## OBJECTS OF THE INSTITUTION.

---

THIS Hospital has been established for the reception of Children suffering from Chronic and Incurable Disease, who are on that account excluded or discharged from General Hospitals. Although many of these patients are beyond hope of ultimate recovery, it is found that medical skill and careful nursing, together with good food and ventilation, such as cannot be obtained in the homes of the poor, will always greatly alleviate suffering; while some cases can be successfully treated, which, requiring for their cure a longer time than can be spared to them in General Hospitals, receive here continuous care for an indefinite period.

### NOTE.

The Committee of the Cheyne Hospital desire to state that, owing to the special character of this Institution, it is not found possible to give "Letters of Recommendation" to those who kindly contribute to their Funds. Such Letters are practically futile, unless they carry a reasonable probability of early admission or relief; indeed they are worse than useless, because they would appear to give a promise which could not be fulfilled, and would thus lead to disappointment and misunderstanding. As the main object of the Cheyne Hospital is to undertake the continuous care and treatment of cases of deep-seated or incurable disease, which no General Hospital will accept, and to keep them for an indefinite period, it will be obvious that changes are very slow and vacancies few and far between. The *average* length of Patients' stay in the Hospital is now over two years; while many of the children remain for much longer periods. Subscribers are invited to write in reference to any case in which they may be interested, to the Secretary, who will at once, should it appear *prima facie* eligible, forward a copy of Form of Medical Certificate, on return of which duly filled in, the Child's name will be added to the list for examination and admission as vacancies arise, and in accordance with the privileges of Donors and Subscribers, (p. 5). More than this cannot in honesty be promised, and the Committee feel it due to their many and generous friends to make their position in this matter clear.

## PRIVILEGES OF DONORS AND SUBSCRIBERS.

1.—Donors of not less than Fifty Guineas (£52 10s.) in one sum, and Annual Subscribers of Ten Guineas (£10 10s.) and upwards (during the continuance of such subscription) are thereby constituted Governors, and are entitled to attend and vote at the Annual Meeting of the Committee of Management, and to nominate one suitable case for admission annually, such cases having precedence on the list over those recommended by other Subscribers.

2.—All Annual Subscribers of One Guinea and upwards are entitled to recommend one suitable case annually, during the continuance of such subscription; such cases taking precedence on the Admission List over those not so recommended.

### EXECUTORS.

One of the Executors of every person from whose estate a Legacy of Fifty Guineas or upwards shall have been received by the Hospital, shall be entitled to the same privileges as a Donor of Fifty Guineas.

### LIFE COT ENDOWMENTS.

1.—A Donation in one sum of Three Hundred Pounds (£300) endows a Free Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

2.—A Donation in one sum of Two Hundred and Fifty Pounds (£250) endows a Half-Payment Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

Life Cot Endowments, ceasing upon the death of the Donor, may be converted into Permanent Cot Endowments by the payment within twelve months of the death of the Donor, either by Bequest or otherwise, of the further sum of Seven Hundred Pounds in the case of a Free Life Cot Endowment, or of Five Hundred Pounds in the case of a Half-Payment Life Cot Endowment, free of Legacy Duty.

### COT SUBSCRIBERS.

1.—An Annual Cot Subscription of Forty Pounds (or a Donation in one sum of One Thousand Pounds), entitles the Subscriber to name a Free Cot, and to nominate an eligible Patient as often as the Cot becomes vacant; no further payment being required on behalf of the occupant.

2.—An Annual Cot Subscription of Thirty Pounds (or a Donation in one sum of Seven Hundred and Fifty Pounds), entitles the Subscriber to name a Half-Payment Cot, and to nominate an eligible Patient as often as the Cot becomes vacant; the weekly payment of two shillings being required from the parents or friends of the occupant.

## RULES FOR THE ADMISSION OF PATIENTS.

---

1.—Such cases only are eligible for admission as have been rejected or discharged from a General Hospital, or can be shown to be unfit for treatment in such Hospitals.

2.—Cases of Cancer, Consumption, Epilepsy, Ricketts, Hydrocephalus, Mental Derangement or Deficiency, all infectious cases, and Cripples not requiring Surgical Treatment, are not eligible. Pauper Children (that is, Children to be paid for, either wholly or in part, by the Guardians, directly or indirectly) are also inadmissible.

3.—Children are admitted only between three and twelve years of age, those recommended by Governors and Subscribers taking precedence. Patients are not retained after the age of sixteen.

4.—The payment of Four Shillings a week is required from the Parents or Friends of the Patients.\*

5.—No case will be put upon the List for Admission till Forms of Medical Certificate and Guarantee (to be obtained of the Secretary) have been duly filled in and signed by a qualified Medical Practitioner and responsible Guarantor respectively, and returned to the Secretary at the Hospital.

6.—The Committee reserve power to refuse the name of any Guarantor without reason assigned, or to require a Guarantor to furnish references for the necessary security to their satisfaction.†

7.—No Guarantee shall be withdrawn without one month's previous notice in writing to the Secretary of the Hospital.

8.—Applicants for admission, unless the Doctor shall certify to the contrary, may be required to be brought to the Hospital for Medical examination before they can be admitted.

9.—Any Child who has been admitted to the Hospital, but who subsequently proves unsuitable from any cause, may be discharged upon three days' notice, sent by post to the last furnished address of the parent or guardian. The expenses of removal must be in all cases defrayed by the parents or friends of the child.

10.—A certificate that the patient has not been suffering from any infectious disease, nor been exposed to infection, *must* be signed by a responsible person, cognisant of the facts, and be *brought with the child*.

11.—Any alteration in the address of the patient while awaiting admission should be at once notified to the Secretary.

---

\* Certain Free and Assisted Cots have been founded for specially necessitous cases. Applications for vacancies in these must be accompanied by full particulars of the circumstances of the family; and it must be borne in mind that the Committee only occasionally have these Cots at their disposal.

† The Guarantor should be a house holder (or the wife of a house holder) rated at £40 or more per annum. Unless the parents make regular weekly payments at the Hospital, the Guarantor is requested to arrange to receive their contributions and remit the maintenance charge quarterly.

## METHODS OF HELP.

---

The establishment of a Branch Hospital at St. Nicholas-at-Wade (which is a Hospital dealing with cases of exactly the same nature as those treated at Cheyne Hospital, and therefore is *not* a Convalescent Home) has considerably increased the expenses incurred.

An earnest appeal is therefore made to all supporters of this Institution, to do their utmost to enlist the sympathy and help of their friends.

While there are many who have real sympathy with such work as is here carried out, but who cannot afford direct support, there are many also who are strangers to Cheyne Hospital, but whose purses would be generously opened at a word of hearty *unofficial* pleading from a friend. In enlisting for our labours the interest of some of these, our present friends may be rendering the Institution a service which is none the less valuable because it is vicarious.

### GIFTS IN KIND.

The following articles are specially needed :—

At Cheyne Hospital—Plain White Nightgowns, Red Turkey Twill Jackets, and Blue Shirting Jackets.

At St. Nicholas Hospital—Red Flannel Bed Jackets, Holland Overalls, Flannel Nightgowns, and Woollen Vests with sleeves.

Game, Fresh Fruit and Eggs, New (unbroken) Toys, Jellies, etc., are much appreciated.

Patterns of clothing will gladly be sent from either Hospital to anyone who will kindly supply the articles required.

### VISITORS.

The matron of St. Nicholas Hospital will be most grateful to anyone who will be kind enough to devote a little time to visiting the children there, especially to those who can do so regularly, and who can help in giving some instruction to those patients who are well enough to receive it.

The above tables show that steady progress has been made, though the changes have been rather below the average, due principally to the fact that the number of cases discharged last year was rather more than usual, thus leaving several patients requiring prolonged treatment.

Many of the children have however made substantial progress, and will probably soon be well enough for discharge. Great improvement has been attained in certain cases of Infantile Paralysis.

During the year the manufacture and use of Celluloid Jackets and Splints has been introduced, and it is hoped that these will give satisfactory results.

At Cheyne Hospital only two light cases of Chicken-Pox have occurred during the year, and it is very satisfactory that there has been no other case of infectious disease, considering the great prevalence of Scarlet Fever and Diphtheria that has existed in London.

At St. Nicholas Hospital there have been several light cases of Influenza amongst the patients and staff.

Continued beneficial results are obtained from the out-door treatment of Tuberculous cases at St. Nicholas, and the Committee have been considering the advisability of introducing similar treatment for such cases at Cheyne Hospital.

The Committee sincerely regret to report that, owing to a great increase in his official duties and work in other places, Mr. Raymond Johnson has been obliged to resign his position as one of the Medical Officers of this Hospital, and they take this opportunity of thanking him for his very efficient treatment of the patients who have been under his care, and for his valuable counsel and help in the management of the Hospital.

They are glad to report that he has consented to retain his connection with the Hospital by acting as its Honorary Consulting Surgeon.

He has been succeeded in his work by Mr. G. Williams, F.R.C.S., of University College Hospital.

The Committee tender their sincere thanks to the Medical and Nursing Staffs of both Hospitals for the great care bestowed upon the patients under their charge.

### St. Nicholas Hospital.

With the exception of the slight outbreak of Influenza referred to above, everything has worked well here. The patients have benefitted by the open-air treatment. The cases of Infantile Paralysis and Heart Complaints, which do not do so well in the strong Kentish air during the winter, have been transferred to Cheyne Hospital.

On the 11th July, a Garden Party was held in the grounds and was largely attended by visitors from the surrounding country.

The Committee are very grateful to all those who kindly helped to entertain the company and the children.

As it is very difficult in the country to obtain the help of enough visitors to amuse and teach the children, the Committee decided to obtain the services of a lady to attend regularly to teach them, and they appointed Miss Harris to

come on four days in each week. The result is most satisfactory, as the children are greatly interested and the occupation of their minds is conducive to their well-being.

It is a matter of regret that the calls of the War have reduced the number of helpers in the Working Guild.

The Committee are very grateful to those who have continued to assist the Hospital in this way.

### **Cottage Homes.**

There have been very few cases requiring to be sent to the country before final discharge. With one exception those so sent have returned to their homes.

### **Cots.**

The Committee greatly regret to report that, owing to the death of the widow of the late J. Noble, Esq., the subscription to the "Violet Constance" Cot came to an end, but they are very grateful to Mrs. Cochran for having undertaken to support the Cot.

Sincere thanks are again tendered to all those who have continued their subscriptions towards the maintenance of Cots.

### **Finance.**

Considering the many demands made under present conditions for charitable purposes arising out of the War, it was feared that there would have been a considerable reduction in the list of contributions, but the Committee are very thankful to say that, so far, there have been only two or three withdrawals or reductions of subscriptions, and they sincerely hope that all the supporters of the Hospital will see their way to continue their help as usual.

The Committee are sincerely grateful to the King Edward's Hospital Fund for London, the Hospital Sunday Fund and

the Hospital Saturday Fund for increased grants during the year.

Without this help the deficits shown on the accounts would have been considerably larger. As it is the Expenditure for the two Hospitals has exceeded the receipts (exclusive of Legacies) by nearly £800.

Several subscriptions have been lost through the deaths of the contributors, but it is satisfactory to note that new Subscribers have come forward. The Committee appeal to all their old friends to try and interest others in the Hospital, so that the regular receipts may soon be sufficient to cover the Expenditure.

The Committee specially desire to thank the pupils of the Carlyle School, Chelsea, for their very kind help. At the suggestion of Miss A. D. Crosby, headmistress of the school, they have contributed for some years past a sum sufficient to meet the weekly payments of one of the patients, and they frequently visit the little girl in whom they are interested. They thus learn in early life to take a sympathetic interest in those who suffer.

Expenditure has been somewhat increased by the rise in prices of provisions and other goods owing to the War, but the Committee have to thank the staffs of both Hospitals for their efforts to counteract this by the strictest economy in the use of stores. A rather considerable outlay has been necessary for the renewal of certain household requirements; and the Wards at Cheyne Hospital have been cleaned and distempered during the year.

The following Donations, amongst others are gratefully acknowledged:—

	£	s.	d.
Miss Cardwell . . . . .	50	0	0
W. Cleverly Alexander, Esq.	20	0	0
F. J. Oakley, Esq., . . . . .	10	0	0

### Legacies.

The sum of £2,425 19s. 5d. has been received from the Executors of the Will of the late William Stansfield, Esq., and this has been most acceptable, as it has enabled the Committee to meet the Deficit as shown in the Revenue and Expenditure Accounts of both Hospitals.

### General.

His Majesty The King has again graciously sent a Special Donation of £5 for a Christmas entertainment for the children.

On the 17th February Her Majesty The Queen, accompanied by Princess Mary, visited the Hospital and graciously expressed her pleasure and approval of the general arrangements of the Institution.

Her Majesty Queen Alexandra and Princess Victoria have continued to show their interest in the Hospital by sending frequent presents of game, fruit, flowers and other gifts.

Important changes have been made during the year on the Staff of Cheyne Hospital. Miss Elam, the late Lady Superintendent, after 32 years of faithful and devoted service, tendered her resignation, and at the same time Sister Jane and Sister Kate, who had served the Hospital for 38 and 32 years respectively with unremitting zeal, resigned. They had all earned the esteem of the Committee and of the friends of the Hospital who visit the patients and otherwise show their interest in the Institution, and also the love of the children who had been under their care.

The Committee tender to them individually their warmest thanks for the zeal they always displayed in carrying out their duties and for the way in which they secured the interest of others in the welfare of the Hospital.

The Committee considered that it would be the wish of all

supporters of the Hospital that proper provision should be made for those who had devoted so large a part of their lives to its service, and they therefore decided to grant a suitable Life Pension in each case, and they hope that this will enable them to obtain a well-earned rest and trust that they may live to enjoy it for many years.

The Committee are pleased to report that they have secured the services of Miss L. Angus as Matron to the Hospital. She resigned the position of Assistant-Matron of St. Mary's Hospital, Carshalton, where there are over 800 children patients, to take up the work, and the Committee feel sure that her services will prove to be of great value and that she will be well supported by Sisters Brimmell and Green, who have both worked with her in other institutions.

### Acknowledgments.

The Committee's warmest thanks are again tendered to the Staff of St. Luke's Church, Chelsea, and to the Rev. H. E. Trimmer at St. Nicholas, for their ministrations during the year.

They also gratefully acknowledge the many gifts which have been received, and the entertainments which have been given, as recorded on pages 58-67. A supply of eggs received from the Editor of "The Poultry World" has been most acceptable.

The Committee specially desire to draw attention to the various articles enumerated on page 7, which are always greatly needed. It is suggested that many friends who own gardens must often have surplus vegetables which would be most valuable to the Hospital if sent in non-returnable packages. The Committee would gladly pay the carriage, if desired, on any parcel so sent.

**Committee.**

The following members of the Committee of Management, viz.:—Mrs. Flower, Reginald Blunt, Esq., and Mrs. Geiger retire at the Annual Meeting in order of the seniority of their appointment, and are eligible for re-election.

*Signed on behalf of the Committee of Management,*

COLIN C. SCOTT-MONCRIEFF, *Chairman.*

LEONARD F. HARRISON, *Treasurer.*

Found by dividing the Totals of the money columns marked † and * respectively, by the number of In-Patients treated to a conclusion during the year.									

† These averages are found by dividing the amount against each of the Sub-heads (7) to (14), and against the Totals, by the average number of In-Patients resident daily (No. 2 above) and dividing by the number of weeks in the year, 52 1/7th.

The Statistical Tables relating to Out-Patients and Washing are not required, as no Out-Patients are treated and no Washing is done on the Hospital premises.

 Terrace, "Friends."  
 DECEMBER. St. Nicholas-at-Wade Bell Ringers, in both Wards.

Empty hampers, cases, &c., are, when in good condition always returned, carriage paid, to the senders; but as this entails considerable expense, it is requested that when possible, non-returnable packages may be employed (and so marked) by those who very kindly send presents for the Hospital.
