The attitude and dress of Doctor Jenner as he stood when about to vaccinate. I am his 6th Nephew and Representative and being constantly with him I knew all his social and domestic habits and was the only person at his breakfast table the morning he fell in a fit of Apoplexy from which he never rallied but died the next morning at 4 O'clock. Tho I am now in my 84th year my memory is very good and retentive. I am the only relative that knew any thing of him and his social and domestic manners and this sketch of The sketch I made
