VICTORIA HOSPITAL FOR SICK CHILDREN, HULL
(INCORPORATED)

SEVENTY FIRST
ANNUAL REPORT

for the year ended 31st December, 1943

THE Annual General Meeting of the Hospital was held on the 19th May, 1943, the Chair being taken by the President. The Lord Mayor and the Sheriff, who had expressed their intention of being present, were unfortunately at the last moment prevented from doing so, but the Lady Mayoress (Mrs. Schultz) and the Sheriff's Lady (Mrs. Atkinson) were both able to attend.

The Chairman of the Board (Miss Helen Theilmann, M.B.E., J.P.), and the Hon. Treasurer (W. Hugh Stephenson, J.P.) submitted the Annual Report and Accounts which were adopted. Votes of thanks were passed to all those who had contributed to the successful working of the Hospital during the Year. The members of the Board of Management were re-elected with the addition of Mr. Donald Murray. All members who may desire to examine the full minutes of the last Annual Meeting are invited to inspect them in the Minute Book.

Further paper restrictions have again reduced the space available for the Annual Report, which necessitates the exclusion of the usual list of subscribers.

The adoption of the Rushcliffe Report affecting the salaries of the **Nursing Staff**, has resulted in a considerable increase in maintenance costs as from 1st April, 1943.

Acting on the advice of the British Hospitals Association, the wages of the Domestic Staff have also been advanced in accordance with the Hetherington Report.

An important step was taken for the after-care of our patients by appointing an Almoner (Miss O'Farrell)—beneficial results are already being felt.

Our late President, **Mr. Joseph Rank**, died on Sunday, 14th November, 1943, at the age of 89. During the time he was connected with the Hospital he took the keenest interest in its work. The sympathy of the Board is extended to his son, Mr. James V. Rank, our President, in his great loss.

The Hospital is greatly indebted to Mr. A. F. Wilson Filmer for his gift of 58½ acres of land at **Risby** on which to build a new Voluntary Hospital. The site is within a mile or so of the proposed City Hospital Centre at Skidby.

A Special Committee is considering the problem of removal, and the heavy expenditure that would be involved.

The **Pacific Club** collections were both highly successful. Mr. T. Gregory on behalf of the **Seed and Oil Trade** collected £87 7s. and Mr. R. Hodgson for the **Grain Trade** £70 1s.

The **Exchange Collection** made by Mr. H. Rafferty on behalf of the **Coal Trade** was £124 1s. 6d. All are excellent results.

The Sheriff, Mr. H. I. Loten, has kindly maintained the Sheriff's Cot during his year of office.

The **Hospital Sunday Fund** collection made by Alderman Schultz, J.P. (Lord Mayor during 1942), was presented on Christmas Day by the present Lord Mayor, Alderman Fryer, J.P., and the amount allocated to this Hospital was £1,718.

The **Working Men's Committee** has handed the Hospital a cheque for £860, a remarkable achievement under existing conditions.

The **Voluntary Hospital Scheme** has raised the same amount as in the previous year, the figure for each period being £6,371 4s.

The Hon. Treasurer, W. Hugh Stephenson, J.P., gave £500 to endow a Cot in memory of his son, **Lieutenant** Commander Robin Stephenson, D.S.O., R.N., who was killed in action off the North African Coast.

As the result of a special effort, on behalf of the Merchant Navy, by the Lord Mayor (Alderman Schultz, J.P.), £500 was allocated to endow a "Merchant Navy" Cot.

The publication of the National Health White Paper has created much uncertainty as to the position of Voluntary Hospitals in the future. The suggestions regarding control and finance, as at present outlined, appear likely to affect adversely both our independence and the willing assistance of our supporters. Until the Bill, however, is finally presented to Parliament it is impossible to foresee how this Hospital will be affected.

The Board thank the public for continued support, the members of the Press, and all those who have in such difficult times given their help to the Hospital.

For and on behalf of the Board,

W. E. HARE,

Chairman of the House Committee.

B. CYRIL BARTON,

HUGH FARRELL,

} *Hon. Secs.*

Medical Report - 1943

The Honorary Medical Staff has pleasure in presenting the report giving details of the work carried out during the year.

The figures show that not far short of fifteen hundred children have been treated as in-patients during the twelve months. On the face of it this does not seem a great number for a hospital of 182 beds, but, it must be borne in mind that the rules which are unavoidable in this age of alarms and incursions have so restricted the use of the beds that for working purposes the number has been nearer eighty-two than one hundred and eighty-two. The consequence has been that at times the pressure on the available accommodation has been great, never so great as to lead to inability to treat any child, but of sufficient magnitude to give rise to some delay in admitting some patients, and, possibly to the rather premature discharge of others.

Taking them all round, the Out-patient figures show an increase in most departments, and the number of operations has been greater than in the previous year. The exception has been in minor surgical dressings in which there has been a remarkable falling off. This is partly explained by the fact that the Jubilee Nurses have kindly undertaken some of this work, thereby saving many a child a long journey and allowing many a mother to devote more time to the adventures associated with shopping in war-time.

It would be ungrateful to close this report without expressing thanks to the House Surgeons, to Matron and to the numerous other ladies who have given much valuable help during the period under review.

ROBERT GRIEVE,

Secretary to Hon. Medical Staff.

**REPORT of the AUDITORS to the MEMBERS of the
VICTORIA HOSPITAL FOR SICK CHILDREN, HULL
(Incorporated).**

We have examined the Books and Vouchers of your Association for the year ended 21st December, 1943. Credit has only been taken in the Accounts for the interim amounts actually received to 31st December, 1943, in respect of the Emergency Hospital Scheme as the final amount due for that year cannot yet be ascertained. Subject to this remark, we state that we have obtained all the information and explanations which we have required and that in our opinion the above Balance Sheet on 31st December, 1943, is properly drawn up so as to exhibit a true and correct view of the state of your Association's affairs, according to the best of our information and the explanations given to us and as shown by the Books of your Association.

A. J. DOWNS & Co.,
