THE REPORT OF THE COMMITTEE OF MANAGEMENT OF THE INFANTS HOSPITAL FOR THE YEAR

1941

THE Committee of Management submit to the Governors and Annual Subscribers their Thirty-Ninth Annual Report.*

The Deaf-Mute Clinic has continued its valuable work, but otherwise the Hospital has remained closed during the year. The work of the Clinic has, however, much increased, so that instead of two sessions weekly as before the War, it has been found necessary to hold four sessions—on Monday, Tuesday and Thursday mornings, and on Thursday afternoons. That the Clinic meets a real need is shown by the fact that not only are patients sent by their own doctors, but they have been sent by other London and provincial hospitals, and by Public Health and Education Departments of Local Authorities. As no medical or surgical treatment is given in the Clinic, no Statistical Tables are published, but the following are the figures for the year:—

Number of Sessions held	..	..	..	106
Number of patients attending	..	..	..	53
Total attendances	..	..	..	592
Average number of times each patient attended	..	..	..	11·17
Average attendance per session	..	..	..	5·58

Mr. Philip Franklin, to whom the Deaf-Mute Clinic owes its inception, has, owing to Military duties, been unable to attend, and the Clinic has been continued throughout the year by the devotion and enthusiasm of Miss Sylvian Martin, Speech Therapist, who has overcome all difficulties in her determination to ensure the continuity of treatment for both deaf children and those who need speech education after cleft-palate operations.

* Certain items which normally appear in the Report have, for reasons of economy, been omitted.

The Assistant Secretary and the Assistant Matron still carry out their duties at the Hospital, and the Hon. Mrs. Gamage's Red Cross Depot for Hospital Supplies and Comforts for the Forces continues its good work in the building.

FINANCE.

The Income and Expenditure Account and Balance Sheet on pages 8 to 13 show that the Income for the year was £5,048 and the Expenditure £2,792, making a credit balance of £2,256, which has been invested in 2½ per cent National War Bonds against the time when it will be required to meet the heavy expenses of re-opening the Hospital. £1,200 of the Building Fund balance of £1,237 has also been temporarily invested in War Bonds.

THANKS.

The Committee desire to express their sincere thanks to all who supported the Hospital during the past year, and especially to:—

NURSING STAFF.

The Nursing Staff is still working together at Windsor Emergency Hospital.

The cot capacity of the unit for which they are responsible having proved inadequate, a new ward of thirteen cots was built, including separate cubicles for the nursing of infectious cases, and this also is staffed by our nurses.

During the year an additional Ward Sister has been appointed, sixteen probationers have entered for training, and eight nurses have successfully passed the Final State Examination for Registered Sick Children's Nurses. The salaries of all grades of the Nursing Staff have been increased in accordance with the recommendations of the British Hospitals Association and the Ministry of Health.

MEDICAL STAFF.

The Committee record with deep regret the death of Dr. Bertram Shires. Dr. Shires joined the Staff as Honorary Radiologist in 1922, and after fifteen years of valuable service, resigned in 1937, since when he had acted as Consulting Radiologist to the Hospital.

The Committee have noted with much regret the deaths on active service, or through enemy action at home, of many old and valued friends of the Hospital. They would like to take this opportunity of expressing their appreciation of all that these friends have done for the Hospital, and their sympathy with their relatives.

The Committee continue to pursue their policy of maintaining the Hospital at present at as low a cost as possible, and of building up a reserve which will be available when the Hospital is once more able to resume its functions. They earnestly hope that those who have helped the Hospital in the past will continue to do so.
