PROGRAMME DÉFINITIF

REVISED

THE HISTORY OF THE

REVOLUTION

OF THE

+

IN

1776

Prises Cinématographiques.

La Société Cinématographique "MISR" est la seule autorisée à prendre des vues cinématographiques des solennités du Congrès.

Photographies du Congrès.

Mr. E. Zola (34, Rue Kasr el Nil, téléphone No. 47-66 Ataba, a été nommé photographe officiel du Congrès.

Les photographies prises par lui des solennités du Congrès (dimensions des photos 30 × 40 cms.) seront mises en vente à raison de P.T. 10 par copie.

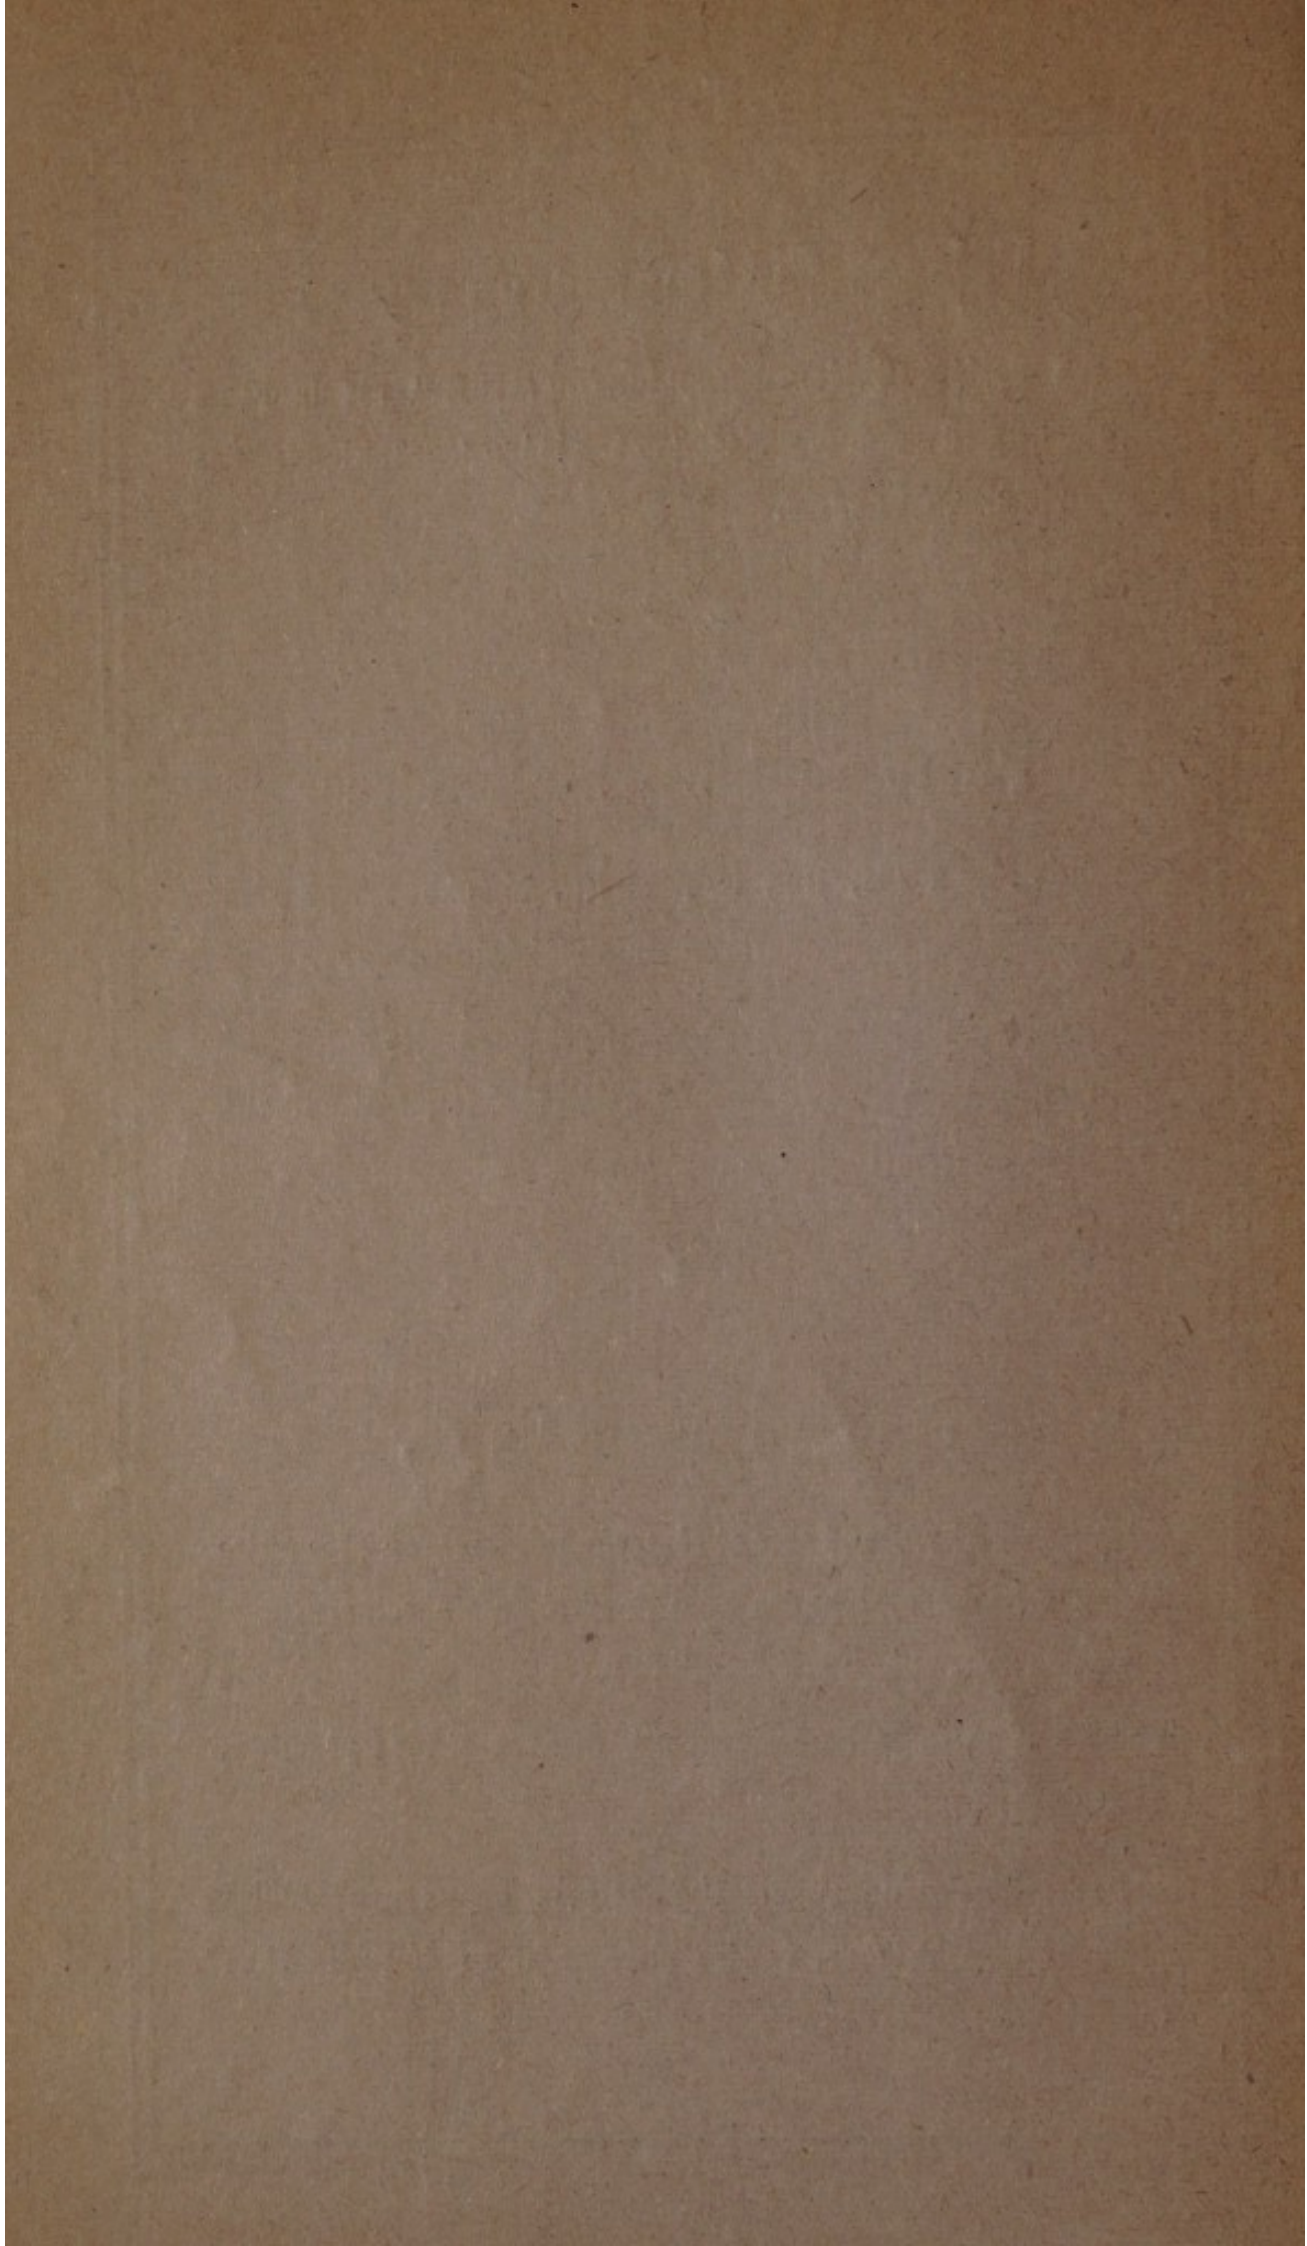

Tramways du Caire.

Des trains spéciaux seront réservés aux Congressistes entre la place Ataba el Khadra et la Faculté de Médecine.

Des trains spéciaux seront également organisés (sur demande) entre la place Ataba el Khadra et les Pyramides de Guizeh.

Des jetons donnant droit à des prix de voyage réduits peuvent être obtenus, contre paiement, au bureau d'informations.

Bureau de Renseignements au Caire.

Le Bureau de renseignements est installé au rez-de-chaussée du Club des étudiants de la Faculté de Médecine, Kasr el Aïni.

Le Bureau sera ouvert chaque jour de 8 h. du matin à 4 h. de l'après-midi du mercredi 12 au lundi 24 décembre 1928 inclus.

Bureau de Renseignements à Alexandrie.

Un Bureau de renseignements sera installé au Palais de la Municipalité d'Alexandrie, où les membres pourront obtenir tous les renseignements nécessaires.

Inscription.

A leur arrivée au Caire, tous les membres devront se faire inscrire au Bureau de renseignements, auquel ils fourniront leurs adresses au Caire. Ils recevront à cette même occasion un exemplaire du programme définitif, les cartes d'invitation, l'insigne du Congrès, etc.

Bureau de Poste et Télégraphe.

Durant toute la durée du Congrès, et pour la commodité des membres, un Bureau de poste et de télégraphe sera installé au Bureau de renseignements. Les membres recevront leur correspondance par l'entremise du dit Bureau de Postes.

Téléphone.

Un appareil téléphonique sera installé près du Bureau de renseignements. Des appareils seront également installés dans toutes les sections de la Faculté de Médecine. Les numéros de téléphone suivants pourront être utiles aux Congressistes :

Bureau de renseignements, Faculté de Médecine	Boustane	388
Sections de la Faculté de Médecine	„	389
Bureau du Doyen, Faculté de Médecine	„	390
Secrétaire Général du Congrès, Faculté de Médecine	„	2452
Bureau du Congrès, No. 1, Rue Mazloum Pacha.	„	1531
Messieurs Thos. Cook & Son (Bureau de Voyages)	Médina	1494
		1462

Adresse Télégraphique du Congrès.

“CONTROPIC” Le Caire.

Excursions.

Une succursale de la Maison Thos. Cook & Son sera ouverte au Bureau de renseignements, pendant toute la durée du Congrès. Un représentant de cette maison se tiendra constamment à la disposition des intéressés, pour leur fournir toute information quant aux excursions et voyages.

Vestiaire.

Un vestiaire sera installé à côté du Bureau de renseignements.

Buffet.

Un buffet se trouvera près du Bureau de renseignements.

L'insigne du Congrès.

Un insigne du Congrès, avec l'effigie de Im-hotep, le plus ancien médecin de l'histoire, sera distribué gratuitement à tous les membres du Congrès. Ceux-ci sont priés de porter cet insigne pendant toute la durée du Congrès.

Timbres du Congrès.

A l'occasion du Centenaire et du Congrès, une série de deux timbres sera émise par l'Administration des Postes Egyptiennes. Le premier timbre sera à l'effigie de Im-hotep, et le second représentant Mohammed Aly Pacha, Vice-Roi, par les ordres duquel l'Ecole de Médecine du Caire fut créée.

Médaille de l'Exposition.

Une médaille sera délivrée aux exposants. Elle sera en bronze doré et portera d'un côté le portrait de Im-hotep et de l'autre, en arabe et en français, l'inscription du Centenaire et du Congrès.

Plan de la Ville du Caire.

Les Congressistes recevront gratuitement un plan du Caire, sur lequel ont été indiqués les endroits les plus intéressants de la Ville. Des plans plus détaillés, en forme de livret, établis par l'Administration de l'Arpentage, seront en vente à l'Exposition.

Brochure du Congrès sur l'Egypte,

Un exemplaire de cette brochure sera délivré à chaque membre, à titre gracieux. Cette brochure a été spécialement publiée à l'occasion du Congrès. Elle contient des renseignements généraux sur l'Egypte, comprenant, entre autres, des notes historiques sur

l'Ecole de Médecine et sur l'Administration de l'Hygiène Publique. Dans cette brochure sont également reproduits les portraits des personnalités qui ont collaboré à l'Ecole de Médecine.

Cette brochure sera utile à tous ceux qui s'intéressent à l'Egypte.

Insignes Distinctifs.

Membres du Comité d'Organisation	couleur verte.
Membres des Sous-Comités Locaux	„ blanche.
Membres du Personnel de la Faculté de Médecine... ..	„ jaune.
Membres du Comité de l'Exposition	„ bleue.
Etudiants de la Faculté de Médecine... ..	tenue académique.

Programme Scientifique.

Les travaux du Congrès seront répartis entre les sections suivantes :

1. Médecine.
2. Lèpre.
3. Leishmaniose.
4. Malaria.
5. Tuberculose.
6. Dysenterie.
7. Maladies des enfants.
8. Chirurgie.
9. Gynécologie et Obstétrique.
10. Ophtalmologie.
11. Hygiène et Santé publique.
12. Pathologie et Bactériologie.
13. Sujets Scientifiques.
14. Parasitologie.
15. Bilharziose.
16. Histoire de la Médecine.
17. Projections Cinématographiques.

Vu le grand nombre de communications annoncées et le manque de temps, quelques-unes de ces communications seront publiées dans les Comptes Rendus du Congrès, sans avoir été lues aux séances.

Règlement pour les Réunions Scientifiques.

Le temps accordé pour chaque communication est de 15 à 20 minutes, suivant la décision de la section compétente. Il sera accordé trois à quatre minutes à chaque membre désirant prendre part à la discussion.

Le programme imprimé sera strictement observé. La réunion de chaque section ne sera ajournée qu'après lecture de toutes les communications indiquées dans l'ordre du jour. Aucune communication ne pourra être renvoyée à un autre jour sans l'assentiment du Comité d'Organisation.

Les membres sont priés de prendre note des discussions auxquelles ils auront pris part, sur des formules "*ad hoc*" qui leur seront remises. Ces formules devront être retournées au Secrétaire de la section avant la clôture de la séance. Les discussions seront publiées dans les Comptes Rendus imprimés du Congrès.

Présidents des Sections et Dignitaires.

Chaque section choisira son président et ses dignitaires (en dehors du secrétaire et des secrétaires-adjoints), avant ou durant la première séance de la section.

Séance de Clôture du Congrès.

Les propositions pour la séance finale du Congrès devront être adressées au secrétaire général, deux jours avant la date fixée pour cette séance. Dans ces propositions, les membres pourront, s'ils le désirent, proposer la date et le lieu du prochain Congrès International de Médecine Tropicale et d'Hygiène.

**Exposition de Médicaments, Instruments
et Appareils de Chirurgie.**

A l'occasion du Centenaire et du Congrès, une exposition médicale a été organisée, qui comprendra les sections suivantes :

Microscopes et appareils de Laboratoire.

Appareils électriques et de Rayons X.

Instruments de chirurgie.

Médicaments, produits chimiques et aliments en conserve.

Appareils sanitaires.

Ouvrages Médicaux (Livres, publications et journaux).

L'exposition aura un caractère commercial et scientifique.

Des règlements spéciaux ont été publiés relativement à cette Exposition.

L'Exposition aura lieu dans les parcs de la Société Royale d'Agriculture à Guézireh, Le Caire, mis gracieusement à la disposition du Comité d'Organisation par le Conseil d'Administration de la Société.

L'Exposition sera ouverte du 15 au 29 décembre 1928.

Les Administrations suivantes du Gouvernement Egyptien prendront part à l'Exposition du Congrès :

(1) Les sections suivantes de l'Administration de l'Hygiène Publique :

(a) La section sanitaire.

(b) La section des maladies épidémiques.

(c) La section des hôpitaux.

(d) La section ophtalmologique.

(e) La section pour la Protection de l'Enfance.

(f) La section des Permis.

(g) La section des maladies endémiques.

- (2) Les associations médicales Egyptiennes : Livres arabes sur la Médecine et instruments chirurgicaux employés durant le dernier siècle.
- (3) L'Imprimerie de l'Etat : La plupart des Publications du Gouvernement sur la Médecine ou l'Hygiène Publique seront exposées. Des exemplaires de quelques-unes de ces publications seront mis en vente.
- (4) Société pour la Protection de l'Enfance.
- (5) L'Association de l'Assistance Publique.

Excursions au Caire et dans ses environs pendant la durée du Congrès.

Les après-midis seront libres, autant que possible, afin que les congressistes puissent visiter les institutions scientifiques, les monuments historiques, etc., situés au Caire et dans ses environs, ainsi qu'il est indiqué dans le programme des cérémonies. De plus amples informations seront fournies par le Bureau de renseignements.

Son Excellence le Ministre des Travaux Publics a bien voulu consentir aux membres du Congrès la visite gratuite du Musée des Antiquités Egyptiennes, ainsi que des Pyramides de Guizeh et de Sakkarah, et ce, sur présentation de leur carte de membre.

Son Excellence le Ministre des Wakfs a bien voulu également accorder aux membres la visite gratuite du musée de l'Art Arabe et des Mosquées du Caire, sur présentation de leur carte de membre.

Voyages et Excursions.

Une liste des voyages et excursions en Haute-Egypte, en Palestine et en Syrie a été publiée par la Maison Thos. Cook & Son, sous forme de brochure spéciale. Les frais de ces excursions et voyages seront supportés par les membres eux-mêmes, mais ils jouiront des réductions qui leur ont été réservées sur les réseaux des chemins de fer.

Son Excellence le Ministre des Travaux Publics a bien voulu exempter les congressistes du paiement de la taxe pour la visite des monuments de la Haute-Egypte. Pour jouir de cet avantage, les congressistes devront être munis de leur carte de membre.

Ces voyages et excursions commenceront à partir du 23 décembre 1928, après la clôture du Congrès.

RÉDUCTIONS ACCORDÉES POUR LES VOYAGES

1. CHEMINS DE FER

(a) **Chemins de Fer de l'Etat Egyptien:—**

Une réduction de 50 pour cent sur le prix de voyage sur tout le réseau en Egypte, sera accordée aux membres du Congrès ainsi qu'à une seule personne qui pourrait les accompagner (épouse ou fille) durant la période de leur séjour en Egypte. Des fiches spéciales donnant droit à ces réductions seront émises par le Bureau de Renseignements. Ces fiches sont strictement personnelles.

(b) **Chemins de Fer de la Palestine:—**

50 pour cent de réduction sur les prix de voyage en Palestine pour les membres du Congrès. Tarif Spécial des wagons-lits : Du Caire à Jérusalem P.T. 100. Du Caire à Ludd P.T. 80. Des fiches spéciales, donnant droit à ces réductions, seront émises par le Bureau de Renseignements. Ces fiches sont strictement personnelles.

(c) **Chemins de Fer Beyrouth-Damas :**

50 pour cent de réduction sur les prix de voyage en Syrie, pour les membres du Congrès.

2. SOCIÉTÉS DE NAVIGATION

(a) **Fabra Line:—**

50 pour cent de réduction sur les prix nets de passage, accordée aux Délégués Officiels et Membres invités du Congrès et leurs familles.

25 pour cent aux Membres souscripteurs et leurs familles.

50 pour cent de réduction accordée aux Membres du Congrès, sur le tarif normal de passage.

(c) **Lloyd Triestino:—**

50 pour cent de réduction sur les prix nets de passage, accordée aux Délégués Officiels et Membres invités du Congrès et leurs familles.

25 pour cent aux Membres souscripteurs et leurs familles.

(d) Messageries Maritimes :—

50 pour cent de réduction sur les prix nets de passage, accordée aux délégués Officiels et Membres invités du Congrès et leurs familles.]

25 pour cent aux Membres souscripteurs et leurs familles.

(e) Royal Roumanian State Line :—

50 pour cent de réduction accordée aux Membres du Congrès, sur le tarif normal de passage.

(f) Sitmar Line :—

50 pour cent de réduction sur les prix nets de passage, accordée aux Délégués Officiels et Membres invités du Congrès et leurs familles.

25 pour cent aux Membres souscripteurs et leurs familles.

N.B.—Pour bénéficier de la réduction le membre devra prendre un billet aller-retour.

AGENTS POUR LES VOYAGES

Messieurs Thos. Cook & Son Ltd. ont été nommés Agents Officiels sur les voyages.

Le passage à bord ainsi que le logement dans les Hôtels peuvent être retenus soit par l'entremise d'une des succursales de la Maison Cook, soit directement auprès des Compagnies ou Hôtels intéressés.

FACILITÉS DOUANIÈRES

Dans le but de faciliter les formalités douanières, des étiquettes spéciales, portant le nom du Congrès, seront envoyées aux membres pour être collées sur leurs bagages.

Le Visa Egyptien pour les passeports sera gratuit.

N.B.—Toutes les réductions et facilités mentionnées ci-haut, seront accordées aux membres, sur présentation de leur carte de membre du Congrès.

The Centenary Celebration
of the
Faculty of Medicine, Cairo,
and
The International Congress of Tropical
Medicine and Hygiene

UNDER THE PATRONAGE OF
HIS MAJESTY KING FOUAD I

CAIRO (Egypt)
December 15th to 22nd, 1928

FINAL PROGRAMME

The International Commission

on the History of Medicine

was established in 1949

to promote the study of the history of medicine

and to publish the results of its work

in the journal *Journal of the History of Medicine and Allied Sciences*

FINAL PROGRAM

Cinematographic Views.

The Cinematographic Company "MISR" has been granted the exclusivity of taking views of Congress functions.

Photographs of the Congress.

Mr. E. Zola (34, Chareh Kasr el Nil, telephone No. 47-66 Ataba) have been appointed official Photographers to the Congress.

Copies of pictures taken of Congress functions (size of pictures 30×40 cms.) will be on sale at the rate of P.T. 10 per copy.

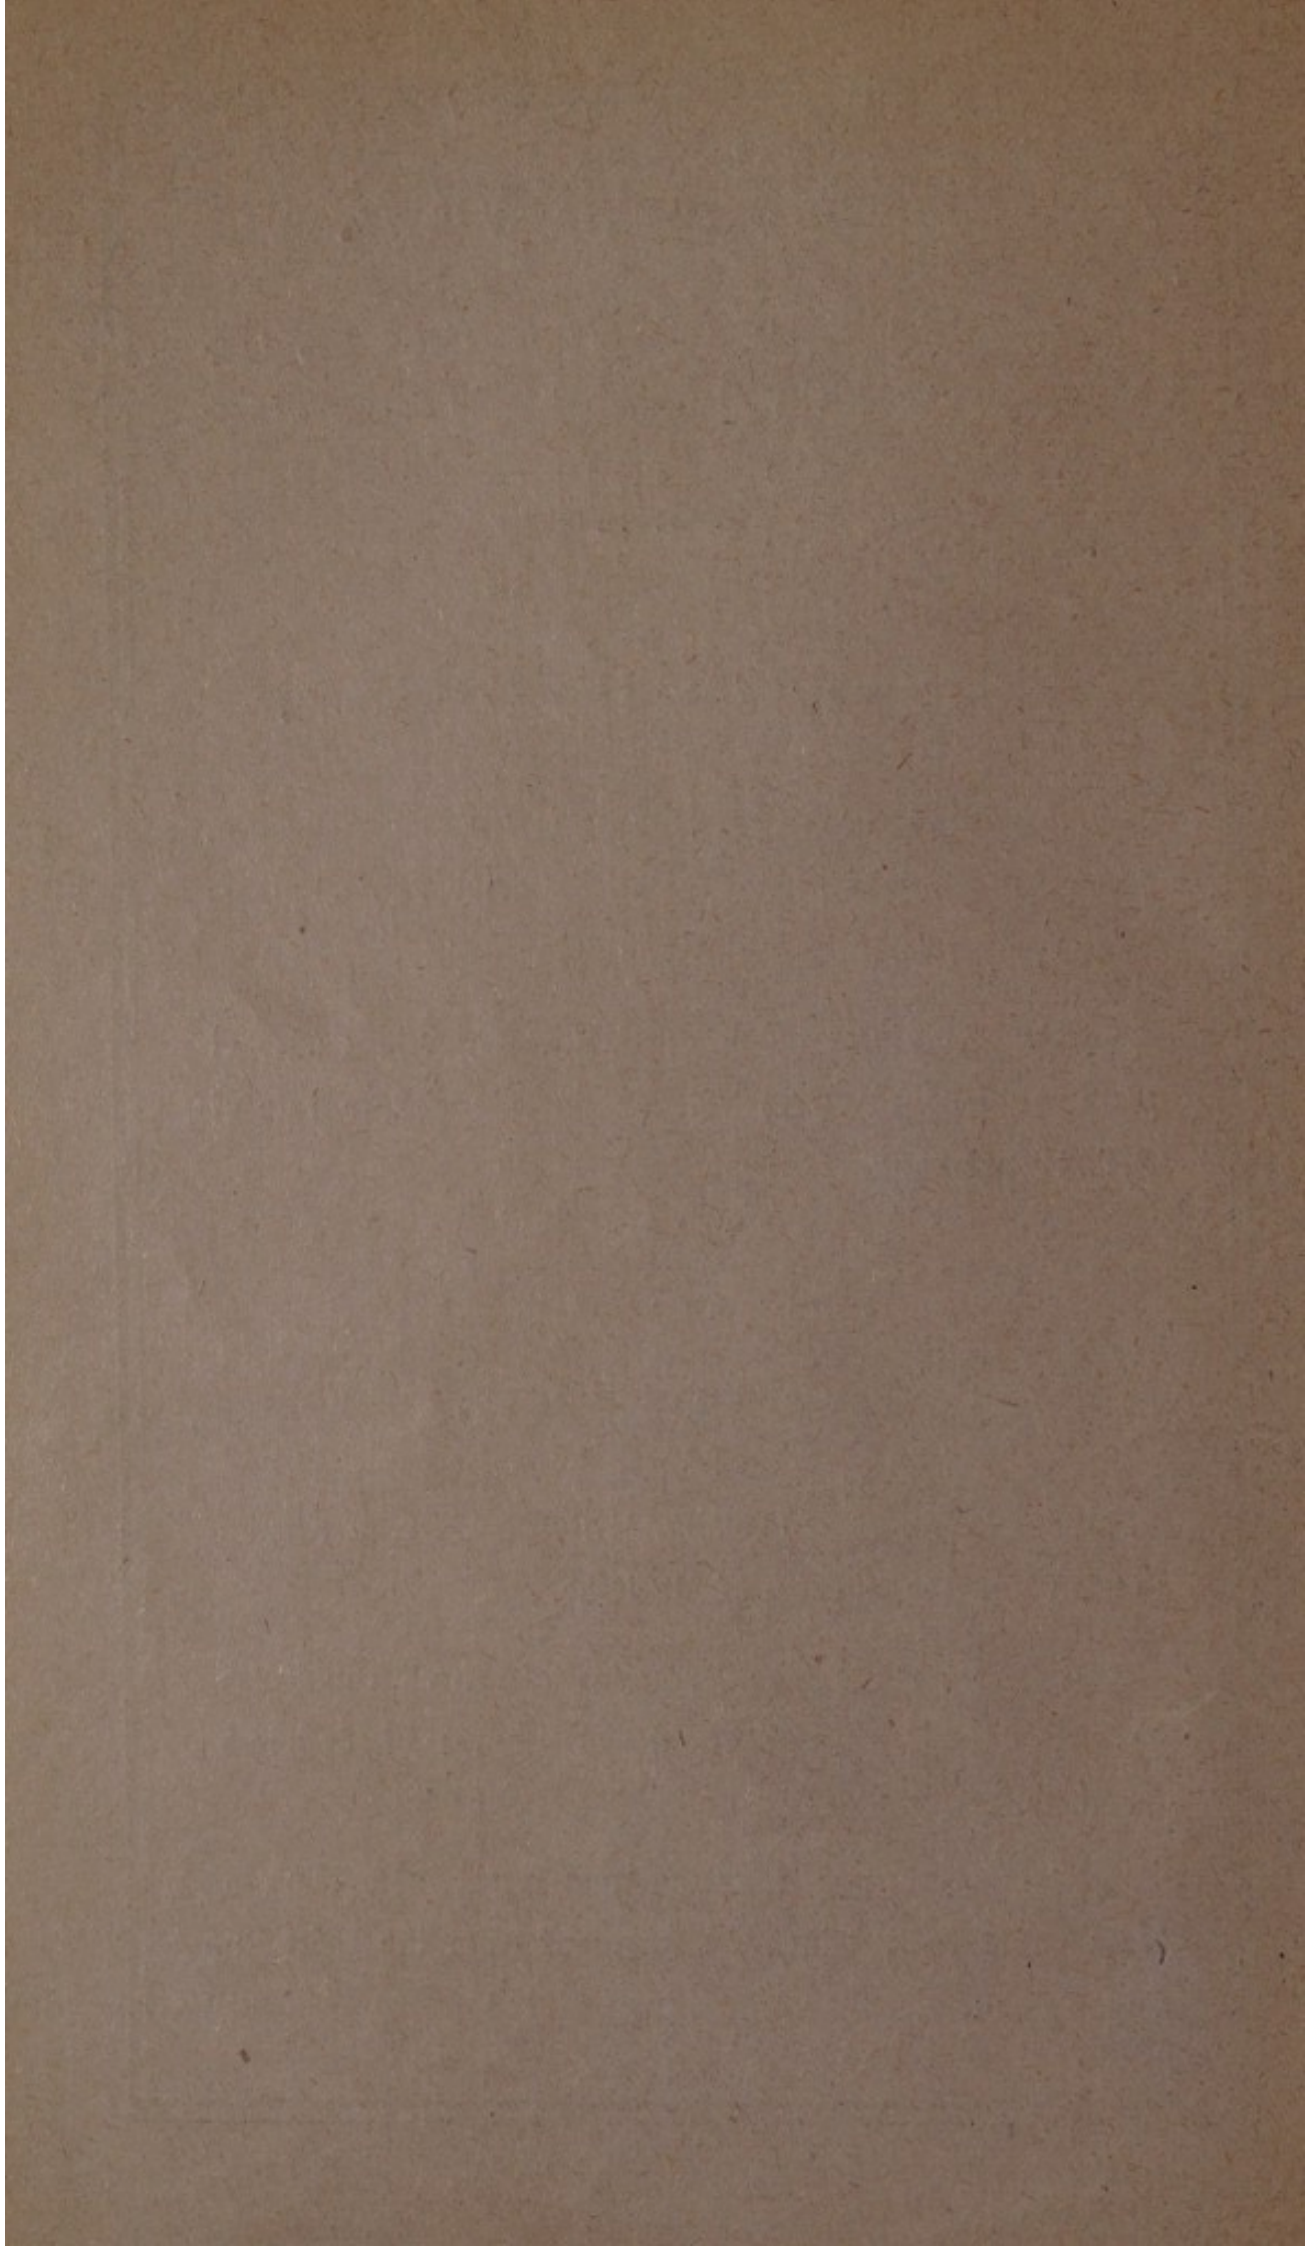

Tramway Fares.

Special trains will run daily between Ataba el Khadra Station and the Faculty of Medicine.

Special trains to the Pyramids of Gizeh could also be organized (on application) for groups of Congress members.

Special markers, entitling Congress members to reduced fares could be obtained on payment from the Information Bureau.

Information Bureau, Cairo.

The Information Bureau is on the ground floor of the Students' Club of the Faculty of Medicine, Kasr el Aini.

The Bureau will be open from 8 a.m. to 4 p.m. every day beginning on Wednesday, December 12, up to Monday, December 24.

Information Bureau, Alexandria.

An Information Bureau will be open at the Headquarters of the Alexandria Municipality, 8 Sharia Fouad el Awal, where members may apply for information.

A branch office will be installed at the Port of Alexandria and another at Alexandria Railway Station.

Registration.

All members are requested to register at the Information Bureau as soon as they arrive in Cairo, giving their Cairo address and receiving a copy of the final Programme, the Invitation Cards, Badge, etc., etc.

Post and Telegraph Office.

A Post Office and a Telegraph Office will be established at the Information Bureau for the duration of the Congress, for the convenience of members. Members will receive their correspondence through this Post Office.

Telephones.

A telephone box will be established in the neighbourhood of the Information Bureau. There will be branch telephones in all the Departments of the School. The following list of telephone numbers will be useful to refer to in connection with the Congress :—

Information Bureau, Faculty of Medicine and ...	{ Bustân	388
Departments of the Faculty of Medicine	”	389
Dean's Office, Faculty of Medicine	”	390
Secretary-General of Congress, Faculty of Medi-	”	2452

Congress Bureau (No. 1 Sharia Mazloum)	”	1494
Thos. Cook and Son (Tourist Office)	Medina	1462

Telegraphic Address of Congress: "CONTROPIC" Cairo.

Excursions.

A branch office of Messrs. Thos. Cook and Son will be open at the Information Bureau for the duration of the Congress. A representative will supply information and arrange for excursions.

Cloak Room.

A cloak room will be provided in the neighbourhood of the Information Bureau.

Refreshment Room.

A refreshment room will be found next to the Information Bureau.

Congress Badge.

A Congress Badge bearing the figure of "Im-hotep," the first physician in history, will be provided free of charge to all members of the Congress. It is requested that the badge be worn always during the Congress.

Congress Stamps.

Special postage stamps are issued to commemorate the Centenary Celebration and Congress. Two types are available, one bearing the figure of "Im-hotep" and the second that of the Viceroy Mohammed Ali Pasha, by whose orders the Cairo Medical School was established.

Exhibition medal.

A medal will be issued to exhibitors. It is of gilded bronze with the figure of "Im-hotep" on one face and the name of the Centenary Congress, in Arabic and French, on the other.

Plan of Cairo.

Members will receive a plan of Cairo showing the places of interest. More detailed plans, issued in book form by the Survey Department, are on sale at the Exhibition.

Congress Book on Egypt.

A copy of this book will be issued to every member. It has been printed specially for the Congress. It gives information about Egypt in general. An historical note on the Medical School and another on the Public Health Department are enclosed. The book contains reproductions of portraits of famous men connected with the history of the School.

The particulars in the book will be of considerable help to those desiring information on the Country.

Distinctive Badges.

Members of the Organisation Committee...	Green.
Members of the Local Sub-Committees	White.
Members of the Staff of the Faculty of Medicine	Yellow.
Members of the Exhibition Committee	Blue.
Students of the Faculty of Medicine,...	Black gown.

Scientific Programme.

The work of the Congress will be divided amongst the following sections :—

1. Medicine.
2. Leprosy.
3. Leishmaniasis.
4. Malaria.
5. Tuberculosis.
6. Dysentery.
7. Diseases of Children.
8. Surgery.
9. Gynæcology and obstetrics.
10. Ophthalmology.
11. Hygiene and Sanitation.
12. Pathology and Bacteriology.
13. Scientific subjects.
14. Parasitology.
15. Bilharziasis.
16. History of Medicine.
17. Cinematographic Demonstrations.

Owing to the large number of papers presented and the limited time available, some of the papers will be considered as having been read and they will be printed later in the Transactions of the Congress

N.B.—Demonstrations in the different Departments of the School and the Hospital as well as operations, etc., will be advertised on the notice boards of the School and the Hospital.

Rules for Scientific Meetings.

The time allowed for each communication is 15-20 minutes according to the decision of the particular section. 3-4 minutes will be allowed to each member wishing to take part in the discussion.

The printed programme will be strictly adhered to. The meeting of each section will not be adjourned until all the papers on the agenda are disposed of. No communication can be transferred to another day without the consent of the Organization Committee.

Members are requested to write down the discussion they have taken part in on the special forms provided for the purpose. These forms are to be handed to the Secretary of the Section before the meeting is over. Discussions will be published in the Transactions.

PRESIDENTS OF SECTIONS AND OFFICE BEARERS.

Each section will elect its president and office bearers (not including Secretaries and Assistant Secretaries) before or at the first meeting of the section.

FINAL MEETINGS OF THE CONGRESS.

Suggestions and proposals for the final meeting may be addressed to the Secretary General at least 2 days before the date of the meeting. These may include any proposals as to date and place where the following International Congress of Tropical Medicine and Hygiene should be held.

Invitation Card to be presented.

Excursions in Cairo and neighbourhood during the period of the Congress.

The afternoons will be free as far as possible for visiting Scientific Institutions and places of historical and general interest in Cairo and the neighbourhood as shown in the programme of Ceremonies. Detailed information may be obtained from the Information Bureau.

His Excellency the Minister of Public Works has kindly consented to allow members of the Congress to visit the Museum of Egyptian Antiquities, Cairo, as well as the Pyramids of Giza and Sakkara free of charge on presentation of their membership cards.

His Excellency Minister of Wakfs has kindly consented to allow members of the Congress to visit the Museum of Arabian Art and the Mosques of Cairo, free of charge on presentation of their membership cards.

Tours.

A list of tours in Upper-Egypt, Palestine and Syria is issued by Messrs Thos. Cook and Son in a separate pamphlet. Members may arrange for their excursions at their own expense, but they will profit by the reduced fares offered to members of the Congress.

His Excellency the Minister of Public Works has kindly consented to allow members of the Congress to visit the monuments of Upper-Egypt free of charge on presentation of their membership cards.

The tours will commence on December 23rd, after the closure of the Congress.

Exhibition of Instruments, Drugs and Appliances.

A Medical Exhibition is arranged in connection with the Congress, to include :—

Microscopes and Laboratory Equipment.]

X-Ray and Electric Apparatus.

Surgical Appliances.

Drugs, Chemicals and Foods.

Sanitary Appliances.

Medical Books, Journals and Publications.

The exhibits will be of a commercial as well as of a scientific nature.

Special Regulations for the Exhibition have been published.

The Exhibition will take place in the gardens of the Royal Agricultural Society, Guezira, Cairo, by courtesy of the Council of Administration of that Society.

The Exhibition will be open from December 15th to December the 29th. 1928.

The following Institutions will take part at the Exhibition to show their different spheres of activities :—

1. The Public Health Department of Egypt comprising :—

- (a) The Sanitation Section.
- (b) The Epidemic Section.
- (c) The Hospital Section.
- (d) The Ophthalmic Section.
- (e) The Child Welfare Section.
- (f) The Permits Section.
- (g) The Endemic Diseases Section.

2. The Egyptian Medical Association :—

Arabic Books on Medicine and surgical instruments used during the last century.

3. The Government Printing Press :—

Most of the Government publications dealing with Medicine or Public Health will be on view, and some copies will be also available for sale.

4. Society for Child Welfare.

5. The First Aid Society of Egypt.

TRAVELLING FACILITIES.

RAILWAYS.

(a) Egyptian State Railways :—

The Egyptian State Railways have granted Members of the Congress 50 per cent reduction on the fares of all travels in Egypt during the period of their stay in Egypt. The same will be granted to one person accompanying the Member, either his wife or daughter. Special vouchers must be secured for this purpose from the Information Bureau. These are strictly personal.

(b) The Palestine Railways :—

The Palestine Railways have granted Members of Congress 50 per cent reduction on the fares in Palestine.

Sleeping-car rate from Cairo to Jerusalem or Haifa is P.T. 100.

Sleeping-car rate from Cairo to Ludd is P.T. 80.

Special vouchers must be secured for this purpose from the Information Bureau. These are strictly personal.

(c) The Beirout-Damascus Railways :—

The Beirout-Damascus Railways have granted Members of the Congress 50 per cent reduction on the fares in Syria.

Reduction will be granted on presentation of membership card.

STEAMSHIPS.

(a) The Fabre Line :—

The Company has accepted to grant 50 per cent reduction on the net passage price to Official Delegates and Invited Members of the Congress and their families, and 25 per cent reduction to Subscribing Members and their families.

(b) The Khedivial Mail Line :—

The Company has accepted to grant 50 per cent reduction on the normal tariff fares to all Members of the Congress and their families.

(c) The Lloyd Triestino :—

The Company has accepted to grant 50 per cent reduction on the net passage price to Official Delegates and Invited Members of the Congress and their families, and 25 per cent reduction to Subscribing Members and their families.

(d) The Messageries Maritimes:—

The Company has accepted to grant 50 per cent reduction on the net passage price to Official Delegates and Invited Members of the Congress and their families, and 25 per cent reduction to Subscribing Members and their families.

(e) The Royal Roumanian State Line:—

The Company has accepted to grant 50 per cent reduction on the normal tariff fares to all Members of the Congress and their families.

(f) The Sitmar Line:—

The Company has accepted to grant 50 per cent reduction on the net passage price to Official Delegates and Invited Members of the Congress and their families, and 25 per cent reduction to Subscribing Members and their families.

This reduction is only allowed if return passage is reserved at the time of booking the ticket.

TRAVELLING AGENTS.

Messrs. Thos. Cook & Son have been appointed official travelling Agents. Passages and hotel reservation can be arranged through any of their branch offices or directly with the companies concerned.

CUSTOMS FACILITIES.

A special label bearing the name of the Congress will be sent to Members of the Congress to be affixed to their luggage which will facilitate Customs formalities.

Egyptian passport visas will be given free of charge.

N.B.—The reduction and facilities above-mentioned will be allowed to members of the Congress on presentation of their membership card.

and

the scientific character of her work

and

the history of her life

from 1810 to 1880

by

JOHN W. HENNING

ALBANY: WILEY & SON, 1880

-KING (A. 1880)

December 15 - 22 1880

WILEY & SON, ALBANY, N. Y.

Lichtbilderaufnahmen.

Die Kinematographische Gesellschaft "MISR" ist mit den kinematografischen Aufnahmen des Kongresses betraut.

Photographien.

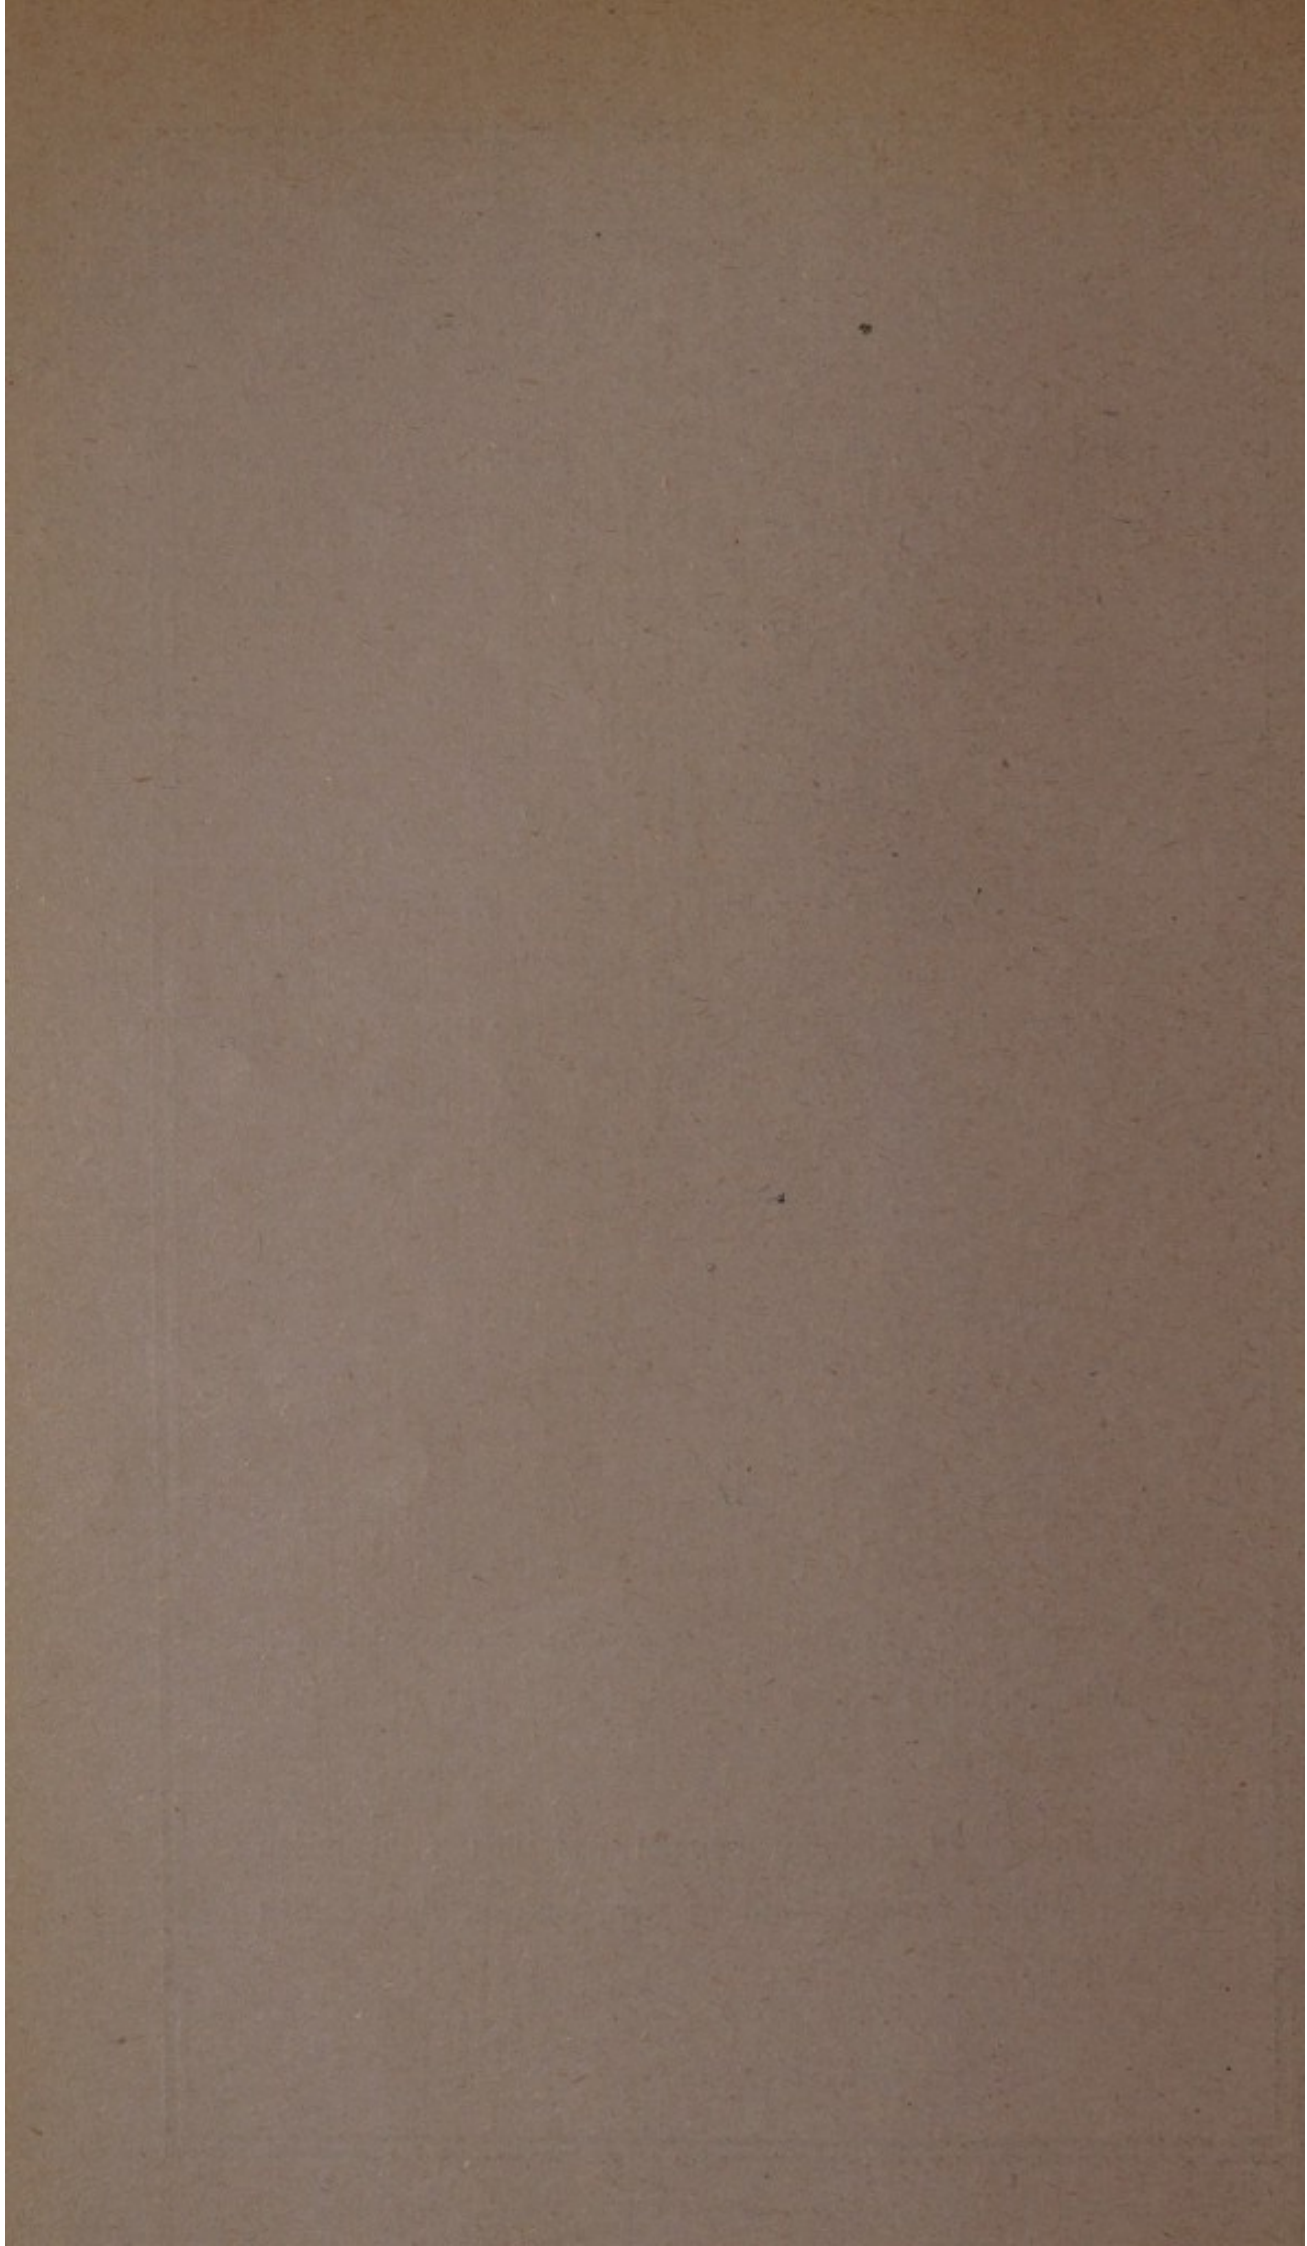

Herr E. Zola (No. 34, Chareh Kasr el Nil, Fernsprecher Ataba 47-66) ist als offizieller Photograph des Kongresses ernannt. Kongress-Aufnahmen (Grösse der Bilder 30×40 cent.) sind zum Einzelpreise von P.T. 10 erhältlich.

Elektrische Trambahnen.

Es laufen täglich, fuer Kongressmitgliedern reservierte Zuege, zwischen Ataba el Khadra Haltestelle und der Medizinischen Hochschule. Sonderzuege werden, auf Wunsch, zwischen Ataba el Khadra und den Pyramiden zu Gizeh laufen.

Besondere, zu Ermaessigungen auf den Fahrpreisen berechtigende Marken, sind in der Auskunft erteilt erhältlich.

Auskunfts Bureau, Kairo.

Das Auskunftsbureau befindet sich im Erdgeschosse des Studentenklubs der medizinischen Hochschule in Kasr el Aini.

Die Auskunftsteil wird, beginnend von Mittwoch, den 12. Dezember, bis Montag, den 24. Dezember, taeglich von 8 Uhr morgens bis 4 Uhr nachmittags geoeffnet sein.

Auskunfts-Bureau, Alexandrien.

Eine Auskunftsteil ist ebenfalls, in Alexandrien und zwar im Stammgebaeude der Stadtverwaltung, eroeffnet, und steht Interessenten zur Verfuegung.

Eintragung.

Mitglieder werden ersucht, bei ihrem Eintreffen in Kairo, sich zwecks Eintragung an das Auskunftsbureau zu wenden und ihre Adresse in Kairo bekannt geben zu wollen. Bei dieser Gelegenheit werden die Mitglieder das endgueltige Programm, die Einladungskarten, das Kongress-Abzeichen, u.s.w. in Empfang nehmen.

Post-und-Telegrafenamts.

Ein Post-und-Telegrafenamts, zur Bequemlichkeit der Mitglieder, wird, waehrend der ganzen Dauer des Kongresses, in der Auskunftsteil eroeffnet sein. Die an die Mitglieder gerichtete Post kommt durch dieses Postamts zur Verteilung.

Fernsprecher.

Eine Fernsprecher-Zelle befindet sich in der Naehel der Auskunftsteil. Zweig-fernsprecher Apparate sind in allen Abteilungen der Medizinischen Hochschule angelegt. Die unten angefuehrte Liste von Fernrufnummern wird den Kongressmitgliedern von Nutzen sein:—

Auskunftsteil-Medizinische Hochschule	Bustan	388
Abteilungen der Medizinischen Hochschule...	„	389
	„	390
Bureau des Dekans, Med. Hochschule... ..	„	2452
General Sekretaer des Kongresses	„	1531
Kongress-Bureau (No. 1, Rue Mazloum Pacha)	„	1494
Thos. Cook & Son (Reisebureau)... ..	Medina	1462

Telegramm Adresse.

Die Telegramm Adresse des Kongresses ist "CONTROPIC," KAIRO.

Ausfluege.

Das Reisebureau von Thos. Cook & Son, wird ein Zweigbureau in der Auskunftei des Kongresses eroeffnen. Dasselbe steht unter der Leitung eines Beamten der Firma Cook, und letzterer wird Interessenten Auskunfte ueber Ausfluege erteilen, wie auch, auf Wunsch, die Organisation solcher Ausfluege uebernehmen.

Ablegeraum.

Ein Ablegeraum befindet sich in der unmittelbaren Naehel der Auskunftei.

Erfrischungsraum.

Befindet sich ebenfalls in der Naehel der Auskunftei.

Kongress Abzeichen.

Das Kongressabzeichen, mit dem Bilde Im-hotep's des ersten Arztes in der Geschichte, wird jedem Mitgliede unentgeltlich zugestellt. Es wird ersucht, dieses Abzeichen waehrend der ganzen Dauer des Kongresses zu tragen.

Kongress Briefmarken.

Zur Erinnerung an die Hundertjahrfeier und den Kongress werden besondere Briefmarken herausgegeben werden. Die Serie besteht aus zwei Marken, von welchen die erste das Bild Im-hotep's im Felde hat; die zweite zeigt das Bild des Vize-Konigs Mohammed Aly unter dessen Befehl die Medizinische Hochschule in Kairo erstand.

Ausstellungs-Medaillen.

Teilnehmer an der Kongress-Ausstellung empfangen eine Medaille. Dieselbe ist aus Erz, vergoldet, und zeigt auf einer Seite das Bild Im-hotep's, waehrend die andere Seite die Aufschrift des Kongresses in arabischer und franzoesischer Sprache zeigt.

Plan von Kairo.

Ein Plan Kairos, auf welchem die Hauptsehenwuerdigkeiten der Stadt angefuehrt sind, wird jedem Kongressmitglied unentgeltlich zugeteilt. Ein ausfuehrlicherer, vom Vermessungsamt herausgebener Plan, wird in den Ausstellungsraeumen kaeufflich zu haben sein.

Kongress-Buch ueber Aegypten.

Ein Exemplar dieser Festschrift wird jedem Mitglied unentgeltlich zugestellt. Das Buch, welches aus Anlass des Kongresses erschienen ist, enthaelt historische Notizen ueber die Medizinische Hochschule und das Gesundheitsamt der Aegyptischen Regierung, ferner Abbildungen von beruehmten, historischen Persoenlichkeiten der Medizinischen Hochschule, und gibt Interessenten ausgiebige Auskuenfte ueber Aegypten im allgemeinen.

Abzeichen.

Mitglieder des Organisations-Ausschusses,	Gruen.
Mitglieder der lokalen Unter-Komitees,	Weiss.
Mitglieder (Beamte) der Mediz. Hochschule,	Gelb.
Mitglieder des Ausstellungs-Ausschusses,	Blau.
Studenten der Mediz. Hochschule,	Akademische Tracht.

Wissenschaftliches Programm.

Die Sitzungen des Kongresses werden in folgenden Sektionen stattfinden

1. Abteilung fuer Medizin.
2. „ „ Lepra.
3. „ „ Leischmaniasis.
4. „ „ Malaria.
5. „ „ Tuberkulosis.
6. „ „ Dysenterie.
7. „ „ Kinderkrankheiten.
8. „ „ Chirurgie.
9. „ „ Gynaekologie.
10. „ „ Augenkrankheiten.
11. „ „ Hygiene und Gesundheitswesen.
12. „ „ Pathologie und Bakteriologie.
13. „ „ Allgemein-Wissenschaftliche Fragen.
14. „ „ Parasitologie.
15. „ „ Bilharzia.
16. „ „ Geschichte der Medizin.
17. „ „ Lichtbilder Vorfuehrungen.

Die Anzahl der bis heute eingelaufenen Kongressarbeiten ist so bedeutend, und die Zeit bis zur Eroeffnung des Kongresses so kurz bemessen, dass es nicht moeglich sein wird alle diese Arbeiten zu lesen. Es werden daher einige dieser Vortraege nachtraeglich nur in den Verhandlungen des Kongresses im Druck erscheinen.

Bestimmungen fuer Wissenschaftliche Sitzungen.

Die fuer jeden Vortrag vorgesehene Zeit ist auf 15-20 Minuten, je nach Bestimmung der betreffenden Abteilung, festgesetzt. Fuer Diskussionen stehen jedem Mitglied, auf Wunsch, 3-4 Minuten zur Verfuegung.

Die im Programm gedruckte Reihenfolge der Arbeiten wird genau innegehalten werden.

Die Sitzung einer Abteilung ist erst nach Erledigung aller fuer den betreffenden Tag vorgemerkten Arbeiten als aufgehoben zu betrachten. Vortraege koennen nur mit Genehmigung des Organisations-Ausschusses von einem auf den anderen Tag verlegt werden.

Mitglieder werden ersucht, ihre Diskussionsbemerkungen schriftlich vorzumerken. Zu diesem Zwecke stehen Formulare "ad hoc" zur Verfuegung, und letztere sind ausgefuellt dem Schriftfuehrer der betreffenden Abteilung vor Sitzungsschluss abzugeben. Diese Diskussionen erscheinen nachtraeglich in den gedruckten Verhandlungen des Kongresses.

Abteilungsvorsitzender und Beisitzer.

Jede Abteilung wird ihren Vorsitzenden und ihre Beisitzer (Schrift- und-Hilfsschriftfuehrer ausgenommen) vor oder gleich bei der ersten Sitzung der betreffenden Abteilung waehlen.

Schluss-Sitzungen des Kongresses.

Es wird ersucht, Vorschlaege fuer die Schluss-Sitzung, an den General-Sekretaer des Kongresses, zwei Tage vor Kongress-Schluss einzureichen. Angaben betreffend Datum und Ort, an welchem der naechste Internationale Kongress fuer Tropen Medizin und Hygiene stattzufinden habe, koennen in solchen Vorschlaegen zur Erwaehnung gebracht werden.

Ausfluege in Kairo und Umgebung waehrend der dauer des Kongresses.

Die Nachmittage werden so viel wie moeglich zwecks Besichtigung wissenschaftlicher Institute und historischer Sehenswuerdigkeiten in Kairo und Umgebung, wie dies im Programme festgesetzt ist, frei gehalten. Diesbezugliche Auskuenfte werden von der Auskunftei erteilt.

Mit Genehmigung S.E. des Ministers der oeffentlichen Arbeiten, ist Kongressmitgliedern, auf Vorzeigung ihrer Mitgliedskarten, die Besichtigung des Museums, der aegyptischen Altertuermer in Kairo, wie auch der Pyramiden von Giza und Sakkara unentgeltlich gestattet.

S.E. der Minister des Wakfs hat ebenfalls genehmigt, dass die Besichtigung des Museums fuer arabische Kunst wie auch der Moscheen in Kairo, Mitgliedern unentgeltlich gestattet werde. Diese werden ersucht bei solchen Besuchen ihre Mitgliedskarten vorzuzeigen.

Ausfluege.

Eine vom Reisebureau Thos. Cook and Son. besonders herausgegebene Broschure enthaelt Angaben und Einzelheiten ueber die von diesem Reisebureau organisierten Touren in Ober-Aegypten, Palaestina und Syrien. Solche Reisen geschehen auf Kosten der Mitglieder; Letztere geniessen jedoch die den Kongressmitgliedern zugestandenen Reiseermaessigungen.

S.E. der Minister der oeffentlichen Arbeiten hat genehmigt, Kongressmitgliedern, auf Vorzeigung ihrer Mitgliedskarten, die Besichtigung der Altertuermer Ober-Aegyptens unentgeltlich zu gestatten.

Die Ausfluege beginnen am 23. Dezember, nach Kongress-Abschluss.

FAHRPREISERMAESSIGUNGEN.

EISENBAHNEN.

(a) Aegyptische Staats Eisenbahnen .—

Waehrend ihres ganzen Aufenthaltes in Aegypten wird Kongressmitgliedern eine Ermaessigung von 50 Prozent auf alle Fahrpreise des aegyptischen Eisenbahnnetzes bewilligt. Dieselbe Ermaessigung wird einer das Mitglied begleitenden Person (Frau oder Tochter) eingeraeumt. Diesbezugliche Zertifikate sind in der Auskunftei erhaeltlich. Diese Zertifikate sind ausdruecklich nominel.

(b) Eisenbahnen der Palaestina Regierung :—

Kongressmitgliedern ist eine Ermaessigung von 50 Prozent auf das Eisenbahnnetz Palaestinas eingeraeumt.

Extra Zulagen fuer Schlafwagen :—

Von Kairo nach Jerusalem oder Haifa	P.T.	100
Von Kairo nach Ludd	P.T.	80

Zu den Ermaessigungen berechtigende Zertifikate, welche nominel sind, werden von der Auskunftei ausgestellt.

(c) Beirut-Damaskus Eisenbahn :—

Kongressmitgliedern ist auf Vorzeigung ihrer Mitgliedskarte eine Ermaessigung von 50 Prozent auf die Fahrpreise dieser Linie bewilligt.

SCHIFFFAHRTS GESELLSCHAFTEN.

(a) Fabre Line :—

Eine Ermaessigung von 50 Prozent ist offiziellen Delegierten und Gaesten sammt ihren Familien eingeraeumt. Die Ermaessigung fuer andere Kongressmitglieder und ihre Familien ist auf 25 Prozent der gewoehnlichen Fahrpreise festgesetzt.

(b) Die Khedivial Mail Line :—

Raeumt allen Kongressmitgliedern wie auch ihren Familien eine Preisermaessigung von 50 Prozent ein.

(c) Lloyd Triestino:—

Offizielle Delegierte und Gaeste nebst ihren Familien sind zu einer Ermaessigung von 50 Prozent auf den netto Fahrpreisen dieser Gesellschaft berechtigt, sonstige Kongressmitglieder und ihre Familien zu einer Ermaessigung von nur 25 Prozent.

(d) Messageries Maritimes:—

Dieselben Ermaessigungen wie beim Lloyd Triestino.

(e) Koeniglich Rumaenische Staats Linie:—

Kongressmitglieder und ihre Familien erhalten eine Preisermassigung von 50 Prozent auf die normalen Fahrpreise dieser Gesellschaft :

(f) Sitmar Linie:—

Diese Gesellschaft bewilligt offiziellen Abgeordneten und Gaesten wie auch ihren Familien eine Ermaessigung von 50 Prozent auf den netto Fahrpreisen ; die Ermaessigung fuer sonstige Kongressmitglieder und ihre Familien ist auf nur 25 Prozent des netto Fahrpreises festgesetzt.

Diese Ermaessigungen werden nur dann eingeräumt, wenn Passagiere ihre Hin-und-Rueckfahrtskarten zu gleicher Zeit loesen.

REISEBUREAU.

Die Firma Thos. Cook and Son ist offiziell als Kongress-Reisebureau anerkannt. Reisefahrkarten wie auch Hotelreservierungen koennen durch jede Zweigstelle dieser Firma oder auch direkt, bei den betreffenden Schiffs- und Hotel-Gesellschaften gebucht werden.

ERLEICHTERUNG DER AEGYPTISCHEN ZOLLFORMALITAETEN.

Besondere, mit dem Kongress-Abzeichen versehene Aufklebezettel stehen Kongressmitgliedern zur Verfuegung, und werden Letztere ersucht, ihre Gepaeckstuecke, zwecks Erleichterung der Zoll-Formalitaeten, mit diesen Zetteln zu versehen.

Das aegyptische Visum auf Auslandspaeisse wird unentgeltlich ausgestellt.

N.B.—Obengenannte Ermaessigungen und Erleichterungen werden Kongressteilnehmern nur auf Vorzeigung ihrer Kongresskarte gewahrt.

CAIRO (Egitto).
Dal 15 al 22 Dicembre 1928.

PROGRAMMA DEFINITIVO

CENTENARIO

del

Facoltà di Medicina del Cairo

Congresso Internazionale di Medicina

e Igiene Tropiche

PER IL COMPLEANNO
SUA MAESTÀ IL RE ROYAL

CAIRO (Egitto)
Dal 15 al 22 Dicembre 1924

PROGRAMMA DEFINITIVO

Vedute Cinematografiche.

La Società Cinematografica "MISR" ha l'esclusività per la presa delle vedute cinematografiche delle solennità del Congresso.

Fotografie.

Il Sig. E. Zola (Via Kasr el Nil, No. 34, Telefono No. 47-66 Ataba) è stato nominato fotografo ufficiale del Congresso. Vedute del Congresso (dimensioni 30×40 cms.) saranno in vendita a P.T. 10 per copia.

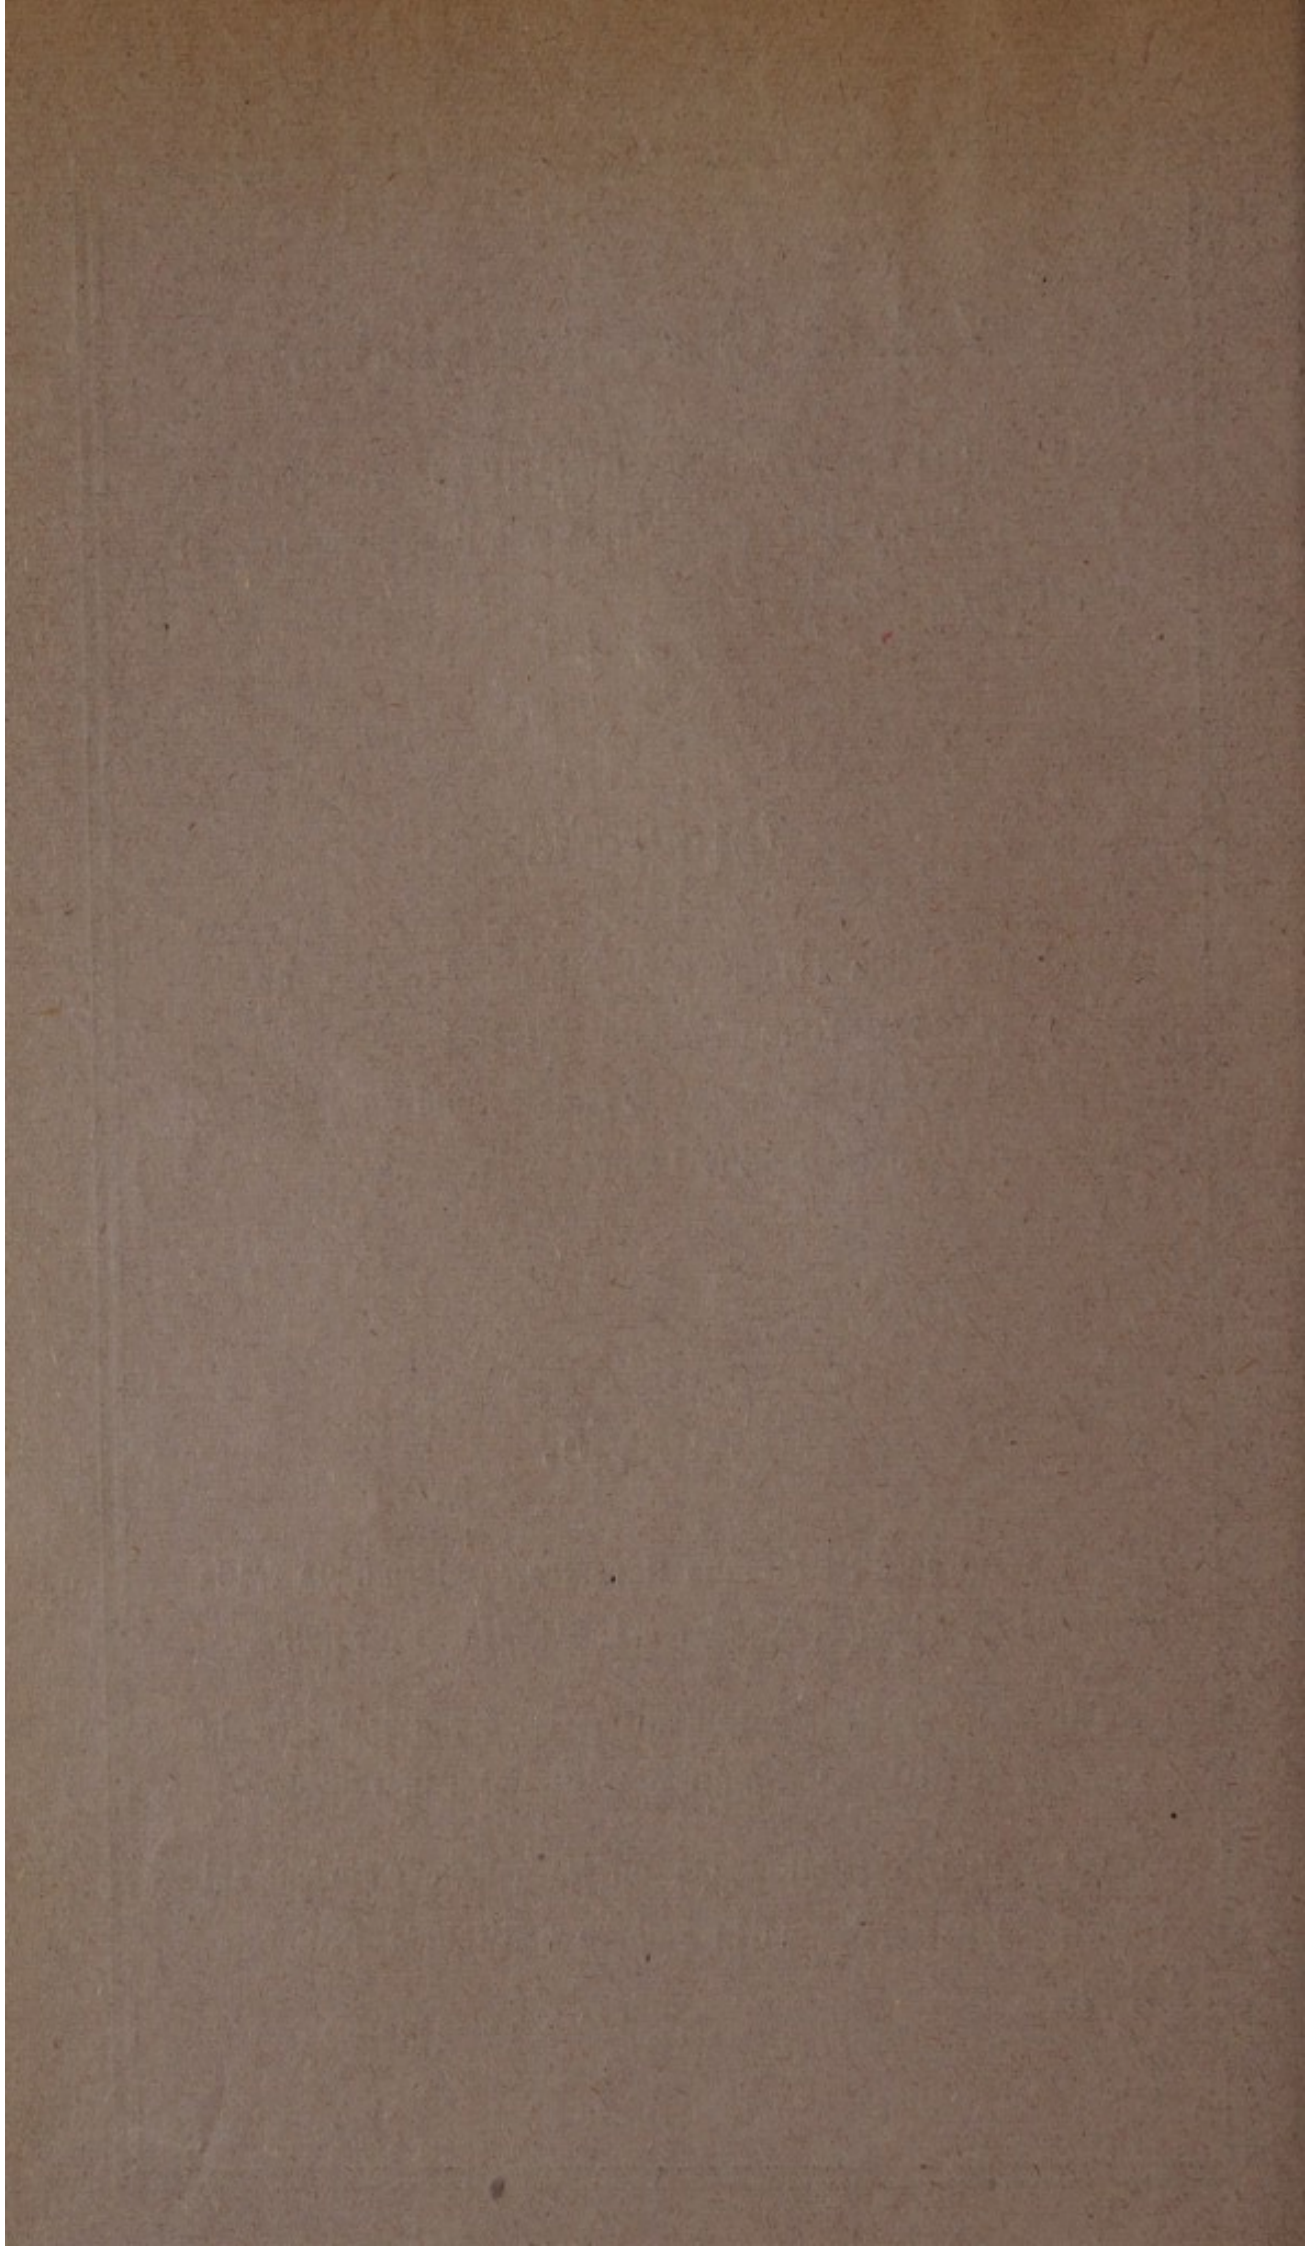

Tramvie.

Dei Treni speciali faranno il percorso giornaliero fra la stazione di Ataba el Khadra e la Facoltà di Medicina.

Dei treni speciali potranno essere organizzati fra la stazione di Ataba el Khadra e le Piramidi di Ghizeh.

Dei gettoni speciali dando diritto a delle riduzioni sui prezzi dei percorsi sono in vendita nell'Ufficio d'Informazioni.

Ufficio d'Informazioni al Cairo.

L'ufficio d'informazioni, che si trova al pianterreno del Circolo degli studenti della Facoltà di Medicina, Kasr el Aini, é aperto giornalmente dalle 8 a.m. alle 4 p.m., dal mercoledì, 12 Dicembre al lunedì, 24 Dicembre.

Ufficio d'Informazioni, Alessandria.

Un ufficio per informazioni sarà ugualmente aperto nella sede principale della Municipalità d'Alessandria, che fornirà ai Membri del Congresso tutte le informzaioni che potranno chiedere.

Registrazione.

Tutti Membri sono pregati di farsi registrare nell' Ufficio d'informazioni appena giunti in Cairo, e di dare a tal ufficio il loro indirizzo in Cairo. L'Ufficio d'informazioni distribuirà ai Membri un esemplare del programma definitivo., gli inviti ed i distintivi del Congresso.

Servizio di Posta e Telegrafo.

Per la comodità dei Membri un Ufficio postale e telegrafico funzionerà nel locale stesso dell'Ufficio d'informazioni per tutta la durata del Congresso. Il corriere dei Congressisti sarà distribuito da tale ufficio postale.

Servizio Telefonico.

Un apparecchio telefonico sarà stabilito nella vicinanza dell' Ufficio d'informazioni. Apparecchi telefonici inter-comunicanti si troveranno in tutte le sezioni della Facoltà di Medicina. Per la comodità dei membri del Congresso è dato l'elenco seguente dei numeri telefonici. :

Ufficio d'Informazioni, Facoltà di Medicina	... Bustan	388
Sezioni della Facoltà di Medicina „	389
	„	390
Ufficio del Dacano della Facoltà di Medicina „	2452
Segretario Generale del Congresso, Facoltà di Medicina „	1531
Ufficio del Congresso (No. 1 Shareh Mazloun , Pacha) „	1494
Thos. Cook & Son (Ufficio Turistico) Medina	1462

Indirizzo Telegrafico del Congresso : " CONTROPIC " Cairo.

Escursioni.

Un rappresentante della ditta Thos. Cook & Son sarà in permanenza nell' Ufficio d'Informazioni, a disposizione dei Membri, per fornir loro tutte le informazioni sulle gite in Egitto, Palestina ed in Siria.

Guardaroba.

Un vestiario per il deposito degli abiti si troverà nella vicinanza dell' Ufficio d'Informazioni.

Buffet.

Un buffet sarà egualmente vicino all' Ufficio d'informazioni.

Distintivo del Congresso.

Il distintivo del Congresso con l'effigie del Im-hotep, (il primo medico della storia) sarà distribuito gratuitamente ad ogni Membro del Congresso. Questi sono pregati di portare detto distintivo per tutta la durata del Congresso.

Francobolli del Congresso.

In occasione del Congresso sarà fatta una emissione di francobolli composta di una serie di due valute. Uno di questi francobolli avrà l'effigie del Im-hotep, e l'altro avrà il ritratto del Vice-Rè Mohammed Aly, sotto gli ordini del quale fu fondata la Facoltà di Medicina.

Medaglia della Esposizione.

Sarà distribuito agli espositori una medaglia. Questa è di bronzo dorato, col effigie del " Im-hotep " di un lato e con la legenda " Congresso Centenario " in lingua Araba e Francese, dell' altro lato.

Carta Topografica del Cairo.

Ogni Membro riceverà una carta topografica, nella quale saranno indicati i punti più importanti del Cairo. Una carta più dettagliata, fatta dalla Sezione Topografica del Governo Egiziano, sarà messa in vendita nel locale della Esposizione.

Opuscolo sul Egitto.

Un esemplare di questo opuscolo sarà distribuito gratuitamente ad ogni Membro del Congresso. Codesto opuscolo contiene informazioni di ordine generale sull' Egitto, come anche un riassunto storico sulla Facoltà di Medicina e sull' Amministrazione dell' Igiene Pubblica dello Stato Egiziano. Vi sono anche dei ritratti delle personalità celebre che hanno preso parte ai lavori della Facoltà di Medicina. L'opuscolo contiene inoltre delle informazioni utili a tutti coloro che s'interessano all' Egitto.

Distintivi.

Membri del Comitato organizzatore,... Verde.
Membri dei sottocomitati locali, Bianco.
Membri della Facoltà di Medicina, Giallo.
Membri del Comitato dell'Esposizione, Azzurro.
Studenti della Facoltà di Medicina,...	... ^b ... Abito accademico.

Programma Scientifico.

I Lavori del Congresso saranno così divisi:—

1. Medicina Interna.
2. Lepra.
3. Leischmaniosi.
4. Malaria.
5. Tuberculosi.
6. Dissenteria.
7. Pediatria.
8. Chirurgia.
9. Ginecologia ed ostetricia.
10. Oftalmologia.
11. Igiene e Sanità.
12. Patologia generale e Batteriologia.
13. Questioni scientifiche generali.
14. Parassitologia.
15. Bilharziosi.
16. Storia della Medicina.
17. Dimostrazioni cinematografiche.

Visto il gran numero delle comunicazioni presentati ed il tempo limitato, una parte di tale comunicazioni non saranno letto; saranno soltanto pubblicate nei resi conti stampati del Congresso.

Regolamenti per le Reunioni Scientifiche.

Per ogni comunicazione sono concesse da 15 a 20 minuti di tempo, secondo la decisione della Sezione interessata. Ogni membro ha diritto a 3 o 4 minuti per la discussione.

Il programma stampato sarà seguito rigorosamente. La seduta di una qualunque sezione non potrà essere dichiarata chiusa prima che non fossero lette tutte le comunicazioni prevedute nell'agenda giornaliera. Non sarà permesso il rinvio di una comunicazione di un giorno all'altro senza il permesso del Comitato di Organizzazione.

I Membri sono pregati di trascrivere le discussioni cui hanno preso parte su delle formule "ad hoc" che saranno a loro fornite e che dovranno consegnare al segretario della sezione prima della fine della seduta.

PRESIDENTI, MEMBRI DEL COMITATO DELLE SEZIONI.

Ogni sezione eleggerà il proprio presidente ed il proprio comitato (oltre al segretario ed ai segretarii assistenti) avanti della prima seduta o all' inizio di questa.

SEDUTA DI CHIUSURA DEL CONGRESSO.

I membri sono pregati di trasmettere al Segretario Generale, almeno due giorni prima della seduta di chiusura del Congresso, le proposizioni o raccomandazioni che credono essere d'interesse generale per tale seduta. Si potranno ugualmente fare delle proposte riguardo la date ed il luogo del successivo Congresso Internazionale di Medicina e Igiene Tropicale.

Escursioni in Cairo e nei suoi dintorni.

I pomeriggi saranno lasciati liberi affinchè i Membri del Congresso possano consacrarli alla visita delle istituzioni scientifiche e dei monumenti d'interesse storico e generale, com'è indicato nel programma delle cerimonie. Per ulteriori schiarimenti, rivolgersi all'Ufficio d'Informazioni.

Per ordine delle LL.EE. i Ministri dei Lavori Pubblici e dei Wakfs i Membri del Congresso potranno visitare gratuitamente il Museo Egiziano, le Piramidi di Ghizeh e di Sakkara, il Museo d'Arte Araba e le Moschee del Cairo.

Gite in Egitto, in Palestina ed in Siria.

La Ditta Thos. Cook & Son ha pubblicato un opuscolo contenente tutte le informazioni sulle gite in Alto-Egitto, in Palestina ed in Siria. Tale gite saranno fatte a spese dei Membri. Questi però godranno delle riduzioni di viaggio riservate ai Membri del Congresso.

Per ordine della S.E. il Ministro dei Lavori Pubblici i Membri del Congresso saranno autorizzati a visitare i monumenti dell' Alto-Egitto senza alcun pagamento. I Membri, però, dovranno presentare la loro tessera di Membro del Congresso per godere di questo vantaggio.

Le escursioni cominceranno il 23 Dicembre, dopo la chiusura del Congresso.

FACILITAZIONI PER I VIAGGI.

FERROVIE.

(a) Ferrovie dello Stato Egiziano :—

Le Ferrovie dello Stato concedono ai Membri del Congresso il 50 per cento di riduzione su qualunque viaggio in Egitto, durante il periodo della loro permanenza. La concessione è estensibile alla moglie o alla figlia (una persona soltanto) che accompagnano il congressista.

Le tessere che danno diritto a questa riduzione possono essere ritirate dell'Ufficio d'Informazioni. Queste tessere sono strettamente personale.

(b) Ferrovie della Palestina :—

Le Ferrovie della Palestina concedono il 50 per cento di ribasso ai Membri del Congresso che viaggiano in Palestina.

La tassa supplementare per vagone letto, dal Cairo a Gerusalemme o Haifa, è di Piastre 100. La tassa per vagone-letto dal Cairo a Lydda è di Piastre 80.

(c) Ferrovie Beyrouth-Damasco :—

La Ferrovia Beyrouth-Damasco concede il 50 per cento di riduzione ai Membri del Congresso nei loro viaggi in Siria. Per ottenere questa riduzione, occorre presentare la tessera di Membro del Congresso.

BATTELLI.

(a) Fabre Line :—

La Compagnia accorda una riduzione del 50 per cento sui prezzi netti di passaggio ai Delegati ufficiali ed ai Membri invitati al Congresso, comprese le loro famiglie, ed una riduzione del 25 per cento ai Membri sottoscrittori ed alle loro famiglie.

(b) Khedivial Mail Line :—

La Compagnia accorda il 50 per cento di riduzione sui prezzi delle sue tariffe normali a tutti Membri del Congresso ed alle loro famiglie.

(c) Lloyd Triestino :—

La Compagnia accorda una riduzione del 50 per cento sui prezzi netti di passaggio ai Delegati ufficiali ed ai Membri invitati al Congresso, comprese le loro famiglie, ed una riduzione del 25 per cento ai Membri sottoscrittori e famiglie.

(d) Messageries Maritimes :—

Le stesse riduzioni che sul Lloyd Triestino.

(e) Linea Reale dello Stato Rumeno :—

La Compagnia accorda il 50 per cento di riduzione sui prezzi delle sue tariffe normali a tutti i Membri del Congresso ed alle loro famiglie.

(f) Sitmar :—

La Compagnia accorda una riduzione del 50 per cento sui prezzi netti di passaggio ai Delegati ufficiali ed ai Membri invitati al Congresso, comprese le loro famiglie, ed una riduzione del 25 per cento ai Membri sottoscrittori e famiglie.

Questa riduzione è accordata soltanto a coloro che prenotano il posto per il ritorno al momento dell'acquisto del biglietto di andata.

AGENZIA DI VIAGGIO.

L'Agenzia Thos. Cook & Son è incaricata ufficialmente del Servizio del Congresso. I biglietti di viaggio ed i posti negli Alberghi possono essere prenotati presso la detta Agenzia, o una delle sue succursali, oppure direttamente presso delle Compagnie di Navigazioni e degli Alberghi.

FACILITAZIONI DOGANALI.

Ciascun Membro del Congresso riceverà delle etichette speciali da applicare al suo bagaglio per facilitare le operazioni doganali nei Porti Egiziani.

Il visto Egiziano sarà apposto gratuitamente sui passaporti

N.B.—Le facilitazioni sopra specificate saranno accordate dietro presentazione della tessera di Membro del Congresso.

“Methods of diagnosing diseases by the Ancient Egyptians.”
5. DR. LUCHS, Chirurgien, Hôpital Victoria, Le Caire.
“Quelques remarques sur le papyrus d’Edwin Smith.”
6. DR. AHMED ISSA BEY, Le Caire.
“Histoire des Bimaristans (Hôpitaux) à l’époque Islamique.”
7. DR. MAX MEYERHOF, Cairo.
“Ali Ibn Radwan (11th Cent. [†]A.D.) on the medical topography and hygiene of Cairo.”
8. PROF. PIETRO CAPPARONI, Universite di Piza.
“Prospero Alpino (secole XVI) la sua residenza al Cairo.”
9. DR. L. W. MALCOLM, M.Sc., R.F.C.S., F.R.A.I.
“Hygiene and Folk Medicine.”
10. PROF. STRUBELL-HARKORT, Dresden.
“Uber Plethora Abdominis.”

CINEMA FILMS.

At the Royal Geographical Society,
Kasr-el-Aini Street.

DR. E. DE ALMEIDA, Angola.

Un film de 500 mètres sur “les services d’assistance aux indigènes et sur la Prophylaxie de la Maladie du Sommeil aux Secteurs de la Prophylaxie de la Zone Sanitaire de Cuanza.”

DR. G. FITZ-PATRICK, Chicago.

“The Control of Cancer through Lay Education.”

PROF. R. BIELLING AND PROF. LAUFENSCHLAEGER, Bad Soden, Deutschland.

“Die experimentelle Auswertung chemotherapeutischer Heilmittel gegen Amoebenruhr.”

SECTION OF MEDICINE.

Physiology Lecture Theatre, Faculty of Medicine.

1. PROF. DR. MÜHLENS, Hamburg.
"Beiträge zur Pathologie von Süd-und-Mittelamerika"
(lantern slides).
2. PROF. KARL ECKHOFF, Berlin.
"Behandlung des Fiebers in den Tropen."
3. PROF. G. GIEMSA, Hamburg.
"Neuere Ergebnisse der Chemotherapie."
4. HOFRAT PROF. DR. GUSTAV SINGER, Wien.
"Diagnosis and treatment of Colitis."
5. PROF. DR. SOLIMAN AZMY BEY, Faculty of Medicine, Cairo.
"Gastroptosis in Egyptians."

SECTION OF LEPROSY.

Students' Club, Faculty of Medicine.

1. DR. M. SALZBERGER (Specialist: ear, nose and throat) German Hosp., Jerusalem.
"Manifestation of Leprosy in ear, nose and throat."
2. DR. ADOLF FELDT, Berlin.
"Die Goldbehandlung der Lepra."
3. DR. J. CANNAN, Physician of the German Hospital, Director of the Leper House, Jerusalem.
"Leprosy in Palestine."
4. DR. J. HASSON, Londres.
"Le traitement de la Lèpre."
5. DR. M. A. K. DALGAMONI, Leprologist, Endemic Section, Cairo.
"Leprosy in Egypt."
6. DR. NAGUIB ISKANDAR, Cairo.
"Leprosy in Egypt and means of combating same."
7. DR. FARMAKIDIS, Alexandrie.
"Présentation d'une dizaine de cas de Lèpre traités par l'huile d'hydnocarpes."

SECTION OF SURGERY.

Anatomy Lecture Theatre, Faculty of Medicine.

1. DR. F. L. MADDEN, F.R.C.S., Dean of the Faculty of Medicine, Cairo.
"30 years of surgery in Kasr el Aini Hospital."
2. DR. AUGUST SCHACHNER, Louisville, Ky., U.S.A.
"Gastro-Duodenal Ulcerism."
3. PROF. DR. ALI BEY IBRAHIM, Faculty of Medicine, Cairo.
"Egyptian Splenomegaly."
4. DR. CARLOS PETRIDIS, Chirurgien en chef de l'Hôpital Grec, Alexandrie.
"Splenomégalie Egyptienne."
5. DR. M. PETZETAKIS, Alexandrie.
"Sur la Nature de la Splénomégalie Egyptienne."
6. DR. H. E. S. STIVEN, P.M.O. Government Hospital, Port Said.
"350 cases of Splenectomy."
7. DR. CARLOS PETRIDIS, Chirurgien en Chef de l'Hôpital Grec, Alexandrie.
"L'abcès du foie tropical."
8. DR. ST. JOHN WARD, B.A., M.D., etc., Dean of the Faculty of Medicine, American University, Beirut.
"Clinical Diagnosis and Treatment of Hydatidcyst of the Upper Abdomen."
9. DR. TH. PAPAYOANNOU, Guizeh.
"Un cas insolite de diverticule de Meckel, provenant de l'anse sigmoïde, avec utérus unicorne unilatéral droit."

SECTION OF PARASITOLOGY.

Parasitology Lecture Theatre, Faculty of Medicine.

1. DR. M. KHALIL, PROF. OF PARASITOLOGY, Faculty of Medicine, Cairo.
"A Century of Helminthology in Egypt."
2. PROF. F. FÜLLEBORN, Institut fuer Schiffs-und Tropen Krankheiten, Hamburg.
"Zur Epidemiologie der Hakenwurm-Infektion."
3. PROF. J. E. GUBERLET, University of Washington, U.S.A., Department of Zoology.
"Parasitism in North-Western United States of America and its Relationship to Public Health."

4. PROF. C. D. DE LANGEN, Batavia.
“The clinical picture of Anguillulose and its treatment.”
5. DR. ROBERT GRÜNBERG, Jerusalem.
“Cisticercus bovis als Invasionskrankheit unter den Rindern in Palaestina und Transjordanien.”
6. DR. JEAN BACIJALUPD, Buenos Aires.
“Hymenolepis Nana (Von Siebold 1825) et Hymenolepis fraterna (Stiles 1906).”
7. DR. R. N. GORDON, Sierra Leone.
“Eosinophilia in Metazoan Infections.”
8. DR. AUGUSTINE, DR. HELMY and DR. NAZMI, Cairo.
“Ankylostomiasis and Ascariasis in Egypt.”
9. DR. ANTONIO DAMAS MORA (avec la collaboration du Dr. ARISTIDES CANDIDO DA COSTA E SILVA).
“Ankylostomiase.”

SECTION OF BACTERIOLOGY AND PATHOLOGY.

Pathology Lecture Theatre, Faculty of Medicine.

1. SIR ALDO CASTELLANI, London.
“The classification of bacterial dysenteries and of dysentery bacilli.”
2. LT.-COL. H. MARRIAN PERRY and MAJOR H. J. BENSTED, Public Health Laboratories, Cairo.
“Some observations on the dysenteries of Egypt.”
3. MAJOR H. J. BENSTED, Public Health Laboratories, Cairo.
“Observations on infantile enteritis and dysentery in Egypt.”
4. DR. ZAKI KHALED, Cairo.
“Micro-organisms of diarrhoea and dysentery in Children.”
5. DR. M. SEROUR, Faculty of Medicine, Cairo.
“Chronic funiculities and its ætiology and pathology in Egypt.”
6. DR. G. PANGALOS, Athènes.
“La vaccination contre la typhoïde par un bilivaccin formé liquide.”
7. DR. CARLO TEDESCHI, Tripolia.
“Su di metodo semplice e pratico di auto-vaccino terapia della blenoroggia.”
8. DR. PHIL. UND MED. HEINRICH BAAR, Assistent des St. Anna Hosp., Wien.
“Trypanocidie des kindlichen Serums.”
9. PROF. FORSYTH.
“Cellulitis of the spermatic cord.”

CINÉMA FILMS.

At the Royal Geographical Society, Kasr el Aini Street.

DR. OLPP, Tuebingen, Deutschland.

“Ueber Lepra,” mit kinematographischen Demonstrationen.

DR. A. VON ENGELHARDT, Behring Institut, Marburg.

“Herstellung von Heilserum” (Cinema Projektion).

SIR. JOHN LYNN-THOMAS.

Cinematographic Film on “Orthopædic Manipulation.”

GEH. HOFRAT PROF. FRITZ LANGE, Orthop. Klinik, Muenchen.

“Die Erfolge der Sehnenverpflanzung bei der epidemischen Kinderlähmung.” (Cinema pictures of patients treated).

SECTION OF MEDICINE.

Physiology Lecture Theatre, Faculty of Medicine.

1. PROF. DR. BAILEY K. ASHFORD, Porto-Rico.

“The ‘Anæmia’ of Sprue and its treatment.”

2. PROF. DR. C. HEGLER, Hamburg.

“Nicht-tropische Sprue.”

3. PROF. W. H. WILSON, Cairo.

“Recent views on the Aetiology of Pellagra.”

4. DR. GROSSI and DR. BALLOG, Le Caire.

“D’une Mycose pulmonaire en Egypte.”

5. PROF. TRABAUD, Damas.

“Contribution à une meilleure connaissance de quelques maladies dites tropicales, observées communément dans le bassin oriental de la Méditerranée.”

6. DR. M. SOROUR, Faculty of Medicine, Cairo.

“A Case of twice-weekly attacks of fever lasting 25 years.”

SECTION OF LEISHMANIASIS AND KALA-AZAR.

Students' Club, Faculty of Medicine.

1. DR. S. ADLER, Hebrew University, Jerusalem.

“Sandflies and Cutaneous Leishmaniasis.”

2. PROF. DEBONO, University of Malta.

“Experiments on the treatment of Leishmaniasis Infantum.”

3. PROF. MARTIN MAYER, Hamburg.
“Die Differential-Diagnose der Kala-Azar und Orientbeule-Erreger durch Plattenkultur. Serologische Methode und Tierversuche.”
4. DR. UPENDRANATH BRAHMACHARI, Calcutta.
}“Kala-Azar.”
5. PROF. ROCCO JEMMA, Università di Napoli.
}“Considerazioni sulla diffusione e sulla terapia del Kala-Azar in Italia.”
6. PROF. D. E. ALMEIDA, Angola.
}“Le Kala-Azar et l'Aspergillose de Nanta.”
7. PROF. ARAVANTINOS, Athènes.
“Résultats thérapeutiques et observations cliniques sur 700 cas de Leishmaniose viscérale en Grèce”.
8. PROF. S. CANNATA, Università Messina, Italia.
“Terapia della Leishmaniosi infantile.”
9. DR. S. MAZZA et DR. FLORIO MINO, Buenos Aires.
“Observations hématologiques et serologiques dans la Leishmaniose tégumentaire américaine.”

SECTION OF THE DISEASES OF CHILDREN.

Children Hospital near Faculty of Medicine.

1. DR. JOACHIM CASPARI, Haifa.
“Der Einfluss des heissen Klimas auf die Säuglingsernährung.”
2. DR. SAMI KAMAL, Caire.
“Traitement de la Leucorrhée des jeunes filles.”
3. PROF. VALAGUSSA, Rome.
“Organisation de l'assistance à la maternité, etc., en Italie.”
4. DR. A. BRINN, Palestine.
“Über die Differenzial Diagnose von Amöben und Bazillendysenterien bei Säuglingen und Kleinkindern.”
5. DR. I. SHAWKI, Faculty of Medicine, Cairo.
“The dysentery of children in Egypt.”
6. DR. KARL BERNFELD, PALESTINA.
“Konstitutionelle Bedeutung des sogenannten infantilen Nasopharynx fuer die Infektionen der oberen Luftwege.”

SECTION OF SURGERY.

Anatomy Lecture Theatre, Faculty of Medicine.

1. PROF. VICTOR BLUM, Wien.
"Le progrès de la chirurgie intravesicale et intrauretèrale."
2. DR. WALTER LEMBERGER, Wien.
"Clinical significance and differential diagnosis of hæmaturia with special reference to the importance of Pyelo and Cystographia."
3. PRIV. DOZ. THEODOR HRYNTSCHAK, Wien.
"Les progrès du traitement de la calculose rénale et uretèrale."
4. PROF. DR. ALI BEY IBRAHIM, Faculty of Medicine, Cairo.
"Circumcision."
5. PROF. DR. EMILE CHAUVIN, Marseille.
"La Curiéthérapie du cancer de la prostate."
6. DR. U. KAPLAN, Tel Aviv, Palestine.
"Le traitement du prolapsus rectal chez l'enfant par les injections sclerosantes de chlorhydrate double de quinine et d'urée."
7. PROF. DR. E. GAGLIO and DR. S. CERQUA, Cairo.
"La prostatectomia supropubica in due tempi."
8. DR. M. PAPESCU-BUZEU, Bucarest, Roumania.
"La spermocueture, sa technique, ses indications, ses résultats."
9. DR. HUSSEIN EZZAT, Cairo.
"Phagedænea."

SECTION OF GYNÆCOLOGY AND OBSTETRICS.

Pathology Lecture Theatre, Faculty of Medicine.

1. PROF. MUNRO KERR, Glasgow.
"Clinical features of Ectopic pregnancy."
2. PROF. LUDWIG ADLER, Wien.
"Uteruscarzinome."
3. PROF. NAGUIB BEY MAHFOUZ, Faculty of Medicine, Cairo.
"Urinary fistulæ in women."
4. DR. AHMED SAHFIK, Faculty of Medicine, Cairo.
"Certain points in relation to the Aetiology and treatment of prolapse in Egypt."

5. PROF. DOBBIN and PROF. NAGUIB MAHFOUZ BEY, Faculty of Medicine, Cairo.

“A general review of the result of one hundred cæsarian sections performed in Kasr el Aini Hospital with reference to the lower uterine segment as a means of surgical access to the pregnant uterus.”

SECTION OF PARASITOLOGY.

Parasitology Lecture Theatre, Faculty of Medicine.

1. DR. NICOLLE, Tunisie.
“L'origine et le rapport des fièvres recurrentes.”
2. PROF. RODOLPHE V. TALICE.
“La fièvre recurrente espagnole expérimentale.”
3. PROF. KLIEGLER, Jerusalem.
“Susceptibility and Resistance to a Protozoan Infection”
(Trypanosomiasis).
4. PROF. MARIO PERUZZI, T. Colonnello R. Marina, Roma.
“Trypanosomiase.”
5. DR. FREUND, Tel Aviv, Palaestina.
“Zur Diagnose und Therapie der Theileria, Piroplasmose und Anaplasnose bei Rindern.”
6. DR. M. KHALIL, Prof. of Parasitology, Faculty of Medicine, Cairo.
“The life history of a Heterophyid Parasite in Egypt.”
7. DR. CARPANO, Ministero dell'Agricoltura, Cairo.
“Infezioni emoprotozoarie latente, malattie intercorrenti e recidive.”
8. PROF. UHLENHUTH, DR. ZUELZER and PROF. SCHÜFFNER.,
Wiel's disease.
9. DR. C. MANALANG, Philippine.
“Report of a case of Rhinosporidiosis.”

SECTION OF PUBLIC HEALTH.

Casualty Ward, Kasr el Aini Hospital.

1. DR. GÉZA KERN, Budapest.
“Die obligatorische aerztliche Untersuchung vor der Ehe.”
2. PROF. ALBERTO CARLO, Germano da Silva Correia.
“L'influence des éléments climatologiques sur l'endémoépidémiologie de la peste dans l'Inde Portugaise.”
3. PROF. GIOVANNI GRISONI, Col. Direttore Medico di Sanita Militare nel R. Esercito.
“Come l'Italia si difende delle malattie Esotiche.”

4. DR. H. YASSKY, Jerusalem.
“Activities of the Hadassah Medical Organization in combat-
ting tropical diseases in Palestine.”
5. SIR WILLIAM WILLCOCKS (Communicated by Dr. Bateman).
“The relation of Irrigation and Agriculture to Public Health.”
6. DR. SCHACHT, Assouan, Egypt.
“Assouan as a health resort.”

SECTION OF OPHTHALMOLOGY.

Ophthalmic Memorial Laboratory, Giza.

1. DR. V. MORAX, Paris.
“Les complications corniennes du trachome.”
2. PROF. DR. ANTON ELSCHNIG, Deutsche Universitaet, Prag.
“Trachom-Therapie.”
3. DR. G. SALVATI, Alexandrie.
“Sulla sieroterapia immunizzanti del tracoma.”
4. DR. C. LACAT, Paris.
“Le trachome et l'ophtalmie purulente.”
5. DR. V. DINULESCU et DR. V. PANAITESCU, Bucarest.
“Le traitement du trachome par l'oleum chaulmoogra.”

SECTION OF MEDICINE.

Physiology Lecture Theatre, Faculty of Medicine.

1. PROF. DR. PAL, WIEN.
"Reizstoffe der Blutregeneration und Behandlung der Anämien."
2. PROF. DR. VAQUEZ, PROF. DONZELOT et DR. GERAUDEL, Paris.
"Un nouveau syndrome anatomo-clinique : le para-ganglion hypertensif."
3. DR. A. A. ISMAIL, Faculty of Medicine, Cairo.
"Hyperpiesia in Egyptians."
4. DR. JEAN HEITY, Royat, France.
"Cholesterine et lésions artérielles."
5. PROF. DR. JEAN LEPINE, Lyon.
"Rapports des troubles sympathiques avec les maladies du foie et de la nutrition."

SECTION OF MALARIA.

Club Room, Faculty of Medicine.

1. PROF. KLIGLER, Jerusalem.
"Epidemiology and control of Malaria in Palestine."
2. DR. C. MANALANG, Phillipine.
"Malaria Survey in the Phillipine."
3. DR. UPENDRANATH BRAHMACHARI, Calcutta.
"Black-Water Fever."
4. DR. D. ESCHER, American University, Beirut.
"Contribution à l'étude du traitement de pelades par l'acétate de Thallium."
5. DR. A. HIMY BEY and DR. M. H. HUSSEIN, Public Health Department, Cairo.
"Malaria in Egypt."
6. DR. M. R. RIFAT, Research Section, P.H. Labs., Cairo.
"Malaria Survey and Splenic Index in Canal Zone."
7. DR. M. SLIVENSKY, Sofia.
"Malaria in Bulgarien."

SECTION OF THE DISEASES OF CHILDREN.

Children Hospital near Faculty of Medicine.

1. PROF. DEBONO, University of Malta.
"Joint manifestations of Undulant Fever."
2. PROF. VALAGUSSA, Rome.
"Rassainissement et la défense des enfants dans les localités de Paludisme."
3. DR. IBRAHIM ABDEL SAYED, Department of Public Health, Cairo.
"Note on the antimony Trichloride reaction with the milk fats of women having (a) normal (b) rickety children."
4. DR. I. SHAWKI, Faculty of Medicine, Cairo.
"Rickets in Egypt. Opening paper for a discussion on the incidence and aetiology of Rickets in tropical and sub-tropical countries."

SECTION OF SURGERY.

Anatomy Lecture Theatre, Faculty of Medicine.

1. SIR W. L. DE WHEELER, Dublin.
"Bone Grafting" (lantern slides).
2. DR. IBRAHIM FAHMY EL MINYAWY, F.R.C.S., Faculty of Medicine, Cairo.
"Tuberculosis of the sternum and its radical treatment."
3. PROF. DR. ARTHUR SCHULLER, Vienna.
"Syphilis cranii."
4. PROF. BERARD and PROF. DUNET.
"Indication des greffes osseuses dans le mal de Pott."
5. PROF. W. K. HENRY, Faculty of Medicine, Cairo.
"A demonstration of some methods in plastic, cerebral and general surgery, from the Surgical Unit, Kasr el Aini Hospital, 1925-1928."
6. DR. GARDNER, Faculty of Medicine, Cairo.
"Considerations on Radiological technique as affected by warm climates."
7. PROF. DR. HOLZKNECHT, Wien.
"Status Röntgenologiae in de Chirurgie."

8. DR. E. DE ALMEIDA, Angola.
"Gangosa, nodosités juxta-articulaires, distortion des doigts et périostiosis osseuses."
9. DR. JULIUS HASS, Universitaetsdozent fuer orthop. Chirurgie, Vienna.
"Fortschritte auf dem Gebiete der operativen Orthopaedie der Huefte."

SECTION OF BILHARZIA.

Royal Geographical Society, Kasr el Aini Street.

1. DR. M. KHALIL, M.D., Ph.D., M.R.C.P., D.P.H., Professor of Parasitology, Faculty of Medicine, Cairo.
"The Life History of Schistosoma Bilharzia" (cinema film).
2. PROF. H. KAWAMURA, Niigata, Japan.
"The recent researches on Schistosoimiasis in Japan."
3. DR. MUSTAFA SOROUR, Pathologist, Faculty of Medicine, Cairo.
"The pathology and morbid histology of bilharzial lesions in the various parts of the body."
4. DR. C. U. LEE, Peking Union Medical College, Peking, China.
"Experimental Schistomiasis in Hamsters. Cricetulus griseus."
5. DR. G. O. LOTSY, Cairo.
"The Radiographic Diagnosis of Bilharziasis." (Projection Lantern).
6. DR. MAHMOUD AFIFI, Alexandria Hospital.
"Radiological study of Bilharziasis." (Magic Lantern and Epidiascope).
7. DR. C. P. SMYRNIOTIS, Le Caire.
"La Radiodiagnostique de la Bilharziose."

SECTION OF BACTERIOLOGY AND PATHOLOGY.

Pathology Lecture Theatre, Faculty of Medicine.

1. DR. TEKURZE OHIRO, Kyushu Imperial University, Japan.
"Immunization of animals against metazoan parasites."
2. DR. ALFRED LUGER, Wien.
"Darmspirochaeten."
3. DR. ALI SHOUSA BEY, Public Health Laboratories, Cairo.
"Active immunization against scorpion venom."
4. DR. W. SILBERSCHMIDT, Zurich.
"Études expérimentales sur la virulence d'une souche de bacilles tuberculeux."

5. PROF. MARRA, Suez.
"Sulle emolisine dei vibrioni colerigeni; Esperienza eseguita nella Tropical School di Calcutta."
6. PROF. MARTIN MAYER, Hamburg.
"Ueber Erreger pernicioeser Anaemien von Mensch und Tieren (Bartonella)."
7. DR. NAGUIB ISKANDAR, Cairo.
"Observations on the bacteriological diagnosis of plague."
8. DR. GIRARD, Institut Pasteur, Tananarive.
"L'enseignement de l'hémoculture dans la peste pulmonaire primitive à Madagascar."
9. GEH. HOFRAT PROF. DR. MARTIN HAHN, Universitaet Berlin.
"Ueber ein antitoxisches Choleraserum (Hahn-Hirsch)".
10. DR. SALVADOR MAZZA ET DR. SILVIO PARODI, Buenos Aires.
"La mycose du Chaco produite par le pseudo-coccidioides Mazzai da Fonsenca 1928."

SECTION OF PUBLIC HEALTH.

Casualty Ward, Kasr el Aini Hospital.

1. PROF. ARVANTINOS, Athènes.
"L'Epidémie de Dengue en Grèce en 1927-1928."
2. DR. LEVY LENZ, Charlottenburg-Westend, Berlin.
"The prophylaxis of venereal diseases "or" Die moderne Eheberatung."
3. PROF. SCHRUMPF-PIERRON, Le Caire.
"L'effet de l'alcoolisme sur l'évolution des maladies en Egypte."
4. DR. N. LORANDO, Athènes.
"Sur une méthode de destruction des punaises."
5. DR. A. W. WAKIL, D.T.M. and H. (Cantab), Sanitary Service, Alexandria.
"Extent of applicability of Western Sanitary Methods in the tropics."
6. DR. DAMAS MORA, Angola.
"L'organisation des villages modèles comme base de l'hygiène des communautés indigènes."

SECTION OF OPHTHALMOLOGY.

Ophthalmic Memorial Laboratory, Giza.

1. PROF. ARNOLDO ANGELUCCI, Italia.
"Estenza anatomica e cura del tracoma."
2. DR. ROWLAND G. WILSON, M.B., B.Sc., etc., Director, Ophthalmic Memorial Laboratory, Giza.
"Some further notes on the Aetio-pathological problem of trachoma."
3. PROF. V. RUATA, Le Caire.
"Trachome et Tuberculose."
4. DR. M. AZMY EL KATTAN, Faculty of Medicine, Cairo.
"Some clinical observations on trachoma and its complications in Egypt."
5. DR. MEYERHOF, Cairo.
"On some severe forms of trachoma observed in Egypt."
6. DR. M. RIAD, Faculty of Medicine, Cairo.
"The radical treatment of trachoma and the indications of the combined tarsal excision operation."

SECTION OF SCIENTIFIC SUBJECTS.

Parasitology Lecture Theatre, Faculty of Medicine.

1. PROF. LEON FREDERICQ, Liège, Belgique.
"Nos sensations et le monde extérieur."
2. SIR ALDO CASTELLANI, London.
"The importance of symbiosis from a medical point of view."
3. PROF. TOYOJIRO KATO, Imperial University, Tokio, Japan.
"Experimental avitaminosis."
4. DR. G. L. PESKETT, University of Oxford.
"The Bios problem."
5. DR. HASSAN OMAR, Ministry of Education, Cairo.
"The Stanford Revision of the Binet-Simon Tests of Intelligence applied to Egyptians."
6. DR. G. V. ANREP (Cambridge) and DR. M. HAMMOUDA (Cairo).
"The Distribution of the Blood in the Coronary Blood Vessels."

SECTION OF MEDICINE.

Physiology Lecture Theatre, Faculty of Medicine.

1. PROF. VON NOORDEN, Frankfurt a/m, Germany.
"Modern aspect on therapy of diabetes."
2. HOFRAT PROF. DR. GUSTAV SINGER, Vienna.
"The treatment of diabetes with irritant bodies."
3. DR. UPENDRANATH BRAHMACHARI, Calcutta.
"Blood sugar observations on young people in Bengal."
4. DR. I. MORTADA, Cairo.
"Diabetes mellitis in Egypt. Some of the ætiological factors based on 300 recent cases."
5. PROF. DR. J. PAL, Universitæt, Wien.
"Unbeachtete Zeichen cerebraler Insulte."
6. DR. GEORGE SOBHY, Faculty of Medicine, Cairo.
"Obesity in Egypt."

SECTION OF TUBERCULOSIS.

Students' Club, Faculty of Medicine.

1. PROF. STRUBELL-HARKORT, Dresden, Deutschland.
"Die spezifische Behandlung der Tuberkulose."
2. PROF. DR. VALAGUSSA, Roma.
"Inconnues sur l'hérédité de la tuberculose."
3. DR. BURNAND, Directeur du Sanatorium Fouad I, Helwan.
"Le traitement sanatorial de la tuberculose pulmonaire en Egypte."
4. DR. ARTURO CAMPANI et DR. GROSSI, Le Caire.
"Le vie di contagio della Tuberculosis studiata in diversi paesi."
5. DR. DUVERGER, le Caire.
"Faut-il conseiller le séjour en Egypte en hiver aux tuberculeux du larynx guéris ou en voie de guérison."

SECTION OF SURGERY.

Anatomy Lecture Theatre, Faculty of Medicine.

1. SIR ST. CLAIR THOMSON, London.
"Intrinsic Cancer of the Larynx ; its lasting cure by laryngofissure."
2. DR. HASSAN SHAHIN BEY, Kasr el Aini Hospital, Cairo.
"Nasopharyngeal fibromas."
3. PROF. BERARD et PROF. DUNET.
"Technique actuelle du traitement du cancer de la langue."

4. DR. BOUGUET, Paris.
"La chirurgie de la face (avec projections)."
5. DR. GIANU, Hôpital Colentine, Bucarest.
"Contribution à la chirurgie de l'éléphantiasis nostras."
6. DR. MED. DENT. H. WOLFF, Cairo.
"Paradentose in Aegypten. (Alveolar Pyorrhœa)."
7. DR. MED. DENT. H. WOLFF, Cairo.
"Paradentose und allgemeine Erkrankungen."
8. DR. K. BERNFELD, Jerusalem, Palestine.
"Verlauf der akuten Mittelohrentzündung in Palaestina als Beitrag zu der sog. Ueberhitzungskrankheit."

SECTION OF BILHARZIA.

Royal Geographical Society, KasrEl Aini Street.

1. DR. F. C. MADDEN, F.R.C.S., Dean of the Faculty of Medicine, Cairo.
"Surgery of Bilharziasis."
2. PROF. ALI BEY IBRAHIM, Faculty of Medicine, Cairo.
"Bilharzia from the Clinical and Pathological Aspects."
3. DR. I. F. MINYAWI, F.R.C.S., Faculty of Medicine, Cairo.
"The surgical treatment of some cases of Bilharziasis of the rectum."
4. DR. AHMED SHAFIK, F.R.C.S., Cairo.
"Bilharziasis of the Female Genital Organs."
5. DR. YOUSSEF SIDKY SIDHOM, Batanoun.
"Bilharziasis of the Generative System."
6. DR. TSYKALAS, Le Caire.
"La supériorité de l'émétine à tous les cercariacides connus jusqu'à présent. La posologie de la méthode la plus efficace de l'émétine contre la Bilharziose."

SECTION OF GYNÆCOLOGY.

Pathology Lecture Theatre, Faculty of Medicine.

1. PROF. NAGUIB MAHFOUZ BEY, Faculty of Medicine, Cairo.
"(a) A synopsis of 350 ovarian tumours.
(b) Ovarian tumours complicating pregnancy, labour and the puerperium."
2. DR. M. SOROUR, Faculty of Medicine, Cairo.
"The pathology of ovarian tumours in Egypt."

3. PROF. NAGUIB MAHFOUZ BEY, Faculty of Medicine, Cairo.
"Recto-vaginal fistulæ."
4. DR. LAVIS BEY, Alexandria.
"Innesti testicolari e innesti ovarici."
5. PROF. PAUL DELMAS, Faculté de Médecine de Montpellier.
"Evacuation extemporanée de l'utérus en fin de grossesse."

SECTION OF PUBLIC HEALTH.

Casualty Ward, Kasr El Aini Hospital.

1. DR. PAYENNEVILLE, Rouen.
"L'organisation de la lutte antivénérienne en France."
2. PROF. SAMY BEY EL SATTY, Damas.
"Le choléra en Syrie et au Hedjaz."
3. DR. JOAC AUGUSTO ORNELAS, Angola.
"Potabilité de l'eau dans la ville de Saint-Paul de Loanda. Procédés hygiéniques pour son amélioration." (Avec la collaboration du Dr. Jose da Silva Neves et l'Ingénieur Francisco Maria de Prettas.)
4. DR. A. DAMAS MORA, Angola.
"L'invasion et l'éradication de la peste au territoire de l'Angola (1921-1927)."
5. DR. ABDEL AZIZ HILMY, Medico Legal Department, Cairo.
"Vaccination and small-pox in Egypt."

SECTION OF OPHTHALMOLOGY.

Ophthalmic Memorial Laboratory, Giza.

1. PROF. ALBERT FUCHS, Vien.
"Anatomie der Lepra des Auges. (Epidiascope for projection)."
2. DR. CASSIMATIS, Alexandrie.
"Traitement de la conjonctivite printanienne par l'hémathérapie."
3. DR. ISA EL MAZNY BEY, Director, Ophthalmic Section, D.P.H., Cairo, and Dr. M. TEWFIK, Inspector, Ophthalmic Hospital, D.P.H., Cairo.
"Some practical hints about certain ophthalmic diseases in Egypt."

4. PROF. SAYID ABDEL HAMID BEY, Faculty of Medicine, Cairo.
"Blindness in Egypt and a scheme for its relief."
5. DR. SALIM HINDAWY BEY, Medical Department, Ministry of
Wakfs, Cairo.
"Glaucoma and its causes."
6. DR. MOHAMMED TEWFIK SADEK, Tanta.
"Early incidence of Glaucoma in Egypt and its causes."
7. DR. K. J. SHIMKIN, Haifa, Palestine.
"Homoplastica tarsi pour correction de l'entropion survenu
après tarsectomie totale."

SECTION OF SCIENTIFIC SUBJECTS.

Parasitology Lecture Theatre, Faculty of Medicine.

1. DR. ARNOLD LORAND, Carlsbad.
"Rational diet for tropical countries."
2. DR. ALBERTO CARLO GERMANO da Silva Correia et COL. PROF.
FROILANO, de Mello, Nova Goa, Portuguese India.
"Les Métis Luso Indiens."
3. DR. K. SAMAN, Faculty of Medicine, Cairo.
"Action of Colloidal Barium Sulphate."
4. DR. IBRAHIM RAGAB FAHMY, Faculty of Medicine, Cairo.
"Hyoseyamus muticus of Egypt."
5. MAJOR D. H. MURRAY, R.A.M.C., PROF. R. S. A. HEATHCOTE
and PROF. A. L. URQUHART, Faculty of Medicine, Cairo.
"Acriflavine."
6. DR. CARLO TEDESCHI, Tripoli.
"Ricerche sul Soma degli Arabi della Cirenaica secondo
concetti costituzionalistici."

SECTION OF MEDICINE.

Physiology Lecture Theatre, Faculty of Medicine.

1. SIR ALDO CASTELLANI, London.
"Tropical dermatology."
2. DR. N. LORANDO, Athènes.
"Traitement des teignes du cuir chevelu par les rayons."
3. DR. E. DE ALMEIDA, Angola et DR. ARMANDO FONTAINHAS.
"Les Bismuths et la spirochetose bronchique."
4. DR. M. V. LEMBERGER, Wien.
"Biological fundamentals of mineral water treatment."
5. DR. ALI HASSAN EL RAMLEY, Tanta.
"Sudden suspension of heroine as seen in addicts who are imprisoned."
6. DR. ABDEL WAHAB MAHMOUD, Cairo.
"Investigations on narcotic drugs as seen among prisoners in Egypt."

SECTION OF DYSENTERY.

Students' Club, Faculty of Medicine.

1. PROF. DR. J. PAL, Vienna.
"Behandlung der Kolitis Ulcerosa."
2. PROF. DR. MÜHLENS, Hamburg.
"Yatrenbehandlung der Amœbendysenterie."
3. DR. A. A. ISMAIL, Faculty of Medicine, Cairo."
"Amœbic Cholecystitis."
4. DR. N. PETSETAKIS, Alexandrie.
"La Cholecystitis amibienne."
5. PROF. TRABAUD, DR. HAMDY EL KHAYAT et DR. ABDEL KADER EL SABBAGH.
"Dysenterie amibienne et dysenterie bacillaire en Syrie au cours de ces dernières années."
6. DR. N. LORANDO et DR. G. PANGALOS, Athènes.
"La Dysenterie amibienne en Grèce."

SECTION OF BACTERIOLOGY AND PATHOLOGY.

Pathology Lecture Theatre, Faculty of Medicine.

1. PROF. R. P. STRONG, Boston.
"Neoplasm of Parasitic origin" (lantern slides).
2. SIR FRANK COLYER, London.
"The pathology of periodontal disease (Pyorrhœa alveolaris) and the relation of the disease to general pathological conditions."
3. DR. CARLO TEDESCHI, Tripolia.
"Ricerche sui gruppi sanguigni fra le popolazioni indigeni della Barca e della Marmarica."
4. DR. A. M. EL KIRDANY BEY, Veterinary Pathological Laboratory, Giza.
"Glanders in Egypt and the Complement fixation test in diagnosis with a note on two cases of human glanders."
5. DR. NAGUIB ISKANDAR, Cairo.
"Yeast as a cause of erosion of the nails and abscesses of the scalp."
6. PROF. BAILEY K. ASHFORD, M.D., Sc.D.
"The mycology of the intestinal canal in Porto Rico."
7. DR. SALZBERGER, German Hospital, Jerusalem.
"Aspergillus : The cause of an ear disease in Palestine."
8. PROF. L. LATTES, Modena.
"I gruppi sanguigni in Biologia ed in Medicina."
9. DR. ZAKI MORKOS, F.R.C.V.S., B.V., Sc., Liverpool.
"Foot and mouth disease."
10. SIR ALDO CASTELLANI, London.
"Diseases of fungal origin."

SECTION OF BILHARZIA.

Royal Geographical Society, Kasr El Aini Street.

1. DR. T. B. CHRISTOPHERSON, London.
"The Elimination of Bilharzia Disease from Egypt."
2. DR. M. KHALIL, M.D., Ph.D., M.R.C.P., Prof. of Parasitology, Faculty of Medicine, Cairo.
"The Prevention of Bilharzia in Egypt."

3. DR. JACINTO DE SOUSA ET DR. A. C. DA COSTA E SILVA, Angola.
“Subsides pour la thérapeutique et la prophylaxie de la Bilharziose.”
4. DR. UPERDRANATH BRAHMACHARI, Calcutta.
“Chemotherapy of Antimonial Compounds.”
5. DR. J. KAHIL, Le Caire.
“Les contre-indications du tartre émétique dans le traitement de la Bilharziose.”

SECTION OF PUBLIC HEALTH.

Casualty Ward, Kasr El Aini Hospital.

1. DR. HANNA KHALAT, Baghdad.
“Epidemics are the instruments of destruction of the East Arabic.”
2. PROF. DR. MARRA, Quarantine Laboratory, Port Said.
“Studi e rilievi sulla peste umana ed animale in India.”
3. DR. H. DEL CAMPO.
“Prophylaxie de la syphilis en Uruguay (Présentée par le Prof. R. V. Talice).”
4. DR. NAGUIB ISKANDAR, Cairo.
“Abscess of the ovary of Typhoid origin.”
5. DR. A. KATZNELSON, Jerusalem.
“Vital statistics in Palestine.”
6. DR. ABDEL RAOUF HASSAN, Sanatorium Helouan.
“Incidence of tuberculosis infection, social problems related to anti-tuberculosis work in Egypt.”

SECTION OF OPHTHALMOLOGY.

Ophthalmic Memorial Laboratory, Giza.

1. DR. PANOS CHRONIS, Alexandrie.
“Nouvelle opération pour la guérison du trichiasis de la paupière supérieure et de la paupière inférieure.”
2. DR. H. PERETZ, Le Caire.
“Les complications de la cataracte et les complications opératoires de la cataracte en Egypte.”
3. DR. MOHAMMED SOBHY BEY, Public Health Department, Cairo.
“Intracapsular extraction in cataract.”
4. DR. JACOVIDIS, Alexandrie.
“The hygiene of the eye in Egypt.”

5. DR. DENIS ZULLAS, Alexandrie.
“Les champs visuels dans la dysenterie amibienne.”
6. DR. ABDEL MESSIH GIRGUIS, Ophthalmic Hospital, Shibin el
Kom, Egypt.
“Purulent ophthalmia in Egypt.”
7. DR. V. PAPAVisCU, Roumania.
“Contribution à la thérapeutique du trachome.”

SECTION OF SCIENTIFIC SUBJECTS.

Parasitology Lecture Theatre, Faculty of Medicine.

1. PROF. DEMETRE IONESCU, Bucarest.
“Sur un nouveau groupe de nerfs sympathiques cardiaques.”
2. PROF. HENRI FREDERICQ, Liège, Belgique.
“L'électrogramme physiologique. Essai d'interprétation.”
3. DR. F. U. G. VAN LOON, La Hague, Holland.
“Race and Instinct.”
4. PROF. W. H. WILSON, Cairo.
“The limits of the reserve air-space of the lungs.”
5. DR. ALI HASSAN, Faculty of Medicine, Cairo.
“Egyptian Bread.”
6. DR. M. HAMMOUDA, Faculty of Medicine, Cairo.
“Analysis of Electrocardiograms from Healthy Egyptian
Subjects.”

SECTION OF THE HISTORY OF MEDICINE.

1. DR. MOHAMED ZAKI SHAFFEL, Cairo.
"Original Contributions to Medicine by the Arabians."
2. DR. MOHAMED SEDKY BEY, Le Caire.
Note sur un manuscrit d'Ibn Batlane, intitulé "Dâawat el Atibba" (Un Banquet de Médecins).
3. DR. NAGUIB KAHIL, Le Caire.
"Une ophtalmologie arabe par un oculiste du Caire du 13ème siècle (7ème siècle de l'hégire)."

SECTION OF MEDICINE.

1. PROF. P. SCHRUMPF-PIERRON, Le Caire.
"L'effet de l'alcolisme sur l'évolution de la syphilis nerveuse chez les Musulmans d'Egypte."
2. DR. VAUCEL et DR. SICE, Inst. Pasteur, Brazzaville.
"Le traitement de la trypanosomiase humaine par l'atoxil, la trypsamide et le 270 Fourneau. Résultats acquis en Afrique Equatoriale Française."
3. DR. BINET, Vichy, France.
"Les possibilités médicales dans la cholecystite non calculeuse."
4. DR. IBRAHIM SABRY, Government Hospital, Alexandria.
"Syphilis of the aorta in Egypt."
5. DR. HASSAN KAMEL, Cairo.
"Indications for the use of heart stimulants in fevers."
6. DR. A. C. DE COSTA E SILVA et DR. J. DE SOUSA, Angola.
"Subsides pour l'étude du Béri-Béri."
7. DR. M. DE ALMEIDA, Angola.
"Encéphalite post-vacinale."
8. DR. M. FARID, Cairo.
"Kuenstliche Lichttherapie bei gewissen Krankheiten."
9. DR. S. VON VELZEN, Germany.
"Psychische Tachycardie."
10. DR. M. ERFAN, Faculty of Medicine Cairo.
"Protein injections in the treatment of certain forms of arthritis and fibrositis."

11. DR. GLANZ, Sanatorium H elouan-les-Bains.
"Quelques consid erations sur la cure des n ephrites   H elouan en  t ."
12. PROF. AZMY and AGATI.
"Auto-therapy in Chorea treatment."
13. DR. P. MODINOS, Alexandrie.
"Le s rum du vesicatoire dans le traitement et la prophylaxie des maladies infectieuses."
14. DR. OMAR SHAWKY, Vienna University.
"The blood picture in tropical diseases."
15. DR. LEVY LENZ, Berlin.
"Die interne Arsenikbehandlung der Syphilis in den Tropen."
16. DR. GIUSEPPE CARONIA, Roma.
"L'impiego dei vaccini utilizatti nelle infezioni tifoidi, paratifoide e di melitensi."
17. DR. ZAKI KHALID, Cairo.
"Parenteric fevers in Egypt."
18. DR. C. FARMAKIDIS, Alexandrie.
"Recherches h ematologiques dans la dipht rie."
19. DR. D. COLLORIDI BEY.
"Contribution   l' tude de la spl nom galie primitive."
20. DR. MED. W. FORNET, Germany.
"Successful oral administration of insulin."
21. DR. MED. F. W. FORNET.
"Hygiene and diabetes."
22. DR. GASTON PARTURIER, Vichy, France.
"Traitement des syndromes douloureux de la v sicule biliaire par des injections anesth siantes locales." (Avec collaboration du Dr. Hutet.)
23. DR. PREMINGER, Helouan.
"Erfahrungen bei Behandlung der Nierenkrankheiten in Helouan im Lichte neuer Forschung."
24. DR. F. U. G. VAN LOON, The Hague, Holland.
"Tropical neurasthenia and its relation to other tropical diseases (sprue)."
25. DR. H. ROGER, Marseille.
"Les complications nerveuses de la melitococcie,  tude d'ensemble   propos de quelques cas personnels."

26. DR. VOLGYESI FERENC, Budapest.
"Hyponse und Psychotherapie fuer auf tropischem Gebiete praktizierende Aerzte."
27. DR. LELONY, Aix-les-Bains.
"Le rhumatisme des pays chauds."
28. DR. G. COLLIRIDI BEY, Alexandrie.
"Contribution à l'étude des accidents respiratoires consécutifs aux injections intraveineuses de cyanure de mercure (Dyspénée cyanhydrique)."
29. DR. P. C. SMYRNIOTIS, Le Caire.
"Guérison d'un cas de lichen plan cutaneo-muqueux aigu après une seule irradiation iranienne partielle."
30. DR. A. DESTROWSKY, Jerusalem.
"Urticaria multif subtropica endemica (Harara)."
31. PROF. M. LOEPER, DR. M. E. BINET, Vichy et DR. A. LEMAIRE.
"L'intradermo réaction à la cholesterine en biologie et en clinique."

SECTION OF LEISHMANIASIS.

1. DR. G. CARONIA, Roma.
"Terapia specifica del Kala-Azar."
2. DR. HASSAN BEY EL ASSIR, Beyrouth.
"Aleppo Button."
3. DR. DE ALMEIDA, Angola.
"L'Antimosen et le Kala-Azar (avec la Collaboration du Dr. Fontainhas)."
4. DR. A. DOSTROWSKY, Jerusalem.
"Leishmaniasis cutanée (Pathologie et Therapie)"
5. DR. M. MAXIM PRATES, Mosambique.
"A case of Kala-Azar in a Portugese Child."
6. DR. J. LAMBIAS, Buenos Aires.
"Leishmanioses Viscérales et Leishmanioses cutanées."

SECTION OF MALARIA.

1. DR. J. SCHAPIRO, Haifa.
"Experience with antilarval work in few areas in Palestine."
2. DR. C. MANALANG, Phillipine.
"Transmission of Malaria in the Phillipine."
3. DR. J. DA SILVA NEVES et DR. J. A. ORNELAS, Angola
"L'index malarien à Saint Paul de Loanda."

4. DR. A. MAZZIE, Jérusalem.
"L'effet sanitaire des plantations d'Eucalyptus aux endroits marécageux."
5. DR. O. GOLDIE, Palestine.
"Observations sur le Myosalvarsan dans le traitement du Paludisme."
6. DR. ROGER CLENARD, Paris.
"Les sequelles hépatiques du Paludisme."
7. DRS. ARACTINGI, RENÉ JUDE et LEOPOLD ROBERT, Damas.
"Le Problème du Paludisme en Syrie."
8. DR. HILLEL YOFÉ, Palestine.
"Black-Water Fever in Palestine."
9. DR. C. MANALANG.
"The Bucco-pharyngeal Armature of Phillipine Anopheles."
10. DR. LAIGNEL LAVASTINE, Paris.
"L'anxiété hépatique en raison de la relation fréquente chez les paludéens."
11. DR. MAHMOUD SEDKY BEY.
"Le Pneumo Paludisme du Sommet."

SECTION OF TUBERCULOSIS.

1. PROF. ERNST LÖWENSTEIN, Wien, Oesterreich.
"La Tuberculose avicenne chez l'homme en Egypte."
2. DR. HERVE, Lamotte-Beuvron.
"L'Héliothérapie en Tuberculose Pulmonaire."
3. DR. ABDEL RAOUF HASSAN et DR. ISMAIL SHOUKRY, Sanatorium, Helwan.
"Relation between Incidence of Hæmoptysis and Climatological Conditions in Helwan."
4. DR. EMMANUEL PROPPER, Jerusalem.
"Die Lungentuberkulose in Palästina."
5. DR. J. S. LEVY, Alexandrie.
"La Tuberculose à Alexandrie en Egypte."
6. DR. ANDRÉ TREVES, Paris.
"Tuberculoses chirurgicales et syphilis héréditaires tardives."
7. DR. NIKOLAUS ROTH, Budapest.
"Tuberkulosebekaempfung in Ungarn."
8. DR. O. PANETH, Wien, Oesterreich.
"Tuberkulose in den Karolanden Sumatras."
9. MME DR. ANGELIQUE PANAYOTATOU, Alexandrie.
"Mal de Pott commençant. Guérison par l'Héliothérapie."

SECTION OF DYSENTERY.

1. DR. E. F. SCHLESINGER, Cairo.
"Septische Komplikation der Amœbiasis."
2. DR. P. SCHRUMPF-PIERRON, Le Caire.
"De l'Hépatite amibienne à récives périodiques."
3. DR. F. M. PETER.
"Amœbiasis."
4. DR. M. PETSETAKIS, Alexandrie.
"L'amibiase."
5. MME DR. A. PANAYOTATOU, Alexandria.
"Trois cents cas d'entérite guéris par le vaccin à entrobacille
comme vaccin thérapeutique, et plusieurs cas d'entérites
dysenteriformes."
6. DR. LEO OLITZKI, Hebrew University Jersualem.
"Untersuchungen ueber bacillaere und Amœbendysenterie in
Palaestina."
7. DR. MARIO NESSIM, Cairo.
"Amœbic dysentery."
8. DRS. RENÉ JUDE et LEOPOLD ROBERT, Damas.
"Contribution à l'étude des Dysenteries en Syrie."
9. DR. C. FARMAKIDIS, Alexandrie.
"L'action du citrate de potassium dans le traitement de la
dysenterie amibienne."
10. COMM. DR. G. COLLORIDI BEY, Alexandria.
"Les dysenteries en Egypte."

SECTION OF DISEASES OF CHILDREN.

1. DR. SAMI KAMAL, le Caire.
"Diamètres craniens des enfants en Egypte."
2. DR. AHMED KHALIL ABDEL KHALEK, Faculty of Medicine,
Cairo.
"Development standard of Egyptian Infants."
3. DR. CARLO TEDESCHI, Tripoli.
"Osservazioni sull'altissima mortalità della infanzia della
Barca."
4. DR. ABDEL AZIZ NAZMY BEY, le Caire.
"Le grande mortalité infantile en Egypte, etc."

SECTION OF SURGERY.

1. DR. FOUAD GHUSN, B.ès-L., M.D. American University, Beirut.
"Stab wounds and other problems in Legal Medicine."
2. DR. MAKSUD, Le Caire.
"Un cas d'Autoplastie par la méthode italienne."
3. DR. CARLO TEDESCHI, Tripolia.
"I metodi di Sollieri e del Roberston Laval nella cura chirurgica della tuberculosi osteo-articolare."
4. DR. MOHAMMED MOHAMMED SOLIMAN, Nag Hamadi.
"Urolithiasis in Aegypten."
5. DR. I. KAHIL, Le Caire.
"Les altérations de la vésicule biliaire dans les pays chauds."
6. DR. A. DIAMANTIS, Le Caire.
"Calcul géant de l'uretère gauche (région pariétovésicale)."
7. DR. GEORGE SMYRNIOTIS, Belcas, Egypte.
"La chirurgie de la vessie et de l'urètre dans les villages."
8. DR. E. ST. JOHN WARD, American University, Beirut.
"Elephantiasis of the scrotum."
9. DR. JENO ROSENTHAL, Budapest.
"Ueber Echinococcus hepatitis des Menschen, mit Beruecksichtigung der Roentgendiagnostik."
10. DR. CARLO TADESCHI, Tripolia.
"Il permanganato di potassio nella pratica chirurgica quotidiana."
11. DR. L. GAUCIER, Paris.
"Le traitement des varices par la méthode sclérosante."
(Méth. Sicard).
12. DR. MAHMOUD AFIFI, Government Hospital, Alexandria.
"Some observations on the Radiation treatment of various conditions."
13. DR. M. ALI EL NIKLAWY BEY, Cairo.
"Hebdonal as an anæsthetic in surgical operations."
14. DR. E. DE ALMEIDA, Angola.
"Le Neosalvarsan et la gangrène de la lèvre supérieure."
15. DR. BRANSILAV GRČIĆ, Osijek, Yugo-Slavia.
"Behandlung der Varicen vom Standpunkte des praktischen Arztes."

16. DR. ARTHUR MORRISON, Alexandrie.
"46 années de médecine en Egypte."
17. DR. E. GMELIN, German Hospital, Jerusalem.
"Schilddruesen-Veraenderungen in Palaestina."
18. DR. LOUIS DUVERNAY, Aix-les-Bains, Savoie, France.
"Une forme de cellulite spéciale à la femme : la boule permalliolaire."
19. DR. ALBERT WUNDERLICH, Handassah, Jerusalem.
"Aus der Medizinalstatistik Palaestinas, mit besonderer Beruecksichtigung der Chirurgie und der Arbeit der Hadassah."
20. DR. I. KAHIL, le Caire.
"La péritonite chronique plastique."
21. DR. FRANKENSTEIN, Berlin.
"Das Tropenbruchband."

SECTION OF PARASITOLOGY.

1. DR. A. C. COSTA E SILVA, Angola.
"Contributions à l'étude de la pathologie et de la thérapeutique de l'Ankylostomiasis."
2. DR. M. de ALMEIDA, Angola.
"Trypanosomiasis : formes longues du Trypanosoma gambiense."
3. PROF. ENRICO DE ALMEIDA-DALTANDO, Angola.
"Trypanosomiasis : La réaction de Takata-Ama et le degré de positivité dans la deuxième période de la maladie du sommeil."
4. PROF. MARIO PERUZZI, T. Colonello R. Marina, Roma.
"Porocephalose."
5. PROF. RODOLFO V. TALICE, Faculté de Médecine de Montevideo.
"Coprologie parasitaire de l'homme en Uruguay (examen de 1,000 sujets)."
6. PROF. ERNEST CARROLL FAUST, New Orleans.
"What is Sparganum mansoni."
7. DR. F. A. ORNELAS, Angola.
"Les "culcidæ" dans la ville de Saint-Paul de Loanda. L'index après la saison des pluies (avec la collaboration du Dr. Jose de Silva Neves)."
8. DR. M. DE ALMEIDA, Angola.
"Trypanosomiasis. Valeur comparative des substances trypanosomicides. (Tryparsamide, Atoxyl, Bayer and Stibosan)."

9. DR. M. DE ALMEIDA, Angola.
“Le *Stephanurus moræ*.”
10. DR. M. DE ALMEIDA, Angola.
“Le *Micropediculoide moræ*.”
11. DR. M. DE ALMEIDA, Angola.
“La *Glossine brevipalpis* à Angola.”
12. DR. M. DE ALMEIDA, Angola.
“L’*Hæmatopinus* et la Condériose⁵ *ovis*.”
13. DR. M. DE ALMEIDA, Angola.
“La fréquence des Acariens accidentelles du sédiment urinaire.”
14. DR. A. M. EL KIRDANY BEY, Veterinary Pathological Laboratories, Giza.
“The treatment of Trypanosomiasis in Camels.”
15. DR. J. BACIJALUPO, Buenos Aires.
“Teniasis par *hymenolepis nana* dans la République Argentine.”
16. PROF. MOLLOV, Sofia.
“Die diagnostische und biologische Bedeutung der Casonischen Reaktion bei der Echinococcuskrankheit des Menschen.”
17. COLONEL MARIO PERUZZI,
“Les manifestations de malignité de *Trypanosoma Rhodesiense* dans les lésions (Polymorphisme, localisations massives, Inflammations).”
18. DR. ENRIÇO DE ALMEIDA (avec la collaboration de Alfredo Gomes de Costa).
“La lutte contre la maladie du sommeil aux secteurs de prophylaxie VI et VIII.”
19. DR. CARLO TEDESCHI, Tripolia.
“Appendicite parasite intestinale.”
20. DR. MAHMOUD ABDEL AZIM, Cairo.
“The incidence of protozoal infection in Lower Egypt.”
21. DR. S. MAZZA.
“Sur les spirochetoses appendiculaires.”
22. DR. SILVIO PARODI, Buenos Aires.
“Les rhinosporidioses en Amérique du Sud.”
23. DR. M. ALMEIDA et DR. FONTAINE ARMANDO, Angola.
“Fièvre Jaune: *Spirochaetose* icterigène. Pousée épidémique a Delentado, Angola.”
24. DR. S. MAZZA, Buenos Aires.
“Rôle du protozoaire dans les appendicites.”
25. DR. RAIF BELLAMA, B.A., M.D., American University, Beirut.
“Intestinal Worms in Syria and Lebanon.”

SECTION OF BILHARZIA.

1. DR. A. DAMAS MORA et V. MESQUITA, Angola.
“Distribution de la Bilharziose en Angola.”
2. DR. A. DIAMANTIS, Le Caire.
“Les Tropismes dans la Bilharziose.”
3. DR. P. C. SMYRNIOTIS, Le Caire.
“L'hydrocystogramme comme sur et unique moyen radiodiagnostique de la calcification bilharzienne.”
4. MR. R. RIEGL et DR. TSYKALAS.
“Mittel zur Bekaempfung der toxischen Wirkung des Emetin.”
5. PROF. F. C. CAWSTON, M.D., Durban, Natal, South Africa.
“Some results of original research into the treatment of chronic hæmaturia by *Schistosomum hæmatobium*, Bilharz. and its associated trematode parasitic worms.”
6. DR. O. ESCHER, Beirout.
“Contribution au dépistage de la Bilharzia (*Schistosoma hæmatobium* chez les noirs).”

SOUS-COMITE LOCAL DU TOWNSHIP

LOCAL SUB-COMMITTEE OF THE TOWNSHIP

LOCAL BIRTH-KITCHEN OF THE TOWNSHIP

LOCAL COMMITTEE LOCAL OF THE TOWNSHIP

1. The Scientific Executive Committee :

H.E. DR. MOHAMMED SHAHIN PACHA, President.
MR. F. C. MADDEN.
PROF. ALI BEY IBRAHIM.
LT. COL. MARRIAN PERRY.
PROF. NAGUIB BEY MAHFOUZ.
PROF. M. KHALIL, Secretary.

2. The Centenary and Ceremonial Sub-Committee :

H.E. DR. MOHAMMED SHAHIN PACHA.
MR. F. C. MADDEN.
PROF. HEATHCOTE.
MONS. GEORGES EIMAN BEY.
PROF. M. KHALIL.

3. Medicine Sub-Committee :

PROF. SOLIMAN AZMY BEY, Prof. of Medicine.
PROF. BIGGAM, Prof. of Medicine.
DR. DUDGEON, Director, Lunacy Section, P.H.D.
DR. A. MOCHI, Italian Hospital, Cairo.
DR. AZER, Assist. Phys., Skin Department, Kasr el Aini.
DR. ERFAN, Assist. Phys., Kasr el Aini, Secretary.
DR. ANIS SALAMA
DR. ABOU BAKR EL DEMERDASH } Assist. Secretaries.
DR. M. ABDELKHALIK EL DALGAMONI, Assist. Secret. for Leprosy.
DR. M. H. BETACHE, Assist. Secret. for Leishmaniasis.
DR. ALI FOUAD, Assist. Secret. for Tuberculosis.
DR. M. SALAH EL DIN, Assist. Secret. for Dysenteries.
DR. M. RADWAN RIFAAT, Assist. Secret. for Malaria.

4. Diseases of Children Sub-Committee :

H.E. DR. HAFIZ AFIFI BEY, Minister of Foreign Affairs.
DR. BARTOLOCCI, Cairo.
DR. I. SHAWKI, Secretary.
DR. FADEL SELIM, Assist. Secretary.

5. Surgery Sub-Committee :

PROF. ALI BEY IBRAHIM, Prof. of Surgery.
PROF. HENRY, Prof. of Surgery.
DR. MOHAMMED BEY ABDEL HAMID, Director, King's Hospital.
DR. GAGLIO, Italian Hospital, Cairo.
DR. DUNET, French Hospital, Cairo.
DR. GARDNER, Director, Radiological Department, Kasr el Aini.

5. Surgery Sub-Committee (continued) :

DR. LOTSY, Radiologist, Cairo.
DR. H. SHAHIN BEY, Assist. Surgeon, Ear, Nose and Throat.
DR. H. EZZAT, Assist. Surgeon, Venereal Diseases.
DR. I. FAHMY EL MINIAWI, Surgeon, Kasr el Aini, Secretary.
DR. ABDALLAH EL KATIB } Assist. Secretaries.
DR. MONIR NIMATALLAH }

6. Gynæcology Sub-Committee :

PROF. DOBBIN, Prof. of Gynaecology and Obstetrics.
PROF. NAGUIB BEY MAHFOUZ, Prof. of Gynaecology and Obst.
DR. PAPAYOANNOU, Private Hospital, Giza.
DR. HESS, Cairo.
DR. AHMED SHAFIK, Gynaecologist, Secretary.
DR. ABDALLAH RAFLA } Assist. Secretaries.
DR. IBRAHIM MAGDI }

7. Ophthalmology Sub-Committee :

PROF. SAYED BEY ABDEL HAMID, Prof. of Ophthalmology.
DR. MOHAMMED BEY TAHIR, Cairo.
DR. R.P. WILSON, Director, Memorial Ophthalmic Laboratory,
Giza.
DR. MAX MEYERHOF, Cairo.
DR. H. PERETZ, Cairo.
DR. M. RIAD, Ophthalmologist, Secretary.
DR. MAHMOUD ATIA } Assist. Secretaries.
DR. A.F. ABBASSI }

8. Hygiene and Sanitation Sub-Committee :

DR. A. BYRNE, Health Expert, P.H.D.
DR. AHMED HILMI BEY, Director Epidemic Section, P.H.D.
DR. M. EL SIBAIE, Director Sanitation Section, Secretary.
DR. RIAD FARAG } Assist. Secretaries.
DR. M. NAZIF }

9. Parasitology Sub-Committee :

PROF. M. KHALIL, Prof. of Parasitology.
PROF. DR. V. JOLLOS, Prof. of Zoology, Faculty of Science.
DR. M. ABAZA, Endemic Section, P.H.D., Secretary.
DR. M. NAZMI, Assist. Secretary.

10. Pathology and Bacteriology Sub-Committee :

PROF. URQUHART, Prof. of Pathology.	}	Pathology.
DR. M. SEROUR, Assist. Prof. of Pathology. Secretary.		
PROF. FORSYTH, Prof. of Bacteriology.	}	Bacteriology.
DR. BENSTED, Chief Bact., P.H. Labs.		
DR. LOUIS AWAD, Bacteriologist, P.H. Labs.		
DR. M. OMAR, Assist. Prof. of Bacteriology.		
DR. ALY BEY SHOUSA, Sub-Director, P.H. Laboratories, Secretary.		
DR. BASILI FARAG	}	Assist. Secretaries.
DR. MOH. ALI		

11. Scientific Subjects Sub-Committee :

PROF. DERRY, Prof. of Anatomy.
PROF. HEATHCOTE, Prof. of Pharmacology.
PROF. RAIMENT, Prof. of Physiology.
PROF. JONAS, Prof. of Dental Surgery, Dental School.
DR. SHAMS EL DIN BEY, Assist. Prof. of Chemistry,
Faculty of Medicine.
DR. E. HAMMOUDAH, Lecturer in Physiology, Secretary.
DR. IBRAHIM RAGAB FAHMI } Assist. Secretaries.
DR. NASHID FAHMI }

12. Bilharzia General Meetings :

DR. M. ABDEL AZIM } Assist. Secretaries.
DR. M. HELMI }

13. History of Medicine Sub-Committee :

DR. MOHAMMED ABDEL HAMID BEY.
DR. MAX MEYERHOF, Cairo.
DR. GEORGE SOBHY, Physician, Kasr el Aini, Secretary.
DR. HASSAN KAMAL, Fever Hospital, Cairo, Assist. Secretary.

14. Exhibition Sub-Committee :

AHMED FAHMI EL KATTAN BEY, Controller of Technical
Education.
PROF. M. KHALIL.
FOUAD ABAZA BEY, Director, Royal Agricultural Society.
DR. MOUSTAFA FAHMY BEY, District Inspector, P.H.D.
HASSAN MOKHTAR RASMY EFF., Ministry of Finance.

15. Reception Sub-Committee, Alexandria :

S.E. HUSSEIN SABRY PACHA, Governor of Alexandria, President.
M. SAID BEY TELEMAT, Vice-president of Municipality Commission.
M. FIRMAN VAN DEN BOSCH, Procurer General, Mixed Courts.
DR. IBRAHIM BEY ABDEL SAYED.
S.E. GEORGES ZANANIRI PACHA.
S.E. AHMED BEY SEDDIK, Director General of the Municipality.

16. Supervisors of Ceremonial Functions :

MR. F. C. MADDEN, Faculty of Medicine Tea.
PROF. ALI BEY IBRAHIM, Dinner given by H.E. the President.
PROF. R. G. HEATHCOTE, Inauguration Ceremony.
PROF. P. C. RAIMENT, Final Meeting.
DR. SALEH HAMDY BEY, Soirée given by Organization Committee.
PROF HENERY, Recepter of Delegets.
LT. COL. MARRIAN PERRY, Tea at the Pyramids.
DR. E. A. GARDNER, Delta Barrage Excursion.

17. Ladies Committee.

MRS. F. C. MADDEN.
MRS. S. ST. A. HEATHCOTE.
MRS. A. L. URQUHART.
MRS. R. A. GARDNER.
MME. GORGY SOBHY.
MRS. MAHMOUD.
MRS. W. H. WILSON.
MRS. H. MARRIAN PERRY.
MRS. F. C. ELGOOD.
MRS. LLEWELLYN PHILLIPS.
MME. PERETZ.
MME. PAPAIOANNOU.
MME HESS.
MME. NAUS.
MME. DUNET.
MRS. RIFAAT.
MRS. BAYOUMI.

PROF. DR. C. D. DE LANGEN.

INDE PORTUGAISE

Ecole de Médecine, Nova Goa, Inde Portugaise :

PROF. DR. LIEUT. COL. ALBERTO CARLOS, Germano da Silva
Coriea.

IRLANDE

The National University of Ireland :

DR. T. G. GARRY, M.D., Cairo.

Royal College of Physicians of Ireland, Dublin :

DR. T. G. MOORHEAD, Prof. of Physic, Trinity College, Dublin.

Royal College of Surgeons, Ireland :

PROF. ADAMS A. McCONNELL, B.A., M.B., F.R.C.S.I., Prof. of
Surgery, Royal College of Surgeons, Ireland.

University College, Dublin, Ireland :

PROF. DR. MAURICE HAYES, Royal College of Surgeons,
Dublin.

University of Dublin, Ireland :

PROF. DR. JOSEPH THÉODORE WIGHAM, M.D., Prof. of Pathology.

ITALIE

Institute of Malariology, Rome :

PROF. A. MISSIROLI, Rome.

Istituto di Clinica Oculistica :

PROF. ARNOLDO ANGELUCCI.

Reale Accademia Medica di Roma :

PROF. VITTORIO ASCOLI, Direttore, Roma.

Università Degli Studi di Firenze, Italia :

PROF. CARLO COMBA, Clinica Pediatrica, Firenze.

Università di Messina, Italia :

PROF. SEBASTIANO CANNATA, Messina.

La Regia Università di Modena, Italia :

LEONE LATTES, Prof. Ordinario nell'Università, Modena.

Reale Università di Napoli, Italia :

PROF. ROCO JEMMA, Clinica Pediatrica, Università di Napoli.

Regia Università di Torino, Italia :

PROF. MARIO CARRARA.

JAPON

Kyushu Imperial University, Japan :

PROF. TOHUZO OHIRA, Prof. of Hygiene and Chief of Rabies Institute.

Medical College, Niigata, Japan :

PROF. R. KAWAMURA, Prof. of Pathology.

MADAGASCAR

L'Institut Pasteur de Tananarive, Madagascar :

DR. G. GIRARD, Directeur de l'Institut Pasteur, Tananarive.

MALTE

University of Malta, Valletta :

PROF. P. P. DEBONO, M.D., F.R.C.S., D.P.H., Malta.

MAROC

Institut Pasteur de Tanger, Maroc :

*DR. P. REMLINGER, Directeur.

PALESTINE

The Academy of Medicine, Jerusalem, Palestine :

DR. V. H. KALBIAN, President of the Academy.

DR. Ph. J. FREIJ, Academy of Medicine.

Department of Health, Jerusalem, Palestine :

COLONEL G. W. HERON, Director of Health.

DR. J. W. P. HARKNESS, M.A., M.B., B.Sc., D.P.H.

Hadassah Medical Organisation, Jerusalem, Palestine :

DR. KATZNELSON, Sous-Directeur Général.

DR. H. YASSKY, Assistant Director.

The Hebrew University, Jerusalem, Palestine :

PROF. I. J. KLIGLER, Head of Department of Hygiene.

PROF. S. ADLER, Head of Department of Parasitology.

Malaria Research Unit, Haïfa, Palestine :

DR. JOSEPH MAX SHAPIRO, M.D., M.S., (P.H.).

L'Organisation Médicale Juive de la Palestine, Jérusalem :

DR. HILLEL YOFÉ, Haïfa.

Palestine Medical Association, Haïfa :

DR. GIBRAIL ABIAD.

PAYS-BAS

Institute voor Tropische Hygiene, Amsterdam, Holland :

PROF. DR. E. P. SNYDERS, Amsterdam.

PROF. DR. W. A. P. SCHÜFFNER, Amsterdam.

PROF. DR. SWELLENGREBEL, Amsterdam.

Nederlandische Vereeniging voor Tropische Geneeskunde, Gravenhage :

PROF. DR. W. A. SCHUFFNER, Amsterdam.

PROF. E. P. SNYDERS, Tropical School, Amsterdam.

DR. A. VAN DER SHEER, The Hague.

DR. F. H. G. VAN LOON, The Hague.

Rijksuniversiteit Te Leiden, Holland :

PROF. DR. J. VAN DER HOEVE, Dekan der Medizinischen Fakultät.

University of Amsterdam, Holland :

PROF. DR. E. P. SNIJDERS, Amsterdam.

Vereeniging voor Tropische Geneeskunde, Leiden, Holland :

PROF. P. C. FLU, Leiden.

Universiteit de l'Utrecht :

PROF. K. DE SNOO.

PHILIPPINES

Philippine Health Service, Manilla :

DR. CRISTOBAL MANALANG, D.M., D.T.M.

POLOGNE

University of Lwow-Lemberg, Poland :

DR. MARYAN FRANKE.

DR. ROMAN RENCKI, Médecin.

DR. HILARY SCHRAMM, Chirurgien.

PORTO-RICO

School of Tropical Medicine, San Juan, Porto-Rico :

PROF. DR. BAILEY K. ASHFORD, M.D., Sc.D., D.S.M.D., C.M.G.,

Prof. of Tropical Medicine and Mycology, Columbia University,
and School of Tropical Medicine, Porto-Rico.

PORTUGAL

University of Lisbon, Portugal :

PROF. RICARDO JORGE.

ROUMANIE

L'Association Générale des Médecins Roumains, Bucarest :

DR. M. POPESCU BUZEU, Bucarest.

University of Bucarest.

PROF. I. BALOCESCU, Dean of the Faculty of Medicine.

PROF. MEZINESCU, Prof. of Hygiene, Faculty of Medicine.

Faculté de Pharmacie de Bucarest :

DR. N. T. DELEANO, Doyen de la Faculté.

University of Jassy, Roumania :

PROF. STEPHANESCU GALATZI, Dean of the Faculty of Medicine.

SIERRA LEONE

The Sir Alfred Jones Research Laboratory, Sierra Leone, West Africa ;

*DR. RUPERT MONTGOMERY GORDON, M.D., B.Ch., D.P.H.,
D.T.M., B.A.

SOUDAN

Kitchner School of Medicine :

DR. J. C. N. HARRIS, M.D., D.P.H.

Sudan Medical Service :

DR. J. C. N. HARRIS, M.D., D.P.H.

SUÈDE

Faculté de Médecine de Stokholm, Suède :

PROF. JOHN REENSTIERNA.

Lund's University, Sweden :

PROF. DR. JOHN FORSSMAN.

SUISSE

L'Hôpital Cantonal, Lausanne, Suisse :

DR. JULES GONIN, prof. d'ophtalmologie et Doyen sortant de Charge de la Faculté de Médecine.

Université de Genève, Suisse :

PROF. M. ROCH, Genève.

Université de Lausanne :

DR. JULES GONIN, Prof. d'Ophtalmologie et Doyen sortant de Charge de la Faculté de Médecine.

Universitaet Zurich, Suisse :

PROF. DR. SILBERSCHMIDT, Director of the Hygiene Institute.

SYRIE

American University of Beirut, Syria :

PROF. EDWIN ST. JOHN WARDS, B.A., M.D., F.A.C.S.D.Sc.,
Dean of Faculty.

DR. CHARLES A. WEBSTER, B.A., M.D., Prof of Ophthalmology
and Otology.

DR. WILLIAM DOUGLAS CRUIKSHANK, B.A., M.D., F.R.C.S.
Prof. of Surgery.

DR. DANIEL ESCHER, B.és-L., M.D., Médecin Principal.

DR. NI'MAH KHALIL NUCHO, M.D., Prof. of Pulmonary
Tuberculosis.

DR. NAJIB MOHAMMED ARDATI, M.D., Prof. of Public Health.

DR. FUOAD GHUSN, B.és-L., M.D., Lecturer in Legal Medicine.

DR. RAYMOND H. GOODALL, B.S., M.D., Prof. of Pathology.

DR. MOSTAPHA KHALIDI, M.D., Prof. of Gynaecology and Obs-
tetrics.

DR. YENIKOMSHIAN, B.A., M.A.

DR. HINSHAW.

DR. BELLAMA.

DR. K. J. TABOURIAN, D.D.S., Chief of Dental Clinic.

Association des Médecins et des Pharmaciens, Beyrout :

DR. HASSAN EL ASSIR.

DR. NICOLAS ROBERT.

DR. ABDEL RAOUF HAMADA.

DR. TEWFIK SABAGHA.

DR. FOUAD GHUSN.

DR. NAGUIB ARDATI.

Faculté Française de Médecine, Beyrouth, Syrie :

PROF. P. DE VREGILLE S. J.

DR. A. GEOFFROY.

DR. M. PÉAN.

PROF. STANY RISACHER.

Medical and Pharmacy Society, Beirut, Syria :

DR. HASSAN BEY EL ASSIR.

Université Syrienne :

DR. RIZA SAID, Recteur de l'Université et Doyen de la Faculté Arabe de Médecine.

PROF. DR. TRABAUD, Prof. de Clinique à la Faculté de Médecine.

PROF. DR. HAMDY KHAYAT, Prof. de Bactériologie à la Faculté de Médecine.

TCHECOSLOVAQUIE

Deutsche Universitaet, Prag, Tchechoslovaquie :

PROF. DR. ANTON ELSCHNIG, Prag.

TUNISIE

Institut Pasteur de Tunisie :

DR. CHARLES J. H. NICOLLE, Directeur.

TURQUIE

Université de Stamboul :

PROF. DR. ISMAIL DARWICH.

PROF. BAHGAT THABIT.

تعليمات خاصة باجتماعات الأقسام العلمية

الزمن المخصص لكل رسالة هو بين الخمس عشرة والعشرين دقيقة تبعا لرأى اللجنة. وستخصص ثلاث أو أربع دقائق لكل من شاء المناقشة وسيتبع البرنامج الموضوع لذلك بكل دقة. ولا يسمح برفع الجلسة وتأجيلها ما لم تكن كل الرسائل المبينة ببرنامج الجلسة قد تليت. ولا يجوز تأجيل تلاوة رسالة قما الى يوم آخر الا بموافقة لجنة تنظيم المؤتمر .

وعلى حضرات الأعضاء أن يدقنوا نص المناقشة التي اشركوا فيها وتسليمها الى سكرتير القسم قبل ارفضاض الاجتماع. وتوجد استمارات مخصوصة لهذا الغرض . وستنشر جميع المناقشات في مجموعة أعمال المؤتمر .

رؤساء الأقسام وأصحاب الوظائف بها

ينتخب كل قسم رئيسا له وينتخب أيضا بقية أصحاب الوظائف به قبل أو في أثناء انعقاد الجلسة الأولى (ولا يشمل هذا الانتخاب السكرتيرين ومساعدتهم) .

الجلسة الختامية لأعمال المؤتمر

الاقتراحات والرغبات التي يراد عرضها على المؤتمر في جلسته الختامية يجب تقديمها الى السكرتارية العامة للمؤتمر قبل موعد انعقاد هذه الجلسة بيومين على الأقل . ومن بين هذه الاقتراحات ما قد يكون خاصا بتاريخ ومكان انعقاد المؤتمر المقبل لأمراض البلاد الحارة وعلم الصحة .

برنامج أعمال المؤتمر

سيتناول المؤتمر بحث العلوم الآتية :

- | | |
|---------------------------------------|-----------------------------|
| ١٠ - الرمد . | ١ - الأمراض الباطنية . |
| ١١ - الصحة والأعمال الصحية . | ٢ - الجذام . |
| ١٢ - علم الباثولوجيا والبكتريولوجيا . | ٣ - الليشمانيا . |
| ١٣ - المواضيع العلمية . | ٤ - الملاريا . |
| ١٤ - علم الطفيليات . | ٥ - السل . |
| ١٥ - البلهارسيا . | ٦ - الدوسنتاريا . |
| ١٦ - تاريخ الطب . | ٧ - أمراض الأطفال . |
| ١٧ - عرض مناظر سينمائية طبية وصحية . | ٨ - الجراحة . |
| | ٩ - أمراض النساء والولادة . |

ونظرا لكثرة عدد الرسائل التي قدمت للمؤتمر . ولضيق الوقت المخصص للتلاوة والمناقشة فستعتبر بعض الرسائل كأنها تليت . على أن تطبع فيما بعد في مجموعة أعمال المؤتمر .

طوابع بريد خاصة بالمؤتمر

- عملت طوابع بريد خاصة لذكرى العيد المئوى لكلية الطب والمؤتمر .
وهذه الطوابع من نوعين : أحدهما عليه رسم (أمحوتب) . والثانية تحمل رسم
والى مصر "محمد على باشا" الذى أنشئت بأمره كلية الطب .

نوط المعرض

سيوزع نوط على العارضين للآلات الطبية والأدوية بالمعرض وهو
من البرونز المذهب وعليه رسم (أمحوتب) فى أحد وجهيه واسم العيد المئوى
والمؤتمر باللغتين العربية والفرنسية على الوجه الآخر .

خريطة مدينة القاهرة

سيعطى لكل عضو خريطة عن مدينة القاهرة موضحا عليها جميع الأماكن
الهامة . وستوجد خرائط تحتوى على بيانات أوفى موضوعة فى شكل كتيب
طبعها مصلحة المساحة ويمكن شراؤها من المعرض .

كتاب المؤتمر عن القطر المصرى

ستعطى لكل عضو نسخة من هذا الكتاب الذى وضع خصيصا بمناسبة
المؤتمر وبه معلومات عامة عن مصر ورسالة تاريخية عن كلية الطب وأخرى
عن مصالحة الصحة العمومية وبه صور مشاهير الرجال الذين يرتبط اسمهم
بتاريخ الكلية . والمأمول أن تكون هذه المعلومات ذات فائدة عظيمة للذين
يرغبون فى الوقوف على معلومات عن مصر .

الشارات المميزة

- أعضاء لجنة تنظيم المؤتمر
- أعضاء اللجان الفرعية
- هيئة مدرسى الكلية
- أعضاء لجنة المعرض
- طلبة كلية الطب
- أخضر
- أبيض
- أصفر
- أزرق
- الزى الجامعى

وفيما يلي بيان بأرقام التليفونات المتعلقة بأعمال المؤتمر :
