## CONDITIONS OF SALE.

---

FIRST.—The highest bidder, in due time, to be the buyer, and if any dispute arise between two or more bidders the lot so disputed shall, upon the decision of the auctioneer, be immediately put up again and re-sold. The auctioneer reserves to himself the right to refuse any bidding he pleases, also to make any alteration in the catalogue, and is to be the sole arbitrator in every matter of dispute.

SECOND.—No person to advance less than one shilling; above £2, two shillings and sixpence; and so on in proportion.

THIRD.—In the case of lots upon which there is a reserve, the auctioneer shall have the right to bid on behalf of the vendor.

FOURTH.—The purchasers are to give in their names and places of abode, if required, and to pay down a deposit of five shillings in the pound in part payment of the purchase-money, such deposit not to be considered as a deposit on a single lot only, but to ride over all lots purchased by the same buyer, in default of which the lot or lots so purchased to be put up again and re-sold at any convenient opportunity during the sale or otherwise.

FIFTH.—If any person purchase more than one lot, they shall be deemed one entire purchase between such person and the vendor, and no lot, or portion of a lot, shall be demanded for delivery by any purchaser before the purchase-money be paid for all his or her lots.

SIXTH.—The lots are to be taken away and paid for, whether genuine and authentic or not, with all faults and errors of description, at the buyer's expense and risk, before 4 o'clock p.m. on the day immediately following the last day of sale. The auctioneers not being responsible for the correct description, genuineness or authenticity of, or any fault or defect in any lot, and making no warranty whatever. All damage done to the premises or to any of the lots by the removal of any of the goods shall be made good by the purchaser thereof, principals being considered responsible for the acts of their servants.

SEVENTH.—To prevent inaccuracy in delivery and inconvenience in the settlement of the purchases, *no lot can on any account* be removed during the time of sale; and the remainder of the purchase-money must *absolutely* be paid before delivery.

EIGHTH.—Inasmuch as the auctioneers act only as agents for the vendors, they shall not be held personally responsible to the purchasers for any default on the part of the vendors.

LASTLY.—Upon failure of complying with the above conditions, the money deposited in part payment shall be forfeited to the vendors, the lots remaining uncleared shall be re-sold by public or private sale, and the deficiency (if any) attending such re-sale, together with all incidental expenses and charges, shall be made good by the defaulters at this sale, and recoverable by the auctioneers as liquidated damages.
