THE FIFTY-THIRD
ANNUAL REPORT
OF THE GENERAL COMMITTEE OF THE
Stockton and Thornaby Hospital.

On behalf of the General Committee, I have much pleasure in submitting the Annual Report for the year ended June 30th, 1929.

WORK ACCOMPLISHED DURING THE YEAR.

The work of the Hospital during the period covered by the Report again shows an increase, the number of In-patients treated being 3118 against 2867 during the year 1927-28, and the number of Out-patients and Casualties treated being 12,857 against 12,674. The work in the X-Ray, Sunlight, Electrical and Massage Departments also shows an increase, such Departments being used very extensively both for In-patients and Out-patients.

FINANCES.

The Income for the year was £17,078 2s. 0d., an increase on the previous year of £2,735 11s. 11d., and the maintenance and other expenditure for the year amounted to £14,876 11s. 0d., thus showing an excess of income over expenditure of £2,201 11s. 0d. It will be remembered, however, that it was intimated in the last Annual Report that there would be considerable additional expense incurred for cleaning and decorating. When the Extensions were completed it was thought advisable to defer the decorating of the new Wards and Departments in order to allow the plaster to thoroughly dry. This work, along with a certain amount of cleaning and re-decoration of the old portions of the Hospital, is now in progress, and it will be observed that a sum of £1,375 0s. 0d. has been included in the financial statement on account of the cost thereof.

Your Committee has had under consideration and has decided to carry out certain alterations and additions to the Hot Water Installation in order to bring this thoroughly up-to-date and to provide an efficient standby. A certain amount of additional expenditure will, therefore, be incurred during the ensuing year in this respect.

It is most gratifying to report that during the year two more beds have been endowed, one by Miss Frances E. Kirk in memory of her brother Thomas Lascelles Kirk, and the other by the late Thomas Kirk in memory of his father Thomas Kirk.

It will be noticed that the Accounts this year appear in a rather different form. This is due to the fact that, at the beginning of this financial year, it was thought advisable to adopt the Uniform System of Accounts now in use at most of the large Hospitals in London and the provinces.

RESIGNATIONS AND APPOINTMENTS.

It is with deep regret that your Committee has to report that Dr. G. Victor Miller, after serving the Hospital faithfully and well over a long period of years, has resigned from the post of Honorary Ophthalmic Surgeon. Dr. J. P. Higham, of Middlesbrough and Stockton, has been appointed to fill the vacancy caused by such resignation.

Mr. Robert Thompson, one of the Honorary Auditors, having been elected to the General Committee, the Governors, at a Special Meeting held on June 11th, 1929, elected Mr. Richard Beckwith, of the Midland Bank, Ltd., Thornaby-on-Tees, as Honorary Auditor.

OBITUARY.

The Committee records with deep regret the death of Mr. J. G. Hunton, one of the oldest members of the Committee, and one who took a great interest in the welfare of the Hospital, also of Mr. W. F. Wood, the recently appointed representative of Messrs. Head, Wrightson & Co.'s Forge Works.

MOTOR ACCIDENTS.

The question of the cost of the treatment in Hospitals of motor accidents is still attracting a large amount of attention throughout the Country, but, so far, no satisfactory solution of the problem has been reached.

During the year under review, the number of such accidents treated at this Hospital was 70, for 50% of which cases ordinary In-patient recommendations were received. There was also received the sum of £50 18s. 6d. as appreciation for services rendered. Many of these cases are, of course, from without our own area. It is hoped that during the ensuing year some scheme may be evolved that will adequately compensate Hospital authorities for the treatment of cases of this nature.

LINEN GUILD.

The Linen Guild has again rendered valuable service to the Hospital by providing 1407 articles for the use of the patients and by raising the sum of £353 9s. 10d. Out of this amount the members have very kindly replaced the old bedsteads in the Richardson and Whitwell Wards with 36 bedsteads similar to those in use in the new Wards. In addition, they have provided two Swing Cots, three Wheel Couches and a Sewing Machine. It will be seen, therefore, how much we are indebted to the President (Miss Whitwell, J.P.), the Honorary Secretary (Miss Anderson), and the members of the Linen Guild, and, on your behalf, I would extend to them our sincere appreciation of their untiring and splendid service in this branch of the work of the Hospital.

TINFOIL.

The thanks of the Committee are due to the Tinfoil Collection Committee and their workers, who, by their continued efforts, have raised the sum of £64 2s. 3d. during the year, bringing the total amount realised from this source up to £95 4s. 1d.

LIBRARY FOR PATIENTS.

The best thanks of the Committee are due to the members of the Local Branch of T. O. C. H., who, during the year, have provided a Library for the use of the patients, and have, in addition, attended to the distribution of the books.

NURSING STAFF.

The successful results achieved in the Examinations by the Nurses trained at the Hospital are very gratifying, and the thanks of the Committee are due to the Matron and Sister Tutor, and to the members of the Honorary Staff for the lectures which they have very kindly given to the Nurses during the year.

APPRECIATIONS.

Your Committee desire to take this opportunity of expressing their deep appreciation of the valuable services rendered to the Hospital during the past year by the members of the Honorary Medical and Surgical Staff, the Ladies' Visiting Committee, the Honorary Treasurer, the Honorary Solicitor and the Honorary Auditors.

The sincere thanks of the Committee for the financial assistance received during the year are also extended to all Subscribers, Firms and Employees, also to the Ministers and Clergy and to all who have assisted in any way with the promotion of entertainments in the interests of the Hospital.

APPOINTMENT OF SECRETARY.

On the retirement of Mr. W. H. Daniels, who has taken up a similar appointment at Birkenhead, the Committee appointed Mr. J. Wilkinson as Secretary.

LEONARD ROPNER,

Chairman of the General Committee.

Form of Legacy.

Persons who may be disposed to contribute to the Stockton and Thornaby Hospital by Will, are requested to adopt the following Form of Bequest:—

I bequeath to the Stockton and Thornaby Hospital the sum of £ _____, free from Legacy and all other Duties, and I direct that the said Legacy shall be paid to the Treasurer for the time being of the said Institution, whose receipt shall be a sufficient discharge for the same. And I direct that the aforesaid Legacy to the said Institution shall be paid exclusively out of such part of my Estate as may be lawfully given by Will for charitable purposes, and in preference to all other payments thereout.

N.B.—By Statute XII any person bequeathing One Hundred Guineas or upwards may, by his or her Will or Codicil, nominate a Governor for life.

Endowments of Beds and Cots.

One of the highest forms of benefit conferable upon the Hospital is the Endowment of a Bed or Cot.

The Committee will be pleased to give particulars to any friends of the Institution of the benefactions which confer the privilege of Endowment.
