WALLASEY COTTAGE HOSPITAL.

72nd Annual Report, 1937.

The Committee have pleasure in submitting their Report for 1937, the 72nd year in the life of the Hospital.

The year's work does not call for any special comment, but has been in every respect satisfactory.

The Committee considered, owing to the increase in the number of beds available, and in the number of patients, that it was necessary to have a home for additional nurses, and consequently purchased the house "Hillcrest," Claremount Road, adjacent to the Hospital. It is now in course of being re-conditioned and furnished.

We are grateful for the assistance of Mr. T. T. Rees and Mr. A. J. Wardle, our Honorary Architect and Honorary Solicitor, respectively, and also to Mr. Charlton Thomson, for their services in connection with the purchase of, and alterations to the property.

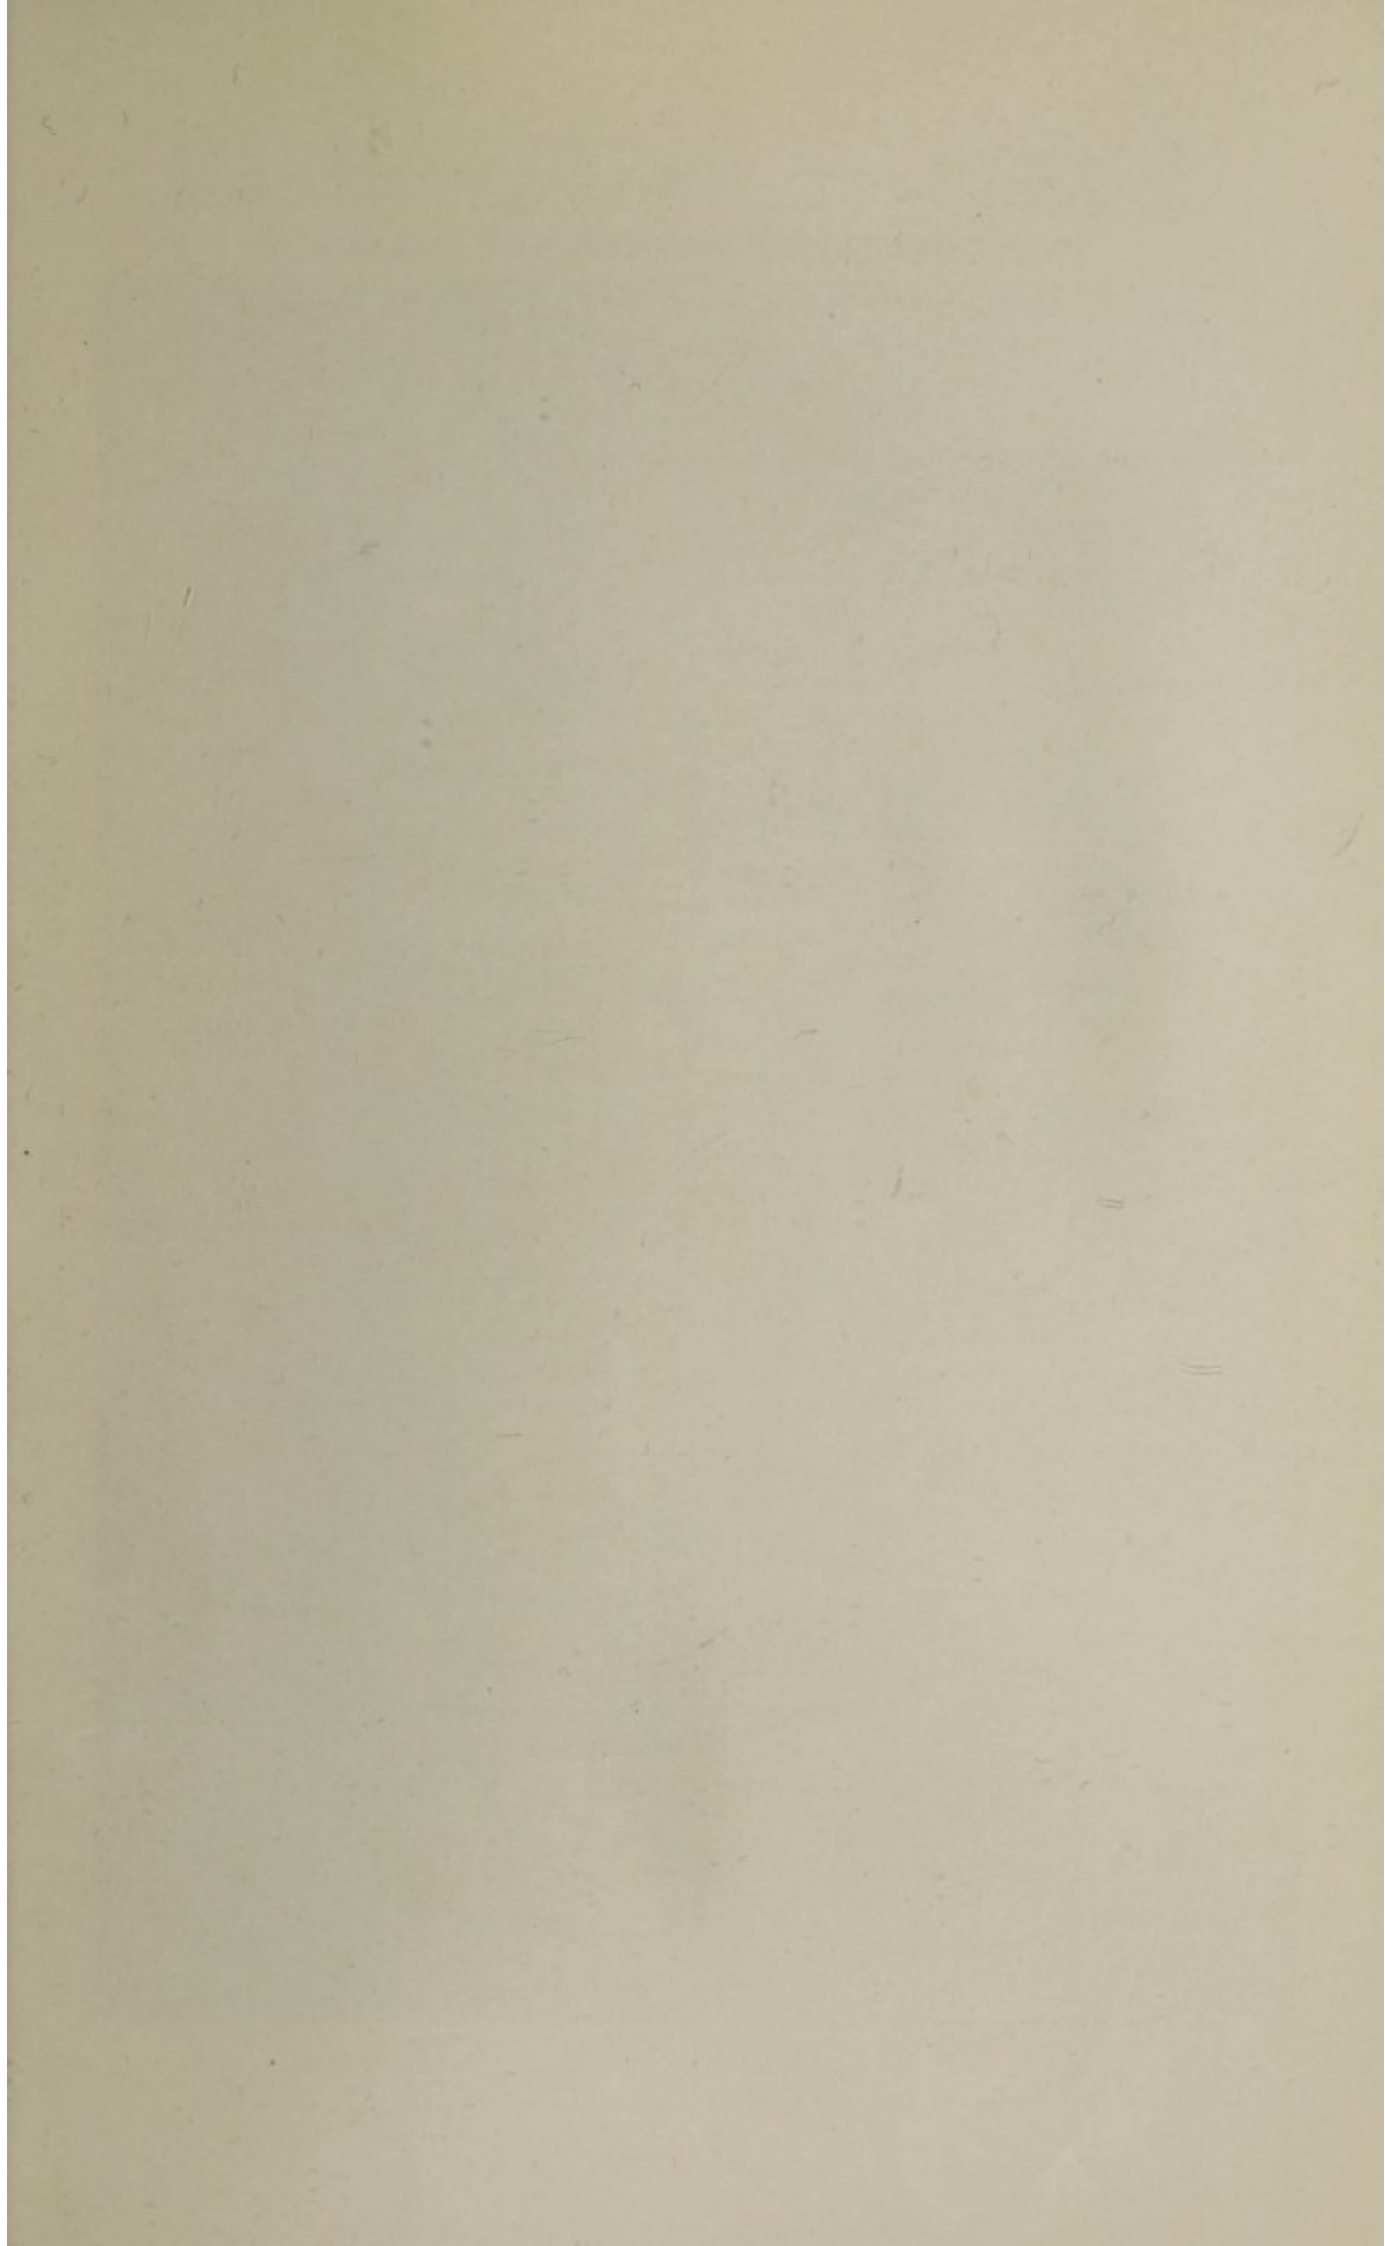

In last year's report it was pointed out that, in view of the extension of the Wallasey Borough in the environs of the Hospital, the Committee would consider the advisability of extension. The various aspects of this matter are still having the careful consideration of your Committee.

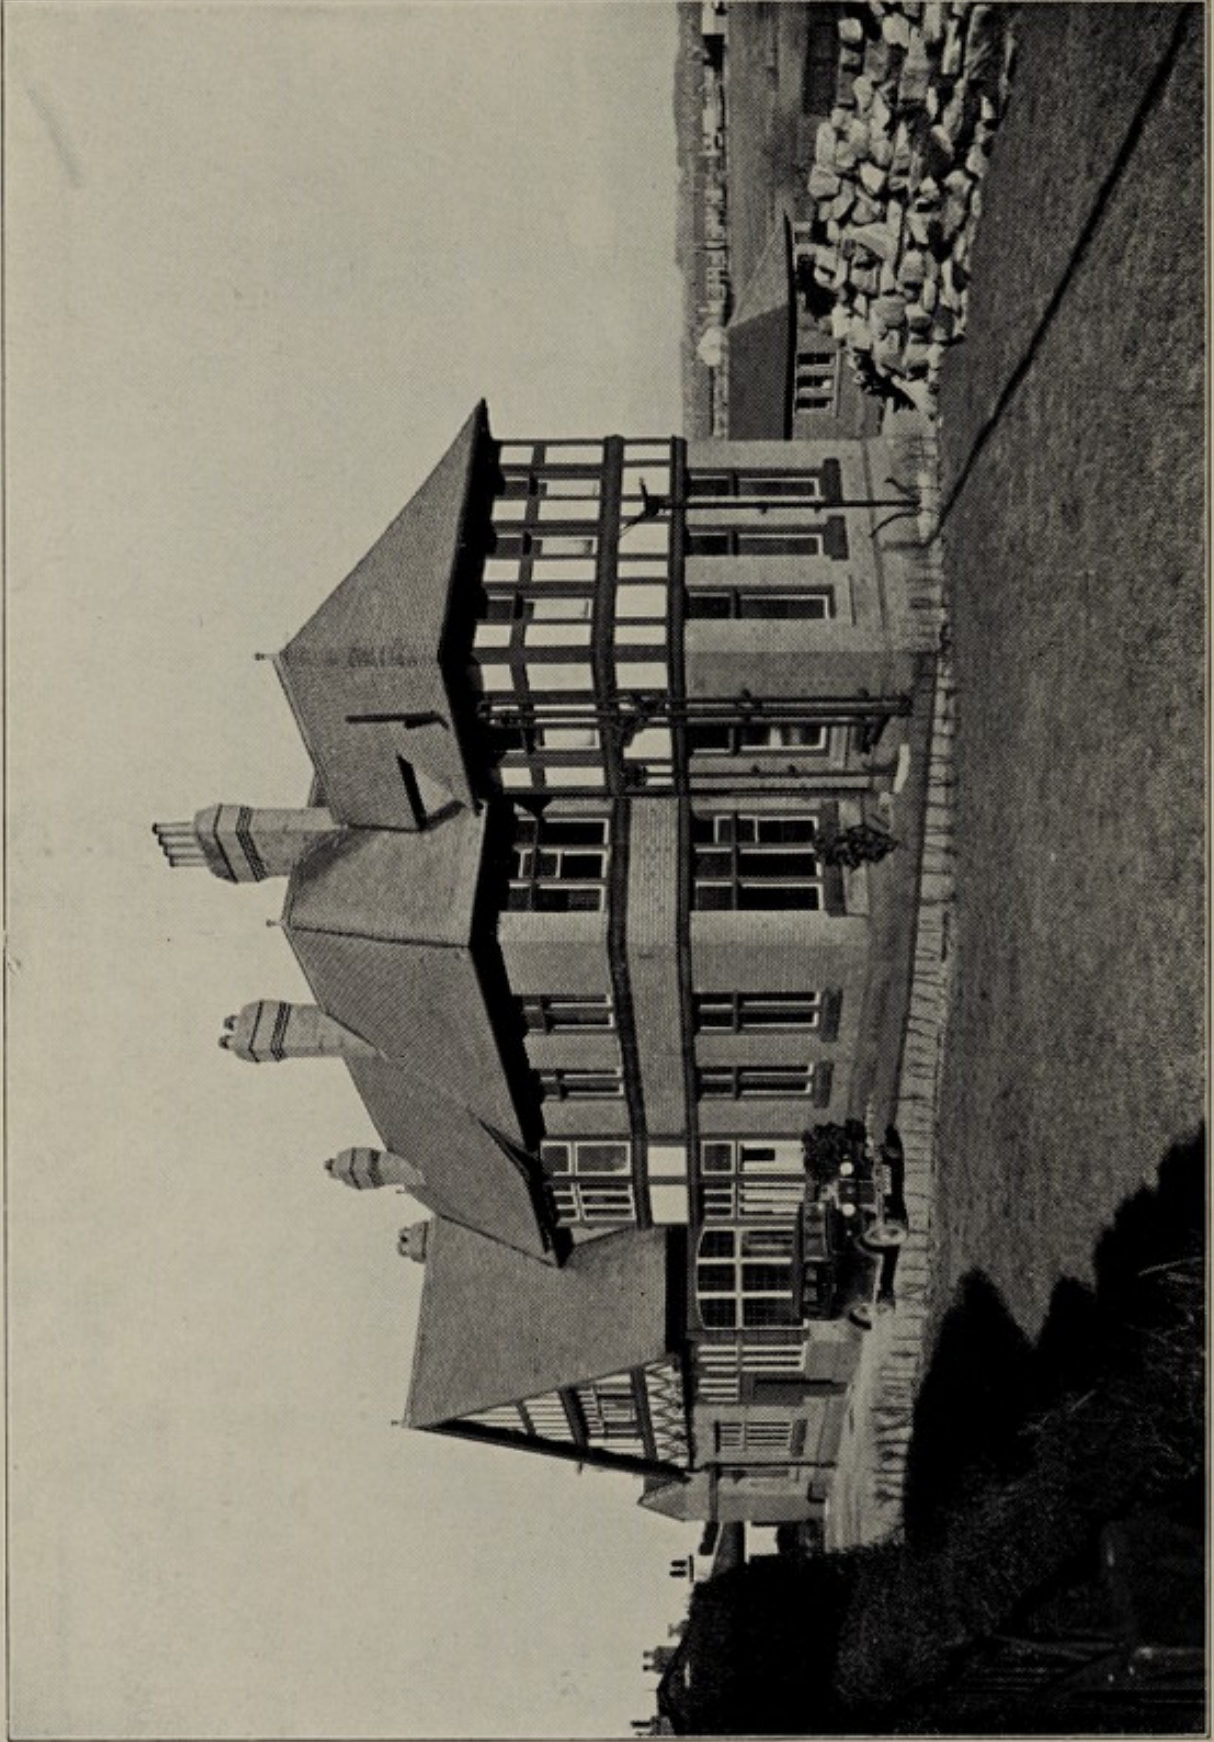

We are very grateful to the Lady Organisers, and their helpers, for their work. They are in need of ladies to assist in our Annual house to house collection, and we shall be happy to welcome new names to our list.

The following members retire from the Committee, and offer themselves for re-election: Rev. Canon Roscamp, Messrs. J. F. W. Dixon, J. Gill, H. Kingham, and J. M. Liddell.

Mr. J. Armitage Jones was co-opted to serve on the General Committee.

Your Committee again wish to tender to the Honorary Consulting Staff, the Medical Staff, to the Matron and Nursing Staff, their most sincere appreciation of their splendid work.

VIEW FROM THE SOUTH.

HONORARY TREASURER'S REPORT FOR 1937.

In submitting my Report for the year 1937 I am again in the fortunate position of being able to present a financial statement which shows an excess of Income over Expenditure amounting, for the past year, to £189 14s. 8d., and I now tender my very sincere thanks to our loyal Subscribers and Donors for their continued kindly interest in our Hospital. It will be observed, however, that our expenses have risen substantially and I can only appeal for a wider interest by a considerable increase in the number of subscribers.

Once more I have to express my gratitude to the Wallasey Village Festival Hospital Sunday Fund, New Brighton Operatic Society, Wallasey Hospital Ball Committee, St. Nicholas Golfers' Service, G. H. Peers Institute, Wallasey Lady Bowlers' Charity Handicap and Harold Challenge Cup, particulars of whose generosity will be found in the financial statement.

The continued efforts on our behalf of "The Lyrics," "The Chrysanthemums" and the Wallasey Ladies' Bowling Association resulting in additional contributions towards the endowment of beds in the Hospital are deeply appreciated.

It is with great pleasure that I am able to acknowledge an increased payment from the Merseyside Hospitals Council and also to testify to the splendid work of the Council on behalf of our Hospitals generally.

My grateful thanks are once more extended to the Liverpool Guild of Undergraduates for their further gift towards the cost of the Operating Theatre and to our Matron not only for her valuable assistance to me but for her enthusiasm in organising Dances and Whist Drives, with results most lucrative to the Hospital. I am also particularly grateful to the Ladies' Collecting Committee for their highly successful work.

We have been fortunate in receiving Legacies from the Estates of Mrs. Emily Lloyd, Mrs. Catherine Williams, Miss Lily Mahler, Mrs. B. Cannell and Mr. E. J. G. Nicholson respectively. The amounts have been invested.

I thank Messrs. Dawson, Graves and Co. for their kindness in again auditing the accounts.

MEDICAL REPORT.

There has also been an increase in the days in Hospital from 8,893 to 9,344.

More major operations are being performed in the Hospital. At one time some of these cases would have gone to the Liverpool Hospitals. With the able assistance of the Specialists they are able to be treated nearer home and in congenial surroundings.

The Medical Staff wish to thank the Matron and Nursing Staff for their able assistance during the past year.

There is still a pressing need for more beds, especially in the General Wards. Sometimes patients have to wait till beds are vacated before they can be admitted. The population in the district continues to increase as more houses are being built and the problem of extension of the Hospital becomes more acute each year.

J. M. ANDERSON, M.B., Ch.B.

X-RAYS.

There has been a steady increase in the work carried out in the department during the past year.

There have been no alterations or changes in the apparatus, which has worked very satisfactorily during this period.

Examination of the appended figures will show that the more specialised types of investigation are increasing each year.
