THE DEVONPORT NURSES' HOME, DREADNOUGHT HOSPITAL, GREENWICH

Seamen's Bospital Society.

ANNUAL REPORT FOR THE YEAR 1926.

A VERY successful year, fraught with good omens for the future, in that the foundation stone of the new Nurses' Home was laid on the 23rd June.

The Home is on the site provided by the Admiralty, in proximity to the Hospital at Greenwich, and the ceremony was performed by the Rt. Hon. Viscount Devonport. A large number of Governors and supporters of the Society were present, and a delightful day lent hope and brightness to the occasion.

As mentioned in the last Report, the Home will afford accommodation for about 120 members of the nursing and domestic staff.

In consequence of difficulties of production the work did not progress as rapidly as was expected, but by the end of the year the foundations were in and the building level with the first floor.

The Pathological block, lying to the south-west of the site, being smaller, has made more rapid progress, and is nearing completion.

Until the Nurses' Home is available it is not possible to proceed with the Officers' unit, which will be in the part of the old building vacated by the Nurses, but it is the desire of the Society to see that improved accommodation for Officers of the Merchant Service is provided, affording the amenities of sitting room, etc., for these men who, by their efforts when at sea, help to interest the public in the well-being of the mariner, and so augment the funds of the Society.

Where possible the remodelling of the old Hospital is being proceeded with; the Architect is preparing plans for this work, which has been so long needed.

Death has deprived the Society of several of those who have been closely associated with the work of the Corporation for many years.

Admiral Sir Robert Harris, K.C.B., K.C.M.G., a member of the Board from 1904 to 1913, when he was elected a Vice-President of the Corporation, died on the 25th August. Though there are few now associated with the Society who remember him, he rendered much service to the Charity in his day.

With sorrow the Committee report the death of another Vice-President, Captain Sir Herbert Acton Blake, K.C.M.G., K.C.V.O., Deputy Master of the Trinity House, who was also one of the Trustees of the Seamen's Hospital Society, and a true friend of the sailor. When convalescing after an illness in the early part of the year Sir Acton Blake went for a sea voyage, which it was hoped would restore him to health, and at sea, where he had spent so much of his life, he died, and was buried. His loss is deeply felt by all those who had the privilege of serving with him and knowing him.

The Committee record with deep regret the death of Sir Charles Stansfield, C.B., Director of Greenwich Hospital, who joined the Board of Management of the Seamen's Hospital Society in 1909, and who was a regular attendant at its meetings. He died on the 29th of May.

Sir James Cantlie, K.B.E., F.R.C.S., the well-known Surgeon attached to the Albert Dock Hospital and the Hospital for Tropical Diseases, died on the 28th May, after a service extending over a period of twenty-seven years.

New members: Mr. A. W. Smallwood, C.B.E., Director of Greenwich Hospital, and Mr. W. J. McAlister, Chairman of the General Steam Navigation Company, have joined the Board since the last Report was issued.

The various Branches of the Society have all done good work during the year. The last established, the Hospital at Tilbury, has proved the great need that existed for some form of medical and surgical aid for the many workers on that part of the river's banks. The little Cottage Hospital that provided seventeen beds a few years ago now has accommodation for sixty beds, and this number is frequently exceeded by the setting up of extra beds and cots to meet the need of urgent cases.

The Albert Dock Hospital, the first established branch of the Corporation, continues its work in that busy centre, giving succour to the thousands who seek aid therein and rendering valuable assistance to the dwellers in Dockland.

The Hospital for Tropical Diseases continues to fulfil its mission, and at certain times of the year its resources are strained to their utmost.

King George's Sanatorium for Sailors at Bramshott has been well occupied throughout the year, and the same may be said of the Angas Convalescent Home at Cudham.

In consequence of the advance in the method of treatment of patients suffering from Tuberculosis, it has been found necessary to increase the Nursing Staff at Bramshott. The accommodation in the old building not being adequate to meet the increased requirements, a small house in proximity to the administrative buildings has, on the advice of Mr. Stanley Hamp, the Architect, been erected on what is known as the Tibbenham principle. This provides a picturesque cottage with accommodation for eleven Nurses,

including a sitting room and the modern amenities of a Nurses' Home. The new Home was opened by Lady Clarke on the 6th November, and it has proved a great comfort to those members of the Nursing Staff serving at Bramshott.

It was stated in the last Annual Report that the necessity for providing a Light unit at King George's Sanatorium for Sailors had been pressed upon the Board by Sir Henry Gauvain and the Medical Staff at Bramshott, and that a special fund was being raised to defray the cost thereof. In response to an appeal, a sum of £2,500 has been received. A considerable portion of this amount has been given by officers and men of the Fleet, the remainder coming from other donors, individuals and companies. It is now intended to construct a new ward of ten beds, to adapt another ward for the electrical apparatus, and to provide the electricity and additional lights.

This new method of treatment will be a great advantage to patients, especially during the dark days of winter. The work is not yet put in hand, but tenders are being invited on a scheme suggested by Sir Henry Gauvain.

At the various establishments of the Society over 28,000 patients have been treated, and the response made by the public to this effort on behalf of the Mariner has been generous.

Sufficient income has been subscribed to meet the needs of the six establishments. This is recognition of the courage and labour of the Mariner, and the Board feel that it is also evidence of the confidence felt by the public in the work that the Society is doing for the community. It would, however, be possible for the Seamen's Hospital Society to extend its assistance even further, and if additional aid were available a still larger number of sick and suffering might receive

treatment and relief in the various Hospitals of the Society. There is no doubt that much more help could be rendered in the Tilbury district if another pavilion were erected.

During the year the following patients have been treated:—

	In- Patients.	Out- Patients.	Total.
Dreadnought Hospital	2,784	10,948	13,732
Albert Dock Hospital	700	7,159	7,859
Hospital for Tropical Diseases	603		603
Tilbury Hospital	808	4,429	5,237
King George's Sanatorium	99	the develope to	99
Angas Convalescent Home	387	110000000000000000000000000000000000000	387
East India Dock Dispensary		347	347
Total	5,381	22,883	28,264

In conclusion, the Board of Management desire to express their gratitude to the many supporters whose generous aid has enabled them to maintain the various establishments of the Seamen's Hospital Society in their present efficient and satisfactory condition, and to thank the administrative, medical and nursing staffs of all the establishments of the Society for their zealous work in the interests of the Sailor.

A. W. CLARKE,

Chairman.

EVENTS OF THE YEAR 1926.

Influenza robbed the Society of the advantage of the presence of H.R.H. the Duke of York at the last Annual Meeting. Mr. Neville Chamberlain, the Minister of Health, was good enough at the last moment to occupy the chair, and a very successful meeting was held, there being about 800 Governors of the Charity present.

The Dreadnought was favoured by a visit from the Duke of Montrose on the 1st December, when His Grace was good enough to unveil the Tablet which has been erected to record the generous assistance rendered to the Seamen's Hospital Society by King George's Fund for Sailors during the nine years of the Fund's existence. A Ward in the Hospital has been named "King George's Fund for Sailors Ward."

A portrait of the late Sir Sydney Russell Wells, M.P., M.D., B.Sc., F.R.C.P., the distinguished Physician who served on the Honorary Medical Staff of the Dreadnought Hospital from 1906 until his death in 1924, was unveiled by Sir Humphry Rolleston, Bart., K.C.B., on the 4th of May.

The Seamen's Hospital Aid Committee have completed the endowment of a sixth bed in the Dreadnought Hospital. The tablet over this bed was unveiled by Sir George Hume, M.P., on Saturday, the 30th October, when there was a large attendance, and much appreciation was expressed in regard to the assistance afforded by the Aid Committee. On 5th September, by favour of the British Broadcasting Company, the Chairman, Sir Arthur Clarke, broadcasted an appeal for the Dreadnought, which has started a fund for the endowment of a "Wireless" Bed, the total received now amounting to £325.

In order to make known what the Society is doing for the welfare of the Sailor on the great Indian trade routes, and also to acquaint those who suffer from tropical diseases of the facilities afforded by the Society, Mr. F. A. Lyon, a member of the secretarial staff, is in India at the present time.

DREADNOUGHT HOSPITAL.

Dr. J. Purdon Martin, M.D., M.R.C.P., has been elected Physician in the place of the late Dr. H. Ridley Prentice.

Dr. Richmond McIntosh, M.B., Ch.B., Glasgow, has been appointed Medical Superintendent.

The Nursing at Greenwich has been strengthened by the establishment of a Preliminary Training School for Probationers, and candidates for the Nursing Staff are now admitted for a period of six weeks, during which time observation can be made as to their fitness to enter for the complete training required by the General Nursing Council.

There has also been attached to the Dreadnought Hospital a Private Staff of Nurses who have completed their training. Nurses trained at the Dreadnought may therefore be engaged for outside cases by doctors and others needing their services.

The Linen League at the Hospital is doing excellent work.

ALBERT DOCK HOSPITAL.

As mentioned in the Report this Hospital has continued to work at high pressure during the year that has just closed, the generous assistance afforded this branch being evidence of its usefulness in the neighbourhood.

The East Ham Palace Entertainments, organised by Mr. R. W. Vagnolini and his Committee, took place on the 2nd and 3rd December, a sum of £680 being raised for the benefit of the Albert Dock Hospital—a most satisfactory result.

HOSPITAL FOR TROPICAL DISEASES.

Miss C. Graham Knight, M.B.E., the oldest member of the Nursing Staff, and Matron of this branch of the Society, resigned in May after a service of thirty years. It was with deep regret that the Board were constrained to accept her retirement on pension.

Miss C. E. Hayden, who has served as Sister at the Dreadnought Hospital, has been appointed in her stead.

The Board have, on the recommendation of the Medical Council, appointed Dr. Duncan White, M.B., Ch.B., Assistant Radiologist at this Branch.

The office of Resident Secretary has been filled by the appointment of Mr. C. E. H. Lloyd.

A bed in this Hospital has been endowed by residents in Ceylon in recognition of the part that the Sailor takes in the seaborne trade of the island. The tablet recording this generous gift was unveiled by the Hon. W. G. A. Ormsby-Gore on Friday, the 25th June.

TILBURY HOSPITAL.

Miss Elsie Mackay has very kindly taken an interest in the welfare of this branch, and has visited the Hospital on several occasions.

So rapid has been the growth of this Hospital, and so great the increase in the number of patients, that it has been thought advisable to make provision for the future, and some adjoining land has been acquired by the Society, together with a house thereon. This will facilitate the work of the Hospital pending the erection of a new pavilion when funds will permit, and provide a few additional beds.

The Honorary Medical Staff has been added to by the appointment of Mr. C. J. Pinching, O.B.E., M.B., B.Ch., as one of the Visiting Surgeons.

Dr. W. T. G. Boul, M.B., Ch.B., M.D., D.P.H., Tuberculosis Officer for the County of Essex, has also been appointed Visiting Tuberculosis Officer.

The General Nursing Council have seen fit to recognise the Tilbury Hospital as a complete training school for General Nurses.

The excellent and hardworking Linen League at Tilbury has generously provided the linen and bedding, not only for the existing beds, but also for the new ones which will be wholly equipped by them.

The Wireless for Hospitals Fund have extended their generosity to this last established branch of the Seamen's Hospital Society, and on the 13th December Dame Caroline Bridgeman visited Tilbury Hospital and handed over the installation on behalf of the Wireless Fund. It is needless to say what a boon this is to the inmates of that somewhat isolated institution.

KING GEORGE'S SANATORIUM FOR SAILORS.

Miss A. M. Hobling, who served as Matron at this branch of the Society, resigned in the latter part of the year. She has been succeeded by Miss M. Ruck, R.R.C., who had served as Sister at the Dreadnought Hospital for a considerable period.

ANGAS CONVALESCENT HOME.

During the year still further improvements have been effected at the Home in the form of a central heating installation, the cost of which has been kindly defrayed by the generous founder—Mrs. Angas.

A list of benefactions will be found in another portion of this report. It is impossible to mention all those to whom the Society is indebted for help and services rendered, but mention may be made of the Seamen's Hospital Aid Committee and the Hospitals Welfare Society.

The Committee express their gratitude also to the great Funds who have again given substantial aid, namely:—

King Edward's Hospital Fund for London.

King George's Fund for Sailors.

Metropolitan Hospital Sunday Fund.

Hospital Saturday Fund.

The following endowments have been made during the year:—

Aileen Congreve Bed.

King George's Fund for Sailors, Aileen Congreve Bed No. 2.
