The work of the Hospital has been carried on throughout the year with very satisfactory results.

The value of this Institution has been once more abundantly proved by the increasing number of applications received from the large General Hospitals to take cases which were too severe for treatment as out-patients, or which had to be discharged as requiring much longer time than they could afford to give them.

Members of the medical profession when visiting the Hospital have repeatedly expressed their surprise on seeing children, whom they had looked upon as hopeless cases, doing well and about to be discharged to their homes.

Unfortunately an epidemic of Scarlet Fever broke out in one of the wards in the early part of the year, which necessitated the removal of eleven children to the Fever Hospital, and delayed the admission of new cases, thus reducing the average of the cases "treated daily" throughout the year. Not one of these ended fatally, and all returned in due course to this hospital.

Otherwise there has been nothing to interfere with the steady progress of the work of Cheyne Hospital.

Education.

The education of the children has been carried on without interruption and with very beneficial results. The patients become greatly interested in their work, which takes their minds off their ailments, thus helping them to bear their suffering with greater patience and hope.

Excellent specimens of Manual Work have been produced, and every effort is made to train the children to be useful in their homes when they return to them.

The reports of the Board of Education Inspectors have been highly satisfactory.

Cots.

The only change has been in the discontinuance of the "Violet Constance" Cot, which the Committee regret to report.

Finance.

His Majesty The King has again graciously sent a Special Christmas Donation of £5.

Special Donations of £5 have also been received from H.R.H. The Prince of Wales and H.R.H. Princess Victoria.

It is satisfactory to find that the Expenditure during the year has been somewhat less than that of the previous one, due partly to a gradual reduction in the cost of most articles, and partly to the fact that it has not been necessary to incur heavy outlay on painting and general upkeep. This saving would have been larger had prices of commodities been lowered throughout the twelve months of 1921, but the effect of reductions was not felt until the year was well advanced.

Further funds have been obtained by means of the increased amount of patients' weekly payments referred to in last year's report.

The Committee greatly regret that Ordinary Receipts have again fallen short of Ordinary Expenditure by over £2,000, and as only a small amount has been received by Legacies, it has been necessary to realize, at a considerable loss, Stock invested from previous Legacies, and held for General Purposes, amounting to £1,352.

Every care has been exercised in keeping down expenses and the Committee feel that they may congratulate themselves on the fact that the total weekly cost per occupied bed in this Hospital is much below that of nearly every other London Hospital, as shewn in the comparative statement issued by the King Edward's Hospital Fund.

Appeal is made to every lover of children, and of our Voluntary Hospital System, to enable this Hospital, which is one of the very few Institutions providing that prolonged treatment which alone can give to many children a chance of recovery, to carry on its work successfully.

General.

It is with deep regret that the Committee have to report the death, after a very short illness in October last, of their late Chairman, Lt.-Col. E. M. Wilson, C.B., C.M.G., D.S.O., whose loss is most keenly felt by every member.

Col. Wilson joined the Committee of Management in 1911, and in 1916 was appointed Chairman. His invariable courtesy, his sound judgment and the keen interest he took in furthering the objects of the Hospital made his help most valuable.

The Committee have pleasure in reporting that the Right Hon. Lord Sterndale, Master of the Rolls, who has for

several years been one of the Trustees, has kindly accepted the Chairmanship, and they hope that with his help, and under his direction, the Hospital may be enabled successfully to continue its valuable work.

The Committee of Management has been strengthened by the addition to their number of Mrs. H. Mostyn Pritchard and Mr. G. E. O. Williams, F.R.C.S.

They are glad to say that Lady Monkswell, who does not seek re-election as a member of the Committee of Management, has consented to benominated as a Vice-President.

Dr. G. Harrison Orton having resigned the position of X-ray Operator, the Committee tender to him their sincerest thanks for the gratuitous help which he has given to the Hospital during the past 15 years.

He has been succeeded by Dr. R. W. A. Salmond.

The Committee only desire to add one other word.

The Financial position of the Hospital is grave. That it is not yet desperate is due, in part, to the provident foresight of earlier years, and very largely to the extremely economic management of this Institution. They ask all into whose hands this Report may fall, to consider very seriously the brief statement set forth in the leaflet "Hard Facts" which accompanies this Report.

The Committee again thank all those who have in any way contributed to the wants of the Hospital.

Committee.

The following members of the Committee of Management, viz., Lady Monkswell, A. M. Turner, Esq., and Mrs. L. Banon retire at the Annual Meeting in order of seniority of their appointment, and are eligible for re-election.

Signed on behalf of the Committee of Management,

STERNDALE, *Chairman.*

L. F. HARRISON, *Treasurer.*

THE "ST. NICHOLAS COT" LEAGUE.

Committee: Miss Laurie (Chairman), Hon. Mrs. Bell, Mrs. Hilton-Johnson, Miss Money, Mrs. Murphy, Miss Penn, Miss Ramsay, Mrs. W. White, Mrs. Worthington and Mrs. S. Champion (Hon. Sec.).

It is very satisfactory to be able to report that the contributions to this League have been on an increased scale, amounting to a total for the year of £151 3s. 8d.

Mr. L. Ramsay has again most kindly remitted £40 in support of the "St. Augustine Cot."

In June a most successful fête, realising the sum of £66 11s. 8d., was held at Fordwich House, by the kind permission of Major and Mrs. Murphy, to whom sincerest thanks are tendered for their valuable help.

The children in the Cots at St. Nicholas Hospital have made good progress, two of them having been discharged to their homes and replaced by others.

The following contributions have been received during the year:—
