- 98 **Australasia.**—Histoire des Severambes, Peuples qui habitent une Partie du troisième Continent, communément appelé la Terre Australe, Contenant une Relation du Gouvernement, des Mœurs, de la Religion, et du Langage de cette Nation, inconnue jusques à present aux Peuples de l'Europe. *Curious plates*, 2 vols., 12mo., *calf*. Amsterdam, 1716 £2/2/-
There have been many editions of this curious work, in English, French and Dutch. It belongs to that class of literature of which More's Utopia is best-known, and preceded Gulliver's Travels and Robinson Crusoe. Scott says that the *spurious* third volume of Gulliver was largely a translation from this work. Although a philosophic fiction, it very properly claims a place in Australasian collections.
Barbier gives Denis Vairasse d'Alais en Languedoc, as the author.
