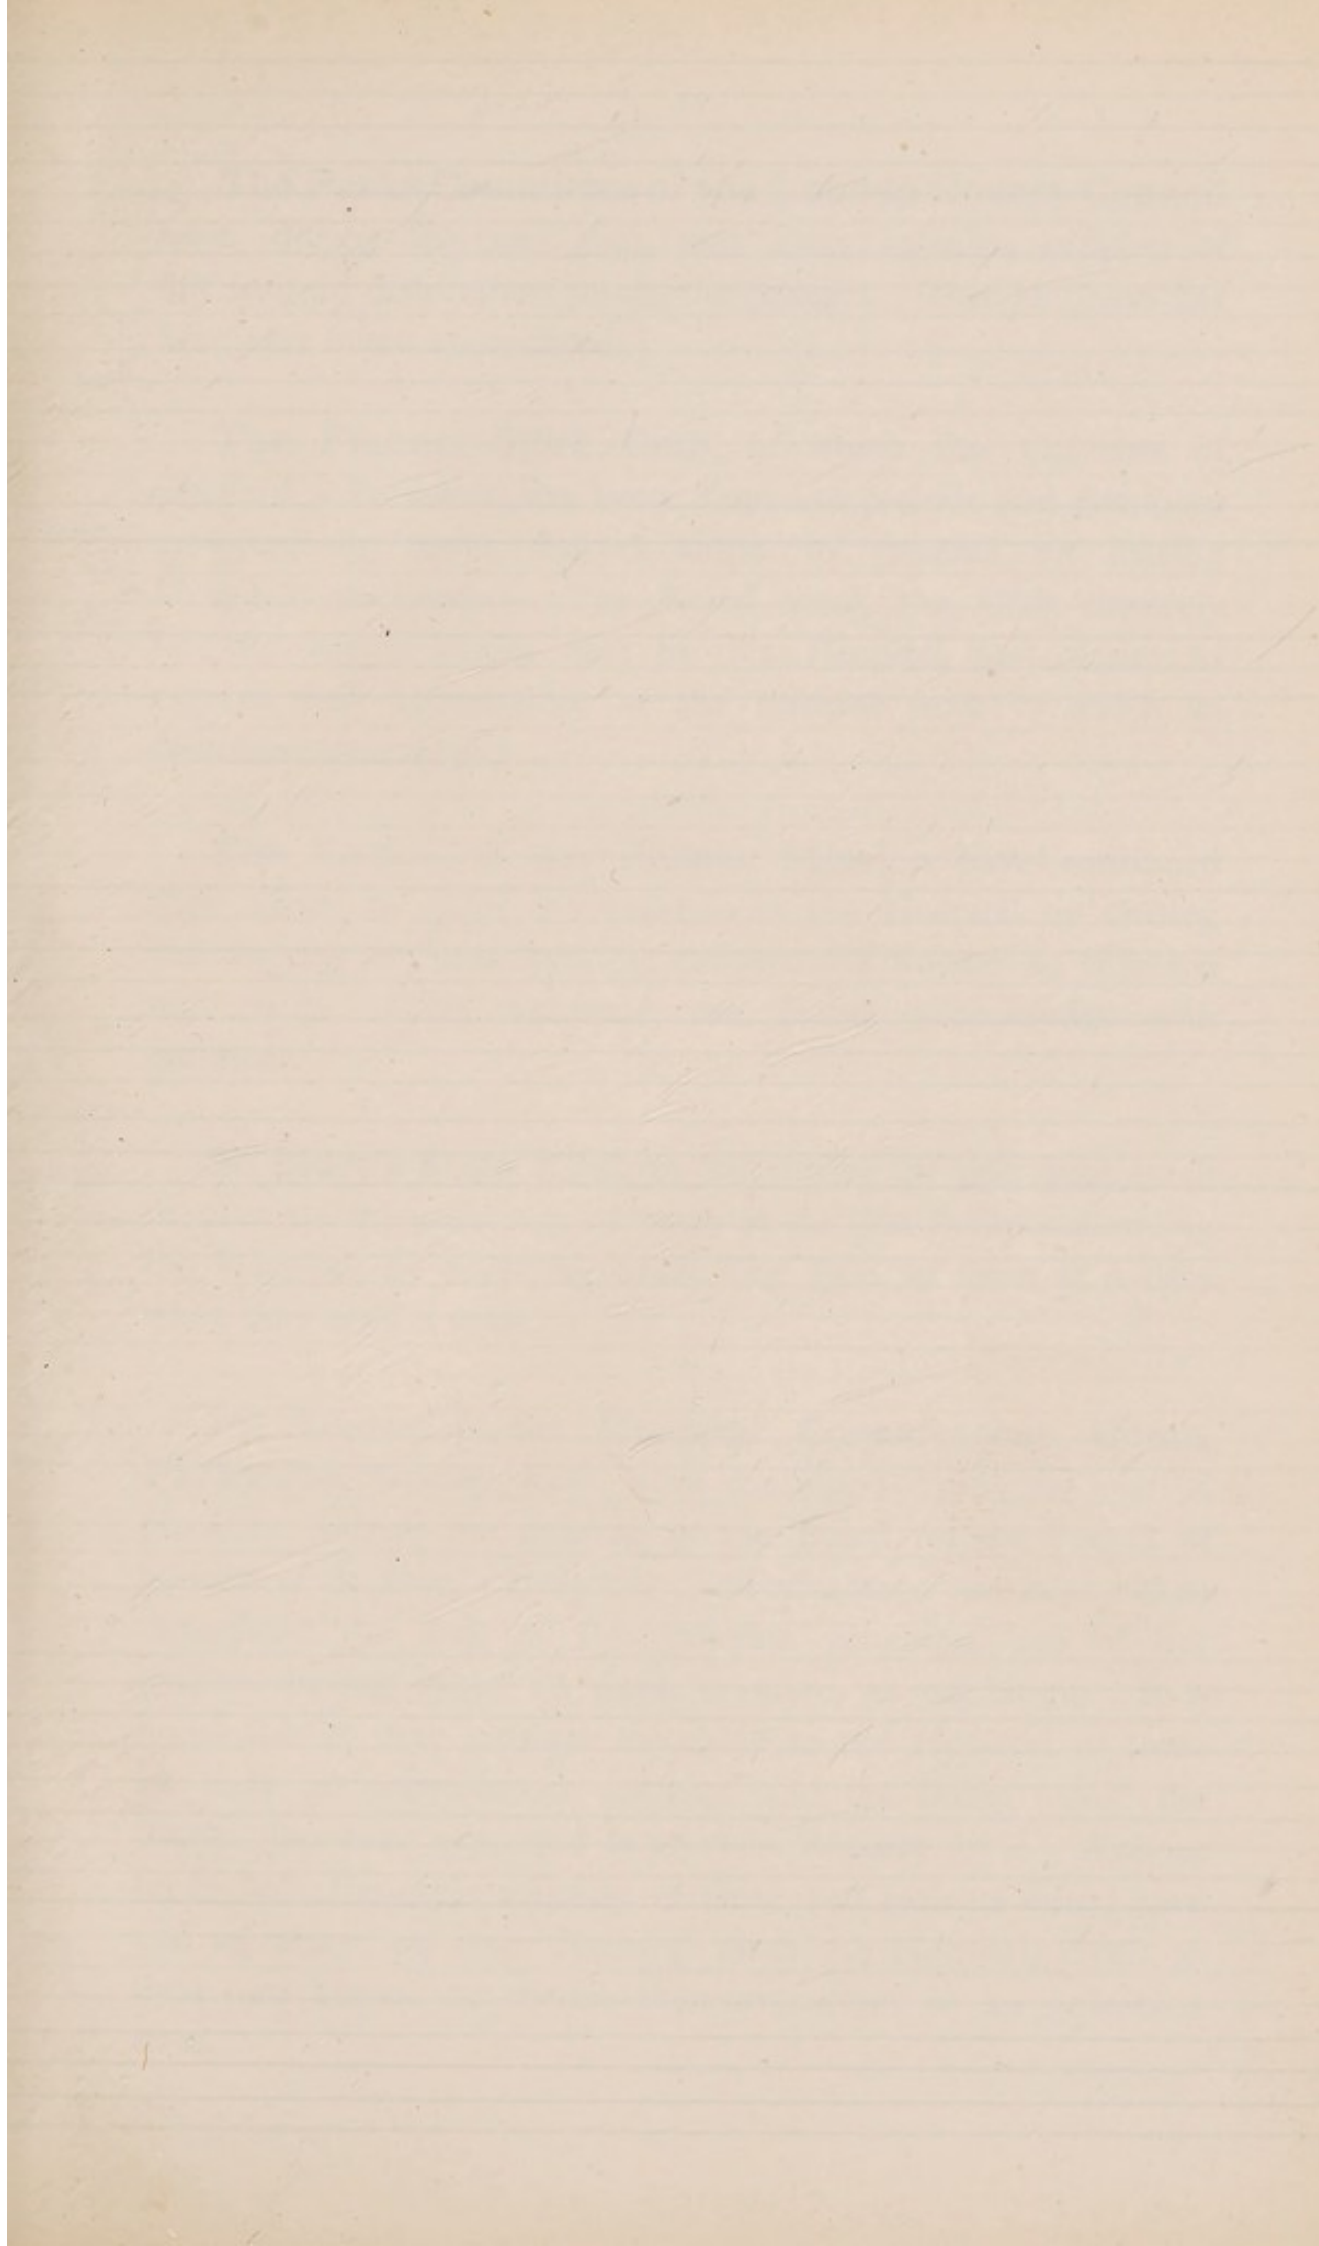

re-elected Chairman and Deputy Chairman respectively ; and during the year two new members, Mr. Berkeley Portman and Dr. A. B. Rendel, were elected to the Board.

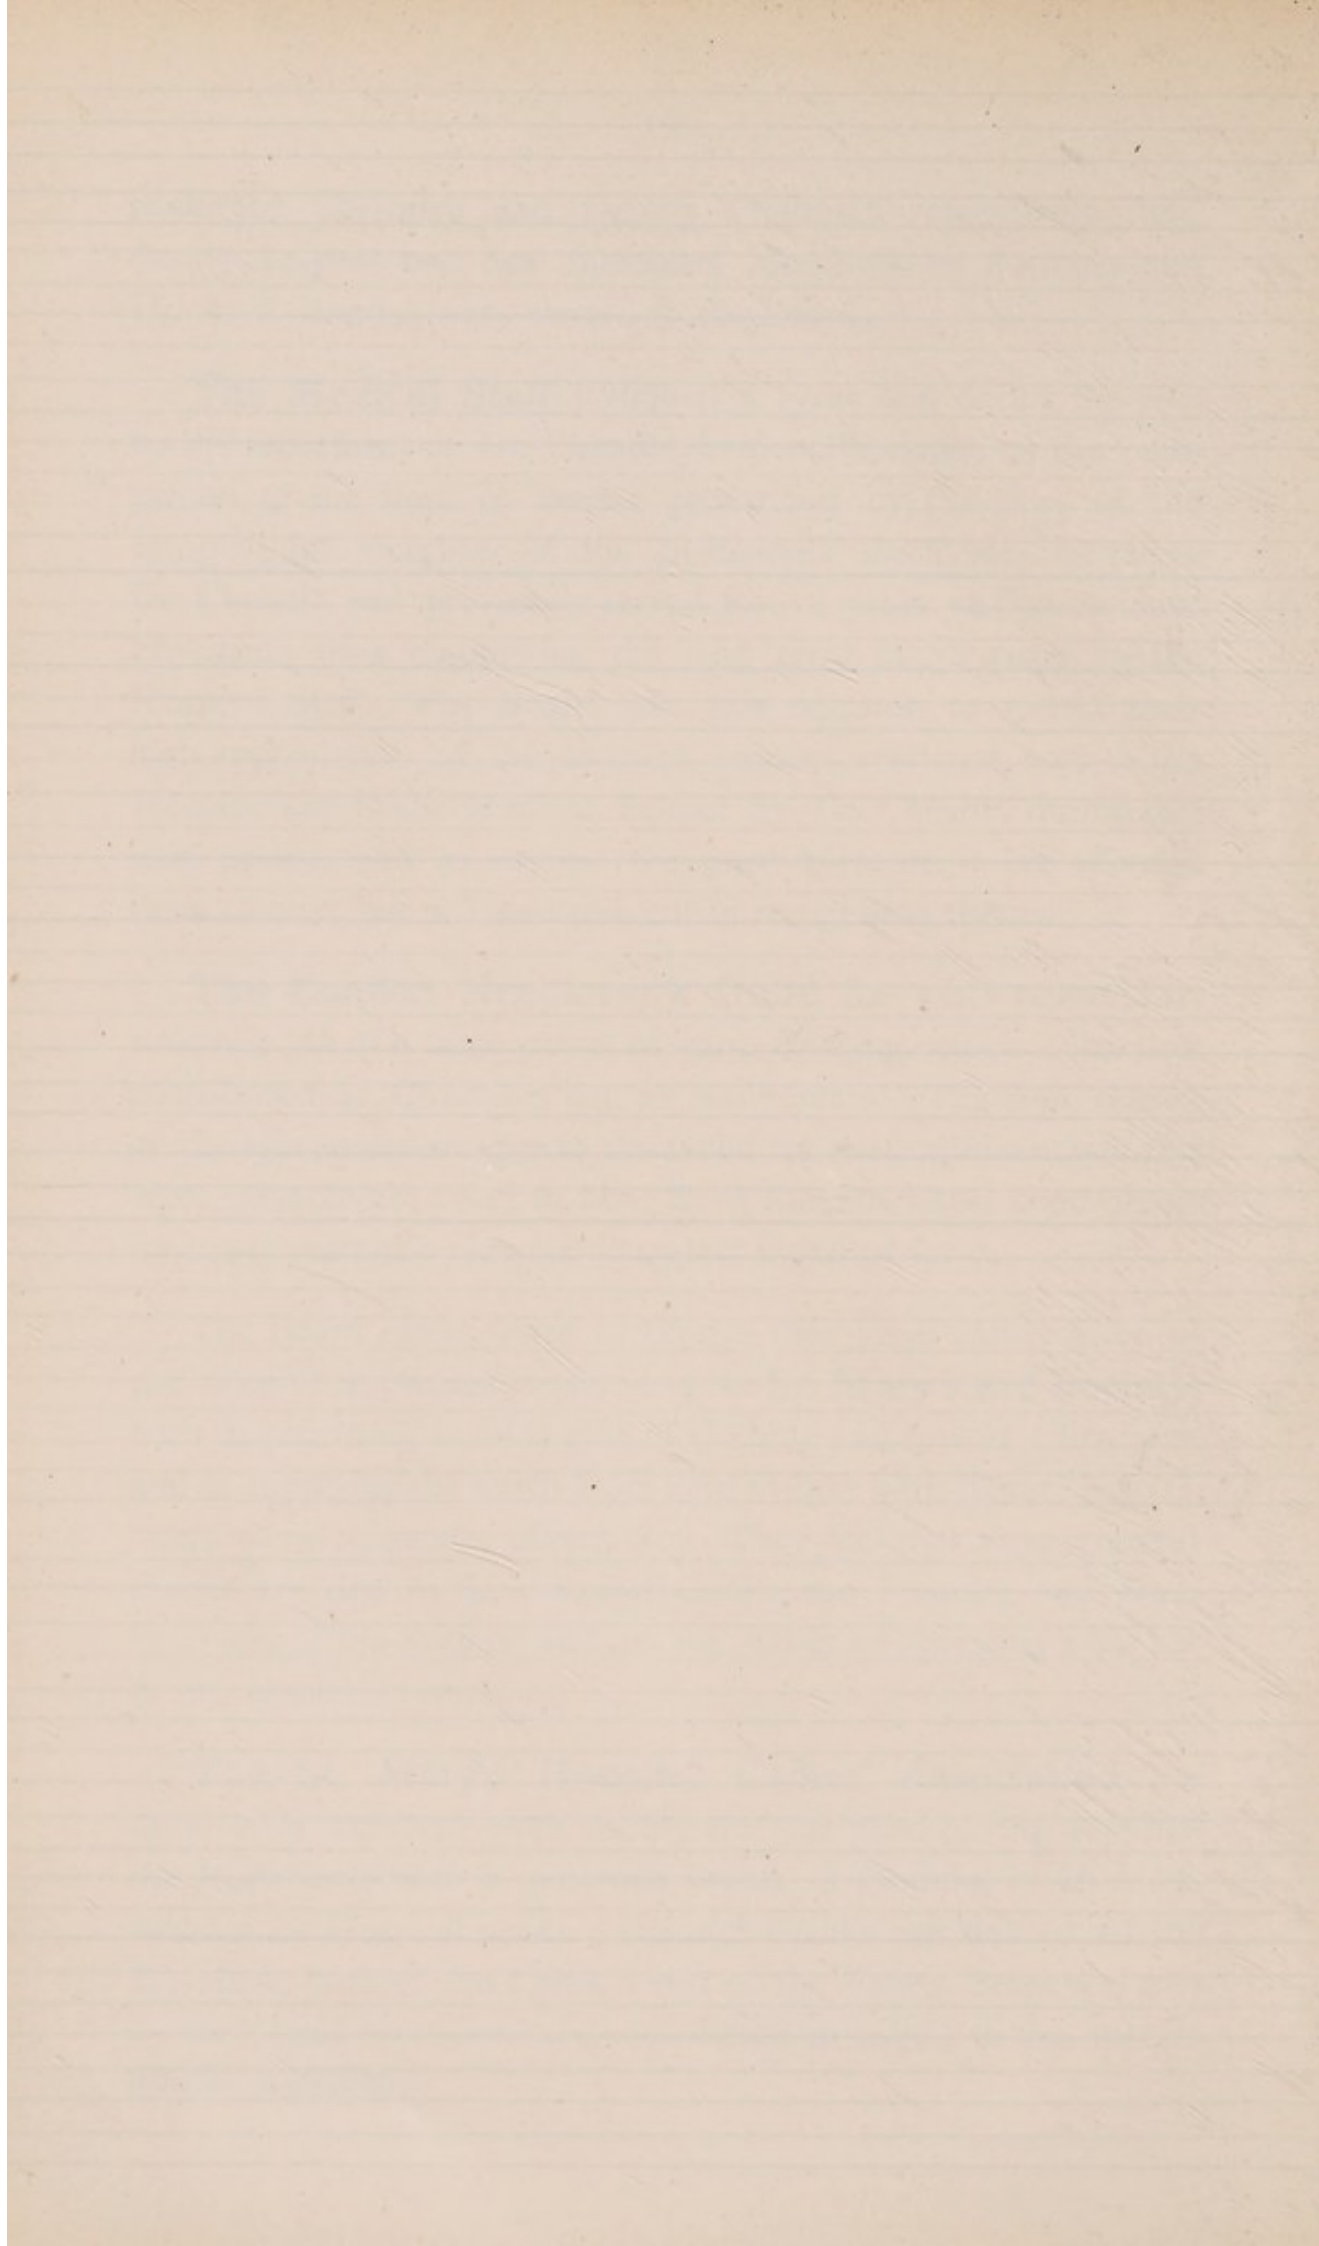

The Medical Staff sustained a great loss during the year by the retirement of Dr. Cheadle, Senior Physician, on the completion of the limit of service prescribed by the laws of the Hospital for members of the In-Patients' Staff, viz., 20 years. Dr. Cheadle had previously served for 18 years as Out-Patients' Physician, thus completing the long term of 38 years on the Hospital Staff. The Board take this occasion to record their high appreciation of the eminent services rendered both to the Hospital and to the Medical School by Dr. Cheadle during this long period, and to express the great pleasure it has afforded them to elect him a Vice-President in recognition thereof.

The London Needlework Guild has again repeated its welcome gift of a large parcel of warm clothing, which it has now contributed at Christmas for so many years. The best thanks of the Governors are due to the Guild for the continuance of this most valuable gift ; and to Mrs. Basil Ellis, to whose good offices for many years the Hospital is mainly indebted for it.

The Board again desire to express their great appreciation of the valuable assistance rendered by the **St. Mary's Aid Society**, both in providing suitable gifts of clothing and toys at Christmas, and in supplying the wards from time to time with flannel jackets, shirts, slippers, games, plants, &c. They feel that most grateful thanks are due to Mrs. Russell-Cooke, the Founder and Hon. Secretary of the Society, and to the ladies co-operating with her in this admirable work.

The St. Mary's Hospital Ladies' Association has done most excellent work during the past year, having supplied the In-Patients with a generous supply of clothing of all kinds suitable for Hospital needs. Grateful thanks are due to all the Members, both of the London and of the Ealing Branches, who by their kind exertions have contributed so largely to the success of the Association.

The Parks Committee of the London County Council have, during the past year, sent many valuable supplies of fine fruit for distribution among the patients. This kindness has been very much appreciated.

The Flannel Shirt Club, of which the Countess of Strafford is President, has been formed to provide and distribute systematically men's flannel shirts to patients on leaving Hospitals in London. The Board thank the Club sincerely for the supply kindly sent to this Hospital, and desire to express their appreciation of the humane work in which its Members are engaged.

The Ladies of the Flower Mission have continued their efforts to cheer the patients in the Hospital by visiting and singing to them, and by contributing flowers to brighten the wards. This kindness the Board acknowledge with gratitude.

St. Mary's Soup Kitchen has during the year done much to alleviate the sufferings of many of the Out-Patients attending the Hospital, by supplying nourishing food to them at a time when they need it most.

The Trustees of the **Hospital Convalescent Home, Parkwood**, Swanley, Kent, have continued during the year to place 15 beds at the disposal of the Board for the benefit of patients of St. Mary's Hospital. Full advantage has been taken throughout the year of this valuable provision, 196 of our patients having spent 18 days, or more, at the Home. It is impossible to over estimate the value to the Hospital of these 15 beds for convalescent patients, and the Board repeat the thanks they have expressed in previous Reports for it. Without these beds the great majority of these 196 patients would have had to return, on their discharge from the Hospital, direct to their own homes, to resume their avocations in an enfeebled state.

Enquiry.—The system of enquiry into the circumstances of Out-Patients, established in 1898, with the view of preventing abuse of the Charity by those able to pay for the treatment they require, has been continued throughout the year.

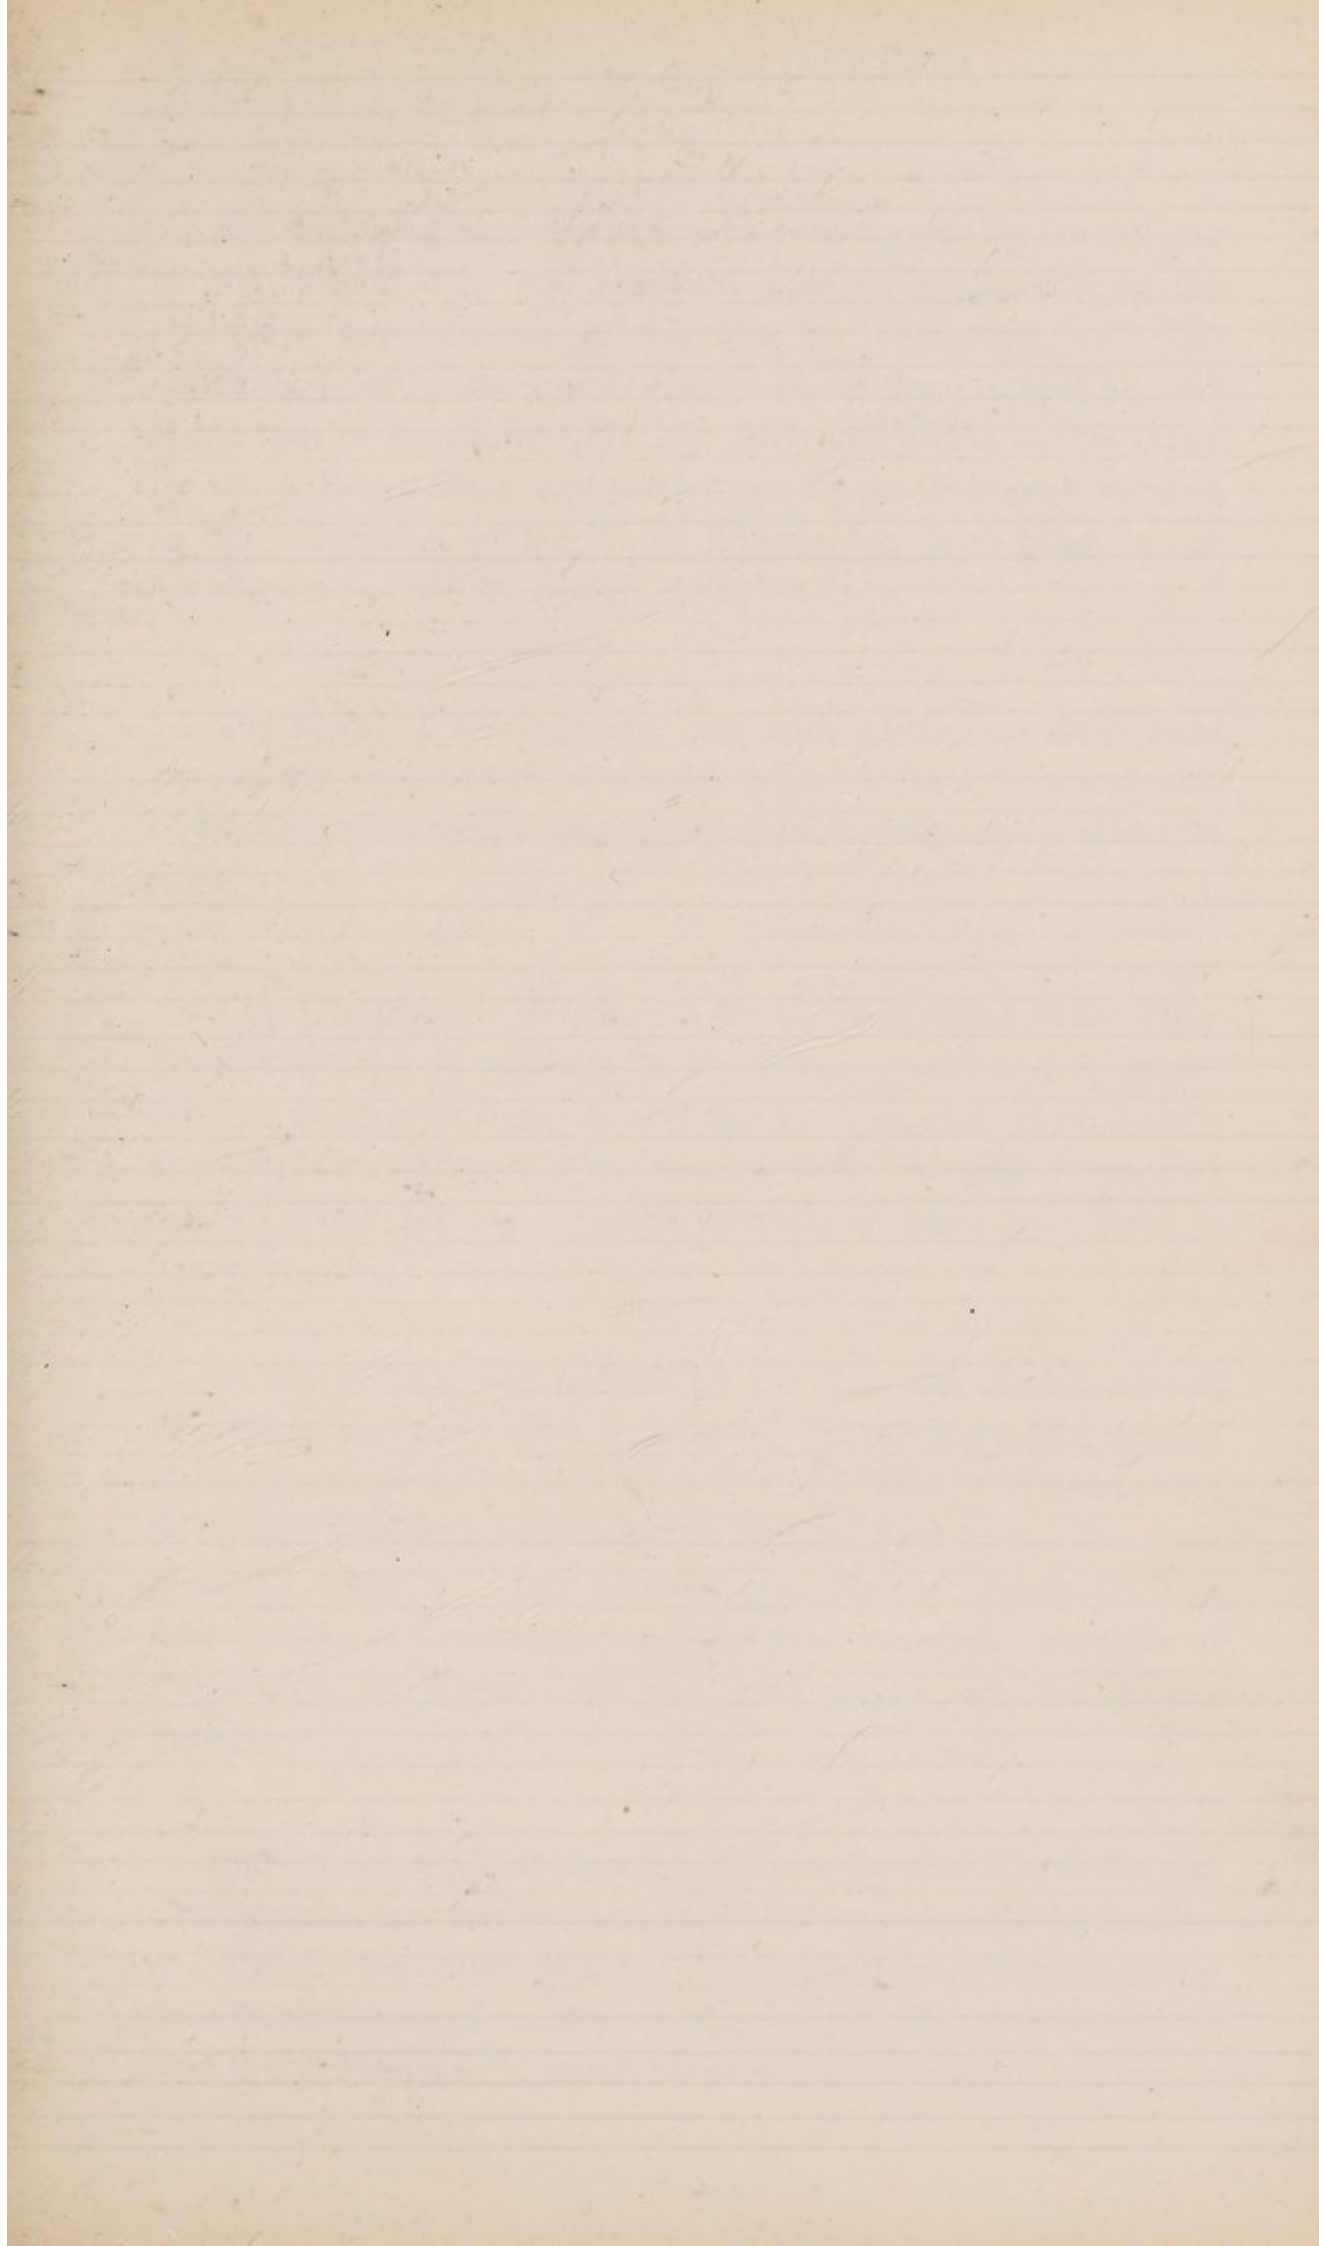

Of 23,347 Out-Patients in the Medical, Surgical, and Special Departments, 1,368 were selected as calling for enquiry, and of that number investigation showed 103 only to be unsuitable, a number equal to '44 per cent. of the total number of patients in all Departments.

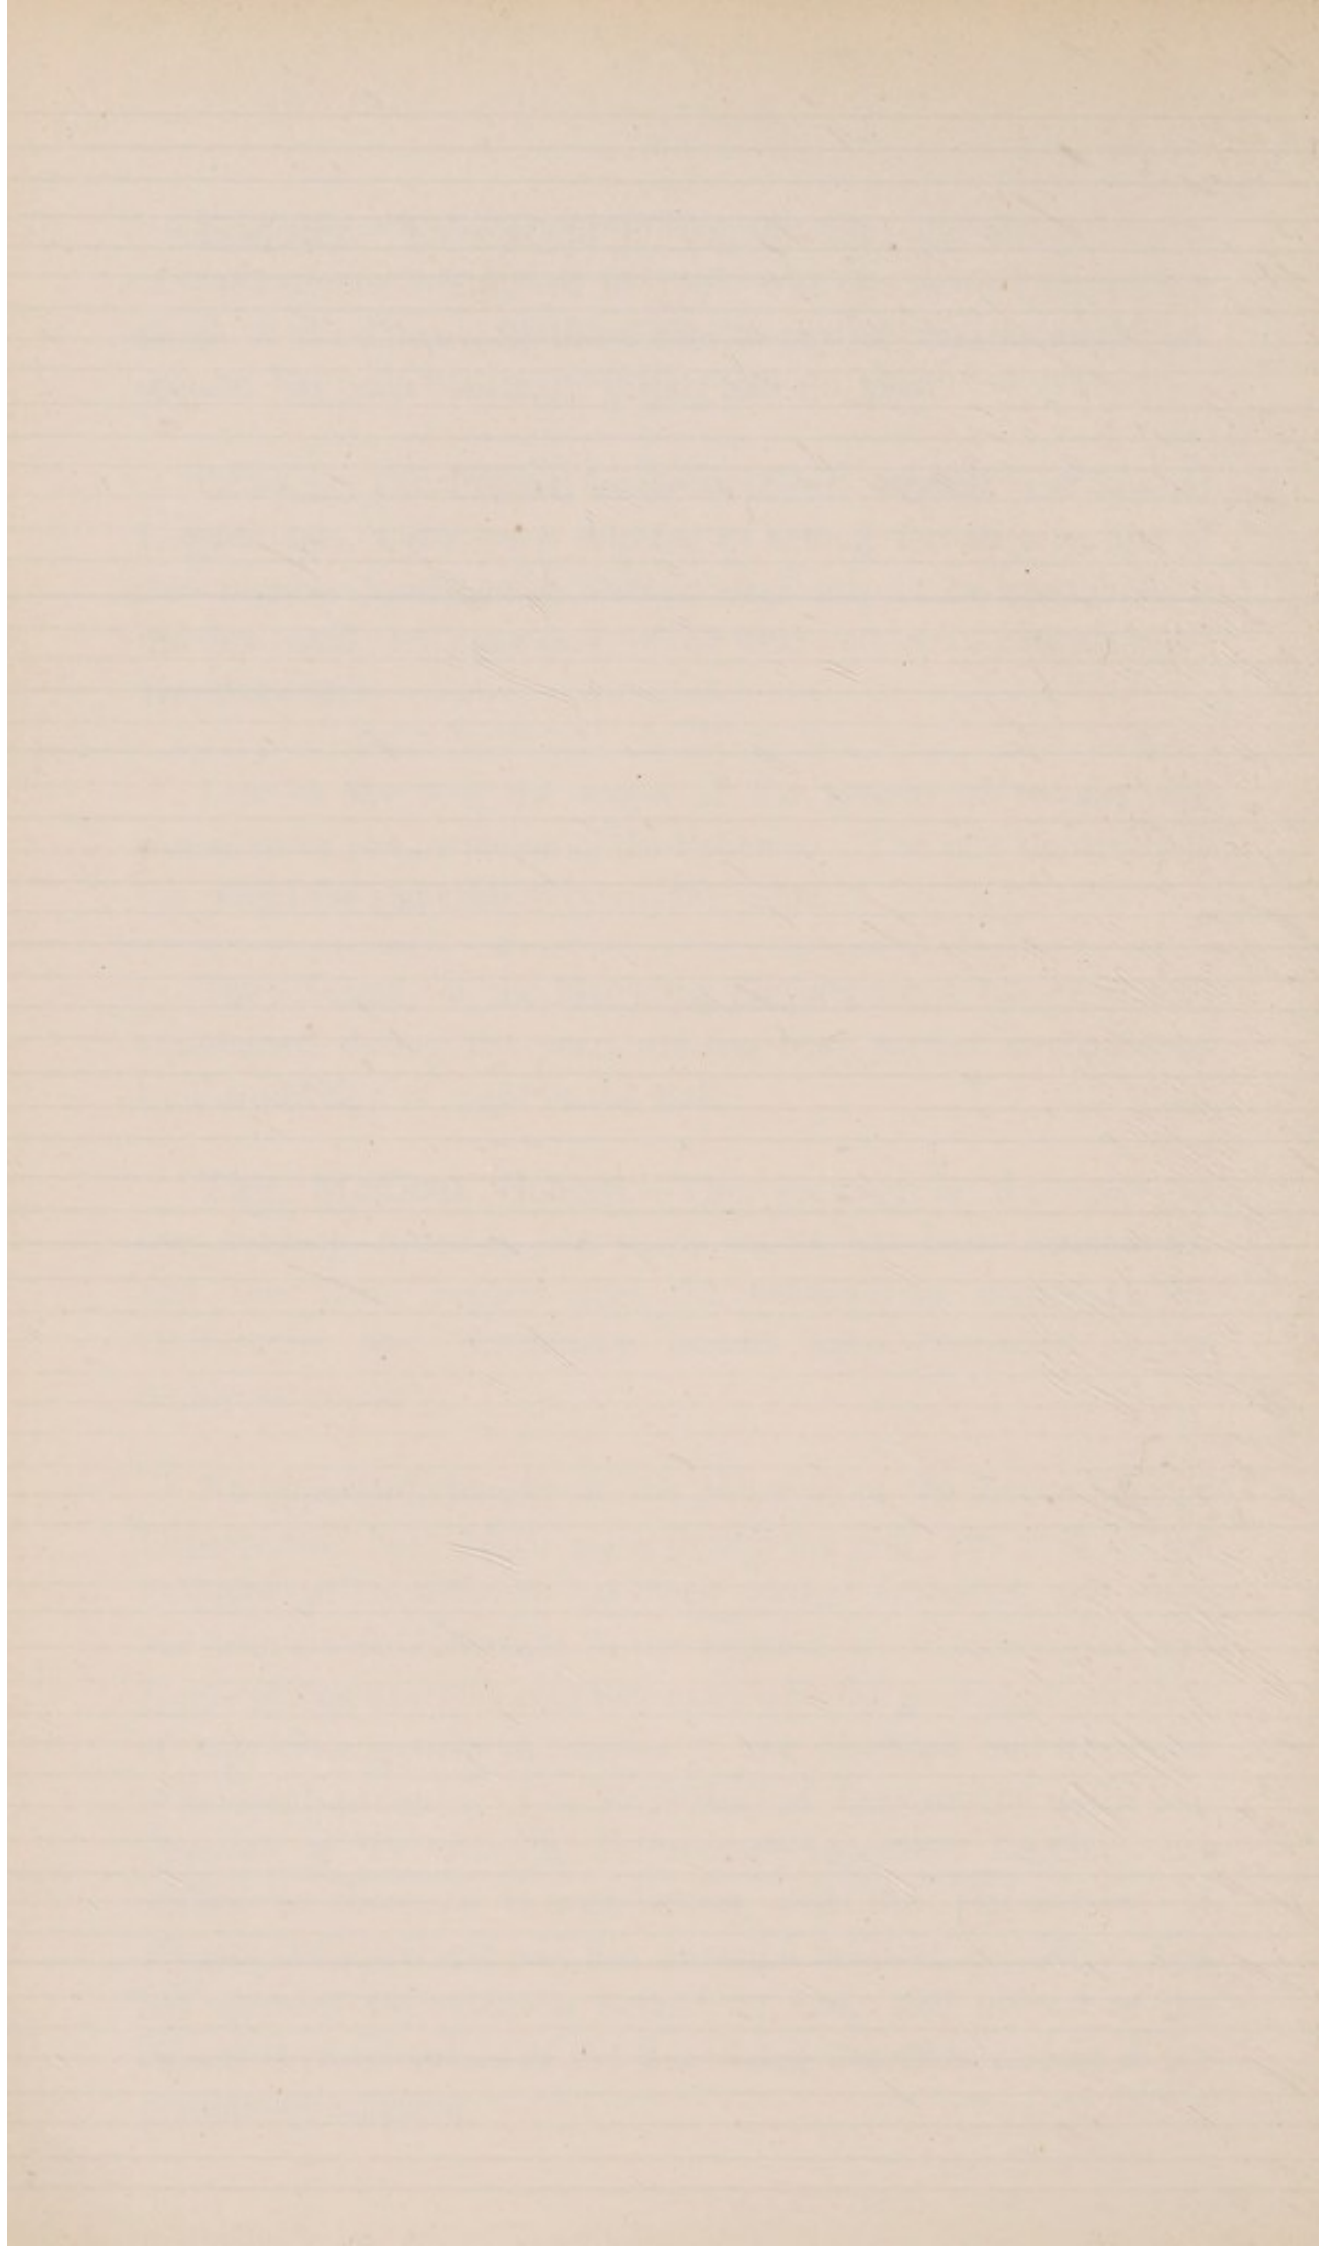

Late in the year the scope of the system of enquiry was extended by the inclusion of In-Patients. The new departure is too recent for statistics to be of any value.

The efficiency of the **Nursing Department** has been well maintained during the year. It has been further strengthened by the addition of eight to the staff.

The Medical School.—The increase in the entry of new students noted in last year's report has been maintained, and the Dean reports that the examination results at the Universities and Examining Boards have continued to be highly satisfactory.

No important changes in the *personnel* of the several Science Departments have taken place during the year; the work of the Pathological Department has been further extended, and there has been a steady increase in the number of bacteriological and chemical examinations commensurate with the growing importance of such investigations in relation to the diagnosis and treatment of hospital patients. The Physiological Department under the direction of Dr. Alcock, the recently-appointed Lecturer, has undergone thorough re-organisation, and the Department of Physics instituted last year has proved a valuable acquisition, and has enabled the Medical School to keep well abreast of the increased requirements of the Examining Boards in respect of the preliminary sciences.

The Teaching Staff has suffered a serious loss by the decease of Mr. Silcock, who had rendered conspicuous service in the successive appointments of Lecturer on Pathology, and subsequently Joint-Lecturer on Surgery—which appointment he held at the time of his death. He has been succeeded in this office by Mr. J. Ernest Lane, and the lectureship on Chemistry, vacated by the resignation of Dr. W. H. Willcox, has been filled by the appointment of Dr. G. Senter, B.Sc., Ph.D.

The Board of Management note with satisfaction the present state of the Medical School, whether regarded from the standpoint of teaching efficiency, sound organisation, or capacity for scientific work.

The Chaplain's Work.—A weekly Celebration of the Holy Communion is held regularly in the Chapel; additional Celebrations on the greater Festivals and special days, such as St. Luke's Day, St. Mary's Day, Ash Wednesday, &c. Morning Prayer and Sermon every Sunday. Special Services in 1904 were held as follows:—

St. Mary's Day, with address by the Ven. the Archdeacon of Middlesex, and vocal solos by friends; 25th October (the Annual Service), with Sermon by the Very Rev. the Dean of Westminster; St. Luke's Eve, with address to the Nursing Staff by the Rev. and Hon. J. Adderley; 30th October, the Harvest Festival. The total number of Communicants in the year was 516. Services of Preparation for Communion are held before all the greater Festivals.

Prayers are read at appointed times in the Wards by the Chaplain and Lay Reader, and Half-hour services held on Sunday evenings in the Adult Wards. Each Ward is visited weekly by the Chaplain, special cases more frequently. Full details may be seen in the Hospital "Church Magazine."

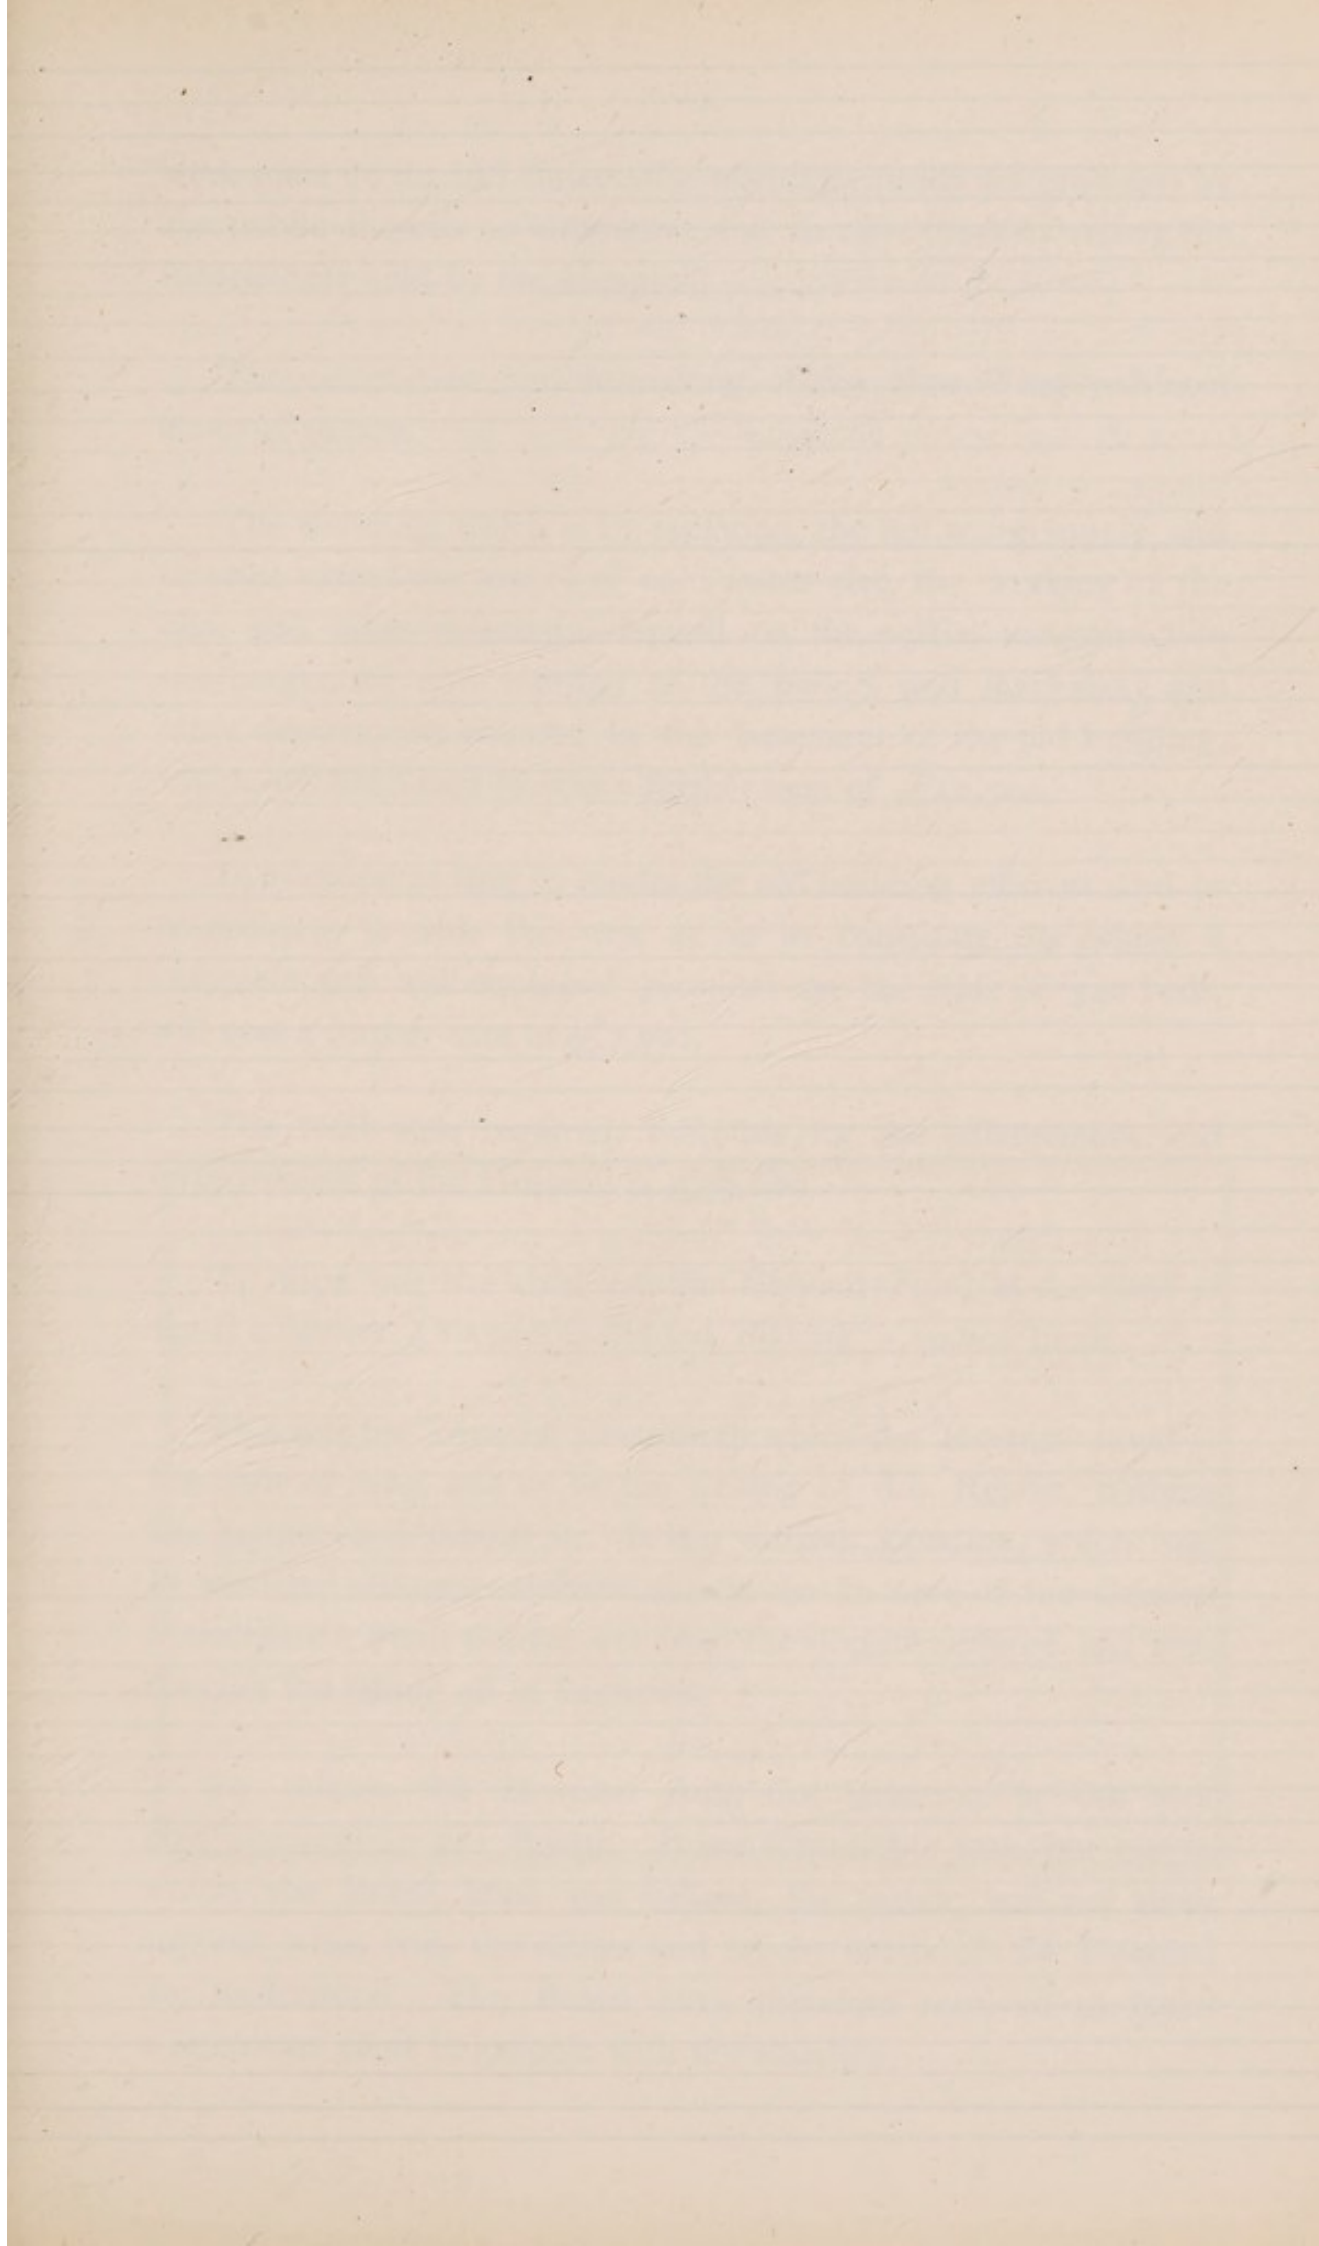

The Chaplain again gratefully acknowledges the great help afforded him by Mr. Fox, Licensed Lay Reader, and the Lady Visitors. Miss Bullen, Miss Sadler, and Mr. Goff, have again kindly given their help with the music at the Ward Services throughout the year.

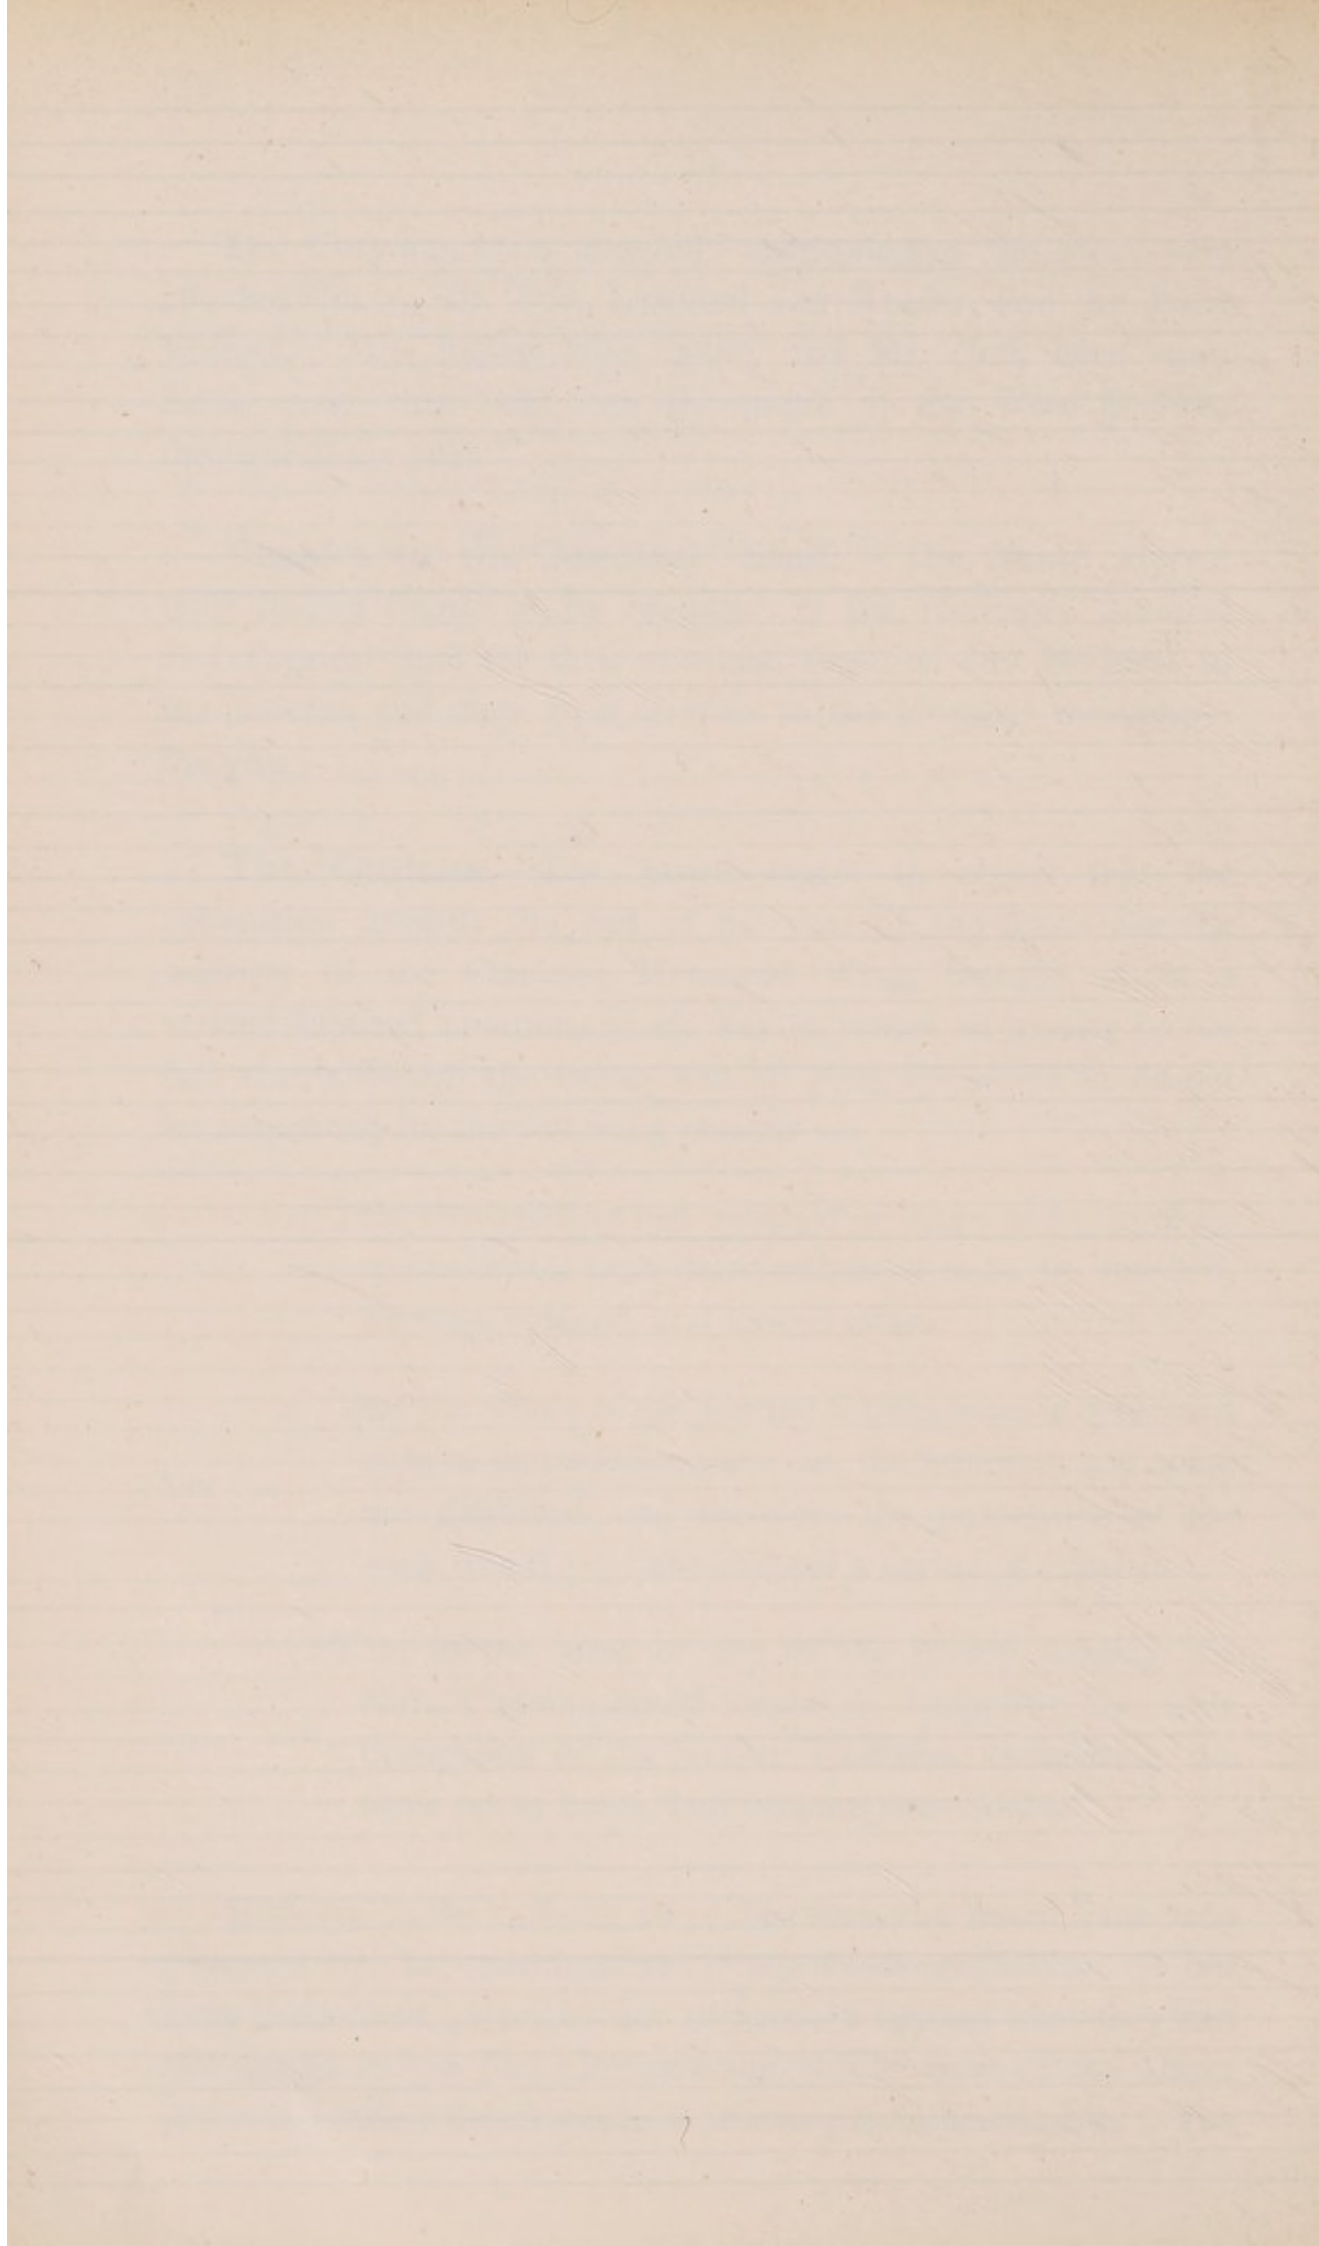

Thanks to the Medical Staff.—The Board express their sincere thanks to the Members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients, and their great services to the Hospital throughout the year.

The Outlook.—The Board regret to report that the exhaustion towards the end of the year of the funds for the building of the Clarence Memorial Wing, brought about a serious financial situation, which was increased in gravity by the fact that, although the money was all gone, the works could not be suspended for the following reasons :—

1. That the building had reached a stage when, in order to preserve it from deterioration, it must be finished, warmed, cleaned, and looked after.
2. That the whole of the internal fittings were in a forward state of preparation, some in the building, and some not delivered, and therefore the suspension of the work would not have effected a saving of expense.
3. That as the lease of one of the houses forming the Nurses' Home would expire at Lady-Day, the early occupation of the Nurses' Quarters, comprising the three upper floors, had become unavoidable.

Hitherto, in the carrying on of this work, the Board have been governed by the consideration of the funds available. It has been their fixed principle not to proceed beyond what they had the means to pay for. But now the development of the above situation renders perseverance in this course impracticable. The

work must go on and unless the necessary funds are provided by the public there is no alternative but to raise them by selling the investments held by the Hospital.

The completion and furnishing of the New Wing will cost about £30,000.

The warming, which is by radiation, the hot water supply and to some extent the supply of cold water also, the working of the lifts, and other essentials, depend on the partial reconstruction re-arrangement and refitting of the boilers and machinery and other departments situated in the basement of the old building, which are estimated to cost a further sum of £12,500.

In addition to this, to render the old building efficient and to co-ordinate it with the new so as to constitute the whole a complete and well-equipped Hospital on the scale of 340 beds, will cost a further sum of £7,500.

The total sum required, therefore, for the enlargement and improvement of the Hospital is £50,000.

To wipe out the debt on the General Fund at the close of 1904, a further £10,000 is needed, making £60,000 in all.

This was the financial situation in which the Hospital stood at the close of 1904, and up to the writing of this Report, nothing has happened to modify it. It is a difficult situation, which may be rendered still more difficult should the Income of the General Maintenance Fund not recover from the decline suffered last year through the falling off in Legacies.

To release the Hospital from this situation is the task now confronting the Board. It is a formidable task, but one to which, the Board hope and believe, the public will not deny support, when once the claims and urgent needs of the Hospital are understood. The Board have therefore resolved to make a strenuous effort to grapple with the situation.

Let it not be thought that the plea which this Hospital urges is that of charity only. It is also that of great public utility. The Wards and Out-Patients' Departments of this and other Hospitals are the field in which the Doctor and the Nurse have acquired and are acquiring the knowledge and skill from which every section of the community, rich and poor alike, derives inestimable benefit.

Signed, on behalf of the Board of Management,

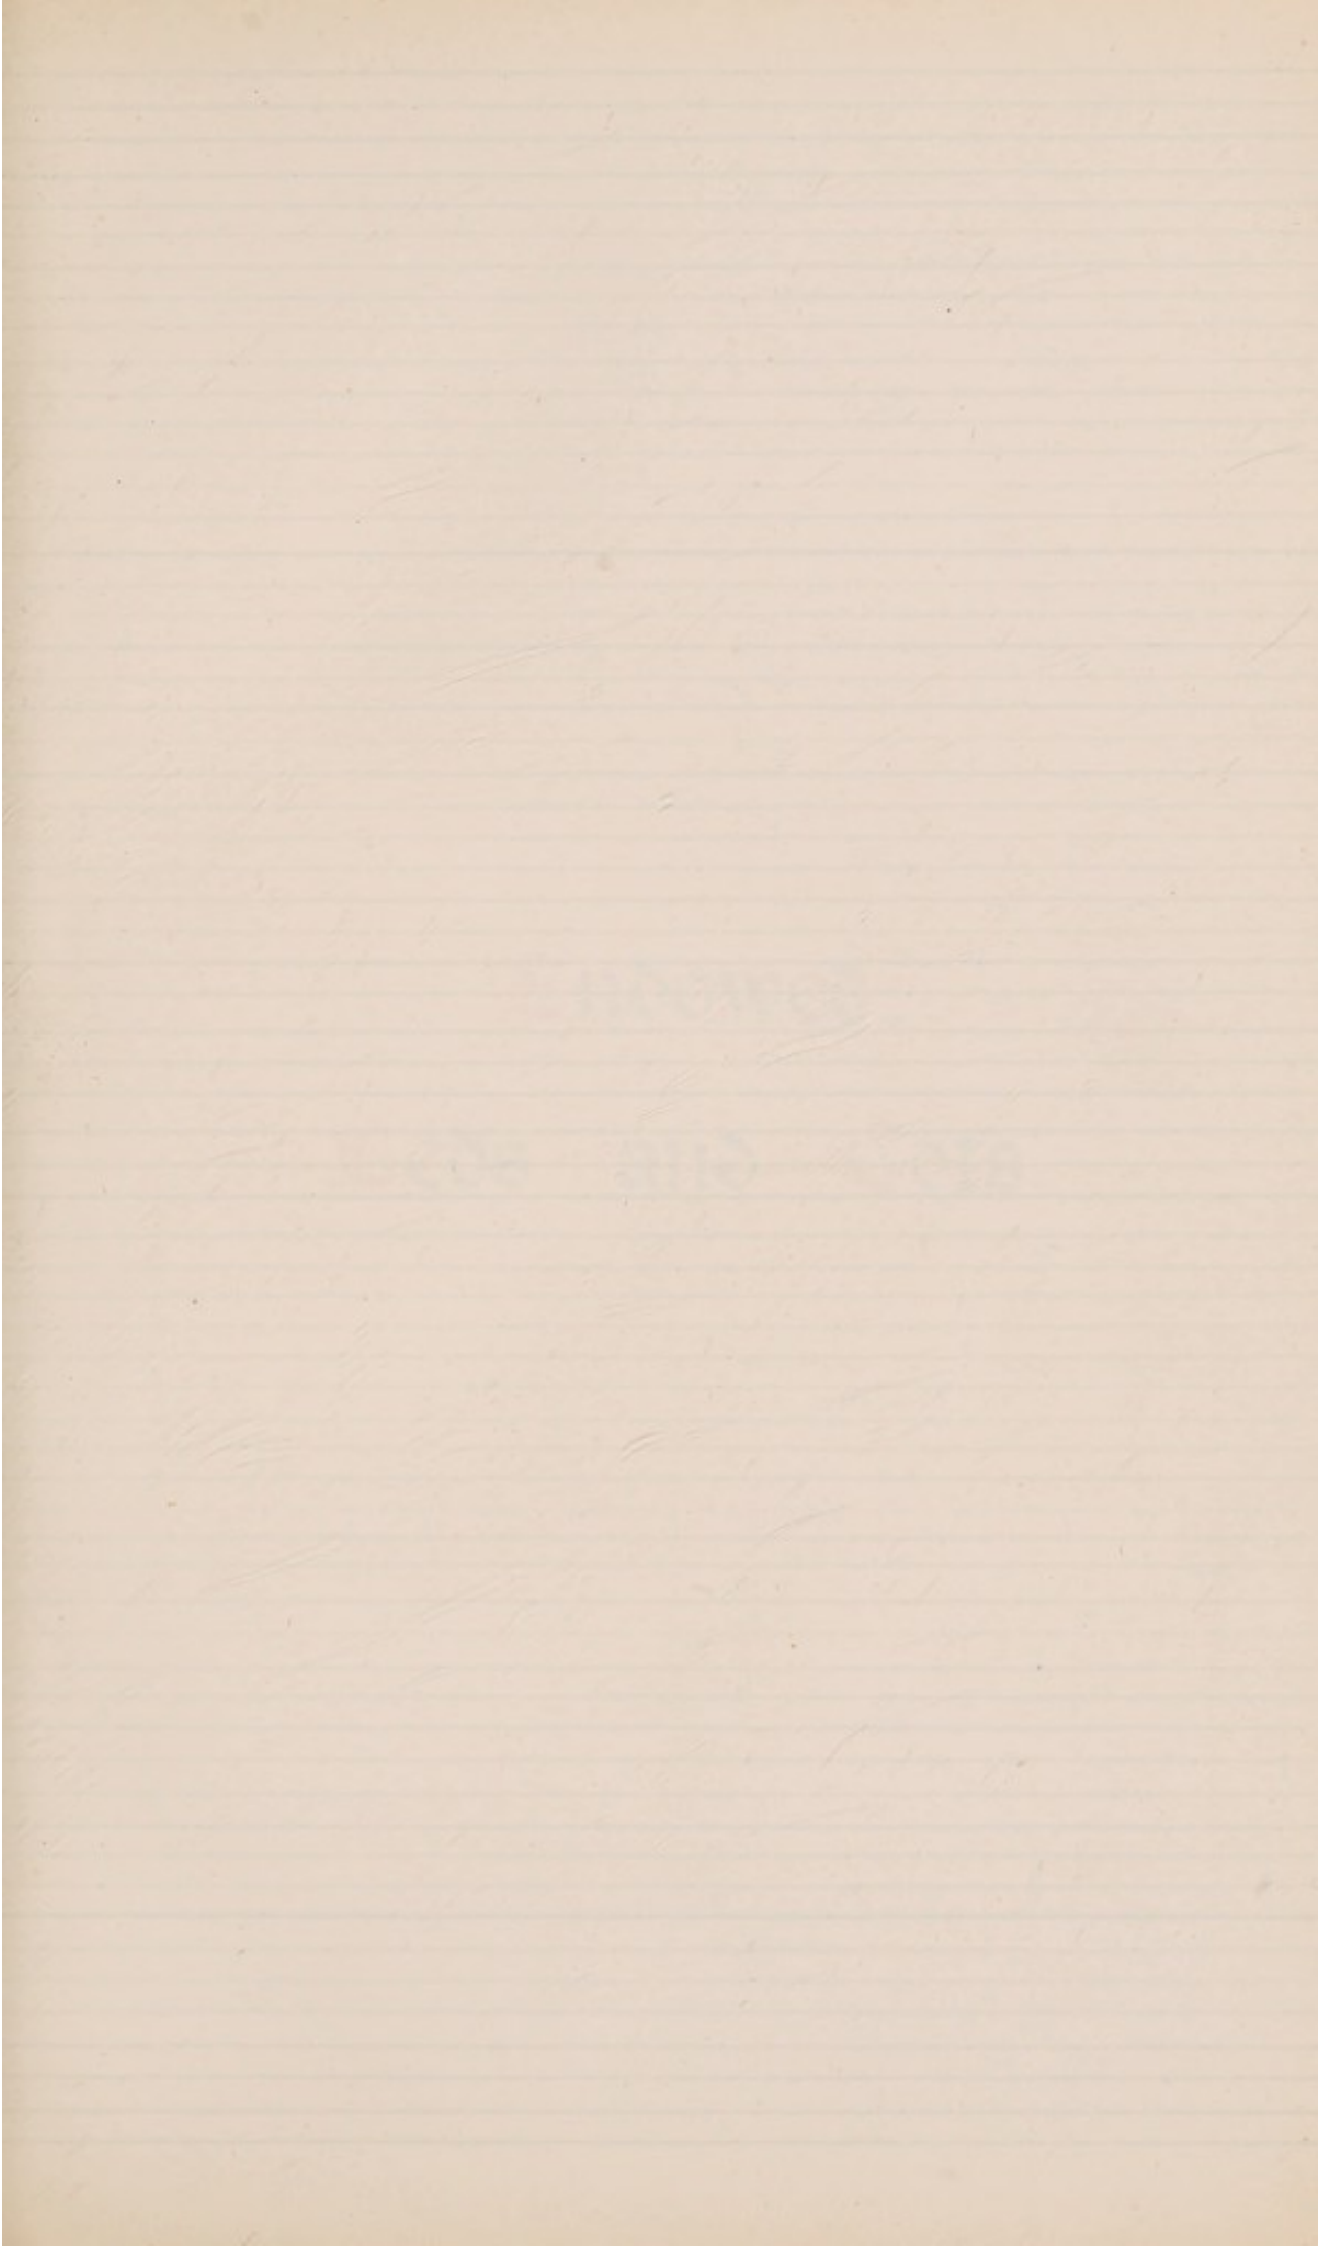

THOMAS RYAN,

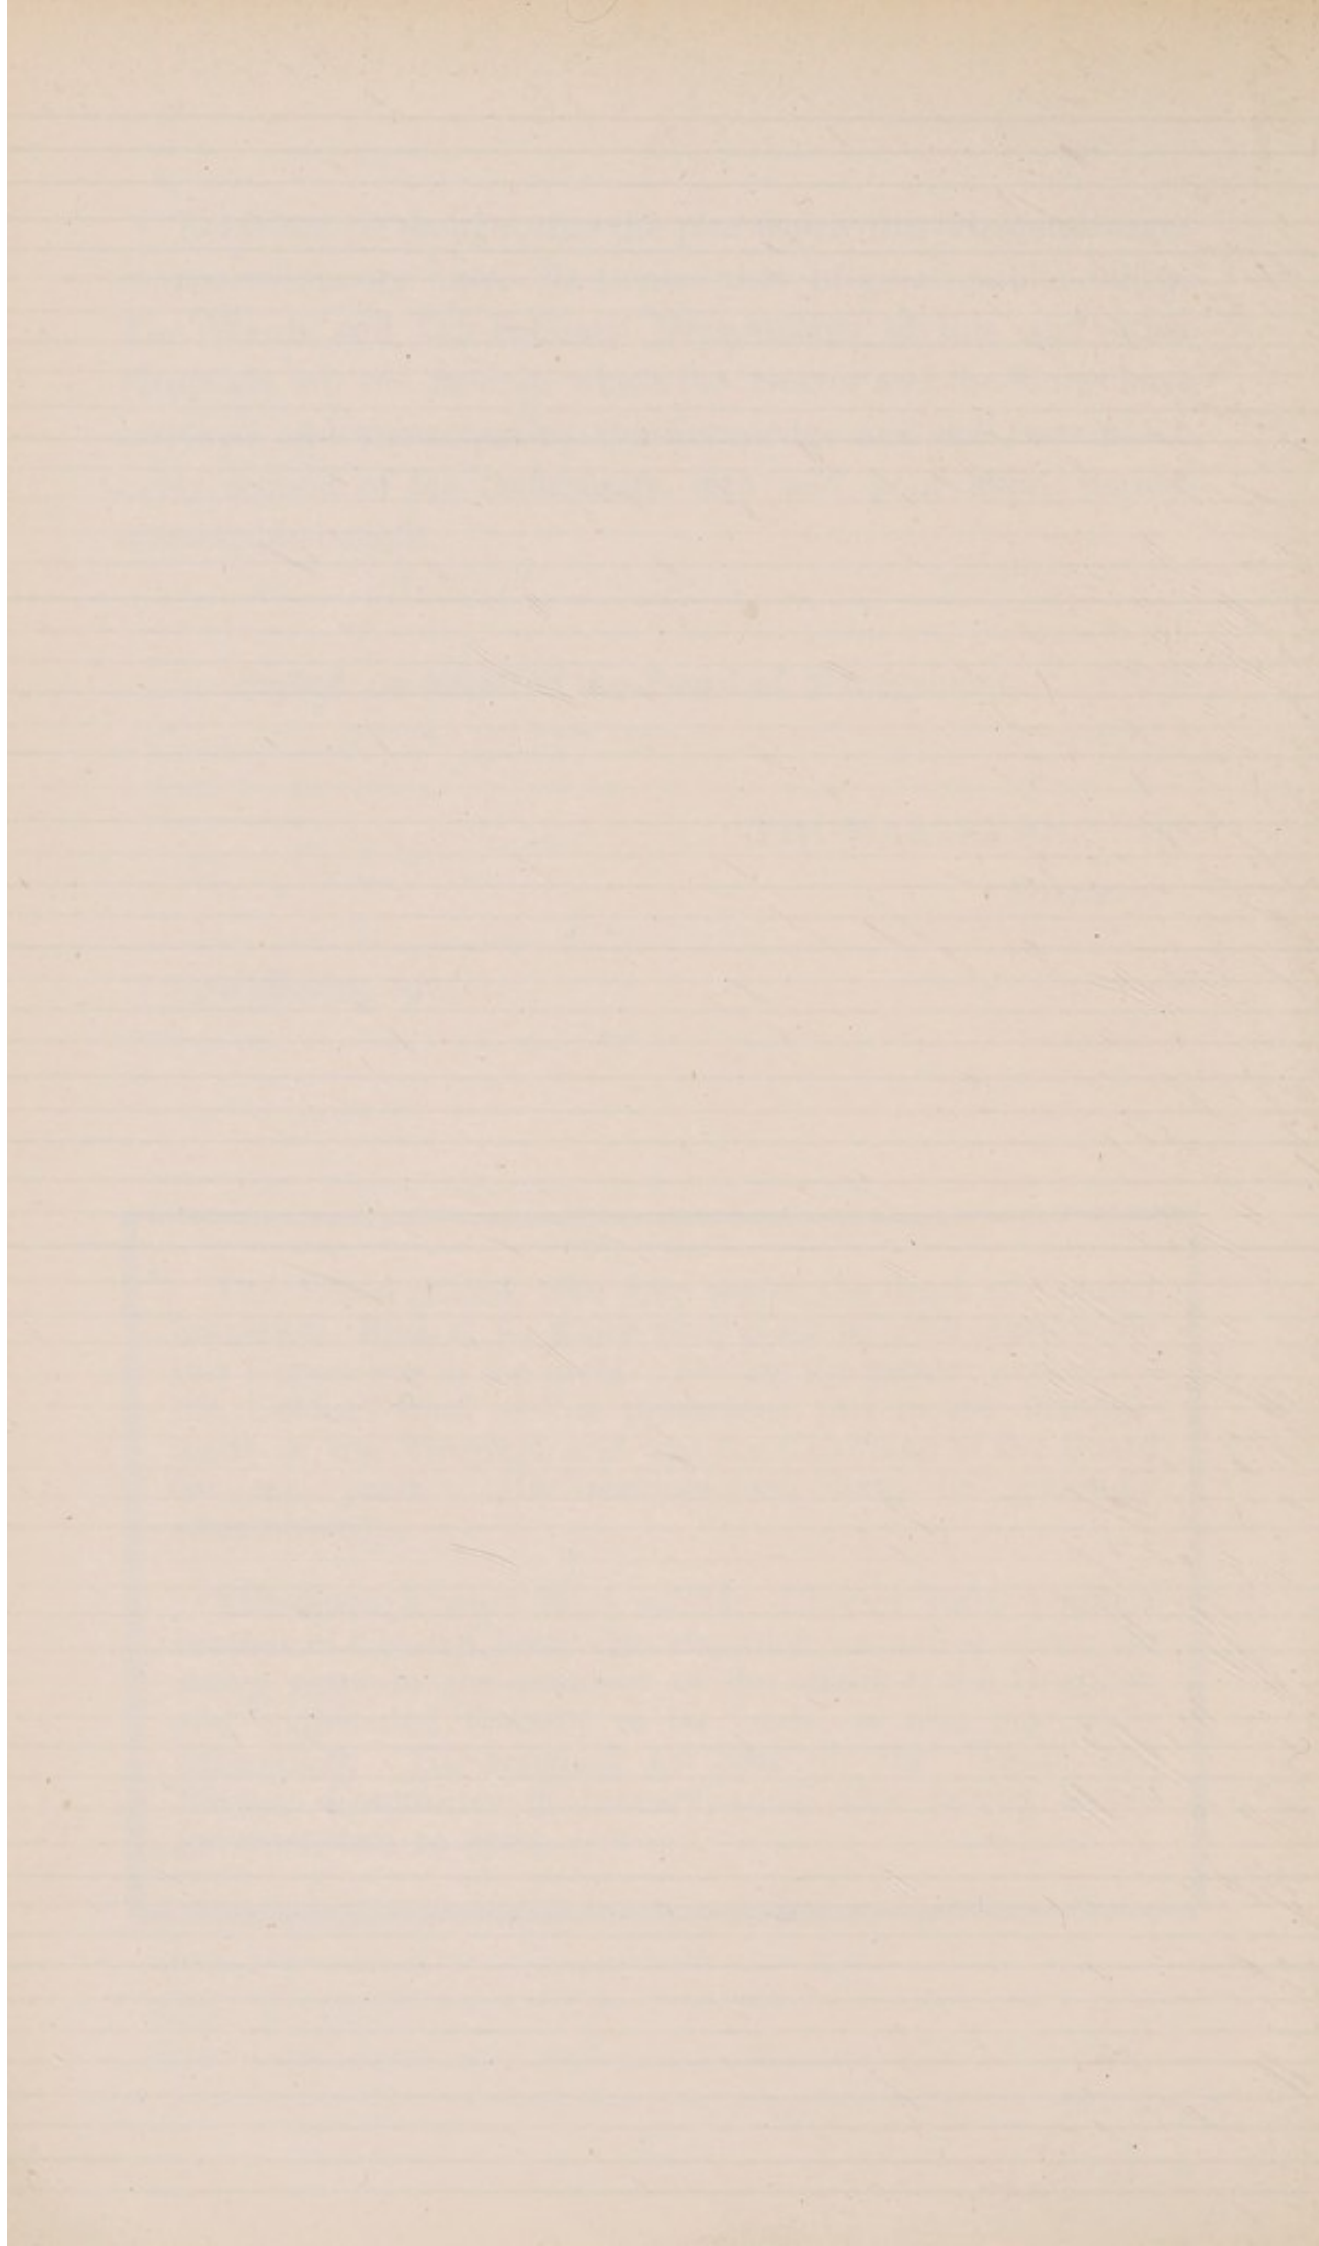

Secretary.

23rd March, 1905.

The Board record, with deep regret, the death of Colonel Stanley G. Bird, C.B., which took place on 18th April while this Report was in the press. During the greater part of his life, Colonel Bird took a prominent part in the management of the Hospital, and was the Chairman of the Board for ten years. His services will long be gratefully remembered.

The death, a week later, of Mr. Charles Bird, younger brother of Colonel Bird, who also took an active share for many years in the conduct of the affairs of the Hospital, and contributed liberally to its funds, is also regretfully chronicled. He resigned his seat on the House and Finance Committee in January, 1904, after having served for more than 20 years.

The George Sturge Trust Fund.

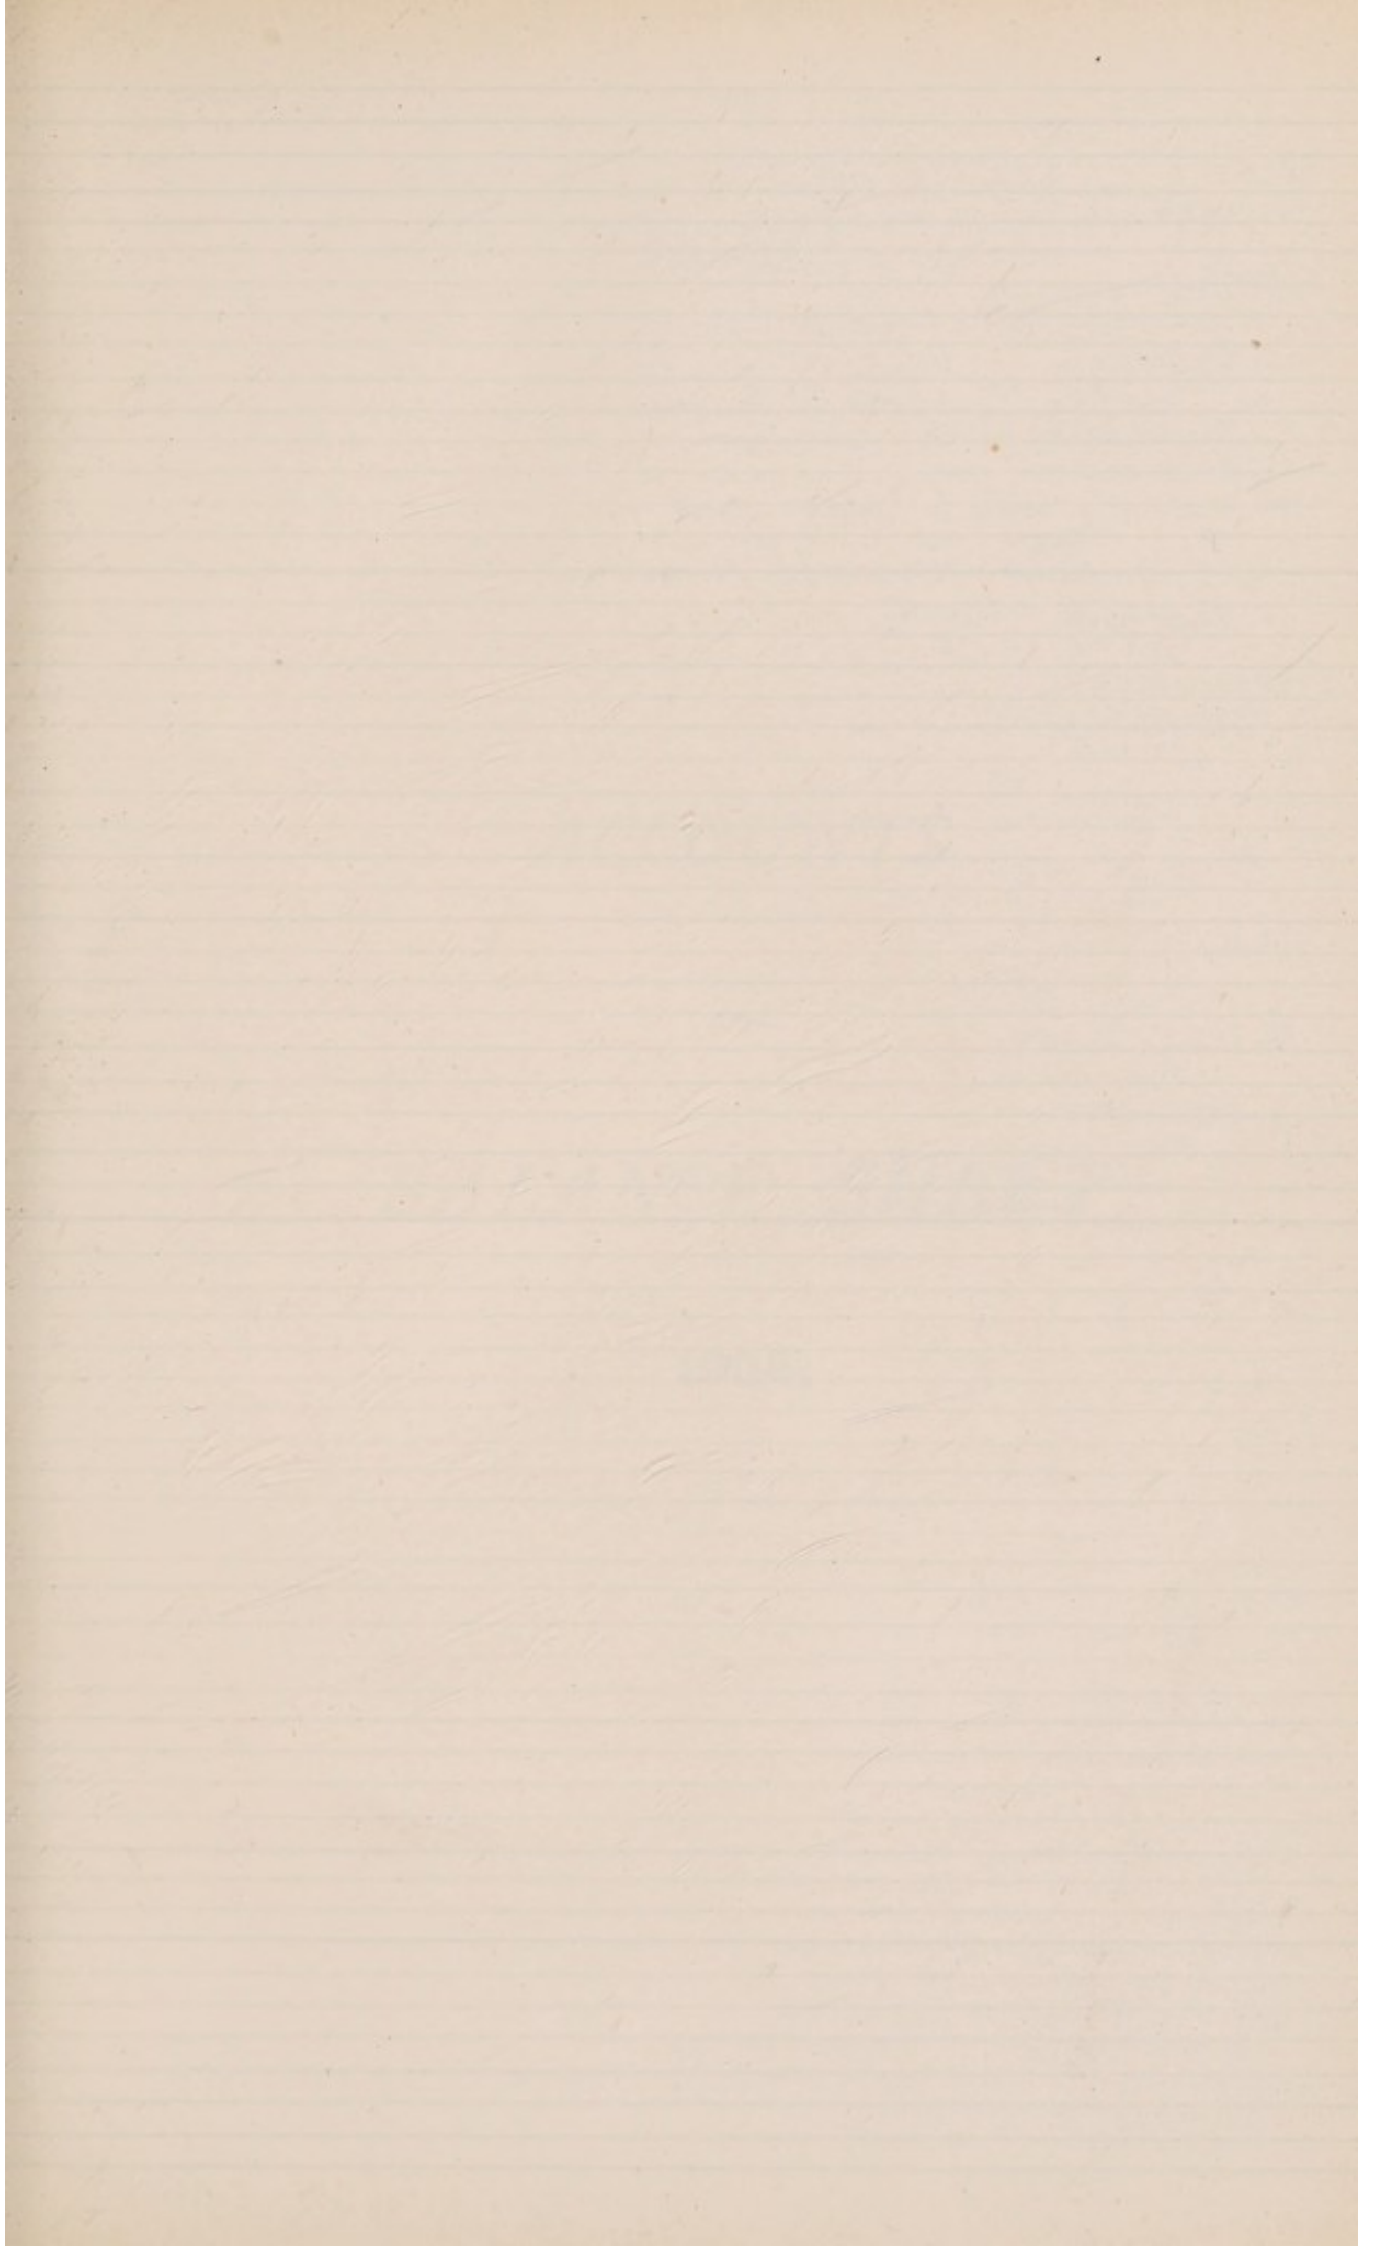

IN the year 1884 Mr. George Sturge, of Woodthorpe, Sydenham Hill Road, executed a Deed of Trust conveying to St. Mary's Hospital £926 *Great Eastern Railway 5 per Cent. Preference Stock, representing one thousand pounds (£1,000), under the following conditions:—

“In giving the sum of £1,000 for a Samaritan Fund for the above Hospital, Mr. Sturge gives it on the conditions that this Fund shall be kept entirely separate from the General Funds of the Hospital, and that the income shall be paid to, or applied for, such In-Patients as may be necessitous, and within three months from their discharge from the Hospital, and for the purpose of their having necessary nourishment, clothing, or change of air.”

** Mr. Sturge hopes that this Fund may be made known and that others may be induced to subscribe to it. **

* Converted, in 1902, to £972 Great Eastern Railway Consolidated 4 per cent. Preference Stock.

The Disbursements under this Trust Deed are included in the Convalescent Fund Account on pages 32 and 100 of this Report.

Special Wards are provided for those cases marked with an asterisk.

2. All classes of disease are received, with the exception of confirmed consumption, infectious diseases other than typhoid fever, delirium tremens, itch, incurable diseases, chronic ulcerated legs, and cases capable of receiving equal benefit as Out-patients. No person capable of paying for medical attendance is admissible as a patient. §

GOVERNMENT AND MANAGEMENT.

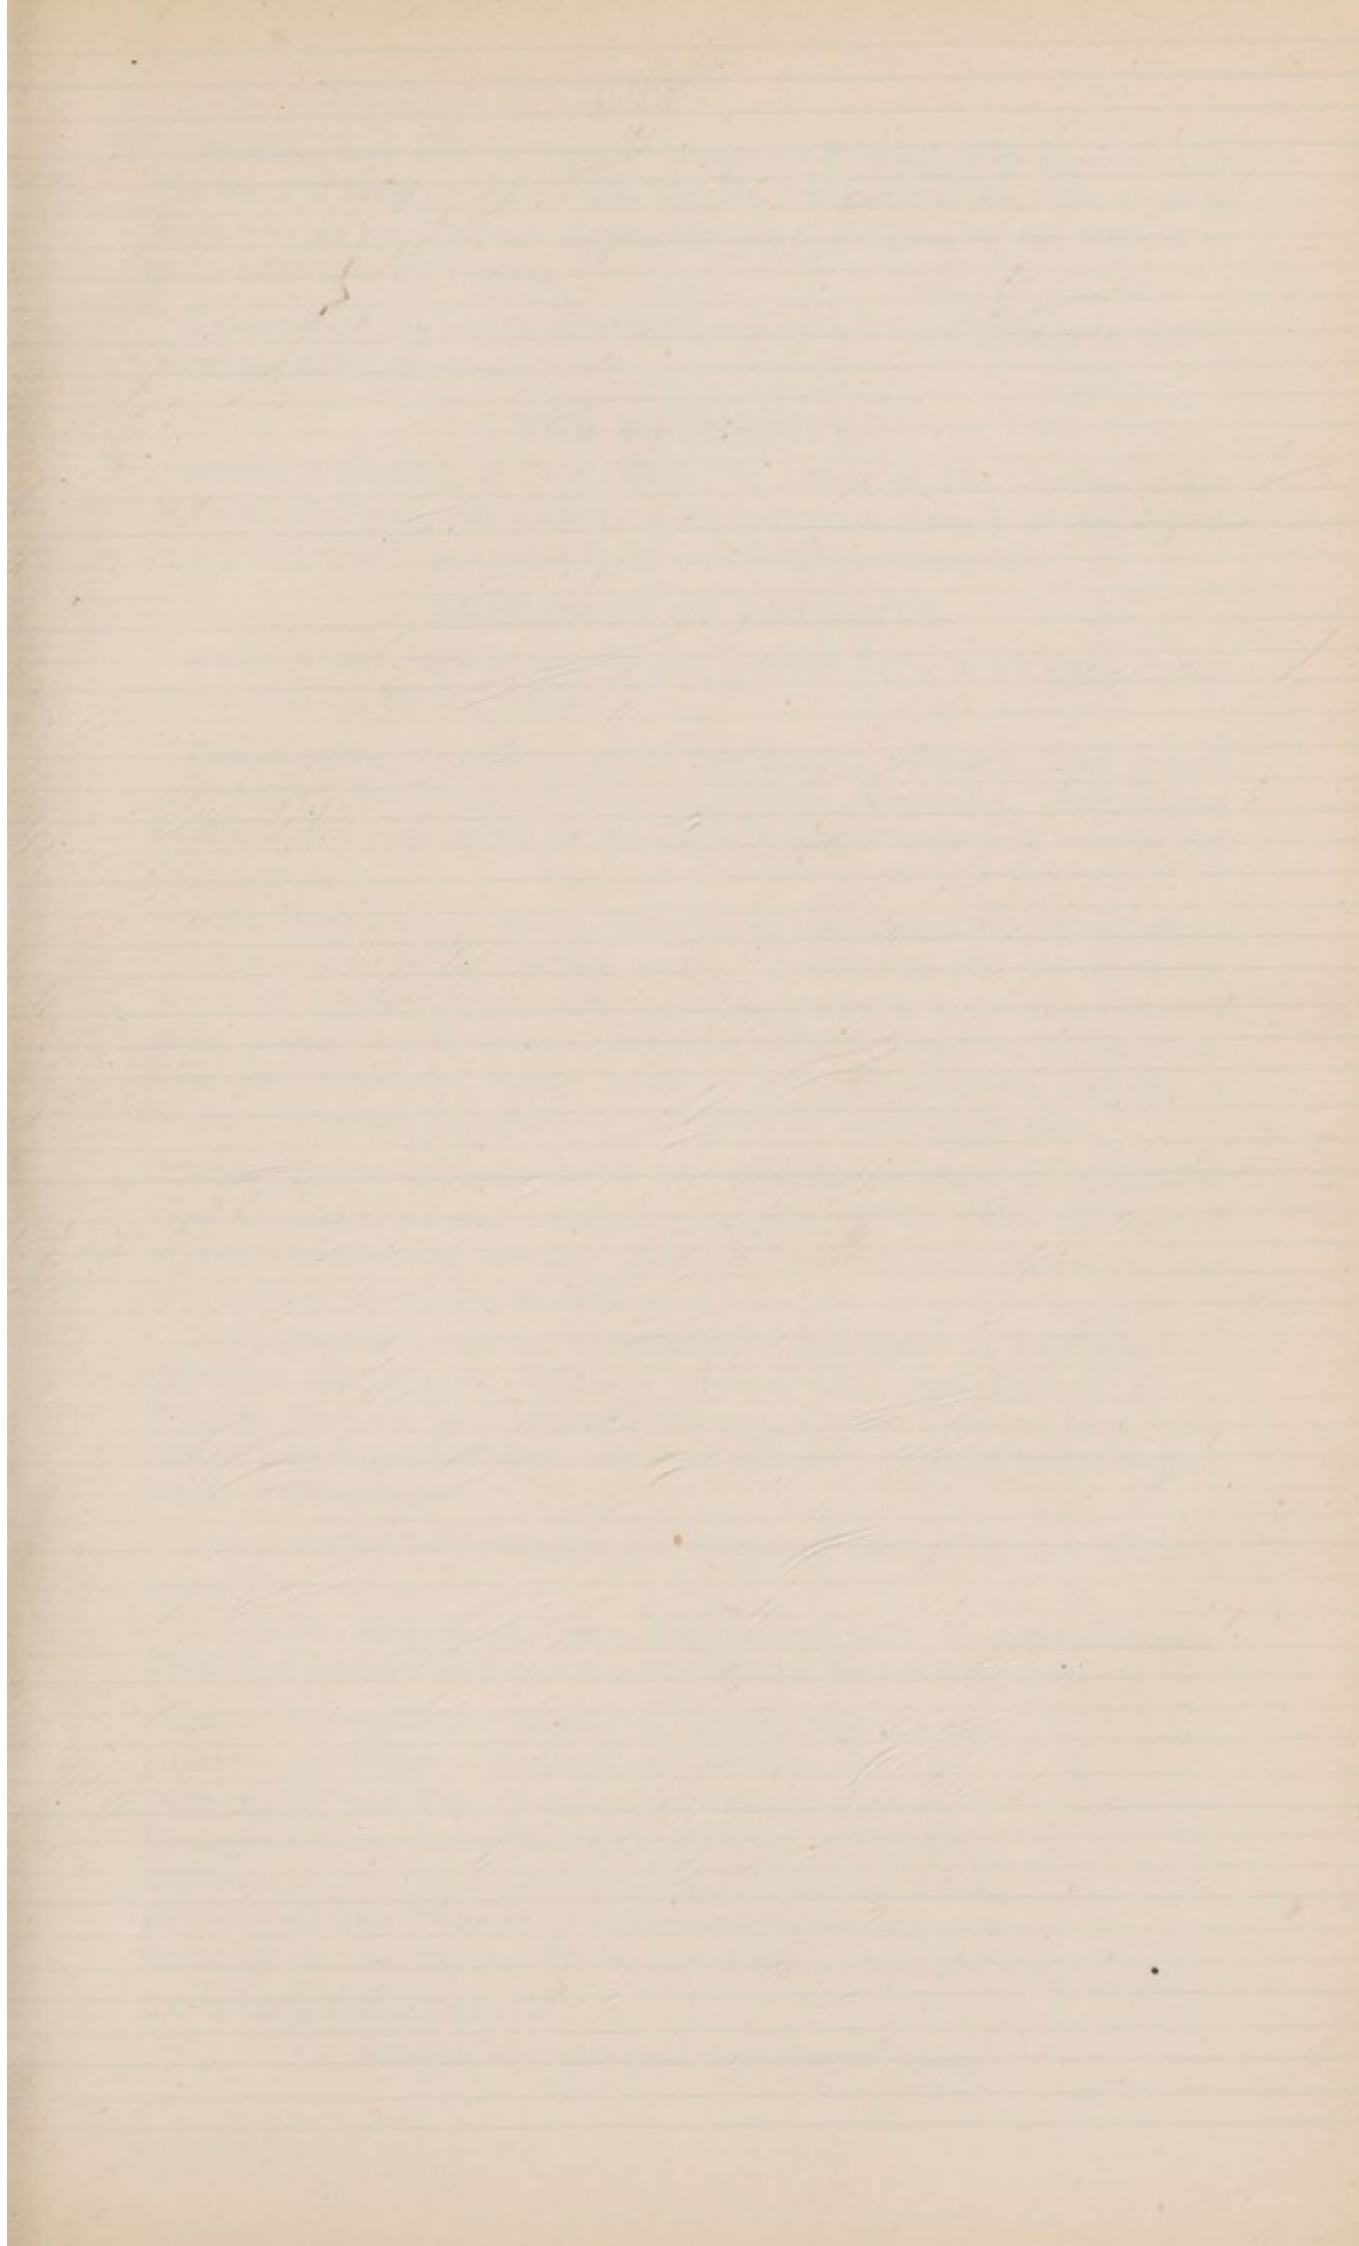

The mode of Government is by a Board of Management, meeting fortnightly, and consisting of the President, Vice-Presidents, Trustees, and Treasurers, together with twenty-five Governors elected annually, of whom eight are Members of the Medical and Surgical Staff or Lecturers in the Medical School; and by Standing Committees appointed by the Board of Management.

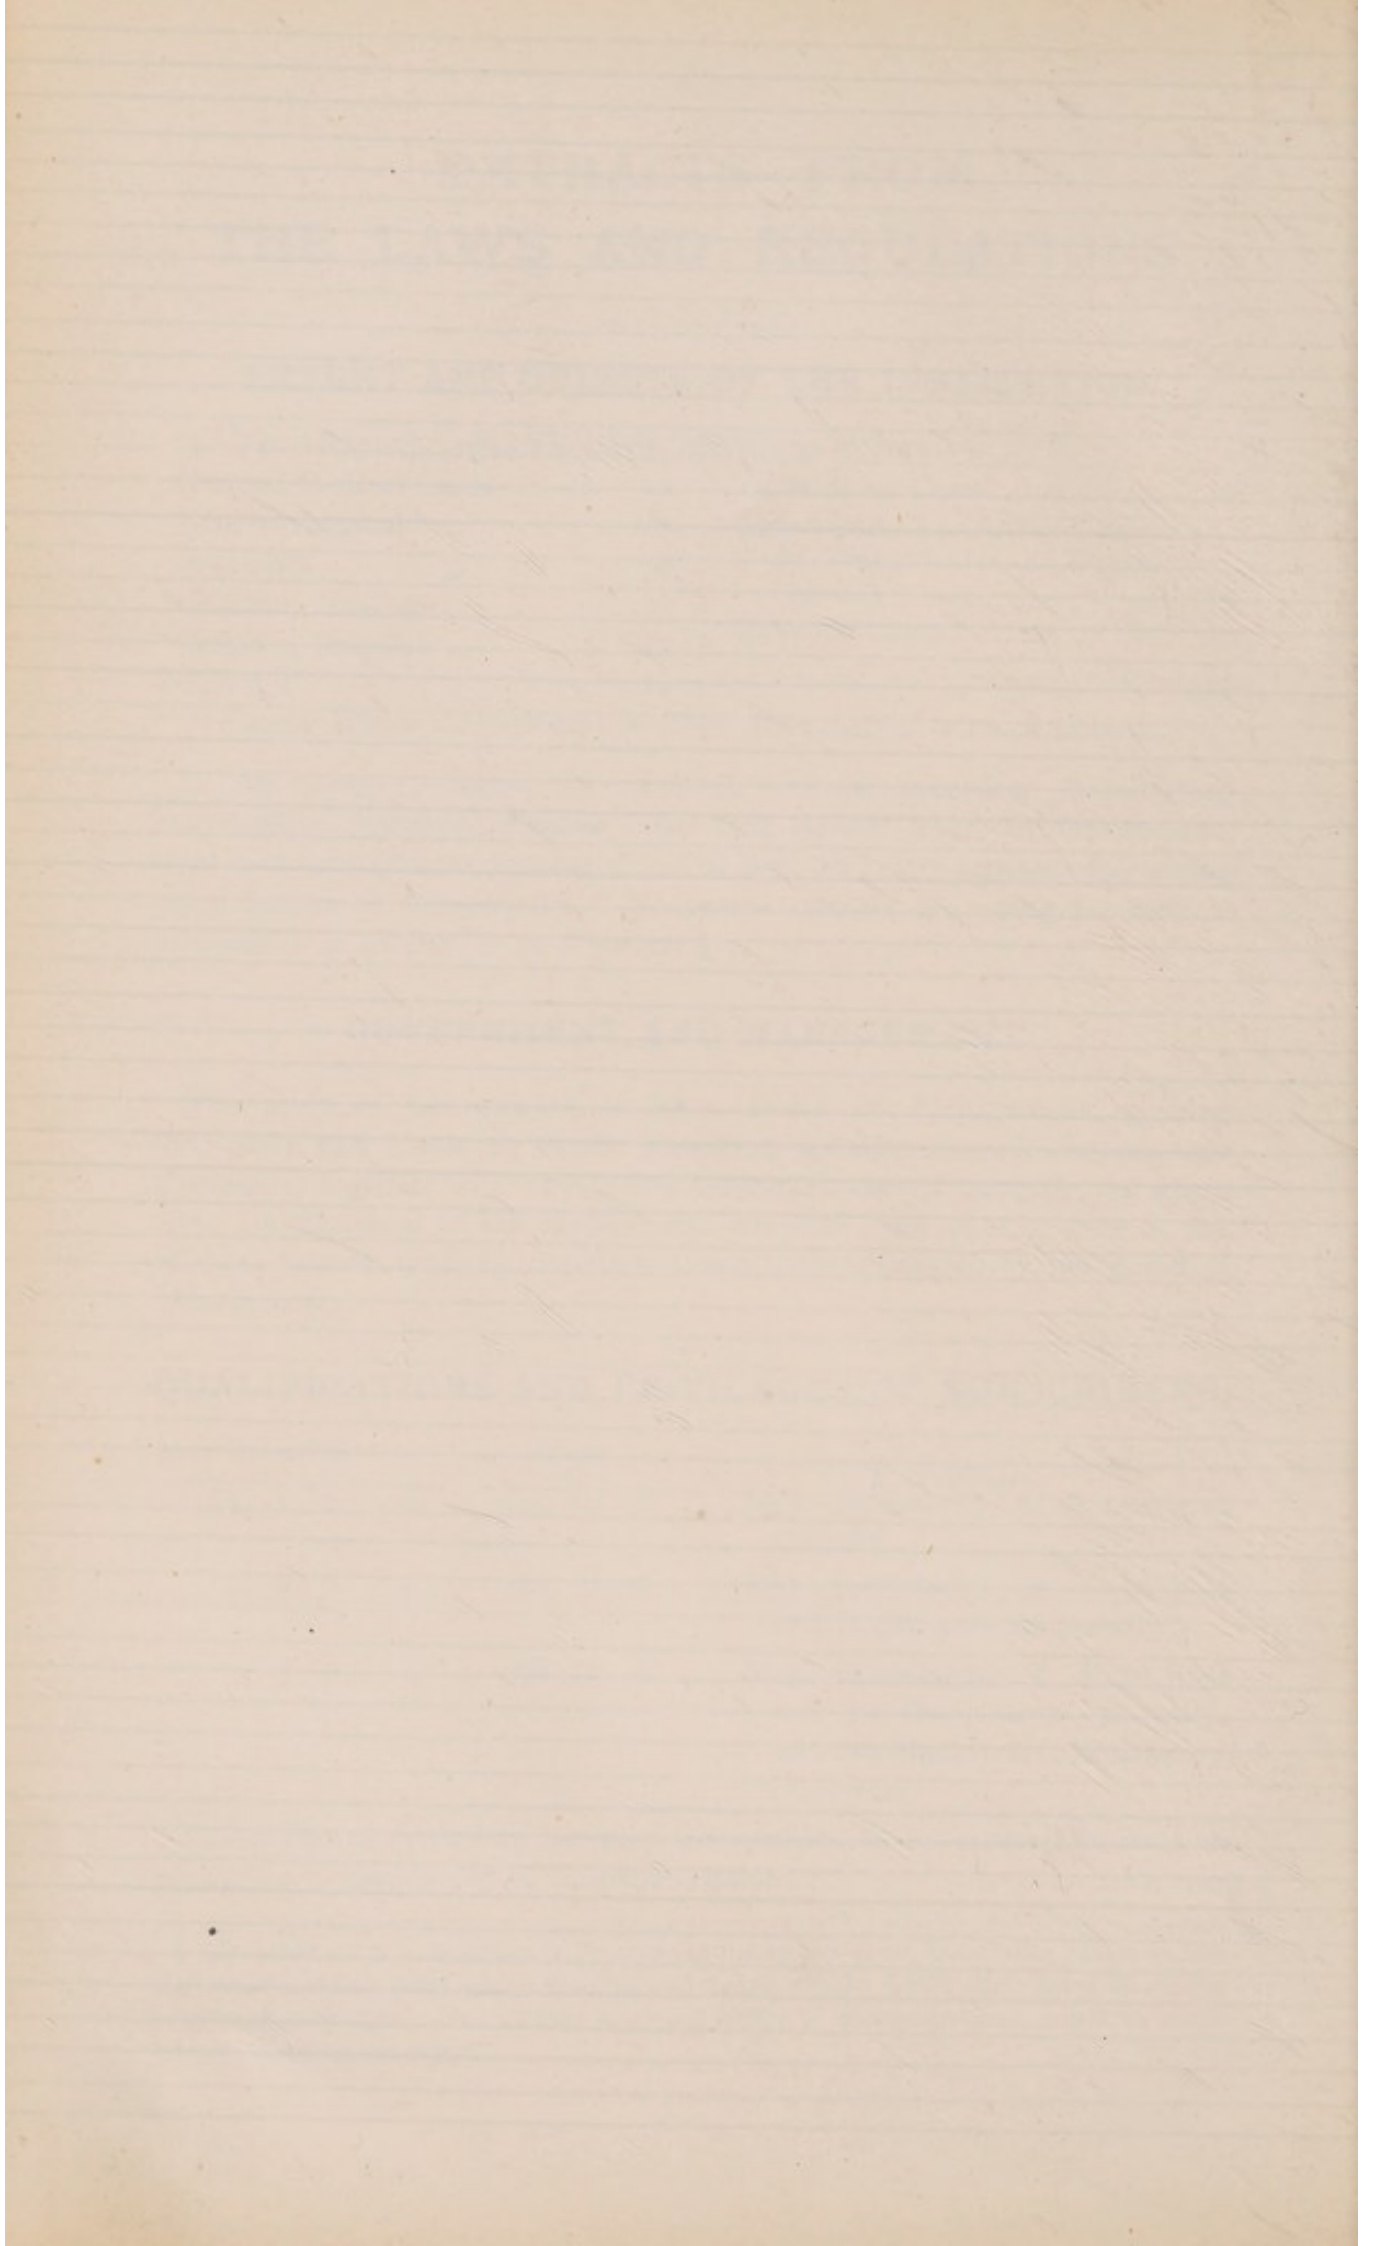

QUALIFICATIONS AND PRIVILEGES OF SUBSCRIBERS.

| Ann. Subscribers of | or | Donors of | Privileges. |
|------------------------|----|--------------|---|
| £1 1 0 | or | £10 10 0 | May recommend 6 Out-patients annually. |
| 2 2 0 | ,, | 21 0 0 | May recommend 2 In-patients and 12 Out-patients annually. |
| 3 3 0 | ,, | 31 10 0 | May recommend 3 In-patients and 18 Out-patients annually, and are eligible for Election as Governors. |

Subscribers of greater or less sums are entitled to recommend Patients in proportion to the amount of their subscriptions.

§ The attention of Subscribers is earnestly called to this point, there being reason to fear that persons obtain relief whose position and means should forbid their doing so at the expense of a charity. Due caution in giving letters of recommendation would do much towards checking this abuse.

Governors have also the right to inspect the Hospital under regulations by the Board of Management, so that they do not exercise that right so as to inconvenience the Chaplain or any Minister of Religion, or the Medical or other officers, or the Patients.

Executors of any considerable benefactor by will are eligible to be elected Honorary Life Governors.

THE MATERNITY.

Annual Subscribers of One Guinea, or *Donors* of Ten Guineas to the MATERNITY FUND, may recommend three Patients annually *to that department*; and so on in proportion to the amount of the subscription.

ADMISSION OF PATIENTS.

Accidents and cases of *urgency* are admitted FREE at all times, on the approval of the Medical Officers.

Persons holding In-patients' letters and desiring admission, must present their letters at the Hospital at 1 o'clock (Sundays excepted). They will be admitted after examination by the Medical Superintendent, if suitable and there is room.

Much inconvenience having occurred in consequence of the arrival of Patients from a distance, without notice, it is requested that Governors and Subscribers sending Patients from places so remote as to preclude easy and cheap communication with the Hospital, will give notice to the Secretary three days before the Patient intends to apply for admission, and send a Medical Certificate stating as fully as possible the nature of the case.

When there is not room for all who apply for admission as In-patients, those whose cases are most pressing are accepted, and the others are deferred or prescribed for as Out-patients. Notice of this is sent to the Subscriber, who can then recommend another case.

The following cases are unsuitable for admission as In-Patients—Confirmed Consumption, Infectious Diseases other than Typhoid Fever, Delirium Tremens, Itch, Incurable Diseases, Chronic Ulcerated Legs, more suitable for a Parish Infirmary, and those who are capable of receiving equal benefit as Out-patients.

VISITING DAYS.—Wednesdays and Saturdays, from 4 to 5, and Sundays, from 3 to 4.

Out-patients are attended DAILY (Sundays and Public Holidays excepted). They must present their letters at the Hospital at the following times:—

The Committee have been assisted towards sending so many patients to Convalescent Homes by kind gifts of letters by the undermentioned ladies and gentlemen :—Mr. Herbert W. Travelling expenses were paid for 291 patients to and from Convalescent Homes. Pecuniary assistance was given to 375 patients, consisting in most cases of the fares to their own homes. Surgical and optical appliances were supplied to 149 patients.

Again the Committee offer to the Contributors to the Fund and to the Donors of Letters their sincere thanks for the help which has enabled them to provide for so many poor patients, to whose lot it could not otherwise have fallen, the inestimable benefit of a stay in the country to recruit their strength.

Signed on behalf of the Committee,

THOMAS RYAN, *Secretary*.

1st March, 1905.

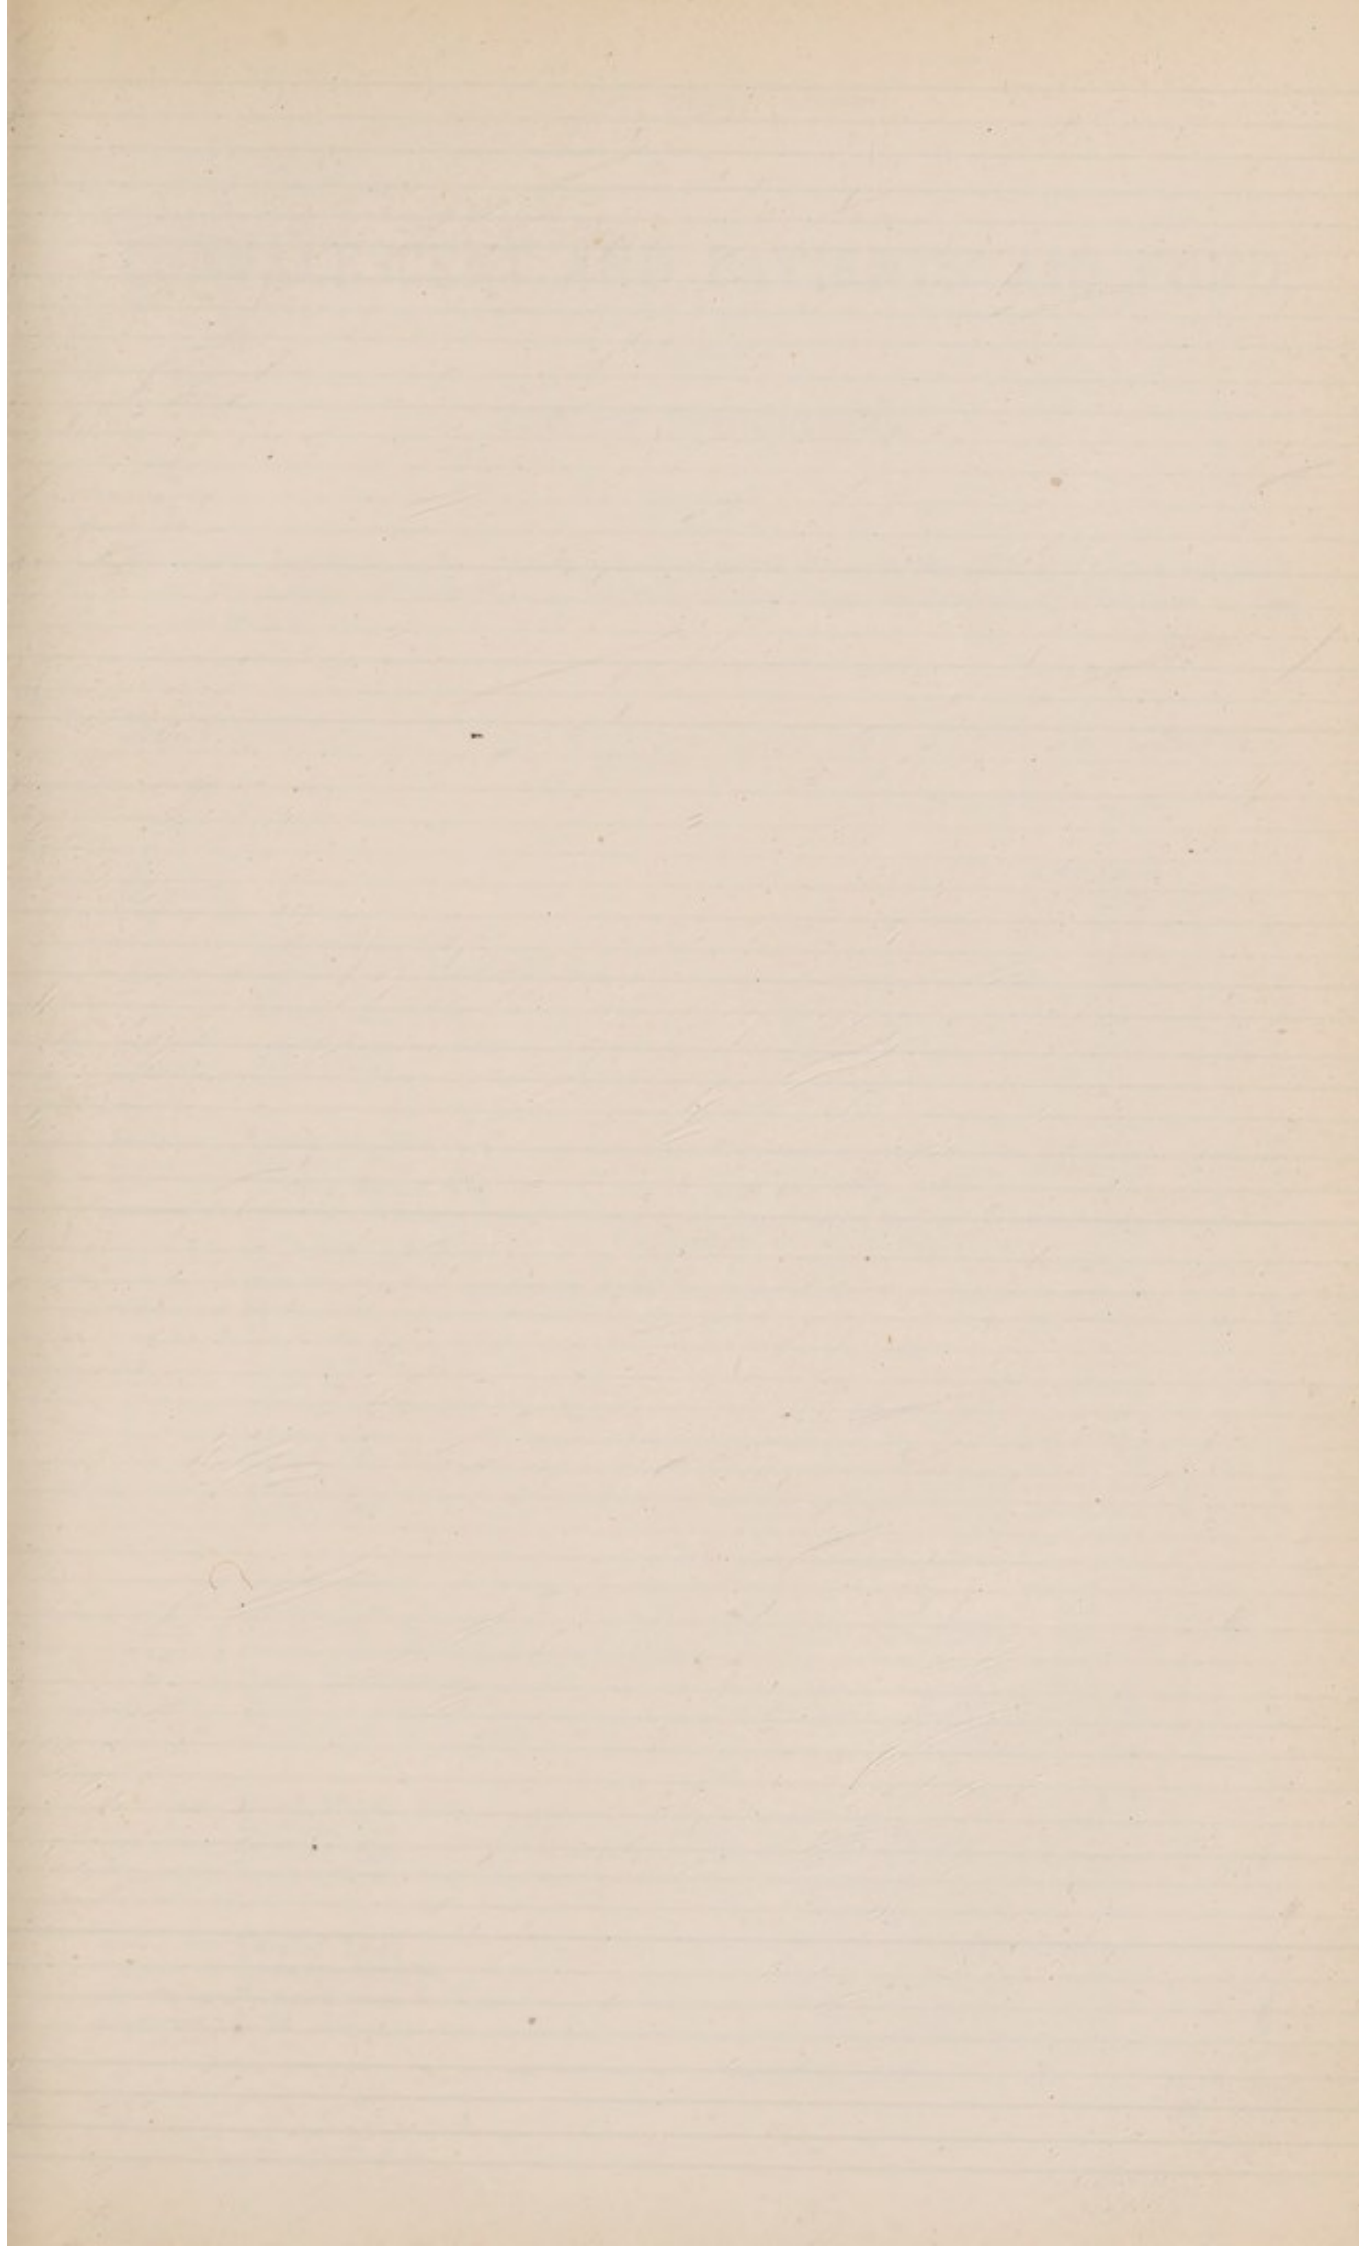

PATIENTS' CLOTHING.

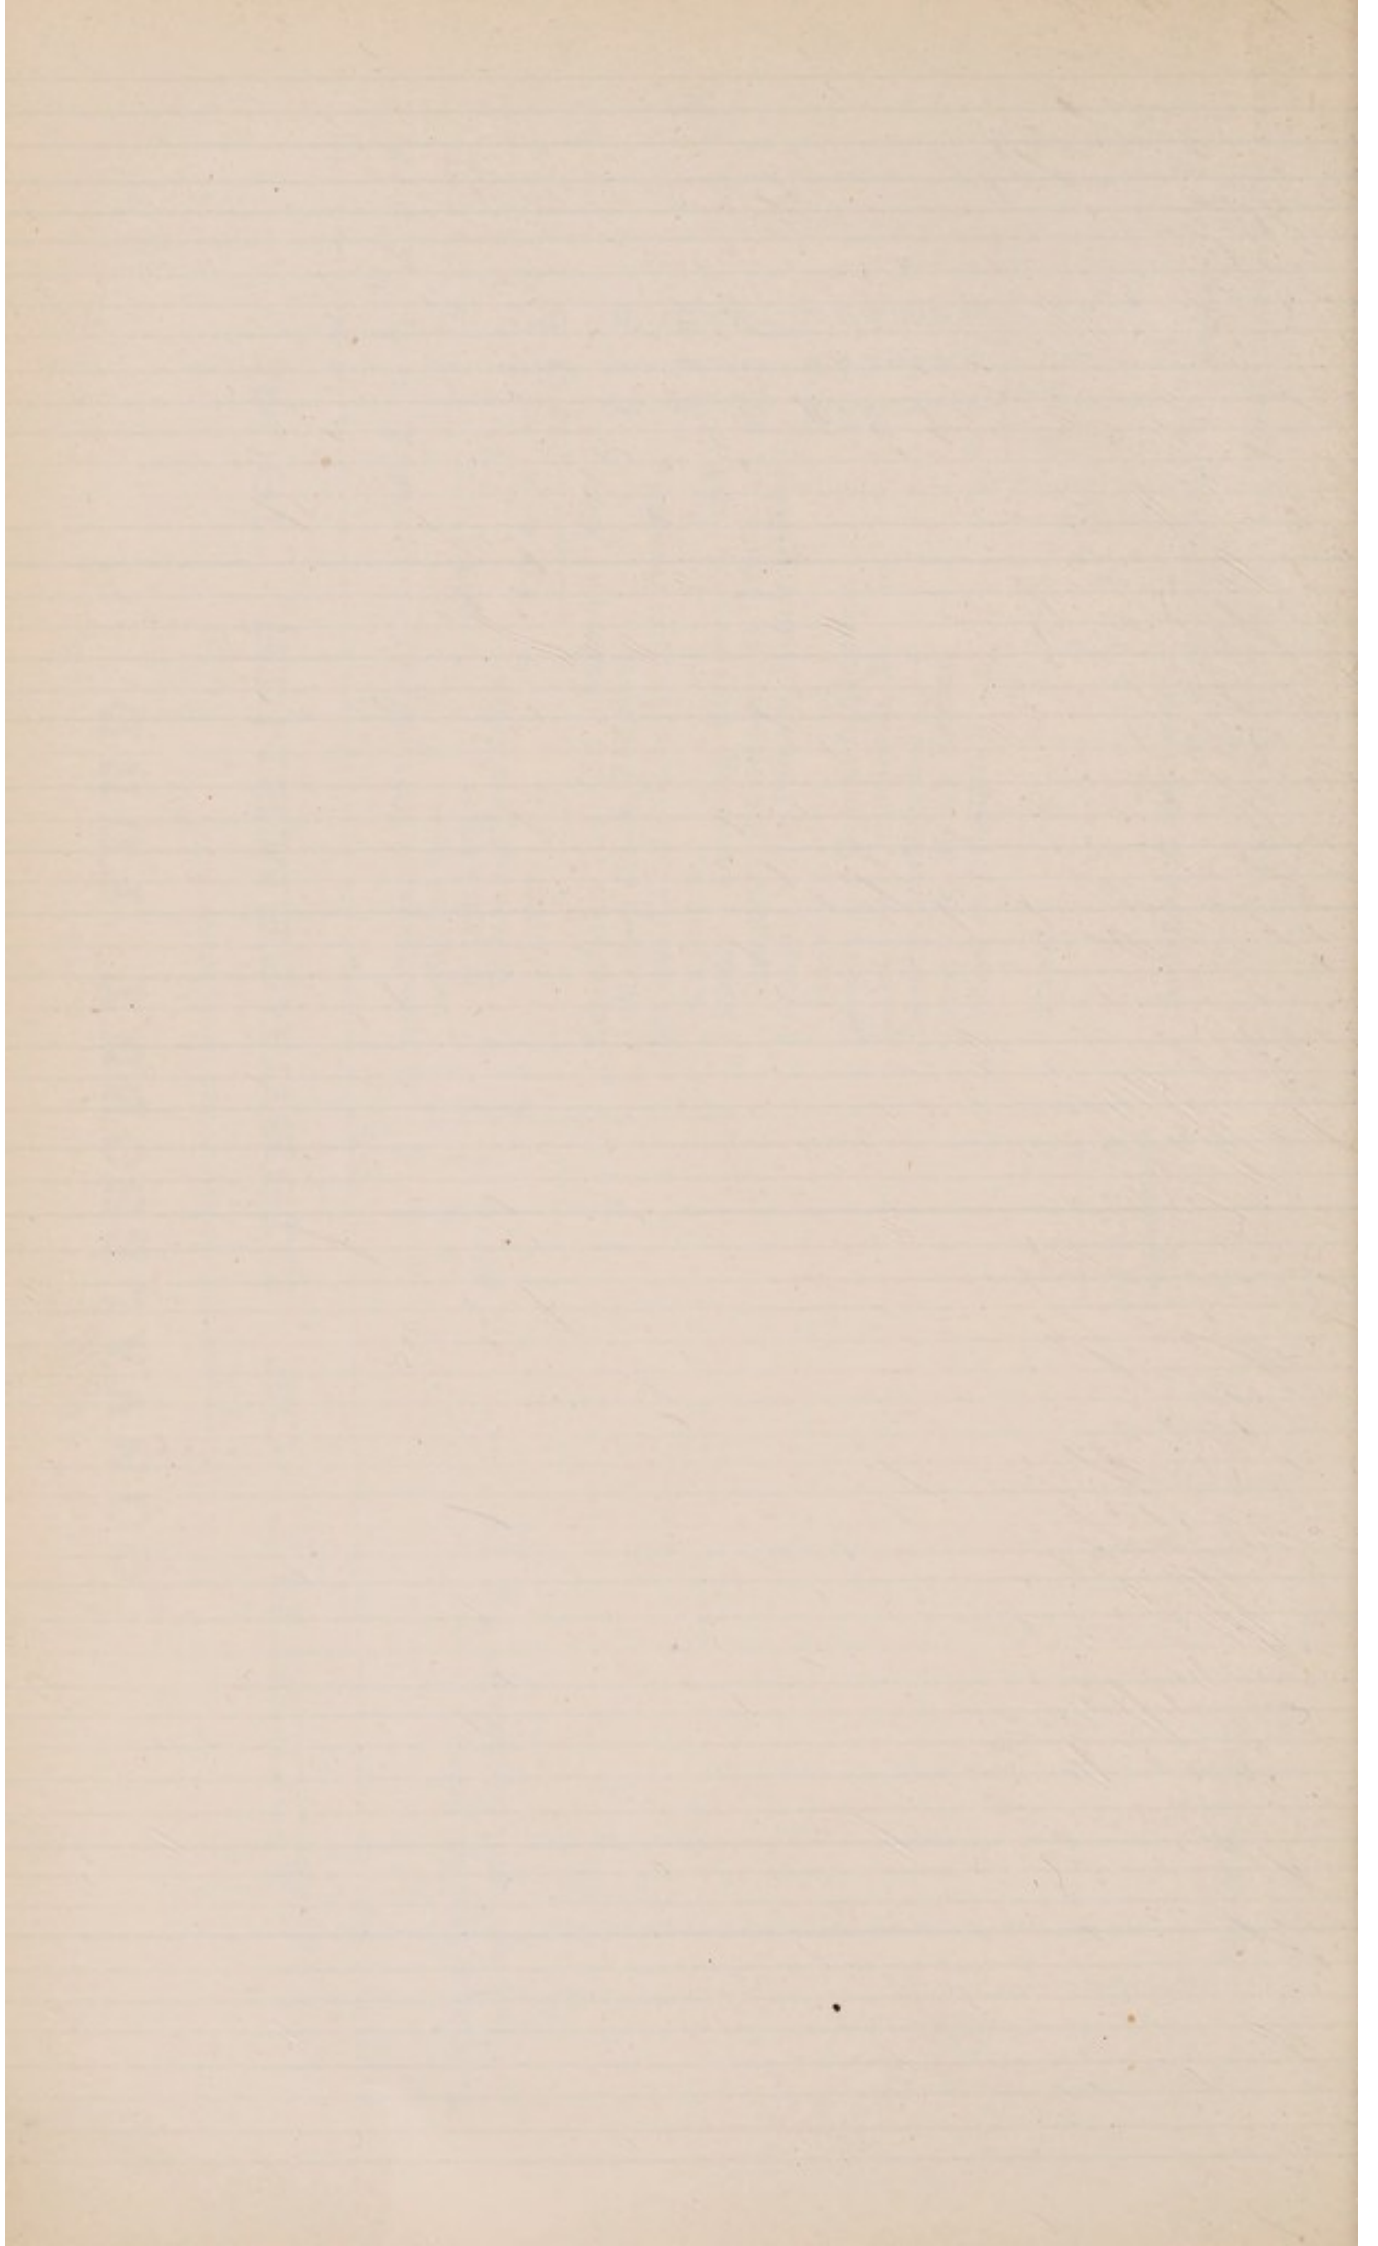

The CLOTHING of many of our poor patients is of such a scanty and threadbare description as to afford them but the very slightest protection against the cold and the rain.

To discharge them in this wretched condition, with their physical powers of resistance against inclement weather at their lowest ebb, is a melancholy office. Yet the Secretary constantly has to perform it, because he has not the means of relief. Contributions of left-off WEARING APPAREL and BOOTS AND SHOES, would enable him to do something for these poor half-clad creatures, and he therefore begs very earnestly to solicit gifts of this kind.

OLD LINEN is a valuable article in great demand in the Hospital Wards, of which the supply has of late much fallen off. A considerable sum has therefore to be spent every year on new material, where old would better serve the purpose.

The Secretary asks friends to kindly look through their linen cupboards, and send any unserviceable articles on to the Hospital, where they will be very gratefully received.

CONVALESCENT AND PATIENTS' AID FUND.

LIST OF SUBSCRIBERS.

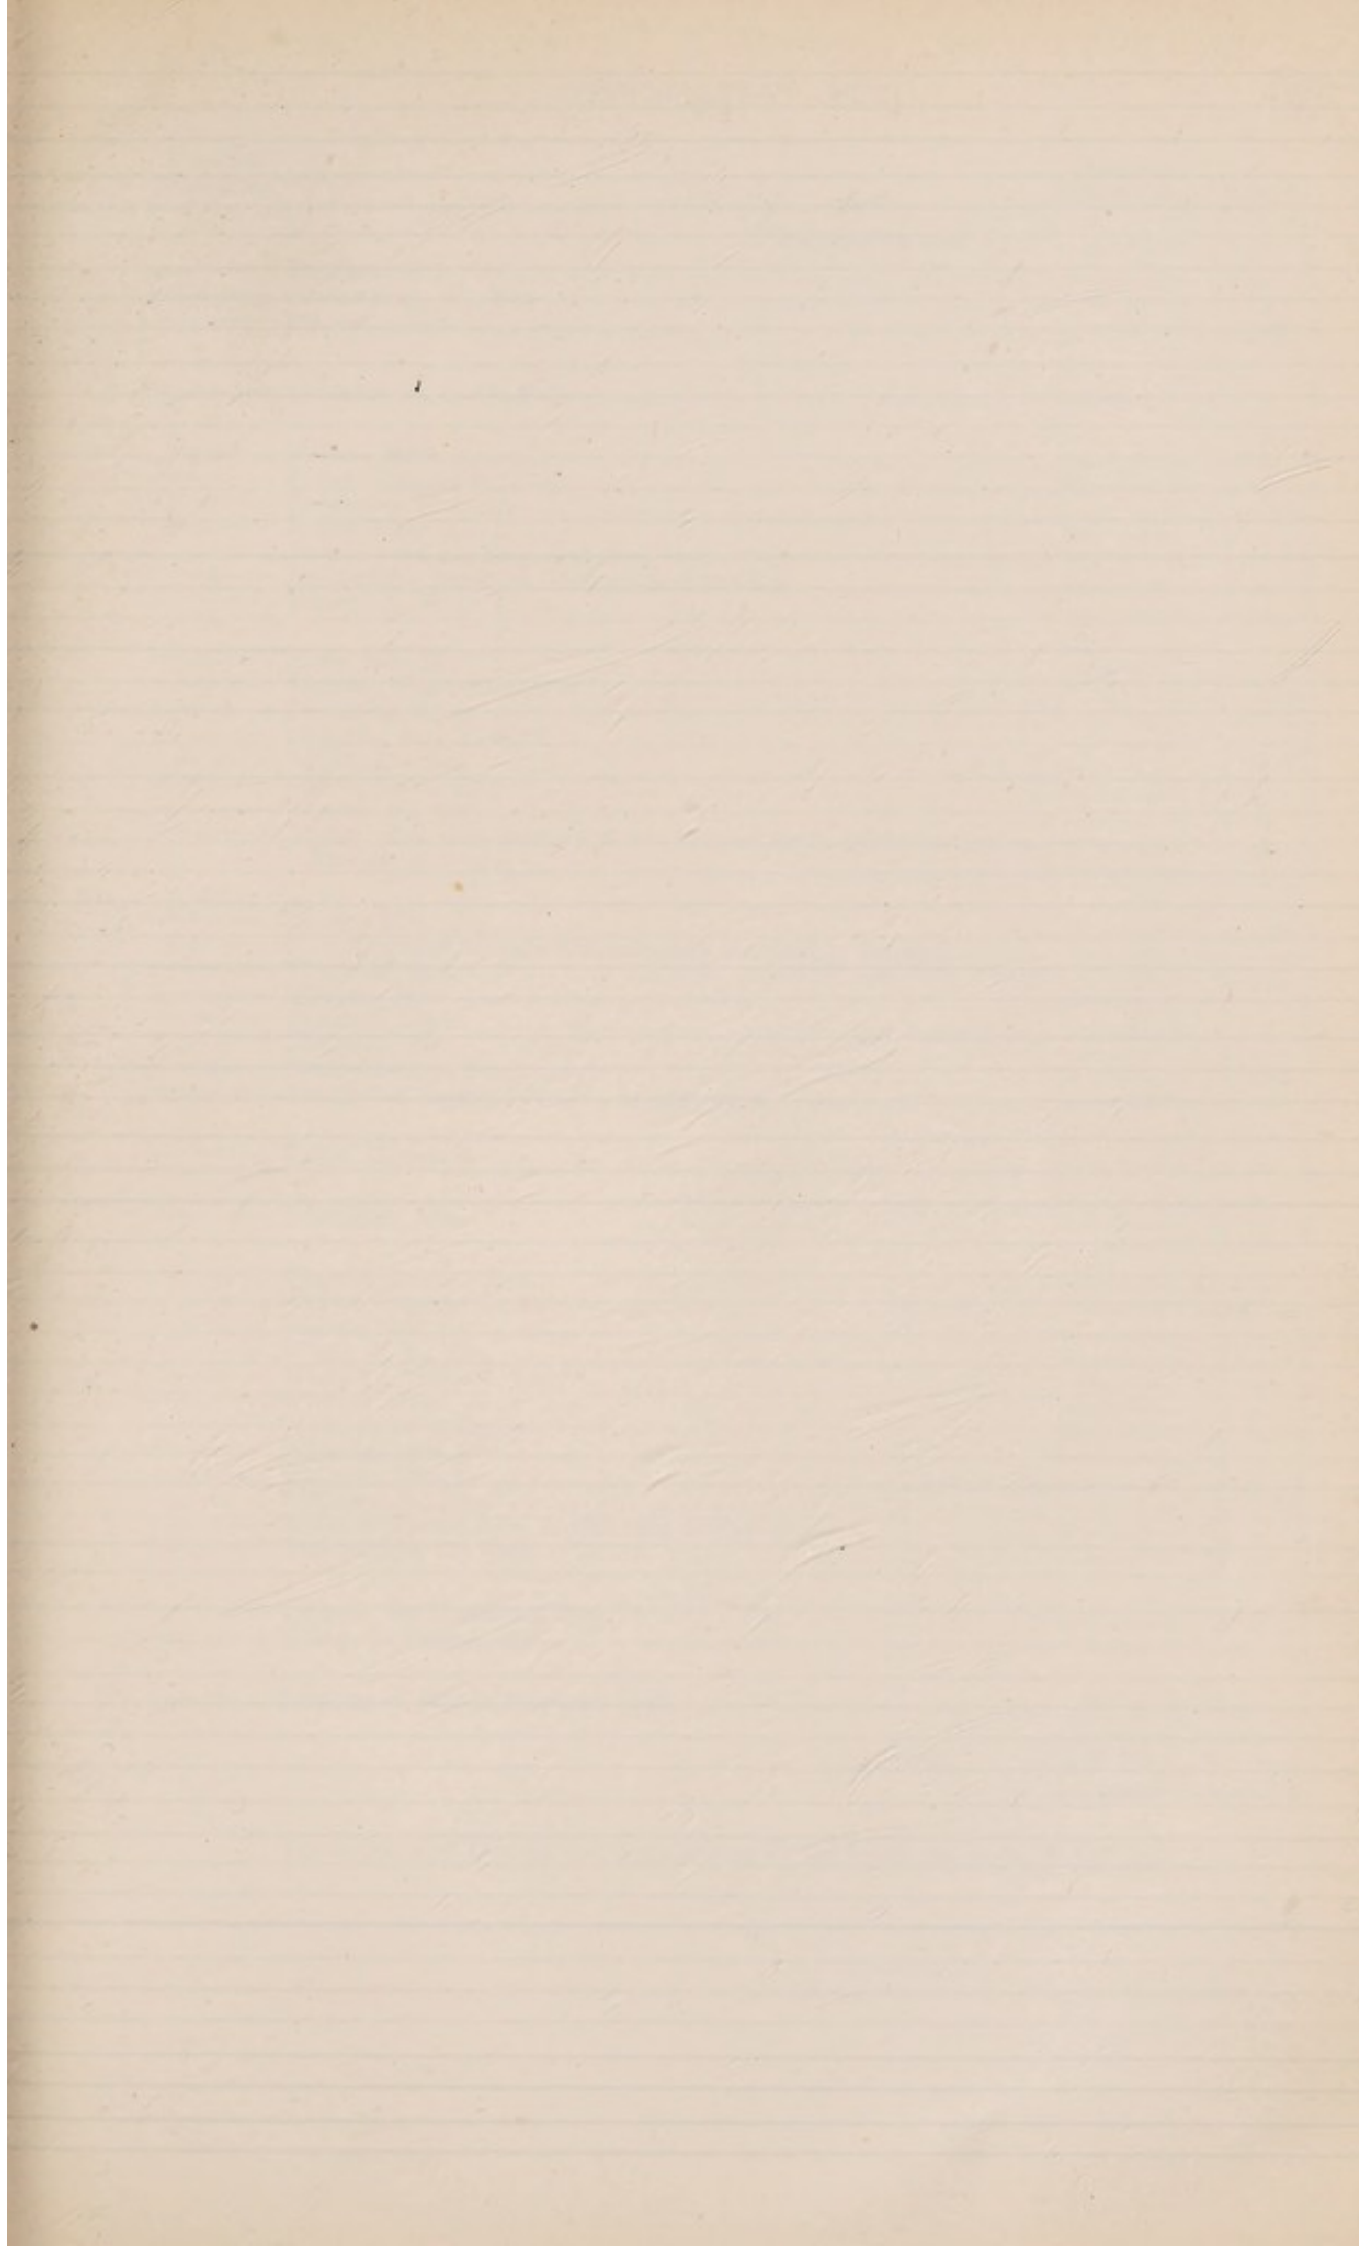

The Capital Letters L. S. M. X. affixed to the Annual Subscriptions show that they are payable in the Quarter terminating at Lady-day, Midsummer, Michaelmas, or Christmas, as the case may be.

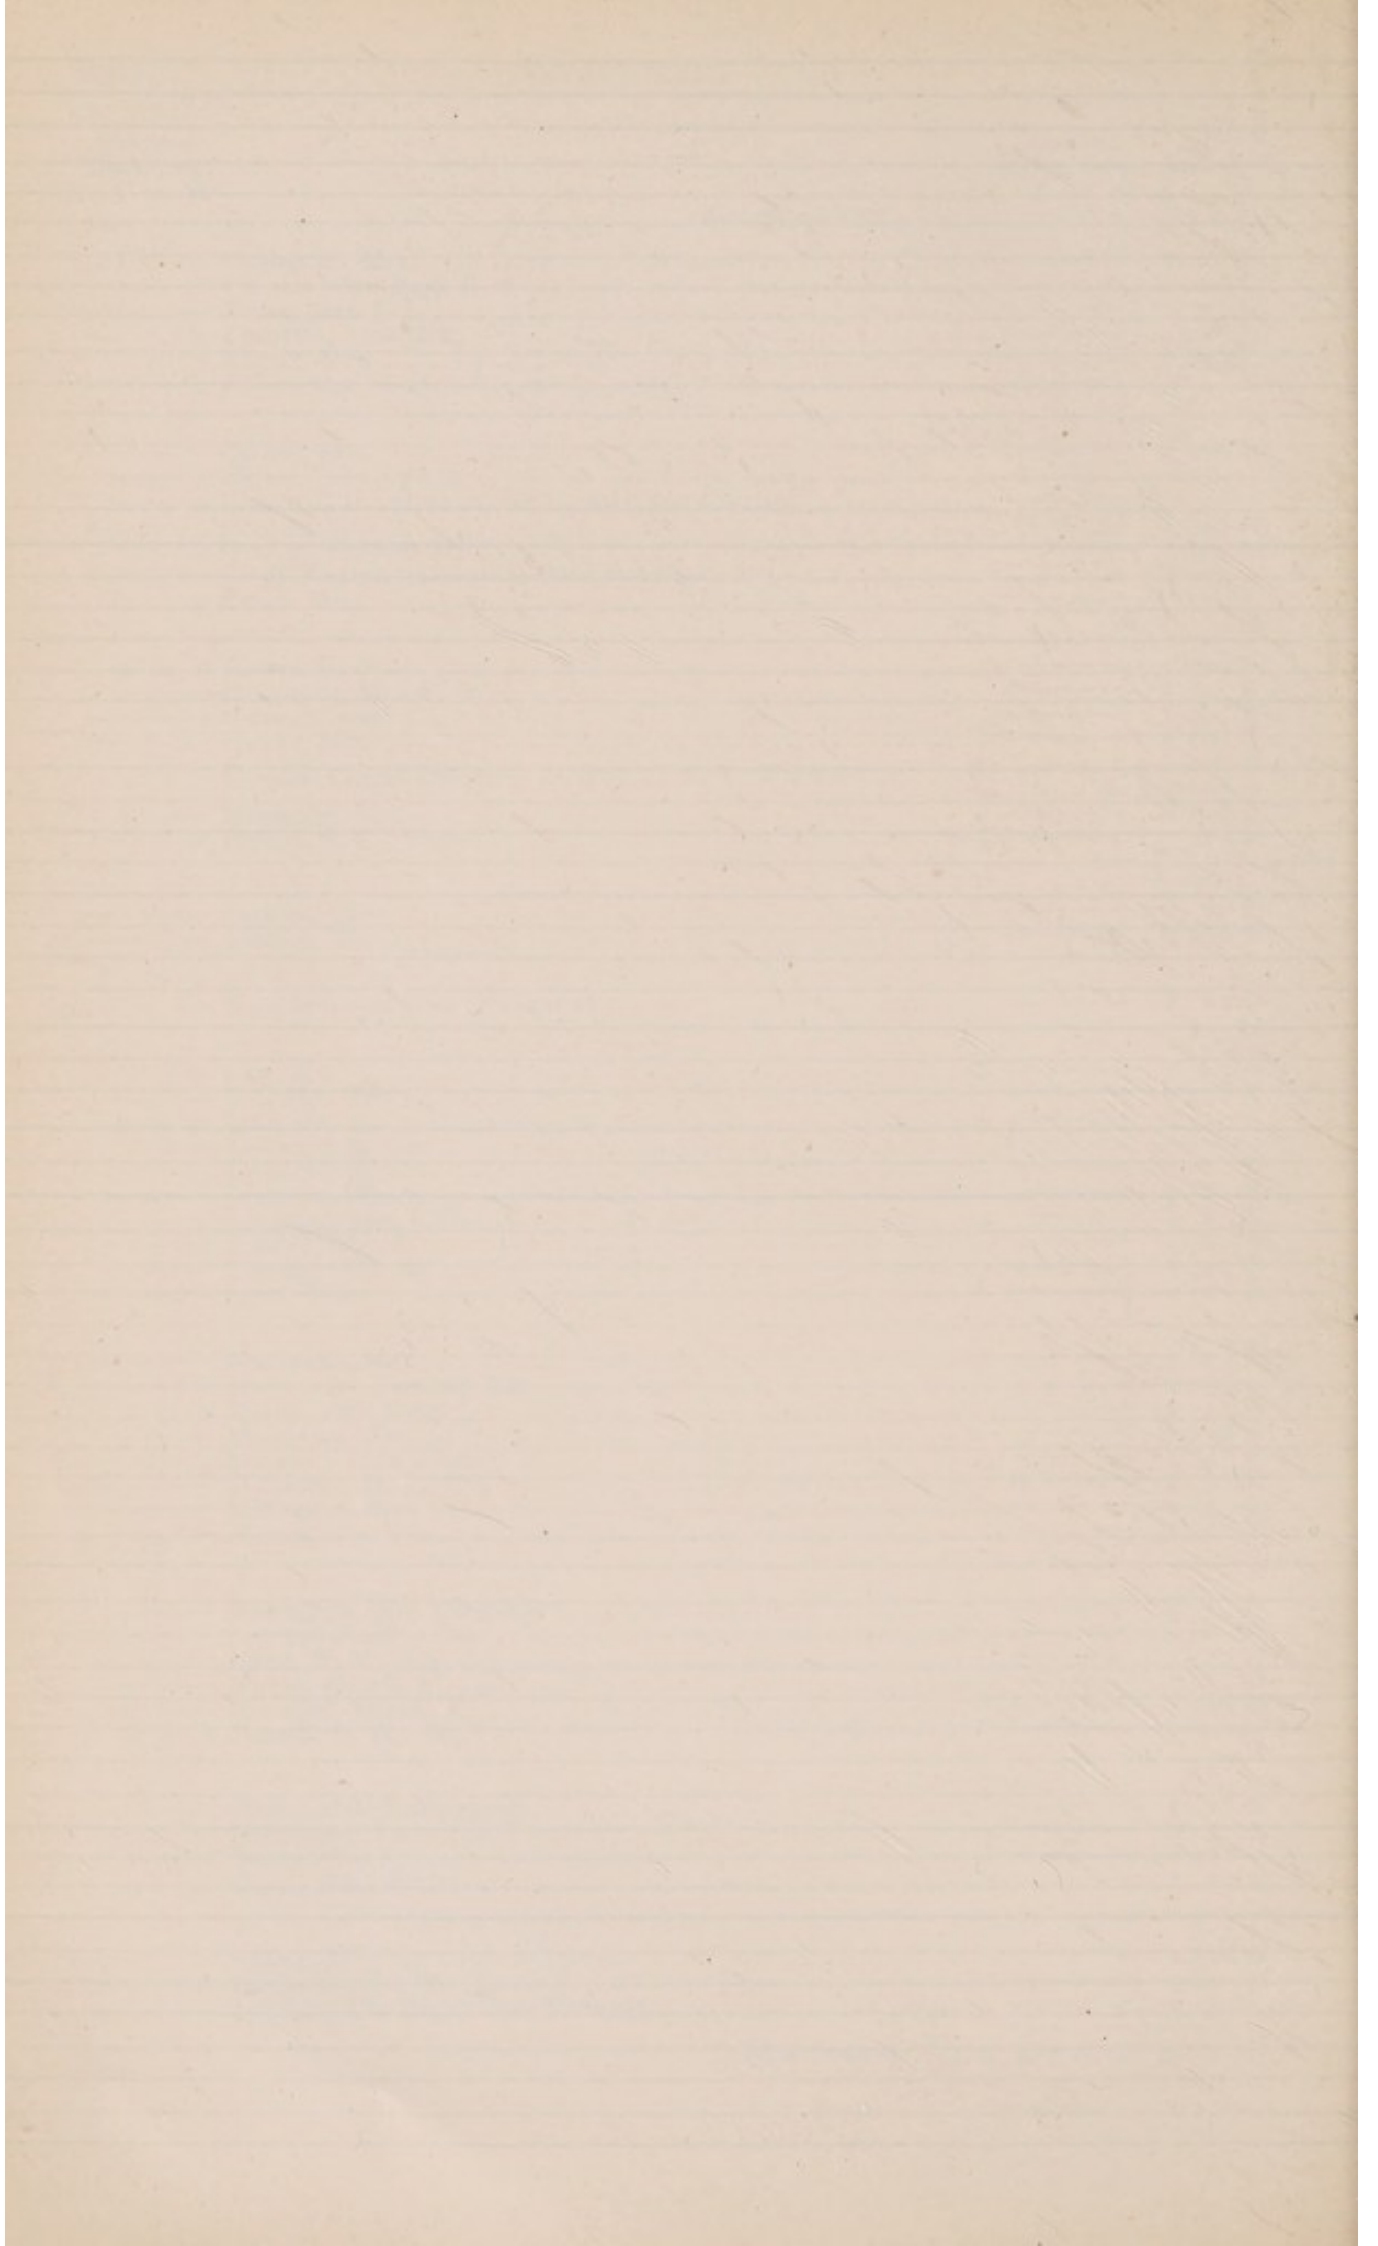

Cheques should be drawn in favour of St. Mary's Hospital, and crossed London and County Bank, Paddington Branch.
