# THE REPORT

## OF THE COMMITTEE OF MANAGEMENT

### OF

## THE INFANTS HOSPITAL

### FOR THE YEAR

#### 1944

THE Committee of Management submit to the Governors and Annual Subscribers their forty-second Annual Report.

The buildings of the Hospital are still in the hands of the United States Military Authorities, and the Deaf Mute and Speech Clinics are being carried on at 45, Vincent Square. These Clinics, which are still the only branch of the Hospital's functions being carried on in London, have again extended their work, though the numbers for the year are smaller owing to the fact that it was thought advisable to close the Clinics last summer during the heavy flying bomb attacks. The figures for the past three years are:—

	1942	1943	1944
			8½ months
Number of sessions held ..	192	190	138
Number of children attending ..	101	116	111
Total attendances .. ..	1,439	2,013	1,440

#### NURSING STAFF.

Facilities for the treatment of patients and the training of nursing staff at the Infants Hospital Unit, Windsor Emergency Hospital, have been greatly improved during the year. Instead of the former large open wards, there are now three wards especially adapted for the nursing of Sick Children, with glass partitioned cubicles, isolation rooms and milk kitchen.

The Preliminary Training School for Nurses forecast in last year's Annual Report was opened in April 1944, and since then, each Student Nurse accepted for training has spent eleven weeks there before entering the wards at Windsor.

One of our Ward Sisters volunteered for relief work amongst children in countries until recently occupied by the enemy, and is now "somewhere in Europe."

## FINANCE.

The Income and Expenditure Account and Balance Sheet on pages 8 to 11 show that the Income for the year was £8,101 and the Expenditure £3,455, leaving a credit balance of £4,646, which, as before, has been invested in 2½ per cent National War Bonds.

## THANKS.

The Committee desire to express their sincere and grateful thanks to all who supported the Hospital during the past year, and especially to:—

The Committee record with very great regret the deaths of the Rev. F. Harcourt Hillersdon in June and Mr. Charles Ogilvie Rennie in July 1944. Mr. Hillersdon was a member of the Committee of Management from 1910 to 1938, and when he resigned from it he was elected a Vice-President of the Hospital. Mr. Rennie had been a member of the Committee of Management since 1937.

It is to be hoped that it may not now be long before the work of the Hospital can be resumed in its own buildings. When this occurs, in addition to whatever initial expenses are involved in reopening the Hospital, the income required to enable it to function on a normal scale will be materially in excess of what it is now receiving, and the Committee accordingly hope that those of its friends who have helped it so generously in the past will continue to do so.
