MODERN BOOKS

in

ALL CLASSES OF LITERATURE

Offered at
GREATLY REDUCED PRICES

Purchases of £2 and over are sent post free in Great Britain.

Customers abroad, if ordering for the first time, would oblige by sending remittance with order, or failing that, two suitable references in this country.

Customers ordering through Agents are requested to send a copy of the order direct to us, when the books will be put aside to await the Agent's order.

We note the requirements of our correspondents in all departments, and report works, new or second-hand, in any subjects in which they are interested. We are also willing to give advice on the selection and purchase of Books and Journals.

We are prepared to purchase Libraries or smaller collections of standard works, English and Foreign, in all branches of literature and science, including publications of Learned Societies, and invite correspondence from Librarians and others wishing to buy or sell such works.

Valuation of Libraries undertaken for Probate or other purposes.

Crown quarto, fully illustrated and unabridged 30s. net

In August, 1935, Jonathan Cape will publish a complete, unabridged, illustrated edition of

Seven Pillars of Wisdom

This famous book, containing T. E. Lawrence's full narrative of his great campaign in Arabia, has never before been available for general publication. About one hundred copies were privately printed by Lawrence in 1926, for subscribers and personal friends only, at a nominal price of thirty guineas a copy. In a short time, copies of the book in the sale-rooms were fetching several hundreds of pounds each.

In March, 1927, an abridged version of *Seven Pillars of Wisdom* was published for general circulation under the title of *Revolt in the Desert*, which remained on sale until withdrawn by the author six months later. It contained less than one half of the full text.

Seven Pillars of Wisdom is now to appear in its entirety. The text consists of approximately 280,000 words, and will occupy some 672 pages. There will be forty-eight full-page illustrations and a number of line drawings in the text, specially prepared for the original edition by famous artists. There will also be four maps.

It should be made clear that *Revolt in the Desert* will not be re-issued in any form. *Seven Pillars of Wisdom* is the definitive work, and entirely supplants the abridged version withdrawn in 1927.

The original publication of *Seven Pillars of Wisdom* was for an unusually limited public. But it was immediately recognised that a new classic of English literature had been brought into being; men of action and men of letters were agreed that Lawrence had matched his great adventure with his unique artistry. And the nine years that have elapsed since the book was printed have only confirmed that general judgment.

In an eloquent tribute to Lawrence's memory MR. WINSTON CHURCHILL has lately written

'We hope that *The Seven Pillars* will be given to the world in the present generation. As a narrative of war and adventure . . . it is unsurpassable. It ranks with the greatest books ever written in the English language

' . . . In Lawrence's story nothing that has ever happened in the sphere of war and empire is lacking.
