# Doctor Mac Lachlen,

At the Golden-Head facing the top of Nightingale-Lane, East-Smithfield, London,  
(No. 110)—*N. B.* A private back door. By his Majesty's Authority.

**W**HERE by a successful practice for many years, in all **VENEREAL COMPLAINTS**,  
(as thousands in London and many other parts, can prove,) that I have obtained  
a safe and easy method of curing the **VENEREAL** or **FRENCH DISEASE**, in either  
sex, young or old, without loss of time, or hindrance of business, at an easy expence, either  
with or without salivation, as agreeable to the patient, much past the expectation of many,  
who had long suffered by false pretenders, &c. *N. B.* By Authority, I prepare all sorts of  
Antivenereal Medicines, with directions ready for going abroad, or using at home in  
private. My new Antivenereal Scarlet Pills, proved and now pronounced the quickest,  
safe, and easy method of cure yet known, and often compleats a cure when salivation has  
failed, 3s. 6d. a box. Different sorts of pills, 3s. a box. Medicines for slight cases, 8s.  
My Antivenereal Electuary, 3s. a pot, with directions. My Balsamic Restorative for  
gleets and seminal weakneses in either sex, 3s. a bottle. My much approved Itch Water,  
that neither smells nor itains, 1s. a bottle. I cure the bloody flux and yellow jaundice.  
Advice in physick and surgery. Private lodgings if needful, on reasonable terms.

*N. B.* I attend abroad, either on board or a shore, by a messenger, or letters post-paid. Note, Beware of strolling  
doctors with their shops in their pockets, plying at lodgings and ale-houses.
