Annual Report on the Working of Hospitals and Dispensaries in the Presidency of Bengal for the year 1939.

No. 11226.

FROM MAJOR-GENERAL P. S. MILLS,
C.I.E., M.B., B.S., D.T.M. & H.,
M.R.C.S., K.H.P., I.M.S., *Surgeon-
General with the Government of
Bengal,*

TO THE SECRETARY TO THE GOV-
ERNMENT OF BENGAL, DE-
PARTMENT OF PUBLIC
HEALTH AND LOCAL SELF-
GOVERNMENT.

Calcutta, the 24th October 1940.

SIR,

I have the honour to submit here-
with a report together with the pre-
scribed statistical returns on the work-
ing of hospitals and dispensaries in the
Presidency of Bengal for the year 1939.

I held charge of the department from
1st January 1939 to 23rd March 1939
and again from 1st October 1939 to 31st
December 1939. During my absence on
leave, the charge was held by Lt.-Col.
T. C. Boyd, I.M.S., from 24th March
1939 to 29th May 1939 and by Lt.-Col.
K. S. Thakur, I.M.S., from 30th May
1939 to 30th September 1939.

Hospitals and dispensaries.

Classification of institutions.—The
hospitals and dispensaries in this pro-
vince are divided into following cate-
gories:—

Class I—State Public institutions.

Class II—State special institutions,
e.g., Police Hospitals, hospitals, if
special departments such as Communi-
cations and Works, etc.

Class III—Local Fund institutions.

Class IV—Private aided institutions.

Class V—Private non-aided institu-
tions.

Class VI—Railway hospitals and dis-
pensaries.

Class VII—Private hospitals and dis-
pensaries receiving subsidies from local
bodies.

Union Board dispensaries.

Village dispensaries.

Hospitals and dispensaries other than
Allopathic, e.g., Homeopathic, Ayur-
vedic and Unani.

**Calcutta Hospitals and Dispensaries
(including the Howrah General
Hospital)**—*Number of institutions
(Statement A).*—The number of institu-
tions borne on the list of hospitals and
dispensaries maintained in this office
remained the same as in the previous
year, viz.—

Western system	48
Ayurvedic	3
Homeopathic	4
Total	55

Of the above, 29 (viz., 25 Allopathic, 3
Ayurvedic and 1 Homeopathic) had
accommodation for indoor patients.
The remaining 26 treated outdoor
patients only. Seven institutions were
exclusively for the treatment of female
patients (Statements C and D).

Beds—The total number of beds in
the hospitals in Calcutta, following
Western System of medicine, was 4,161
as against 4,025 in 1938. The variation
is shown below, institution by institu-
tion:—

	Increase of beds.	Decrease of beds.
(a) Medical College Hospitals	19	..
(b) Campbell Hospital	5
Sambhunath Pandit Hospital	1	..
(c) Mayo Hospital	4	..
(d) Cossipur (North suburban) Hospital	20	..
Maniktola Municipal Mater- nity Home	8	..
(e) Lady Dufferin Victoria Hos- pital	89	..
	141	5
Net increase	136	

(a) Due to the opening of the female ward of the Sir
John Anderson Casualty Block with 16 beds and addition
of 3 beds in the Eden Hospital.

(b) Due to the abolition of 5 beds on the verandahs of
the Surgical blocks.

(c) Due to the addition of 2 beds in the Cholera Ward
and 2 beds in the Gynaecological Ward.

(d) Due to the opening of the Infectious Block in the
month of February, 1939.

(e) Due to the opening of the new hospital.

The total number of beds in the institutions classified as I, III and IV was as follows:—

Number of beds—				
1938	3,367
1939	3,503
Increase				136

On an average, 88.55 per cent. of the beds in these institutions remained occupied throughout the year in 1939 as against 88.51 per cent. during the previous year.

Beds provided in the Ayurvedic and Homeopathic institutions during the year under report were as follows:—

Ayurvedic	279
Homeopathic	85

Patients treated.—The number of patients treated in all hospitals and dispensaries following Western System of Medicine as compared with the previous year is given below:—

	1938.	1939.
Indoor patients ..	93,824	89,182
Outdoor patients ..	1,070,546	1,066,760
Total ..	1,164,370	1,155,942

The following table shows the number of patients treated in classes I, III and IV institutions:—

	1938	1939.
Indoor patients ..	74,151	81,063
Outdoor patients ..	928,198	928,742
Total ..	1,002,349	1,009,805

Daily average of—		1938.	1939.
In-patients	2,980.41	3,117.97
Out-patients	7,170.52	7,147.58
Deaths among in-patients	7,526 (10.13 per cent.)	7,869 (10.30 per cent.)

As in the previous year, the largest number of patients was treated in the Medical College group of hospitals, viz., 22,374 in-patients and 195,464 out-patients.

Patients treated in institutions following systems of medicine other than the Western were as follows:—

Indoor	80,589
Outdoor	329,141

Diseases (Statement D).—Statement D shows in detail the number of patients treated for various diseases. The statistics for some of the more important diseases as compared with those of the previous year, are shown below:—

Cholera—		1938.	1939.
Treated	..	4,982	6,009
Died	..	578	494

The largest number of cholera cases was treated at the Campbell Hospital, viz., 2,480 with 214 deaths as compared with 1,605 with 225 deaths in the previous year.

Amoebic dysentery—		1938.	1939.
Treated	..	16,929	16,434
Deaths	..	63	67

Bacillary dysentery—			
Treated	..	5,464	3,576
Deaths	..	199	178

Kala-azar—			
Treated	..	6,064	4,362
Deaths	..	76	50

Malaria—			
Treated	..	87,276	76,739
Deaths	..	119	105

Leprosy—			
Treated	..	3,868	3,336
Deaths	..	7	1

Influenza—			
Treated	..	44,408	45,603
Deaths	..	22	29

Small-pox—			
Treated	..	1,260	1,471
Deaths	..	327	380

Special arrangement for treatment of small-pox cases is available at the Campbell Hospital, Calcutta only, and most of the cases occurring locally were dealt with at this hospital, viz., 902 in 1938 and 1,241 in 1939.

Tuberculosis of lungs—		1938.	1939.
Treated	..	17,890	12,183
Deaths	..	623	589

The largest number of cases was treated at the Medical College Hospitals, viz., 3,603 as compared with 8,751 in 1938. The Campbell Hospital came next with the record of 1,663 in 1939 as

against 1,727 in 1938. The Carmichael Medical College Hospital, Belgachia, and the Howrah General Hospital also treated a large number of cases.

	1938.	1939.
Diphtheria—		
Treated	706	702
Deaths	117	67

As usual, the majority (369) were treated at the Medical College Hospitals. The Carmichael Medical College Hospital, Belgachia, treated 222 patients.

	1938.	1939.
Epidemic dropsy—		
Treated	11,489	4,401
Deaths	70	22
Beri Beri—		
Treated	3,485	2,406
Deaths	nil	nil

Diseases of the Eye.

(i) Trachoma—	1938.	1939.
Treated	6,626	6,817
Deaths	nil	nil
(ii) Glaucoma—		
Treated	13,833	7,463
Deaths	nil	nil
(iii) Cataract—		
Treated	13,125	13,707
Deaths	nil	3
(iv) Others—		
Treated	89,028	69,558
Deaths	nil	8
Total—		
Treated	122,612	97,545
Deaths	nil	11

As in the previous year, the Eye Infirmary of the Medical College Hospitals treated the largest number of cases, viz., 35,871 cases. Of these, there were 1,618 cases of trachoma, 1,815 cases of glaucoma, 3,749 cases of cataract and 35,871 of other diseases of the eye.

	1938.	1939.
(i) Syphilis—		
Treated	13,694	11,807
Deaths	nil	7
(ii) Gonococcal infection—		
Treated	14,791	12,067
Deaths	nil	2
(iii) Soft chancre—		
Treated	1,744	1,960
Deaths	nil	nil
(iv) Other diseases of venereal origin—		
Treated	4,628	2,492
Deaths	nil	2
Total—		
Treated	34,857	28,326
Deaths	nil	11

Surgical operations (Statement E).—The number of persons operated on and the number of operations performed in all classes of Calcutta hospitals and dispensaries under the Western system of medicine, were as follows:—

	1938.	1939.
Operations performed ..	93,722	113,287
Persons operated ..	78,908	95,121
Number died ..	535	569

Out of these, figures relating to classes I, III and IV institutions were as follows:—

	1938.	1939.
Operations performed ..	89,100	109,834
Persons operated ..	70,460	87,010
Persons cured ..	58,821	78,432
Persons relieved ..	11,099	7,231
Persons discharged otherwise	657	875
Persons died ..	501	503
Persons in the hospital at the close of the year ..	375	368

The Campbell Hospital performed the largest number of operations, viz., 30,975 as compared with 16,562 in 1938. Next in order came the Medical College Hospitals with 22,596 operations as against 24,312 of the previous year and the Carmichael Medical College, Belgachia, with 19,223 operations as against 12,776 in the preceding year.

The abnormal increase of operations in the Campbell Medical Hospital was due to the fact that there were serious epidemics of cholera and meningitis during the year and lumbar punctures, cisterna magna punctures and cutting of veins for administering intravenous saline were all considered as operations.

In the Carmichael Medical College Hospitals, the heavy increase of operations was due to the increase in the number of operations performed under the following heads:—

- (1) Repair to wounds.
- (2) Wiring plating or otherwise uniting fractured bone.
- (3) Dental operations: Extraction, scaling, etc.

The total number of selected and important operations during the year were 14,463 as against 13,859 in 1938.

The figures for some of the important operations are tabulated below :—

	1938.	1939.
Abdominal operations (other than obstetrical) ..	2,264	2,309
Extraction of lens ..	2,020	2,193
Obstetric operations ..	1,255	1,305
Operation on bones ..	569	583
Amputations ..	224	209
Hernia—		
Radical cure ..	542	537
Strangulation ..	250	272
Elephantoid scrotum ..	116	113
Overian cyst or tumours ..	376	382

Finance (Statement F)—Income.—The total receipts of the Calcutta hospitals and dispensaries under classes I, III and IV as compared with those of the preceding year were as follows :—

	1938.	1939.
	Rs.	Rs.
Government contributions	20,27,988 (54.09 per cent.)	19,99,486 (54.43 per cent.)
Local and municipal fund contributions ..	7,11,237 (18.97 per cent.)	7,50,882 (20.47 per cent.)
Fees and contributions from patients ..	4,61,269 (12.30 per cent.)	4,54,244 (12.39 per cent.)
Funds collected by hospital committees, charitable contributions and donations	1,09,756 (2.92 per cent.)	1,10,845 (3.02 per cent.)
Miscellaneous including interest on investments, sales of securities, etc. ..	4,38,361 (11.72 per cent.)	3,54,297 (9.69 per cent.)
Total ..	37,48,611	36,69,754

Of the total Government contributions, Rs. 18,75,318 represents grants to the State Institutions and the remaining amount of Rs. 1,24,168 represents grants-in-aid to private institutions. Among the latter the following may be specially mentioned :—

	Rs.
Mayo Hospital ..	28,418
Carmichael Medical College Hospitals, Belgachia ..	35,021
Calcutta Medical School Hospital ..	20,865
Howrah General Hospital ..	27,096
Lady Dufferin Victoria Hospital ..	12,600

Out of Rs. 4,54,244 realised as fees from paying patients, etc., a sum of Rs. 2,90,997 was realised in State Hospitals, details of which are given below, as compared with those of the previous year.

	1938.	1939.
	Rs.	Rs.
Medical College Hospitals	1,67,608	1,32,878
Carmichael Hospital for Tropical Diseases ..	18,482	17,208
Presidency General Hospital	1,16,608	1,31,343
Campbell Hospital ..	7,241	6,511
Sambhunath Pandit Hospital	2,810	3,057
Total ..	3,12,749	2,90,997

In Appendix II is given a list of the prominent donors with the specific purposes for which donations were made.

Expenditure.—The total expenditure incurred by the classes I, III and IV institutions during the year under report as compared with the previous year, is tabulated below :—

	1938.	1939.
	Rs.	Rs.
Salaries ..	14,98,171 (41.69 per cent.)	15,26,590 (41.24 per cent.)
Medicines ..	3,46,946 (9.65 per cent.)	3,41,605 (9.22 per cent.)
Apparatus and instruments renewals ..	63,195 (1.75 per cent.)	85,912 (2.32 per cent.)
Diet ..	4,33,809 (12.07 per cent.)	4,48,456 (12.12 per cent.)
New buildings ..	1,40,506 (3.91 per cent.)	1,16,268 (3.13 per cent.)
Repair to buildings ..	2,77,567 (7.72 per cent.)	3,33,982 (9.02 per cent.)
Miscellaneous ..	8,33,092 (23.21 per cent.)	8,49,195 (22.95 per cent.)
Total ..	35,93,286	37,02,008

Invested capital (Statement G).—The invested capital of the Calcutta hospitals and dispensaries under classes I, III and IV at the close of the preceding year was Rs. 27,01,292. During the year under report, fresh investments were made to the extent of Rs. 1,29,433 and securities worth Rs. 1,42,970 were sold and deposits worth Rs. 5,000 were withdrawn. The invested capital at the end of the year thus stood at Rs. 26,82,760.

Mental Observation Ward.—The accommodation remained the same as before, viz., 6 beds for Europeans including 2 paying beds and 24 for Indians including 3 paying beds. There is also a segregation ward of 2 beds.

During the year under report, 115 cases were kept under observation as against 134 in 1938. The manner in which these cases were dealt with is as shown below :—

	1938.	1939.
Certified and sent to Ranchi	85	49
Certified but released ..	9	7
Discharged as uncertifiable ..	24	39
Removed before certification	5	7
Removed to jail ..	4	10
Died ..	2	Nil
Remained at the close of the year ..	5	3
Total ..	134	115

The general condition of the patients was good. The daily average number of patients in the institution was 7.54 as against 7.73 in the previous year.

The number of paying patients and the fees realised from them are shown below:—

		Number of paying patients.	Fees rea- lised. Rs.
1938	..	13	403
1939	..	22	457

The total cost for upkeep of the institution was Rs. 22,203 as against Rs. 23,396 in the previous year.

Additional comforts were given to patients out of the Trust Fund attached to the hospital. The opening balance of the fund on 1st January 1939, was Rs. 792-2-1 and the closing balance on 31st December 1939 was Rs. 790-1-9.

Mufassil hospitals and dispensaries.—*Statement (A).*—The total number of hospitals and dispensaries in the mufassil during the year under report was 1,695 as against 1,626 at the close of the previous year.

The details are as follows:—

	Number at the close of the previous year.	Number opened during the year under report.	Number closed during the year.	Number at the close of the year under report.
Western System	1,533	52	..	1,585
Homeopathic	76	16	..	92
Ayurvedic	12	1	1	12
Unani	5	1	..	6
Total	1,626	70	1	1,695

Of the 1,585 hospitals and dispensaries following the Western System, 56 were State institutions (16 under Medical Department and 40 under other departments), 1,158 local fund institutions (including village and union board dispensaries), 114 private institutions receiving grants from Government or local bodies, 175 private non-aided, 74 railway and 8 subsidised dispensaries. Institutions situated in the rural and urban areas were as follows:—

	Urban.	Rural.
Western system	262	1,323
Homeopathic	7	85
Ayurvedic	2	10
Unani	4	2
Total	275	1,420

Of the 52 newly-opened dispensaries following the Western System, 46 were local fund institutions (including village and union board dispensaries), 4 private institutions receiving grants from Government or local bodies and 2 private non-aided institutions.

In addition to the above, treatment centres were temporarily opened in certain districts by the authorities of the district boards, for rendering medical aid in times of emergency and specially for the treatment of malaria, kala-azar and leprosy. Medical aid was also given in certain places to people attending hats (markets), *melas* and fairs. The number of such temporary treatment centres was 609 during the year under report as against 524 in the previous year.

There were two Government itinerant dispensaries, one in Darjeeling and the other in the Chittagong Hill Tracts (Statements C and D).

Beds.—The total number of beds in hospitals in the mufassil at the close of the year 1938 was 6,378, viz., 4,628 for males and 1,750 for females. During the year under report there was an addition of 177 beds. The total number of beds thus came to be 6,555 (4,652 for males and 1,903 for females). Of the total beds, 3,887 were in State public, local fund and private aided institutions and 2,668 in institutions of other classes.

Out of the 177 newly added beds, 100 were in State public, local fund and private aided institutions mainly at the district and subdivisional headquarters.

Patients treated.—The total number of patients treated in the hospitals and dispensaries in the mufassil during the year under report was 12,125,684 as compared with 12,949,418 in the preceding year showing thereby a decrease of 823,734 patients. The number treated under the various systems of medicine during the year under report, is shown below:—

A.—Allopathic system.

At permanently established institutions	10,671,578
At temporary medical centres	859,233
	11,530,811

B.—Non-Allopathic system.

Homeopathic	4,98,325
Ayurvedic	50,798
Unani	45,750
Total	5,94,873
Grand Total	12,125,684

In-patients.—Altogether 99,688 patients were treated in the indoor wards of all classes of hospitals under the Western System of medicine in the mufassil, during the year under report as compared with 104,815 in the preceding year, showing a decrease of 5,127 in-patients.

The average death rate amongst the in-patients was 5.70 per cent. as against 5.12 per cent. in the previous year.

Of the total number of in-patients, 71,764 were treated in the State public, local fund and private-aided institutions and 27,924 in the institutions of other categories. The daily average of in-patients in institutions of the former categories was 2,789.14 in 1939 as against 2,679.46 in 1938.

The number of patients treated in hospitals at district headquarters was 39,882 as against 37,530 in the previous year. The largest number of in-patients was treated, as in the previous years, in the Mitford Hospital, Dacca. The figures for this and some other Sadar Hospitals where a large number of in-patients was treated are shown below:—

	1938.	1939.
Mitford Hospital, Dacca ..	6,103	5,961
Victoria Hospital, Darjeeling	4,172	4,323
Fraser Hospital, Burdwan ..	2,545	2,804
Chittagong General Hospital	2,458	2,804
S. K. Hospital, Mymensingh	2,588	2,818
Berhampore Sadar Hospital	2,784	3,296
General Hospital, Jalpaiguri	1,880	2,061
Barisal Sadar Hospital ..	2,300	2,117

Out-patients.—The number of out-patients treated in the hospitals and dispensaries following the western system of medicine in the mufassil was 10,571,890 while those treated in the medical centres, melas, fairs, etc., numbered 859,233. The total number of out-patients treated under the Western System was thus 11,431,123 as against 12,299,999 in the preceding year.

Of the total number of out-patients treated, 8,131,883 were dealt with in institutions of classes I, III and IV as against 9,041,644 patients in 1938. The daily average attendance of these patients was 56,729.50 as against 66,118.74 in the previous year.

The number of out-patients treated at the Sadar Hospitals and dispensaries was 532,073 as against 542,459 in 1938.

The largest number of out-patients was treated at the Mitford Hospital, Dacca, viz., 71,162 as against 73,059 in the preceding year. Other Sadar Hospitals where large number of out-patients was treated were:—

Barisal Sadar Hospital ..	28,861
Burdwan Fraser Hospital ..	55,238
Midnapore Sadar Hospital ..	14,625
Jalpaiguri Sadar Hospital ..	36,818
Rangamati Sadar Hospital ..	31,167
Darjeeling Victoria Hospital ..	26,669
Chittagong General Hospital ..	28,944
Faridpur Sadar Hospital ..	29,670
Berhampur Sadar Hospital ..	20,695
Noakhali Sadar Hospital ..	14,501
S. K. Hospital, Mymensingh ..	23,479
Comilla Sadar Hospital ..	19,451

A total number of 594,873 out-patients were treated at dispensaries other than the Western System.

Diseases (Statement D).—The following statement shows the number of cases treated for some of the principal diseases and the number of deaths during the year under report and the preceding year:—

	1938.	1939.
Cholera—		
Treated	11,803	8,545
Deaths	479	353
Dysentery (Amoebic and Bacillary)—		
Treated	296,548	259,565
Deaths	572	427
Kala-azar—		
Treated	101,082	94,143
Deaths	344	287
Malaria—		
Treated	4,209,482	3,432,289
Deaths	349	290
Influenza—		
Treated	213,248	206,305
Deaths	31	16
Small-pox—		
Treated	881	867
Deaths	22	13
Tuberculosis of lungs—		
Treated	20,031	17,108
Deaths	410	337

<i>Veneral Diseases.</i>		1938.	1939.
Syphilis—			
Treated ..		19,117	18,936
Deaths ..		12	7
Gonococcal infection—			
Treated ..		36,184	35,159
Deaths ..		3	2
Soft chancre—			
Treated ..		1,787	1,968
Deaths ..		nil	nil
Other diseases of venereal origin—			
Treated ..		7,087	8,882
Deaths ..		3	4
Total—			
Treated ..		54,175	64,945
Deaths ..		18	13
Leprosy—

Deaths ..		9	6

It would appear that there has been decrease in the number of patients treated for most of the diseases, particularly for malaria.

In addition to the patients treated in general hospitals and dispensaries as shown above, cases of tuberculosis and leprosy were also treated in a few hospitals where there are special arrangements for treatment of such patients.

Tuberculosis Hospital at Jadavpur.—The number of patients treated in this hospital and its annexe, viz., the S. B. De Sanatorium at Kurseong was as follows:—

	1938.	1939.
Jadavpur T. B. Hospital ..	342	340
S. B. De Sanatorium, Kurseong ..	31	35

Hospitals for Leprosy.—There are three such hospitals, viz., the A. V. Leper Hospital, Gobra, the Bankura Leper Home and the Ranigunj Leper Home, Burdwan. The latter two institutions are run by missionaries. The number of patients treated in these hospitals are as follows:—

	1938.		1939.	
	Indoor.	Outdoor.	Indoor.	Outdoor.
A. V. Hospital for Leprosy, Gobra	259	1,884	286	12,476
Bankura Leper Home	287	214	258	187
Ranigunj Leper Home.	179	892	170	857
Total ..	725	2,990	714	13,520

The cost of upkeep of these leper hospitals amounted to Rs. 1,12,736-9-2 towards which contribution from Government to the two Mission Hospitals was Rs. 17,787 and to the Gobra Leper Hospital Rs. 61,231.

Surgical operations (Statement E).—In all classes of hospitals and dispensaries outside Calcutta 170,021 operations were performed on 164,621 patients as against 168,230 operations on 165,984 patients in 1938.

Out of these, 144,552 operations were performed on 142,182 patients in institutions of classes I, III and IV; 137,983 patients were cured, 3,273 relieved, 374 discharged otherwise, 550 died and 332 patients were under treatment in the hospitals at the close of the year.

The total number of selected and important operations were 13,981 as against 12,463 in 1938. The figures for some of these are shown below:—

	1938.	1939.
Extraction of lens	2,856	2,913
Excision of tumour	1,077	1,139
Operation on bones	1,337	1,315
Obstetrical operation	963	971
Abdominal section (other than obstetric) ..	856	829
Amputations ..	313	362
Hernia—		
Strangulation ..	108	115
Radical cure ..	230	237

Finance (Statement F)—Income.—The total receipts in hospitals and dispensaries of classes I, III and IV amounted to Rs. 34,16,602 during the year, under

report as compared with Rs. 34,52,443 in 1938. The details are shewn below:—

	1938.	1939.
	Rs.	Rs.
Government contributions ..	5,67,355 (16.43 per cent.)	6,36,940 (18.59 per cent.)
Local and municipal fund contributions	19,38,875 (56.15 per cent.)	20,14,763 (59.09 per cent.)
Funds collected by hospital committees, charitable contributions and donations.	4,44,231 (12.86 per cent.)	2,40,952 (7.94 per cent.)
Fees and contributions from patients.	2,52,343 (7.02 per cent.)	2,44,043 (7.01 per cent.)
Miscellaneous ..	2,49,639 (7.54 per cent.)	2,79,904 (7.37 per cent.)
Total ..	34,52,443	34,16,602

Expenditure.—The total cost of the upkeep of the hospitals and dispensaries of classes I, III and IV amounted to Rs. 33,27,334 as against Rs. 33,25,222 in 1938. The details under the different heads are shewn below:—

	1938.	1939.
	Rs.	Rs.
Salaries ..	16,62,576 (49.99 per cent.)	17,01,254 (51.29 per cent.)
Medicine ..	7,14,460 (21.48 per cent.)	6,95,609 (20.89 per cent.)
Diet ..	1,75,069 (5.26 per cent.)	1,84,634 (5.40 per cent.)
Apparatus repairs and renewals.	31,037 (.93 per cent.)	34,587 (.99 per cent.)
New buildings, additions to apparatus and other capital expenditure.	1,89,056 (5.68 per cent.)	2,19,823 (6.94 per cent.)
Repairs to buildings ..	1,23,722 (3.72 per cent.)	1,23,340 (3.75 per cent.)
Miscellaneous ..	4,29,302 (12.94 per cent.)	3,68,087 (10.94 per cent.)
Total ..	33,25,222	33,27,334

Invested capital (Statement G).—The opening balance of the invested capital of institutions of classes I, III and IV in the mufassil amounted to Rs. 33,23,281. Fresh investments made during the year under report amounted to Rs. 2,51,053 as against Rs. 1,05,633 during the preceding year. Securities worth Rs. 59,980 were sold and deposits to the extent of Rs. 10,994 were withdrawn as compared with Rs. 26,900 and

Rs. 23,026, respectively, in the preceding year. The closing balance at the end of the year under report thus stood at Rs. 35,03,360.

Nursing—Calcutta.—Conditions as regards nursing remained almost the same as before. There was slight variation in the strength of nursing staff in some of the large hospitals, as shown below:—

	1938.	1939.
Medical College Hospitals ..	203	215
Presidency General Hospital, Calcutta ..	104	101
Campbell Hospital ..	52	55
Sambhu Nath Pundit Hospital ..	25	28
Carmichael Hospital, Belgachia ..	87	89
Mayo Hospital ..	12	13
Calcutta Medical School Hospital	44	43
Lady Dufferin Hospital ..	64	78
Chittaranjan Seva Sadan ..	78	86

In the Medical College group of hospitals the overcrowded state of several wards entailed grave additional strain on the nursing staff. This inevitably led at times to deficiency in the nursing arrangements giving rise to complaints more or less of a justifiable character. So long as however the procedure of allowing extra beds remains in vogue, these difficulties are not likely to be mitigated to any appreciable extent.

In the Campbell Hospital there are 55 nurses out of whom 20 are qualified. The scheme of providing adequate nursing in the Campbell Hospital and the creation of a proper training institution for nurses has been sanctioned by Government and the quarters for a hundred probationary nurses are now under construction. It is expected that the scheme will come into force in October 1941. The post of a senior theatre sister was also sanctioned during the year and a suitable theatre sister was recruited after advertisement from 1st September 1939. The standard of nursing in the Campbell Hospital will greatly improve with the introduction of the new scheme. In the meanwhile temporary unqualified nurses are being replaced by qualified nurses.

The number of nurses at the Sambhu-nath Pundit Hospital has also been reported to be insufficient. To meet the requirements of nursing of this hospital a scheme is under consideration of Government.

Mufassil.—With a view to improve the nursing arrangement at the Mitford Hospital, Dacca, sanction of Government was accorded to the revision of the nursing staff of that institution to a total strength of 39. Sanction was also accorded to the entertainment of two nurses at the Rangamati Sadar Hospital. Registered nurses were employed in 15 district Sadar Hospitals. These were Burdwan, Midnapore, Howrah, Hooghly, 24-Parganas, Nadia, Murshidabad, Dacca, Mymensingh, Chittagong, Tippera, Chittagong Hill Tracts, Rajshahi, Jalpaiguri and Darjeeling.

Unregistered nurses were employed in five district Sadar Hospitals. These were Birbhum, Khulna, Faridpur, Dinajpur and Malda.

In the remaining seven Sadar Hospitals, viz., Bankura, Jessore, Bakarganj, Noakhali, Rangpur, Bogra and Pabna, there was no nursing staff at all.

The total number of nurses and midwives registered up to 1939 in the Bengal Nursing Council was as follows:—

Nurses	1,303
Midwives	1,198
Total	2,501

During the year under report 168 nurses and 216 midwives were registered.

There were as before, 18 institutions recognised by the Bengal Nursing Council for training of nurses, viz., 3 for the senior certificate and 15 for the junior certificate. There were 13 institutions recognised for training of midwives, viz., 2 for senior certificate and 11 for junior certificate. The Bengal Nursing Council held two examinations in April and October for nurses trained in the Council's recognised training schools. The number of nurses and midwives, who have passed the examinations of the Council during 1939 is:—

Senior nurses	42
Junior nurses (female)	17
Junior nurses (male)	4
Senior midwives	13
Junior midwives	20

Strength and distribution of medical personnel (Statement B).—In all the

hospitals and dispensaries under the Western System in the province there were at the close of the year under report 2,813 medical officers (including I.M.S. and I.M.D. officers, medical graduates and licentiates, both stipendiary and honorary), 1,345 compounders and 1,072 nurses, midwives and *dais* as compared with 2,769 medical officers, 1,275 compounders and 1,011 nurses, midwives and *dais*, respectively, during the preceding year.

Of the above, the number employed in the institutions in the urban and rural areas is shown in the table below:—

	1938.		1939.	
	Urban.	Rural.	Urban.	Rural.
Medical officers ..	1,364	1,405	1,383	1,424
Compounders ..	485	790	521	824
Nurses, midwives and <i>dais</i> ..	964	47	1,019	53

At the end of the year under report, out of a total of 27 Civil Surgeoncies, 10 were held by I.M.S. officers, 1 by I.M.D. officer and 16 by B.M.S. officers.

Titles and distinction.—During the year under report the following officers of the department were honoured with titles and distinctions in recognition of their services.

Lt.-Col. E. W. O'G. Kirwan, I.M.S., Professor of Ophthalmic Surgery of the Medical College, Calcutta, and Lt.-Col. F. J. Anderson, I.M.S., Professor of Surgery, Medical College, Calcutta, received the distinction of Companion of the Order of Indian Empire.

Dr. Dinesh Chandra Chakraverty, Professor of Clinical and Operative Surgery, Medical College, Calcutta, and K. S. Mitra, Esq., Secretary, Medical College Hospitals, Calcutta, received the distinction of the Member of the British Empire.

The Kaisari Hind 3rd Class Bronze Medal was conferred on Dr. Sanat Kumar Choudhury, Sub-Assistant Surgeon, Sadar Hospital, Bogra.

General Remarks.—The record of work of the department in respect of medical relief in the Province during the year under report was one of sustained progress. The number of institutions

increased by 154 of which 52 were institutions under the Western System, 17 under other systems and 85 were medical centres. There was also a net increase of 313 beds in hospitals and dispensaries following western system of medicine.

In Calcutta, the number of patients treated in hospitals and dispensaries increased by 8,986 in the indoor department and decreased by 2,826 in the outdoor department. In the mufassil there was a decrease of 5,127 patients in the indoor and 818,607 patients in the outdoor department.

The decrease is reported to be due to imposition of ticket fees on new patients (except indigent cases) in some of the local fund institutions, and smaller prevalence of malaria in some of the districts.

During the year under report one X-ray apparatus was installed in the Walsh Hospital, Serampore. X-ray facilities are now available in 12 hospitals in Calcutta and 21 hospitals in the mufassil.

Sanction of Government was accorded to the installation of a deep therapy apparatus at the Campbell Hospital, Calcutta, but the apparatus was not received during the year under report.

Government annual subsidies of Rs. 500 and Rs. 250 respectively, for thana and village dispensaries were given to a larger number of institutions during the year under report. One hundred and fourteen thana and four hundred and sixteen village dispensaries received these grants as against one hundred and seven thana and three hundred and thirty-one village dispensaries in the previous year.

Many new dispensary buildings were erected and various improvements effected on the existing buildings during the year under report. A statement of the new buildings and the improvements is furnished in Appendix III to this report.

A sum of Rs. 3,00,000 was provided in the budget for the year 1938-39 for the purpose of giving capital grants to district Sadar Hospitals for their improvements. Out of this provision, a sum of Rs. 63,000 was distributed amongst three Sadar Hospitals during the year 1938. Out of the balance of Rs. 2,37,000, a sum of Rs. 1,40,418 was

distributed during the year 1939 to the Sadar Hospitals as shown below:—

		Rs.
Burdwan	..	15,318
Midnapore	..	9,000
Hooghly	..	8,600
Mymensingh	..	25,000
Faridpur..	..	7,000
Bakarganj	..	5,000
Chittagong	..	25,000
Noakhali	..	5,500
Rajshahi	..	30,000
Rangpur	..	10,000
Total	..	1,40,418

The district of Chittagong Hill Tracts received special attention of Government. Increased grants were made for the supply of medical and surgical requisites to the dispensaries of the district.

Administrative approval of Government was also accorded during the year under report, to the scheme of a rural public health organisation for the Chittagong Hill Tracts including the anti-malarial scheme for Rangamati and Ramgarh and the scheme for medical education of hill boys in the district, at a total estimated ultimate cost of Rs. 63,182 and immediate cost of Rs. 44,961. During the year under report special arrangement was made for the treatment of Myong disease in the Chittagong Hill Tracts.

In order to afford greater facilities for the treatment and nourishment of tubercular patients. Government gave grants to the district sadar hospitals. During the year under report a sum of Rs. 15,000 was distributed for this purpose.

In order to encourage the work of the Association for the Prevention of Blindness in Bengal and to enlarge the scope of its activities, Government accorded sanction to the payment to the Association, of a grant of Rs. 15,000 on condition that they would maintain two more dispensaries in the province in addition to the two already existing, thus raising the total number of travelling eye dispensaries in Bengal to four. The additional two dispensaries could not, however, be started till late in the year.

Iron lungs.—In connection with Lord Nuffield's announcement of a gift of iron lungs to hospitals and other institutions in the Empire, recommendations were called for by the High Commissioner for India from the Provincial Governments.

The following hospitals in Bengal were accordingly recommended by the Government for the supply of Iron Lungs.

Government Hospitals.

1. Medical College Hospitals, Calcutta.
2. Mitford Hospital, Dacca.

Private aided hospitals.

3. Carmichael Medical College Hospitals, Belgachia.
4. Chittagong General Hospital.
5. Burdwan Fraser Hospital.
6. Jadavpur Tuberculosis Hospital.
7. Victoria Hospital, Darjeeling.
8. Howrah General Hospital.

As in the last year provision was made for the award of special scholarships to the Muslim and the Scheduled Caste students of the Government Medical Schools and the Calcutta Medical College. Revision and improvement of teaching arrangements was also introduced in Government medical schools during the year under report.

Medicinal Plants and Food Poisons Enquiry continued in the School of Tropical Medicine, Calcutta, and a grant of Rs. 11,888 was received from the Imperial Council of Agricultural Research for this purpose during the year under report.

The special committee which was appointed by Government in 1938 to

consider the proposal for the conversion of the Dacca Medical School into a Medical College and the establishment of a College of Pharmacy in Calcutta, continued its work during the year under report.

Valuable services were rendered as usual by some of the non-official organisations in connection with the work of medical relief in the Province. These were (1) the British Empire Leprosy Relief Association (Bengal Branch), (2) Tuberculosis Association, Bengal, (3) Association for the Prevention of Blindness, Bengal, (4) the Red Cross Society and (5) the St. John Ambulance Association, Bengal.

Office.—The office in all sections worked satisfactorily throughout the year under unduly heavy pressure of work, which was further increased due to the outbreak of war towards the end of the year under report. Government was approached to strengthen the office staff to cope with the increased work of the department, a matter still of urgent importance.

I have the honour to be,

Sir,

Your most obedient servant,

P. S. MILLS,

MAJOR-GENERAL, I.M.S.,

*Surgeon-General with the
Government of Bengal.*
