Seamen's Hospital Society.

ANNUAL REPORT FOR THE YEAR 1922.

THE Committee present herewith the 102nd Annual Report.

They greatly regret to record the death of Sir Patrick Manson, which occurred in April last. It is not possible here to appraise adequately the genius of Manson or his achievements in the scientific research of diseases peculiar to the tropics. His is one of the outstanding names in medicine, ranking with Pasteur, Lister and Virchow, though his work has perhaps not yet been given the full recognition it merits and will surely in time receive. The Seamen's Hospital Society is proud to have been intimately associated with Manson and Mr. Joseph Chamberlain in the foundation of the London School of Tropical Medicine. The success of the School, both in research and as a training ground for medical men destined to take up work in tropical countries, was mainly due to his enthusiasm and inspired teaching. Although he retired some years ago from active work in the School, and from his position on the Honorary Medical Staff of the Albert Dock Hospital (where, until the Society's new Hospital for Tropical Diseases was founded, cases of tropical illness were nursed), the welfare of the School remained to the end his most absorbing interest, and when in London a day rarely passed that he did not visit there.

During the past year the work of the Society has been carried on with undiminished vigour and success, no less than 4,284 In-patients and 16,679 Out-patients having received attention.

1922 was the first whole year during which King George's Sanatorium at Bramshott was open, and it has fully justified its existence. The cost per bed, which works out at £2 18s. 9d. per week, is, in the circumstances, not unsatisfactory. The Committee are glad to announce that Sir Henry Gauvain has joined the Honorary Staff as Consulting Surgeon.

The Albert Dock Hospital has had a wonderfully busy year, and has been full to overflowing almost all the time. A tribute must be paid to the work of Miss Price, the Matron, who assumed office at the end of 1921, and who has done so much to increase the popularity of the Hospital in the district.

It had been hoped that the year 1922 might have seen the beginning of the extension and improvement of the Dreadnought Hospital. Negotiations are at present in progress with the Lords Commissioners of the Admiralty, and it is anticipated that the work will soon be started.

Beds have been endowed in the Dreadnought Hospital by the following subscribers:—Mrs. Angas, Lady McEacharn, Mr. J. J. Hovey, the late Mrs. Orford, and the late Professor Carlton Lambert. £3,000 has also been received through King George's Fund for Sailors, from the Executor (Sir Walter Trower) of the late Miss Annie Barnes, for the endowment of a bed in each of the following Institutions:—Dreadnought Hospital, Angas Convalescent Home, and King George's Sanatorium for Sailors.

The General Nursing Council for England and Wales, established under the Nurses' Registration Act of 1919, has

been busy during the past year in establishing its Register of Nurses. For many years past the Dreadnought Hospital has had an Affiliated Scheme of training, under which its Nurses trained there for three years and for one year at a Hospital for Women and Children, and a joint certificate has been issued. The Nursing Council has given its approval to this combined training.

The Committee again record with much gratitude the generous support that has been offered to the Society, and they are glad to be able to state that the Society once more enters upon a new year free from debt.

The Committee desire to express their appreciation of the services of the Honorary Medical Staff, and of those of the Chaplains and Matrons and Nursing Staff, and other employees of the Society. They tender also their most grateful thanks to all those who have so generously contributed towards the care of sick and injured Sailors.

The Annual Meeting in the year 1922 took place on Wednesday, the 15th March, at the Hotel Cecil, under the Presidency of Lord Lee of Fareham, First Lord of the Admiralty, who was supported by Sir Ernest Glover, Sir Alan Anderson, Lord Bearsted and Mr. P. P. Cole, the Senior Surgeon of the Dreadnought Hospital. The Chairman, Sir Arthur Clarke, presented the 101st Annual Report and an appeal for help to carry on the work of the Society was made by the various speakers. Between 400 and 500 Governors and Subscribers were present.

The Committee elected Captain Sir Arthur W. Clarke, K.B.E. (Elder Brother of the Trinity House), as their Chairman in succession to the late Sir Perceval Nairne. Sir Arthur Clarke had been the Deputy Chairman since 1915. Captain H. B. Hooper, R.I.M., was elected Deputy Chairman.

Mr. Cyril Nairne has been appointed a Trustee of the Society, in place of the late Sir Perceval Nairne.

The Committee regret to record the following deaths:—

Sir Patrick Manson died in April, and his loss to the Society is referred to in the Annual Report. Sir Patrick joined the Honorary Medical Staff as Physician at the Albert Dock Hospital in 1892. In 1912 he resigned his appointment and was elected Consulting Physician by the Board but he retained his position

as Senior Lecturer in the School.

Sir Thomas Sutherland, the Senior Vice-President of the Society, who had been associated with the Charity since the year 1890, died in the early part of 1922.

Two members of the Board of Management, Captain P. Harris and Mr. George Croll, have passed away, the former having served on the Committee since 1907. Admiral Sir Walter Hunt Grubbe, G.C.B., died on the 11th April, in his 90th year. Sir Walter joined the Board in 1894. He was appointed Deputy-Chairman in 1898 and Vice-President in 1909. The death occurred of Admiral Swinton Holland, of Langley House, Chichester, on the 8th June, 1922. He was a member of the Board of Management from July, 1906, to November, 1920.

Mr. G. Nixon Biggs, Surgeon for Diseases of the Throat, Nose and Ear at the Dreadnought Hospital, passed away in November. His death at an early age is a great loss to the Society. Mr. Biggs had already achieved a prominent place in his profession. He was a brilliant surgeon, and had in quite an exceptional degree the gift of inspiring confidence in his patients.

During the year the Chapel at King George's Sanatorium for Sailors has been enlarged, and the dedication by the Rt. Rev. Bishop Crossley, D.D., took place on the 27th of September. Admiral Jervoise represented the Committee, and between forty and fifty guests were present. The following gifts were received in connection therewith:—From Lady Jackson, a Burse and Veil (her own work). Oak Communion Rails, Altar Linen and Kneelers have also been provided, and the Staff and Patients of the Sanatorium have presented a Silver Chalice.

LEGACIES.

THE Committee observe with much regret that among the many large Bequests to Charities the Dreadnought and Sick Seamen seem often to be forgotten.

→ Samaritan Fund. ←

THE Committee invite those Governors and Subscribers to the Society, and all friends of Sailors, who do not already contribute to the Samaritan Fund, to become Subscribers of 5/- a year.

As is well known, the desire of the Seamen's Hospital Society is not only to cure the sick and injured, but to succour those who, through shipwreck, sickness, or other misfortune, are in distress when leaving the Hospital. The Samaritan Fund enables the Committee to assist such by providing clothing for those in need, and railway and boat fares to different ports in the United Kingdom to those who, but for the Fund, would find themselves among strangers in the Port of London—without money, and without a home. The incurable and those past work are sent, when practicable, to whatever part of the world they may belong.

Presents of Clothing and left-off Wearing Apparel will be most thankfully received and acknowledged.

Reproductions of Hollar's Long View of Greenwich are on Sale at the Hospital, for the benefit of the Samaritan Fund, price 2/6. Framed, 5/-.
