Memorials.

Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed ; or to picture a place more appropriate for a record to the Memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

ANNUAL REPORT FOR 1925.

THE Board of Management have the honour to submit their Report for the year 1925, together with the Audited Accounts.

The Board deeply regret to record the death, on 20th November, of Her Majesty Queen Alexandra, who was for so long a Patron of St. Mary's Hospital, and who on all occasions took such a gracious and kindly interest in the work of the Institution. The following resolution was passed by the Board of Management and forwarded to the Private Secretary to His Majesty the King—

The Board of Management of St. Mary's Hospital, W. 2, begs humbly to express its profound and deep-felt condolence and sympathy with Their Most Gracious Majesties the King and Queen and the Royal Family, in the great bereavement their Royal House have sustained by the universally lamented death of Her Majesty Queen Alexandra, Patron of this Hospital, whose gracious influence in the cause of charity and for the alleviation of human suffering secured the affectionate regard and esteem of all classes.

Death has indeed taken during the year a heavy toll of those who have rendered yeoman service to the Hospital in the past—

Captain G. A. Webbe, a Vice-President;

Sir Anderson Critchett, Bart., K.C.V.O., O.M.C.,
Consulting Ophthalmic Surgeon; and

Dr. R. H. Scanes Spicer, Consulting Surgeon for
Diseases of the Ear, Nose and Throat.

**Office of President—Election of the Right Hon. the Earl
of Balfour, K.G., P.C., O.M.**

At a Special Quarterly Board of Governors, held in December, notice of which had been sent to all Governors, the Right Hon. the Earl of Balfour, K.G., P.C., O.M., was unanimously elected President of the Hospital.

At a Special Quarterly Board of Governors, held in December, notice of which had been sent to all Governors, the Right Hon. the Earl of Balfour, K.G., P.C., O.M., was unanimously elected President of the Hospital.

Lord Balfour has been Chairman of the Committee of the Inoculation Department for a number of years, and it is a matter of congratulation that he should now have taken this further opportunity of extending his interest and association with the work of St. Mary's by accepting the invitation to fill the important office of President of the Hospital.

The following summary indicates the extent of the work carried out during the year. The corresponding figures for the year 1924 are also given :—

The number of in-patients admitted in 1925 is the highest since the War, whilst the pressure on the in-patient accommodation is shown by the fact that during the year there were eight more patients daily resident in the Hospital than during the previous year. The figures relating to Out-Patient attendances show that, on an average, some 450 patients attend each week-day the various Out-patient departments of the Hospital.

INSTALLATION OF WIRELESS.

Owing to the generosity of the Proprietors of the "Daily News" and subscribers to their "Wireless for Hospitals Fund," each patient in the Hospital has now available at

his bedside a headphone by which he can "listen in" when, and as, he pleases. The installation was formally handed over to the Hospital on behalf of the Advisory Council of the Wireless for Hospitals Fund by the Postmaster-General (Sir William Mitchell-Thomson, Bart., K.B.E., M.P.) on Monday, 30th November.

There can be no doubt that the Wireless Installation now provided will be a means of ameliorating the tedium and weariness of those who are laid aside for long periods on beds of pain and suffering in a large general hospital.

It had been estimated that the cost of maintenance of the apparatus, headphones, etc., would be some £50 a year. Mr. C. W. Drabble and Mr. F. C. Lindo very generously undertook to meet this expense by making an annual contribution of £25 each, so that neither the Wireless Installation nor its maintenance has become a charge in any way on the General Funds of the Hospital.

Income.

The total income for the year 1925 was £68,419, and compares with the previous year as follows:—

	1924.	1925.

Extraordinary Receipts ...	11,220	14,093

Total	£57,180	£68,419

Annual subscriptions—perhaps the most vital source of the Hospital's income—again have increased, and show an excess of £332 over the previous year. This year's total is the highest which has been received under the heading of "Annual Subscriptions" since 1911, but even so, remains an almost absurdly low figure bearing in mind that the population of the Borough of Paddington alone is nearly 145,000.

In effect it means that considerably less than 1,000 inhabitants in the Borough of Paddington are prepared to undertake an annual subscription towards the large general Hospital situated in their midst. Donations (£11,292) are more than double those of the previous year, and constitute a record sum for a normal year in which no special appeal has been made. Generous and welcome additions have also been made to the Endowment Fund. A gift of £1,000 was received from Miss Florence R. Beaton for the endowment of a bed in memory of her brother, the late Dr. Beaton, an old St. Mary's man, who was highly esteemed by all who knew him.

To commemorate the anniversary of his 75th birthday, Mr. Bernhard Baron sent a donation of £1,000, which was utilised for the endowment of a Cot in memory of the munificent aid he has given to the Voluntary hospitals throughout the country. The inscription on the endowment plate reads as follows:—

" This Cot was Endowed
by
BERNHARD BARON
on the occasion of his 75th Birthday,
5th December, 1925."

The Managers and Buyers of Messrs. William Whiteley, Ltd., have also generously undertaken the endowment of a bed by means of a fixed annual subscription, and the Board's grateful thanks are due to them for the very generous interest they have always taken in the work of the Hospital.

No year passes without the Hospital receiving very substantial help from the Sportsmen's Appeal Committee. This Committee, under the Chairmanship of Mr. Moss Deyong, the well-known boxing referee, held their Annual Boxing Tournament at the National Sporting Club on 6th October. The proceeds of the Tournament, after deduction of all expenses, resulted in a sum of £670 being handed to the Hospital. The proceeds of the Tournament, after deduction of all expenses, resulted in a sum of £570 being handed to the Hospital. This amount, at the request of the promoters, has been devoted to the endowment of a Cot in

the Children's Ward. Earlier in the year the Sportsmen's Appeal Committee, with Mr. E. Hooke as Chairman, organised a very successful evening Concert at the Kilburn Park Empire, by means of which a donation of over £320 was received for the General Maintenance Fund of the Hospital.

St. Mary's is fortunate in the loyalty and enthusiasm it arouses amongst its officers and servants. Only recently Dr. Bird, who was for over 30 years Medical Superintendent, left on his death practically the whole of his estate of some £10,000 to the Hospital, and this year an equally generous gift comes from Mr. Ottley, the Assistant Engineer, who on his death also bequeathed practically the whole of his estate to the Hospital, apart from some few personal gifts to his fellow-workers. At no time did Mr. Ottley receive more than £4 a week as an employee, and yet under his will the Hospital has received a legacy of £1,362. It is hardly possible to imagine that two more striking examples could be found of the devotion which the work of a large London General Hospital arouses. A memorial tablet has been erected in the main entrance hall of the Hospital with this inscription:—

“ IN GRATEFUL MEMORY OF
JAMES EWART OTTLEY

(from 1906 to 1925),

Stoker and Engineer of this Hospital.

A faithful servant and generous benefactor.”

During his year of office as Mayor of Paddington, Alderman Stanley G. Crosse issued an appeal to the local inhabitants on behalf of the Hospitals and Tuberculosis Dispensary situated in the Borough. A sum of £304 out of this appeal was allocated to St. Mary's, and the Board of Management, in appreciation not only of this welcome gift but also of the general interest he took in the work of the Hospital during his tenure of office as Mayor, elected him an Honorary Life Governor.

A "Flag Day" in aid of the General Funds of the Hospital was once again organised, and held on 13th May. It proved a great success. The total receipts amounted to over £111, whilst the expenses were only £49, and a net sum of £1062 was therefore paid over to the General Funds of the Hospital. Much of the success of "Flag Day," which it is hoped will become an annual event, is due to the great help given by the Nursing Staff, the Students of the Medical School, the Students of the Electro-Therapeutic, Physical Exercises and Massage Departments, and a number of ladies closely associated with the work of the Hospital, who gave freely of their time and services. No outside help in organisation was sought, and the expenses were well under 4 1/2 per cent of the amount collected. The Board of Managers would like to take this opportunity to acknowledge the valuable assistance rendered by the local press, especially the "Paddington and Brynwater Chronicle," in promoting

the Children's Ward. Earlier in the year the Spartenmen's Appeal Committee, with Mr. E. Hoake as Chairman, arranged a very successful evening Concert at the Knebworth Hall, Enfield, by means of which a donation of over £300 was received for the General Maintenance Fund of the Hospital.

the needs of the Hospital, and particularly for the publicity they so kindly gave in connection with "Flag Day."

The Weekly Contribution Fund still affords substantial help, although, of course, its scope is very seriously limited by the continued extension of Central and Local Schemes. A sum of over £903 was collected last year by Voluntary Honorary Collectors, who made a tour each week of the particular streets allocated to them in the area in which they reside. No praise can be too high for these voluntary workers (a large number of them former patients of the Hospital) who so cheerfully undertake this task on behalf of an institution ministering to the needs of the sick and suffering of their neighbourhood.

The Board of Management record their indebtedness to the Council of King Edward's Hospital Fund for London for a grant of £6,000 towards the general maintenance expenses of the Hospital; to the Committee of the Hospital Sunday Fund for a grant of £2,250, and to the Committee of the Hospital Saturday Fund for a grant of £990.

The total sum received from patients who were in a position to make some contribution towards the cost of their maintenance in Hospital, together with the grants from certain Approved Societies, amounted to approximately £11,000, which is somewhat higher than the previous year. There are, however, as the following table shows, a great number of patients whose circumstances do not permit them to make any contribution, and the Hospital is always open to receive them without any distinction whatsoever:—

The number of patients attending with vouchers of the Hospital Saving Association has increased rapidly. The total amount received this year from the Association was £1,303 as compared with £516 in 1924 and £43 in 1923, but on the other hand there has been a very considerable diminution in the grant per patient from the time when the scheme was originally put into operation. It would appear a fair criticism to make that an undue proportion of the income of the Association is allocated to extra hospital benefits, and these benefits have apparently been provided by diminishing the contribution rates to Hospitals. It is too early to judge what effect these Central Associations will have upon the extremely pleasant and intimate relations which the Hospital has had in the past with large employers of labour in the neighbourhood.

Acknowledgment must be made here of the generous support received from the London Midland and Scottish Railway Hospital Fund, who during the year made grants amounting to £257 in respect of services rendered to their members.

Mention must be made of the debt due by the Hospital to the Committee of the Winter Distress League for the help they have given to enable work of an urgent character to be

carried out which could not have otherwise been undertaken owing to lack of the necessary funds.

Labour was provided during the winter for the repainting of practically all the outside ironwork at a cost to the Hospital of only the materials used.

Expenditure.

The total expenditure for the year amounted to £62,505, compared with £60,265 in 1924. This increase of £2,240 is accounted for in the large amount spent on annual cleaning and out-door repairs.

The use of butter, which is now provided throughout the Hospital both for patients and members of the Household, has involved an increased annual cost, under the heading of provisions, of over £330.

	1924.	1925.
Cost per In-Patient per week	£3 10s. 6·8d.	£3 10s. 7d.
Cost per Out-Patient per attendance	1s. 10·59d.	1s. 10·3d.

During the year the whole of the outside woodwork of the old building of the Hospital was repainted, and, where necessary, the brickwork repointed, at an approximate cost of £1,500. A further sum of £1,500 was spent on internal painting and repairs, which included the main corridors and central staircase. This work has thrown a very severe strain on the finances of the Hospital, but was of such an urgent character that it could not be longer delayed. Two new calorifiers were installed for the heating of the old building at a cost of £365. It will now be possible for the Hospital's Engineer to carry out the necessary annual cleaning of the pipes, whereas previously, with the old pattern calorifier, outside help had to be obtained at a cost of some £50 a year.

It is again with pleasure that the Board of Management are able to report that St. Mary's still maintains a highly satisfactory position amongst the General Hospitals of

London in the matter of economical administration. *The statistical returns published by King Edward's Hospital Fund for London in August last show the average cost per occupied bed in the General Hospitals of London to be £181 0s. and in St. Mary's to be £105 3s., or £76 below the average.*

RADIUM

The Radium which was purchased with the sum of £2,000 so generously placed at the disposal of the Hospital by Mrs. E. M. Bowercroft and Miss V. E. Wills, has since March, 1925, been used in connection with the treatment of some fifty-five patients.

It has been found in practically all cases that the patients' condition has benefited and the physical pain considerably relieved as the result of the Radium treatment.

The Board of Management would like to take this opportunity of recording their deep sense of gratitude to Mrs. Bowercroft and Miss Wills who have enabled the Hospital to give to patients this beneficial treatment.

MEDICAL SCHOOL

The entry of full-course students during the academic year 1924-25 was 43.

The total number of full-course students working at the School and Hospital during the same period was 228. In addition to these 91 took part-time courses.

The competition for entrance Scholarships in 1925 was very good, nine nominations having been received for the two University Scholarships and twenty-one for the two School Scholarships. Owing to the fact that the first three candidates selected for the University Scholarships were considered to be of equal merit, these Scholarships were

carried out which could not have otherwise been undertaken owing to lack of the necessary funds.

Owing to the fact that the first four candidates selected for the University Scholarships were considered to be of equal merit, these Scholarships were divided.

The awards of these and of the Public School Scholarships have resulted in the acquisition of some students of outstanding merit.

At the beginning of October a short Post-Graduate Course was arranged for the third year in succession, and proved to be very popular. Intensive teaching upon modern methods was given for a period of three days, and was attended by 130 practitioners.

During 1925, 22 students obtained University Degrees. In the Royal Colleges of Physicians and Surgeons, 58 obtained the qualifying diplomas, and seven obtained the diploma of F.R.C.S.

Maternity Department.

During the year 659 patients applied for treatment. All of them were visited in their homes by the Municipal Health Visitor, and many of them put in touch with the Maternity and Infant Welfare Centre, where they continued to attend after confinement.

Maternity letters for confinement at home were only given in cases where the home conditions were reported as satisfactory.

Fifteen unmarried girls made application, and were referred to a Social Worker, who arranged for the confinement, either in a Home or in the Infirmary, and for the care of the baby afterwards, when the mother was found suitable work.

Convalescent treatment was arranged for six mothers and their babies. Forty-five necessitous cases were helped through other sources with clothes and extra nourishment, and in nine cases arrangements were made for the care of other children.

In-Patients.

Much of the report of this work is contained in the Report of the Dresden Fund Trustees.

In addition the following cases have been helped :—

THE "PARKWOOD" CONVALESCENT HOME, SWANLEY, KENT.

The Board of Management have pleasure in acknowledging the very great assistance received during the year from the authorities of the "Parkwood" Convalescent Home, Swanley, Kent, who once again generously placed at the disposal of the Hospital 15 beds free of all charge.

One hundred and sixty-five patients (130 women and 35 children) were sent to "Parkwood" from the Hospital,

and many expressions of their gratitude for the kindness and treatment accorded to them during their stay in this admirable institution were received.

THE CHAPLAIN.

The Board of Management deeply regret the resignation of the Rev. A. H. Browne, D.D., from the office of Chaplain, which he had held since 1915, but at the same time congratulate him upon his appointment to the Bishopric of Bermuda. Dr. Browne rendered invaluable service to the Hospital, and as a small token of their appreciation a cheque, subscribed by members of the Board, was presented to him on his retirement.

The Board are happy to report that they have obtained the services of the Rev. Prebendary E. N. Sharpe, M.A., Vicar and Rural Dean of Paddington, to fill the vacancy caused by Dr. Browne's resignation. Prebendary Sharpe took up his duties on All Saints' Day, 1925. Besides his staff at St. James's, the Rev. H. L. Bothamley and the Rev. S. W. Howe, the following Clergy have kindly rendered help in the visitation of the wards and in the conduct of the Ward Services.

The Revs. Canon Burton, R. W. Odell, J. Evans, E. Chapman, W. Stanley and A. d'Albertanson.

The Chapel Services on Sunday mornings at 10 o'clock have been well attended, and the Sunday evening Services are much appreciated. On Christmas Day there were over 120 communicants, 74 of whom were ministered to in the wards. On the Sunday evening after Christmas the Choir of St. James's Church, Paddington, sang carols in the wards, and their visit gave much pleasure to the patients.

The Chaplain is very grateful to the Lady Visitors and to the band of friends who come and sing on Sunday evenings in the various wards.

THE LADIES' ASSOCIATION.

The Annual General Meeting of the Association, held in March, 1925, was attended by the Mayor and Mayoress of Paddington. Captain H. Douglas King, C.B.E., D.S.O., R.N.V.R., M.P., gave an address. The Meeting was followed by a Show of Work and Tea at which Mrs. Kendal sold flowers. The proceeds received from the Sale of Flowers and the Tea amounted to £118 14s. 0d.

During 1925, the Association had charge of a depôt for the Hospital "Flag Day" and also for "Alexandra Day."

The Association now has branches, with Hon. Secretaries, at Canton, China (Mrs. J. W. Taylor), Dormansland (Miss Griffiths), Harrow (Mrs. Drucker), and Ealing (Mrs. Dolamore). The Harrow branch organised a very successful Whist Drive, which resulted in a sum of £35 being received.

To the great regret of all members of the Association, Lady Broadbent has found it necessary to resign from the post of Honorary Work Secretary, which she has so ably held for many years, but the Association has been fortunate in securing Mrs. Maynard Smith to take her place. In December, a very successful Bridge Party, arranged by Mrs. Easton and Mrs. Thurburn, was held by kind permission of Mrs. Douglas King at her house. The proceeds of the Bridge Party amounted to over £141.

Since March, 1925, £780 has been voted to the Hospital by the Association for the purchase of linen, etc., this being an increase of £215 on the previous year.

The Board of Management desire to take this opportunity of placing on record their deep appreciation of the services rendered to the Hospital by the Ladies' Association.

The Executive Committee appeal most earnestly to all ladies interested in the Hospital for increased support in their work either by joining the Association, enlisting new members,

or by making garments and lending their houses for work parties. The object of the Association is to provide for the supply of garments, linen and blankets required for the use of in-patients in the Hospital.

Honorary Vice-Presidents subscribe One Guinea annually and Honorary Members 5s. 6d. Working members subscribe 10s. 8d. annually and are supplied with cut-out garments to make. Mrs. Maynard Smith (the Honorary Work Secretary) is at the Hospital every Thursday morning from 11 to 12 during the months of October to March. Miss R. M. M. Evans, Hon. Secretary, 24, Sussex Gardens, Hyde Park, will gladly give any information respecting the work of the Association.

GENERAL.

Throughout the year the Board of Management has continuously had under serious consideration the inadequate existing accommodation of the Hospital, which has been reflected in the number of cases of accident and sudden emergency refused admission owing to the fact that there were no beds available.

Negotiations were entered into for the purchase of an adjoining site, but owing to the great difference in price between the valuation made on behalf of the Hospital and that asked by the vendors, the Committee which had the matter under consideration was unable to recommend the Board of Management to purchase. In this connection the very best thanks of the Board are due to Mr. Joseph Stower, who throughout the negotiations placed himself at the disposal of the Hospital and made no charge for his professional services.

The founders of St. Mary's Hospital had estimated in 1845 that the number of beds necessary for the provision of Hospital facilities for the then existing neighbourhood was 380. In spite of the enormous increase in the population of

In this connection the very best thanks of the Board are due to Mr. Joseph Stower, who throughout the negotiations placed himself at the disposal of the Hospital and made no charge for his professional services.

The founders of St. Mary's Hospital had estimated in 1845 that the number of beds necessary for the provision of Hospital facilities for the then existing neighbourhood was 380. In spite of the enormous increase in the population of

the north-west districts of the Metropolitan area, St. Mary's is endeavouring to provide Hospital facilities for all cases of accident and the treatment of the sick poor with only 288 beds at its disposal. In addition, the difficulty of the proper housing of the Nursing Staff increases and the Hospital's inability to provide for each nurse a separate bedroom is ultimately bound to affect the recruiting of the Nursing Staff, upon which, perhaps more than any other factor, the real efficiency of the Hospital depends.

The Electro-Therapeutic Department and Ultra-Violet Ray (*i.e.*, Sunlight Treatment) Department for children is accommodated in two rooms in the basement, and is working under extremely difficult circumstances. Further, the need for beds for private paying patients is so well known that it is scarcely necessary to emphasise the point. Had the Hospital the additional accommodation, beds would be immediately allocated for this purpose. They cannot, of course, be taken out of those which have been provided for the normal patients of the Hospital.

The four vital factors enumerated above affecting the future of St. Mary's Hospital could be dealt with if some substantial sum were available for the purchase of the adjoining site. The Nursing Staff are at present housed in the Hospital. If possession could be obtained of the additional site a new Nurses' Home could be built which would immediately set free accommodation for some additional 100 beds. It is impossible for a great teaching hospital to stand still. Laboratories for investigation are of necessity encroaching always on bed accommodation. The limit has now been reached, and with it the pressing urgency of additional space.

The Board of Management feel that it would be deplorable if now, after so much labour and generosity on the part of its benefactors in the past, and after reaching its present high level of efficiency, St. Mary's were allowed to enter upon a period of retrogression simply by reason of the lack of adequate accommodation.

THANKS TO THE MEDICAL STAFF.

The Board conclude their Report with the expression of their sincere thanks to the members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients, and for their valuable services to the Hospital throughout the year.

2.	„ given pecuniary assistance on discharge	12
3.	„ assisted with clothing on discharge ..	4
4.	„ provided with Surgical and Optical appliances on discharge	159
5.	„ assisted with fares to and from Con- valescent Homes	340
6.	„ assisted with fares to their own homes on discharge from the Hospital ..	214

Great care has been taken to ascertain that Patients are really needy and deserving before assisting them, particularly in Class 2. Thorough enquiry into their means and deserts has been made in every case.

During the year the Trustees of the Hospital Convalescent Home, Parkwood, Swanley, Kent, have placed 15 beds at the disposal of the Hospital. The Trustees gladly take this opportunity to record their grateful thanks to the authorities of the Hospital Convalescent Home for the great benefit which the use of these 15 beds has enabled the Trustees to confer on so many Patients of the Hospital.

Signed on behalf of the Trustees,
