Omdurman

(6) He should most certainly  
have bought the long straight  
Emirs sword with plain cross  
hilt

got  
"Indian"  
scabbard.  
the best

which seems to have  
is to the catalogue as  
it is in a leather  
This sword is about  
the only in the collection.

They were very old swords  
& some were supposed to date  
from the Crusades. He had  
better look at this sword  
again. But I would rather

not sell it under £4 or £5

It seems to be in Lot 103.
