Memorials.

Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed ; or to picture a place more appropriate for a record to the Memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

(For particulars of Bed and Cot Endowments see pages 33-36.)

ANNUAL REPORT FOR 1929.

THE Board of Management have the honour to submit to the Governors and Subscribers their Report for the year 1929, together with the Accounts audited by Messrs. Price, Waterhouse & Co.

PROPOSALS FOR THE EXTENSION OF THE HOSPITAL.

The past year has been marked by the momentous decision of the Board of Management to proceed with the proposals for the immediate development of the "Island Site." On the 11th November, 1927, the freehold of a site of 66,230 square feet (superficial area) adjoining the Hospital, was purchased with the approval and consent of King Edward's Hospital Fund for London, for the sum of £55,000. This site afforded facilities to the Board of Management for the extension of the Hospital, Medical School and Scientific Departments which were so urgently needed.

The recognised need for Pay Beds and their inclusion in any extension scheme has long had the attention of the Board of Management. Their view was reinforced by the conclusions of the Pay Beds Committee of King Edward's Hospital Fund for London, who reported in July, 1928, "That a material extension of this provision (i.e., of Pay Beds) is urgently required to meet the existing demand."

The Board now see their way to meeting this great social requirement by adapting the existing Nurses' Home which affords ideal accommodation for the purpose of Pay Beds. A new Home, with ample accommodation for Sisters, Nurses and Domestic Staff will form part of the Island Site scheme, and will add greatly to administrative efficiency and economy.

The general scheme of development also provides for the rebuilding of the Medical School and the erection of an

The past year has been marked by the momentous decision of the Board of Management to proceed with the proposals for the immediate development of the "Island Site." On the 11th November, 1927, the freehold of a site of 66,250 square feet (superficial area) adjoining the Hospital, was purchased with the approval and consent of King Edward's Hospital Fund for London, for the sum of £65,000. This site afforded facilities to the Board of Management for the extension of the Hospital, Medical School and Scientific Departments which were so urgently needed.

The recognised need for Pay Beds and their inclusion in any extension scheme has long had the attention of the Board of Management. Their view was reinforced by the conclusions of the Pay Beds' Committee of King Edward's Hospital Fund for London, who reported in July, 1928, "That a material extension of this provision (*i.e.*, of Pay Beds) is urgently required to meet the existing demand."

The Board now see their way to meeting this great social requirement by adapting the existing Nurses' Home which affords ideal accommodation for the purpose of Pay Beds. A new Home, with ample accommodation for Sisters, Nurses and Domestic Staff will form part of the Island Site Scheme, and will add greatly to administrative efficiency and economy.

The general scheme of development also provides for the rebuilding of the Medical School and the erection of an

Inoculation Department and Institute of Pathology and Research. For some time past, the Inoculation Department has rented a large portion of the Clarence Wing of the Hospital. The creation of a permanent home for this Department will free approximately 50 additional beds for the Hospital. These beds were originally designed for the purposes of a Maternity Block, and in view of the recognised need for improved maternity service, both for the public and the Medical and Nursing Professions, the Board of Management contemplate a large increase on the 13 maternity beds at present available in the Hospital.

The Medical School has received many munificent gifts for its rebuilding fund, amongst others, donations of £63,000 from Lord Beaverbrook, and of £25,000 from the late Lord Revelstoke. These last two gifts were secured through the good offices of Dr. C. M. Wilson, the Dean of the Medical School, and the Board of Management take this opportunity to record their gratitude to him for the time and labour he has given during the last ten years to the cause of the Medical School.

The Inoculation Department has received a most generous gift of £40,000 from the Earl of Iveagh, and has also made a contribution of £20,000 out of its own funds. The reconstruction of these two Departments is now possible, and it is anticipated that building operations will begin in 1930. It would be in the interests of economy if the first block of the proposed Nurses' Home could be built at the same time, and the Board of Management trust that the friends of the Hospital and the charitable public in general will give their generous support to the proposals now submitted.

The proposals for the immediate development of the scheme outlined, in so far as they relate to the Hospital, are as follows :—

- (1) The establishment of a Pay Bed Unit of approximately 30 beds (15 male and 15 female) by the conversion of the first floor of the existing Nurses' Home into a Pay Bed Block.

(2) The provision of increased maternity accommodation made possible by the re-housing of the Inoculation Department which will set free approximately 50 beds in the Hospital.

(3) The erection of the first block of the new Nurses' Home which will provide accommodation for 224 nurses.

Sir Edwin Cooper, F.R.C.B.A., has been appointed the architect for the scheme, and the estimated cost of the proposals is as follows :-

(1) Purchase of Freehold of Island Site	50,000
(2) Building and equipment of Nurses' Home: first block accommodating 224 Nurses	117,500
Subway from Hospital to Nurses' Home	2,000
(3) Conversion and equipment of first floor of existing Nurses' Home into Pay Bed Block	50,000
(4) Miscellaneous, architect's fees, evacuation of tenants, &c.	20,000

This scheme, one of the most important which the Board have as yet undertaken in the history of the Hospital, has been approved by King Edward's Hospital Fund for London, and an Appeal will shortly be launched for £250,000 to complete the first block of the Nurses' Home and the first block of Pay Beds and additional Maternity beds. There can be no doubt as to the necessity for the decision. Every year the Hospital is fighting away an increasing number of urgent cases, and it is confidently hoped that friends in all parts of the world will help in the work which, when completed, will make St. Mary's, with its great tradition of teaching, research and treatment, second to none amongst the great Hospitals of this country.

The increasing number of Motor accidents in the Metropolitan area has severely taxed the resources of the Hospital and the number of In-Patients treated during the year constitutes a record since the foundation of the Hospital. Owing to lack of accommodation for the Nursing Staff, the Isolation Ward, containing 14 beds, has remained closed. It is hoped that as soon as premises become available for the Nursing Staff, this Ward, which is vital to the efficient working of the Hospital, may be re-opened.

LOCAL GOVERNMENT ACT, 1929.**CO-OPERATION WITH THE LONDON COUNTY COUNCIL.**

The passing of the Local Government Act, 1929, under which the Poor Law Infirmaries will be transferred to the control of the County Councils as from 1st April, 1930, will lead to important modifications in the existing hospital arrangements for the treatment of the sick poor in this country. In the Metropolitan area it means that the Poor Law Infirmaries will be taken over by the London County Council.

St. Mary's has been a pioneer in encouraging co-operation and co-ordination amongst institutions in its area, and in

1920 an agreement was reached with the Paddington Board of Guardians whereby students from the Medical School were permitted to visit the Infirmary to receive clinical instruction. The Venereal Diseases Department, Tuberculosis Dispensary, Maternity Department and the various departments for the treatment of L.C.C. School Children have been worked for a great number of years in close co-operation with the London County Council and the Paddington Borough Council. The Board of Management earnestly hope that this close co-operation will continue and develop in the future.

St. Mary's has at its disposal scientific services almost unequalled elsewhere in the world, and it is clearly to the general advantage, as well as in the interests of economy, that the London County Council should make full use of these services, both for treatment and for the equally important object of training students for the Medical and Nursing Professions. Hospital accommodation for the sick poor in the Metropolitan area must of necessity be increased to meet the requirements of a growing population, and the Board of Management feel that in providing for this need, close co-operation between the teaching hospitals and the London County Council is essential.

Income.

The year has been satisfactory from the point of view of finance. The accounts show an excess of income over expenditure of £3,057, whilst the sum of £7,246 has been given to the Endowment Fund of the Hospital. Further, £5,765 was received towards the cost of the Extension, recently completed, which made provision for two new operating theatres and 60 additional beds, a number of which are reserved wholly for cases of accident and sudden emergency. These "accident beds" have proved most valuable, and it is with much pleasure that the Board of Management are able to report that the whole cost of the Extension, which amounted to nearly £68,000, has now been paid for. It will be remembered that the Extension also

Income.

The year has been satisfactory from the point of view of finance. The accounts show an excess of income over expenditure of £3,057, whilst the sum of £9,246 has been given to the Endowment Fund of the Hospital. Further, £5,765 was received towards the cost of the Extension, recently completed, which made provision for two new operating theatres and 60 additional beds, a number of which are reserved wholly for cases of accident and sudden emergency. These "accident beds" have proved most valuable, and it is with much pleasure that the Board of Management are able to report that the whole cost of the Extension, which amounted to some £63,000, has now been paid for. It will be remembered that the Extension also

included the reorganisation of the sanitary and kitchen arrangements of all the wards in the Old Building, which have now been brought into line with modern requirements.

The following is a comparative statement of Income for the past two years :—

	1928.	1929.	Increase.	Decrease.

Receipts on account of services rendered ...	£18,321	£21,289	£2,968	—
Invested Property ...	£12,907	£12,700	—	£207
Legacies and Grants from Residuary Estates	£13,746	£16,612	£2,866	—

An analysis of the Income for the year discloses what is a real weakness of the Hospital's financial position :—

Central Funds ...	13
Subscriptions and Donations ...	19
Receipts on account of services rendered ...	29
Legacies and Grants from Residuary Estates ...	22
	100

It will be seen from the above table that 22 per cent. of the total income has been received from Legacies and Grants from Residuary Estates, which are of necessity an uncertain and fluctuating character.

Annual Subscriptions have increased from £4,500 to £4,733, but the Board of Management realise that this total is still far below what is needed. It is really important that new subscribers be enrolled, and a most earnest appeal is, therefore, made for new annual subscriptions. Attention is again drawn to a method of subscription by which annual

subscribers can sign a Deed of Covenant to subscribe for seven years or for life, whichever shall be the shorter period. In such cases the Hospital is able to claim a refund of the Income Tax paid on their subscriptions. A copy of a form, which can be used in this connection, is enclosed with this Report.

In connection with the Endowment Fund, it is gratifying to note that the Old Patients' Association has now completed the endowment of two Cots in the Hospital. The Association consists of former patients of the Hospital who undertake to make a minimum annual subscription of 5s. This proof of affection and gratitude on the part of those who know from personal knowledge the work the Hospital is doing, is much appreciated by the Board of Management.

Once again, through the kindness of Walter Payne, Esq., O.B.E., a Matinée, in aid of the Extension Fund, was held on 10th October, at the Metropolitan Theatre of Varieties, Edgware Road, and resulted in a sum of over £323 being received. This Matinée has always proved one of the most pleasant annual functions held on behalf of the Hospital, and its success has been due to the energy and enthusiasm of the local Manager of the Theatre, Mr. William H. Matthew. Many eminent artistes contributed their services and showed yet again how generously the members of the theatrical profession can come to the help of the Hospital.

The proceeds of "Flag Day," held on 1st May, also in aid of the Extension Fund, amounted to £987. Excellent work was done on this occasion by voluntary lady helpers, members of the Nursing and Massage Staff and students of the Medical School, to whom the Hospital's grateful thanks are due. It may be of interest to record that the total proceeds from the annual "Flag Day," which was instituted in 1924, now amount to nearly £5,000.

The Trustees of the Bernhard Baron Charitable Trust made a welcome grant of £400, and while it may be invidious to select any particular donation for special acknowledgment when such generous help has been given on so many sides in connection with the Extension Appeal Fund, the following gifts which have been received during the year, and which have enabled the Fund to be closed, are gratefully recorded:—

Help has been given during the year by the Winter Distress League, which placed at the disposal of the Hospital a number of unemployed printers and labourers, and thus made it possible to carry out work of an urgent kind which otherwise could not have been done for lack of funds. This League undertakes financial responsibility for the provision of the necessary labour whilst the Hospital provides the material.

The following additions to the Endowment Fund during the year 1922-23 are hereby recorded:-

In connection with the Endowment Fund, it is gratifying to note that the Old Patients' Association has now completed the endowment of two Cots in the Hospital. The Association consists of former patients of the Hospital who undertake to make a minimum annual contribution of 2s. This proof of devotion and gratitude on the part of those who know from personal knowledge the work the Hospital is doing is much appreciated by the Board of Management.

Once again, through the kindness of Walter Payne, Esq., F.R.S., a Matinée, in aid of the Extension Fund, was held on 22nd October, at the Metropolitan Theatre of Varieties, Edgware Road, and resulted in a sum of over £323 being raised. This Matinée has always proved one of the most successful annual functions held on behalf of the Hospital, and its success has been due to the energy and enthusiasm of the Manager of the Theatre, Mr. William H. Matthew. The various artists contributed their services and played a most successful rôle. It was generously the members of the theatrical community who gave to the help of the Hospital.

This League undertakes financial responsibility for the provision of the necessary labour whilst the Hospital provides the material.

The Rubbish Collection Fund continues to provide a valuable source of help, and since it was organised, has been the means of collecting £1,750. In connection with the Fund, a " Mile of Coins " Scheme has been inaugurated, and this will prove a new and fruitful way of augmenting the Hospital's income.

The following grants which have been received from the Central Funds are gratefully acknowledged. The comparison with the figures for 1928 is given :—

Patients' contributions now form a very important part of the Hospital's income, and it is well to draw attention to the success of the Hospital Saving Association in their attempt to inaugurate a scheme of regular weekly payments amongst contributors within certain agreed income limits. The progress of the Association and the increase in its annual grant to St. Mary's is shown by the following figures :—

	1927.	1928.	1929.
Amount contributed by the Hospital Saving Associa- tion to St. Mary's Hospital	£1,565	£2,305	£3,865

The whole subject of patients' contributions is one which requires constant and careful attention. It has always been the policy of the Board of Management to ensure that no financial hardship is inflicted on any patient as a result of their stay in Hospital. Admission is always free to those

who, after enquiry, are found unable to contribute towards the cost of their maintenance, and here an analysis of individual contributions received from patients during the year may be of interest:-

A review of the gifts received by the Hospital would not be complete without grateful mention of Mr. Marsden, who for a great number of years has generously given most of the bacon and ham consumed in the Hospital.

Expenditure.

The opening of the new Extension with its additional beds has, of necessity, meant an increase in the normal expenditure of the Hospital. It is clear that in future, when all the available beds are in use, a sum of some £35,000 must be raised annually to meet the normal working expenses

The Rubbish Collection Fund continues to provide a valuable source of help, and since it was organised, has been the means of collecting £1,730. In connection with the Fund, a "Mile of Coins" Scheme has been inaugurated, and this will prove a new and fertile way of augmenting the Hospital's income.

The progress of the Association and the increase in its annual grant to St. Mary's is shown by the following figures:—

	1927.	1928.	1929.
Amount contributed by the Hospital Saving Association to St. Mary's Hospital	£1,565	£1,305	£3,565

The whole subject of patients' contributions is one which requires constant and careful attention. It has always been the policy of the Board of Management to ensure that no financial hardship is inflicted on any patient as a result of their stay in Hospital. Admission is always free to those

who, after enquiry, are found unable to contribute towards the cost of their maintenance, and here an analysis of individual contributions received from patients during the year may be of interest :—

A review of the gifts received by the Hospital would not be complete without grateful mention of Mr. Marsden, who for a great number of years has generously given most of the bacon and ham consumed in the Hospital.

Expenditure.

The opening of the new Extension with its additional beds has, of necessity, meant an increase in the normal expenditure of the Hospital. It is clear that in future, when all the available beds are in use, a sum of some £75,000 must be raised annually to meet the normal working expenses

of the Hospital. The following table sets out the main items of Expenditure for the year, as compared with 1928 :—

			1929.	1928.	Increase.	Decrease.
			£	£	£	£
Provisions	...	...	9,723	9,040	683	—

A comparison of the cost of In-Patients and Out-Patients with 1928 shows that in spite of the increase in the Total Expenditure there is a decrease in the average cost per In-Patient for 1929, as compared with 1928, whilst the cost per Out-Patient has remained practically stationary :—

<i>Out-Patients—</i>						
Cost per Out-Patient	0	6	7	0	6	6
Cost per Out-Patient attendance	0	2	1	0	2	1

Constant and unremitting attention has been given by the House and Finance Committee throughout the year to the question of expenditure. The position of St. Mary's in the matter of economy, in comparison with that of other similar Hospitals, as shown by the Statistical Returns of King Edward's Hospital Fund for London, continues to be highly satisfactory. The latest returns published by the Fund show the average cost per occupied bed in the Teaching Hospitals

of London to be £107 3s., and that of St. Mary's to be £181 3s., i.e., £21 below the average.

NURSING STAFF.

Owing to lack of accommodation, no increase in the Nursing Staff has been possible. This has led at times to considerable difficulties, and in February last, when 40 of the nurses were ill during a severe influenza epidemic, it was only possible to carry on through the loyal co-operation of the remaining members of the Staff.

The Board are glad to record the appointment of Miss D. E. Bannon, a former Matron of the Hospital, as Matron-in-Chief of the London County Council Nursing Services, and Miss W. Bowling, Sister Tutor of the Hospital, as Matron of the General Infirmary, Sheffield.

Applications for training are being received in sufficient numbers to supply the needs of the Hospital, and it is interesting to note that many of these applicants have applied on the recommendation of former members of the Nursing Staff. The free midwifery training facilities given during the fourth year to those Nurses who satisfy the necessary conditions has proved a useful incentive to sound study, and has given an opportunity to Nurses to leave the Hospital fully and completely trained.

Examination results have reached a satisfactory standard, and are evidence of efficient teaching and demonstration on the part of the Medical Staff, the Sister Tutor and the Ward Sisters.

The presentation of medals took place in November by Miss Cox, a former St. Mary's nurse, and now Matron at Finchley Road Hospital. The presentation was followed by an instructive lecture on "The various avenues of Public Health Work open to the Trained Nurse," given by the Honorary Secretary of the Public Health Section of the College of Nursing. Keen interest in the general activities of the Hospital has been maintained, and is shown by the ready response which is always given when an appeal is

of the Hospital. The following table sets out the main items of Expenditure for the year, as compared with 1923.

made for helpers on " Flag Day " and Matinées in aid of the Hospital funds.

The Nurses' League, which consists of past and present Nurses, has been honoured during the year by H.R.H. Princess Arthur of Connaught, who has graciously consented to become a Patron of the League. The sympathetic interest recently shown by Her Royal Highness during the illness in this Hospital of the late Sister H. Morrison, for 26 years Home Sister, is evidence of Her Royal Highness's happy memories of her training when qualifying for the Nurses' Certificate.

The Social and Sports Section has had a successful year, and proves that a share in social and athletic activities makes for improved health and work of a higher standard. A team from the Hospital reached the finals for the Inter-Hospital Swimming Sports, held at the Bath Club, and later, keenly contested and well attended Swimming Sports were held at the Paddington Baths. Also, in spite of the difficulty of finding tennis courts for practice near the Hospital, a very satisfactory effort was made towards qualification for the Inter-Hospital Tennis Shield.

BOARD OF MANAGEMENT.

The Annual Election of the Board of Management took place, as usual, at the Quarterly Board of Governors in June. The following Ordinary Members retiring by rotation, being eligible, were re-elected :—

Mr. H. B. Bompas.

Sir Fisher Dilke, Bart.

Major T. C. E. Goff, J.P.

Mr. H. A. Pitman.

Sir John Ramsay, K.C.I.E.

Mr. G. P. Harben, O.B.E., the Hon. Mrs. Rochfort Maguire and Mr. Julius Salmon, who had been appointed to fill casual vacancies during the year, having also to retire as required by the Laws of the Hospital, and being eligible, were re-elected.

The following members of the Honorary Medical Staff were elected as Medical Members:—

Mr. A. W. Bourne,

Mr. D. C. L. Fitzwilliams, C.M.G.

Dr. J. Freeman.

Mr. C. I. Graham.

Mr. R. M. Handfield-Jones, M.C.

Professor F. Langmead.

Sir William H. Wilcox, K.C.I.R., C.B., C.M.G.

Dr. C. M. Wilson, M.C.

At the first meeting of the Board, after the Annual Election, Colonel H. E. Verey, D.S.O., was appointed Chairman, and Mr. G. P. Harben, O.B.E., Deputy-Chairman. At the first meeting of the House and Finance Committee, Mr. H. M. Greenwood, C.B.E., was appointed Chairman of the Committee. Later in the year, General Sir Hubert de la Poer Gough, G.C.M.G., K.C.B., K.C.V.O., and Mr. H. R. Miller were elected members of the Board of Management, whilst the resignations of Mr. P. E. David and Sir Fisher Dike, Bart., were accepted with regret.

CHANGES IN THE HONORARY MEDICAL AND SURGICAL STAFF.

The sudden and untimely death of Mr. K. A. Lees, O.B.E., M.A., F.R.C.S., the Assistant Surgeon for Diseases of the Ear, Nose and Throat, is recorded with deep regret. His post has been filled by Mr. G. D. Robertson, F.R.C.S., who previously held the post of Supernumerary Surgeon in the Department.

The resignations of Mr. V. Warren Low, C.B., M.D., F.R.C.S., the Senior Surgeon, and Mr. Leslie Paton, B.A., F.R.C.S., the Senior Ophthalmic Surgeon, have been received during the year. St. Mary's owes a deep debt of gratitude to both these gentlemen for the valuable services they have rendered to the Hospital for many years, not only in their capacity as members of the Honorary Medical Staff, but also

A Vice-President is *ex officio* a member of the Board of Management, and it is the hope of everyone who has the well-being of St. Mary's at heart that Mr. Low and Mr. Paton will for many years give the Hospital the benefit of their long and valuable experience.

As a result of these changes, Mr. Juler, M.A., F.R.C.S., has been appointed Ophthalmic Surgeon, and Mr. F. A. Williamson-Noble, Assistant Ophthalmic Surgeon, whilst Professor C. A. Pannett, M.D., F.R.C.S., the Director of the Surgical Unit and Senior Surgeon to Out-Patients, has been appointed Surgeon-in-Charge of In-Patients.

MEDICAL SCHOOL.

The entry of full-course students during the Academic Year 1928-29 was 49, as compared with 44 in the previous year, and 38 in 1926-27.

During the year 1928-29, the number of full-course students working in the Medical School and Hospital amounted to 217, while 76 attended for part-courses during the same period.

Nineteen students obtained University Degrees in Medicine during the year, 34 obtained Qualifying Diplomas, and 15 obtained Higher Diplomas in various branches of Medicine and Surgery.

In Athletics, the Medical School has been very active; the Rugby Football Club had four teams in the field during the winter, and the Cricket Club were successful in the Inter-Hospital Competition, and carried off the Cricket Cup. A very successful Athletic Sports Meeting was held in the early part of the summer.

Considerable progress has been made during the past year towards the re-building of the Medical School upon the

Island Site.—The bequest of £25,000 under the Will of the late Lord Revelstoke, and the munificent gift of £63,000 by Lord Beaverbrook, have made it possible to begin the work at once, and plans have been prepared by Sir Edwin Cooper for a building which for accommodation and modern equipment will rank among the best in London. The building will occupy a site immediately opposite to the Cambridge Place entrance to the Hospital, and besides providing accommodation for the teaching of all the Preliminary and Intermediate Subjects, will include a Students' Club, Library, Gymnasium and Swimming Bath. It is hoped to begin building operations in the spring of 1930.

INOCULATION DEPARTMENT.

The Out-Patients' Department continues to grow, and the attendances during 1929 were 9,531. When the Department was first instituted in 1906, chronic tuberculosis, furunculosis and acne represented by far the largest proportion of the diseases treated, but vaccine therapy has extended to practically all bacterial disease, and now the most common cases treated in the Out-Patients' Department are those suffering from chronic rheumatism and affections of the respiratory tract, such as recurrent colds, bronchitis and asthma.

The accommodation for these Out-Patients remains very inadequate, and is attended with much inconvenience and waste of time. One of the many advantages of the new Island Site is that it will provide a new Inoculation Department in which all the difficulties which have hitherto hampered the work will be overcome.

Towards the cost of rebuilding, the Earl of Iveagh and other donors have generously contributed about £15,000, and the Inoculation Department has put aside out of its accumulated funds a sum of £20,000, but a further £30,000 is needed to complete the proposed new building. It is proposed to raise this sum by an appeal to which there should be a good response from those who realise what an important part research now plays in medicine.

Active research work on bacteriological and immunological problems has been carried out during the year. New methods are being developed for the testing of vaccines and chemicals in the treatment of bacterial disease, and studies are being made in the natural methods of defence against bacteria and the way in which these can be modified to the advantage of the patient. Particular attention has been paid to puerperal fever, a very important matter in view of the public attention now directed to the subject of "Maternal Mortality," to other generalised infections, and to asthma and the allied conditions. As a result of the work done in the Inoculation Department, the treatment of infective diseases has been considerably modified and improved, and it is likely that further advances will be made in the future.

THE ALMONER'S DEPARTMENT.

An opportunity may be taken to review the advantages secured to a hospital by the establishment of an Almoner's Department. These advantages can, perhaps, be best demonstrated by Hospitals who already have considerable experience of the work carried out by the Almoner's Staff. In this connection, it is of interest to note that St. Mary's was one of the first large London Hospitals to appoint to its staff a trained Almoner.

A distressing waste of the highly-skilled treatment given in hospital takes place if, before their cure is complete, patients have to return to the very surroundings and conditions which caused, or contributed to, their breakdown. The object of the Almoner's work is to prevent this waste, and the result is a double gain both medical and economical. Patients who are helped to permanent health will not need to return to hospital to re-occupy beds needed for others, and the waiting list will be reduced in proportion.

In-Patients.

A comparison of figures for 1928 and 1929 shows an increase in the number of patients, and nearly all have been interviewed and assessed. Many have needed no further attention, but 680 have required help in various ways.

Convalescence.

Parkwood Convalescent Home re-opened in March, 1919, and 108 patients have spent periods of convalescence there varying from three to ten weeks. During the summer and autumn months we were kindly allowed the occasional use of extra beds, in addition to the ten reserved for St. Mary's. Many patients have returned full of praise for the care shown to them.

One-hundred-and-twenty-six patients have been sent to Metropolitan Convalescent Institutions, and 64 patients have gone to 15 other Homes, according to their varying needs. The 'Merchant Taylors' Home, at Bognor, has been specially helpful in taking men who have been placed on a restricted diet.

Fourteen children have been referred to the Invalid Children's Aid Association to arrange long convalescence, and continued treatment for chorea, rheumatism, heart trouble, &c. It is hoped that this particular branch of work will be extended in the future, as its importance is great, not only because of the value of convalescence to the growing child, but through sympathy and personal influence the parents can sometimes be helped to improve unsatisfactory home conditions which are often the cause of the illness.

Surgical Appliances and Other Assistance.

Two-hundred-and-twelve surgical appliances of varying types have been supplied, a large proportion of the cost being collected from outside sources and from the patients themselves.

Help has been obtained for other patients by referring them to Charitable Societies, such as the Charity Organisation Society, United Services Fund, Friends of the Poor, &c.

In connection with the general work for in-patients, 590 reports have been sent out, and 592 reports received. The Dresden Assistance Fund is always of the greatest value and enables much work to be carried out which could not otherwise be undertaken.

Out-Patients.

During 1929, the Almoner's Department has helped some 1,540 out-patients. This help has included the provision of 868 surgical appliances, ranging from a crêpe bandage costing 1s., to an artificial limb costing £28. The patients attending the Ante-Natal Clinics have been interviewed as usual, and those in need of assistance referred to the Public Health Authorities or to Charitable Societies. The Department also does valuable work in arranging convalescent treatment.

One-hundred-and-sixty out-patients have been sent to Convalescent Homes. The length of stay has varied from two weeks to seven months, and 72 different Homes have been made use of. An effort is always made to send a child to the particular Home or locality recommended by the doctor, and much care and thought are given to choosing congenial Homes where patients will be happy as well as carefully tended.

There is also the social point of view to be considered in choosing a Home. Most patients settle down readily at a Home where they are with others of the same age and social status as themselves; while the best climate, diet and care lose half their value if the patient is unhappy and longing all the time to be at home once more.

When the Home has been decided on and the money raised or promised, there are often difficulties at home which have to be removed before the breadwinner, or the mother of the family, can go away with an easy mind. A was suffering from nervous debility and was recommended convalescent treatment. He refused, as his wife and month-old baby were not well enough to be left, and because the two older children had been ill with bronchitis. With the co-operation of various agencies it was arranged that Mrs. A. . . . and baby should go to a Rest Home in Surrey; the two older children were boarded out in the country, while our patient was able to go to Hove for four weeks with his mind at rest about his family.

The heavy cost of this case was met by grants from the Hospital Saving Association, the Hospital Saturday Fund and the Royal Naval Benevolent Trust; and it is through such Societies as these, and especially by the help of the Charity Organisation Society and the Invalid Children's Aid Association, that the expense involved in sending away so many patients has been met. Sometimes it is difficult to raise the money, but many Societies and individuals help us generously because they realise that it is often impossible for a child to be cured of the complaint for which it is being treated while, in spite of the best medical advice and free supplies of cod-liver oil and malt, month after month, he remains under-nourished because the hopelessly inadequate income at home allows of nothing else. They know, too, that the over-worked mother who attends the Hospital regularly for her fortnightly bottle of medicine can sometimes be discharged altogether after a complete rest in the country.

THE LADIES' ASSOCIATION.

The work of the Ladies' Association continues to progress, and the Board of Management desire to take this opportunity to record their gratitude to those ladies who work year after year for the welfare of the Hospital.

During 1923, 850 garments and 368 articles have been supplied, and a grant of £579 made to the Matron for linen, &c. The Association also gave valuable help on the occasion of the Hospital "Flag Day," and took charge of a depot on "Alexandra Day."

The Association has given £500 for the endowment of a Cot in the Children's Surgical Ward, and has allocated a further gift of £800 for the furniture and equipment of the new Nurses' Home.

The resignation of The Dowager Lady Dimsdale, who has been Chairman of the Association since its foundation in 1908, was received with great regret. Lady Dimsdale had the work much at heart and never failed to preside at the meetings, except when absent through illness, during her Chairmanship of 21 years.

Out-Patients.

During 1929, the Almoner's Department has helped some 1,540 out-patients. This help has included the provision of 368 surgical appliances, ranging from a crepe bandage costing 1s., to an artificial limb costing £38. The patients attending the Ante-Natal Clinics have been interviewed as usual, and those in need of assistance referred to the Public Health Authorities or to Charitable Societies. The Department also does valuable work in arranging convalescent treatment.

One hundred and sixty out-patients have been sent to Convalescent Homes. The length of stay has varied from two weeks to seven months, and 72 different Homes have been made use of. An effort is always made to send a child to the particular Home or locality recommended by the doctor, and much care and thought are given to choosing congenial Homes where patients will be happy as well as carefully treated.

There is also the social point of view to be considered in choosing a Home. Most patients settle down readily at a Home where they are with others of the same age and social status as themselves; while the best climate, diet and care lose half their value if the patient is unhappy and longing all the time to be at home once more.

When the Home has been decided on and the money raised or promised there are often difficulties at home which have to be removed before the breadwinner, or the mother of the family, can go away with an easy mind. A was suffering from nervous debility and was recommended convalescent treatment. He refused, as his wife and month-old baby were not well enough to be left, and because the two older children had been ill with bronchitis. With the co-operation of various agencies it was arranged that Mrs. A. and baby should go to a Rest Home in Surrey; the two older children were boarded out in the country, while our patient was able to go to Hove for four weeks with his mind at rest about his family.

The heavy cost of this case was met by grants from the Hospital Saving Association, the Hospital Saturday Fund and the Royal Naval Benevolent Trust ; and it is through such Societies as these, and especially by the help of the Charity Organisation Society and the Invalid Children's Aid Association, that the expense involved in sending away so many patients has been met. They know, too, that the over-worked mother who attends the Hospital regularly for her fortnightly bottle of medicine can sometimes be discharged altogether after a complete rest in the country.

THE LADIES' ASSOCIATION.

The work of the Ladies' Association continues to progress, and the Board of Management desire to take this opportunity to record their gratitude to those ladies who work year after year for the welfare of the Hospital.

During 1929, 850 garments and 366 articles have been supplied, and a grant of £379 made to the Matron for linen, &c. The Association also gave valuable help on the occasion of the Hospital "Flag Day," and took charge of a depôt on "Alexandra Day."

The Association has given £500 for the endowment of a Cot in the Children's Surgical Ward, and has allocated a further gift of £500 for the furniture and equipment of the new Nurses' Home.

The resignation of The Dowager Lady Dimsdale, who has been Chairman of the Association since its foundation in 1906, was received with great regret. Lady Dimsdale had the work much at heart and never failed to preside at the meetings, except when absent through illness, during her Chairmanship of 24 years.

At the beginning of the year the Association was fortunate enough to secure the services of the Countess of Kenmare as their new Chairman, but owing to continued ill-health she has been obliged to resign.

Mrs. and Miss Hollway very kindly undertook, with the assistance of Mrs. Harris and Mrs. Freeman, the organisation of "Pound Day" on 20th March, when the President of the Association, H.R.H. Princess Arthur of Connaught, graciously attended. The gifts in cash amounted to £574 9s. 0d., and over two tons of goods in kind were received. It is hoped to hold another "Pound Day" on 20th March, 1930.

The Executive Committee of the Ladies' Association appeal very earnestly to all ladies interested in the Hospital to support them in their work by joining the Association, enlisting new members, making garments, or by lending their houses for work parties. The object of the Association is to provide the garments, linen and blankets required for the use of patients in the Hospital.

Honorary Vice-Presidents subscribe One Guinea annually, and Honorary Members 5s. Working members subscribe 10s. 6d. annually, and are supplied with cut-out garments to make. Mrs. Maynard Smith (the Honorary Work Secretary) is at the Hospital every Wednesday morning from 11 to 12 during the months of October to March. Miss R. M. M. Evans (Honorary Secretary), 24, Sussex Gardens, Hyde Park, will gladly give any information respecting the work of the Association.

THE CHAPLAIN'S REPORT.

The Chapel Services have been very well attended throughout the year. They seem to meet a real need and are much appreciated. Grateful thanks are due to those who during the year have been responsible for decorating the Chapel with beautiful flowers. The Offerings have been used to pay expenses, to buy books, new hassocks and fittings, and have enabled a contribution to be sent to the support of a bed in the Hospital at Quetta.

The Rev. L. W. Williams has helped very much this year with visiting and with Evening Prayers. Canon A. W. Burton, the Rev. J. B. H. Evans and Mr. T. Kitchen also have regularly visited certain wards. The Rev. Leslie Mills, of St. James's, Paddington, has undertaken to visit for a number of hours each week. We thank them one and all. The visiting of patients is not always an easy task, but the members of the Hospital Staff do much to make the work pleasant and acceptable.

We heartily congratulate the Honorary Chaplain, Frederick E. N. Sharpe, M.A., on his appointment as Archdeacon of London and Canon of St. Paul's, and, while wishing him God-speed in his office, we rejoice that he will still be able to take an interest in the work of the Hospital.

The patients greatly appreciate the singing of the two Choirs who visit all the wards in turn on alternate Sundays. Our very best thanks are due to both their leaders, Mr. Baker and Mr. Owen Gorman. We would also again express our gratitude to the Lady Visitors whose weekly visits are a great help to the patients.

THANKS TO THE MEDICAL STAFF.

We must conclude their Report with the expression of our thanks to the members of the Honorary Medical Staff for their constant attention and efforts, and for their valuable services to the Hospital during the year.

THE BOARD OF MANAGEMENT.

The visiting of patients is not always an easy task, but the members of the Hospital Staff do much to make the work pleasant and acceptable.

We heartily congratulate the Honorary Chaplain, Prebendary E. N. Sharpe, M.A., on his appointment as Archdeacon of London and Canon of St. Paul's, and, while wishing him God-speed in his office, we rejoice that he will still be able to take an interest in the work of the Hospital.

We would also again express our gratitude to the Lady Visitors whose weekly visits are a great help to the patients.

THANKS TO THE MEDICAL STAFF.

The Board conclude their Report with the expression of their sincere thanks to the members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients, and for their valuable services to the Hospital throughout the year.

Signed, on behalf of the Board of Management.

HENRY E. VEREY,

I Give and Bequeath to the Treasurer or Treasurers for the time being of a Corporation called the President and Governors of St. Mary's Hospital, Paddington, the sum of..... free of Legacy Duty, for the Endowment in perpetuity of a Bed (or Cot) in the said Hospital; the said Bed (or Cot) to be named the "....." Bed (or Cot), and I declare that the receipt of the Treasurer or Treasurers for the time being of the said Corporation shall be a sufficient discharge for the same.

For particulars respecting the Endowment of Beds and Cots, see page 33.

The George Sturge Trust Fund.

In the year 1884 Mr. George Sturge, of Woodthorpe, Sydenham Hill Road, executed a Deed of Trust conveying to St. Mary's Hospital £926 *Great Eastern Railway 5 per Cent. Preference Stock, representing one thousand pounds (£1,000), under the following conditions :—

“ In giving the sum of £1,000 for a Samaritan Fund for the above Hospital, Mr. Sturge gives it on the conditions that this Fund shall be kept entirely separate from the General Funds of the Hospital, and that the income shall be paid to, or applied for, such In-Patients as may be necessitous, and within three months from their discharge from the Hospital, and for the purpose of their having necessary nourishment, clothing, or change of air.”

“ Mr. Sturge hopes that this Fund may be made known and that others may be induced to subscribe to it.”

*Converted, in 1902, to £972 Great Eastern Railway Consolidated 4 per cent. Preference Stock, and again converted, in 1923, to £972, London & North Eastern Railway 4 per cent. 1st Preference Stock (*see page 50.*)

The Disbursements under this Trust Deed are included in the Convalescent Fund Account on page 44 of this Report.

The George Sturge Trust Fund.

In the year 1837 Mr. George Sturge, of Wood-
thorpe, Leicestershire Mill Road, executed a Deed of
Trust conveying to St. Mary's Hospital 1025 Great
Eastern Railway 5 per Cent. Preference Stock, representing
one hundred pounds (100), under the following
conditions:

"In giving the sum of £1,000 for a Samaritan Fund for
the above Hospital Mr. Sturge gives it on the conditions
that this Fund shall be kept entirely separate from the
General Funds of the Hospital, and that the income shall
be paid to, or applied for, such In-Patients as may be
recommended, and within three months from their discharge
from the Hospital, and for the purpose of their having
necessary nourishment, clothing, or charge of air."

Mr. Sturge hopes that this Fund will be
made known and that others may be induced to
contribute to it.

Subsequently, in 1862, to 1872 Great Eastern Railway 5 per
Cent. Preference Stock, and again converted, in 1873, to 1882, London &
North Western Railway 4 per Cent. 1st Preference Stock 1000.

The investments under this Trust Deed are included in the
Investment Fund Account on page 41 of this Report.

GOVERNMENT AND MANAGEMENT.

The mode of government is by a Board of Management, meeting fortnightly, and by Standing Committees appointed by the Board of Management.

The Board of Management consists of the President, Vice-Presidents, and Treasurers (permanent Members), and twenty-eight Governors elected annually (Ordinary Members), of whom not more than five may be women. Of the Ordinary Members eight are Members of the Medical Staff or Lecturers in the Medical School (Medical Members).

QUALIFICATIONS AND PRIVILEGES OF SUBSCRIBERS.

Ann. Subscribers of		Donors of		Privileges.
£1	1 0	or	£10 10 0	May recommend 3 Patients annually.
2	2 0	or	21 0 0	May recommend 6 Patients annually.
3	3 0	or	31 10 0	May recommend 9 Patients annually, and are eligible for Election as Governors.

Subscribers of greater sums are entitled to recommend Patients in proportion to the amount of their subscriptions. Letters are not issued unless expressly desired, as many Subscribers do not require them.

Governors have also the privilege of visiting the Hospital under regulations made by the Board of Management, provided that they previously ascertain from the Secretary that such visit will not interfere with the work of the Hospital.

Executors of any considerable benefactor by Will are eligible to be elected Honorary Life Governors.

THE MATERNITY.

Annual Subscribers of One Guinea, or Donors of Ten Guineas to the MATERNITY FUND, may recommend three Patients annually to that department; and so on in proportion to the amount of the subscription.

ADMISSION OF PATIENTS.

Applicants are treated as In-Patients or Out-Patients at the discretion of the Medical and Surgical Staff, and as the accommodation available in the Wards may permit.

Accidents and other cases deemed urgent by the Medical Officers are (so far as space permits) admitted without Letters at all times.

Holders of Letters seeking admission as In-Patients must present their Letters at the Hospital at 1 o'clock (Sundays excepted).

Much inconvenience having occurred in consequence of the arrival of Patients from a distance, without notice, it is requested that in the case of Patients coming from places so remote as to preclude easy and cheap communication with the Hospital, notice be given to the Secretary three days before the Patient intends to apply for admission, enclosing a Medical Certificate stating as fully as possible the nature of the case.

VISITING DAYS. Adults: Wednesdays and Saturdays, from 3 to 5; and Sundays and Public Holidays, from 3 to 4. Children under 16: Wednesdays, 4 to 5, Sundays, 3 to 4. Except for urgent reasons visitors cannot be admitted at other times. Children are not allowed to visit the Children's Ward. Only parents or guardians of patients, or persons in loco parentis, are allowed as visitors to the Children's Ward.

Out-patients are attended DAILY (Sunday and Public Holidays excepted). They must present their letters at the Hospital at the following times:—

GENERAL MEDICAL AND SURGICAL CASES—Daily (Saturdays and Sundays excepted) at 1 p.m., Saturdays, at 9.15 a.m.

DISEASES OF WOMEN—Mondays and Thursdays, at 1 p.m.

DISEASES OF THE EYE—Tuesdays and Fridays, at 9.15 a.m.

DISEASES OF THE EAR, NOSE AND THROAT—Mondays and Thursdays, at 9.15 a.m.

DISEASES OF THE SKIN—Mondays and Thursdays, at 9.15 a.m.

DISEASES OF THE THROAT—Wednesdays and Saturdays, at 9.15 a.m.

GOVERNMENT AND MANAGEMENT.

The mode of government is by a Board of Management, meeting fortnightly, and by Standing Committees appointed by the Board of Management.

The Board of Management consists of the President, Vice-Presidents, and Treasurers (permanent Members), and twenty-eight Governors elected annually (Ordinary Members), of whom not more than five may be women. Of the Ordinary Members eight are Members of the Medical Staff or Lecturers in the Medical School (Medical Members).

QUALIFICATIONS AND PRIVILEGES OF SUBSCRIBERS.

Ann. Subscribers at	Donors of	Privileges.
£1 1 0 or	£10 10 0	May recommend 3 Patients annually.
2 2 0 or	21 0 0	May recommend 6 Patients annually.
3 3 0 or	31 10 0	May recommend 9 Patients annually, and are eligible for Election as Governors.

Subscribers of greater sums are entitled to recommend Patients in proportion to the amount of their subscriptions. Letters are not issued unless expressly desired, as many Subscribers do not require them.

Governors have also the privilege of visiting the Hospital under regulations made by the Board of Management, provided that they previously ascertain from the Secretary that such visit will not interfere with the work of the Hospital.

Executors of any considerable benefactor by Will are eligible to be elected Honorary Life Governors.

THE MATERNITY.

Annual Subscribers of One Guinea, or *Donors* of Ten Guineas to the MATERNITY FUND, may recommend three Patients annually *to that department*; and so on in proportion to the amount of the subscription.

ADMISSION OF PATIENTS.

Applicants are treated as In-Patients or Out-Patients at the discretion of the Medical and Surgical Staff, and as the accommodation available in the Wards may permit.

Accidents and other cases deemed urgent by the Medical Officers are (so far as space permits) admitted without Letters at all times.

Holders of Letters seeking admission as In-Patients must present their Letters at the Hospital at 1 o'clock (Sundays excepted).

Much inconvenience having occurred in consequence of the arrival of Patients from a distance, without notice, it is requested that in the case of Patients coming from places so remote as to preclude easy and cheap communication with the Hospital, notice be given to the Secretary three days before the Patient intends to apply for admission, enclosing a Medical Certificate stating as fully as possible the nature of the case.

VISITING DAYS. Adults: Wednesdays and Saturdays, from 4 to 5; and Sundays and Public Holidays, from 3 to 4. Children under 15: Wednesdays, 4 to 5, Sundays, 3 to 4. Except for urgent reasons visitors cannot be admitted at other times. Children are NOT allowed to visit the Children's Ward. Only parents or guardians of patients, or persons *in loco parentis*, are allowed as visitors to the Children's Ward.

Out-patients are attended DAILY (Sunday and Public Holiday excepted). They must present their letters at the Hospital at the following times:—

GENERAL MEDICAL AND SURGICAL CASES—Daily (Saturdays and Sundays excepted) at 1 p.m., Saturdays, at 9.15 a.m.

DISEASES OF WOMEN—Mondays and Thursdays, at 1 p.m.

TWENTY-FIFTH ANNUAL REPORT.

The Dresden Trustees have the honour to present their report for the twelve months ending 30th September, 1929, together with the accounts for the same period.

The objects to which the Trustees have continued to devote the funds at their disposal, and the number of Patients benefited under each head, are—

1.	Patients sent to Convalescent Homes including 14 sent to Parkwood	320
2.	given pecuniary assistance on dis- charge	5
3.	assisted with clothing on discharge	1
4.	provided with Surgical and Optical appliances on discharge	106
5.	assisted with fares to and from Con- valescent Homes	283
6.	assisted with fares to their own homes on discharge from the Hospital	251

Great care had been taken to ascertain that Patients are really needy and deserving before assisting them, particularly in Class 2. Thorough enquiry into their needs and deserts has been made in every case.

The Hospital Convalescent Home, Parkwood, Swanley, Kent, reopened on 12th March, 1929, after being closed for structural alterations.

The number of patients sent there this year has, therefore, been considerably reduced, but the Trustees of the Dresden Assistance Fund would like to take this opportunity to record their grateful thanks to the authorities of the Hospital Convalescent Home for their great help in the past in allocating a number of beds for convalescent patients of St. Mary's Hospital.

Signed on behalf of the Trustees,

T. C. E. GOFF.
