## Annual Report for the Year 1942-1943

---

403 Patients were admitted during the year ending 31st March, 1943, an increase of 22 on last year. Of these 201 were contributors to the Radcliffe Scheme, 131 children under 14, 44 to other schemes, 43 patients paying for Private Wards and 31 inpatients were admitted free of charge. The average duration of stay in Hospital was 14 days. 128 major operations and 141 minor operations were performed during the year.

The number of beds remains at 28 including 3 Private Wards for paying patients.

330 Out-patients were treated, including some 70 casualties, 52 light and heat treatment attending 288 times and 46 patients who attended 778 times for massage by Mrs. Kimble who kindly gives her valuable services voluntarily on two afternoons each week. The total number of outpatient attendances was 1399.

The Hospital suffered a grievous loss in the retirement of the Hon. Treasurer Mr. W. L. Wickens in December, under medical advice and his subsequent death in February. Mr. Wickens had been Hon. Treasurer for 20 years and his devotion and efficiency in superintending the financial affairs of the Hospital under difficult conditions of expansion and war were of the utmost value.

The Mayor, Alderman J. M. Tilley kindly undertook to carry on the Hon. Treasurer's work in addition to his own, as Hon. Financial Secretary, until a successor could be found. The Committee is glad to be able to report that Captain T. H. Smith, M.B.E., has kindly taken over the office of Hon. Treasurer and was duly appointed on the 18th January.

The departure of the Rev. Canon R. F. Bale, M.A. who as Vicar of Buckingham was a Trustee of the Hospital, on his appointment as Rector of Witney was much regretted by us all. His constant attendance and advice in committee for 13 years helped greatly in the gradual improvement and expansion of the Hospital. We welcome the new Vicar, the Rev. J. A. Hultgren, B.D., who has assumed office as a Trustee.

We also have to deplore the death of Dr. G. Bruce Pearson who was for many years an Hon. Medical Officer of the Hospital. H. G. Cereseto, Esq., M.R.C.S., L.R.C.P. who has taken over Dr. Pearson's practice has been invited to continue attendance on his patients when in Hospital as an Hon. Medical Officer.

Miss Wakelin, the Matron resigned from the 30th June and great difficulty was experienced in finding a successor. Eventually our former Matron, now Mrs. Boland, agreed to resume her office of Matron and took over the duties on the 29th July. The Committee was very glad to welcome her back again. In spite of the general shortage of trained Nurses the Nursing Staff is up to strength with the exception of one fully trained sister. The Porter, Mr. Edwards was obliged to resign his appointment under medical advice in January. Mr. J. S. Briony has been appointed Porter.

Our grateful thanks are offered to numerous ladies who volunteered to assist the Nursing and Domestic Staffs in times of difficulty during the year. Their services were much appreciated.

A new Washing and Sterilizing Cabinet has been installed for use of the Women's and Children's wards, which is much appreciated by the Nurses. The Oxford and District Joint Hospital's Board kindly gave us £50 towards the cost amounting to £75.

Part of the interior was re-decorated including the Matron's quarters, a private ward and men's bathrooms and ward kitchen at a cost of £25 including re-building the copper in the Laundry. The Nurses Dining Room was re-decorated. Also the Staff bedrooms through the generosity of various ladies who prefer to remain anonymous, but to whom we tender our grateful thanks.

The Laundry has been re-opened and is doing valuable work, the two laundry maids being kept very busy. A new drying stove had to be bought to replace the old one which was cracked and irreparable. It is hoped that it will be possible to have the outside woodwork repainted this year to preserve it from decay.

We have once again to tender our thanks to Mr. Pringle for so kindly auditing the accounts. Lack of space forbids giving in detail the names of the numerous kind donors of gifts many and various which have contributed so much to the comfort of the patients and staff. Our grateful thanks are offered to them, and also to Mrs. Grapes for mending the linen regularly and Mrs. Chapman for her help in the kitchen.

The Linen Guild has supplied linen etc. to the value of £25/2/6. The hearty thanks of the Hospital are offered to Mrs. Bostock and her committee for so kindly continuing this useful work, and to the subscribers to the Linen Guild.

W. B. EMERY, *Hon. Secretary.*

## FINANCE

The balance sheet for the year ended 31st March, 1943 shows an income of £2843/4/5 and an expenditure of £2701/17/1 making a surplus of ordinary income over expenditure of £141/7/4.

To this should be added a grant of £50 made by the Joint Hospitals Boards towards the cost of providing a Flushing Sluice for the use of the wards.

Although we had no special event organized by the Hospital, such as a fete, or flag day, our income from donations shows a substantial increase over that of last year. This is accounted for by the generosity of the many friends of the Hospital who have organized events, such as dances, a fete (Stowe School), Collections, and in many other ways, including gifts from grateful patients.

The subscriptions remain about the same as last year. The apparent increase is largely due to the amount we have received by Income Tax returned on covenanted subscriptions. It is to be hoped that more subscribers will avail themselves of this method of adding to the income of the Hospital.

The cost to the Hospital per patient, per day was 11s. 1.2d. or £3 17s. 8.4d. per week, made up as follows:—

						s.	d.
