OBJECTS OF THE INSTITUTION.

THIS Hospital has been established for the reception of Children suffering from Chronic and Incurable Disease, who are on that account excluded or discharged from General Hospitals. Although many of these patients are beyond hope of ultimate recovery, it is found that medical skill and careful nursing, together with good food and ventilation, such as cannot be obtained in the homes of the poor, will always greatly alleviate suffering; while some cases can be successfully treated, which, requiring for their cure a longer time than can be spared to them in General Hospitals, receive here continuous care for an indefinite period.

NOTE.

The Committee of the Cheyne Hospital desire to state that, owing to the special character of this Institution, it is not found possible to give "Letters of Recommendation" to those who kindly contribute to their Funds. Such Letters are practically futile, unless they carry a reasonable probability of early admission or relief: indeed they are worse than useless, because they would appear to give a promise which could not be fulfilled, and would thus lead to disappointment and misunderstanding. As the main object of the Cheyne Hospital is to undertake the continuous care and treatment of cases of deep-seated or incurable disease, which no General Hospital will accept, and to keep them for an indefinite period, it will be obvious that changes are very slow and vacancies few and far between. The *average* length of Patients' stay in the Hospital is now over two years; while many of the children remain for much longer periods, as will be seen from the Medical Report, the figures in which speak for themselves as to the rate of progress of the Hospital work. Subscribers are invited to write in reference to any case in which they may be interested to the Secretary, who will at once, should it appear *prima facie* eligible, forward a copy of Form of Medical Certificate, on return of which duly filled in, the Child's name will be added to the list for examination and admission as vacancies arise, and in accordance with the privileges of Donors and Subscribers, (p. 4). More than this cannot in honesty be promised, and the Committee feel it due to their many and generous friends to make their position in this matter clear.

PRIVILEGES OF DONORS AND SUBSCRIBERS.

1.—Donors of not less than Fifty Guineas (£52 10s.) in one sum, and Annual Subscribers of Ten Guineas (£10 10s.) and upwards (during the continuance of such subscription) are thereby constituted Governors, and are entitled to attend and vote at the Annual Meeting of the Committee of Management, and to nominate one suitable case for admission annually, such cases having precedence on the list over those recommended by other Subscribers.

2.—All Annual Subscribers of One Guinea and upwards are entitled to recommend one suitable case annually, during the continuance of such subscription; such cases taking precedence on the Admission List over those not so recommended.

EXECUTORS.

One of the Executors of every person from whose estate a Legacy of Fifty Guineas or upwards shall have been received by the Hospital, shall be entitled to the same privileges as a Donor of Fifty Guineas.

LIFE COT ENDOWMENTS.

1.—A Donation in one sum of Three Hundred Pounds (£300) endows a Free Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

2.—A Donation in one sum of Two Hundred and Fifty Pounds (£250) endows a Half-Payment Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

Life Cot Endowments, ceasing upon the death of the Donor, may be converted into Permanent Cot Endowments by the payment within twelve months of the death of the Donor either by Bequest or otherwise, of the further sum of Seven Hundred Pounds in the case of a Free Life Cot Endowment, or of Five Hundred Pounds in the case of a Half-Payment Life Cot Endowment, free of Legacy Duty.

COT SUBSCRIBERS.

1.—An Annual Cot Subscription of Forty Pounds (or a Donation in one sum of One Thousand Pounds), entitles the Subscriber to name a Free Cot, and to nominate an eligible Patient as often as the Cot becomes vacant: no further payment being required on behalf of the occupant.

2.—An Annual Cot Subscription of Thirty Pounds (or a Donation in one sum of Seven Hundred and Fifty Pounds), entitles the Subscriber to name a Half-Payment Cot, and to nominate an eligible Patient as often as the Cot becomes vacant; the weekly payment of two shillings being required from the parents or friends of the occupant.

RULES FOR THE ADMISSION OF PATIENTS.

THE Hospital is devoted to the Treatment of the Children of the deserving Poor, suffering from Disease which is incurable, or which requires for its permanent relief or cure a longer time than can be spared to such cases in General Hospitals.

1.—Such cases only are eligible for admission as have been rejected or discharged from a General Hospital, or can be shown to be unfit for treatment in such Hospitals.

2.—Cases of Cancer, Consumption, Epilepsy, Hydrocephalus, Mental Derangement or Deficiency, all infectious cases, and Cripples not requiring Surgical Treatment, are not eligible. Pauper Children (that is, Children to be paid for, either wholly or in part, by the Guardians, directly or indirectly) are also inadmissible.

3.—Children are admitted only between three and ten years of age; those recommended by Governors and Subscribers taking precedence. Patients are not retained after the age of sixteen.

[A List of Governors and Subscribers, and full particulars of their privileges, will be found on pp. 44 and 4.]

4.—The payment of Four Shillings a week is required from the Parents or Friends of the Patients.*

5.—No case will be put upon the List for Admission till Forms of Medical Certificate and Guarantee (to be obtained of the Secretary) have been duly filled in and signed by a qualified Medical Practitioner and responsible Guarantor respectively, and returned to the Secretary at the Hospital.

6.—The Committee reserve power to refuse the name of any Guarantor without reason assigned, or to require a Guarantor to furnish references for the necessary security to their satisfaction.†

7.—No Guarantee shall be withdrawn without one month's previous notice in writing to the Secretary of the Hospital.

8.—Applicants for admission, unless the Doctor shall certify to the contrary, may be required to be brought to the Hospital for Medical examination before they can be admitted.

9.—Any Child who has been admitted to the Hospital, but who subsequently proves unsuitable from any cause, may be discharged upon three days' notice, sent by post to the last furnished address of the parent or guardian. The expenses of removal must be in all cases defrayed by the parents or friends of the child.

10.—Any alteration in the address of the patient while awaiting admission should be at once notified to the Secretary.

* Certain Free and Assisted Cots have been founded for specially necessitous cases. Applications for vacancies in these must be accompanied by full particulars of the circumstances of the family; and it must be borne in mind that the Committee only occasionally have these Cots at their disposal.

† The Guarantor should be a house holder (or the wife of a house holder) rated at £40 or more per annum. Unless the parents make regular weekly payments at the Hospital, the Guarantor is requested to arrange to receive their contributions and remit the maintenance charge quarterly.

METHODS OF HELP.

The following means of assisting the objects of this Institution are set down for the information, and in response to the enquiries, of friends who may be willing to give practical support to its work.

Cot Endowment.

The sum of £1,000 endows a Free Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

The sum of £750 endows a Half-payment Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs; the payment of two shillings a week being required on behalf of the occupant.

The sum of £300 endows a Free Cot for the period of the Donor's life, and entitles the Donor to name it and to nominate a child to it as vacancies arise, no payment being required on behalf of the patient.

The sum of £250 endows a Half-Payment Cot for the period of the Donor's life, and entitles the Donor to name it, and to nominate a child to it as vacancies arise, the payment of two shillings a week being required on behalf of the patient so nominated.

These Life Cot Endowments can be converted into Permanent Endowments upon the death of the Donor, either by bequest or otherwise. (See p. 4.)

Cot Subscription.

An Annual Subscription of £40 entitles the Subscriber (during its continuance) to name a Free Cot, and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

An Annual Subscription of £30 entitles the Subscriber (during its continuance) to name a Half-payment Cot, and to nominate a child to it whenever a vacancy occurs, the payment of two shillings a week being required on behalf of the occupant.

Annual Subscription.

An Annual Subscription of £10 10s. and upwards constitutes the Subscriber (during its continuance) a Governor of the Hospital; such Governor being entitled to attend and vote at the Annual Meeting of the Committee and Governors, and to nominate one case annually; such child having precedence of admission over those recommended by other Subscribers.

An Annual Subscription of £1 1s. and upwards entitles the Subscriber (during its continuance) to recommend one child annually; such case taking precedence of admission over those not so recommended.

[The use of this Bank Order Form by those Subscribers to whom it may be convenient, saves a certain small amount of trouble, risk, and postage. When filled in, it should be returned to the Secretary, at the Hospital. Acknowledgments of payments received through Bankers are duly sent to the Subscribers.]

Assistance for Special Cases.

Some friends prefer to concentrate their interest upon one particular Cot or case. A few methods of doing this are suggested:--

- (1) The maintenance payment for a child at the Hospital is £10 8s. per annum, the actual *cost* of its support being about £54 per annum. In the majority of cases the parents are able, and ought, to pay some part of this sum, but help to a greater or less extent is often needed. The Secretary can always furnish details of cases requiring such help.
- (2) Assistance in finding suitable Homes for children requiring care and attention after leaving the Hospital, is frequently wanted by the Committee.
- (3) Contributions towards the purchase of instruments, carriages, &c., for discharged patients, and towards their maintenance at Nursing or other Homes, are always welcomed.

Donations.

A Donation of £52 10s. in one sum constitutes a Life Governor of Cheyne Hospital. (For privileges see under Annual Subscription.) Contributions of any amount are gratefully accepted and acknowledged; and these unexpected gifts come sometimes with particular gratification at a time of special and depressing need.

Gifts in kind.

Amongst the gifts which are always specially welcome are:—

Cast Linen of any kind; also Children's Clothing, Counterpanes, Blankets, &c. Game, Fresh Fruit and Eggs, New (*unbroken*) Toys, Jellies, &c., from table are much appreciated.

The Lady Superintendent will forward patterns of red and blue jackets, flannel vests, night-gowns, and holland pinafores to any friends who may be willing to provide some of these constantly-needed articles of clothing for the children, the large majority of whom are always confined to bed. Miss Elam would also be most grateful for some parcels of old linen or calico of *any* kind, a supply of which is daily required.

Enlisting Friends.

It remains to mention one method of help which is within the means of almost all, and which may prove as valuable as any.

While there are many who have real sympathy with such work as is here carried out, but who cannot afford direct support, there are many also who are strangers to Cheyne Hospital, but whose purses would be generously opened at a word of hearty *unofficial* pleading from a friend. In enlisting for our labours the interest of some of these, our present friends may be rendering the Institution a service which is none the less valuable because it is vicarious.

MEMORANDA.

The Secretary will be very glad to receive from supporters of the Hospital the names and addresses of any friends to whom they would like a copy of this Report to be sent.

* * *

No Collectors are employed by this Hospital, nor is any commission deducted from contributions received.

* * *

The Hospital does not afford a complete course of training for Nurses nor admit Probationers.

* * *

There is no Out-Patient department.

* * *

The average length of Patients' stay in the Hospital is about twenty-seven and a half months.

* * *

The average cost of each occupied bed was last year about £54, or 20s. 9d. per week.

* * *

The average number of children ultimately discharged, relieved or cured is rather more than half of the number admitted.

* * *

To prevent misunderstanding, the Committee beg that Subscribers recommending Children for admission will explain to the Parents that this Hospital is for *Incurable and Long Cases, such as cannot be retained in a General Hospital.*

* * *

All that is possible will be done for the Patients, but if a rapid cure could be reasonably expected, the case would be eligible for a General Hospital, and therefore would not be received here.

* * *

It should also be borne in mind that the Hospital is usually full; and that there are often a certain number of eligible cases on the Admission List awaiting their turn to be admitted as vacancies arise.

* * *

Those interested in the work of this Hospital are invited to visit it any week-day afternoon between 2 and 4.30 o'clock; and if desirous of becoming regular weekly visitors, to communicate with the Lady Superintendent.

* * *

Visitors are reminded of the danger of coming to see the children in the Hospital after having been in contact with any infectious disease.

* * *

The parents, relations, and friends of the Patients are admitted on Sunday Afternoons between 3 and 5 o'clock, but children will only be admitted on the first Sunday in every month.

* * *

It would much facilitate the collection of contributions and would assist the completion of the list, if Subscribers, for whom such a method might be convenient, would kindly make use of the Banker's Form enclosed; and also if those whose subscriptions become due in June would be so good as to forward them before the 30th AT LATEST.

* * *

In view of the objectionable use made of Subscription Lists in compiling appeal directories, and for begging purposes, the Secretary wishes to say that, when desired, the addresses of contributors can be omitted from the list, or their contributions entered under initials or receipt numbers only.

* * *

Early advice of changes of address, or of any inaccuracies in the entries, is particularly requested.

THE ANNUAL GENERAL MEETING.

The Twenty-ninth Annual Meeting of the Committee and Governors of Cheyne Hospital took place at the Hospital on Wednesday, November 2nd, 1904, at 5.30 o'clock.

The Chair was taken by Sir Colin Scott-Moncrieff.

The minutes of the proceedings at the Twenty-eighth Annual Meeting on November 4th, 1903, were read and confirmed.

THE REPORT.

The Report and Statements of Receipts and Expenditure for the twelve months ending June 30th, 1904, as submitted by the General Committee, were duly adopted.

RE-ELECTION OF MEMBERS OF THE COMMITTEE.

The following Members of the General Committee of Management, who retired at this meeting in order of seniority of their appointment thereupon, were re-elected as members, viz.: Leonard F. Harrison, Esq., Miss Forbes, and Reginald Plunt, Esq.

ELECTION OF CHAIRMAN.

In response to the unanimous wish of those present, Sir Colin Scott-Moncrieff kindly consented to act as Chairman of Committee for the ensuing year.

ELECTION OF HOUSE COMMITTEE.

The following Members of the General Committee were appointed to form the House Committee for the ensuing year, viz.: Sir Colin Scott-Moncrieff, Mr. J. Prime Bartlett, Mr. Blunt, Sir C. Cookson, Mrs. Flower, Miss Forbes, Mrs. Geiger, Mr. L. Harrison, Lady Vere Hughes, Mr. George Matthey, Lady Monkswell, and the Marchioness of Ripon.

AUDITORS.

Messrs. Ball, Baker, Deed, Cornish & Co. were appointed Auditors for the coming year.

VOTE OF THANKS.

A cordial vote of thanks was accorded to Mr. J. Prime Bartlett, Mr. J. Macready, Surgeons; to Mr. Leonard F. Harrison, Treasurer; and to the other Officers and the Staff of the Hospital for their services in its behalf during the past year.

The Meeting was then adjourned.

THE LATE MR. WICKHAM FLOWER.

The Annual Report and Accounts for the year ending June 30th, are not issued till November, but in the four months that have intervened this year, an event has occurred to which the Committee feel that reference should not be delayed for another year.

They have to report, with the most profound regret, the death of Mr. Wickham Flower, the Founder of the Hospital.

During the entire existence of the Hospital he took the keenest interest in its welfare, and was constant in his visits to the little patients, to whom he was a true and kind friend.

The present satisfactory financial position of the Institution is largely due to his efforts, as he secured the interest of many of its friends and supporters, and was instrumental in obtaining several considerable legacies.

By his will he has provided a generous contribution in aid of the work which he initiated.

The loss of his personal sympathy and co-operation will be keenly felt by all connected with the working of the Hospital.

(Mr W. Flower died in Sept 1904)

TWENTY-NINTH ANNUAL REPORT

 OF
 CHEYNE HOSPITAL FOR SICK AND INCURABLE
 CHILDREN,

FOR THE YEAR ENDING 30TH JUNE, 1904.

THE Committee have much pleasure in presenting their report of the work carried on in this Hospital during the past year, of which the following is a summary :

WORK OF THE YEAR.

Medical.

The work of the Hospital during the past year has been of a satisfactory nature, not so much in respect of the numbers treated, as in the results obtained.

The number of those discharged as "Cured" is as high as during any year of the Hospital's existence, and is considerably above the average of the past twenty-five years, whilst the death rate has been exactly on the average of that period.

The stay in the Hospital of the ten patients discharged as "Cured" has averaged three years and one month. One boy, after six years one-and-a-half month's treatment, is now running about in the country, and is being educated, he not having been on his feet for fourteen years previously.

These results shew how much can be done if time is given for skilled medical treatment and careful patient nursing to bear fruit.

There has been complete freedom from any epidemic of Infectious Disease, which is very satisfactory when the prevalence of sickness at certain periods of the year in the surrounding neighbourhoods, is considered. In order to minimise the risk of the introduction of such diseases, the Committee has ordered that every patient, before being admitted, shall be provided with a medical certificate, stating that he or she has not been suffering from, nor been in contact with, infectious disease.

FINANCE.

There has been a decrease in the Receipts from Annual Subscriptions, owing to the deaths of several old and liberal contributors, and the loss would have been greater but for the support of new Subscribers, to whom the sincere thanks of the Committee are due. The importance of a reliable Income is so great that the Committee most earnestly appeal to all their friends to do their best to induce others to become regular Subscribers.

The Income from invested property has been rather more than it was last year, principally owing to a reduction in the cost of repairs on the Cross Keys Yard property.

Legacies.

Legacies to the amount of £900 have been received. The Committee have specially to thank Mr. Robert Bottle and his co-executors for a grant of £100 from the residue of the estate of the late Mr. Thomas Salter.

Expenditure.

There has been a reduction in Expenditure as compared with that in the previous year, which is satisfactory in view of the amount spent on Annual Cleaning, etc.

Prices of Provisions, however, are steadily rising, so that it is to be feared that, in the coming year, the expenditure on such items will be increased.

Cots.

It is very gratifying to report the institution of a new Free Cot, named the "Woodcote House" Cot, for which the sincerest thanks of the Committee are due to Mr. Herbert St. Hill and the boys of the Woodcote House School, Windlesham.

Miss Marcon, for the Curzon Cot, Miss E. A. B. Lindsell, for the Little Cranstoun Cot, and Mrs. Pearson and Miss Gibbes for the Kensington Cot, have again most kindly raised the contributions required, and the thanks of the Committee are most cordially extended to them for their untiring efforts.

Donations.

Amongst other sums the Committee have gratefully to acknowledge the following contributions:—

King Edward's Hospital Fund	..	100	0	0
Hospital Sunday Fund	119	3	4
Hospital Saturday Fund	73	10	0
Miss Cardwell	30	0	0

Mrs. Streatfeild	26	5	0
The Marchioness of Ripon			...	10	0	0
Mrs. Girdlestone	10	0	0
John Kemp-Welch, Esq.	8	0	0

GENERAL.

With very sincere regret, the Committee have to record the loss by death of one of their number, Sir John Rigby, who for many years took a most kindly interest in the welfare of the Hospital and whose legal advice was often most valuable.

SPECIAL FUNDS.

THE WORDSWORTH COTTAGE HOMES FUND has again been of the utmost value, as it has enabled an unusually large number of children to gain an increase of strength before returning to their own homes. The importance of a stay in fresh country air, to children who have been for years in the Hospital, cannot be over-estimated.

THE CHILDREN'S COT ENDOWMENT FUND, thanks to the energy of Miss Pearse, shews a considerable increase this year and is rapidly nearing its completion. Special thanks are again due to the boys of Bengoe School for their large contributions to this fund.

ACKNOWLEDGMENTS.

The Staff of St. Luke's Church, Chelsea, have again most kindly ministered to the spiritual needs of the patients, and grateful thanks are tendered to them for their services.

The Committee offer their sincerest thanks to all who have enabled the work, which has produced such good results, to be continued. Those who have visited the Hospital continually can best appreciate the value of the Institution, and all who interest themselves in the welfare of the sick poor are cordially invited to inspect the Hospital and to see for themselves how much the suffering caused by severe disease can be alleviated.

Gifts.

Gifts of clothing, night dresses, old blankets, white counterpanes, etc., will be most thankfully acknowledged by the Lady Superintendent.

The following members of the Committee of Management retire at the Annual Meeting, in order of seniority of their appointment, and are eligible for re-election thereupon, viz., Leonard Harrison, Esq., Miss Forbes, and Reginald Blunt, Esq.

Signed on behalf of the Executive Committee,

COLIN SCOTT-MONCRIEFF,

Chairman.

LEONARD F. HARRISON,

Treasurer.
