Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed ; or to picture a place more appropriate for a record to the Memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

## ANNUAL REPORT FOR 1933.

THE Board of Management have the honour to submit to the Governors and Subscribers their report for the year 1933, together with the accounts audited by Messrs. Pease, Waterhouse & Co.

### OPENING OF THE NEW MEDICAL SCHOOL AND PATHOLOGICAL INSTITUTE BY HIS MAJESTY THE KING, ACCOMPANIED BY HER MAJESTY THE QUEEN.

His Majesty the King, accompanied by Her Majesty the Queen, visited the Hospital on the 12th December to open the new Medical School and Pathological Institute, which have been erected on a portion of the site adjoining the Hospital, acquired by the Board of Management in 1927. His Worship the Mayor, Alderman Lt.-Col. Sir George Handover, O.B.E., D.L., J.P., welcomed their Majesties to the Borough, the streets of which were decorated in honour of the occasion. Their Majesties, on arrival at the Hospital, were received by Her Royal Highness the Duchess of York (President of the Hospital), and on entering the Medical School were greeted by His Royal Highness the Duke of York and Her Royal Highness Princess Arthur of Connaught, who received her training as a nurse at the Hospital. The large and distinguished audience included Major-General Sir Earl of Athlone, K.G. (Chancellor of the University of London), the Right Honourable the Lord Mayor of London, the Chairman of the London County Council, the President of the Royal College of Surgeons of England, the President of the Royal College of Physicians of London, the Regius Professor of Physic, University of Cambridge, the Regina Professor of Medicine, University of Oxford, the Master of the Society of Apothecaries, the President of the British College of Obstetricians and Gynaecologists, and the Chief Medical Officer of the London County Council.

## ANNUAL REPORT FOR 1933.

**T**HE Board of Management have the honour to submit to the Governors and Subscribers their report for the year 1933, together with the accounts audited by Messrs. Price, Waterhouse & Co.

### **OPENING OF THE NEW MEDICAL SCHOOL AND PATHOLOGICAL INSTITUTE BY HIS MAJESTY THE KING, ACCOMPANIED BY HER MAJESTY THE QUEEN.**

His Majesty the King, accompanied by Her Majesty the Queen, visited the Hospital on the 12th December to open the new Medical School and Pathological Institute, which have been erected on a portion of the site adjoining the Hospital, acquired by the Board of Management in 1927. His Worship the Mayor, Alderman Lt.-Col. Sir George Handover, O.B.E., D.L., J.P., welcomed their Majesties to the Borough, the streets of which were decorated in honour of the occasion. Their Majesties, on arrival at the Hospital, were received by Her Royal Highness the Duchess of York (President of the Hospital), and on entering the Medical School were greeted by His Royal Highness the Duke of York and Her Royal Highness Princess Arthur of Connaught, who received her training as a nurse at the Hospital. The large and distinguished audience included Major-General the Earl of Athlone, K.G. (Chancellor of the University of London), the Right Honourable the Lord Mayor of London, the Chairman of the London County Council, the President of the Royal College of Surgeons of England, the President of the Royal College of Physicians of London, the Regius Professor of Physic, University of Cambridge, the Regius Professor of Medicine, University of Oxford, the Master of the Society of Apothecaries, the President of the British College of Obstetricians and Gynæcologists, and the Chief Medical Officer of the London County Council.

The Dean of the Medical School (Dr. C. M. Wilson, M.C.) read and presented a loyal address, to which His Majesty, in declaring the new building open, was graciously pleased to reply as follows :—

“ The Queen and I thank you for your loyal and dutiful address. We feel a special interest in revisiting St. Mary’s Hospital, since for close on 20 years I was a predecessor in office of your President, my dear daughter-in-law, the Duchess of York. I recall, too, that many years ago the skill and care of a nurse from this Hospital contributed largely to my recovery from an attack of typhoid fever.

“ Happily, curative and preventive medicine and surgery do not stand still. They are progressive sciences, and this was probably never more true than to-day. The tireless efforts of devoted workers, in the clinical sphere and in the laboratory alike, are ever wresting fresh secrets from nature and adding to existing knowledge in many different fields.

“ No less important than the growth of knowledge is its dissemination to those who will apply it. Thus the health of my people, as you have well said, Mr. Dean, depends in great measure on the training which the medical schools of to-day give to their students, who will be the doctors of-tomorrow.

“ The buildings and equipment of a medical school must keep pace with knowledge, and inevitably there comes a time when radical change is required.

“ You are indeed fortunate that when your need for a new school arose those wise donors of whom you have spoken, and others also, gave generously of their substance and helped with their inspiration.

“ I doubt not, Mr. Dean, that this new provision for medical education in London owes much also to your own well-informed and untiring labours.

"I am happy to declare the new building of St. Mary's Hospital Medical School open, and I pray that with God's blessing the beneficent work of the school, and the hospital with which it is associated, may prosper and extend."

At the conclusion of this address Their Majesties made a tour of inspection of the new buildings, and finally the Royal party left the Hospital amidst scenes of great enthusiasm.

A luncheon buffet, generously provided by the Ladies Association, was available for visitors, large numbers of whom took the opportunity to inspect the new buildings.

The most grateful and loyal thanks of the Board of Management are due to Their Majesties for so graciously visiting the Hospital.

The arrangements for the Opening Ceremony were excellently carried out, and the occasion may be regarded as one of the most notable in the history of the Institution.

The Board of Management record with much pleasure the tribute paid by His Majesty the King to Dr. C. M. Wilson (the Dean) for the work he has so successfully undertaken to make possible the building of the new Medical School, and also the most gracious observations of His Majesty respecting the late Miss Hallam (his former nurse) who was for so many years such a devoted Sister in charge of Victoria Ward in the Hospital.

Grateful mention must again be made of the generous donations received from Lord Beaverbrook (£53,000), the Earl of Iveagh (£40,000), and the late Lord Revelstoke (£25,000), whose munificent benefactions have been so vital a factor in the erection of a Medical School and Research Departments which are as fine and as well-equipped as those of any Hospital in this country.

The Dean of the Medical School (Dr. C. M. Wilson, M.C.) read and presented a loyal address, by which His Majesty, in London for the first time, was graciously pleased to accept of the offer.

The Queen and I thank you for your loyal and devoted address. We feel a special interest in revisiting St. Mary's Hospital, since for close on 20 years I was a patient in one of your President, my dear daughter-in-law, the Duchess of York. I recall, too, that many years ago the skill and care of a nurse from this Hospital contributed largely to my recovery from an attack of typhoid fever.

Happily, curative and preventive medicine and surgery do not stand still. There are ever-growing sciences, and this was probably never more true than to-day. The tireless efforts of devoted workers in the clinical sphere and in the laboratory are ever widening the frontiers of human knowledge and adding to the store of wisdom in many different fields.

No less important than the growth of knowledge is its dissemination to those who will apply it. Thus the health of my people, as you have well said, Mr. Dean, depends to great measure on the training which the medical schools of to-day give to their students, who will be the doctors of tomorrow.

Grateful mention must again be made of the generous donations received from Lord Beaverbrook (£63,000), the Earl of Iveagh (£40,000), and the late Lord Revelstoke (£25,000), whose munificent benefactions have been so vital a factor in the erection of a Medical School and Research Departments which are as fine and as well-equipped as those of any Hospital in this country.

**PROVISION OF NEW NURSES' HOME AND PAY BED BLOCK  
FOR PATIENTS OF MODERATE MEANS.**

**Anonymous Donation of £25,000.**

The outstanding need of the Hospital during the post-War years has been the provision of adequate accommodation for the Nursing Staff and a Pay Bed Block for patients of moderate means. The great increase in the work of the Hospital brought almost to breaking-point the difficulties with regard to accommodation for the members of the Nursing Staff, a large proportion of whom are housed in private hostels in the neighbourhood, an arrangement which—in practice—has proved extremely expensive and uneconomical. It is therefore with especial pleasure that the Board of Management record the munificent gift of £25,000 which has been received, so that steps may be taken for the first section of the Nurses' Home to be built on a portion of the site adjoining the Medical School and Pathological Institute. The donor has expressed the wish to remain strictly anonymous, but in his letter he states—

“ This gift to the Hospital is to mark my appreciation for the wonderful work St. Mary's has done for humanity, and especially for the great care and attention it has devoted to the many cases I have personally been interested in there . . . and I hope someone else will come forward to enable the building to be fully completed.”

In view of the receipt of this generous benefaction and the steady progress which has been made throughout the year with the Extension Appeal Fund, the Board of Management have given instructions for the clearance of a portion of the site with a view to commencing building operations at a very early date.

A sum of over £30,000 is still available, after the provision of a Central Heating Installation, Subway, &c., and with the

aid of an intensive appeal which it is proposed to carry out during 1934, the Board of Management hope that sufficient funds will be obtained to permit of the building of a Nurses' Home of such dimensions as will provide suitable recreation rooms and sufficient beds to enable all the nurses to be housed on the Hospital site, and for the establishment of, at any rate, a small Day Bed Block for patients of moderate means. Most valuable help has been afforded by various events held during the year in aid of the Extension Appeal Fund. The Annual Golf Ball (now firmly organised under the able Chairmanship of Mr. G. D. Harney) has become an outstanding social event, and was held at Grosvenor House on Thursday, 14th December. Mrs. Elphick and Mrs. Geoffrey Toyn were the Honorary Secretaries and Mr. Guy Marchant the Honorary Treasurer, and they, together with a committee of ladies and gentlemen prominent in the golfing world, are to be congratulated on the success which attended the Ball, a sum of over £300 being realised after the payment of all expenses. As a result of the efforts of the Golf Ball Committee in this and previous years, a sum of approximately £2,300 has been received for the Fund for the building of the new Nurses' Home.

On Sunday, 23rd October, with the kind permission of the British Broadcasting Corporation—granted chiefly in recognition of the assistance the Hospital was able to afford to the late Mr. J. G. Suddart during the last days of his fatal illness—Sir Walford Davies broadcast an appeal on behalf of St. Mary's Hospital as the "Week's Good Cause." The excellent appeal which Sir Walford Davies made on that occasion evoked a most generous response, and the gifts received from all parts of the Empire amounted to some £350.

Valuable help has also been received during the year from Lady Handover (the Mayoress of Paddington) who, with the kind assistance of a Ladies' Committee, organised an Ice Carnival at the Queen's Ice-Skating Club on the 15th February, and also a Matinée at the Metropolitan Theatre on the 17th October. These events were made possible by the

Most valuable help has been afforded by various events held during the year in aid of the Extension Appeal Fund. The Annual Golf Ball (now firmly organised under the able Chairmanship of Mr. G. D. Hannay) has become an outstanding social event, and was held at Grosvenor House on Thursday, 14th December. Mrs. Elphick and Mrs. Geoffrey Toye were the Honorary Secretaries and Mr. Guy Harben the Honorary Treasurer, and they, together with a committee of ladies and gentlemen prominent in the golfing world, are to be congratulated on the success which attended the Ball, a sum of over £900 being received after the payment of all expenses. As a result of the efforts of the Golf Ball Committee in this and previous years, a sum of approximately £2,250 has been received for the Fund for the building of the new Nurses' Home.

On Sunday, 22nd October, with the kind permission of the British Broadcasting Corporation—granted chiefly in recognition of the assistance the Hospital was able to afford to the late Mr. J. C. Stobart during the last days of his fatal illness—Sir Walford Davies broadcast an appeal on behalf of St. Mary's Hospital as the "Week's Good Cause." The excellent appeal which Sir Walford Davies made on that occasion evoked a most generous response, and the gifts received from all parts of the Empire amounted to some £850.

Valuable help has also been received during the year from Lady Handover (the Mayoress of Paddington) who, with the kind assistance of a Ladies' Committee, organised an Ice Carnival at the Queen's Ice Skating Club on the 15th February, and also a *Matinée* at the Metropolitan Theatre on the 17th October. These events were made possible by the

generosity of Mr. A. O. Edwards and Mr. Walter Payne, who for a number of years past have placed the Queen's Ice Skating Club and the Metropolitan Theatre, respectively, at the disposal of the Hospital. It is a great pleasure to record the assistance which is so freely given on these occasions by Mr. G. Hales, the Manager of the Queen's Ice Skating Club, Mr. W. W. Matthew, the Manager of the Metropolitan Theatre, and by the artistes whose efforts so greatly contributed to the success of these functions by which the Extension Appeal Fund benefited to the extent of over £400 during the year.

A welcome is extended to Sir Landon Ronald, F.R.A.M., who has kindly consented to serve as a member of the Appeal Committee.

#### **Lewis Carroll Memorial Ward for Children.**

Considerable difficulty has been experienced in finding a suitable site for the Lewis Carroll Memorial Ward. It will be remembered that as a result of an appeal signed by the Prime Minister, the Rt. Hon. Stanley Baldwin, Sir James Barrie, Mrs. Hargreaves (the original "Alice") and others, it was decided to establish a memorial ward for children in the Hospital on the occasion of the Centenary of the birth of Lewis Carroll to be supported by those who treasure his writings. The Committee were most anxious that the children in this ward should have the benefit of all possible fresh air and sunlight, but it was found that the cost of the erection of a suitable balcony, other than on the ground floor of the Hospital, would be prohibitive. Long and careful consideration has been given to the problem, which has involved a great number of readjustments in the Hospital, and the Lewis Carroll Memorial Fund Committee hope to be in a position shortly to report that arrangements have been made which will lead to the adaptation of Lewis Loyd Ward as the Children's Ward of the Hospital. This ward is situated on the ground floor, and affords the ready possibility of the construction of a balcony and garden at a reasonable expenditure. Thus the Lewis Carroll Memorial Fund Committee will be enabled to establish in part the ideal ward for children

which they had in mind when the original proposals were first launched.

At present some £1,000 is available for the actual equipment, decoration and endowment of the ward. In addition, Sir Henry Percy Harris, K.B.E., D.L., J.P., has generously undertaken to endow a cot in the ward, as soon as it is completed, in memory of his wife, Lady Harris, whose work and interest in the welfare of St. Mary's will ever be gratefully remembered. The Paragonist Philanthropic Society have also been so kind as to accept financial responsibility for the endowment, with the gracious patronage of H.R.H. the Duchess of York, of a "Princess Margaret Room" Cot in the Lewis Carroll Memorial Ward. The Society have also most generously undertaken a further gift of £100 for a panel of tiles for the ward.

More than 13,000 members have joined the Wonderland League, and it is reasonable to anticipate that once the ward is established further gifts will be received from lovers of "Alice" all over the world, who feel that there could be no better way of perpetuating the memory of Lewis Carroll, who was such a dear friend of children, than by the association of his name with the relief of their sufferings.

The Committee again record their appreciation of all the help which has been given to them in connection with the Lewis Carroll Memorial Appeal by Professor H. J. Colquhoun, who is a nephew of Lewis Carroll.

Joseph Chamberlain, Sir James Barris, Mrs. Hargreaves (the original "Alice") and others, it was decided to establish a memorial ward for children in the Hospital on the occasion of the Centenary of the birth of Lewis Carroll to be supported by those who treasure his writings. The Committee were most anxious that the children in this ward should have the benefit of all possible fresh air and sunlight, but it was found that the cost of the erection of a suitable building, other than in the ground floor of the Hospital, would be prohibitive. Long and careful consideration has been given to the problem, which has involved a great number of readjustments in the Hospital, and the Lewis Carroll Memorial Fund Committee hope to see in a position shortly to report that arrangements have been made which will lead to the admission of Lewis Carroll Ward as the permanent home for the children of the Hospital. It is estimated that the cost of the erection of a building and garden of a reasonable expenditure, thus the Lewis Carroll Memorial Fund Committee will be enabled to establish in part the ideal ward for children.

which they had in mind when the original proposals were first launched.

At present some £3,000 is available for the actual equipment, decoration and endowment of the ward. In addition, Sir Henry Percy Harris, K.B.E., D.L., J.P., has generously undertaken to endow a cot in the ward, as soon as it is completed, in memory of his wife, Lady Harris, whose work and interest in the welfare of St. Mary's will ever be gratefully remembered. The Paramount Philanthropic Society have also been so kind as to accept financial responsibility for the endowment, with the gracious permission of H.R.H. the Duchess of York, of a "Princess Margaret Rose" Cot in the Lewis Carroll Memorial Ward. The Society have also most generously undertaken a further gift of £100 for one panel of tiles for the ward.

More than 13,000 members have joined the Wonderland League, and it is reasonable to anticipate that once the ward is established further gifts will be received from lovers of "Alice" all over the world, who feel that there could be no better way of perpetuating the memory of Lewis Carroll, who was such a dear friend of children, than by the association of his name with the relief of their sufferings.

The Committee again record their appreciation of all the help which has been given to them in connection with the Lewis Carroll Memorial Appeal by Professor B. J. Collingwood, who is a nephew of Lewis Carroll.

#### STATISTICS AND WORK RELATING TO PATIENTS.

<b>(b) Out-Patients' Department.</b>	1932	1933
Total number of new out-patients ...	41,544	45,862
Total number of attendances ...	138,463	159,187

The considerable increase which has taken place in the number of new out-patients and the number of their attendances is due principally to the establishment, in conjunction with the London County Council, of an all-day Venereal Diseases Clinic at the Hospital. The attendances at that Clinic now number well over 1,000 a week.

The Board of Management welcome the successful passage through Parliament of the Road and Rail Traffic Act (1933), Section 33 of which amends and amplifies the clause in the Act of 1930 relating to payments to Hospitals in respect of road accident cases. The chief effects of the new clause, which comes into operation as from the 1st January, 1934, are :—

- (1) An increase in the maximum amount recoverable from the Insurance Company from £25 to £50 for the maintenance of an in-patient ;
- (2) A payment up to a maximum of £5 in respect of the cost of treatment of an out-patient ;
- (3) The removal of the difficulties arising out of payments which may have been received direct from patients or on their behalf from Contributory Schemes, which formerly precluded any claim being made under Section 36 of the Road Traffic Act (1930).

It is clear that these amendments are all to the advantage of hospitals, and thanks are due to the British Hospitals Association and King Edward's Hospital Fund for London for the combined successful efforts they made to ensure these modifications in the Act of 1930. It is, however, well realised that there still remains a great deal to be done before hospitals receive anything like their proper due in respect of their increased liabilities arising out of the large and growing number of street accidents.

The improvement which appears to have taken place in the economic situation of the country is reflected in the increased amount received from patients' contributions. It has always been the policy of the Board of Management, in this connection, to avoid as far as possible financial hardship being imposed on any patient by reason of a stay in hospital, and admission is entirely free to persons who, after enquiry, are found to be too poor to make any contribution.

It is gratifying to record that the accounts show an excess of income over expenditure for the year of £1,002. This result is due in the main to the receipt of a sum of £12,000 on account of a legacy bequeathed under the will of the late Mr. J. S. Ledbrook. Legacies are of necessity a fluctuating and uncertain source of income, and the Board deeply regret the fall which has taken place in the total of annual sub-

Out-Patients' Department	1932	1933

Total number of attendances	135,465	155,187

The considerable increase which has taken place in the number of new out-patients and the number of their attendances is due primarily to the establishment, in conjunction with the London County Council, of an all-day Venereal Diseases Clinic at the Hospital. The attendances at this Clinic now number well over 1,000 a week.

The United Kingdom Government has passed the necessary measure through Parliament of the Road and Rail Traffic Act (1933), Section 35 of which contains and amends the clause in the Act of 1930 relating to payments to hospitals in respect of road accidents, and other cases, of the new clause, which came into operation on 1st January, 1934, are—

- (1) An increase in the maximum amount recoverable from the Insurers' Company from £25 to £50 for the maintenance of an in-patient;
- (2) A payment up to a maximum of £5 in respect of the cost of treatment of an out-patient;
- (3) For removal of the difficulties arising out of payments which may have been received direct from patients or on their behalf from Contributory Schemes which formerly precluded any claim being made under Section 35 of the Road Traffic Act (1930).

It is clear that these amendments are all to the advantage of hospitals, and thanks are due to the British Hospitals Association and King Edward's Hospital Fund for London for the excellent and untiring efforts they made to secure these amendments in the Act of 1933. It is, however, well realised that there still remains a great deal to be done by our hospitals to receive anything like their proper share in respect of their increased liabilities arising out of the large and growing number of road accidents.

The improvement which appears to have taken place in the economic situation of the country is reflected in the increased amount received from patients' contributions. It has always been the policy of the Board of Management, in this connection, to avoid as far as possible financial hardship being imposed on any patient by reason of a stay in hospital, and admission is entirely free to persons who, after enquiry, are found to be too poor to make any contribution.

This result is due in the main to the receipt of a sum of £12,000 on account of a legacy bequeathed under the will of the late Mr. J. S. Ledbrook. Legacies are of necessity a fluctuating and uncertain source of income, and the Board deeply regret the fall which has taken place in the total of annual sub-

scriptions, *i.e.*, from £4,708 in 1932, to £4,450 in 1933. Annual subscriptions must always be regarded as one of the most important, if not the most important, factor in the Hospital's ordinary income, and it is earnestly hoped that with an improving economic situation the reduction in annual subscriptions, which, in certain cases, has been inevitable and made by subscribers with great reluctance, will eventually be made good again.

In this connection, it may not be out of place again to remind subscribers that without any extra expense whatever to themselves, they can increase substantially the amount of their subscriptions to the Hospital by completing a form of agreement to contribute for seven years, or during life, whichever shall be the shorter period. By this means the amount of each year's subscription can be deducted by the subscriber from the gross amount of his income-tax return. Full particulars will gladly be forwarded upon application to the House Governor of the Hospital.

The year has been unusual in that no bed or cot has been endowed in the Hospital. It is of interest, however, to record that the subscriptions received from the Old Patients' Association are rapidly approaching the total of £3,000, thus completing the endowment of two beds and two cots which the Association was formed to undertake. The Board feel that no more striking tribute could be paid to the work of the Institution than that old patients should, year after year, continue to show their appreciation—chiefly in small gifts owing to their financial circumstances—for the care and attention given to them during their stay in Hospital.

Mrs. Frank Hill again undertook the organisation of a most successful and delightful Ball on the 27th April at the Wharfedale Rooms (kindly placed at the disposal of the Hospital, free of charge, by the Management of the Hotel Great Central), and her efforts resulted in a sum of over £150 being received.

In spite of the somewhat inclement weather on the 10th May, a sum of £756 was obtained after the payment of all expenses.

A Charity Greyhound Race Meeting was held at Wembley Stadium, by the kind permission of Mr. A. J. Elvin, the Managing Director, and his colleagues, on the 23rd September, in aid of St. Mary's and the local Hospital, and St. Mary's benefited to the extent of £309. A similar Charity Pony Race Meeting, held at Northolt Park on Monday, 17th July, produced a sum of £120 for the Hospital. In connection with this latter event, the Board are much indebted to Mr. E. H. Corbett, Mr. P. K. W. Greggains, and Miss Jayne for all the help they gave to make the meeting a success.

The annual financial assistance given by the Central Funds, as set out below, is gratefully recorded :—

It is a great pleasure to the Board publicly to acknowledge all the help which has been received for a great number of years past from Mr. J. D. Marsden, a Vice-President of the Hospital. During this year he has provided again, at a purely nominal cost, the major portion of the bacon and ham consumed in the Hospital.

Valuable help has been given in stabilising the finances of the Hospital by Contributory Schemes in force in London, *i.e.*, the Hospital Saving Association and the Hospital Saturday Fund. Grants for the current year in respect of the treatment of their members have been £7,508 and £1,676, respectively. It is felt that London hospitals are being most unfairly penalised by certain local provincial contributory schemes, who refuse to make any contribution towards the cost of the maintenance of any of their patients who may be admitted to hospitals outside their particular area. This involves a real hardship to the large teaching hospitals of London, especially St. Mary's, which, owing to its situation adjoining a great railway terminus, naturally receives from the provinces a large number of obscure and difficult cases whose treatment can only be undertaken at a great London

Hospital. The Board of Management are glad to know that there is a growing tendency on the part of the management of these contributory schemes to realise their responsibilities in respect of such patients, and note with appreciation the attitude which the Oxford Contributory Scheme (Radcliffe Infirmary) have always taken in the matter, and the grants which they have been good enough to make to this Hospital when members of their scheme have received treatment here.

### Expenditure.

The expenditure for the current year is the highest recorded in the history of the Hospital, a position only to be expected in view of the increase which has taken place in the number of beds available, and the establishment, in conjunction with the London County Council, of a large and important all-day clinic for cases of venereal diseases. The cost per in-patient per week was £3 9s. 7d., and the cost per out-patient per attendance was 2s. 3 1/2d., as compared with £3 10s. 0d. and 2s. 5 1/2d. in 1932.

The following table shows the expenditure under the various heads for the year under review, as compared with 1932:—

	1932	1933

It is a great pleasure to the Board to report once again that the position of St. Mary's in the matter of economy, as shown by the Statistical Returns of King Edward's Hospital Board for London, continues to be very satisfactory. The

A Charity Entertainment Dinner Meeting was held at Wembley Stadium by the kind cooperation of Mr. A. J. Blain, the Managing Director, and Mrs. Blain, on the 23rd September, to give the Hospital and the Local Hospital, and St. Mary's Hospital, the amount of £100. A similar Charity Dinner was arranged to be held at Wembley Park on Monday, 17th July, to give the Hospital £100. In connection with the latter event, the Board are much indebted to Mr. F. H. Carter, Mr. P. K. W. Cambridge and Miss Jayne for all the help they gave to make the evening a success.

The annual financial statement given by the Central Fund, as set out below, is as follows:

	£	s.	d.
St. Edward's Hospital Fund for London	7,500	0	0
Hospital Saturday Fund	1,500	0	0
Alexandra Day Committee	100	0	0

It is a great pleasure to the Board to acknowledge all the help which has been received for a great number of years past from Mr. J. H. Marston, a Vice-President of the Hospital. During this year he has provided again, at a heavy personal cost, the major portion of the fuel and gas consumed in the Hospital.

Valuable help has been given in watching the success of the Hospital by Contributory Societies in force in London, i.e., the Hospital Saving Association and the Hospital Saturday Fund. Grants for the current year in respect of the treatment of their members have been £7,528 and £1,676, respectively. It is felt that London hospitals are being most unfairly penalised by certain local provincial contributory schemes, who refuse to make any contribution towards the cost of the maintenance of any of their patients who may be admitted to hospitals outside their particular area. It is a great pleasure to the Board to report once again that the position of St. Mary's in the matter of economy, as shown by the Statistical Returns of King Edward's Hospital Fund for London, continues to be very satisfactory. The

last published Returns of the Fund show the average statistical cost per occupied bed in the teaching hospitals of London to be £199·7 and that of St. Mary's to be £164·9. Constant and unremitting vigilance has been exercised throughout the year, both by the Board of Management and the House and Finance Committee, to ensure that the expenditure of the Hospital may be reduced to the minimum compatible with efficiency.

### NURSING STAFF.

Consequent upon her appointment as Principal Matron to the London County Council, Miss M. G. Milne resigned from her office as Matron of the Hospital, which she had held since April, 1928. Miss Milne rendered most devoted service during her period of office, and the good wishes of the Hospital accompany her in her new post. It is gratifying to note that both the Matron-in-Chief and a Principal Matron to the London County Council are former Matrons of St. Mary's.

Miss M. B. Salton, D.N., the Senior Assistant Matron to the Leeds General Infirmary, was appointed to fill the vacancy caused by Miss Milne's resignation.

The standard of nursing efficiency has been well maintained during the year. Sixty-five candidates, selected from a large number of applicants, entered the Preliminary Training School, whilst 20 fourth-year nurses completed the course of midwifery training and obtained the certificate of the Central Midwives Board. Miss Edith G. A. Preddy gained the Gold Medal awarded by the Board of Management for the most proficient nurse in her final year, whilst Miss A. D. Moyles was awarded the Silver Medal.

Members of the Nursing Staff have much enjoyed the increased recreational facilities afforded to them by the use of the Swimming Bath in the new Medical School for certain hours each week. These facilities have been put to such good use that in the Inter-Hospitals Swimming Competition entrants from St. Mary's reached the final heat in several events, including the Hospital Team Race for the Fripp Cup.

## MEDICAL SCHOOL.

The entry of full-course students for the Academic Year 1932-33 was 67, again showing a steady increase over the previous year when the number was 59. For the Calendar Year 1933, however, 86 new students were enrolled, this being a record number of entries. During the year 1932-33, 296 full-course students worked in the Medical School, and 77 attended for Post-Courses.

During 1933, 28 students obtained the Diplomas of the Conjoint Board, and 16 obtained other Diplomas. Of the higher Diplomas two obtained the M.R.C.P., three the F.R.C.S., and two were elected Fellows of the Royal College of Physicians.

In the University of London four obtained the Degree of M.B., B.S., and two obtained the Degree of M.D., while nine Degrees were obtained at Oxford and Cambridge. It is gratifying to note the increase in the number of Oxford and Cambridge students working in the Medical School and Hospital. A census taken in October last, showed that 69 students from these Universities were included in the number working at that time. A Post-Graduate Course was held at the beginning of the Winter Session, and proved even more successful than in former years. An attendance of more than 200 persons was registered at some of the lectures.

The chief event of the past year was the completion of the new Medical School. The Class Rooms and Theatres of the new School have been in use since last May, and the Restaurant and Students Club were completed in September. The Swimming Bath was opened in June and has proved very popular, and the new system of disinfection by means of ultra-violet rays has attracted much attention from both experts in various parts of the country.

By the efforts of the Students a sum of money has been raised for the building and equipment of a Squash Rackets Court, which has been open for some months, and is very popular as a means of obtaining exercise.

and published Reports of the Hospital show the average statistical cost per inpatient bed in the teaching hospitals of London to be £162 and that of St. Mary's to be £162 4. Considerable and increasing vigilance has been exercised throughout the year both by the Board of Management and the Finance Committee, to ensure that the expenditure of the Hospital may be reduced to the minimum compatible with efficiency.

### NURSING STAFF.

Consequent upon her appointment as Principal Matron to the London County Council, Miss M. G. Milne resigned from her office as Matron of the Hospital, which she had held since April, 1930. Miss Milne rendered most devoted service during her period of office, and the good order of the Hospital accompanied her in her new post. It is gratifying to note that both the Matron and her successor as Principal Matron to the London County Council are former Matrons of St. Mary's.

Miss M. P. Salmon, D.N., the Senior Assistant Matron to the Lying-in General Infirmary, was appointed to fill the vacancy caused by Miss Milne's resignation.

The standard of nursing efficiency has been well maintained during the year. Sixty-five candidates, selected from a large number of applicants, entered the Preliminary Training School, where 20 fourth-year nurses completed the course of midwifery training and obtained the certificate of the Central Midwives Board. Miss Edith G. A. Piddie gained the Gold Medal awarded by the Board of Management for the most proficient nurse in her final year; whilst Miss A. D. Moxley was awarded the silver Medal.

Members of the Nursing Staff have much enjoyed the increased recreational facilities afforded to them by the use of the Swimming Bath in the new Medical School for certain hours each week. These facilities have been put to such good use that in the Inter-Hospital Swimming Competitions, entrants from St. Mary's reached the final heat in several events, including the Hospital Team Race for the Pepp Cup.

By the efforts of the Students and Staff a sum of money has been raised for the building and equipment of a Squash Racquets Court, which has been open for some months, and is very popular as a means of obtaining exercise.

The various athletic clubs showed great activity during the past year. In Rugby Football the senior team lost by one point to the winners of the Inter-Hospital Cup, while the "A" team gained the cup competed for in that division. The Association Football Club reached the Final in the Cup Tie, when they were defeated by St. Thomas's. The Cricket and Hockey Teams also reached the Final Rounds for their respective cups.

The Rifle Club won the Inter-Hospital Challenge Cup at the Bisley meeting, and came out second in the Inter-Hospital Armitage Cup.

When the Department was first instituted, in 1906, chronic tuberculosis, furunculosis, and acne, represented by far the largest proportion of the diseases treated, but vaccine therapy has extended far beyond these limits and now embraces practically all bacterial diseases. The clinics are attended largely by patients suffering from rheumatism, arthritis, recurrent colds, bronchitis, asthma, hay fever and intestinal toxæmia.

In March, 1933, the Department moved into its new buildings on the site adjoining the Hospital. The transfer was hastened as the old laboratories in the Clarence Wing were required for the accommodation of maternity patients. It is of interest to note that some of the laboratories in which very important work was done on puerperal fever have now become maternity wards.

The opening of the new Out-Patient Department in the basement of the new building has greatly improved the accommodation for patients attending the Inoculation Department.

Active research on the many problems connected with bacteriology and vaccine therapy continues to be carried out by Sir Almroth Wright and his colleagues, as is evidenced by the various contributions made to the scientific literature on the subject.

In addition to research work, the Department carries out all the bacteriological work for the Hospital and all the bacteriological teaching for the Medical School. It also prepares vaccines and antigens of many kinds which are distributed throughout the world for the use of medical practitioners. This last activity is a very important one for the Department, in that it furnishes the only source of revenue apart from donations.

Owing to lack of funds it has not been possible to complete the interior of the whole of the new Inoculation Department building. Since the last report a generous gift by an anonymous donor has enabled the lecture theatre to be completed, but the greater portion of the third floor, together with part of the ground and fourth floors, still remains unfinished. With the growth of the activities of the Department it has been found that the laboratories which have been completed do not yet provide sufficient accommodation, and it would be a great help to the Department if the necessary sum of £1,000 could be raised to complete the laboratories on the third floor.

#### THE BOARD OF MANAGEMENT.

The Annual Election of the Board of Management took place as usual at the Quarterly Meeting of Governors in June. The following Ordinary Members, chosen by rotation and being eligible, were re-elected.

The various athletic clubs showed great activity during the past year. In Rugby Football the senior team lost by one point to the winners of the Inter-Hospital Cup, while the "A" team gained the cup competed for in that division. The Association Football Club reached the Final in the Cup 1932, when they were defeated by St. Thomas's. The Cricket and Hockey teams also reached the Final Rounds for their respective cups.

The Rifle Club won the Inter-Hospital Challenge Cup at the Rifle meeting, and came out second in the Inter-Hospital Archery Cup.

#### INOCULATION DEPARTMENT.

The number of out-patients attending the Department still continues to increase, as shown by the following figures:—

Year	Number of out-patients attending
1931	11,503
1932	12,751
1933	13,595

#### **THE BOARD OF MANAGEMENT.**

The Annual Election of the Board of Management took place as usual at the Quarterly Board of Governors in June. The following Ordinary Members, retiring by rotation and being eligible, were re-elected :—

Alderman H. V. Kenyon, M.B.E., J.P., L.C.C.  
 Mr. F. C. Lindo.  
 Rt. Hon. Lord Eustace Percy, M.P.  
 Col. Sir Stuart Sankey, K.B.E., C.V.O.  
 Gen. Sir Hubert de la Poer Gough, G.C.M.G., K.C.B.,  
 K.C.V.O.

The Rev. C. L. Cresswell, M.A., Chaplain of the Royal Chapel of the Savoy, was appointed in January, 1934, to fill a vacancy on the Board of Management.

The following members of the Honorary Medical and Surgical Staff were elected as Medical Members :—

Mr. C. W. Gordon Bryan, M.C.  
 Dr. C. M. Wilson, M.C.  
 Dr. J. Freeman.  
 Dr. A. Hope Gosse.  
 Dr. A. W. Matthew.  
 Dr. G. Harrison Orton.  
 Sir William Willcox, K.C.I.E., C.B., C.M.G.  
 Mr. Leslie Williams.

At the first meeting of the Board, after the Annual Election, Colonel H. E. Verey, D.S.O., was reappointed Chairman, and Mr. G. P. Harben, O.B.E., Deputy-Chairman. At the first meeting of the House and Finance Committee, Mr. R. M. Greenwood, C.B.E., was reappointed Chairman of the Committee.

#### **Appointment of House Governor.**

Sanction having been given by H.M. Privy Council to the necessary modifications in the Charter and Bye-Laws for the constitution of the post of House Governor, the present Secretary was appointed to that post, and Mr. E. W. Stockwell, Chief Clerk, was appointed Secretary to the Hospital. The post of House Governor was created in view of the growth of the work of the Hospital, and also in an endeavour to reduce, as far as possible, the routine duties attaching to the office of the Senior Administrative Officer.

## ALMONKIN'S DEPARTMENT.

A general survey of the work of the Department for 1953 shows a considerable increase in the number of both In-Patients and Out-Patients assisted. This is probably due to the growing appreciation of the ways in which the Almoner may be of assistance to the Medical Staff.

## In-Patients.

Six hundred and eighty-four patients have received special assistance. Of this number 184 have been provided with various kinds of instruments, and 496 have been sent to Convalescent and other Institutions, mainly through the good offices of the Trustees of the Dresden Assistance Fund. The following figures show the number sent to the various types of Homes —

Parkwood Convalescent Home	134
Metropolitan Convalescent Homes	120
Other Convalescent Homes	105
Institutions providing long convalescence with treatment	71
Homes for Advanced Cases	16

The Invalid Kitchen, which was opened in Paddington in November has already served a great number of patients who require special diet. Further work will be made in the future of the kitchen, especially in the

## Out-Patients.

In 1953, 1,200 out-patients were assisted in various ways, as compared with 750 in 1952. A large number of these cases were in the form of special diet as recommended by the Medical Staff with special attention to the provision of a specific kind, e.g., control of sugar, special diets, extra nourishment or special diets. On the other hand, quite a number of cases were referred by charitable societies or public bodies, concerned in the national and needing the co-operation of the Almoner in the task of restoring

The Invalid Kitchen which was opened in Paddington in November has already proved of great value to patients who require special diet, and no doubt fuller use will be made in the future of the facilities afforded there.

#### Out-Patients.

In 1933, 1,672 patients were assisted in various directions, as compared with 1,430 in 1932. A great number of these cases were, in the first instance, referred to the Almoners by the Medical Staff with recommendations for assistance of a specific kind, *e.g.*, convalescence, instruments, special diets, extra nourishment or sanatorium treatment. On the other hand, quite a number of cases were referred by charitable societies or public bodies interested in the patient and needing the co-operation of the Hospital in the task of restoring

the patient to health again. A considerable amount of the work originated in the routine interviews which the Almoner has with every patient and in which so often the need for some special kind of assistance becomes obvious. Of the patients assisted, 715 required instruments of various kinds, for which in each case the necessary money has been raised from appropriate contributory sources, making possible a total expenditure of £972 on essential appliances which would otherwise have had to be supplied at the expense of the Hospital.

An increasing amount of the work of the Department consists in arranging special hospital or sanatorium treatment for patients. Arrangements have been made for 194 patients with most encouraging results. A special donation made by a friend of the Hospital, made possible the convalescence of a little girl who was suffering from Blepharitis. The child needed care, good food and healthy surroundings, for the home was impoverished as a result of prolonged unemployment. An encouraging report received at the end of one month's convalescence urged further stay, and this was financed with the remainder of the donation. When a third month's stay was advised the Matron of the Home arranged to keep the child free of charge in order that the patient might not miss the chance of permanent cure. This generosity was amply justified by the child's convalescence. Her general health was so improved that her mother declared that she could hardly recognise the child as a daughter in view of the great improvement which had taken place.

The opening of the Borough Maternity Wards has led to a considerable increase in the work of the Maternity Department of the Hospital. Seven hundred and thirteen patients were booked for their confinements in the wards and on the District during 1933, as compared with a total of 542 during the previous year. The Paddington Borough Council have undertaken financial responsibility for the appointment of a part-time Almoner for work in connection with their new Maternity Wards.

THE LADIES' ASSOCIATION.

During the year 1933 £a. 6d. was contributed and spent on the replenishment of blankets, mattress covers, sheets and towels for use in the Hospital, and in addition £165 £s. was spent on blankets, linen, &c., for the equipment of the new Maternity Wards.

The Annual General Meeting was held on March 14th, 1933, in the Out-Patient Department. Mrs. Currie was in the Chair, and Dr. James gave a most interesting lecture on "Psychology - Clothes and Fashion."

Mrs. Cape and Mrs. Bourne were in charge of the arrangements for raising funds on Found Day. £201 was obtained in cash and 6000 worth of goods received, being contributions being received from shops in the neighbourhood.

Members of the Association gave help on the Hospital Flag Day and took charge of a Party on "Alexandra Day." On the occasion of the opening of the Medical School by H.M. the King on 12th July, 1933, the Queen members of the Ladies' Association arranged and provided a buffet luncheon, which was enjoyed by the members of the Hospital. The luncheon was given by the Ladies' Association. These parties are held on alternate Thursdays during the winter at members' homes, and by 1933 many more parties are made.

The Executive Committee of the Ladies' Association appeal very earnestly to all members of the Hospital to support them in their work by joining the Association as members or as Vice-Presidents. Vice-Presidents undertake to subscribe not less than £10.00 yearly in addition to enrolling at least four members, including their subscriptions and giving them cuts of goods or making good received from the Hospital. Members undertake to subscribe to the Association and make two or three requests to be obtained from their Branch Presidents or Vice-Presidents.

the patient to health again. A considerable amount of the work attended in the routine hospital work the Almoner has with every patient and in which so often the need for some special kind of assistance becomes obvious. Of the patients treated, the required instruments of various kinds, the usual in each case the necessary money has been raised from appropriate contributory sources making possible a great expenditure of funds on essential appliances which would otherwise have had to be supplied at the expense of the Hospital.

An increasing amount of the work of the Department consists in arranging special hospital or sanatorium treatment for patients. Arrangements have been made for 191 patients with most encouraging results. A special donation made by a friend of the Hospital, made possible the convalescence of a little girl who was suffering from Stepanilla. The child needed care, good food and healthy surroundings, for the home was impoverished as a result of prolonged unemployment. An encouraging report received at the end of one month's convalescence urged further stay, and this was insisted with the permission of the donation. When a third month's stay was advised the Matron of the Home arranged to keep the child free of charge in order that the patient might not miss the chance of permanent cure. This generosity was amply justified by the child's convalescence. Her general health was so improved that her mother declared that she could hardly recognize the child as a daughter in view of the great improvement which had taken place.

The opening of the Borough Maternity Wards has led to a considerable increase in the work of the Maternity Department of the Hospital. Some hundred and thirteen patients were booked for their confinements in the wards and in the District during 1905, as compared with a total of 247 during the previous year. The Duttonborough Borough Council have undertaken further responsibility for the appointment of a part-time Almoner for work in connection with their new Maternity Wards.

### THE LADIES' ASSOCIATION.

During the year £455 9s. 6d. was contributed and spent on the replenishment of blankets, mattress covers, sheets and towels for use in the Hospital, and in addition £169 5s. was spent on blankets, linen, &c., for the equipment of the new Maternity Wards.

The Annual General Meeting was held on March 15th, 1933, in the Out-Patient Department. Mrs. Currie was in the Chair, and Dr. James gave a most interesting lecture on "Psychology—Clothes and Fashion."

Mrs. Cope and Mrs. Bourne were in charge of the arrangements for receiving goods on Pound Day. £261 was obtained in cash and over four tons of goods in kind, large contributions being received from schools in the neighbourhood.

Members of the Association gave help on the Hospital Flag Day and took charge of a depôt on "Alexandra Day." On the occasion of the opening of the Medical School by H.M. the King, accompanied by H.M. the Queen, members of the Ladies' Association arranged and provided a buffet luncheon, which contributed to the success of the occasion. The luncheon was organised by Mrs. Currie. Work parties are held on alternate Tuesday afternoons during the winter at members' houses, and by this means many garments are made.

The Executive Committee of the Ladies' Association appeal very earnestly to all ladies interested in the Hospital to support them in their work by joining the Association as members or as Vice-Presidents. Vice-Presidents undertake to subscribe not less than 10s. 6d. yearly in addition to enrolling at least four members, collecting their subscriptions and giving them cut-out garments or knitting-wool obtained from the Hospital. Members undertake to subscribe to the Association and make two or more garments, to be obtained from their Branch President or Vice-President.

Mrs. Maynard-Smith and Mrs. Cope, the Honorary Work Secretaries, are at the Hospital every Wednesday morning from 11 to 12 during the months of October to March. Mrs. Askew, Honorary Secretary, 54, Ladbroke Grove, London, W., will gladly give any information respecting the work of the Association.

#### **CHAPLAIN'S REPORT.**

The ministrations of the Chaplains during the past year have been faithfully carried out, and the services in the Chapel well attended by the staff and such patients as were able to be present. Assistance in the services has been given on various occasions by the Rev. C. L. Cresswell, and the Rural Dean of Paddington was the preacher for the Harvest Festival Service. Mr. Slade, of the London City Mission, has continued his work of visiting twice a week and helping generally with the Ward services on Sunday evenings. The services of the two choirs, who kindly visit the wards in turn on alternate Sundays, have been greatly appreciated by the patients.

The offerings have enabled the necessary expenses of the chapel services to be paid, and also contributions to be sent to the hospital at Quetta, the London City Mission, the Fund for Retired Nurses, and to St. Mary's Hospital.

Grateful thanks are recorded to those who, throughout the year, have been responsible for the arrangement of the flowers in the Chapel and for the general preparations for the Services held there.

#### **THANKS TO THE HONORARY MEDICAL AND SURGICAL STAFF.**

The Board conclude their Report with an expression of their sincere thanks to the members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients and for their valuable services to the Hospital throughout the year.

Signed on behalf of the Board of Management,

HENRY E. VEREY,

We have examined the above Balance Sheet and the foregoing Income and Expenditure Accounts, and having compared them with the books and records of the Hospital, we find them to be in accordance therewith. We have verified the Investments and Bank Balances. To the best of our knowledge and belief the Regulations of the Revised Uniform System of Hospital Accounts as adopted by the Central Funds have been followed in the preparation of the Accounts.

## LEGACIES.

St. Mary's Hospital is empowered by its Royal Charter of Incorporation to hold Real Estate, and it is requested that any devise or bequest may be made to the "President and Governors of St. Mary's Hospital, Paddington," this being the title under which the Hospital is Incorporated.

### FORMS OF DEVISE OR BEQUEST

#### A. Form of devise, by Will, of real estate.

I give and devise to the President and Governors of St. Mary's Hospital all that, &c. (describing the real property) for the use of the said Hospital.

#### B. Form of bequest of money, &c.

I give and bequeath to the Treasurer or Treasurers for the time being of a Corporation called the President and Governors of St. Mary's Hospital, Paddington, the sum of\* ..... to be applied in and towards carrying on the charitable objects of that Institution. I direct that the said sum be paid free of Legacy Duty, and that the receipt of the Treasurer or Treasurers for the time being of the said Corporation shall be a sufficient discharge to my Executors for the payment of the same; and I further direct that the Executors for the said sum and the Legacy Duty thereon respectively shall be paid exclusively out of such part of my personal estate as may be legally bequeathed for charitable purposes, and in priority to all other payments thereof.

\* The sum to be expressed in words at length.

## DRESDEN ASSISTANCE FUND

FOR ASSISTING NEEDY AND DESERVING PATIENTS ON  
THEIR DISCHARGE FROM THE HOSPITAL.

## TRUSTEES.

T. CLARENCE E. GOFF, Esq., L.C.C.

R. M. GREENWOOD, Esq., C.B.E.

DR. WILFRED HARRIS.

V. WARREN LOW, Esq., C.B.

H. A. PITMAN, Esq.

## TWENTY-NINTH ANNUAL REPORT.

The Dresden Trustees have the honour to present their report for the twelve months ending 30th September, 1933, together with the accounts for the same period.

The objects to which the Trustees have continued to devote the funds at their disposal, and the number of Patients benefited under each head, are :—

1.	Patients sent to Convalescent Homes (including 119 sent to Parkwood) ... ..	307
2.	„ given pecuniary assistance on discharge	2
3.	„ assisted with clothing on discharge ...	1
4.	„ provided with Surgical and Optical appliances on discharge ... ..	103
5.	„ assisted with fares to and from Con- valescent Homes ... ..	250
6.	„ assisted with fares to their own homes on discharge from the Hospital ...	90

Great care has been taken to ascertain that Patients are really needy and deserving before assisting them, particularly in Class 2. Thorough enquiry into their means and deserts has been made in every case.

During the year the Trustees of the Hospital Convalescent Home Parkwood, Swanley, Kent, have placed 13 beds at the disposal of the Hospital. The Trustees of the Dresden Fund, as a result, have been enabled to send 119 Patients to this Home for a period of 19 days or more, and the Trustees gladly take this opportunity to record their grateful thanks to the authorities of the Hospital Convalescent Home for the great benefit which the use of these 13 beds has enabled the Trustees to confer on so many Patients of the Hospital.

Signed on behalf of the Trustees,

21st November, 1933.

H. A. PITMAN.

TWENTY-NINTH ANNUAL REPORT.

The Drenden Trustees have the honour to present their report for the twelve months ending 30th September, 1933, together with the accounts for the same period.

The objects to which the Trustees have continued to devote the funds at their disposal, and the number of Patients benefited under each head, are—

1.	Patients sent to Convalescent Homes (including 119 sent to Parkwood) ...	301
2.	given pecuniary assistance on discharge	2
3.	assisted with clothing on discharge	1
4.	provided with Surgical and Optical appliances on discharge	163
5.	assisted with fares to and from Convalescent Homes ...	259
6.	assisted with fares to their own homes on discharge from the Hospital ...	90

Great care has been taken to ascertain that Patients are really needy and deserving before assisting them, particularly in Class 2. Thorough enquiry into their means and deserts has been made in every case.

During the year the Trustees of the Hospital Convalescent Home Parkwood, Swanley, Kent, have placed 12 beds at the disposal of the Hospital. The Trustees of the Drenden Fund, as a result, have been enabled to send 119 Patients to the Home for a period of 19 days or more, and the Trustees gladly take this opportunity to record their grateful thanks to the authorities of the Hospital Convalescent Home for the great benefit which the use of these 12 beds has enabled the trustees to confer on so many Patients of the Hospital.

Signed on behalf of the Trustees,

10th November, 1933.

H. A. PITMAN.
