I shall let you without leasing  
 who and what is my generation  
 homogenous to my father  
 and magasia is my mother  
 and that truly same son  
 and librid ferus is my brother  
 the Serpent of Andia is my name  
 the wish is leader of all the game

Now make ye haste that morning  
 and call ye him to be fig  
 of rap food and water I wish  
 plenty in all the world there is  
 it remaineth in ween place  
 he that findeth him hath grace  
 in the world he runneth over all  
 and sound going no a hall
