CHEYNE HOSPITAL
FOR
SICK AND INCURABLE
CHILDREN.

PRESIDENT: HER MOST GRACIOUS
MAJESTY QUEEN ALEXANDRA

REPORT
FOR EIGHTEEN MONTHS ENDING
DECEMBER 31st, 1907.

CHEYNE WALK, CHELSEA,
LONDON, S.W.

OBJECTS OF THE INSTITUTION.

THIS Hospital has been established for the reception of Children suffering from Chronic and Incurable Disease, who are on that account excluded or discharged from General Hospitals. Although many of these patients are beyond hope of ultimate recovery, it is found that medical skill and careful nursing, together with good food and ventilation, such as cannot be obtained in the homes of the poor, will always greatly alleviate suffering; while some cases can be successfully treated, which, requiring for their cure a longer time than can be spared to them in General Hospitals, receive here continuous care for an indefinite period.

NOTE.

The Committee of the Cheyne Hospital desire to state that, owing to the special character of this Institution, it is not found possible to give "Letters of Recommendation" to those who kindly contribute to their Funds. Such Letters are practically futile, unless they carry a reasonable probability of early admission or relief: indeed they are worse than useless, because they would appear to give a promise which could not be fulfilled, and would thus lead to disappointment and misunderstanding. As the main object of the Cheyne Hospital is to undertake the continuous care and treatment of cases of deep-seated or incurable disease, which no General Hospital will accept, and to keep them for an indefinite period, it will be obvious that changes are very slow and vacancies few and far between. The *average* length of Patients' stay in the Hospital is now over two years; while many of the children remain for much longer periods. Subscribers are invited to write in reference to any case in which they may be interested, to the Secretary, who will at once, should it appear *prima facie* eligible, forward a copy of Form of Medical Certificate, on return of which duly filled in, the Child's name will be added to the list for examination and admission as vacancies arise, and in accordance with the privileges of Donors and Subscribers, (p. 4). More than this cannot in honesty be promised, and the Committee feel it due to their many and generous friends to make their position in this matter clear.

PRIVILEGES OF DONORS AND SUBSCRIBERS.

1.—Donors of not less than Fifty Guineas (£52 10s.) in one sum, and Annual Subscribers of Ten Guineas (£10 10s.) and upwards (during the continuance of such subscription) are thereby constituted Governors, and are entitled to attend and vote at the Annual Meeting of the Committee of Management, and to nominate one suitable case for admission annually, such cases having precedence on the list over those recommended by other Subscribers.

2.—All Annual Subscribers of One Guinea and upwards are entitled to recommend one suitable case annually, during the continuance of such subscription; such cases taking precedence on the Admission List over those not so recommended.

EXECUTORS.

One of the Executors of every person from whose estate a Legacy of Fifty Guineas or upwards shall have been received by the Hospital, shall be entitled to the same privileges as a Donor of Fifty Guineas.

LIFE COT ENDOWMENTS.

1.—A Donation in one sum of Three Hundred Pounds (£300) endows a Free Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

2.—A Donation in one sum of Two Hundred and Fifty Pounds (£250) endows a Half-Payment Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

Life Cot Endowments, ceasing upon the death of the Donor, may be converted into Permanent Cot Endowments by the payment within twelve months of the death of the Donor either by Bequest or otherwise, of the further sum of Seven Hundred Pounds in the case of a Free Life Cot Endowment, or of Five Hundred Pounds in the case of a Half-Payment Life Cot Endowment, free of Legacy Duty.

COT SUBSCRIBERS.

1.—An Annual Cot Subscription of Forty Pounds (or a Donation in one sum of One Thousand Pounds), entitles the Subscriber to name a Free Cot, and to nominate an eligible Patient as often as the Cot becomes vacant: no further payment being required on behalf of the occupant.

2.—An Annual Cot Subscription of Thirty Pounds (or a Donation in one sum of Seven Hundred and Fifty Pounds), entitles the Subscriber to name a Half-Payment Cot, and to nominate an eligible Patient as often as the Cot becomes vacant; the weekly payment of two shillings being required from the parents or friends of the occupant.

RULES FOR THE ADMISSION OF PATIENTS.

THE Hospital is devoted to the Treatment of the Children of the deserving Poor, suffering from Disease which is incurable or which requires for its permanent relief or cure a longer time than can be spared to such cases in General Hospitals.

1.—Such cases only are eligible for admission as have been rejected or discharged from a General Hospital, or can be shown to be unfit for treatment in such Hospitals.

2.—Cases of Cancer, Consumption, Epilepsy, Hydrocephalus, Mental Derangement or Deficiency, all infectious cases, and Cripples not requiring Surgical Treatment, are not eligible. Pauper Children (that is, Children to be paid for, either wholly or in part, by the Guardians, directly or indirectly) are also inadmissible.

3.—Children are admitted only between three and ten years of age, those recommended by Governors and Subscribers taking precedence. Patients are not retained after the age of sixteen.

[A List of Governors and Subscribers, and full particulars of their privileges, will be found on pp 48 and 4.]

4.—The payment of Four Shillings a week is required from the Parents or Friends of the Patients.*

5.—No case will be put upon the List for Admission till Forms of Medical Certificate and Guarantee (to be obtained of the Secretary) have been duly filled in and signed by a qualified Medical Practitioner and responsible Guarantor respectively, and returned to the Secretary at the Hospital.

6.—The Committee reserve power to refuse the name of any Guarantor without reason assigned, or to require a Guarantor to furnish references for the necessary security to their satisfaction.†

7.—No Guarantee shall be withdrawn without one month's previous notice in writing to the Secretary of the Hospital.

8.—Applicants for admission, unless the Doctor shall certify to the contrary, may be required to be brought to the Hospital for Medical examination before they can be admitted.

9.—Any Child who has been admitted to the Hospital, but who subsequently proves unsuitable from any cause, may be discharged upon three days' notice, sent by post to the last furnished address of the parent or guardian. The expenses of removal must be in all cases defrayed by the parents or friends of the child.

10.—Any alteration in the address of the patient while awaiting admission should be at once notified to the Secretary.

* Certain Free and Assisted Cots have been founded for specially necessitous cases. Applications for vacancies in these must be accompanied by full particulars of the circumstances of the family; and it must be borne in mind that the Committee only occasionally have these Cots at their disposal.

† The Guarantor should be a house holder (or the wife of a house holder) rated at £40 or more per annum. Unless the parents make regular weekly payments at the Hospital, the Guarantor is requested to arrange to receive their contributions and remit the maintenance charge quarterly.

METHODS OF HELP.

The following means of assisting the objects of this Institution are set down for the information, and in response to the enquiries, of friends who may be willing to give practical support to its work.

COT ENDOWMENT.

The sum of **£1,000** endows a Free Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

The sum of **£750** endows a Half-payment Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs; the payment of two shillings a week being required on behalf of the occupant.

The sum of **£300** endows a Free Cot for the period of the Donor's life, and entitles the Donor to name it and to nominate a child to it as vacancies arise, no payment being required on behalf of the patient.

The sum of **£250** endows a Half-Payment Cot for the period of the Donor's life, and entitles the Donor to name it, and to nominate a child to it as vacancies arise, the payment of two shillings a week being required on behalf of the patient so nominated.

These Life Cot Endowments can be converted into Permanent Endowments upon the death of the Donor, either by bequest or otherwise. (See p. 4.)

COT SUBSCRIPTION.

An Annual Subscription of **£40** entitles the Subscriber (during its continuance) to name a Free Cot, and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

An Annual Subscription of **£30** entitles the Subscriber (during its continuance) to name a Half-payment Cot, and to nominate a child to it whenever a vacancy occurs, the payment of two shillings a week being required on behalf of the occupant.

ANNUAL SUBSCRIPTION.

An Annual Subscription of **£10 10s.** and upwards constitutes the Subscriber (during its continuance) a Governor of the Hospital; such Governor being entitled to attend and vote at the Annual Meeting of the Committee and Governors, and to nominate one case annually; such child having precedence of admission over those recommended by other Subscribers.

An Annual Subscription of **£1 1s.** and upwards entitles the Subscriber (during its continuance) to recommend one child annually; such case taking precedence of admission over those not so recommended.

[The use of this Bank Order Form by those Subscribers to whom it may be convenient, saves a certain small amount of trouble, risk, and postage. When filled in, it should be returned to the Secretary, at the Hospital. Acknowledgments of payments received through Bankers are duly sent to the Subscribers.]

ASSISTANCE FOR SPECIAL CASES.

Some friends prefer to concentrate their interest upon one particular Cot or case. A few methods of doing this are suggested:--

- (1) The maintenance payment for a child at the Hospital is £10 8s. per annum, the actual *cost* of its support being about £54 per annum. In the majority of cases the parents are able, and ought, to pay some part of this sum, but help to a greater or less extent is often needed. The Secretary can always furnish details of cases requiring such help.
- (2) Assistance in finding suitable Homes for children requiring care and attention after leaving the Hospital, is frequently wanted by the Committee.
- (3) Contributions towards the purchase of instruments, carriages &c., for discharged patients, and towards their maintenance at Nursing or other Homes, are always welcomed.

DONATIONS.

A Donation of £52 10s. in one sum constitutes a Life Governor of Cheyne Hospital. (For privileges see under Annual Subscription.) Contributions of any amount are gratefully accepted and acknowledged; and these unexpected gifts come sometimes with particular gratification at a time of special and depressing need.

GIFTS IN KIND.

Amongst the gifts which are **always specially welcome** are:—

Cast Linen of any kind; also Children's Clothing, Counterpanes, Blankets, &c. Game, Fresh Fruit and Eggs, New (*unbroken*) Toys Jellies, &c., from table are much appreciated.

The Lady Superintendent will forward patterns of red and blue jackets, flannel vests, night-gowns, and holland pinafores to any friends who may be willing to provide some of these constantly-needed articles of clothing for the children, the large majority of whom are always confined to bed. Miss Elam would also be most grateful for some parcels of old linen or calico of *any* kind, a supply of which is daily required.

ENLISTING FRIENDS.

It remains to mention one method of help which is within the means of almost all, and which may prove as valuable as any.

While there are many who have real sympathy with such work as is here carried out, but who cannot afford direct support, there are many also who are strangers to Cheyne Hospital, but whose purses would be generously opened at a word of hearty *unofficial* pleading from a friend. In enlisting for our labours the interest of some of these, our present friends may be rendering the Institution a service which is none the less valuable because it is vicarious.

THE ANNUAL GENERAL MEETING.

The Thirty-second Annual Meeting of the Committee and Governors of Cheyne Hospital took place at the Hospital on Wednesday, March 4th, 1908, at 6 o'clock.

The Chair was taken by Leonard F. Harrison, Esq.

THE REPORT.

The Report and Statement of Receipts and Expenditure for the eighteen months ending Dec. 31st, 1907, as submitted by the General Committee were duly adopted.

RE-ELECTION OF MEMBERS OF THE COMMITTEE.

The following Members of the General Committee of Management, who retired at this meeting in order of seniority of their appointment thereupon, were re-elected as members, viz.: Miss Forbes, Reginald Blunt, Esq., and Mrs. Geiger.

ELECTION OF CHAIRMAN.

Sir Colin Scott-Moncrieff was unanimously elected to act as Chairman of Committee for the ensuing year.

VOTES OF THANKS.

A cordial vote of thanks was accorded to Mr. J. Rose Bradford, Physician; Mr. J. Prime Bartlett and Mr. Raymond Johnson, Surgeons, to Mr. Leonard F. Harrison, Treasurer; and to the other Officers and the Staff of the Hospital for their services in its behalf during the past year.

The Meeting was then adjourned.

THIRTY-SECOND ANNUAL REPORT

OF

The Committee of Management

OF

Cheyne Hospital for
Sick and Incurable Children,

For the Eighteen Months ending December 31st, 1907.

IN order to meet the requirements of the Councils of King Edward's Hospital Fund for London, The Metropolitan Hospital Sunday Fund, and the Hospital Saturday Fund, the Committee have decided to close the Accounts of this Hospital on the 31st December in each year, instead of on the 30th June, as heretofore.

It has therefore been necessary to defer the issue of the Annual Report, and the present one embraces a period of Eighteen Months.

The Revenue and Expenditure Accounts for the *half year* ending 31st December, 1906, and for the *year* ending 31st December, 1907, are given separately, but the lists of Subscriptions and Donations embrace the total amounts received during the entire period.

The Committee are very pleased to be able to report that a satisfactory measure of success has attended the work of the Hospital during the period under review—twenty-three children having been discharged cured or relieved, whilst only four have died.

All these cases were of such a nature that they could not be treated at, or were ineligible for admission to the General Hospitals, and they amply prove the usefulness of, and the necessity for such an institution as this.

The following table, which gives a summary of the nature of the cases which have been treated, and the results obtained, will be found to be of interest, and goes far to prove that cases which are supposed to be hopelessly incurable, will often yield to skilful and prolonged medical treatment and careful nursing.

The Committee deeply regret to report the death of Mr. J. Macready, who for thirty years faithfully discharged the duties of a Surgeon to the Hospital. His patient, kindly manner and skill in his work, endeared him to the children and the nursing staff.

Mr. Raymond Johnson, M.B., F.R.C.S., has been appointed as his successor.

Finance.

Contributions to the funds of the Hospital have been fairly maintained, but it cannot be overlooked that there is a tendency to a reduction in the Annual Subscriptions, which is due to the death of several old contributors, and to some withdrawals. The Committee earnestly appeal to their many supporters to make the Hospital known to their friends, and to persuade them to become Subscribers.

Expenditure has been kept as low as possible and shews some reduction,

A Legacy has been bequeathed to the Hospital by the late Mr. Richard Candlebert Collingdon, and the sum of £433 9s. 6d. has been received from his Executors as a first instalment.

The late Miss Jane Arabella Campbell bequeathed the sum of £1000 for the endowment of a Free Cot, to be named "The Jean Marjorie Campbell" Cot, in memory of her niece.

This sum has been received and invested on account of the Cot. The Committee have to thank her Executor, Mr. Colin G. Campbell for his great generosity in having himself paid the Legacy Duty on this Bequest, amounting to £100, the Legacy not having been made payable "Duty Free."

The Committee regret that the Egidia Cot has ceased to exist owing to the death of its principal supporter, but they are very grateful to others who have hitherto contributed to its maintenance, for having promised to subscribe to the General Funds of the Hospital.

The sincere thanks of the Committee are again due to Miss Marcon, Miss E. A. B. Lindsell, Mrs. Pearson and Miss Gibbes for their untiring and successful efforts in raising funds or the support of their respective Cots.

The Committee have gratefully to acknowledge, amongst others, the following contributions:—

	£	s.	d.
Henry Hirsch, Esq.	100	0	0
R. H. Raphael, Esq.	52	10	0
"A Friend," per Sir William Bennett, K.C.V.O., F.R.C.S. ...	50	0	0
Miss Cardwell	20	0	0
Miss Gabriel	10	0	0
S.D.R.S.D.	5	0	0

They have also to tender their sincere thanks to the Misses Constance and Beatrice and Master Harold Cohen for having organised a most successful bazaar, which was held at their home, and produced the large sum of £85.

General.

Her Majesty Queen Alexandra, accompanied by H.R.H. Princess Victoria, visited the Hospital on 1st August last, and graciously expressed herself as being very pleased with her inspection.

The Committee have, during the past year, lost one of their most valued colleagues and helpers, The Marchioness of Ripon, who served on the Committee of Management for thirteen years, and took the deepest personal interest in the welfare of the Hospital and of its inmates. Her loss will be long and greatly felt by all those who had the privilege of her help and sympathy.

Cottage Homes.

The practice of sending to the country, patients discharged from this Hospital, to enable them to gain strength before being sent back to their own homes, has been continued—twenty-four cases having been thus boarded out, of which number nine still remain in the country. This Hospital, has at present no country home of its own, and therefore the patients have been sent to various places, viz.: Torquay, Ecchinswell, Hurstpierpoint, East Grinstead, Bournemouth, Walberswick and Upper Warlingham.

All the children have been well cared for and have greatly benefitted by the change.

The Committee desire specially to thank Miss Evelyn Pearse and the Boys of Bengoe School, whose contributions to the Wordsworth Cottage Homes Fund have enabled so many children to receive this benefit.

The two houses adjoining the Hospital, Nos. 62 and 63, Cheyne Walk having fallen into a bad state of repair, it was

found to be absolutely necessary to renovate them. For some time past, extra room has been urgently needed for the better accommodation of the Hospital nurses, and the Committee decided to alter No. 62 for this purpose, and to reconstruct No. 63 so as to put it into a tenantable condition. It is hoped that the alterations will shortly be completed.

Provision has been made for means of access from Cheyne Walk to Cross Keys Yard, situated at the back of these houses, as that property will shortly have to be dealt with, and there is at present no suitable approach to any buildings that may be erected thereon.

Acknowledgments.

Thanks are again tendered to the Staff of St. Luke's Church, Chelsea, for their ministrations throughout the year. The Sunday Services are much appreciated by all who join in them.

Thanks are also due to all those friends who have been so kind as to provide entertainments for the patients and to give their time in teaching and amusing them.

Many articles and gifts have been received, for which the Committee are very grateful.

The Lady Superintendent desires it to be specially made known that she will be very glad of Garments or Clothing suitable for the children when leaving the Hospital as well as the Red Jackets which are worn in the Wards, and for which patterns will gladly be supplied on application.

The following members of the Committee of Management retire at the Annual Meeting, in order of the seniority of their appointment, and are eligible for re-election thereupon, viz.: Miss Forbes, Reginald Blunt, Esq., and Mrs. Geiger.

Signed on behalf of the Executive Committee,

COLIN C. SCOTT-MONCRIEFF,
Chairman.

LEONARD F. HARRISON,
Treasurer.

THE "LITTLE CRANSTOUN" COT
ENDOWMENT FUND.

The following amounts have been subscribed for, and are held by Miss E. A. B. Lindsell, on account of the "Little Cranstoun" Cot Endowment Fund, and have been invested by her in Government Stock (Local Loans) pending the completion of the required sum.
