## Memorials.

Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed ; or to picture a place more appropriate for a record to the Memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

# ANNUAL REPORT FOR 1926.

THE Board of Management have the honour to submit to the Governors and Subscribers their Report for the year 1926, together with the Audited Accounts.

## THE YEAR'S WORK.

The work of all departments of the Hospital has been carried on in full activity throughout the year. The returns of the number of patients treated show an increase both in the number of In-Patients admitted and in the number of new cases attending the Out-Patient Department.

In-Patients.	1925.	1926.

Out-Patients.		
Total No. of new Out-Patients	47,565	48,472
Total No. of attendances	141,613	140,829

The average number of patients daily resident throughout the year was 261.7, as compared with 252 in 1925 and 251 in 1924, whilst the statistics show that on an average over 450 Out-Patients attended the Hospital each day for treatment.

### Income.

The year has been a disastrous one from the point of view of the ordinary income of the Hospital. There is a deficit of £8,987 on the year's working and a fall of £11,505 in revenue, as compared with last year. ### **Income.**

The year has been a disastrous one from the point of view of the ordinary income of the Hospital. There is a deficit of £8,567 on the year's working and a fall of £12,595 in revenue, as compared with last year. There is no doubt that the Hospital's normal income was very adversely affected by the General Strike and the period of grave industrial depression which followed. Some indication of this effect is given by the decrease of £586 in the amount received from Box Collections. Legacies (always a

most uncertain factor in Hospital finance) were £6,514 less than in the preceding year, whilst donations show a decrease of over £5,700. This decrease in donations may partly be explained as the result of the Hospital Extension Appeal Fund, which inevitably diverted a part of the ordinary income of the Hospital, and also to the alteration which has taken place in the Classification of the Accounts. Discretionary bequests, formerly treated as donations, now appear under the heading of "Legacies." Annual subscriptions have remained at a stationary figure.

The following figures furnish a comparison of the Income for 1926 with that of the preceding year:—

Welcome additions have been made to the Endowment Fund during the year. The Board of Management are most grateful for the following contributions which have to be invested and thus help materially to increase the permanent income of the Hospital.

The endowment of a Cot by the Old Patients' Association is of particular interest. The Association was founded in 1921. Membership is limited to former patients of the Hospital who undertake to make a minimum annual subscription of 5s.

The object of the Association is to raise a sum of £1,000 so that two beds (one male and one female) and two cots (one boy and one girl) may be endowed. The Board of Management value very highly this token of affection and recognition from their old patients, and congratulate the Association on having completed the first stage of their welcome effort.

A very successful Dance, organized by Mrs. Gaskell Taylor and Miss Margaret C. Smith in aid of the Sunlight and Physio-Therapeutic Department, was held at the Suffolk Gardens on 27th February, when a sum of over £200 was raised, part of which was spent in equipment necessary to meet the immediate needs of the Department.

A Sportsman's Tournament, organized once again by those who are proud of the Hospital--The Sportsmen's Appeal--was held at the National Sporting Club, resulted in an amount of £250 for the General Funds of the Hospital. The Board of Management fully realize that the Committees have had to contend with exceptional difficulties this year and regard the substantial donation as a very satisfactory result of the Committee's efforts. Since the Sportsmen's Appeal was inaugurated in 1922, the total sum paid to

The object of the Association is to raise a sum of £3,000 so that two beds (one male and one female) and two cots (one boy and one girl) may be endowed. The Board of Management value very highly this token of affection and recognition from their old patients, and congratulate the Association on having completed the first stage of their welcome effort.

A very successful Dance, organized by Mrs. Gaskell Jacobs and Miss Margaret C. Smith in aid of the Sunlight and Electro-Therapeutic Department, was held at the Suffolk Galleries on 27th February, when a sum of over £260 was received, part of which was spent in equipment urgently required for the immediate needs of the Department.

A Boxing Tournament, organized once again by those very good friends of the Hospital—The Sportsmen's Appeal Committee—and held at the National Sporting Club, resulted in an amount of £334 for the General Funds of the Hospital. The Board of Management fully realize that the Committee have had to contend with exceptional difficulties this year and regard this substantial donation as a very satisfactory result of the Committee's efforts. Since the Sportsmen's Appeal was inaugurated in 1922, the total sum paid to

St. Mary's by the Committee has been £6,200. This is a really magnificent achievement of which all the members may rightly feel very proud.

The organization of the Third Annual Flag Day was very seriously hampered by the General Strike, but the Flag Day duly took place on 26th May and realized £959. This successful result, in the exceptionally difficult circumstances, was largely due to the valuable assistance given by the Great Western Railway, Messrs. William Whiteley, Ltd., Messrs. Bradleys (Chepstow Place), Ltd., Students of the Medical School and Massage Department, and a large number of collectors who help the Hospital, on this occasion, year after year.

The Board of Management wish to express their deep gratitude to the Directors of the Prudential Assurance Company, Ltd., for their generosity in increasing the Company's annual subscription from £110 to £360. The Directors now contribute towards the support of 10 Beds and three Cots in the Hospital. The Board desire also to record their thanks to the Directors of the Great Western Railway for the promise they have so kindly given to increase their annual subscription from £150 to £250 as from 1st January, 1927.

The following contributions to the General Funds are gratefully noted:—

Stock Exchange Dramatic and Operatic Society (per Hugh S. Quekett, Esq.)	835

Mr. and Mrs. Arthur Hollond	106

During the year, Mr. Bernhard Baron again showed his interest in the work of St. Mary's by a generous donation of £500 towards the General Funds of the Hospital.

The Board of Management are deeply indebted to those Executors who have kindly given favourable consideration to the Appeal of the Hospital to participate in Residuary

Estates which had been bequeathed for distribution, at their discretion amongst charitable institutions. Amongst the sums received under this heading were:-

Westminster Bank, Limited (the Estate of Mrs. Frances Brown, deceased) ... ..	400
Executors and Trustees of the late Miss Sophia Hewitt... ..	250
Executors of the late Dame Florence Emily Fering-Hesketh ... ..	100

A grant of £6,500 was received from the ordinary distribution of King Edward's Hospital Fund for London; £3,170 from the Hospital Sunday Fund; and £305 from the Hospital Saturday Fund. The award from the Hospital Saturday Fund showed a decrease of £485 on that of the preceding year, due, it is understood, to the fact that this Fund have changed the basis upon which their award is made. The alteration may be open to considerable question when, as a result, a large Metropolitan General Hospital like St. Mary's receives only £205 out of a total distribution of some £72,000.

Though contributions received from patients now form an important factor in the normal income of the Hospital, every care is taken to ensure that no financial hardship is caused. Last year nearly 50 per cent. of the In-Patients were found, after enquiry, to be unable to make any payment towards the cost of their maintenance and these cases were treated without request for a contribution.

The following tables in connection with patients' contributions may be of interest:-

Considerable progress has been made by the Hospital Saving Association and the substantial sum of £1,456 was received in respect of the maintenance of its members treated at the Hospital during the year.

Very welcome help has once again been given by the Winter Distress League who placed at the disposal of the Hospital a number of unemployed men and thus enabled cleaning work of an urgent character to be done which otherwise could not have been carried out, owing to lack of funds. Under the scheme the League undertakes to pay the wages whilst the Hospital provides the material.

An analysis of the Hospital's income during the last five years is set out below :—

The total expenditure for the year amounted to £64,891, compared with £52,503 in 1925.

Cost per In-Patient per week ... ..	£3 12s 7d.	£3 13s 3 1/2d.

The General Strike and the prolonged Coal Strike were important contributory factors in the increase which has taken place in expenditure. Over £300 was due to the increased cost for coal and lighting. The coal bill would have been considerably heavier except for the fact that the new cellar, recently built, enabled a large reserve to be kept.

The real reason, however, for the continued increase in expenditure is found in the ever-increasing number of investigations which modern medical and surgical treatment require. These investigations, if the Hospital is adequately to fulfil its function, form an essential part of its activities, not only with regard to the treatment of the sick poor, but also in the wider sphere of the prevention and cure of disease.

The following figures, for example, relating to the cost of the X-Ray Department show clearly how heavy a burden is thrown upon the Hospital's finances by these special departments:—

Maintenance cost for 1915 ... ..	400
Maintenance cost for 1925 ... ..	1,595

A re-organization of the Pathological Chemistry Department has taken place which will involve a permanent annual increase in the cost of the Department of £300.

During the year a revision of the "Uniform System of Hospital Accounts" has taken place. Any comparison, therefore, of the items of expenditure this year, with those of the published accounts for the preceding year, is difficult. It is hoped that the Hospitals in the provinces will also adopt the new "Uniform System of Accounts" and thus enable comparison to be made between all the Hospitals in the Kingdom. It is desirable, for purposes of economy, to know exactly the details of expenditure, and if it

A re-organization of the Pathological Chemistry Department has taken place which will involve a permanent annual increase in the cost of the Department of £350.

During the year a revision of the "Uniform System of Hospital Accounts" has taken place. Any comparison, therefore, of the items of expenditure this year, with those of the published accounts for the preceding year, is difficult. It is hoped that the Hospitals in the provinces will also adopt the new "Uniform System of Accounts" and thus enable comparison to be made between all the Hospitals in the Kingdom. It is desirable, for purposes of economy, to know exactly the details of expenditure, and if it

becomes possible to ascertain these details for other institutions, statistics of very great practical value become available.

The Board of Management report with pleasure that St. Mary's still maintains a very satisfactory position among the great Teaching Hospitals of London in the matter of economical administration. *The statistical returns published by King Edward's Hospital Fund for London last year show the average cost per occupied bed in General Hospitals to be £183, and in St. Mary's to be £158, or £25 below the average.*

### EXTENSION SCHEME.

The outstanding feature of the year was the momentous decision to proceed with an Extension Scheme for providing two new operating theatres and 46 additional beds, of which at least 13 are to be reserved for cases of accident and sudden emergency. The existing main Operating Theatre is quite out-of-date and is lacking in the equipment and conveniences which are essential to a large Teaching Hospital. In addition, the Board of Management for some time past have been greatly concerned at the increasing number of cases of accident and sudden emergency which have had to be refused admission owing to lack of adequate bed accommodation. Last year over 1,000 cases, which in the opinion of the medical officers required in-patient treatment, were unable to obtain admission to the Hospital.

Criticisms have been made, with some force, that under the Voluntary Hospital System the accommodation provided in London for cases of accident is inadequate, but it is not realised how great an increase has taken place in the number of street accidents in the Metropolitan Police Area in recent years, as shown by the following figures:—

Year.	Number of persons injured in street accidents.	Number a day.
1914	25,470	69
1924	35,065	96
1925	39,186	107

Nothing provokes sharper criticism than the inability to admit a sudden case of serious illness, even though it is due to lack of accommodation. Provision of additional beds for

sudden cases of serious illness and accident is, therefore, most urgent, and the Board of Management feel that if the Hospital is to meet the demands made upon it steps must be taken immediately.

The present Extension Scheme has received the cordial approval of King Edward's Hospital Fund for London. The Fund, impressed with the grave urgency of the problem, has undertaken to make a special grant of £4,000 towards the cost of the scheme on the following conditions:

- (1) That the work be put in hand and £20,000 raised towards the cost of the Scheme before 31st December, 1920, and
- (2) That not fewer than 15 beds be reserved for cases of accident and sudden emergency.

An appeal was made on 1st June, addressed to immediate friends of the Hospital, and the Board are happy to report that the first condition attaching to the King's Fund grant, as to the raising of £20,000, was fulfilled within three weeks. The administrative arrangements in connection with the Appeal were carried out by the Secretary, and it is of interest to note that the expenses involved in the Appeal only amounted to £200; the cost of collection being approximately 1 1/2d. per £. On 31st December, 1920, the total of the donations and promises to the Appeal Fund was £32,437. A full list of the contributors is set out on pages 116 to 128 of this Report. The Board of Management desire to take this opportunity to express their thanks for the generous support given to the Extension Appeal Fund, and also their high appreciation of the admirable manner in which the Secretary of the Hospital has organized and conducted the appeal. The Board record with gratitude the following gifts of £100 and over which have been received—

wherever possible to ascertain these details for other institutions, statistics of very great practical value become available.

The Board of Management report with pleasure that St. Mary's still maintains a very satisfactory position among the great Teaching Hospitals of London in the matter of economical administration. *The statistical returns published by King Edward's Hospital Fund for London last year show the average cost per occupied bed in General Hospitals to be £181, and in St. Mary's to be £106, or £25 below the average.*

### EXTENSION SCHEME.

The outstanding feature of the year was the momentous decision to proceed with an Extension Scheme for providing two new operating theatres and 46 additional beds, of which at least 18 are to be reserved for cases of accident and sudden emergency. The existing main Operating Theatre is quite out-of-date and is lacking in the equipment and conveniences which are essential to a large Teaching Hospital. In addition, the Board of Management for some time past have been greatly concerned at the increasing number of cases of accident and sudden emergency which have had to be refused admission owing to lack of adequate bed accommodation. Last year over 1,000 cases, which in the opinion of the medical officers required in-patient treatment, were unable to obtain admission to the Hospital.

Mr. E. Stanley May, M.A., F.R.I.B.A., is the architect appointed by the Board, and completion of the whole of the works is to be effected by 30th April, 1928. In order to facilitate the work on the Extension Scheme it has been decided to close the Hospital to In-Patients (apart from cases of special emergency for whom 25 beds are being retained) during the period 1st July to 30th September, 1927. The various Out-Patient Departments will, however, remain open as usual. An opportunity will be taken during the work on the Extension Scheme to improve the sanitary arrangements of certain of the older Wards, and to install central heating throughout all the Wards of the Hospital.

The Board of Management earnestly hope that the total sum of £20,000 for which the Appeal was originally made will be received at an early date. It is estimated that the increased expenditure necessary to maintain the additional beds will be £7,000 per annum. The growing needs of the Hospital thus call for wider and more generous support, but the benefit to future patients will be great, and the Board feel that they can commend their cause with confidence to the public generosity.

#### NURSING STAFF.

The efficiency of the Nursing Staff has been well maintained. During the year consideration has been given to the question of the establishment of a Pension Fund for Hospital Officers and Nurses. A draft Scheme was submitted to the Hospitals generally, and on 19th May, 1926, the King's Fund called at the Mansion House a conference of those Hospitals in London which had expressed their general sympathy with the Scheme.

The Board of Management have decided to adopt the Scheme which will cover the nurse's whole working life, and will tend to remove a hardship which deters many suitable women from taking up nursing, namely, the impossibility of making adequate provision for old age.

The proposals really involve no new liabilities but limit and regularise the fortuitous and irregular incidence of obligations, whether contractual or moral, which many

The King's Fund are prepared to offer assistance on the following scale, viz. :—a maximum sum for seven years of £20,000 a year, or 25 per cent. of the expenditure of the Hospitals on the approved scheme, whichever is the smaller.

#### Maternity Department.

During the year 674 patients applied for treatment. Most of these were visited in their homes by the Municipal

Health Visitor, and many have been put in touch with the Maternity and Infant Welfare Centres.

Maternity letters for confinement at home are only given in cases where the home conditions were reported as satisfactory.

Eighteen unmarried girls made application, and were referred to a Social Worker, who arranged for the confinement, either in a Home or in the Infirmary, and for the care of the baby afterwards, when suitable work had been found for the mother.

A scheme in co-operation with the Paddington Borough Council and the Paddington and St. Marylebone District Nursing Association was inaugurated in 1925, whereby a trained Maternity Nurse attends each case occurring in the Extern Midwifery practice of the Hospital and resident in the Borough of Paddington. This arrangement has worked very satisfactorily and has proved of great benefit.

Convalescent treatment was arranged for 14 mothers and their babies. Thirty-six necessitous cases were helped through other sources with clothes and extra nourishment, and in five cases arrangements were made for the care of the other children.

### **MEDICAL SCHOOL.**

The entry of full-course students during the Academic Year 1925-26 was 38.

The total number of full-course students working during the same period was 258, while, in addition to these, 57 took part-time courses.

During the year 1926, 29 students obtained University Degrees. In the Royal Colleges of Physicians and Surgeons 50 obtained the qualifying diplomas.

As in past years, an intensive course of post-graduate teaching was again held at the beginning of October, and proved very popular. These courses have more than justified the object of their promoters, and it is sad to say that the attendance falls short of what

The keen interest in Athletics is well maintained. During the summer of 1926 two cricket teams were playing, the First XI being in the Semi-Final for the Inter-Hospital Cup. During the present winter, 1926-7, three Rugby football teams are playing regularly.

The Medical School has made marked progress during the past year both in work and athletics, and the number of new entries is encouraging.

The great need of the School is for the improvement and expansion of the buildings, which do not now allow full scope for the energies of the departments, especially in the matter of research work.

A Rebuilding Scheme has already been prepared, and will be carried out as soon as the necessary funds are forthcoming. It is hoped that it may be possible to report further progress in this direction next year.

#### THE "PARKWOOD" CONVALESCENT HOME, SWANLEY, KENT.

Throughout the year the authorities of "Parkwood" Convalescent Home have placed 15 beds at the disposal of the Hospital free of all charge for female patients and children who were in need of convalescent treatment.

One hundred and twenty-eight patients (117 women and 11 children) were sent, and the Board of Management record with gratitude their deep appreciation of the very valuable work which is being done for patients during convalescence at "Parkwood" Convalescent Home.

#### THE LADIES' ASSOCIATION.

A very successful "Pound Day" organised by Mrs. Wilfred Harris and Mrs. Freeman under the auspices of the Ladies' Association, was held on Thursday, 18th March. Princess Marie Louise graciously attended, and among those present were the Mayor and Mayoress of Paddington, Mrs. Chas. Jeffreys, Sir Ernest Palmer (Deputy-Chairman of the

Health Visitor, and many have been put in touch with the Maternity and Infant Welfare Centres.

Maternity letters for confinement at home are only given in cases where the home conditions were reported as satisfactory.

Eighteen unmarried girls made application, and were referred to a Social Worker, who arranged for the confinement, either in a Home or in the Dispensary, and for the care of the baby afterwards, when suitable work had been found for the mother.

A scheme in co-operation with the Paddington Borough Council and the Paddington and St. Marylebone District Nursing Association was inaugurated in 1925, whereby a qualified Maternity Nurse attends each case occurring in the Extra Midwifery practice of the Hospital and resident in the Borough of Paddington. This arrangement has worked very satisfactorily and has proved of great benefit.

Convalescent treatment was arranged for 14 mothers and their babies. Thirty-six necessitous cases were helped through other sources with clothes and extra nourishment, and in five cases arrangements were made for the care of the other children.

#### In-Patients.

Much of the report of this work is contained in the Report of the Dresden Fund Trustees.

In addition, the following cases have been helped:

Sent to Convalescent Homes	15
Referred to District Nurses	82
Assisted in various ways	149
Visited at home	88

A very successful "Pound Day" organised by Mrs. Wilfred Harris and Mrs. Freeman under the auspices of the Ladies' Association, was held on Thursday, 18th March. Princess Marie Louise graciously attended, and among those present were the Mayor and Mayoress of Paddington, Miss Ellis Jeffreys, Sir Ernest Palmer (Deputy-Chairman of the

Great Western Railway) and Alderman Sir William Perring, M.P.

A sum of £581 was received for the funds of the Ladies' Association and in addition over one ton of gifts (tea, sugar, cocoa, jam, &c.) was presented to the Hospital. The Ladies' Association and Mrs. Wilfred Harris and Mrs. Freeman in particular, are to be heartily congratulated on the splendid success of their first "Pound Day," which should prove a happy augury for the future.

At the Annual General Meeting of the Association which was held on the same day, 682 garments and 585 articles made or given by members for the patients of the Hospital, were on view. A grant of £402 was made for the purchase of 150 linen sheets, 200 twill sheets, 200 pillow cases, 150 blankets and 150 quilts, whilst a sum of £150 was allocated for the purchase of flannel to be made up into garments by the members.

Members of the Association once again very kindly rendered valuable help in connection with the Hospital "Flag Day," and also took charge of a depôt on "Alexandra Day."

Towards the end of the year, the Ladies' Association undertook the organization of a Ball at Claridge's Hotel on 20th January, 1927, in aid of the Extension Appeal Fund. Her Royal Highness Princess Arthur of Connaught graciously consented to be Chairman of the Dance Committee, and the Ball already promises to be one of the most successful events held in aid of the Extension Appeal Fund.

The Executive Committee appeal most earnestly to all ladies interested in the Hospital for increased support in their work by joining the Association, enlisting new members, making garments, or by lending their houses for work parties. The object of the Association is to provide for the supply of garments, linen and blankets required for the use of patients in the Hospital.

Honorary Vice-Presidents subscribe One Guinea annually and Honorary Members 5s. Working Members subscribe 10s. 6d. annually, and are supplied with cut-out garments to make. Mrs. Maynard Smith (the Honorary Work Secretary) is at the Hospital every Thursday morning from 11 to

It during the months of October to March. Miss R. M. M. Evans, Honorary Secretary, 24, Sussex Gardens, Hyde Park, will gladly give any information respecting the work of the Association.

### THE CHAPLAIN.

The resignation of the Rev. Prebendary E. N. Sharpe, M.A., Vicar and Rural Dean of Paddington, from the office of Chaplain was much regretted, but the Board of Management are glad to be able to report that Prebendary Sharpe has accepted the office of Honorary Chaplain, and thus retains a direct interest in the work of the Hospital. The Rev. C. L. Cresswell, lately Rector of St. George's Church, Birmingham, was appointed to fill the vacancy caused by Prebendary Sharpe's resignation.

During the year the following clergy have kindly assisted with the Ward Services, and have also undertaken the regular visitation of certain Wards week by week, Canon A. W. Burton, Rev. R. W. Odell, Rev. E. N. B. Chapman, Rev. O. H. Brasier, Rev. J. B. H. Evans, and Rev. T. Bolus.

The need for spiritual help is nowhere more clearly seen than in a Hospital. With the continued change of patients such work is not always easy, but the invariably kind welcome given by the Hospital Staff to those who visit, has greatly facilitated the work.

The Chapel Services have been well attended, and we like to think of these services as being a source of the highest inspiration to all connected with the Hospital.

The Chaplain is very grateful to the Lady Visitors for their regular attendance and to the various Choirs and Helpers whose Sunday visits give so much pleasure to the patients.

### THANKS TO THE MEDICAL STAFF.

The Board conclude their Report with the expression of their sincere thanks to the members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients, and for their valuable service to the Hospital throughout the year.

Signed, on behalf of the Board of Management.

2.	given pecuniary assistance on discharge ..	1
3.	assisted with clothing on discharge ..	1
